# **Police Break** 'Two-Year' **Burglary Chain**

More than 25 burglaries in a three-county area have been solved and some 23 Lowell area youths inplicated in the break-ins, according to Kent County Sheriff's Detective Jack Christensen.

The burglaries span a two-year period and involve businesses and homes in Barry, Ionia and Kent Counties. Christensen, Detective Richard Williams and Lowell Police Sgt. James Hutson have been investigating the cases three weeks.

The breakthrough came when Hutson received information about youths possibly involved in the burg-lary of a gas station in Caledonia Township. Christensen said the list of names "kept growing

Five of the youths, who range from 15 to the early 20s, have been charged with some of the break-ins and more warrants will be issued this week, Christensen said. Seven juveniles are among those implicated, he

The first break-in occurred April 16, 1971, at a coin laundry in Ada. Among the latest were those of a drivein restaurant and a stereo shop in Ada.

Christensen said the loot has included cash, tires, tools, an outboard motor, furniture, guns and a motorcycle. The detective said some of the merchandise was "fenced" here and some was taken to Detroit.

Among businesses hit were a gas station in Pewamo, gas stations and a hardwere store in Clarksville, coin laundry in Hastings, an abandoned home in Ionia County and several homes along the Kent-Ionia County line, the Lowell Junior and Senior High Schools, a Saranac car wash, a gas station at Campau Lake and a cottage at Murray Lake.

Christensen said some of those implicated now are in military service. Half of those involved didn't even know each other, he said.

Hutson, who was working a 4 p.m. to midnight shift, assisted sheriff's detectives in the investigation on his own time, Christensen said.

The detective stressed that the investigation continues and he expects more arrests and more burglaries to

According to Lowell Police Chief Barry Emmons, this is not the first brush with the law for some of those involved.

## Tractor Program

Youth who hope to be employed on farms this summer and farmers who plan to hire young workers need to be aware of the U. S. Department of Labor regulations regarding such employment.

Youth under 16 years of age working away from their own farms in jobs involving tractors and machinery must have successfully passed a tractor safety course (violation of the regulations could result in a \$10,000 fine.)

The 4-H Tractor Safety Program offers the necessary training and certification for young people 13, 14, and 15 years of age. (Thirteen year olds may take the course for certification on their 14th birthday.)

A 4-H Tractor Safety Program will be offered to the youth in Kent County by Walter Stevens of Lowell and Ron Vickers of Ada. The enrollment meeting will be April 23, at 7:30 p.m. at Vergennes Township Hall, corner of Parnell and Bailey Drive.

Farmers are urged to contact their prospective young employees and youth 14 and 15 planning employment are urged to take the two week course to qualify for the tractor safety certification.

For more information about the Tractor Safety Program, please caii Mr. Stevens at 897-9151 or John L. Marra, Extension 4-H - Youth Agent, 456-4475.

# Friday Court Sessions To Be Held In Lowell

An announcement made this week from the 63rd District Court office of the Honorable Judge Joseph B. White, reveals that the City of Lowell will soon be the scene of Friday court sessions.

"We're moving the Friday Court sessions to Lowell," White said "to accommodate the citizens in this part of the 63rd District. We'll be hearing all kinds of criminal complaints."

Court will be in-session in the Lowell City Hall ouncil room. "Besides the criminal complaints," White added, "this Court will also handle civil matters (small claim court cases), other complaints, and answer any questions that may come up.'

For the remainder of April and until May 18, the court's activities will be handled by the 63rd District Magistrate Gerard Shouse, and a court clerk. Because of a demanding schedule, Judge White will

School, 5 p.m. Alto Mother's Club. c1-3

not be able to hear any cases in Lowell before May 18; he will be here every Friday thereafter.

"Beneficial" is the word which most adequately describes this decision to bring the court sessions to Lowell. Area residents who are required to make mandatory appearances will not have to go all the way into Grand Rapids, buck the traffic; and miss a full day's work.

Official notifications have been issued to the State Police, Kent County Sheriff's Department and the Lowell Police advising them of the new court sessions in Lowell, and instructing them to adjust their records

White in his announcement, also reminded area residents in the District that all violations, not requiring a mandatory appearance, can be paid at the new Traffic Bureau headquarters located in the office of the Lowell Ledger at 105 North Broadway Street (next to the Lowell Post Office).

## Three R's Keep **Council Busy**

The three R's of City Government (Revelations, Reports and Resolutions) provided a variety of topics for the city father's meeting Monday night.

Resolutions were adopted by the City Council, allowing for the vacation of North Street, east of Jackson Street, and that portion of Grindle Drive which had been abandoned after relocation.

A request by Hugh Cosgrove for a curb loading zone in front of the former Lippert Pharmacy was tabled until the first Council meeting in May. Cosgrove informed Council members the business he is contemplating requires frequent unloading of trucks and a three-car-length zone was desired. Although the loading zone could be used by other merchants, Council members felt businesses in the area should be notified before any final action is taken.

A report on federal flood insurance was given by City Manager Blaine Bacon, It was believed that Lowell would meet all the requirements necessary for residents to take advantage of the flood insurance. Mayor Anderson suggested that maybe it would be wise to have the Planning Commission study the program for possible recommendations.

Federally backed flood insurance is available to communities lying within flood plain areas. The requirements, etc., are rather long and complicated, as anything that is federally backed, funded or subsidized, and more information will be presented soon in this

In the spring, dogs, like people, become more visible, and more active. This fact may be attested to by the number of complaints of dog trespassing, vandalism, disorderly conduct, illegal gathering in large groups, littering, noise pollution and other unlawful acts perpetrated against the populace.

A report on the dog problem and some solutions was given by Chief of Police Barry Emmons for Country cil consideration. The hiring of a full-time dog warden, using a police officer on a part-time basis, or continued use of the Kent County dog warden with greater emphasis on enforcing existing ordinances were some suggestions made. No decision as to what course to take was made, but it might be well to control Rover's roving habits before he's picked up on a charge of disturbing the peace.

#### Face Lift for Council Room

The drab appearance of the Council room will soon disappear with the application of some long-needed fresh paint and the refinishing of floors. Three newly installed fluorescent lights, a gift of Shell Oil Company from the old Root-Lowell factory, are a welcome addition and will probably shed some light on many problems-to-come before the Council. Manager Bacon was authorized by the Council to obtain quotes on the cost of the refurbishing.

Manager Bacon's recommendation for placement of a ten inch water main on Amity Street met with Council approval and permission was granted to advertise for construction bids.

Plans for the Waste Water treatment plant can now move ahead with Monday night's decision by the Lowell Township board to participate in the project to the extent of one third of the capacity of the treatment facility which means that Lowell can now build a 11/2 million gallon capacity treatment plant instead of one million gallons. According to engineers, this is a wiser move, and allows for expansion in population growth.

Williams and Works were authorized to conduct a water rate study for the city at a cost of not to exceed \$2,800. Council members felt a study was needed at this time and said "we've been told several times our rates are too low." and don't allow "for much reserve for emergency use." The study should be completed in about 60 days and the outcome will probably mean water rates will be going up, possibly in the third quar-

Dr. Herbert Mueller, Dr. Orval McKay and Leonard Jackson were all reappointed to the Lowell Airport board. Mayor Anderson suggested a meeting with offi-cials of Vergennes Township to keep them abreast of airport happenings.

#### Savings and Loan **Assets Pass 4 Million**

The report for 1972 of the Lowell Savings and Loan Association made at their annual meeting on Monday revealed that Lowell's oldest financial institution has now passed the 4 million mark in assets.

Re-elected for three-year terms were incumbent vice-president Lisle Watterson and board member Dr. Orval McKay. Officers of the association Peter Speerstra, president, Lisle Watterson, vice-president and David Coons, secretary, were re-elected to their respective offices for the coming year.

The annual report to the members disclosed that from gross earnings of \$275,545 during 1972, a total of \$224,979 were paid to the investors as dividends. This is a return of over 90% gross revenues to the members of the association.

In a record breaking year the Savings and Loan processed over \$1 million in new mortgage loans and added nearly 100 new members to the association.

#### ADA TOWNSHIP BOARD TO MEET MONDAY

On the agenda at the meeting of the Ada Township board meeting Monday, April 23 will be consideration of a protest against the removal of gravel and sand from property on East Fulton Road in violation of existing zoning ordinances in Ada Township.

ROSIE DRIVE INN-This week's special: Clam and Fries, 79¢, Chicken dinners after 5 p.m., \$1.19. Closed Easter Sunday.

The City of Lowell is contemplating the hiring of a qualified person for dog warden on part time basis. Anyone interested should contact Chief of Police, Barry Emmons.

Leo Bryant won the door prize (a garbage disposal) at Clark Plumbing and Heating's 13th anniversary open house last Friday and Saturday.

Lowell postal employees and their wives assembled at the Lowell Moose Lodge on East Main Street last week for a retirement dinner honoring Fred Phelps. An eleven-year-employee, who retired March 30, Phelps was presented with a watch.

The Financial Institutions Bureau, Michigan Department of Commerce, has approved the application filed by the State Savings Bank of Lowell, to build a branch bank at M-44 and Myers Lake Road in Cannon Township, Kent County.

Easter Sunday, Mrs. Jennie Condon of 2011/2 East Main Street will celebrate her 80th brithday. Best wishes to you, Jen!

Lowell Police arrested Louis Yalacki April 11 on a warrant for violation of the State Building Code. Yalacki was arrested for doing construction on a house without a license from the State of Michigan. He pleaded not guilty and demanded examination in 63rd District Court. He was released on \$1,000 personal recognizance bond.

On Easter Sunday, attend the Church of your choice. See a complete listing of worship times elsewhere in this edition.

A car driven by Michael Charles Gould of Saranac was struck in the rear by a car driven by Baldemar Joe Saldivar of Lowell Saturday afternoon on East Main Street, resulting in a personal injury accident. A passenger in the Saldivar car, Sherily Kelley of Low-ell, was slightly injured. Lowell Police indicated Saldivar failed to stop in the assured clear distance ahead.

Lowell Police were dispatched to N. Hudson St., just south of Elm, Saturday, to investigate a personal injury accident. A motorcycle driven by John Robert Timpson of Lowell tipped over, after he lost control in loose gravel. Treated for lacerations, Timpson was indicated as driving too fast for conditions.

This is Clean-Up Week in Lowell. Be sure your trash is at curbside when the city crew goes by.

There'll be no school on Good Friday for the students at Lowell Area Schools.

## **Despite Break Shoot Success**

After several Sundays of rotten weather, our dear friend the weather man threatened to dampen some spirits again Sunday, but the Alto Sportsmen's Club called the bluff and the Turkey Shoot was in full swing under a sunny sky by 9:30 a.m.

The day was not without its moments however. Several of the active members of the club acquired new gray hairs, when the trap gun broke down on the ninth round of shooting. The guest shooters were very understanding, and after a short wait, we were back in action again, only to have it break the second time.

The vision gets larger with each successive night:
Wednesday, a potluck supper at 6:30 including personal testimonies and a film to "stir up" each to witness to our hometown neighbors. Thursday night at 7:15, a visual and verbal challenge about establishing churches across the state of Michigan.

Friday night at 7:15, foreign missions will be highlighted in an unusual Good Friday service.

Stan Brittain, will ably represent foreign missions. From Britain, Stan has served in Africa and is presently a missionary to New Zealand. He will also speak at a men's breakfast at the Scale House Restaurant (6:30 a.m. Saturday); and a youth meeting at the church par-

sonage (33 Vosper) on Saturday evening. All of this makes it possible to "do Easter" as well as "hear it." At a regular meeting of the Grattan Township Board held on the 10th day of April, 1973, the following ordinance was adopted:

#### Grattan Township Uniform Ordinance No. 1

An Ordinance to provide for the regulation and removal of junk and inoperable vehicles and mo-

WHEREAS, the presence of junk and inoperable vehicles and motor vehicles on public or private lands constitutes an attractive nuisance for children and endangers fire hazards, causes neighborhoods to become unsightly resulting in the depreciation of property values and, if on city streets or public highways, creates a traffic hazard and endangers the public safety;

NOW, THEREFORE, the Township of Grattan

SECTION I. Definitions. A. "Vehicle" means every device in, upon, or by which any person or property is or may be transported or drawn upon a highway, excepting devices moved by human power or used exclusively upon rails or tracks. B. "Motor vehicle" means every vehicle which is self-propelled and every vehicle which is propelled by

electric power obtained from over-head trolley wires, but not operated upon rails. C. "Inoperable vehicle or motor vehicle" means any vehicle or motor vehicle which cannot be started or legally or physically operated on city streets or public highways by virtue of lacking the equipment requir-ed by the laws of the state of Michigan, or which does

not bear valid and current license plates. D. "Junked vehicles or motor vehicles" include all parts or accessories of vehicles or motor vehicles without which vehicles or motor vehicles cannot be operated in a safe manner on city streets or public high-

E. "Junked vehicles or motor vehicles" mean vehicles or motor vehicles which have been so damaged or dismantled as to be total losses.

F. "Total loss" means the cost to repair a damaged or dismantled vehicle or motor vehicle exceeds the fair market value for such vehicle. Fair market value may be determined by using any nationally recognized appraisal books or method.

SECTION II. Storage of inoperable or junked vehicles or motor vehicles.

No person, firm, or corporation shall accumulate, store, place or permit the accumulation, storage, or placement of any inoperable or tunk vehicle or motor vehicle in Grattan Township, for more than 48 hours. unless such inop: ble or junk vehicle or motor vehicle is stored in compliance with the zoning ordinance of Grattan Township or in enclosed garages or other struc-

SECTION III. Prima facie evidence The ownership, occupation or use of land by any person, firm or corporation upon which an inoperable or junked vehicle or motor vehicle are accumulated, stored, or placed shall be prima facie evidence that such person, firm, or corporation accumulated, stored or placed such importable vehicle ar motor vehicle upon such land, or permitted such inoperable schicle or motor vehicle to be accumulated, stored or placed upon such land

SECTION IV. Penalties.

Any person, firm, or corporation who shall violate this ordinance shall be guilty of a misdemean and, upon conviction thereof, shall be punished by a fine or not more than \$500, together with court costs, in the discretion of the court. Each day that such violation occurs shall constitute a separate offense.

SECTION V. Amendment of prior ordinances. This ordinance amends the provisions of the ordinance adopted by the Township Board of Grattan Township at a meeting held on the 11th day of March, 1969, and the provisions of the ordinance effective the 1st day of July, 1969.

SECTION VI. Adoption and effective date. A. This ordinance was adopted by the Township Board of Grattan Township at a meeting held on the 10th day of April, 1973.

B. This ordinance shall be effective 30 days after its publication in a newspaper of general circulation in Grattan Township.

bile space for every four (4) attendants. L. Camping and Trailer Parking. A licensee who permits attendants to remain on the premises between the hours of 2 a.m. and 6 a.m. shall provide for camping and trailer parking and facilities in accordance with Act 171, Public Acts of 1970, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable provision by state or local law. The provisions of 1970 Act 171 shall be effective and applicable upon the adoption of said ordi-

M. Illumination. The licensee shall provide electrical illumination of all occupied areas sufficient to insure the safety and comfort of all attendants. The licensee's lighting plans shall be approved by the building inspector.

N. Insurance. Before the issuance of a license, the licensee shall obtain public liability insurance with limits of not less than \$300,000 and property damage insurance with a limit of not less than \$25,000 from a company or companies approved by the Commission of Insurance of the State of Michigan, which insurance shall insure liability for death or injury to persons or damage to property which may result from the con-duct of the assembly or conduct incident thereto and which insurance shall remain in full force and effect in the specified amounts for the duration of the license. The evidence of insurance shall include an endorsement to the effect that the insurance company shall notify: the clerk of Grattan Township in writing at least 10 days before the expiration or cancellation of said in-

Bonding. Before the issuance of a license the licensee shall obtain, from a corporate bonding company authorized to do business in Michigan, a corporate surety bond in the amount of \$100,000 in # ... form to be approved by the Township attorney, conditioned upon the licensee's faithful compliance with all of the terms and provisions of this ordinance and all applicable provisions of state or local law, and which shall indemnify the Township, its agents, officers, and employees and the Township Board against any and all loss, injury or damage whatever arising out of or in any way connected with the assembly and which shall indemnify the owners of property adjoining the assembly site for any costs attributable to cleaning up and/ or removing debris, trash, or other waste resultant from

P. Fire Protection. The licensee shall, at his own expense, take adequate steps as determined by the state fire marshal, to insure fire protection.

Q. Sound producing equipment, including but not limited to, public address systems, radios, phonographs, musical instruments and other recording devices, shall not be operated on the premises of the assembly so as to be unreasonably loud of raucous, or so as to be a nuisance or disturbance to the peace and tran-

quility of the citizens of Grattan Township. R. Fencing. The licensee shall erect a fence completely enclosing the site, of sufficient height and strength as will preclude persons in excess of the maxi-mum permissible attendants from gaining access and which will have sufficient gates properly located so as to provide ready and safe ingress and egress.

S. Communications. The licensee shall provide public telephone equipment for general use on the basis of at least one unit for each 1,000 attendants. T. Miscellaneous. Prior to the issurance of a license, the Township Board may impose any other condition(s) reasonably calculated to protect the health,

safety, welfare and property of attendants or of citizens of the Township of Grattan. Section 11. REVOCATION. The Township Board may evoke a license whenever the licensee, his employee or agent fails, neglects or refuses to fully comply with any and all provisions and requirements set forth herein or with any and all provisions, regulations, ordinances, statutes, or other laws incorporated herein by refer-

Re: The Letter received April 12, signed "Millions of People Around The World." We'd love to print your letter, but you forgot the most important thing-we have to have the signature and name of the original writer, for our files.

Each week, my mail box is jammed with many interesting letters . . . most of which eventually become filed under "W" (Wastebasket). All of the letters have good points, relate to a current problem, or just pass on thoughts, ideas, etc.

The main reason these letters never reach the print stage, lies in the fact that no one had the courage to sign their name . . By law, we must keep a file of all letters printed,

bearing the signature, when the anonymous names are Letters signed A Concerned Taxpayer, Or, the Merry Maker, etc., are fine, but I still believe that if you

had the wisdom to write the letter, you should have stability enough to sign your name and stand behind it in print, without concealing your identity.

Dear Concerned Citizens:

As you know the month of April has been the month in which the American Cancer Society has had their campaign. A volunteer has come to your door trying to collect a donation for this worthy independent charity. But, here's what we have heard, "Oh my husband gives at work through payroll deductions," and "We give to the United Fund." Don't you really know that in no way does the American Cancer Society benefit from this fund and there is no payroll deduction for this charity. Surely, when a voiunteer comes to your door, you don't think she's that dumb and doesn't really know much about what and for whom she's col-

It seems to me with all the people affected by cancer, we could take a hold and help support this fund! You never can tell you may need their help someday. Where do you benefit? Did you know when a per-

No, I guess not!! Well, just stop and think it Preceding the bride down the aisle were her attendants, Judy Nowak, matron of honor, and Diane Hub-

More and more people today have been touched by cancer in many ways. It's about time we were all informed of the fact that in Kent County alone, on January 1, 1970, there were 20,730 cases on register with 1,898 new cases diagnosed in 1970 alone. As of January 1, 1971 the total was 22,628, with the number of dead at 12,263 and the number living at 10,365.

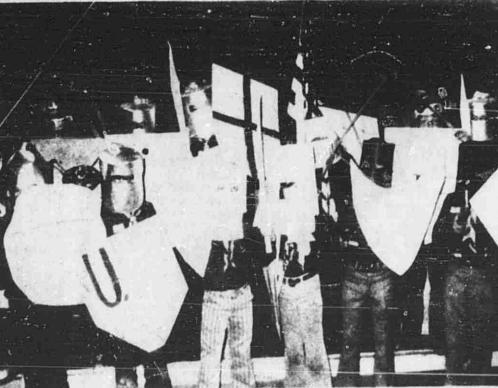

Your money or contribution works wonders and are used wisely, not just for employees!! (As we were asked when collecting-who pockets all the money?) Fifty percent of collections in Kent County is sent to the National Chapter of American Cancer Society for research, 50% is kept for work in Kent County, of which 8% is used for administration.

If you have any questions or need help from the American Cancer Society, call 458-1241 or write to The American Cancer Society, Kent County Unit, Hel-

ner Building, 23 Ottawa, N.W., Grand Rapids, Mich. We're not writing on request from the ACS, but on

Re: The Letter received April 12, signed "Millions

of People Around The World." We'd love to print your letter, but you forgot the most important thing-we have to have the signature and name of the original writer, for our files.

Each week, my mail box is jammed with many interesting letters . . . most of which eventually become filed under "W" (Wastebasket). All of the letters have good points, relate to a cur-rent problem, or just pass on thoughts, ideas, etc.

The main reason these letters never reach the print stage, lies in the fact that no one had the courage to sign their name . .

By law, we must keep a file of oil letters printed, bearing the signature, when the anonymous names are

Letters signed A Concerned Taxpayer, Or, the Merry Maker, etc., are fine, but I still believe that if you had the wisdom to write the letter, you should have stability enough to sign your name and stand behind it in print, without concealing your identity.

Dear Concerned Citizens:

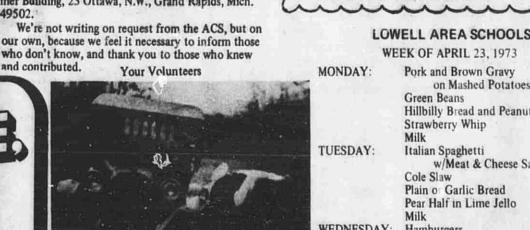

As you know the month of April has been the month in which the American Cancer Society has had their campaign. A volunteer has come to your door trying to collect a donation for this worthy independent charity. But, here's what we have heard, "Oh my husband gives at work through payroll deductions," and "We give to the United Fund." Don't you really know that in no way does the American Cancer Society benefit from this fund and there is no payroll deduction for this charity. Surely, when a volunteer comes to your door, you don't think she's that dumb and doesn't really know much about what and for whom she's col-

It seems to me with all the people affected by can-cer, we could take a hold and help support this fund! You never can tell you may need their help someday. Where do you benefit? More and more people today have been touched by cancer in many ways. It's about time we were all informed of the fact that in Kent County alone, on January 1, 1970, there were 20,730 cases on register with 1,898 new cases diagnosed in 1970 alone. As of January 1, 1971 the total was 22,628, with the number of dead at 12,263 and the number living at 10,365.

#### Easter Egg Hunt Is This Saturday

Final plans for an Easter Egg Hunt, Saturday, April 21, was the main item of discussion at the monthly meeting of the Flat River Snowmobile Club of Lowell last Sunday at their clubhouse on Burroughs Road.

The hunt, which will be held for the members' children and grandchildren, only, will be from 1 to 4 p.m. at the clubhouse. Under the chairmanship of Casey VanderMeer, the "egg hunt" will be followed by re-

In the absence of club president, Jack Condon, who was off to Florida, the business meeting was conducted by vice-president Mike Fuggitt. The 12:30 meeting was followed by a potluck dinner hosted by Mr. and Mrs. Wayne Will

During the social gathering Julie Condon was the lucky winner of the day, taking home with her the adult prize, which she split with Jane Anible, and the day's mystery gift.

The special children's prize was won by Kathy Van-

Snow Ball Special

With all that wonderful white stuff falling on April 9, three members of the Flat River Club decided that it was time to have a 'snow ball;' and they did.

To start it all off, everything didn't go right ... but a lot of fun was had. The first tragedy came when one (female) dumped the charger, almost putting her hus-band out of business . . . finally shutting off the gas and hollering "I just fell on my better half."

### **Netters Bow** To Greenville

Lowell's varsity tennis team dropped a 4-1 match to Greenville last Thursday, as the 1973 season, delayed by inclement weather, finally got into 'full swing.' Other Tri-River matches saw Belding and Cedar Springs take 5-0 victories to take a co-lead in the stand-

For coach Mark Weber's Arrows, their next match will be April 19, against Cedar Springs, there. Playing for Lowell this year are Jordan Layer, Dan Lomas, Gary Roth, Dirk Ritzema, Kurt Yost, Gil Fonger, Mark Anderson, Jeff Richardson, Kirk Collins, Dion Ritzema, Gordy Hill.

## Girl's Softball Starts Tuesday

Softball, sponsored by the Lowell YMCA, will be offered to girls in two different age divisions this year The 8 through 10-year-olds will have practices on Tuesdays, starting April 24, from 4 to 5:30 p.m. and Saturdays from 10:30 to 12 noon, starting April 28th Girls must be eight years old before August 1, 1973.

The 11 through 13-year-olds will start practice on Thursday, April 26, from 4 to 5:30 p.m. and will also practice on Saturdays from 2:30 to 4 p.m., starting April 28. Those girls who are 14 years old before August 1, 1973 are too old for this league. Cost is \$4 to Y-members and \$5.50 for non-mem-

bers. No cost to coaches' daughters. Sign up and fees may be taken care of at the "Y" office. Practices are held at Richard's Park.

#### Arrow Errors Give Greenville Game

Coming up with six big runs in the last two innings, the Greenville Yellow Jackets defeated the Lowell Red Arrows last Thursday 8 to 5.

The win, Greenville's second of the early season, put them the front runner in the Tri-River Baseball League. After two innings, Greenville held a 2-0 lead, but Lowell coming on strong, made three scores in the third and one in the fifth to lead 4-2.

In the sixth inning Greenville scored three times, without a hit, on two walks and three Lowell errors. They climaxed their running spree of three on a triple scoring two, and a score made on an infield out. Gary River's Arrow nine collected seven hits off the winner, Rocky Briggs.

The top hitter of the game was Lowell's second baseman, Kris Kropf, who collected a home run and a triple.

#### Sno-mobilers To Clean-Up

This Saturday, the members of the Forest Hills Sno-mobile Association will be doing a little 'Spring' trail

According to Trail Director Jerry Smith, this Clean-up on April 21 is a must, if the club wants the people to give snowmobilers a good name, and let them use

their land for trail riding next year. All volunteer members will meet at the clubhouse on Ada Drive at 9 a.m. The pickup will last approximately one to two hours. Anyone with a pickup truck available, is urged to bring it along.

from City Planner, J. Paul Jones, and City Attorney, Walter B. Freihofer, in reference to the revision of the Zoning Code. He then read the recommendation of the Planning Commission that the Code be revised.

A discussion followed by Council, in which it was suggested that the City Council and the Planning Commission should meet annually to discuss planning costs for the coming year. It was decided that the revision of the Code was needed. Mayor Anderson directed the City Manager to budget

the needed amount for this expenditure Manager Bacon then read the Planning Commission ecommendation to vacate part of Grindle Drive adjacent to parcels owned by Vernon Venneman and Walter Brandt, and that part of North Street lying between Jackson Street and Division Avenue.

Mayor Anderson instructed the City Manager to pubish notice in the Lowell Ledger that the Council will consider vacation of certain streets at the April 16

Throughout Michigan nearly 30,000 members of 500 Lions Clubs are organizing their forces to ask pub-lic support for one of Michigan's most humanitarian and vital social and health problems. Michiganders responding to the White Cane appeal will help support the Leader Dog School for the Blind, A Welcome Home for the Blind built to fill the needs of the aged sightless, and the Michigan Lions Eye Bank which assists in the restoration of sight to the unsighted, added.

Any handicapped person can receive help and throughout the year the Lions Clubs provide aid through Leader Dogs, White Canes, Braille watches, glasses, eye examinations and transplants. Thousands of White Canes have been furnished free of charge to blind people throughout Michigan since 1930. The White Cane program is executed 52 weeks a year but the public hopefully becomes aware of this

City, county, state governments and churches are cooperating in the extensive state wide drive. ### Speaker Concerned For Future

The dedication of Cascade Library on Saturday was marked by the presence of one of the first ladies of the library world, Dr. Jean E. Lowrie, director of the

School of Librarianship of Western Michigan University. Dr. Lowrie, president-elect of American Library Association and president of the International Association of School Librarianship, told the audience, "We can go back to medieval times and find private libraries, but only recently and primarily in the United States are we fortunate enough to have free libraries in almost every city and town.

She added, "But, I'm concerned for the future of libraries because President Nixon has, as of June 30, impounded all funds appropriated by Congress for libraries in almost every city and town.'

Dr. Lowrie is helping to organize a 'Dim the Lights' campaign, probably on May 8, to protest the cutting off of library monies. "On that date, every library, every bookmobile in the country will dim its lights to demonstrate what their closing could mean to each
