Council Honors John Fahrni

At a short meeting of the Lowell City Council Monday night, routine agenda items and weightier matters were suspended for a few moments to present John Fahrni a Certificate of Appreciation for his years of service as a member of the Board of Review.

Mayor Anderson, in presenting the certificate stated that "all too often, the people who serve on such boards seldom receive any recognition for the service given." Alluding to this year's raise in assessments Anderson told Fahrni that he would probably be glad to be off the board.

Community Center

Nancy Kehoe, representing the Lowell Community Center was present to relate the services available through the Community Center. Stating that although there is the possibility of losing those activities funded by CAP (Community Action Program) namely, legal aid, a drug abuse counselor and two women who provide many services to those in need, many other services are made possible through other agencies. Hopefully there is enough funding for all through June and perhaps September.

However, Mrs. Kehoe stated their most immediate need is for financial assistance to pay for heat, lights, etc., for the Center which must be provided by the local community. Right now they need \$1,800 to meet current expenses. Mrs. Kehoe said she was presenting the facts for council's consideration.

Bid Dates Set

City Manager, Blaine Bacon, revealed the bids for construction of the Storm Water-Sewer separation project will be taken Wednesday, February 21, and bids for the purchase of \$1,800,000 in bonds are scheduled for acceptance on Tuesday, February 27.

Councilman James Hall said he would like to have all curbs constructed to accommodate wheel-chairs, baby buggies, etc., to facilitate easy access at curb side. All members agreed this was a good idea and a resolution to that effect was adopted.

A request by Charles Lippert of Lippert Pharmacy for permission to place steel marquee supports on city sidewalk was granted. Proof of sufficient liability insurance was noted and was filed with the City as deemedby Charter requirements.

A special meeting for the more than 700 citizens who petitioned the City Council for a fair distribution of costs of the Lowell Sanitary and Storm Sewer Disposal System will be held Friday night at the Runciman School, starting at 7:30 p.m. Attorney Joseph M. Neath, jr., will present a detailed analysis of the program underway.

Congratulations to the grapplers of Lowell Senior High School who last week won the Tri-River Wrestling Title.

The vacated Lippert Building in the center of Main Street will be used by the Lowell Area Jaycees on March 2, for their second annual public auction sale.

Lowell Police arrested Gary Russell Blakeslee, of Lowell, February 13 for driving on a suspended license. Blakeslee was lodged in the Kent County Jail until his arraignment on February 14 before Judge Joseph B. White. He entered a guilty plea, and a trial date has been set.

A tape player and nine tapes were taken last Thursday from an automobile owned by Betty Palmer. Reporting the theft to the Lowell Police, she revealed that her car was parked behind the Lowell Moose Lodge and was left unlocked. The incident remains under investigation.

The window at Dick and Owen's Barbershop on West Main Street this week is displaying the winning models judged Saturday afternoon in the Moose sponsored contest. They're good, stop in and see them.

Keep-Off

Lowell School officials have asked both school and police officers to enforce the board policy that no snowmobiles, mini-bikes, motorcycles or other motor vehicles be ridden on school property.

The difficulty with these vehicles has been behind Bushnell Elementary and South and West of the High School. The board has now served notice that it will no longer be tolerated.

Bryan To Head Chamber

The relocation move to Lafayette Street, won Lowell Automotive one of the Chamber's yearly awards.

Lowell Area Chamber of Commerce president, Mrs. Darlene Cahoon gave the opening comments at the annual dinner-meeting of the Chamber and Lowell Showboat Corporation last Thursday evening at the First United Methodist Church of Lowell.

In doing so, she introduced Lowell Police Chief Barry Emmons who spoke briefly on theft, making the businessmen and citizens aware of the situation in the

A new program of "combat," being sponsored by the local Police Department will include a seminar at school, with guest speakers bringing out the issues and answers to the problem.

Mrs. Cahoon then revealed that Richard Bryan would be the new Chamber president with David Gerst of the Roth-Gerst Funeral Home, Mrs. Doris Myers of Doris' Beauty Salon, and Stewart Thomet, from Thomet Chevrolet and Buick, serving new terms on the Board of Directors.

A presentation of awards followed, with Dick Mc-Caul of McCaul's Texaco Station on East Main Street, getting the Chamber's annual award for the Most Improved Exterior. Wayne Dowling of the Lowell Automotive Store, accepted the award for the Most Improved Business Establishment through Re-location.

Switching to Showboat business, co-chairman Chuck Lippert revealed that the 1972 show featuring Jerry Reed and Bobby Goldsboro netted the corporation a \$4,500 profit.

One of our major projects this year, Lippert commented will be to perform major surgery on the Showboat seating stadium. We hope that those comfortable seats, will be more so for the '73 show.

For his dedication of eight years of faithful service to Showboat, Stan Gardner, who retired this year from his ticket booth position, was presented an engraved plaque and gift by Showboat officials.

In what was to have been their big announcement of the evening (the top talent signed for this year's show), Lippert explained that no definite decision had been made, and negotiations were still being made.

When the dinner guests departed, they carried with them a deep message, brought to them by the guest speaker, Noel Black of the Amway Corporation of Ada.

In his thought-provoking speech, Mr. Black made each one feel that Lowell has a special "spark", missing from other small towns of its size.

McCaul's won the most improved exterior award.

Tells Story Of 'Golden Ball'

Chauncey Boyce, General Chairman of the "Moose Golden Ball" dance, which will be held at the Lowell Moose Lodge Saturday, March 3, at 9 p.m., states the legend of the "Golden Ball" is not new.

He notes it was conceived and written by the famous author and philosopher in his time, Dr. Elbert Hubbard in 1914 when he was a regular contributor to Moose Magazine, the official magazine of the Loyal Order of Moose.

The legend of the "Golden Ball" serves to demonstrate that unity of purpose is a necessary factor in the growth and progress of any fraternal or civic organization. "As told in the story itself," Boyce said, "When we combine our efforts to bring happiness to a child, happiness can come into each of our lives."

The story of the "Golden Ball" was written long before Moosehaven, the Moose home for aged members, was founded, but now the story of the "Golden Ball" has a double meaning because it not only affects the children at the Child City of Mooseheart but aged members of the Moose and their wives at the City of Opportunity.

Music for dancing will begin at 9 p.m. and the "Ceremony of the Golden Ball" will be at 11 o'clock with Carl Jackson serving us narrator.

Immediately following the Ceremony, an Endowment Fund offering will be conducted to give Moose members and their guests an opportunity to contribute to this fund, which protects the future of both Moose-heart and Moosehaven.

Hurt In Ada Crash

One young girl was slightly hurt in a mishap Friday afternoon on Thornapple River Drive under the rail-road bridge in Ada. Diane Dalrymple, 17, 8210–28th Street, was taken to Blodgett Memorial Hospital for treatment of a knee injury and observation.

The mishap occurred as Miss Dalrymple was southbound on Thornapple River Drive. A car driven by Richard Beverly, of 6181 Witherbee, struck the Dalrymple car on the driver's side under the bridge, sending the car against a guard rail.

Workshop Important

"All parents and other community-minded individuals who are interested in the task of educating children in today's complex society should surely attend Thursday night's public meeting in the high school auditorium," School Board President Robert Reagan announced today.

Dr. Vernon Feiock and a staff of California teachers will be in Lowell Wednesday, Thursday and Friday conducting an in-service workshop for all teachers in the school system. The workshop will not only be a concentration of the latest educational methods in open classroom and individualized instruction, it will also consist of problem solving sessions for individual teaching areas.

It is unusual that parents and other community members are to be included in in-service classes for teachers, but the subject is considered not only of vital importance for parents to understand the new teaching methods, but also extremely interesting to the general pub-

The meeting will be held in the high school auditorium at 7:30 p.m.

School will not be in session for the rest of this week.

Models Displayed

Hours of hard, detailed work paid off for eight Lowell youngsters Saturday afternoon, as they were named the top winners in the Lowell Moose Lodge's first annual "Model Making" Contest.

Over 40 boys and girls, who pre-registered for the Civic Affairs sponsored event, brought their precious models to the Lodge at 10 a.m., where the judges tagged them for proper age classification; then the real job began—choosing the best out of a field of excellent crafted models.

The job wasn't an easy one, as the judges found themselves with scale models of boats, planes, cars, etc. All were winners within themselves.

Looking for originality, neatness and craftsmanship, the judges finally placed firs place ribbons on the entries of: Bill Brown, 8 and 9 year old; Tim Bregg, 10 and 11 year old; Bob Winks, 12 and 13 year old; and Steve Noffke, 14 and 15 year old in the boy's divisions.

Winning the girl's contest were: Lisa Eddy (8-9); Sandy Brown (10-11); Julie Kline (12); and Teresa Noffke (13)

Noffke (13).

Second place honors went to—Bill Alexander (8-9);
Colin Deible, DeAnn Eddy (10-11); Chuck Thomas,
Cindy Timmons and Dorothy Burton (12-13); and Bob

Green (14-15).

Awarding the prizes were Civic Affairs Chairman, Red Baker, and his co-chairman, Jim Timmons.

Baker congratulated the winners and all who participated, complimented the judges, thanked everyone who worked, and announced the Moose Chuck Wagon had arrived

Loaded down with hot dogs, pop and potato chips, the famous "wagon" provided the refreshments. All of the winning models are now on display at Dick & Owens Barbershop on West Main Street.

Sisters Make Winning Cards

Two sisters from Lowell were among the top prize winners in the "Make-A-Valentine" Contest, sponsored by the North Kent Mall in Grand Rapids.

Competing in the six-year-old and under group, Sherri and Janet Jourdan, daughters of Mr. and Mrs. Ralph Jourdan of 11464 Bailey Drive, N.E., Lowell, walked off with a first and second prize.

Sherri, entered in the six-year-old group, won \$15 for her first place Valentine. Janet, competing in the five-year-old division, placed second and was awarded \$5.

The winners were selected on Valentine's Day, with Ruth Clapp and Delores Cardwell from the Northview High School Art Department acting as judges. The Valentines were judged for originality, neatness and overall appearance.

The Jourdan sisters will pick up their winning Valentines from the Mall this week.

Foul Line Shooting Made Difference

Saranac Cagers dropped its 11th game of the season as Si. Joseph Seminary jumped into an early lead enroute to a 66 to 51 win over the Redskins Friday night in Grand Rapids. St. Joe grabbed a 16 to 10 first period lead and in-

creased the margin to 19 to 16 at the intermission as it outpointed Saranac 13 to 6. In the third period Saranac warmed up and scored more points than it was able to in the entire first half, as each team hit 17. St. Joe topped Saranac 20 to 18

in the final stanza for the win. The difference in the game came at the foul line as St. Joe had one more field goal than Saranac, 23 to 22, but it made 20 of 29 charity tosses to only seven of 28 for the Redskins

Randy Butcher paced Saranac with 16 points, while the Vromans, Dave and Don, each scored nine before fouling out, and Burdette Gunden tallied eight. Saranac's junior varsity won its second game in 13 tries as they dropped St. Joe 60 to 37. Tim Parks and George Raimer collected 12 points each for Saranac.

World Day March 2nd

Three Lowell Churches, the First Congregational, St. Mary's Catholic and First United Methodist, will unite for the ecumenical, international celebration of the World Day of Prayer on Friday, March 2, at the Congregational Church at 1:30 p.m.

World Day of Prayer is the most widely observed celebration sponsored by Church Women United-a movement through which Protestant, Roman Catholic, and Orthodox women manifest their unity through fellowship, study, and cooperative action.

The World Day of Prayer service was first initiated by a small group of women in 1887, who firmly believed the mission work for which they were responsible needed their support in prayer as well as in giving.

Today, the movement has become international. and this year, Christian women in 168 countries will be praying with other Christians throughout the world. The worship services are prepared each year by women from different parts of the world. The 1973 service was written by women from New Zealand and is adopted by each country for its own use.

Theme-"Alert in Our Time"

This year's theme expresses the concerns of all thinking Christians in the areas of world hunger, population explosion, environmental problems, economic and social needs both here and abroad. World Day of Prayer offerings are used to support

projects in which church women united participate and aid in the support of programs in a ministry to people

Women participating in the presentation of the Mar. 2 service will be Delores Laux, Emma Skokna, Ethel Kelly, Florence Jefferies and Jane Houseman; music, Carol Briggs, soloist and Evelyn Wittenbach, guest or-ganist; ushers, Marguerite MacNaughton and Florence Bacon.

Used Bedding And Blankets Needed

The Vesper Guild, a women's group from the Ada Christian Reformed Church is collecting used blankets and bedding to send to depressed people in Cary County, Mississippi, under Mississippi Evangelistic Medicine. Dr. Peter Boelens, former missionary in Korea, reports conditions there worse than anything he has seen

previously. This group is under the general sponsorship of the Luke Society, a group of Christian Reformed physicians with headquarters in Denver, Colorado. If anyone has good used bedding they would like to donate, bring it to the Ada Christian Reformed Church 7144 Bradfield S.E. or contact Grace DeYoung, 676-

Name The City. . .

First Settlers **Came In 1833**

Kent County is rich in Indian artifacts as proven by the excavation of the Indian Mounds in 1964, Many utensils and artifacts were found at that time. From these, a picture of Hopewell Mound Builders' culture can be painted. Indian villages were always along rivers where fishing and hunting were an easy way of life. It is believed that these indians carried on a wide-spread trade with other Michigan tribes. Their culture dates back to 100 B.C.

WHAT CITY IS IT?

This city covers 8 square miles of land area with 2,750 dwelling units and nearly 10,000 happy, prosperous people. Its first settlers came in 1833 and by 1836 the land area was platted and lots sold for \$25.00 each. In 1881 there were three piaster mills in this city. Recently a history of the city was published in a book entitled, "Bend In The River." Buck Creek runs through this city.

Mr. Harrington, called by many as "the most colorful and unusual Evangelist of the 20th Century" said he was delighted at the chance to conduct the Crusade.

OPEN LETTER from

DAVID GERST

Dear Friends,

A funeral service is 'a service for the living.' This means that the ceremony is not for the family of the deceased alone. The individual who is gone belongs to his friends and to his business associates as well. A 'private service' tends to shut out long-time friends who wish and deserve to pay tribute to the deceased along with the bereaved family.

Respectfully,

ROTH-GERST FUNERAL HOME

Summer Topical Fluoride Clinic Chairman Named

Fluroide Program for children who do not drink fluoridated water on a regular basis, according to Dr. W. B. Prothro, Director of the Kent County Health Depart-

The program is carried out by local committees in each area of the county in cooperation with the Kent County Health Department and the Michigan Department of Public Health.

The program will be made available to preschoolers. 2nd, 5th and 8th graders since it is at these various growth levels that children have many newly erupted teeth which should be protected against decay. Fluoride has been found to be effective in reducing new tooth decay by an average of 40 percent. In addition to these benefits the program offers a valuable dental experience with no discomfort involved and dental health education is given the child by the clinic person-

The entire procedure consists of four visits to the topical fluoride clinic, which is usually in the local school. At the first visit the teeth are cleansed and the first application is given. An application of sodium fluoride consists of the teeth being isolated with cotton rolls; then the teeth are dried with compressed air and a 2% solution of sodium fluoride is applied to the teeth. On the second, third, and fourth appointments the application of the sodium fluoride is repeated. The program is not recommended or necessary for children already drinking fluoridated water for a certain number

Mrs. Ramsdell and Mrs. Church

A fee of \$2.75 per each eligible child to cover necessary expenses of the program will be due in late February. The specific time for the clinic will be announced in May.

A survey is now being made to determine if there are enough interested parents in the community to con duct a program. For further information on the topical fluoride program in your area contact your local chairman or the Kent County Health Department at 456-

Seven committee members have been named in the Forest Hills area to work with the over-all chairman, Mrs. Edward (Harriet) Jones.

Mrs. Jones announced this week that the cut-off

date for registration in the Forest Hills area is February 26. After that date applicants will be put on a waiting list or referred to another program in the County. Working with Mrs. Jones will be Mrs. Jean Prose of Orchard View School, Mrs. Carolyn Gervaes of Collins-Martin School, Mrs. Connie MacDonald, Thornapple-Cascade School, Mrs. Pat Stevens. Ada School, Mrs.

Bosscher, Ada Christian School, Mrs. Karen Fritz, Cascade Nursery, and Mrs. Carla Black, Junior High. Serving the topical fluoride program as co-chairman will be Mrs. Barbara Bennett, with Mrs. Barbara Seif, taking care of the treasurer's job.

Can a 22-year-old secretary find happiness in the cashless society? The Ada **Branch Bunch** thinks so.

And why not? It doesn't take much to cope with the fiscal demands brought on by mail orders, layaways, 30-days-same-as-cash and long-distance bill paying. A low-cost Uni-Chek checking account will do the job nicely. For a mere 9¢ per check, you can pay bills clear across the country, have a permanent record and receipt of each transaction and keep your cash where it's safest—in the bank vault. Ask the Branch Bunch in your neighborhood how you too can find fiscal happiness through Uni-Chek.

It seems that the owner wants the business and the money he makes on it, but, why can't he keep all the machines in good working condition?

For example, I was there the other night with a large laundry-two of the machines I had to use were not working properly-another lady was there trying to do some dry cleaning and could not get those machines to work-and-no attendant on duty! This, with the machines, has been going on for several months now and it is really digusting. Not all of us are fortunate enough to have our own washers.

I was told one day down there one time by a lady attendant, that I "could take my laundry elsewhere and do it"-only becuase I told her the machines were not working properly!

Why should people have to drive to another town to do their laundry?

A cliche, "if you live in our town, spend your money here"-o.k., I'm for that, but, make it so we can spend our money here!

I hope the owner takes note of this and does something about it-because if he doesn't, he will find his business dropping off more all the time!

Some of us get to talking down there and several of them have said they will not go back there again! So, how about it Mr. Owner-are you going to do something about this??

To The Editor:

CBS has announced that they will begin showing "X" rated movies on the late show. If there is no protest, THEY WILL BE SHOWN LATER ALL HOURS OF THE DAY. We will have homosexuality, incest, child molestation and nudity almost daily. May we encourage all in the community to write a letter of protest to the president of CBS; Dr. Frank Stanton, President, CBS Network, 51 West 52nd, New York, New York, 10019.

Christians who really care are not being heard today. We are facing a grave crisis with immorality climbing at a rapid rate. We are facing the greatest test of our moral and spiritual standards that we have faced in decades. It has only been a few months since the Supreme Court began to permit the use of vulgar and obscene language on TV, and now the present proposal is another big step on our road to destruction. How long will we, as "SALT" of the earth and the light of the world, silently cower in fear and apathy while our

America is chartering a course of sin that is diametrically opposite to the straight and narrow way of righteousness. We are sowing the winds of immorality; we shall reap the whirlwinds of God's wrath and vengeance Like Isreal of old, God commands us to be set for the defense and confirmation of the gospel. Let's commit ourselves to the task of preserving humanity with Christ. "If God be for us who can be against us?!"

(Romans 8:31) Below is a note you may sign, clip and mail to Dr. Frank Stanton at the above address.

I am opposed to your sponsoring or showing "X" and "R" rated movies on television. As a concerned citizen and consumer, I will be looking forward to you halting such practice.

As a result of a call to assist in locating an elderly man who strayed from his residence, the Forest Hills Sno-mobile Association is in the process of organizaing a year-around Search and Rescue Team, to be available on call throughout the state.

Basically, the Association will have five teams of six men each. Each will be individually equipped to operate as separate units. In most cases, only one unit would be used, so the demand will be spread among the five

The Association is now looking for members that are interested in becoming a part of the team. But. there's a word of caution-"It isn't gonna be easy." All team members will be completely trained in First Aid, all types of equipment handling, and rescue operations for both snow and rough terrain in nonsnow seasons. It's going to take some time and a lot of work and effort on the part of each team member.

The fore-warning isn't meant to be discouraging, but the hard work put forth produces a lot of rewards, which make it well worth the effort.

# **DNR Proposes**

The Department of Natural Resources has proposed a change in regard to trail bike use in the northern Michigan State Forest Areas. Currently trail vehicles have unrestricted use of many State Forest Areas, especially in Northern Michigan. The new change would limit trail bike use to marked trails only.

The State Game Areas are currently under this rule and the DNR intends to extend this rule to the State Forest Areas. Problems resulting from unrestricted trail vehicle use are, erosion, intimidation of wildlife, and the destruction of wildlife cover.

Hearings are being scheduled around the state in regard to this change. Check with the Plainfield office of the Michigan Department of Natural Resources to find out when and where these hearings are to be held if you wish your feelings to be known, or if you wish more information about this proposed change.

# Arrow Matmen Are Tri-River Champs

Champs title last Wednesday, as they completed their unbeaten season of conference play with a decisive 42-8 victory over Coopersville.

Wrestlers Jeff Rickert and Gary Weimer opened the Arrow's final home dual match of the year with repective 7-5 and 9-0 decisions.

Dale Dawson, 115 lbs., then combined an overwhelming 10-0 decision with 122 lb. Bob Helmer's first period pin, to give the Red Arrows a 16-0 lead. Lowell grapplers Jerry Gauger, Jerry Kropf, Paul Mauric and Ron Lyons won the next four matches in

close decisions and shot Lowell's lead to 28-0. Bob Ignasiak, 158 lbs., then produced a second period pin which added six more points to the Arrow's Coopersville then scored its only points of the night

with a 2-2 tie against 167 lb. John Curtis and a third period pin over 188 lb. Glenn Anderson HWT Mark Nauta closed out the match for the Arrows with a quick first period pin and left the final score Lowell 42, Coopersville 8.

Ionia was also a victim of the Arrow's wrestling power last Monday as they were devoured 50-8. Lowell, who won all but three of their Monday ight matches, recorded four pins produced by 98 lb.

Gary Weimer, 105 lb. Jim Loughlin, 132 lb. Jerry Kropf and 167 lb. John Curtis. The Arrows also received forfeits in the 119 lb., 185 lb., and HWT divisions. Wins Tri-River Meet

The Red Arrows capped off their season of conference play last Saturday as they took the first place honors in the Tri-River meet at Coopersville

The following are the results of the day's wrestling-101 lb. Jeff Rickert was seated fourth and took fourth; 108 lb. Gary Weimer was seated first but suffered his first loss of the year and had to settle for second; Dale Dawson was seated first and took first in the 115 lb. division; Bob Helmer was seated first and took first in the 122 lb. division; Jerry Gauger was seated third but

took the second place honors in the 129 lb. division.

135 lb. Jerry Kropf, who was seated second, took the first place honors; Ron Lyons, who was seated second, took first in the 141 lb. division; Bob Ignasiak was seated third but took second in the 148 lb. division; 158 lb. John Curtis, who was seated second, received the fourth place honors; 170 lb. Al Kline was not seated and did not place among the top four in his weight class; 188 lb. Glenn Anderson, who was seated third took the fourth place honors; HWT Mark Nauta, who was seated second, took third.

The final team scores were Lowell-91½, Sparta-79, Greenville-57½, Lakewood-46, Cedar Springs-39; Coopersville-35, and Belding-24. Break Records

During this past year several Lowell wrestlers have broken or set new wrestling records.

Dale Dawson became the first wrestler in the Tri-River conference to be the league champion of his

dual team records. One of the records was most career reversals (52) and the other most career predicaments Gary Weimer also has broken two of Lowell's reords, the first of which is the best season dual record-14-0 and most season near falls-18.

Dawson has also broken two of Lowell's all time

when the Lowell Red Arrow's title bidding cagers walk ed off the floor with a whopping 100 to 81 win over the Hawks of Cedar Springs.

Although Greenville, three-time defending champs rently hold the Tri-River lead, things could change with Lowell holding their own in the top three. Lakewood, who has exchanged the front running spot with Greenville throughout the season gave up the lead again to Greenville, by dropping their contest last Friday 78

Oh, what a night the Arrows had as they took the floor against Cedar Springs. Hitting the 100 mark for the first time this season, the spirited Arrows played "Murphy" a name not to be forgotten in the 1972-73 season, had his best night as "Big Dan" came up with 33 points, his highest mark for the year.

Shooting at a 45 percent clip, the Arrows also got 21 points from Kris Kropf, 12 from Rusty Steffens and 12 from Ken Kropf. Quick to jump into an early lead, the Arrows never felt the nearness of their contenders as they had their

sights set only on finishing the season undefeated.
"They played a good defensive and offensive game, commented coach Jerry Meredith, "we played Friday night like we should have all season, I hope we can do equally well against Lakewood this Friday night."

# Arrow Cagers Bit By Bulldugs 76-59

Tuesday night, the Bulldogs from Ionia bit the Lowell Red Arrows 76 to 59, on the loser's court. Neither team was very impressive as both gave a lack-luster performance. The Arrows committed 19 turnovers to 18 for the Bulldogs, and they hit on 27 of 76 for 36 percent, while Ionia hit on 31 of 63 shots

Ionia was quick to take the lead in the first period, but the Arrows kept the pace, ending the quarter in a 14-14 tie. In the second period of play, Ionia began to pull away as it out-pointed the arrows 22 to 13, and led at the half 36-27.

Cutting Ionia leads to 49-35 in the third quarter, the Arrows were still seeking the drive to hit the mark and Ionia also encountered scoreless minutes. The per iod ended with Ionia holding a 14-point advantage. Both teams had their best periods in the fourth quarter as the Arrows hit for 20 points and the Bulldogs 23. Despite last minute scoring efforts by the Arrows, the Bulldogs walked off with the winning honors.

Murphy led Lowell's scoring with 19; Steffens dump-ed in 15 points and Rittersdorf, hit for 10. Steffens was Lowell's leading rebounder, collecting 14. JV's Lose to Ionia Looking for their second defeat of the 1972-73 season over the junior varsity squad com Ionia, Lowell's second team felt the sting of defeat as they dropped

Ionia led 16 to 14 at the end of the first quarter, and 36 to 14 at the half as they outpointed the Arrows 20 to 10 in the second quarter. The junior Bullodgs took a 37 point lead in the third period when they dropped in 33 points, making

their game 79-41.

Playing at Lakewood, the varsity game will get underway at 8 p.m. The Junior Varsity will play at 6:30 p.m. and the freshmen will start their game at 4 p.m. Next Tuesday night, the Arrow cagers will face Portgue, and will meet Lowell in a non-league contest. The game starts at 8 p.m.

# Freshman Down Cedar Springs

Lowell Freshmen grabbed their eighth win in nine conference games Friday night, February 16, over Cedar Springs. Cedar had the lead at the half, 26-23 and saw that lead increase to a 6 point margin at the end of three quarters. Lowell, however, outscored Cedar 18-9 in the

Greg Thompson scored 10 points in that quarter to lead the assault on Cedar, and tallied 12 for the night. There were two other Lowell players in double figures, Pat Eiekhoff with 10, and Jim Reagan scored 17. Cedar Springs' high scorer, Avery, totaled 16. The final score was Lowell 53, Cedar 50.

Final Round of Lakewood Tournaments Lowell was edged in the final round of Lakewood's Freshmen Tournaments by Greenville. Only two players were in double rigures. Lowell's

Greg Thompson with 18 and Greenville's Helsel totaled 22. Score was Greenville 49, Lowell 39.

IT WAS MOVED by Councilman Hall, supported by McCambridge, that a letter be sent to the Regional Planning Commission designating the Mayor as the of-ficial representative to the Commission, and a letter of intent to participate in the Regional Association.

Carried by members present voting yes. There were also letters from the Greater Michigan Foundation notifying the City of Lowell that the City of Vassar, Michigan has been selected for Mayors exchange Day with Lowell, and from the City of Grand Rapids requesting Council to submit the name of an elected official as a nominee to the Kent County Community Action Program, (Kent-CAP). Councilman Mc-Cambridge was named as the nominee

Also read was a letter from Mr. Charles Lippert requesting permission to place support posts on the side-walk in front of the Lippert Pharmacy, on City prop-

A discussion followed. Mayor Anderson instructed the City Manager to investigate the City's liability and report back to Council at the next Regular Meeting.

The Manager's Report, Police Department Report, Fire Department Report and the Street Department Report were read for the month of January. Manager Bacon also stated that he had received a

call from Congressman Gerald R. Ford's office asking

him to meet with Mr. Ford at his Grand Rapids office, Tuesday, February 13, to discuss the Waste Water Treatment Facility plans. There were no remarks from the Audience. Mayor Anderson stated that Mr. Jack Beggs has been appointed to the Board of Review to fill the vacancy

of Mr. Jack Fahrni. Councilman Hall offered the following resolution and moved its adoption, supported by McCambridge. In grateful acknowledgement of your service from 1967 through 1972 as a member of the City of Lowell Board of Review:

IT IS HEREBY RESOLVED by the City Council of

the City of Lowell in formal session that a certificate

of appreciation be awarded to John Fahrni. In Witness thereof the City of Lowell has caused to be signed this 12th day of February, Nineteen Hundred and Seventy-Three, By its Mayor and City Manager. IT WAS THEN MOVED by Councilman McCam-

# Root-Lowell Hosts Lowell Junior High

Last Friday, February 16th, the junior high eighth graders from Mrs. McMahon's history classes and from Mr. Grody's Industrial Arts classes enjoyed guided tours through Root-Lowell Corporation.

Every hour a school bus unloaded groups of 20 eighth graders with a supervising teacher, and were turned over to a guide as they entered the plant. Paul Kirchner, Brad Baskerville, and Roger Roberts served as group guides and each gave a running account of the complete operation of the plant beginning with the raw materials and finishing with the packaged product.

The two teachers are team teaching a unit on the development of American industry and the changes it brought to our way of life. The boys in Mr. Grody's classes have formed a corporation, elected officers and a board of directors and are selling shares in their corporations. Mrs. McMahon's classes are doing research papers on giants in industry and are studying the development of the labor movement.

This trip through the plant was the first time some of these students had had a chance to see an assembly line in action and the school appreciated the company giving so much of its time. It was also nice to hear our hosts comment on how well behaved and attentive the

# COME TO OUR CEILING CLINIC

March 2nd 6:30 p.m. to 8:30 p.m. March 3rd All Day Sat. 7:30 a.m. to 3:30 p.m.

We're having a ceiling clinic to introduce a new, easier way to install Chandelier Ceilings -using the Integrid system by Afmstrong. You are invited to come, without any obligation to buy, and see a demonstration, showing step by step how to do it. Suspended below obstructions or tight to your old ceiling, Integrid solves all your ceiling problems beautifully, because you can't see its metal grid. And since the big 1' X 4' Chandelier tiles have no bevels, seams virtually disappear, creating a continuous wallto-wall pattern.

### Flower Power

Your cut flowers like to drink soda-pop too! It keeps them looking good longer.

According to Michigan State University horticulturists, soft drinks like 7-Up and Sprite extend the vaselife of flowers by providing them with citric acid and carbonation that help control microorganisms affecting

stem firmness. The sugar in the pop helps sustain the life of the flowers. To use this unique preservative, mix equal parts of water and the soft drink, and add half a teaspoon of bleach to each quart of the misture. The bleach com-
