## Success!

A big buck totting a 13 point rack with a 19" spread was shot by Sam Noon of 13210-52nd St., Lowell, while he was hunting near Freeport Sunday. Noon's rack has been entered in Gilmore's Sport Shop's annual contest and could be the winner with a total of 32 points.

Robert Laux of Lowell, hunting near Big Rapids, was the first deer hunter to relay the success message home on opening day, last Wednesday.

A lot of hunters have been out, with the reports of success running a little slow this year. Hunters reporting success were:

Pat Murray, Alto, 5 points, 135 lbs. Randy Gould, Murray Lake, J. E. Perrien, Lowell, 10 points, 165 lbs. Kris Kropf, 10 points, 170 lbs.

Melvin Hewitt had the real success story, shooting

his first buck in 20 years of hunting. He bagged a 5 point weighing 150 lbs., southwest of Lowell.

Bob Wolf, Lowell, six points. Bill Yoder, Alto, five points. Roe Niles, Alto, 7 points.

If you've bagged a buck, give us a call for next week's publication, 897-9261.

Lester Stauffer of Lowell reported that a party of nine were hunting last week at Sunrise Lake, Osceola County. On the opening day, six of the nine were able to tag their deer.

## Who's To Tow?

The Kent County Towing Association has recently been organized to help represent the views of towing services throughout the county. The towing companies involved feel they have been treated unfairly by the Kent County Sheriff's Department in respect to the number of calls they receive. The association wants the county to hold bids for the towing contract. Local firms represented by the association are, Harvey's Wrecker Service in Ada, D&M Towing Service and DeMull's Towing Service in Lowell.

Harvey Eickhoff, of Harvey's Wrecker Service, wants the Sheriff's Department to "play fair" in dispatching wreckers. Eickhoff contends that the Sheriff's Department will call a Grand Rapids wrecker to an accident scene when his wreckers should be called. Eickhoff feels that his wrecker service should handle local calls because he could do it as well and cheaper than wrecker services from Grand Rapids. Mr. Eickhoff estimated his business to be about 25% from calls received from the Sheriff's Department at the present time.

Don Eickhoff, brother of Harvey and owner of D&M Towing Service, has joined the towing association because he feels that he can also do as good a job as other wrecker companies, only cheaper. Don Eickhoff seeks more calls from the Sheriff's Department although he feels he gets good cooperation from the Lowell Police Department.

Harry DeMull of DeMull's Towing Service feels that he has not been treated fairly by either the Sheriff's Department or the Lowell Police Department. DeMull contends that the only calls he receives are abandoned cars where there is usually no money involved.

Bill Ellison of Wittenbach's Service is happy with the cooperation he receives from the Kent County Sheriff's Department. Ellison claims that he has "worked to be efficient" and has proven to be reliable. Ellison feels that Wittenbach's deserves the calls from the Sheriff's Department because they are not affiliated with AAA or other organizations as many other businesses are. He estimated Wittenbach's business to be about 25% from calls from the Sheriff's Department.

Officials from the Kent County Sheriff's Department are somewhat baffled by the discontent of the Kent County Towing Association. In a letter received last week, the association stated that they were "ready and willing to cooperate in any way the county suggests." They further stated, "This letter in no way reflects dissatisfaction of your present procedures."

Currently the Sheriff's Department dispatches the closest reliable towing service. It was mentioned that in an emergency situation, they don't have time to sift through a lot of telephone numbers. According to officials, some wrecker services are not reliable or efficient, and cannot be counted on.

The Sheriff's Department will be considering a "bid service" with the specifications being determined in the near future. Response time, and efficiency, not the number of wreckers, appear to be a major specification. Officials believe that this is the only "fair way".

## Highway Funds Being Distributed

Third quarter Motor Vehicle Highway Fund collections are now being distributed to Michigan counties, cities and villages, the State Highway Commission reports.

John P. Woodford, deputy director-chief engineer of the Department of State Highways, said net receipts of the Highway Fund during July, August and September of 1972 amounted to \$85,984,252, an increase of \$4,522,846 or 5.6 percent compared to the same period of 1971.

1 Kent County share was \$1,190,538, while the City of Lowell received \$10,779.

All State gasoline and diesel fuel taxes and license plate fees go to the Motor Vehicle Highway Fund. After deduction of collection costs by the Department of State, and the share of 1.5 percent for the State Waterways Commission, the funds are distributed under the formula of 46 percent to the Highway Department, 34 percent to the 83 counties and 20 percent to the 530 incorporated cities and villages.

Under this formula, the Highway Department received \$39,552,756 as its share of the third quarter collections. Counties received \$29,234,645 and the cities and villages, \$17,196,850.

The Lowell City Council will hold three public hearings at their regular meeting on December 4. The first proposal will be to rezone a plot from A-3 Residential to C-2 Commercial; second, to from A-2 Residential to C-3 Commercial.

A new sign has been placed on the Transue Realty building on West Main Street.

Cherry Creek Nursing Home, 350 North Center Street, Lowell, is holding an open house, Saturday and Sunday, November 25 and 26, from 1 to five o'clock in the afternoon.

The Campfire Girls of Lowell are collecting new or used toys to be donated to the "Operation Santa Claus" project promoted by the Lowell Moose Lodge. Anyone wishing to donate may call 897-7567, 897-7303 or 897-8732.

To aid the plowmen for the City of Lowell in snow removal, Police Chief Barry Emmons reminded residents this week, that parking on city streets is prohibited from 2 a.m. to 6 a.m. "If you want your streets kept clean, Emmons stated, "make sure all vehicles are parked off the street."

Food For Thought—When residents of Montezano, Washington pay their water bills, they see this sign: "If you get thirsty, and think your water bill is too high, remember

Municipal water	20 cents per ton
Pop	\$210 per ton
Beer	\$405 per ton
Whiskey, 100 proof	\$6,144 per ton

Lowell Police are investigating a breaking and entering at Wittenbach Sales and Service on West Main Street, November 15. An unknown amount of cash was taken from two machines, along with a radio.

When leaving your parked car . . . make sure the keys are in your pocket! Keys left in the ignition are a temptation for car theft.

Bob Ellis reports that because many of his Christmas trees suffered extensive damage due to the hard frost of last June, he will not be having any trees for sale this year.

Especially hard hit were the blue spruce. Hard frost turns the new growth brown. A wet summer also hampered the spraying and pruning of trees.

## Grant Funds To Finance Application

At the regular meeting of the Lowell City Council Monday night, council moved to grant a request by William S. Doyle, chairman of the recently appointed Housing Commission, for funds to finance an application for Public Housing with HUD. City Manager, Blaine Bacon, stated the application required "is a complex affair and cost for filing is anticipated to be about \$2,500, according to Doyle."

Mayor Anderson said although this would not be a budgeted item, he felt "council should try to find the money somehow." Councilman Jefferys, concurring, said "this housing thing has been kicking around for a long time," and he was also of the opinion that "the city should help in getting it off the ground."

### New Police Cruisers

On recommendation of Manager Bacon, Council approved the purchase of two police vehicles from Imperial Motors, low bidder on Plymouth Fury II - 360 engines - 300 HP.

### Defer Request

In other business, council deferred a request by the Lowell Branch of the Kent County Library for carpeting until a later committee-of-the-whole discussion.

### Manager Reports

Manager Bacon reported that City Hall is to have a second phone line in response to complaints from citizens not being able to get through to City Hall. The new number will be 897-8457. It will be in use by Jan. 5.

It was also reported that over \$26,000 has been collected to date on the sewer assessment. Property owners have until December 1 to pay the full assessment and avoid the 6% interest charge. However, payments may be made at any time during the year and in any amount.

It was also reported by Manager Bacon that the Workable Program submitted to HUD last July was being reviewed and had received word that someone from HUD would be in the area soon to consult with city officials.

## One Hurt As Car Becomes Airborne

A Lyons man was in fair condition at Butterworth Hospital Monday following a one-car crash Saturday night. Anthony Strum, 20, of 9000 Murray Lake Road, was admitted with fractures of a leg and other injuries.

Apparently Strum was westbound on 52nd Street west of Morse Lake Road when he lost control of the car he was driving. The car left the roadway into a ditch, hit a culvert, and became airborne for over 100 feet. The vehicle struck two trees during the non-scheduled flight. The car caught on fire upon coming to rest and Strum had to be removed from the burning vehicle.

Anthony Strum, lucky to be alive, was cited for careless driving.

## PTO Paper Drive

The Parent-Teacher Organization will hold a fund-raising paper drive in February and will accept all newspapers and magazines. The deadline dates are February 1-5.

Tying is not necessary, the PTO reminds, and all items may be deposited at the D & W Store on the 1st through 5th. Please note, however, that the papers and magazines must be kept separate.

If transportation or pickup is a problem, call Kay Rink at 949-5067 and arrangements will be made.

## Who Are They?

Mrs. Harold Collins of North Jackson Street, Lowell, was the first person to identify last week's mystery picture of the American Legion Band, taken in front of the old Lowell State Bank. They were—back row, John Jarosch, Harry Stauffer, George Burgess, Harold Collins, Elmer S. White, Roger Springgett, Ralph Kyser, Ed Reynolds. Front row, Thurston Springgett, Thomas Raabi, Lester Rodgers, Lester Stauffer, Russell Smith, Wayne Springgett, Ray Loveless, Byrne McMahon, Orrin Starcken, Royden Warner, Merritt Miller and Howard White, conductor.

A year's subscription will go to the first person who correctly identifies the most persons in this week's mystery photograph. Be sure to call promptly at noon on Friday, no calls will be accepted prior to that time.

# Alto Sportsmen Hear Dan Napier

Dan Napier of Lansing, a representative of the Michigan United Conservation Club, spoke to the Alto Sportsmen's Club last week, giving background information on the purposes of MUCC.

In his presentation, Napier explained the advantages a club encounters when they join MUCC, and how the organization can be beneficial to its members.

Upon joining, each member of the Alto Club will automatically receive a subscription to the Michigan Outdoors magazine, they'll have access to a film library on hunting, etc., they'll receive informative brochures aiding them in setting up activities, and assistance will be given when the club runs into problems.

A decisive move was made to join MUCC, the proper papers were filed, now the Club awaits the application acceptance for the major group.

Also present at the meeting were three representatives from the unmet organized Caledonia Club who sought the competitive participation of the Alto Unit in an inter-club winter league.

A three man committee, consisting of Ralph Colby, Jack Sanborn and Hank Basarabski was named to set up the rules and regulations for the winter shooting, which should get underway sometime in late December.

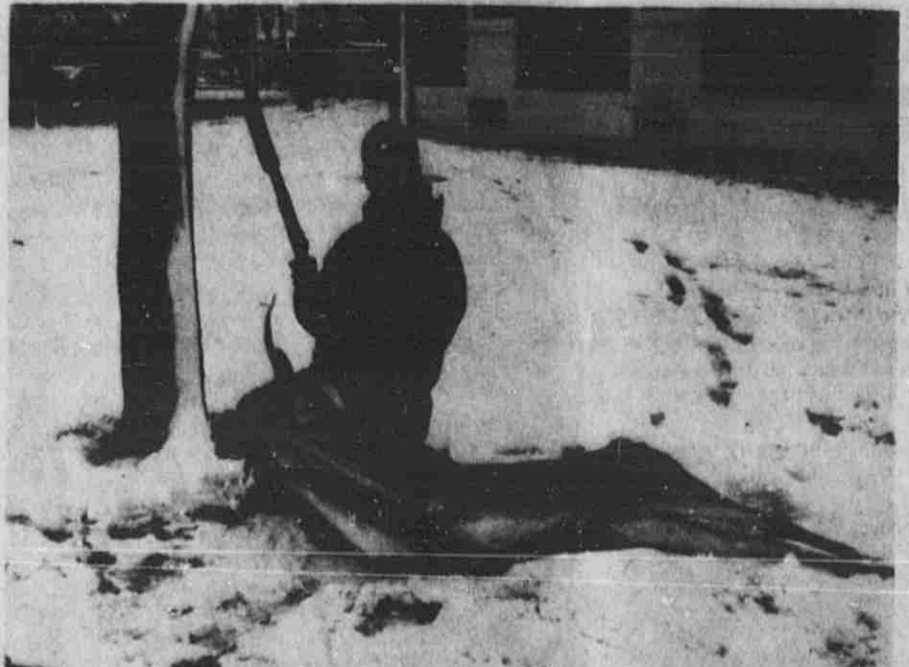

The committee will figure out the scoring, handicap system, trophies, and scheduling.

At the close of the meeting, Vern Yeiter of Alto was the 40th person to be accepted for membership in the Alto Club.

Due to the deer hunting season, the Alto Sportsmen will not shoot this Sunday... but will be back at the trap on December 3 holding a regular get-together.

Anyone interested in learning more about the growing, fun-filled club, can contact Mrs. Sherry Murray.

### First Deer

Seventeen-year-old Pat Murray of Alto bagged his first buck opening day, at 7:15 a.m., southwest of Alto. Sporting a five point rack, the buck field dressed at 135 pounds. He is the son of Mrs. Barbara Murray of Alto, and the late Paul Murray.

I just spent ten wonderful days in Ada visiting friends and relatives. You people are still the greatest people although we're many miles apart. Your hospitality and generosity cannot be measured in dollars and cents. I want to thank all those who helped make my trip so pleasant.

While I was in Ada, I saw the transferring of the Rix Robinson Monument. I experienced moments of tears and cold chills, but I also caught the vision of how providential this could be. Rix Robinson was one of the first most enterprising men in the Ada area, dealing with the Indian and the white man. What greater tribute to Rix Robinson and Free Enterprise than to have the monument placed where all the world can see it.

When I was a lad, we kids used to sit by Rix's monument playing mumblety-peg waiting for the bus. Many times people would stop to read the inscription, take pictures of the monument, and buy a bottle of pop to quench their thirst. Today there is no Rix's Trading Post, but people will be stopping to tour the Free Enterprise Building.

I had mixed feelings, too, when I saw my old home place on the hill being cut up for a new subdivision. But progress and time marches on and changes must be made. Only God never changes. What more can be said?

I hope this note finds everyone enjoying the best of health and many thanks for your fine paper.

Sincerely,  
Bob Hand  
Ripon, California

# Exchange Vows

MRS. F. J. BIRMAN

Exchanging their marriage vows November 11 in the Cascade Christian Church were Susan L. Metternick and Franklin J. Birman.

The bride is the daughter of Mr. and Mrs. Matt Metternick, Jr. of 52nd Street, Alto. The groom is the son of Mrs. Nellie Birman, Thorncrest Drive, S.E., and the late Russell Birman.

The bride chose a floor-length gown of white Sata Peau and Peau D'Ange lace, accented with pearl clusters on the empire waist and Bishop sleeves. A matching Camelot cap secured her lace-trimmed chapel-length veil of illusion.

Mrs. Steven Metternick attended the bride as matron of honor, with Gail Stannard and Kathy Metternick serving as bridesmaids.

The best man was Tom Sabotka. Mike Stevens and Steve VanPutten were groomsmen and Jerry Ellinger and Chuck Waldron acted as the ushers.

After the ceremony, performed by the Rev. Raymond Gaylord, a reception was held at Candy Acres. Upon their return from a Niagara Falls honeymoon, the Birmans will make their home in Ada.

Charles Colby attended a banker's meeting in Lansing... Dale Johnson had a grand champion Poland China hog, which sold for 60 1/2 cents a pound... Helen Maxine Layer and Harvey J. Craig were married... "never a dull moment in Alto" was the slogan of the Alto American Legion as they planned a bazaar, white elephant sale, and all games party...

**Offers Cash Prize**  
The Michigan Hot Rod Association offers a top prize of \$250 in cash to the student who submits the winning entry in its Autorsal "Draw Your Dream Car" contest.

**Helpful Hints**  
A small sponge attached to the end of a yardstick is great for reaching hard to clean spots... To bake potatoes in a hurry, first boil them in salted water for 10 minutes. The boiling water heats the potatoes through more rapidly than when they are placed in the oven cold... Try this for tenderizing chicken. Rub the inside and outside with lemon juice before cooking...

# Addresses Rotarians

## Enjoys Luxury Of Being A Philosopher

A recent speaker at Lowell Rotary Club was Garritt Roelofs.

In introducing the speaker, Roger Roberts told of Mr. Roelofs' distinguished career with the State Department, in the Foreign Service, with the responsibility of helping various depressed or young, developing nations around the world. In his introductory remarks, Mr. Roelofs said that he was impressed with our community of Lowell.

In helping the newly formed or depressed nations, Mr. Roelofs said that he tried to do three things:

- 1st - give technical assistance and know how.
- 2nd - give loans to help them finance needed programs and facilities to meet their own needs and promote community pride.
- 3rd - (and perhaps most important) train them in volunteer group activity, to promote participation for the good of their communities.

Mr. Roelofs went on to say that we take joining and belonging to volunteer help groups in America for granted. Yet, historically, Volunteer Associations have been very important to American Community development. Volunteer groups - Scouts, 4-H, YMCA - PTA - Church - Barn Raisings and wedding showers have been part of the American way of life. Volunteerism began with the early Colonists, where it was cooperative or perish.

Mr. Roelofs said that we should feel indebted to the Youth of America who have forced us to re-think our standards.

Retired, Mr. Roelofs now enjoys the luxury of being a "philosopher" with time to take "long walks" around ideas and think them through.

Throughout his foreign service, Mr. Roelofs has belonged to Rotary, wherever he could. He presented the Lowell Club with a banner from the Lucknow, Indian, Rotary Club.

At the conclusion of our meeting the speaker drew Lee Lampkin's name, which meant that Mrs. Lampkin was the recipient of the money in the "Wife's Fun Fund."

Charley Doyle is president of the Lowell Rotary Club which meets each Wednesday at 12 noon in the American Legion Dining Room.

### Trinity's Special Service-Praithing

"Praithing," a contemporary worship experience in the modern jazz idiom, will be presented in Trinity Lutheran Church, 2700 Fulton Street, by Raymond A. Heina, D.D., Pastor, on Sunday, November 26, 7:30 p.m.

The liturgy for "Praithing," a praising, praying thing, was written by The Rev. Lowell Anderson, Pastor of Prince of Peace Lutheran Church, Grand Rapids. Pastor Anderson is also chairman of the Committee on Worship of the Michigan Synod of the Lutheran Church in America.

Special music, including original hymns, for Praithing was written by Gary Sironen, a local jazz musician, who also leads the 12-piece instrumental group in the presentation of it. Gary, well known in the Grand Rapids community for his musical talent during his years in school, including participation in virtually every instrumental group at Grand Rapids Junior College, is now a student at Michigan State University, where he is in the 215-piece Marching Band, the M.S.U. Concert Band and the Jazz Ensemble.

Vocalist for Praithing is Miss Vicki Rousch and organist will be H. Brad Heyl, Jr., organist-choirmaster at Trinity.

The presentation of Praithing at Trinity is a special service as a part of a continuing series of Sunday evening worship experiences at Trinity Lutheran Church planned to offer a variety of forms of worship.

The public is invited to attend. There is to be no admission charge, however, a free-will offering will be received.

**OPEN LETTER from**

**DAVID GERST**

Dear Friends,

The first Thanksgiving would have been impossible but for the generous sharing of food by the Indians. Now that our country is blessed with food in abundance, it behooves us to share with impoverished nations and, more important, to teach them production techniques that have made our country so abundant. Such practical Christianity is needed to evolve a world thankful for Christ and for freedom.

Sincerely,  
*David Gerst*

### Worship Service Thanksgiving Day

Two choirs will highlight the family worship service of the First United Methodist Church of Lowell on Thursday at 9:30 a.m.

The Adult Choir, directed by Mrs. Gerald Meredith will provide the festive music of Thanksgiving with the pastor, Reverend Dean Bailey preaching on the theme, "Gratitude Is Greatness."

The congregation, young and old, will be completing their contributions of canned goods to the Ingathering which will be placed in an emergency food bank administered by the Lowell Community Center.

Also the special Thanksgiving offering will be channeled to aid the Bradley Indian Mission Church under their new pastor, Reverend Lewis White Eagle Church.

The public is cordially invited to the Thanksgiving Worship and a baby toddler nursery is scheduled for the kindergarten house.

### Campaign To Organize Scripture Distribution

The Lowell Ministerial Association, in connection with the national emphasis of Key 73, will design a scripture distribution event to be held early in 1973. Interested churches are requested to send two representatives to the organization of a Steering Committee on Sunday, November 26, at 3 p.m. in the lounge of the First United Methodist Church of Lowell.

One thousand scripture portions of Luke/Acts have already been ordered from the American Bible Society for the local program. Churches currently cooperating in the project are: First Congregational, Church of the Nazarene, Calvary Christian Reformed, First United Methodist. Other Lowell churches are invited to this first meeting on Sunday.

### Everyone Invited

Evangelist Bill Smith will be preaching each evening, November 26 through December 3, at the Calvary Brethren Church, near Logan Lake, Alto.

Pastor Dick Sellers invites everyone to be a part of the church which is experiencing revival and winning souls to Christ. Their motto is "The Bible, the Whole Bible, and nothing but the Bible."

### Nazarene's Present Overholt Family

A special series of services are planned for this week-end at the Lowell Church Of The Nazarene, 211 S. Washington Street with the Overholt Family of Battle Creek.

Ray Overholt is the composer of the song "Ten Thousand Angels." He was formerly featured on his own TV Show and has also appeared on the State Sabbath School (TV) in New York.

The Overholt Family not only sing, but Ray presents the gospel in an inspiring manner. Their chief aim is winning souls for Christ. The Overholt Family consists of Ray, wife Millie, pianist, Ray and Millie's son, Ron and his wife, Valerie.

There are to be evening services Friday, Saturday and Sunday at 7:30 p.m. and Sunday morning at 11 a.m. We gladly extend to all a warm welcome to attend.

### CROP Needs Your Help!

CROP, the Community Hunger Appeal of Church World Service, continues in 1972, with its 25th year of service to mankind. When CROP was begun 25 years ago, it was a program that started because of the need of helping those in Europe, following World War II. The need then was food. In 1972, the need is still food, but CROP has expanded its work in the world.

From helping in Europe 25 years ago to a world wide work, CROP has a person to person approach that government programs will never come to have. Today, CROP supplies the fundamental needs to help mankind. Food, medical supplies, farming equipment, seeds, fertilizers, irrigation equipment, clothing, blankets, and a helping hand.

Those seeking help through CROP have dignity for themselves and their families. They do not ask for hand-outs. Through CROP, dignity of those seeking help is respected. Food for work projects, such as building roads, schools, irrigation facilities, planting crops, is the way persons repay CROP for food. Help is given without question to creed, color, or nationality.

CROP needs the backing and support of Americans in 1972, more than ever before. Why? Because every time you breathe, someone, somewhere dies of hunger and malnutrition. This comes to 10,000 persons a day!! 3,650,000 persons a year. The miracle of overcoming hunger cannot be accomplished overnight. But the eventual miracle, that no one person will go hungry, can be overcome with your help. Your contribution to CROP will help.

Donations can be sent to Michigan CROP office, Box 206, Lansing, MI 48901; to Kent County CROP Treasurer, Atty. Bruce Parsons, 465 Old Kent Building, Grand Rapids, 49502; or to the Grand Rapids Area Center for Ecumenism (GRACE), 141 Federal Square Building, Grand Rapids, 49502. Checks should be made payable to Michigan CROP.

### Services Held

Mrs. Agnes Watson of 507 King Street, Lowell, passed away November 16 at Butterfield Hospital in Grand Rapids. She was 81.

A long-time resident of the area, Mrs. Watson was active in church and community affairs. She had been in ill health for the past year.

Funeral services were held Sunday afternoon at the Roth-Gerst Funeral Home, with the Rev. Dean Bailey of the First United Methodist Church of Lowell officiating. She was interred in Oakwood Cemetery.

Mrs. Watson is survived by a son, Maurice Alexander of Lowell; a brother, George Murray of Lutz, Florida; a daughter-in-law, Mrs. Irving Alexander of Lowell; four grandchildren and 14 great-grandchildren.

### Wins Emerald Award

Merrill C. Barrett, 10655 Grand River Avenue, Lowell, an insurance representative with Combined Insurance Company of America, has received an award for outstanding sales and service to the public.

Lloyd Royer, regional sales manager, said Barrett won the Emerald Award in the W. Clement Stone International Sales and Management Achievement Club. The international club is named after the company's founder and board chairman.

The Combined group of companies services approximately 5,400,000 policyholders. Last year it paid benefits in excess of \$47,000,000.

Combined specializes in non-cancellable accident and health income-protection and life insurance. The company is unusual in that the needs of customers are under constant review, with representatives calling personally on policyholders at least every six months to provide individual service.

Barrett, in March, 1972, joined Combined as a representative and his work in service to policyholders earned him his reward.

**Jane's Jabber**  
**The Deer, Dear Wives**  
At Work and Play

This is the time of year when the two-legged animal takes off in hot pursuit of the four-legged animal known as a deer. The two legged creature is known as man. Man is armed with gun and the ability to think (supposedly). The deer is armed only with the instinct for survival plus a fleetness of foot. It would seem as though man would have the greater advantage but more often than not, the deer proves to be the winner. But, of course, this is the challenge.

The female of the species of man is usually left at home tending the fires-as it were. But do not pity the little woman.

Observation gives rise to the belief that there is no need to feel sorry for these (deer) widows for they seem to evidence a certain enjoyment provided by the temporary separation (No offense, men!).

With the man of the house off on a wild deer chase, the better-halves are left free to indulge themselves in a number of activities which they never have time for with a man around.

One "deer" wife was planning to build a bookcase, paint a bathroom and do a little painting. And they call us the weaker sex!

Some planned shopping expeditions--no doubt spending an amount equal to that spent for a hunting trip. (Would seem only fair, wouldn't it, men?)

Others were going to visit with friends or relatives, make Christmas presents for their men, purchase a chair for hubby and present it to him for Christmas--along with the bill--no doubt.

After all this, they must save a little strength to bring order out of chaos when the two-legged creature returns to home and hearth--with or without the object of his search.

### Susan Bauer In Concert

The Central Michigan University Symphony Orchestra was recently presented in a concert on the university's campus, at Mt. Pleasant.

Susan Bauer, a junior, played the bass clarinet in the 59-member orchestra. She is the daughter of Mr. and Mrs. Steven Bauer, 369 Flat River Drive, Lowell.

The concert included compositions by Joseph Haydn, Nicolas Rimsky-Korsakov and Richard Strauss.

### Pre-School Co-op Holds Toy Drive

The Saranac Pre-School Co-op is holding a toy drive, and all donations, in good condition will be appreciated. The group is seeking action and educational toys, puzzles, records and books. All items should be left at the Saranac Library.

### Extend Coverage

This week the Lowell Ledger-Suburban Life is extending their news coverage to the Saranac area, a community without a hometown newspaper.

We hope, with the complete cooperation of the residents of the area, we'll be able to cover the happenings adequately... we're always open to suggestions.

Items may be phoned in to 897-9261, mailed to 105 North Broadway Street, Lowell, or deposited in the drop box at Olive's Bait and Sport Shop, 75 Bridge Street, Saranac. All items, left at Olive's, which is open six days a week, 6 a.m. to 7 p.m. (closed Wednesdays), will be picked up early Monday mornings. Pictures are welcome, as well as all news items.

## 'Welcome To Saranac'

### Wants To Be A Part Of Saranac's Growth

"Saranac is a growing and upcoming community, and I want to be a part of that growth," Fred Mosher remarked as he discussed his new business venture, "The Boston Liberty," in Saranac. Taking over the Grace Furniture Store, recently, Mosher named his new store after Boston Township, which engulfs the area.

So far, Mosher claims he has made only two changes in the business. "I've added an element of enthusiasm and joy, but, watch out, there's more to come." Planned additions include a wide selection of Massachusetts craft, suitable to the area's taste, candles, old fashion candy, and antique furniture.

Not married, as yet, Mosher has taken up residency in the store's quarters at 59 Bridge Street. Prior to returning to Saranac, where he spent his boyhood, Mosher was on the personnel staff at a hotel.

A counselor for the well-known Knapp Shoe Company, he will offer a complete factory fitting service. The store will also feature a unique clock display by S. H. Benjamin, a retired fruit farmer, who for the past 20 years has been building and repairing clocks.

### Hubbard Completes Basic Training

Army Private Kim A. Hubbard, 19, son of Mr. and Mrs. Auburn W. Hubbard, 175 Summit St., Saranac, recently completed eight weeks of basic training at the U. S. Army Training Center, Armor, Ft. Knox, Kentucky.

He received instruction in Drill and Ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and army history and traditions.

Pvt. Hubbard received this training with Company B, 15th Battalion of the 4th Brigade. He is a 1971 graduate of Saranac High School.

### Big Pumpkin!

A 100-pound pumpkin, the product of Robert Kashtanek's green thumb project, will make a lot of pies for the forthcoming holidays. A fifth grade student at Saranac, eleven-year-old Bob, tried his luck at gardening this summer, and produced a giant crop.

The son of Mr. and Mrs. Rudolf Kashtanek of Route 2, Saranac, he attributed his "growing success" to hoeing, weeding and a little tender love and care.

A boy weighing six pounds and three ounces was born November 6 to Mr. and Mrs. Dennis Stitzer of Saranac, at the Belding Community Hospital.

## Saranac Gets Highway Funds

An increase of \$230 was received by the Village of Saranac, as the third quarter motor vehicle highway fund collections and distributions were made by the Michigan State Highway Commission. In the last quarter Saranac's share was \$4,168, compared to \$4,398 received in this period. The state distributed \$85,984,252, an increase of slightly more than \$4.5 million or 5.6 percent for the same period in 1971.

## Redskins Honored

Three Saranac High School Redskins have been named to the defensive and offensive teams of the Tri-Central Athletic League.

Named to the offensive team was Jack Eaton. A senior student at Saranac, the 218-pound Eaton plays tackle.

Peter Stuart and Dale Courter, Redskin end and linebacker, respectively, were selected to the defensive team.

Stuart, a senior, weighs 190 pounds, while Courter, also a senior, tips the scales at 190.

The Mayor again instructed the City Manager to review and compare the uniform bids, and to report his findings and recommendations at the next regular meeting.

The City Manager then read a statement from the Michigan Aeronautics Commission, for the purpose of designating an agent to act for the City of Lowell in procuring Federal Surplus Property for the Lowell Airport.

The following resolution was offered by Councilman Mueller, supported by Hall as follows:

A Resolution designating an agent to act for the City of Lowell in procuring Federal Surplus Personal Property for use in the operation, development, or maintenance of the Lowell Municipal Airport.

BE IT RESOLVED by the members of the City Council, City of Lowell, State of Michigan:

1. That the City of Lowell hereinafter referred to as "Donee," does hereby appoint and designate Ned T. Patterson, as Agent and Attorney-in-Fact for the purpose of screening and submission of applications for the transfer of surplus personal property pursuant to the provisions of Public Law 289, 80th Congress, and Property and Administrative Services Act of 1949, as amended, and regulations promulgated thereunder, with full authority to sign such documents as may be necessary for such purposes.

2. That the Mayor is hereby authorized and directed to execute said SURPLUS PROPERTY AGREEMENT, appointing Ned T. Patterson to act as Agent and Attorney-in-Fact and the City Clerk is hereby authorized and directed to attest said execution.

3. That the Surplus Property Agreement referred to hereinabove shall be as follows:

SURPLUS PROPERTY AGREEMENT

The City of Lowell, hereinafter referred to as "Donee," does hereby appoint Ned T. Patterson as Agent and Attorney-in-Fact for the purpose of screening and submission of applications for the transfer of surplus personal property pursuant to the provisions of Public Law 289, 80th Congress, and the Property and Administrative Services Act of 1949, as amended and regulations promulgated thereunder, with full authority to sign such documents as may be necessary for such purposes.

It is specifically understood and agreed by the Donee that any property transferred to it by the United States pursuant to the aforesaid laws and regulations will (a) not be used, sold, salvaged or disposed of for other than Airport purposes without the consent of the Federal Aviation Administration; (b) be kept in good re-

pair; (c) be used for airport purposes; (d) if, with approval, property is sold, use all proceeds therefrom for the maintenance, development or operation of the airport; (e) use the equipment in accordance with applicable regulations to implement Title VI of the Civil Rights Act of 1964; and (f) at the option of the United States, revert to the United States in its then-existing condition if all of the aforesaid conditions are not met, observed, or complied with. It is further understood and agreed that this instrument is executed for the purpose of facilitating transfer of surplus personal property under the aforementioned laws and regulations and that the agreements made herein are in favor of the administrator, Federal Aviation Administration, as well as with the said Agent.

Yes: Hall, Jefferies, McCambridge, Mueller, and Anderson.

No: None.

Absent: None.

Manager Bacon then read recommendations from the Planning Commission as follows:

a. to rezone a parcel on the south side of Ottawa Street east of Brook Street from A-3 Residential to C-2 Commercial.

b. to rezone a parcel 90 feet wide at the rear of the Erb Lumber Company property from A-2 Residential to C-3 Commercial.

IT WAS MOVED by Councilman Jefferies, that Council set December 4, next regular meeting, as Public Hearings for the purpose of rezoning these two parcels, supported by Hall.

Unanimously carried.

There was also a recommendation from the Planning Commission that Council proceed with the Workable Program.

Manager Bacon stated that application for the Workable Program was made in July, but that none have been reviewed since March. The Senate passed a Bill in March, 80 to 1 to end the Workable Program, however, it must still go before the House of Representatives for a vote. Council will push to get it reviewed.

Next was a discussion on the meeting with the Water Resources Commission.

Manager Bacon reported that the Mayor, City Engineer, and he will meet with the Water Resources Commission either November 16 or 17. He stated that the City of Lowell must submit a program to relieve the amount of Phosphates being emitted into the river.

City Engineer, Mr. Kenneth W. Anderson, was asked to explain what is needed.

Mr. Anderson stated that the Water Resources Commission is asking for a 4 point program.

1. Lowell must file an application for federal funds for sewage treatment in September, and must continue to file if the September application is not granted.

2. They also want assurance that the City will retain an engineer to finalize the plans. Final authorization to proceed with design to be given later.

3. Council must agree to take bids on the project within 6 months of receiving the grant from EPA, or c clearing of project by the Michigan Finance Commission.

4. The Water Resources Commission also wants to know why the City of Lowell should not construct an interim phosphate removal system.

The City Manager then read the fee percentage table from the proposed engineering agreement.

IT WAS THEN MOVED by Councilman Hall, supported by McCambridge that the Mayor and City Clerk be authorized to sign an engineering agreement with Williams & Works to design a pollution abatement facility for secondary treatment and phosphate removal.

Unanimously carried.

City Manager Bacon next read the notice of the City of Lowell's share of the Imposed Charges for the Lowell Sanitary and Storm Sewage Disposal System. The City's share will be \$28,376.17.

Mayor Anderson then explained the Sanitary and Storm Sewage Separation Project, and with the aid of City Manager Bacon, and City Engineer, Kenneth Anderson, answered questions from the audience which numbered 200 plus.

### Navy Fireman

Navy Fireman Recruit Douglas D. McNutt, son of Mrs. Ida J. McNutt of 6124 Clarkville, graduated from recruit training at the Naval Training Center in Great Lakes, Illinois.

### Freeman Graduates

Navy Construction Apprentice Stephen L. Freeman, son of Mr. and Mrs. John L. Moore of 7174 Martin SE, Grand Rapids, graduated from recruit training at the Naval Training Center in Great Lakes, Illinois.

A letter of complaint was presented by Mrs. Charlotte Shores, with 176 signatures. A discussion and question period of one hour and ten minutes followed.

The following resolution authorizing the City Manager to apply for permission to place Christmas Decorations along Main Street was offered by Councilman McCambridge, supported by Mueller, as follows:

BE IT RESOLVED that the City Manager is hereby authorized to make application to the Michigan State Highway Commission on behalf of the City of Lowell in the County of Kent, Michigan for the necessary permit to place Christmas Decorations along the State Trunkline, M-21, from Jefferson Street to Amity Street, on both sides within the right-of-way of State Trunkline M-21, and that the City of Lowell in the County of Kent, Michigan will faithfully fulfill all permit requirements, and will indemnify and save harmless all persons from claims of every kind arising out of operations authorized by such permit as is issued.

Unanimously carried. The Manager's Report, Police Department Report, the Fire Department Report, and the Street Department Report for the month of October were read. Also, a letter from the Lowell Chamber of Commerce thanking the City for the \$400.00 donation for the Christmas Decorations, and a letter from Mrs. William J. Lomas, of the YMCA office, on expanding the Library to incorporate this space when the Y office moves out, were read. There was also a request from the contractor that the City drop the permit fee for the construction at the High School.

Under remarks from the audience, Mrs. Laura Rogers stated that horses have been running loose in the cemetery, and dog owners letting dogs run in the cemetery. She asked that the cemetery be posted to keep animals out. Also proposed was a new fence on the North property line to keep the horses out.

IT WAS THEN MOVED by Councilman McCambridge to adjourn.

Meeting adjourned at 10:38 p.m. Approved: November 20, 1972.

CARLEN E. ANDERSON, Mayor

BLAINE E. BACON, City Clerk

## Helen Grieves Becomes Mrs. Kenneth Hill

South Boston Bible Church was the setting for the double ring ceremony uniting Helen Grieves of 5120 Kyster Road, Lowell, and Kenneth Hill of Wyoming Park, November 4.

The bride wore a silk organza gown enhanced with lace. A lace pillbox cap detailed with seed pearls held her oblong-length veil of illusion.

The bride chose a silk organza gown enhanced with lace. A lace pillbox cap detailed with seed pearls held her oblong-length veil of illusion.

Cheryl Grieves was the honor attendant, with Mrs. Charmae Warner and Lori Grieves as bridesmaids. Christy Grieves was the flower girl.

Best man was Dennis Hills, Groomsmen were Jeff Grieves and Randy Stewarts. Ryan Meyers carried the rings. Seating the guests were Richard and Chris Grieves.

Following a reception in the youth building at the Ionia Fairgrounds, the newlyweds departed for a honeymoon trip to Niagara Falls. They are residing on Kyster Road, Lowell.

## Neurologist To Speak

More than 90,000 children and adults living in Michigan have epilepsy. Their problems and solutions to those problems will be discussed by neurologist Dr. Louis Rentz at a free public meeting November 30 at 8 p.m. at the Grand Rapids Osteopathic Hospital, 1919 Boston Street, S.E.

Dr. Rentz, president of the Board of Directors of the Epilepsy Center of Michigan (CM), will speak on "Epilepsy as a Social Disease." He will talk about the many restrictions confronting children and adults with epilepsy and how concerned citizens are trying to solve these problems.

The speech by the Highland Park doctor will be part of the 12th annual meeting of the Kent County Chapter of the Epilepsy Center of Michigan.

A week long cruise to Freeport, Port-au-Prince and Montego Bay, Kingston and Port Antonio in Jamaica on board the M/S Starward of Norwegian Caribbean Lines was part of a recent Florida vacation for Dorothy Crossman of Lowell.

## Requiem Mass Said For Thomas Kutchey

Thomas I. Kutchey, 34, of 820 North Hudson St., Lowell, passed away Thursday, November 16, at Burtner Hospital in Grand Rapids, after a lingering illness.

A graduate of Lowell High School, Mr. Kutchey had lived most of his life in the Lowell area.

Besides his wife, Rose, he leaves two sons, Thomas and Michael; a daughter, Barbara; his father, Irwin Kutchey; five sisters, Marian Kutchey and Mrs. Dolores Alexander of Lowell, Mrs. Genevieve Baldwin of Grand Rapids, Mrs. Rita Kutchey of Ada and Mrs. Rosemary Summers of Spring Lake.

Requiem Mass was said Saturday morning in St. Mary's Church of Lowell, with the Rev. Father Thomas Niedzwiecki reading the rites. Interment, under the direction of Roth-Gerst Funeral Home, was made in St. Mary's Cemetery.

## 'Voices From Home'

The Kent County Chapter, American Red Cross is once again sponsoring the "Voices From Home" program.

It enables families of Kent County servicemen and women who will be spending Christmas away from home to make a 15 minute tape recording to send to their son, daughter, husband or fiancée. Families of Peace Corps volunteers are also eligible to make the recording, as well as foreign students who wish to send home Christmas greetings.

The tapes and mailing carton are provided free of charge by the Red Cross, but mailing costs are to be paid by the person making the tape.

All recordings are made at the Red Cross office, 1050 Fuller, N.E., Monday through Friday until December 11. Hours are 8:30 a.m. to 5 p.m.

Anyone interested in making the recordings should call 456-8661, ext. 32 for an appointment.

## Library Friends Volunteer Service

Cascade Friends of the Library was formed at a meeting held November 16 in the home of Mrs. Albert Engel, Dennison Drive, SE.

The organization will provide volunteer service in many ways to the new Cascade branch of Kent County Library, located in the old Township Hall, Thomapple River Drive. First objective will be an Open House, tentatively set for January.

Mrs. John C. Boucher was elected chairman and Mrs. Frederick W. Bleakley will be treasurer. Committee heads are: Open House and hospitality, Mrs. Everett S. Thompson; historian, Mrs. Roger Wykes Jr.; membership, Mrs. Donald P. Fritz; volunteer library assistants, Mrs. Robert H. Hayes and ways and means, Mrs. Engel.

Mrs. Lester R. DeKoster will be in charge of seasonal decorations and Mrs. Bleakley will be chairman of the interior decorating committee. Mrs. R. D. Tommeberger will take care of township files and Mrs. John G. Durno will handle publicity and newsletter.

## Honored On 85th

Mrs. Margaret Weaver, a retired Lowell business woman, and life-long area resident received special birthday wishes Sunday.

On the occasion of her 85th, she was the guest of honor at the home of her son, Mr. and Mrs. Robert Weaver and family of Lowell.

Twenty-two guests were present to assist in their birthday greetings.

Still very active at 85, Mrs. Weaver has four children, 12 grandchildren and six great-grandchildren.

## Vows Exchanged

Mrs. Debra Topp and Steven Burrows were united in Holy Matrimony September 30 in an afternoon ceremony at the First United Methodist Church of Lowell. They spent their honeymoon in northern Michigan and are now residing at 2540 Lowellview Avenue.

## SCHOOL LUNCH MENU

### Three-Part Series To Examine School Busing

WOTV, Channel 8, will present a three-part program on School Desegregation. The series of half-hour programs, to be seen December 3, 10 and 17, at 10:30 p.m., will examine the issues and problems in school busing, education and the reactions of the people. The eight-month study by WOTV's Education Reporter, Henry Erb, first will review a Grand Rapids case of school desegregation which involves the NAACP's suit against Grand Rapids and eleven suburban school districts.

The program on December 10th, will take a view of Pontiac, Michigan's desegregated program and attempts to go beneath the rhetoric. This program will examine the reaction of the people, why there is violence and the teacher-student reaction to the present program.

On December 17th, WOTV will take a look at the Evanston, Illinois story of desegregation to equalize educational opportunity for black children. Evanston has been assessed in a massive study on their desegregation program which started on a voluntary basis in 1967.

### THINGS TO COME

Do-it-yourself kits—everything from making candles to staining glass—are expected to be big in the Christmas market. . . . A warning to those planning a flight to the Caribbean this winter: better not "bumped" from your plane reservation.

### Hunters Bagging The Bucks...

Small game hunting has come to an almost complete standstill as even the "die-hards" stay out of the woods until the end of deer season. Deer hunting has been generally good locally. Farmlands in Kent and Ionia Counties are the best spots.

Snow-covered ground will continue to aid the deer hunter in tracking the deer and seeing him against the brush. Conservation officers from the Department of Natural Resources have reported a large population of "racked" bucks in the area.

The salmon runs have slowed down considerably in the Grand and Muskegon Rivers, and so has the fishing pressure. The fish have deteriorated to the point where they are not much good in most streams. Steelhead fishing, however, will continue to increase in activity until the weather discourages most anglers. Spawn bags, nightcrawlers, and spinners are the most popular baits for steelhead in such streams as, the Grand, Muskegon, and Rogue Rivers.

Spawn bags and a variety of brightly colored spoons and spinners have been producing fine catches of lake trout and steelhead along the Lake Michigan shore. Casting from the beach, piers, or boats appears to be very successful.

Lures and live baits are doing very well for anglers

Two Beauties—Bob Wolf and Bill Yoder, center, show off their deer hunting trophies.

### Red Arrow Cagers Prepare For Opening

Varsity Basketball Coach, Gerald Meredith gives his team a pre-season talk.

All Conference Football Players from Lowell, Bernie Harden (Halfback), Gary Barber (Guard), Linebacker, Quarterback, Rusty Staffans (Linebacker, Defensive Tackle), Bucky Curtis (Center, Defensive End) Robert Thomson (Defensive Guard), Missing On-the-job, Tom Wernet, (Linebacker).

### Taylor New Secretary Of O-K Conference

Lyman McLouth, president of the Ottawa Kent Conference and principal of Constock Park High School, announced this week that Edwin L. Taylor has been selected as executive secretary for the O.K. Conference, effective January 1.

Coordination of the expanding interscholastic activities of the 24 conference high schools, representing 22 school districts, is one of the functions of the new post. This involves attendance at meetings of the O.K.'s six commissions as an ex officio member of the executive council, giving organizational and budget assistance where needed.

Secretarial duties of the new position will include handling the details of conference financing and budgeting; preparation and distribution of league notices and other materials; organization and preparation of designated league schedules; and assignment of officials for such sports as the athletic commission designates.

Control of the conference is vested in the executive council composed of the principals of the 24 high school members.

Lowell's first basketball game of the season is just around the corner. Next Tuesday, November 28th the Red Arrows travel to Ionia to take on the tall, talented Ionia Bulldogs.

The Arrows have experience back this year with Seniors Joe Ellis, Dennis Haggard, Bernie Harden, Kris Kropp, Dan Murphy and Dave Rittersdorf along with Juniors Rusty Staffans, and Ken Kropp, all lettermen. These players will provide the nucleus for a fast, good shooting, but relatively small ball club.

Non-lettermen expecting to help are Juniors Don Phillips, Randy Werner, and Tom Heintzelman along with Sophomores Willie Harden and Robert Thompson.

Local fans can get a preview of the team this Saturday night at the annual Red-White game and Rules Clinic starting at 7 in the local gym. The freshmen will play the junior varsity in the preliminary with a Varsity Intra-Squad game following a short rules clinic. The public is invited.

### Elks Hoop Shoot Held In Lowell

The Grand Rapids Elks Lodge No. 48, in conjunction with the Elks National Lodge, is sponsoring an "Elks Hoop Shoot," a basketball free throwing contest for boys between ages of 8 and 13. This contest will be held November 24 and November 25 at the Grand Rapids downtown YMCA and the Lowell YMCA, 9 a.m. to 11:30 a.m. and 1:30 to 6:30 p.m.

All boys wishing to enter must sign up at the Grand Rapids YMCA or the Lowell YMCA November 24, 1972. Contestants will compete in an opening round, quarter final round, semi-final round and final round in each age bracket. Finalists of Grand Rapids area will compete in state district shoot-offs with state winners determined by the playoffs of a Detroit-Piston game in Detroit.

State winners will go to New York City for national shoot-offs at a New York Knicks game. All local winners, runners-up, and their families will be honored December 2 at the Grand Rapids Elks Lodge with a dinner and trophies.

Lowell Varsity Basketball team holds an inter-squad scrimmage and run through plays.

### Club Welcomes 21 New Members

Twenty-one new members were welcomed into the Flat River Snowmobile Club at their regular meeting Sunday at their club house on Burroughs Road. A little over a year old, the Flat River Club now has 77 regular and 37 associate (without snowmobiles) members.

At the short business meeting, Don Souser was appointed chairman of the Christmas float which has been entered in the Lowell Area Chamber of Commerce's Christmas parade on December 2.

Enjoying the bountiful potluck dinner which followed were sixty members of the club and their families.

### Bushnell Mother's Club Meets November 29

Recently organized, the Bushnell School Mothers' Club has elected a slate of officers and set its first meeting for Wednesday, November 29.

All mothers are welcome to attend the meeting which will be held from 7:30 to 9 p.m. in the school's library. All help is needed.

Plans will be made for a potluck dinner to be held on December 13, so bring along a lot of good suggestions.

### Honors Assembly Recognizes Students

Many Lowell Junior High students received honor awards and achievement awards amongst cheering and clapping students this past Friday at a special assembly. This assembly was a first for the Junior High students, but, by its reception, will certainly not be the last.

The purpose of the assembly was to recognize students with scholastic honors and students with high achievement for their ability. The honor students had to receive an overall "B" average to win an award. The Achievement awards given were based on a student's use of time, contribution to class, citizenship and attitude. The teachers selected students from their classes that had these qualities and at least two teachers had to recommend a student in order for the student to be brought up to a Board of Review. Several students received both of the awards, which is outstanding.

The reception these students received by their peers seemed to promote and encourage them to do the same for the next nine weeks and for others to try harder to get these awards.

Besides scholastic and achievement awards, an award for the most improved behaviorally was given. In the future, other awards such as student government, perfect attendance, outstanding achievement, and most improved scholastically will also be given.

If any parent or citizen would like to attend this assembly, please feel free to call the Junior High Office after the next report cards are given and they will inform you of the correct date and time the assembly is to be held. All are welcome to attend.

### Rowley In Germany

The 4th Battalion, 69th Armor was activated as part of the 8th Infantry Division on September 21, in Germany and has already been declared combat ready.

Army Private First Class Glen D. Rowley, 20, son of Mr. and Mrs. Harry Rowley, 4342 Bluewater Highway, Ionia, is a member of the new unit and contributed significantly to the unit's testing to determine its effectiveness in performing its mission.

The Battalion, whose motto is speed and power, will give the Division's 1st Brigade a new maneuver battalion with more mobile fire power.

Pfc. Rowley is serving with the Battalion's Headquarters Company at Mainz, Germany. He entered the Army in April 1972, completed basic training at Ft. Knox, Kentucky and was last stationed at Ft. Dix, New Jersey.

The private is a 1971 graduate of Saranac High School. His wife, Angela, lives on Route 3, 9885 Centerline Road, Lowell.

### Officer Pace Instructs Cubs

Officer Steven Pace of the Lowell Police Department was the featured speaker of Cub Scout Pack 3188 as they met last Thursday for their November Pack meeting.

Officer Pace related the rules of bicycle riding and led the Cub Scouts in a discussion of bicycle safety.

Awards were presented to the nine Webelos who completed their Sportsmanship Activity requirements: Tod Bryan, Jeff Stormzand, Brian Brown, Mark Homolka, Michael Alley, Ronald Wood, Steve Vroma, John VanderLaan, and Donald Lasby.

Denners of the month were named by the Den Mothers as: Arthur Hotchkiss, Den 2; Tod Bailey, Den 3; Mark Kettner, Den 4. Assistant Denners were: Greg Caldwell, Dale Peters and Eddie Lowry.

Two boys receiving Recruiter Stripes were Troy Hall and Stephen Martinez with Ronald Moore of Troop 102 receiving a Den Chief Cord for his assistance with Den 2.

Mark Kettner and Scott Grim were presented their Bobcat Pins as new members of the Pack. One year and two year pins were also presented to the Cubs.

Mrs. Allen Lasby's Den served refreshments and the next Pack meeting was set for Thursday, December 14, at 7:30 p.m. in the Education Building of the First United Methodist Church of Lowell.

### Snowmobile Safety Training Classes

Michigan Snowmobile Law requires youngsters 12 through 15 years of age to complete a snowmobile safety training course before operating a snowmobile on lands other than those owned or under the control of their parents.

Don Souser of the Flat River Snowmobile Club, a Department of Natural Resources Snowmobile Safety Instructor, will coordinate a course to begin approximately December 9th. Snowmobile operational skills and safe snowmobiling attitudes will be emphasized.

The course is free and successful students will receive a pocket-size certificate and a Safe Snowmobiler brassard.

Class enrollment will be limited. Call 897-9691 for your reservation.

### College Counselor To Visit Lowell

Richard Gerig, admissions counselor at Goshen College, will speak to Lowell High School students about the overseas Study-Service Trimester, the new Study and Work program, freshman colloquium, and college life.

Gerig, a 1972 Goshen College graduate, will visit Lowell on Tuesday afternoon, November 28.

The Study-Service Trimester gives every student a chance to live and learn in a developing country like Costa Rica, Nicaragua, Jamaica, or Haiti for 14 weeks. Seven weeks are spent studying the country's customs and improving language skills, and the last seven weeks are spent in unsalaried field work among the people. Students receive ten credit hours for SST.

Study And Work is open to every student who wishes to earn money to pay for all or part of his college costs. It also gives the students a chance to develop new skills and interests outside the classroom. Employment is available close to the college.
