LIZ HAWK INJURED . . .

Lowell Police were called to Bowes Road September 12 to investigate a personal injury automobile ac-

The driver, Elizabeth Mary Haw's, eastbound, failed to negotiate a curve and struck a utility pole, shearing it off.

Treated at the scene by the police and the Kent County Sheriff Department's E-Unit, for a head laceration and shock, Mrs. Hawk was taken to Butterworth Hospital.

TWO PLACES ENTERED . . .

Two breaking and enterings, both on September 12, are under investigation by Lowell Police.

Entered were Parker's Service Station on West Main Street and the Wheel Cycle Shop on South Washington.

At Parker's, the entrants searched the office, apparently for money. Joe Parker, owner, reported nothing was taken.

The office door at the Cycle Shop was broken open, allowing the culprits access to the till which contained approximately \$35.

WITTENBACH APPOINTED COMMITTEE CHAIRMAN

Third District Kent County Commissioner Arnold Wittenbach has recently been appointed chairman of the Buildings, Parks and Transportation Committee by Board chairman John Brewer.

Commissioner Wittenbach states that progress is being made on the Senior Neighbor's Center that is to be located in Lowell.

Efforts are also being made to repair the damage to the Dam on Flat River to hopefully restore some of the water in the pond above the old Consumers Power Com-

Eighteen-year-old John Berfanger of Lowell was killed instantly last Wednesday afternoon when he fell five stories from a building at the King Milling Company, landing on a paved area on South Broadway Street.

An employee at the Milling Company, Berfanger was doing some painting on top of the storage building

Lowell Police Sgt. James Hutson said a witness revealed Berfanger, with a paint brush in his hand, apparently looking at the area he was painting, took a step backwards, apparently unaware he was at the edge of the roof.

He was pronounced dead at the scene of multiple injuries, including a broken neck, by Kent County Medical Examiner, Dr. Bernard P. Kool.

Berfanger, a June graduate of Lowell Senior High School was born in Illinois and lived most of his life.

Surviving are his parents, Mr. and Mrs. John (Helen) Berfanger of 14256 East Fulton Street, Lowell; two sisters. Mary Jane and Ann at home; two grandmothers, Mrs. Dorothy Berfanger of Annapolis, Indiana, and Mrs. Mary Leszcz of Cleveland, Ohio.

The Rev. Earl Decker of the First Baptist Church of Lowell officiated at the services held Saturday morning at the Roth-Gerst Funeral Home. Burial was made

Satety Crossing **Guard Hired**

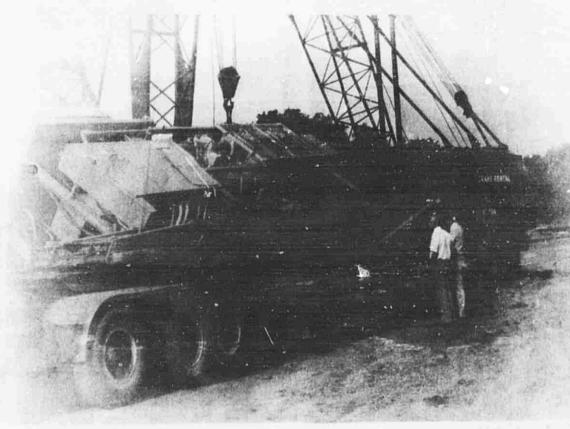

A pilot program to insure the safety of students walking to the New Middle School on Foreman Drive has been launched by the Lowell Area Schools in cooperation with the City of Lowell.

This week, Maynard Norris of Lowell, will assume the duties of the Safety Guard; taking a position each morning and evening at the railroad crossing.

Norris, deputized by the City and hired by the schools, will have the full authority to see that students use the sidewalks, ride their bikes on the right side of the road, conducting and utilizing all safety measures. In making the announcement, Lowell Police Chief Barry Emmons asks the cooperation of all students.

Council Doins'

Foreman Improvements May Begin This Year

At the regular meeting of the Lowell City Council Monday night the need for the improvement of Foreman Street from Beech Street to Gee Drive was again an agenda item. Kenneth Anderson of Williams and Works told Council that Gillissee Construction would be willing to go along at the original bid providing they could do the work this year. How to finance the project was discussed and Council members felt there were several questions to be answered but a decision must be made very soon and probably a special council meeting would be required to expedite matters.

Concern was expressed by John Troy on the accessability of the road during construction. Ken Anderson said there could be a meeting of representatives from Root-Lowell, Lowell Area Schools and Gillissee Construction to iron out traffic problems.

Showboat Asks for Permanent Box-Office

Golf Course Owner Dies

Charles A, Lundy, 58, of 2230 Alden Nash Avenue, Lowell, passed away suddenly Sunday evening.

Mr. Lundy had been the owner of the Arrowhead Golf Course since 1971.

Before moving to the Lowell area, Lundy was associated with the Vanadium Alloys Steel Company as their Western Sales Manager out of Detroit and Chicago.

He attended U of M and was a 1936 graduate of Syracuse University, was active in several sports and a member of the Varsity. He was a member of Logan Lodge No. 575 F&AM of Indianapolis, Indiana.

He is survived by his wife, Elizabeth; one son, Wayne of Westland, Michigan; one daughter, Mrs. Peter (Barbara) Parkinson of Kentwood and five grandchildren.

Mr. Lundy reposes at the O'Brien-Gerst Chapel in Cascade. Funeral services will be Wednesday at 3 p.m. with the Rev. Earl Davidson officiating. Interment will be made in White's Chapel Cemetery at Troy, Michigan.

Ask Appointment of Impartial Arbitrator

The Michigan Employment Relations Commission has been requested to appoint an impartial arbitrator in the dispute between the City of Lowell and the Lowell Police Association by the Police Officer's Association

Arbitration is being requested for two separate periods July 1, 1972-June 30, 1973 and July 1, 1973-June

Negotiations were begun by the Lowell Police Association in late 1970 and continued through 1971-72. There has been an introduction of 2 contracts by

the Association and 4 contracts by the City.

Sometime in 1972 the Lowell POA requested and had mediation and although the City put forth a wage increase in July of 1972, the Lowell POA did not acknowledge the change in salary schedule as a settlement to their dispute.

In sitting down with the City of Lowell on negotiation, the City refuses to discuss 1972-73, according to Carl Parsell, executive director of the POAM.

An impasse has now been reached and no further arbitration can take place on 1973-74 until 1972-73 is settled.

TO THE GAS CUSTOMERS OF CONSUMERS POWER COMPANY

NOTICE OF HEARING ON A CONSERVATION PROGRAM INVOLVING NATURAL GAS RATES

Company applied to the Michigan Public Service Commission for approval of a program for the conservation of natural gas by encouraging and assisting residential customers in the insulation of their homes heated by natural gas. (Case No. U-4416.) HERMAN STUKKIE

for this meeting.

The Company's application states that large numbers of the Company's residential space heating customers reside in older houses which do not have insulation meeting current standards established by the Federal Housing Administration. Studies by the Company indicate that installation of ceiling insulation meeting current FHA standards in a typical house built in the Company's service area prior to 1942 would reduce the quantity of gas used for heating by about 21 percent; and that installing sufficient ceiling insulation to meet current FHA standards in a typical house built in the Company's service area after 1942 would reduce the quantity of gas used for heating by

about 10 percent. The application states that, despite extraordinary efforts, the Company has been forced by the current national shortage of natural gas and resultant curtailments in deliveries from the Company's interstate gas suppliers, to institute restrictions upon gas sales in the Company's service area which currently affect all but residential customers. The application states that the proposed home insulation service program is in the public interest because it seeks to partially relieve the shortage in natural gas supply.

The program which the Company proposes would include the use of mass media and other means home insulation can make to that goal.

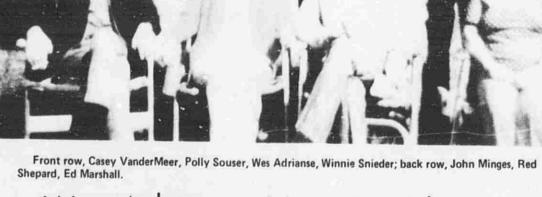

The Company would urge homeowners to

On September 7, 1973, Consumers Power to dealers and contractors. Under the proposed amendments, any sums owed the Company for installation or insulation would be a part of the charge for residential space heating gas service rendered to the insulated premises; and the cost of such installation, if not paid for by the residential space heating customer who contracted for the work, would be charged to successor customers at the insulated premises at the rate of \$5 per month.

The application asks the Michigan Public Service Commission to authorize the Company's participation in the home insulation service program; and to authorize the Company to include all costs associated with the program as a part of utility cost of service, to be reflected in rates hereafter prescribed by the Commission for the Company.

A public hearing will be held at 9:30 AM, on October 5, 1973 in the offices of the Commission. Law Building, Lansing, Michigan 48913, for the purpose of determining whether the approvals sought should be granted. Any interested parties may attend the hearing and participate subject to the provisions of the Commission's Rules of Practice and Procedure. Copies of the application may be obtained from the Secretary of the Commission, Law Building, Lansing, Michigan 48913, or from the Secretary of Consumers Power Company, 212 W. A Discourse On Dunking

One hot day, not too long ago, when temperatures were soaring into the 90's, several of us sat around discussing the art of dunking. We had exhausted the weather and the weather had exhausted us, and so, because it was too hot for weightier topics of conversation, the subject of dunking seemed as good as any.

What brought it all about was the fact we had an anti-dunker in the group. A phenomenon hard to understand to devout dunkers.

Immediately upon learning this non-dunker had for all her 25 years missed the joys of dunking, an attempt was made to convert the non-dunker to a dunker with proselyting zeal.

In the ensuing conversation, it became apparent that everyone had his or her own favorite food for dunking as well as beverage in which to dunk.

"You mean to say you've never dunked a nice fresh sugar cookie in a cold glass of milk?" the non-dunker,

whom we shall call Betsy, was asked, increduously. "Ugh!" was her short reply. "Or donuts in coffee?" another queried. There was

then a ten minute debate on the deliciousness of molasses cookies over sugar cookies. One of the group said his favorite dunkers were

Oreos, which sent the non-dunker into a paroxysm of laughter-the sight of a college professor dunking an Oreo cookie in a glass of milk was too much for the We also learned there is a deftness to dunking that

only comes with years of experience. One must determine just how long to hold the object immersed in the liquid of one's choice. The saturation point varies from cookie to cookie and it is this fine art of dunking that a skillful dunker learns through experimentation and

"I wait just 'til the bubbles are gone from the top of the milk," offered one old dunker. The professor said he counted 1-1000-2-1000, before lifting his Oreo from his milk-and the non-dunker, again, went into a fit of laughter.

It was obvious our attempts at conversion were getting nowhere, and later, as cold drinks were served and the professor was observed dunking his Oreo cookie in the lemonade, our young unconverted, non-dunker could only shake her head in a non-dunkers' disbelief.

It was the concensus of the group after a serious attempt to understand this non-dunker's attitude, that it was probably due to one or more facts, (1) she never learned to creep and crawl before walking (2) she skipped kindergarten, going directly to first grade (3) she had had some unfortunate experience with a soggy Zwieback in infancy.

"THE LITTLE WHITE CHURCH ON THE CORNER"

STOP and THINK why it PAYS to SHOP at HOME!

Do you bring home everything

you've paid for?

Which you can answer "yes" - if you always buy from the Susiness people right here at home. Where you live.

Wherever you buy, part of your money goes to build and to keep up the community in which you spend. To support schools, churches, civic projects, to pay the people who work in that community, and to provide better business and job opportunities for those who live here.

When you buy in YOUR OWN town, you get about the same merchandise you'd get anywhere else - PLUS the enjoyment of these other things that your money pays for.

When you buy anywhere else, you get merchandise ONLY. And your home community is a little poorer because you carried off part of its resources. And the many things other than goods that your money pays for are left for somebody else to enjoy, while they wait for you to return and hand them some more.

Are you concerned about supporting your son or daughter in the important task of growing up? "If you are like most parents, you surely are," says Jerry Evans, Y-Indian Guides Chief, of the Lowell Area YMCA In-

And here is a great opportunity to express this deep concern-by joining the YMCA's father and son program (Y-Indian Guides) or the father-daughter program called Y-Indian Princess.

It is a program for the busy, but thinking father who wants to spend more time with his son or daughter. It is the fastest growing program in the YMCA today. More than 500,000 fathers and sons and daughters are

involved in this program throughout the nation. Y-Indian Guides is a program in which fathers and sons or daughters participate together in small groups known as tribes. Is purpose is to multiply the number of things that fa ers and sons or daughters can do together, such as crafts, hiking, camping trips, cookouts, stories, games, and hobbies. The YMCA believes that comradeship of fathers and sons and fathers and daughters, has mutual advantages that strengthen the family and enrich the community

Tribes meet in homes, usually with 6 to 9 families involved. Boys and girls 5 years of age and older can belong with their fathers. Call the Lowell YMCA, 897-7375 for further information.

Arrows Romp Ionia 30-0

The Lowell Red Arrows opened the 1973 season as they won a 30 to 0 non-league contest over the Bulldogs from Ionia.

Retain Trophy

The win gave the Arrows another year's possession of the coveted V.F.W. sports trophy, presented tocoach Al Rowe and his team following the game at Rec-

Lowell completely dominated the game as both its offensive and defensive lines beat the Bulldogs off the ball all night. Offensively, the visiting Ionians couldn't hold off guard Ken Bryan or blitz-linebacker Rusty

First Quarter

Lowell returned the kickoff to the 42 yard line and 11 plays later hit pay dirt. The big play in the drive was a 21-yard run by Higgins on a second and eight play that carried to the Ionia 15. Three plays later Pierce connected with Kropf for a 13-yard score at 6:45. A pass for the point failed. Pierce returned the kickoff 5 yards to the 31 and after picking up one first down Ionia was forced to punt with Lowell taking over on the Bulldog 45 after a 15-yard penalty.

Three runs carried to the 23, but the next three plays lost yardage, including a double reverse, end around on fourth down as Paul Szymanski brought the ball carrier down for a yard loss, on the first play of the second period.

Second Quarter

Neither team threatened in the next 12 minutes, with each punting twice and keeping the other runners pushed back in their own territory. Ionia did reach the Lowell 40, while Lowell advanced to its own 46.

Jeff Nunes brought the kickoff back from the 17 to the 33, but Ionia punted three plays later. After a

short punt Lowell took over on the Ionia 47 and moved 47 yards in three plays for the score. On the first play Billock broke four tackles and raced 39 yards to the eight. A roughing penalty put the ball at the four and two plays later Higgins went over from the three at 8:06. A pass from Pierce to Higgins

accounted for the extra points and a 14 to 0 lead. Lowell recovered a short kick on the Ionia 38 when two linemen failed to cover the lost ball. However, Ionia was aided by a 15-yard penalty and Lowell eventually punted to the Ionia 16. Ionia used an eight yard run by Ackerson and a 15-yard penalty for a first before finally punting.

The punt only traveled two yards and Steffens returned the ball to the 26. A pair of runs moved the ball to the 10 as the period closed.

Fourth Quarter On the second play John Piper scampered seven

yards with 11:24 showing. A pass from Pierce to Ron Lyons made the score 22 to 0.

After the kickoff Ionia was helped by a 15-yard pass interference penalty which enabled it to eventually get to midfield. A punt gave Lowell the ball at the 23.

Lowell was unable to move and punted to its own 43 with 5:10 left in the contest. Ionia again used a pass interference penalty for a first down to the Lowell 31. However, it was unable to take advantage of it and gave the ball up at the Lowell 44. The Red Arrows moved

In other football action, the Lowell junior Varsity team was humiliated by Ionia 70 to 6 Friday afternoon in the season opener for both teams. Saturday morning the Lowell freshman returned from Ionia with a 22 to 0 opening victory.

Cross-Country Season Underway

The Lowell Red Arrow Cross-Country team has begun its 1973 season with four non-conference meets against Ionia, Forest Hills Northern, Lakewood, and Maple Valley. Only against Maple Valley were the Red Arrow harriers victorious.

In that meet, part of a double dual meet with Lakewood, Lowell came out on top by a score of 18-38 on Lakewood's hilly Saranac course. Craig Mulder, a junior, captured first place for the Red Arrows, followed closely by Senior Ben Porritt.

Other cam members competing for Lowell were Captain Phil Gerard, a senior, Juniors Ron Krebs, and Jerry Gauger, and Freshmen Mike Dey and Doug Bur-

The Red Arrows are idle this week, but open the Tri-River season September 25, at Cedar Springs. Plans are also being completed for the annual Lowell Cross-Country Invitational, More than 50 area schools have been invited to participate in this year's Invitational scheduled for 4:15 on Monday, October 8, at Fallasburg Park.

Ninety Students Take Required Hunter's Course

An annual program, promoting safer hunting for the youth of the community was completed last week, with some 90 students receiving certificates. Instructed by Art Farley of the Lowell Police Department, the course is now required of all students

who wish to apply for a hunting license in the State of Another course will be offered at a later date by Farley, in conjunction with the Lowell YMCA.

Lowell Ledger-Suburban Life, September 20, 1973 Redskins Victorious In Non-League Opener

Saranac High School's football team opened the 1973 campaign with a 36 to 6 non-league win over Martin Friday night on the loser's field.

With 3:30 to play in the first period Bill Overbeck rambled 85 yards to get Saranac's first score. Overbeck added his second score on a one yard plunge at 7:09 of the second stanza. The score was set up by a 40 yard pass play from Dale Stuart to Randy Butcher that carried to the 19. Stuart passed to Mark Mason for the extra points.

Saranac built its lead to 22 to 0 at half time as a umble recovery set up a two yard run by Dave London with 4:44 to go in the first half. Bob Parks added the PAT on a run. Martin averted a shutout in the third period as Du-

ane Knight and Dan Snyder teamed up on a 60 yard scoring pass at the 6:30 mark. The Redskins added a pair of scores in the final

quarter to win going away. Overbeck picked off a tray aerial at the 25 and raced to the 15. Three plays ater London cracked over from the five and Saranac had a 28 to 0 lead at 6:35

With 1:10 to go in the game Parks stepped three yards for a score and Tim Sprague passed to Butcher for the extra points and a 36 to 6 win.

Grochowalski Key Man As Rangers Down Jenison

Forest Hills Central High School, celebrating its first football victory under a new varsity coach, Raleigh Smith, looks to a stem test this Friday evening. On tap is an O-K White Division-opening game at Wyoming, with Coach Jack VerDuin's defending champion Vikings at 7:30.

Tony Grochowalski proved to be the key man for Forest Hills Friday in a 14-6 conquest of Jenison, passing 20 yards to Jack Sherry for one score and plunging two yards in the fourth period for the other. Jenison also scored on a pass, 27 yards from Dave Frye to Neil Vander Maas in the fourth period.

A Hot Air Ride

Up, Up, and Away in your beautiful balloon! This was the exciting treat for the Middle School students as they first heard the hollow sound of the gas torch echoing near the opening of the balloon. In a minute or two the lovely pink balloon lifted our friend, Ken Smith, over the roof tops of the Lowell Middle School.

Members of the West Michigan Balloon Association demonstrated their lighter than air craft several times. Was it a bird? Was it a plane? No, it was several members of the faculty who rodo up into the beautiful clear morning air. A thrill for all to see.

Michael Willard Receives Citation

Staff Sergeant Michael E. Willard, formerly of Low-ell, has been awarded an air medal and citation from the United States Air Force.

The citation to accompany the award reads:

Staff Sergeant Michael E. Willard distinguished himself by meritorious achievement while participating in aerial flight near Tanana, Alaska on April 5, 1973. On that date Sergeant Willard participated as Flight Mechanic in an HH-3E helicopter on a rescue mission to recover two stranded persons suffering from starvation and exposure. The professional skill and airmanship displayed by Sergeant Willard reflect great credit upon himself and the United States Air Force.

Rites Held For **Accident Victim**

Funeral services were held September 13 at the Zaagman Chapel in Grand Rapids for twenty-five-year-old James D. Martin of Lowell.

Martin, of 1749 Woodgate Drive, was killed September 10 when his car went over an embankment on M-21, east of Watrous Drive, striking several guard rails

and a tree. Martin, born in Grand Rapids, graduated from Kentwood High School, attended Junior College in Grand Rapids, and served two years in the U.S. Army. He was a night maintenance worker at Bright Metal Com-

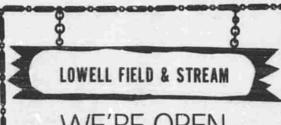

pany in Grand Rapids. He is survived by his wife, Patricia; two sons, Mitchell and Christopher; a daughter, DeVonna; his parents, Mr. and Mrs. Elmo Martin; a brother, Richard; and two sisters, Mrs. Sharon Palmer of Massachusetts and Mrs. Linda Pretez of Utah.

Cyclist Injured

Steven C. VanPutten, 22, of Lowell, is in fair condition at Butterworth Hospital, suffering back and possible internal injuries after he apparently fell asleep while riding his motorcycle.

Sheriff's Deputy Harry Kooistra said VanPutten's motorcycle ran off the pavement at 10800 Grand Riv-61 Drive about 2:30 a.m. Friday, and he rolled down a 10-foot embankment with the bike.

VanPutten walked a mile and a half to the nearest house seeking aid for his injuries, the officer said.
