Merchants Show Interest In Main Street Rejuvenation

At the regular meeting of the Lowell City Planning Commission Monday night, an outline of plans for the improvement of Lowell's central business district was presented by Charles Lippert of Lippert's Pharmacy.

Seventeen business persons were present to hear the objectives of CBD plans, progress to date, and the needs for a follow-through.

Block captains have been selected and petitions circulated to obtain the level of interest among CBD merchants.

Petitions were presented to the Planning Commission containing the signatures of 37 business people showing a favorable interest in the improvement of the City central business district.

Though there is some opposition to the present concept, there seems to be an over-all interest in some form of improvement to Lowell's downtown area.

The greatest need, Lippert summarizes, is a positive attitude and aggressive action and must involve everyone touched by it.

Lippert believes Lowell has a great future but the time to act is now.

The next meeting of the Planning Commission will be April 16 at 8 p.m. at the City Hall. At this time the block captains will present the results of their survey of needs, desires and views of affected restcharts.

ANNUAL MEETINGS

Area townships will hold their annual meetings this Saturday, March 30, with times and places appearing elsewhere in this edition.

In addition to regular business, a budget covering proposed expenditures and estimated revenues will be submitted for consideration.

VOLUNTEER DONORS

A recent blood bank drive in the small village of Saranac netted 118 pints.

On April 5, the Lowell Area Jaycees will conduct this area's first drive, between 3:30 and 7:30 p.m. at the Lowell High School.

It will be interesting to see whether Lowell has as

TAB DEADLINE NEARS-Michigan motorists who haven't purchased 1974 license plate tabs are advised by Automobile Club of Michigan secretaries Pam Skrzycki (standing) and Delia Dion that all passenger cars must have them displayed by April 2. Pam reminds motorists to bring in either the prepared renewal form which was mailed to most vehicle owners last fall by the Department of State, last year's registration. or the certificate of vehicle title (proof of ownership). Delia says don't forget to bring proof of public liability and property damage insurance. Approximately 900,000 Michiganians will buy new license tabs between now and April 1. This is about one of every five passenger car owners in the state.

Area Civil Defense Director Offers Important 'Tornado Tips'

The 1974 tornado season has officially arrived, according to Barry Emmons, Civil Defense Director for the Lowell area. Emmons urged that tornado safety tips be learned and heeded in order to prevent deaths and injuries in the months ahead.

"Preparedness is the key to holding down disaster fatalities," reports Emmons. He cited the increased drop in tornado-related deaths over the last three decades as proof that community and individual awareness of safety precaution can save a lot of lives.

"During 1973's record tornado season, with 1,107 funnel-twisters sighted and reported, the results were 84 fatalities, while the long-term average death rate is around 94," Emmons said.

People in Lowell are notified of a tornado alert by one long blast of the fire siren . . . the all clear is the sound of the regular, Emmons revealed.

Siren silence (police cars, fire engines, ambulances, etc.) is observed as long as the tornado warnings last. Local police officers are dispatched to different localities around the City, where they will watch for funnel formations.

Besides tornados, the Lowell Civil Defense crew

Blood Bank Drive April 5

Lowell area's first blood bank drive, being sponsored by the Lowell Area Jaycees, will be held Friday, April 5, instead of April 15, as reported last week.

On April 5, blood donations can be made at the Lowell Senior High School between the hours of 3:30 and 7:30 p.m.

The Blood Bank is being set up to provide blood replacement credits for people who live, work, worship, or belong to a civic organization in the City of Lowell and surrounding townships, and their families. All of the people will be covered, not just the ones that donate.

Persons wishing to donate may call Steve Vander-Weg, 897-9460 or Dean Collins 897-9355 for an appointment.

The Jaycees offer this reminder-"you may not be dying to give blood, but someday you may be dying to get it!"

Veterans Advised Certified Papers Are Sufficient also covers all other disasters, such as floods, chemical warfare, etc. Emmons holds the responsibility for calling emergency assistance if needed after a tornado, etc.

Emmons recommends that the public pay close attention to and be guided by the tornado warnigns of the National Weather Service.

Tips Offered

The term 'tornado watch', as used by the Weather Service, means tornadoes are expected to develop, while 'tornado warning' means a tornado has actually been sighted. When a 'tornado warning' has been issued, persons close to the storm should take cover immediately. Those farther away should take cover if threatening conditions develop.

The first rule to remember when a tornado approaches, is to seek inside shelter immediately-preferably in a storm cellar, underground excavation, or steel-framed or reinforced concrete building.

If you are in an office building, you should go to an interior hallway on the lowest floor, or to a designated shelter area. Factory workers should move quickly to the section of the plant offering the greatest protection, in accordance with advance plans.

The basement offers the greatest safety in the home. Seek shelter under heavy furniture if possible. In homes without basements, take cover in the center part of the house on the lowest floor, in a small room such as a closet or bathroom, or under sturdy furniture. Keep some windows open, but stay away from them.

Mobile homes are particularly vulnerable to destructive winds. Proper tie-downs to prevent overturning will minimize danger. In periods of danger, a warden should be appointed in mobile home parks to scan the skies and listen to radio and television for warnings. A hand siren should be purchased to aid in alerting residents. The most important rule to remember, is not to stay in a mobile home when a tornado is approaching. Threatened mobile home residents should seek refuge in a nearby sturdy building or, as a last resort, in a ditch, culvert or ravine. In any event, do not remain in a mobile home.

Students and school personnel should follow advanced plans to go to an interior hallway on the lowest floor for safety. Always avoid auditoriums and gymnasiums or other structures with wide, free-span roofs. If a building is not reinforced construction, go quickly to a nearby reinforced building, or to a ravine or open ditch and lie flat.

If you are in open country, and there is no time tofind suitable shelter, lie face down in the nearest depression, such as a ditch or ravine, and protect your head with your arms.

Emmons concluded by pointing out that everyone needs to learn tornado safety rules. He said that anyone interested in obtaining the poster, "Tornado Safety Rules," free of charge, may do so by contacting the Kent County Chapter, American Red Cross, 1050 Fuller NE

many loyal supporters and donors such as Saranac has. ADVANCED FIRST AID

Last Sunday, 14 interested citizens and police officers completed a ten-week advanced first aid course instructed by Art Farley.

The program, set up and planned by Farley, featured guest speakers and on-the-spot technical training. One of the main purposes of the course is to qualify personnel to man the future Lowell Emergency Unit.

A big thanks goes to Mr. Farley for donating his time and efforts.

ENDS FIRST YEAR . . .

The Deb Shop at 100 West Main will celebrate its first anniversary March 28, 29 and 30 with a store full of fashion values ... plus a display of the recently arrived fashions for Spring. BINGO BOOM ...

The bingo boom has hit Lowell, with three organizations offering three consecutive nights of playing.

On Thursday nights (7:30 p.m.) the Lowell Lions Club conduct their games at the Deer Run Golf Club; Friday nights, the Lowell V.F.W. Post on East Main plays at 7:30 p.m.; and Saturday, the Lowell Moose begin calling numbers at 7 p.m. upstairs. GO FLY A KITE...

The command, "go fly a kite," has been given many times for many different reasons. In the windy months ahead there will be many happy youngsters flying kites for fun.

They should remember never to fly a kite near telephone or high-voltage wires or transmission towers. And never use a wire or wet string for a line.

MOCKERY OF SPRING

Spring was snowed under Sunday as temperatures skidded to near-record lows, and continued to dip to within a few degrees above freezing early Monday morning, when the wind-chill factor was 16 below zero.

Hopes for the arrival of Spring disappeared in wind-driven flurries most of Sunday, that dumped 2½ to 4 inches of snow over most of the area.

To our winter vacationers in Florida go our wishes that we were there, also.

JELLY WEEK

AIR

The Lowell Area Jaycees will wrap-up their "Jelly Week" promotion this week as they canvass the community, door-to-door. Jelly will also be sold at Lippert's Pharmacy. Anyone who would like to increase their jelly supply, and cannot get out, should call 897-9516.

Proceeds of the sale are designated for the Lowell Pre-Schoolers (Headstart) program.

SNOW SHOVELS BRING SNOW

The recent snow cannot be blamed on Buck Matthews or Andy Rent but the blame should go to Guerney Hahn of Hahn's Hardware who reportedly had some snow shovels he wanted to sell.

The first career-information panel will be held on April 4, 1974 at 9:30 a.m. in the auditorium. This panel will consist of people who work with juvenile offenders and their families in the Kent County area. Represented will be social workers, probation officers, and juvenile court workers.

The second career panel will include representatives of various health services, such as nurses, and medical technicians. This will be held on April 5, 1974 at 9:30 a.m. in the high school auditorium. Job requirements, duties and future school planning for students who are interested in pursuing either of these vocational areas will be discussed. It is hoped that parents who have students interested in either of these areas will attend these meetings.

March 24-29, 1974, is Michigan Counselor Week. The theme this year is "Counseling Services Help People Learn Life Skills." The high school guidance office is open to visits from parents and interested community members. The counselors extend an invitation to stop in and discuss the counseling program.

Dropping temperatures, one day last week, caused this heavy build up of ice formation on Lyle Covert's Paddle Wheel on Flat River in front of the Covert home.

In the summer the wheel becomes the source of power to slowly turn the spit for Lyle's famous succulent roast pig.

Road Traffic Dips

February traffic on state highways dropped 15.2 percent from the same month a year ago, the Department of State Highways and Transportation reports.

Average weekday traffic on state highways in February was down by 11.4 percent from last year. Friday traffic was down 11.9 percent; Saturday traffic down 11.8 percent and Sunday's down by 30.5 percent.

The traffic volumes were computed on the basis of actual counts from 10 Department countermachines, strategically placed around the state.

The traffic decline is attributed to the gasoline shortage and the Sunday closing of many service stations.

"ROBINHOOD"-Will he at the Strand Theatre Lowell, Mich. April 5, 6 & 7. c50-51 The Veterans Administration advises veterans not to allow loss of a birth certificate or marriage license to deter them from applying for benefits.

Officials cited a regulation in effect since October, 1971, under which less formal proof of marriage and birth are acceptable in establishing claims for higher benefits.

A veteran's or widow's certified statement of marriage is sufficient on applications for compensation and education benefits for veterans, widows and orphaned children, provided neither he nor his wife has been married before, and VA has no contradictory information on file, officials explained.

It was noted that a certified statement now is acceptable regarding birth of a child of a veteran's marriage, and as proof of age and relationship in disability cases. Before the regulation change, officials pointed out, VA required all statements of marriages and births to be supported by formalized documentary evidence.

Certified statements also are sufficient in death cases where a claimant's statements corroborate those of a veteran in connection with a claim for any VA venefit, officials added.

Ada Sets Hearing On Sewer Assessment Roll

Ada Township has commenced a new set of procedures which will lead to the installation of a sanitary sewer system in the Forest Hills Gardens plat in the Paradise Lake area at an estimated cost of \$300,000.

The township board approved a resolution to establish the area as a special assessment district at their recent board meeting. After bids have determined costs, a special assessment roll will be prepared and presented at a public hearing April 1 in the township office at 555 Ada Drive.

If the special assessment roll is adopted, application will be made to the Michigan Municipal Finance Committee for bonding.

In January, the board decided to undertake the project under an impressed roll, permissible under Act 185. Two informational meetings were held and the board received advisory petitions signed by more than 51 percent of owners of property favoring the project.

But in face of developing opposition to the improvement as an impressed roll project, the board decided to hold hearings and set up a special assessment district. It is proposed to construct the sewer as a County Department of Public Works project.

FREE PAP SMEAR

The American Cancer Society, Kent County Unit, is offering free Pap Smears to the women of Lowell and the surrounding area at the East Kent Community Center, 10763 Grand River Drive, April 19, and May 3. A Registered Nurse will take the test.

Advanced cervical cancer is most commonly found in women over 45 years of age. We particularly urge women in that age group take advantage of this offer. Cancer of the cervix can be cured if detected early.

Monroe MacPherson, president of radio stations WION and WYON, will narrate a twin travelogue program this Thursday night, March 28, in the auditorium of Lowell Senior High School.

A world-wide traveler, MacPherson will narrate, "Far Out To The Far East," and "Iberian Holiday," beginning at 8 p.m.

Tickets for this program, sponsored by the Lowell Rotary Club, can be purchased at the door.

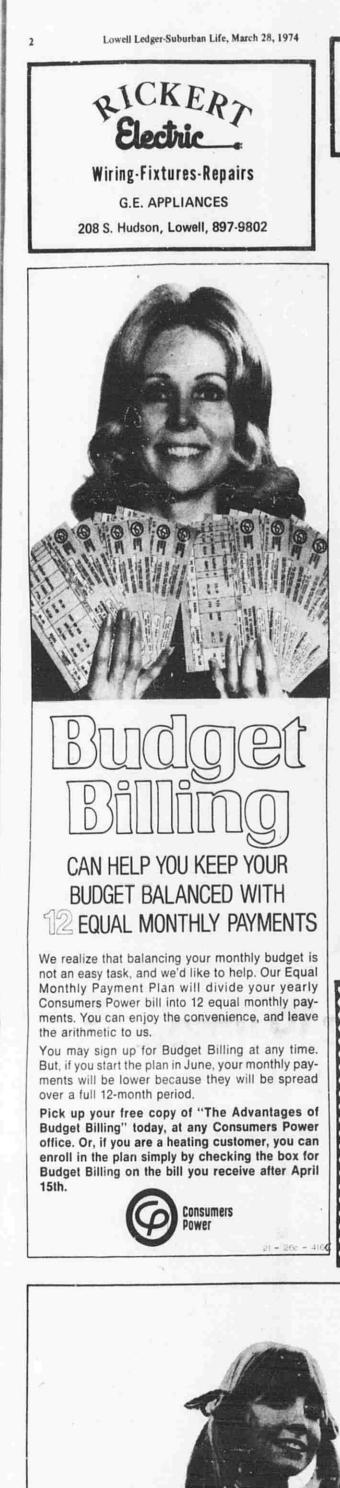

Studded Tires Must Come Off April I

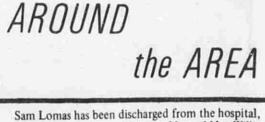

Michigan State Police are reminding motorists that Monday, April 1, is the cut-off date for seasonal use of motor vehicle tires equipped with studs or ice grips.

Col. John R. Plants, department director, emphasizes that this deadline on studded tire use is a month earlier than it was under the previous state regulation concerning it.

Plants said his department will begin enforcement of the studded tire ban at 12:01°a.m., Tuesday, April 2.

The current Michigan law on studded tires provides for their use again in the winter of 1974-75. After that time any use of such type of tire will be governed by regulations which the State Highway Department has been authorized to promulgate.

Pretty neat ... know what I mean? That Mr. Plue, of St. Joseph, Michigan, can get that kind of mileage from his '73 Chrysler Newport with a standard V-8 engine. Here's how he says he does it. By concentrating on getting good mileage

50 mph . . . he was able to get almost 19 miles to a gallon. So by keeping his speed down . . . he saves fuel and saves money. He saves his tires, too. Now that's real savings. Know what I mean?

and a good program.

In his narration, Lehman noted that there are certain dangers involved in Alaskan hunting such as the mean tempered and unpredictable bear, and the ever changing weather. Because of inclement weather there were some 31 bush pilots lost in August of 1973. A far north hunting trip is not the most inexpensive kind of vacation, as Ken estimated that his trophy animals cost about \$200 per pound.

However, Mr. Lehman stated that there were other things about the trip that he enjoyed more than the actual hunting. "Being able to meet the people of Alaska and a chance to be by myself, said Mr. Lehman, "helped me come back home a little better man for having gone.

The Lowell Wrestling Team held their annual wrestling banquet last Thursday night, and Jerry Kropf was given the Most Valuable Player Award. The banquet, which was held in the high school cafeteria, began with a dinner, featuring two huge beef

roasts, then Coach Gary Rivers thanked the Mat Maids for all their help during the year and they, in turn presented him with a huge cake.

Coaches Harper and Rivers then handed out Certificates of Participation to wrestlers who did not qualify for letters, and letters to those grapplers who competed regularly on the Varsity squad.

Gary Weimer was awarded a plaque for the most pins this year on the Varsity Team, 23. Glenn Anderson and Jeff Rickert were honored as the Most Improved Wrestlers.

Coach Gary Rivers then announced that next year's co-captains would be Jim Dykstra and Jeff Rickert. Bernard Kropf, on behalf of the Lowell Lions Club, awarded Jerry Kropf the Most Valuable Player Award. Kropf is a senior who had a 40-5 win-loss record for this year and also placed fourth in the State Class "B" wrestling meet.

The wrestlers then closed out the banquet by presenting both coaches Harper and Rivers with gifts of appreciation for the outstanding job that they did hroughout the year. Several of this year's wrestling team broke a few of

Lowell High Schools all-time dual team records. Gary Weimer set a new record for the Most Near Falls in a career with 31.

Jerry Kropf set a new record for the Most Falls in a career with 22 and he also set a new record for the Most Takedowns in a career with 54. TEAM SCORES

Happy winners of the Annual YMCA Ping Pong Tournament, Youth Division, were, left to right: Jon Bieri, doubles winner; Bob Bieri, Doubles winner and first in singles; Craig Coulson, third in singles; and Chris Coulson, second in singles

The Lowell YMCA sponsors an annual tournament to encourage the playing of ping pong which is an inexpensive, interesting sport that is good exercise and lots of fun to play. Ping Pong or table tennis, is a growing sport in our schools and in family recreation rooms.

Lowell Middle School was a busy place Thursday and Friday, March 21 and 22, as the site of the annual YMCA Ping Pong Tournament. Taking place over two evenings, the semifinals and finals were played on Friday evening. Emerging as winners in the Adult Division were (left to right) Kevin McMahon, third; Art Bieri, first; and Randy Jones, second. The team of Bieri and McMahon beat Scott and Tim Koeze for the doubles' championship.

Hockey Title At Stake Friday As Lowell Faces Grand Rapids Christian

of the Grand Rapids Hockey League will be played this Friday night, March 29, at 7 p.m. at the Grand Rapids Ice Arena, located across from the D&W Food Center (28th Street) in Cascade. Featured in the final championship round will be the

enthusiastic team from Lowell High School and a team of evenly matched competitors from Grand Rapids Christian

Each team has won one game each in the championship playoffs. The team coming out on top this Friday will win the hockey title for the 1973-74 season, which has sparked much interest locally.

Last Wednesday night, Lowell hockey fans flocked to the ice arena to see Lowell's well balanced team gain a 1 to 0 win over Christian. Lowell's lone score by Ron Merriman, assisted by David Baird, came at 3:24 of the first period. A great credit for the win went to goalie John Pollice who had 18 saves at the net. The sudden death overtime game last Friday night

saw Christian come out on top with a 5-4 victory, as they were the first to score as the clock began ticking over again

Scoring for Lowell first, at 5:57 of the first period was Mark Ries, who made the goal unassisted. Another goal by Ries came after 16 minutes and 21 seconds in-

team will compete against Newhall Middle School, here, Saturday, March 30, in the Middle School gym from 10 a.m. til noon. Three of the top competitors from Lowell in their individual classification arc left to right, Gilisa Grooters, advanced; Marlene Parsons, intermediate; and Laura DeBoer, beginner. The class instructor is Nancy McMahon, right.

to the first period on an assist by Scott Wingeier. Tom Wingeier was responsible for Lowell's third goal on an assist by Scott Wingeier at 17:17 in the first period. Garry Lotterman, unassisted, scored Lowell's final goal at 9:26 in the second period.

Adding a spark of spirit and enthusiasm to the players and fans at Friday's game was the appearance of the Lowell Pep Band, who played the National Anthem, and kept the mood movin'. The band generated such interest that the Forest Hills boosters, there for the Class A playoffs to follow, persuaded the Lowell musicians to remain for their game, also, This Saturday, at 6 p.m. the High School All-Star

game will be played, with the teams being comprised of the four best players from each school in the eightteam league. Representing Lowell High School will be Mark Ries.

Scott Wingeier, Tom Wingeier and Doug Blocher. Only the goalies are selected by the coaches and referees. This balloting has resulted in the selection of John Pollice of Lowell as all-star goalie for one of the two teams playing

This is quite an honor, and Pollice is to be complimented for his performance for the Lowell team during the season.

In AAU Meet

Dave Christenson of Lowell participated in the AAU boy's swimming meet over the weekend in Grosse

He took a second place finish in the 50-yard freestyle event with a time of 24.4. Swimming in the 13-14 age group, Christenson was also runner-up in the 100-yard free-style event with a time of 53.8.

INTRA-MURAL WRESTLING TOURNAMENT THURSDAY

The Lowell Middle School Intra-mural Wrestling Fournament will be held in the School's gymnasium Thursday, March 28, starting at 1:20 p.m.

This tournament is open to all Middle School students in grades six through eight. Parents of students and all townspeople are cordially invited to attend this assembly.

Senior Citizens To Hold March Potluck, Eye Overnight Trip

The Saranac Senior Citizens' March potluck will be Wednesday, March 27, our regular meeting date. Bring a dish to pass, games and a movie will follow. A 25¢ fee will cover the door prizes and game prizes for those

who wish to participate. With the passing of the threat of bad weather we are expecting a lot of you to welcome Spring and our returning members from Hawaii. The gasoline situation has made trips in the future a question mark. Yet, to go anywhere requires long range planning. As a result, we are going to proceed with the planning expecting that we will get gas for our limited purposes.

As was mentioned at the last potluck, we are think ing of combining a couple of trips into an overnight trip. It would take place late in June or early in July. The first day we would plan to attend a Tiger game and so on the second day we would cruise to Bob-Lo Island for a day of relaxed merry-making. For those not familiar with Bob-Lo, it is an amusement park, located in the Detroit River, including a Zoo and an Arts and Crafts Colony, as well as the usual amusement park equipmen

The cost of the trip, not including meals, will be around \$20 per person, depending on the cost of the room and the kind of tickets we decide to get for the ball game. If you think that you would be interested, you can start signing up at the next potluck.

SCREENWRITERS HONORED

"A Touch of Class" and "Save the Tiger" have been named the best comedy and drama written directly for the motion picture screen, by the Writers Guild of America

Melvin Frank and Jack Rose received the award for "A Touch of Class," and Steve Shagan for "Save the Tiger" at the 26th annual awards reception at the Beverly Hilton Hotel in Los Angeles, California.

"A Touch of Class" which has also received five academy award nominations will be shown this weekend at the Strand Theatre in Lowell.

The film will star Glenda Jackson and George Segal.

January 1, 1974 we went to a monthly water & sewer billing. The week of March 25, 1974 your February billing will be mailed. Due Date April 20, 1974.

The Council decided to forego a penalty charge, but there will be an automatic shut off twenty days after due date. A \$5 fee is charged for connection; and a \$5 fee is charged for disconnection. Corrections on addresses should be made at City Hall Offices.

Payments will be made at Lowell Light & Power Co., 127 Broadway. For proper credit to your account please present your computer billing.

The girls are all members of Mrs. Ronald Vicker's 4-H Club.

Kent County 4-H Knitting members are busy finishing their projects for the Knitting Revue to be held April 2, 7:30 p.m. at Highlands Middle School, 4645 Chandy Dr., N.E.

The Revue is an opportunity for all the knitting members in the county to display what they have made and to start planning for their project next year.

The public is invited to attend the Knitting Revue and we are sure you will be pleasantly surprised at what the 4-H'ers in the county have accomplished.

The 4-H leaders who are in charge of this event are Mrs. Herman Sharphorn, chairman; Mrs. George Redman, Mrs. George Ellcey, Mrs. Henry Boorsma, Mrs. Lee Gillet, Mrs. Arden Helms, and Mrs. Bryan Percy.

Purposes Of Campfire Girls' Pow Wow Are Threefold

The annual Pow Wow of the Keewano Council of Camp Fire Girls will be held at Northeast Junior High School, 1400 Fuller, N.E., in Grand Rapids, Friday, March 29, from 5 to 9 p.m., and Saturday, March 30, from 10 a.m. to 4 p.m.

The purposes of the annual Pow Wow are threefold. First it provides a demonstration of the many activities shared by girls on the four levels of the Camp Fire program, in Blue Birds, Adventure groups, Discovery Clubs, and Horizon Clubs. Second, it raises funds for the land contract payments and capital improvements at the Council's resident camp, Camp Keewano, near Hesperia.

Third, it offers fun for children and adults in the form of carnival games-a cake walk, a fish pond, a spook house-and in a continuous program of skits,

songs, and dances

Several Lowell groups are planning to be present. Mrs. Clark Vredenburg's 5th grade Camp Fire Girls will be in a booth on Saturday morning, showing how to make a "stone bread"-lasting table decorations made from actual hard-baked loaves of bread. At one o'clock that afternoon the 4th graders in Mrs. James Wood's Camp Fire group will be presenting a dance in the entertainment room.

Parents and friends of all ages are invited to attend the Pow Wow. Tickets are available from members of the local groups or at the door; a donation of .50 cents provides admission and a chance at the many door prizes, for which drawings will be held throughout both days. Lunch and snacks will be available at all times
