

Bicycle Registration Saturday

The importance of why all bicycle owners should have their vehicles 'registered' will be one of the topics under discussion this Saturday, June 29, at a special bicycle registration program.

To be held in the quonset building at the Lowell 4-H Fairgrounds, starting at 9 a.m., the program is being sponsored by the Lowell Moose Civic Affairs Committee, under the chairmanship of Red Baker.

All bike riders, children as well as adults, are invited to register their bikes at this time. "This is vital," reveals Lowell Police Chief Barry Emmons "since the beginning of summer our department has been exceptionally busy investigating a record number of bicycle thefts. The majority of the bikes stolen have not been registered, making it almost impossible for us to make any headway in finding them."

"If a bike has been properly registered," Emmons explained, "we have something to go on, when we check out area units. If a bike is registered, and a new coat of paint is applied to the bike by the thief, it can be identified through the registration process."

"Saturday's program will see all bikes properly registered," commented Mr. Baker, "plus, we have secured a film on bicycle safety to be shown by participating officers of the Lowell Police Department."

After all bikes are registered, the movie is shown, comes the arrival of the famous "Moose Chuck Wagon." "There'll be hotdogs, chips and pop or coffee for all participants," Baker said. The food will be prepared and served by the Women of the Moose.

"Because of the importance of registration," Baker concluded, "we sincerely hope that all bike owners will join us this Saturday at 9 a.m. at the 4-H Fairgrounds."

Three-Year-Old Drowns In Backyard Pool

A three-year-old boy from Cedar Springs drowned last Thursday afternoon in a home swimming pool, where he had gone visiting with his grandmother.

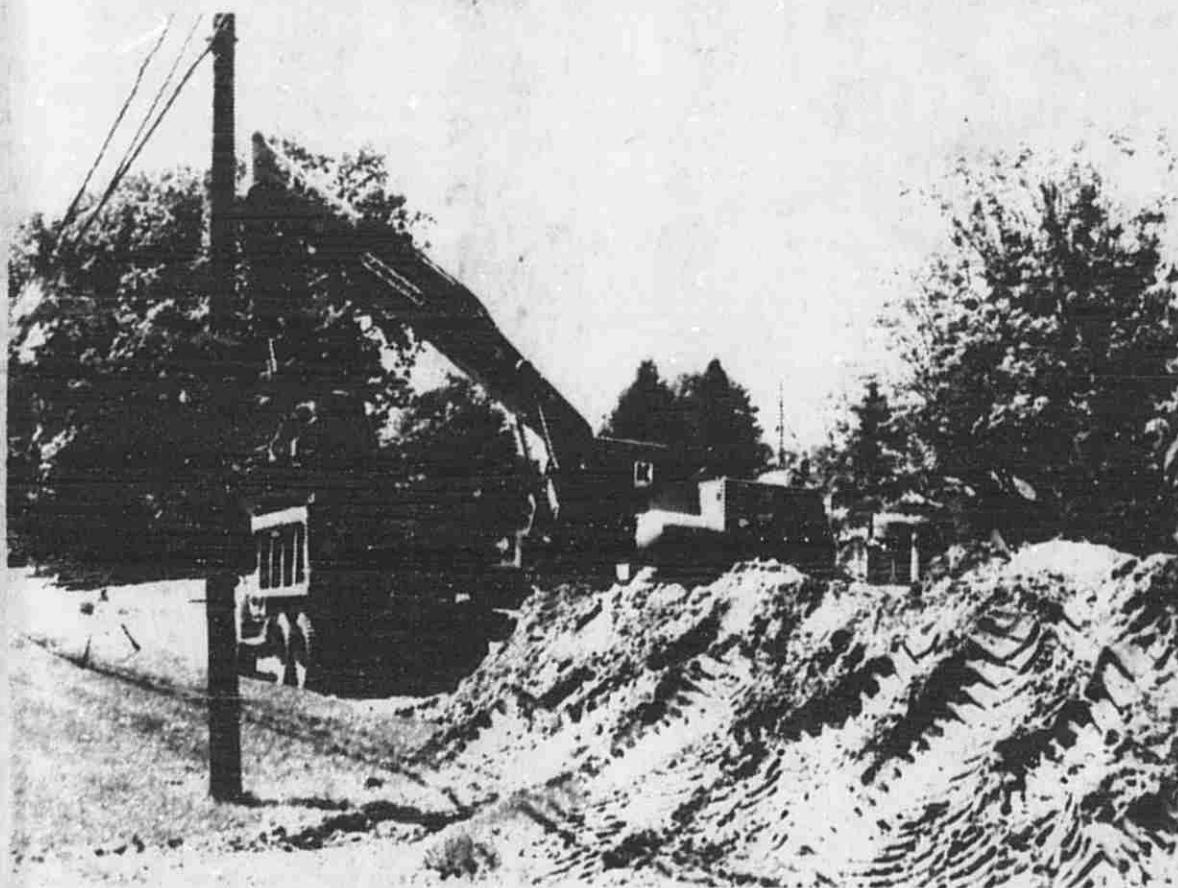

Joseph J. VanAlstine, jr., apparently fell into the backyard pool at the Danny Conrad residence at 3399 Alden Nash Road, S.E.

The youth had accompanied his grandmother, Mrs. Rachael VanAlstine of Lowell to the Conrad home. The adults were reportedly in the house when another child ran in and said the youth was in the pool.

Despite reviving efforts by Lowell Policemen, firemen and County deputies and ambulance crewmen, the boy was dead on arrival at Butterworth Hospital.

Funeral services were held Saturday at the Sullivan Funeral Home in Grand Rapids. Burial was made in Greenwood Cemetery in Sparta.

He is survived by his mother, Christine Ann, of Cedar Springs; his father, Joseph of Lowell; one sister, Angelina; one brother, Timothy; and a half sister; his grandparents, Mr. and Mrs. Frank Staskiewicz of Grand Rapids and Mr. and Mrs. Hubert VanAlstine of Lowell; and his great-grandparents, Mr. and Mrs. Clifford Rayburn of Lowell, and Mr. and Mrs. VanAlstine of Big Rapids.

Digging The Town Up...

As the dust rolls up and the heavy machinery roars, the residents of Alto are undergoing the same inconveniences Lowell did last summer. Workmen are in the process of installing a new sewer system for the townsfolk.

HEARING—A public hearing before the Lowell City Council will be held July 1, 8 p.m. on the request of James Barber to rezone a parcel of land on Alden Nash Avenue from AA-Agricultural-Residential to DI-Industrial.

CLOSED—The Lowell Automobile Dealers, beginning June 29, will be closed on Saturdays during the summer, until August 30.

BARE!—Caught last Tuesday at 11 p.m. were two male streakers, just off M-21 near the Valley Vista Trailer Park. Clad in ski masks and tennis shoes, the two were apprehended before making their "nude run." The 14-year-old streakers were turned over to their parents.

ARRESTED—Lowell officers received a call Sunday morning at 1:35 to a personal injury accident on Jefferson Street, which upon investigation led to the arrest of Steven Balcom, 23, of Oberley Drive, Lowell, after a citizen observed Balcom trying to stash drugs. A large quantity of marijuana and some capsules were confiscated from the immediate area and the subject's car. A warrant was issued Monday morning by the 63rd District Court against Balcom for possession.

RUNAWAYS—Two fifteen-year-old runaways from the Wedgewood Achers Youth Home in Grand Rapids were picked up Monday night by the Lowell Police, and returned to their point of departure.

TO REOPEN—The Valley Vista Inn on West Main Street has been remodeled and will be reopened June 29 under new management. Their new policy—"if our waitresses fail to give you a big smile, we'll pick up the tab."

AGAIN!—The fire whistle Monday afternoon took Lowell Firemen to the Attwood Plant on North Monroe Street, where it was found to be a false alarm.

Buy School Bus...

YMCA bus committee members Roger Roberts and Dean Collins were on hand last week to get the bus which the Y has purchased from Lowell Area Schools. Beginning July 1 the bus will be picking up youngsters for the YMCA Swim Classes from the South Lowell, Alto, and Eastgate areas. Youngsters in these areas may sign up for swim classes at the YMCA office, 323 W. Main, phone 897-7375.

Card Shower...

Iva Linton, formerly of Alto, will celebrate her 86th birthday this Thursday, June 30. Her friends are planning a card shower, as she would enjoy hearing from her friends. Cards and letters can be sent to Mrs. Linton at 204 South Jackson Street, Lowell.

City's Revenue Sharing Funds

Mayor Carlen E. Anderson announced last week that the City of Lowell plans to spend the expected \$48,579 in general revenue sharing funds allocated to it for the year beginning July 1, 1974, and ending June 30, 1975, on the following items and projects, Capital expenditures for multipurpose and general government.

Mayor Anderson stated that the effect of the revenue sharing funds on the budget of the City of Lowell would mean that some Capital improvement such as, additional municipal facilities, can be made without increasing local taxes.

A complete copy of the report that the City of Lowell is required to submit to the U.S. Treasury, Department's Office of Revenue Sharing about these plans appeared in the Lowell Ledger-Sub Life on June 20, 1974. Records documenting the plan are open for public inspection at the City Hall from 8 a.m. to 5 p.m. Monday through Friday. Public Notice and availability of revenue sharing expenditure plans is required by the State and Local Fiscal Assistance Act of 1972, which authorized revenue sharing.

Citizens or groups wishing to make their views known about the proposed expenditures should appear before the City Council or submit a written communication about their views to the attention of the City Clerk. City Council meetings are scheduled, by charter, on the first and third Mondays of each month in the Council Room at City Hall, 301 East Main Street, Lowell.

General Revenue Sharing is a \$30.2 billion, five-year program which returns a portion of federal taxes to state and local governments to decide how their jurisdiction's share of the funds are to be spent within broad federal guidelines. Thus far, the City of Lowell has received \$84,668 from this program.

William Stinson Dies When Fire Destroys House

Kent County Sheriff's deputies are investigating the cause of a fire Sunday that took the life of William Stinson, 18, of 4990 Abrahams Dr. NE, Big Crooked Lake, in Grattan Township.

Deputies said Stinson apparently was alone in the upper part of the house when the fire broke out about 9:30 p.m. Fire units from Cannon and Grattan townships responded to the alarm, but the house reportedly was consumed by flames.

Dr. James C. Humphrey, Kent County Medical Examiner, said Stinson's death was caused by burns.

He is survived by his mother, Lois J. Stinson of Lowell; his father, Kern Stinson; four sisters, Kim, Laurel, Gloria and Melissa; his grandmother, Mrs. Mabel Gane of Grand Rapids.

Services will be held at 1 p.m. Thursday at the Reyers North Valley Chapel with Reverend Eugene Slep officiating. Interment Chapel Hill Memorial Gardens.

Members of the family will be at the Chapel 7-9 p.m. Tuesday and Wednesday evening.

Landfill Option Taken In Cascade Township

The County of Kent has taken option on 140 acres for a major landfill site in Cascade Township, just east of the County's airport.

The site, if approved, will serve the southern metropolitan area, once the Kentwood landfill is full.

Of the 140 acres optioned, 80 are owned by Peter W. Wege and 60 by Dr. and Mrs. Robert Burton.

Finalizing Plans For Ada's Fourth

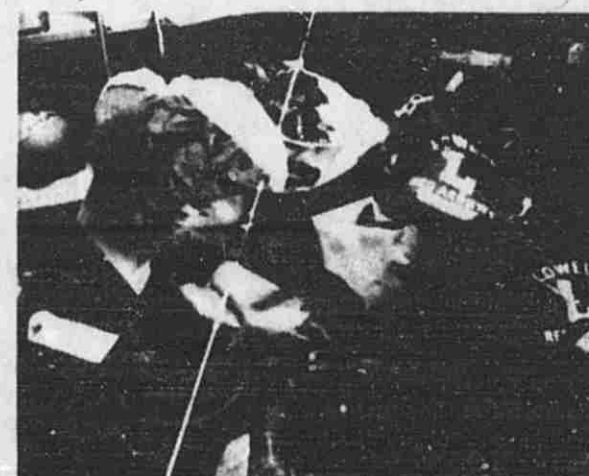

A bang-up celebration is being planned for the Fourth of July in Ada.

Starting off the day of "staying at home fun" will be a parade at noon. Finalization of plans and scheduling events will be made this week.

Currently, the committee-in-charge is working on setting up booths, and making arrangements for a penny scramble, three-legged races and a greased pig contest.

Also scheduled are several softball games and the annual water ball fight between the firemen of Ada and Cascade.

The finale, a gigantic fireworks display, will top off a fourth of July celebration offering something for everyone.

HODGE PODGE—Everything from a set of golf clubs to a fishing pole has been turned into the "lost and found" department at Lowell Senior High School.

The articles, mainly sporting equipment, may be identified and claimed by their rightful owners at the school.

Watch Out Weather, Here We Come...

The good citizens of the area are not doing their share in solving the present weather crisis.

For the past two to three weeks, the difference between rain and shine can be two or 10 minutes. It clouds up, but doesn't rain. It clears up and a few minutes later, along comes a cloud and a big splash. These things can be coordinated.

If it's cloudy, but refuses to come through with an honest to goodness rain, there are remedies that we in this area can use.

First, if the cloud just keeps sailing by without letting out a decent rain, at least 75 percent of the area's population should wash their cars. Another 15 percent of the area's population should wash their cars. Another 15 percent could water their lawns and the final 10 percent could head for the golf course. It should work every time. The theory can also be put to use in reverse.

If, after several days of substantial rains, the clouds threaten to break and go away, but don't quite do it, it's time for teamwork again.

Run out like a flash, and lug all the lawn furniture into the garage or basement. If, in the middle of grilling a steak, look up in the sky, grab the steak and head for the kitchen. And the clasher; promise the kids to take them out to dinner and a show because it's going to be too wet to work in the garden.

The strategy will work, but it'll take teamwork from everybody in the county. So, let's pull together, put our shoulders to the grindstone, heft that bale, etc., and we can lick this weather crisis.

ROSIE DRIVE INN—Special this Week: Chef's Salad, Ham or Turkey, 89¢. Family Nite, Tuesday, 4 p.m. to 8 p.m. only. Regular Hamburgers 30¢, Hippie Burgers 60¢. French Fries 25¢. Sunday morning specials. c-12

Coordinating plans for the July Fourth activities in Cascade are (seated, from left) Lee Patterson, Rev. Gaylord; standing, John Kwekel and Paul Slater.

Former Alto Couple Injured In Accident

Former Alto residents, Bernard Scheidt, 75, and his wife, Maudie, 65, now of Lake Odessa remain hospitalized at Blodgett Memorial Hospital with injuries suffered in a two-car mishap last week Tuesday. Scheidt sustained a fractured pelvis and internal injuries. His wife has fractured ribs and bruises caused by her seat belt. Both are reported in fair condition. Rockford State Police said the Scheidt auto, east bound on 18 Mile Road, near Pine Lake Avenue, collided with a southbound car driven by Maurice Fulkerson of Sparta about two o'clock in the afternoon.

Tuned-In Grand Funk's "Shinin' On"

When I first heard Grand Funk's "Loco-Motion" on the radio, I could've cried. The way they butchered up this old Carole King-Gerry Goffin tune is downright tragic.

I bought Grand Funk's new album, "Shin' On," to see if the entire LP was as bad as that one single, and found that "Loco-Motion" is probably the best song on the whole album. "Shin' On" is definitely the worst thing that Grand Funk has ever done.

I had bad thoughts about the album even before I listened to it. After having removed the outer cellophane wrapper, I found that the album jacket contained a pair of pop-out colored glasses. Cute. Then I found a multi-colored cheap cardboard poster of Farmer and friends inside. Another nice touch for the teenyboppers. But then I pulled out the album, and there, on the inner sleeve, was the ultimate rip-off—application for membership in the Grand Funk International Fan Club! The way these guys are using the young teen following they've developed to make themselves rich turned me off before I had even heard any of the new album's music.

I put the album on and realized that most of the music isn't so bad for those who love it. It's just not for me.

ably send some money to the fan club, and that this LP is basically a fan club promotion. The music on "Shin' On" is really disappointing, especially to me. When other critics denounced Grand Funk, I always defended them, naming the band as one of my favorites. But now I'm afraid that I must join the majority.

"Shin' On" was produced by Tood Rundgren, and he also plays guitar on one of the cuts. This is also disappointing; I never thought I'd see the day when Rundgren would be involved in a production of such monumental chicanery. I guess he's only in it for the money, too.

Recommended for Scott Joplin freaks: Marvin Hamlish's soundtrack from "The Sting," "Joplin Piano Rags" by Joshua Rifkin, and any of the "Max Morath Plays Scott Joplin" LPs.

Recommended for jazz and blues fans: "Yusef Lateef's Detroit," or, better yet, "The Blue Yusef Lateef," on which Lateef teams up with Blue Mitchell, John Mayall's part-time sax man.

Recommended for those who miss Jim Croce: "Another Day, Another Town," an early recording by Croce and his wife, Ingrid.

Recommended for the trash can: "Chicago VII." Don't waste your money.

WORLD'S LARGEST SUNDAY SCHOOL CONVENTION PLANNED

Cobo Hall in Detroit will become headquarters for three great days, November 7, 8, 9, 1974 when MASSA hosts the 29th Annual Mid-America Sunday School Convention.

OPEN LETTER from

DAVID GERST

Dear Friends,
The funeral is of the person who died, and for those who live on. It is important that the bereaved family not discourage relatives, friends and associates from showing their sympathy and offering comfort at this time. Freely given and freely received, such shared consolation is beneficial both to the bereaved and the visitor.

Respectfully,
David Gerst

Open House Ends School

An Open House for parents and friends and an Ice Cream Social concluded the Vacation Bible School of Saranac Community Church June 14. Focusing on the theme "God's People Must Choose," the youngsters joined enthusiastically in learning, worship, singing, Bible study, stories, games and crafts. Special features of the week were a presentation on children in the Philippines by Rosalyn Chadwick and daily messages by Rev. Edwin Mendenhall. Teachers and helpers included Nancy Benjamin, Shirley Brandt, Jodi White, Julie Kilde, Alice Mendenhall, Emily Taylor, Pam Denny, Joan MacDonald, Pat Zander. Tracy Butcher, Jean Chickering, Shirley Jackson, Teresa McCarty, Nancy Sandborn, Bea Welch, Carol Longwell, Connie Biggs and Bea McCarty.

Annual Appeal For 'Funds'

Chairman of the local Salvation Army service unit, Emerson McCarty, says the organization will be holding its annual appeal for funds in the Saranac area, June 19-July 6, 1974. Members of the service unit in Saranac are Emerson McCarty, Chairman; Harold Haskins, Vice-Chairman; Virgil Biggs, Treasurer; Fran Boren, Secretary. Salvation Army fights on many fronts around the world with weapons of concern and tireless energy to meet needs of the distressed. It offers rehabilitation for the alcoholic, the drug addict, the parolee, and other socially handicapped people. The Salvation Army's prison program includes religious and educational activities for the inmates. The Salvation Army is also recognized as a national disaster service organization. On-the-spot help is given by Army and volunteer workers who man canteens in case of fires, floods, tornadoes, or any other major disasters. In the recent disasters this spring, the Army coordinated with other agencies in distributing food, blankets, and clothing to disaster victims. Assistance was given to people who were trying to get in touch with relatives. Water purifying units were provided in areas where the water supply became contaminated. Donations may be sent to the treasurer Virgil Biggs made payable to The Salvation Army.

Volunteer Firemen Happy With New Equipment

Recently a new Howe Pumper and Tanker with 1,000-gallon capacity and 130 pound pressure was delivered to the local Fire House and has already been in use. The first call was to the Herman Page farm on Peck Lake Road where a large barn was afire. This brings the department to an efficient standard with the 1947 John Bean pumper purchased that year and another new John Bean tanker added in 1966. The Saranac firemen meet in their hall every Thursday evening and study and practice for emergency activities. Once each year they have a money-raising project to purchase smaller items for fire and emergency uses. A few years ago they purchased an old jeep and made it into a grass fire fighter. It proved invaluable for scouting fires in fields, wood lots, etc., where the larger pieces could not drive. It proved to be so often in use that they bought a Scout car and equipped it in 1969. The department serves the village of Saranac, and four townships, Boston, Berlin, Easton and Keene, who jointly purchased the latest addition—the big tanker. There are seventeen men who are regular attendants at the weekly Firemen's meetings and have taken instruction in Michigan State University Fire School and also have been instructed in First Aid, Resuscitation and heart attacks, being equipped with oxygen and other items especially useful in water accidents or heart attacks. The active members who attend most meetings are: Maynard Bartlett, fire chief; Andrew Hill, assistant chief; Fred Bowen, Dennis Bowen, Tom Bowen, Don Darby, Doug Ferguson, Dean Malnix, Ron Weeks, Paul Terrell, Bob Coulson, Dale Rhoades, Gordon Posehm, Jeff Meyers, Don Kauffman, Bernard DeHaan and Lynn Brooks. Mr. DeHaan is on duty at the Fire House eight hours a day. There are a few others who sometimes help when there is a call but are not regular attendants at firemen meetings. Saranac Firemen always help nearby towns in case of large fires whenever called to help.

SARANAC LOCALS

Someone broke out the front door glass, Saturday night of Linda Casey, 80, at her home. Clinton Wells and family, who now live in California, arrived in Saranac, Tuesday and called on many Saranac friends, then drove on to Belding to spend some time with relatives. Mr. and Mrs. Dale Johnson announce the engagement of their daughter, Yvonne Marie, to Shane D. Harrington. The wedding date is planned for July 27. He is the son of Mrs. Donald Parker. Ionia Hospital: Rose Blow, Norma George, Randall Casey, Kimberly Hauff, Amy Posehm, all surgery. Allen Trivewiler, medical. Discharge: Mrs. James, Lawrence Rhoades, Mathew Schraaben, Mrs. Kendall Harrington and baby, Rose Blow, Birth: Mr. and Mrs. Kendall Harrington. Belding Hospital: Phyllis Neman, surgery; James Keith, medical. Death: William Griffin, 74. Real Estate: Wes J. Fosburg to Hillis Tischer and wife, Robert Rigles and wife to Richard B. Gregory and wife. Marriage Applications: Donald W. Snider, 42, and Barbara A. Thomas, 49. Telling a husband she needed an outside interest—he bought her a new lawn mower. Traffic: James Earl Mulnix, 17, paid \$24 for failure to yield right of way; Raymond R. Waterman, 20, pleaded innocent of being drunk and disorderly; Larry Butcher, 44, paid \$7 for driving with unexpired license. Steve Wyman was a Sunday dinner guest of Mr. and Mrs. Dick Swiger and family. Guests of Mr. and Mrs. Muri Childs Saturday were Mrs. Donna Twining and three daughters. Mr. and Mrs. Glen Hatadis were Saturday evening guests. Mr. and Mrs. Dale Sprague were Sunday afternoon guests. Mrs. Ron Nead and family of Lowell were Wednesday dinner guests of Mr. and Mrs. Lee Cahoon. Saturday supper and evening guests of Mr. and Mrs. Ralph Wheaton were Mrs. James Rhoades, Lakewood Lake and Mrs. Bert Garrison. Mr. and Mrs. George Pardee of Lakeview were Sunday afternoon guests of Mr. and Mrs. Harold Seiler. Mr. and Mrs. Clayton Houseman were Sunday guests of Mr. and Mrs. Larry Houseman and family, Kentwood and all enjoyed a picnic dinner on the beach at Grand Haven. Betty Crocker coupons are needed for the Handicap school at Fortwick, Michigan for retarded and three other groups. May be sent to me or left at the Saranac Library. A man spends one half his life telling what he is going to do—then the other half explaining why he did not do it. Mr. and Mrs. Tony Galhorn spent the weekend at a cottage at Trufant Lake, Trufant. Mrs. Sandra Hancock and daughter and son of Highland, Mich. were weekend guests of her grandmother, Katherine Fesdal. Mr. and Mrs. James Hayden of Highland attended a reunion dinner at Bertha Brock Park, Ionia, then called on her mother, Katherine Fesdal, Sunday afternoon. Mrs. Rachel Diamond spent last week at her daughter's home, Mr. and Mrs. Marvin Evans at Greenville, Mr. and Mrs. J. D. Diamond of Denver, Colorado came and will spend 10 days there and Mr. and Mrs. Clare Diamond and Debbie of Kalamazoo, and all attended the wedding of Rachel's grandson, Richard, son of Mr. and Mrs. Claud Schneider of Reed City, Sunday all had a family reunion with Mr. and Mrs. Merv Evans. Bruce MacDonald broke his right shoulder, Saturday evening playing kick ball and was taken to Butterworth Hospital to have it set. Ralph Dodds (former Saranac resident) of Marion, Indiana, spent this last week, visiting friends and relatives. Mrs. Florence Bloom of Grand Rapids was a guest Sunday afternoon of Mr. and Mrs. Gene Cahoon. Mr. and Mrs. Earl Sattler and son, Timmy, and her mother, Mrs. Fern Garrison had dinner Sunday at the Steak House in Ionia. Fern's son, Mr. and Mrs. Ernest Garrison and their grandson, Jamie Chaggett of Geneva, Illinois spent five days with her. Funny how big a dollar looks—when you take it to church—and so small at a store. Mr. and Mrs. Ernest White visited her sister, Mr. and Mrs.

Small wonder America's No. 1 selling compacts come from Plymouth.

Plymouth Duster

Duster seats 5, not 4. Easy small-car parking and handling. Duster doesn't forget that it's a compact offering small-car maneuverability. It's big inside, but small outside. In '73 Plymouth took over the lead in compact car sales—and still is No. 1. With so much going for them, small wonder that America's No. 1 selling compacts come from Plymouth... and that's the way we mean to keep it. Come in and let us show you what we mean.

Duster—sticker-price less than VW Super Beetle, Datsun 510, and Mazda RX-3, and Mustang II. It's true! Plymouth Duster carries a lower sticker price than any other economy cars. But Duster offers a lot more. Read on! You'll see.

In recent USAC tests, Duster's Slant 6 got better gas mileage on the open road than the Nova and Maverick. And in city driving, even got slightly better mileage than the 4-cylinder Mustang II. The tests were sanctioned and results certified by the U.S. Auto Club. All of which proves that Duster's an economy car superstar.

FABULOUS FIGHTS Jack Dempsey knocked Gene Tunney down to the canvas for 14 seconds but still lost their championship fight in what has become known as the "Long Count" in Chicago, Sep. 9, 1927.

Housing Boom In Ada Area Continues

Continuing to remain far ahead of last year's record-setting pace for construction of new homes is Ada Township.

According to Building Inspector Fred Clancy, by the end of May, 1973, some 29 permits had been issued. This year, 61 housing permits have been applied for.

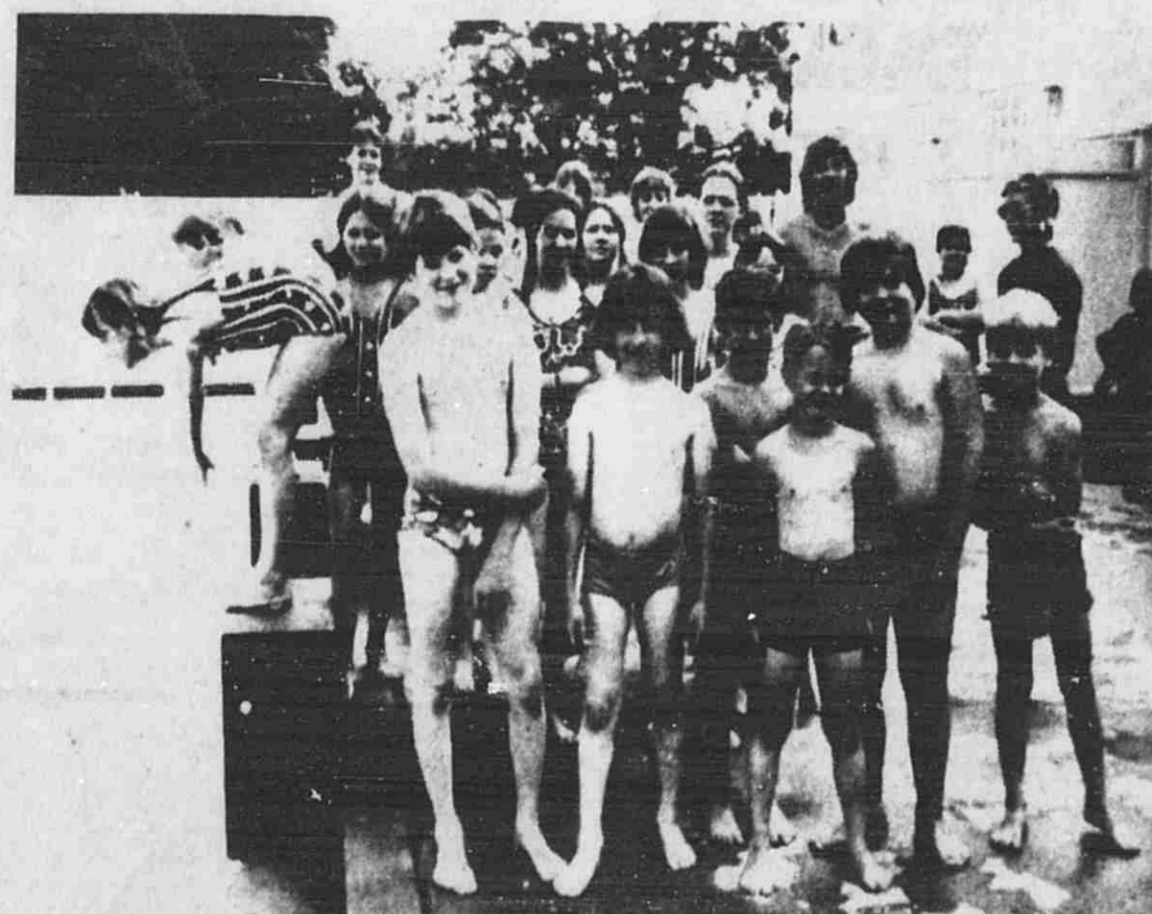

There were 17 residential buildings started in May for a total valuation of \$549,501. Two commercial firms totaled \$61,900, and miscellaneous small jobs amounted to \$19,800 for the month.

Letters to the Editor

Dear Editor,
I would like to aim my letter to the auto and its driver.

I live about three miles out of Lowell and own a bike. I ride for pleasure as well as transportation. I think some of the drivers forget that we have as much right on the roads as they do.

I tell a sad tale of a thoughtless driver. This stupid fool in his big blue Cadillac sneaked up behind me and tooted his horn. Startled, I turned the handlebars, but instead of going off the road I turned into the side of his car. I wasn't hurt and neither was my bike, but I can't say as much for his car.

I also would like to point out that it's against the law to do what the dummy in the blue 1972 Cadillac with the 8 inch scratch in its left side, did!!!

All I ask is that the drivers of these gas-hogs learn to share the roads with the fast growing minority of ecology-minded bicyclists.

Very respectfully yours
Mid-evil Knevel

Dear Editor:

In reference to your front page article about the Key Heights Trailer Park and sewage, I must say that I don't mind being quoted on my position, but to be quoted incorrectly is quite another matter.

First, let me say that I was not, and am not, against the sewage line. Anyone who has been using Cumberland Avenue over the past couple of years would probably prefer the sewer line to the stench of sewage in the ditches that we have been subjected to.

Secondly, I never referred to class of homes. What I did say was "I believe that Lowell and the Lowell area has provided enough low cost housing and if they (the board) continue to encourage growth of this kind, they will discourage higher cost housing."

I believe this does have a bearing on our tax situation.

I am not now, nor have I ever been of the opinion that cost and class were related.

Interpreting a direct quote can lead to giving a false impression of one's true feelings.

Beverly V. Spillane

Lakes High, But Fishable

Hang on folks, summer is here! Rivers remain high, fast and muddy due to the local monsoons. Lakes also are high but quite fishable. This is what the Michigan Department of Natural Resources has to say about the fishing scene this week.

PANFISH:
The best spot for panfish at the present is the bays at Grand Haven where excellent catches of bluegills are being taken. In Kent County we have Cranberry Lake, Wabasis Lake and Murray Lake where good catches of bluegills and specks are being taken. Montcalm County lakes suggested to try are Big White Fish and Derby.

PIKE AND BASS:
Best spots for pike and bass fishing are Bruce's and Potawatomi Bays at Grand Haven, Pigeon Lake at Port Sheldon, Muskegon Lake, Camp Lake and Wabasis Lake in Kent County. Big White Fish and Crystal Lakes in Montcalm County. The Grand River above Ada and the Flat River above Lowell are also producing good catches of bass. The Grand River for large mouth and the Flat for small mouth.

Favored baits for bass are night crawlers and for pike still fishing with live chubs. Some walleyes are also being taken on the Grand between Ada and Lowell. These fish are small in number but large in size.

TROUT:
Lake Michigan is still the best place for lake trout, steelhead and chinook salmon when water conditions permit going after them. Recent blows have moved these fish into deep water and scattered them, making them somewhat difficult to find. Good fishing is available throughout the district from Holland to Whitehall with the Muskegon area being the best. Inland trout fishing on the rivers is pretty much down for the summer, however, inland lakes planted with trout are doing fairly well. Best lakes to try are Half Moon in Muskegon County, Crockery in Ottawa County, Lime Lake in Kent County and Derby Lake and Nevins Lake in Montcalm County. Best method is still fishing with corn at night with a light. Avoid using creamed corn as it is very hard to keep on the hook.

ROUGH FISH:
Catfish are starting to bite well on the Grand River just above Grand Haven, Muskegon Lake and the Maple River in Ionia County. Best baits are crabs (the crayfish type), stink bait and gobs of chicken entrails.

OTHER INFORMATION:
Folks are reminded that park reservation applications must be mailed to the park a minimum of three weeks in advance. Anyone desiring dates around the holidays should apply well ahead of time. Forms are available at Lansing Parks Division office or any state park.

DOZEN UNDER PAR WINS
A five-man team turned in a torrid 59, a dozen under par, to win the five-man scramble golf event at Cascade Hills Country Club Saturday.

The winning combination was comprised of Randy Westover, J.P. Lacks, Dick Simkins, John Hagenbush and C.A. Barrett.

Despite Shut-Out Tactics, Lowell Beats Pewamo

A hard-fought contest in the Tri-County Baseball League, saw Lowell take a 3-2 win over Pewamo, June 16.

Lowell rode Stormzand's two-run homer in the second inning and some fine pitching from starter Hawley and reliever Lincoln to victory.

Getting two hits each for Lowell were Wurm and Lincoln. Lowell out-hit their opponents 8-5.

Pewamo wasted another fine pitching performance by A. Pohl who had nine strike-outs and shut-out Lowell the final seven innings.

Miss Delmar

High school senior girls, maintaining outstanding grades in book-keeping classes were the guests of honor at the Spring Banquet of the American Society of Women Accountants, Grand Rapids Chapter, June 18, at the Fintal Restaurant.

Among the graduates honored was Miss Mary Delmar of Lowell Senior High School. Guest speaker at the banquet was Donald Kline of Grand Valley State College.

The program also included ASWA's installation of officers. Seated on the society's Board of Directors was Miss Donna Jean Ford of Lowell.

Assigned For Duty With Defense Command

Airman Chris G. Wolfe, son of Mrs. Gail V. Wolfe, 250 Elizabeth Dean, Lowell, has graduated at Lackland Air Force Base, Texas, from the U.S. Air Force security policeman course conducted by the Air Training Command.

The airman, who was trained in security and law enforcement, is being assigned to Tyndall Air Force Base, Florida, for duty with a unit of the Aerospace Defense Command.

Airman Wolfe was graduated in 1974 from Lowell Senior High School. His father, Robert E. Wolfe, resides at 417 Michigan, Grand Rapids. His wife, Bonnie, is the daughter of Mr. and Mrs. Don Irwin, 10696 E. Fulton, Lowell.

Kathe's Kid Kollumn

Would you believe it's really summer? Not by the weather, but by the things to do in town for young people. There's boy's and girl's softball, swimming at the "Y," summer band, and, of course, you can always clean your room!

Our "Plays in the Park" program has been delayed by vacations—mostly our stars, Tonia Smith and Ann Rivers, who were on trips this past week.

Let us hear from you if you want to take part. Help is always needed.

And have a nice 4th of July.

A Refreshing Way... Could Save A Life

Kick boards are a new aid being used by the Lowell Area YMCA to teach youngsters to swim. Taking YMCA Swim Lessons is a refreshing way to cool off on a hot day—and could save your life. Sign up now for the next YMCA Swim Class to begin July 1-12.

Summer Karate Classes

YMCA Karate students Ron Packer and daughter, Lori, (front) and Dave Lichte and Mariene Stone (back) are among those taking the summer Karate classes, Tuesday and Thursdays, 7 to 8:30 p.m. at the old Junior High Gymnasium.

Farmers Will Need Good Records For '74 Census Report

Farmers and ranchers, get ready for the 1974 Census of Agriculture! Keep good records of your farming operations this year! This is the request of the Bureau of the Census, the Federal agency that will conduct the 20th nationwide Census of Agriculture during the first part of 1975. The Bureau is part of the U.S. Department of Commerce's Social and Economic Statistics Administration.

Farmers will receive their report forms by mail early in January. They should fill them out and mail them back promptly. Having accurate and detailed records will make it easy for farmers to do this. Questions will be much like those in the last previous agriculture census which covered farming and ranching during 1969.

Questions will ask for acreage of cropland harvested; quantity and market value of major crops produced; acres irrigated and means of irrigation; acreage treated with pesticides, lime and other chemicals; acreage fertilized by kind of fertilizer (dry, liquid, gas).

Questions on livestock and poultry will cover the number of each kind on the farm as well as the number sold and the sales value. Quantities and sales value of their products will be sought.

Details will be requested about farm products produced or marketed under contract. A few questions will be included about hired and contract labor, the number of workers and cash wages paid; also about any injuries to workers.

Further expenditure questions will cover amounts spent for feed, fertilizer, pesticides, lime, gasoline and other farm fuels, machine hire, and livestock and poultry purchases.

There will be questions about the various types and uses of land, such as cropland not harvested, other pasture and woodland, and about the value of land and buildings on the farm.

Operators will be asked about farm related income such as recreational services, custom work provided other farmers, or payments for participation in Government farm programs.

Two types of report forms are being prepared: one for farms with sales of \$2,500 or more, and another less detailed form for places with sales of less than \$2,500. No matter which form a farmer receives, he need answer only those questions that apply to his operation. He should skip questions that apply only to other types of agricultural operations.

By Federal law, every report is confidential. It may be seen only by sworn Census employees and may be used only for statistical purposes. The mail method reinforces confidentiality. It also allows the farmer to complete the report at his convenience with accurate information from his records.

Reintges Named Young Marine's State Director

Once each year the Marine Corps League Detachments of the State of Michigan vie for the honor of hosting the annual convention of the League. This year, the 34th annual state convention was hosted by the Cpl. Stanley L. Moore Detachment, Troy, Michigan.

At the new and beautiful Troy Hilton Motel some 500 members of the Marine Corps League met to transact business and to elect their officers for the ensuing year. The guest of honor at the convention was Colonel Richard J. O'Brien, National Senior Vice Commandant of the Marine Corps League.

One of the most anticipated moments of the convention comes when the Commandant announces the Committee's choice of the Marine of the Year and the Young Marine of the Year for the State of Michigan. These honors are the highest accolade the League presents and represents the esteem and appreciation felt by the Leaguers for their fellow Marine.

Grand Rapids was well represented at this convention as they felt their candidates would be in contention for these honors, and they were not disappointed. Marine Paul J. Gilmet was named Marine of the Year. State of Michigan and Young Marine Douglas Kotok took home the trophy for Young Marine of the Year, State of Michigan. Both will be entering into the national competition at the National Convention at Tucson, Arizona in August, 1974.

In addition to these honors for the Fred Cochran Detachment, Grand Rapids, Michigan, Marine Charles B. Reintges was appointed State Director of the Young Marines. In this position he will direct the activities of the six Young Marine programs in the State.

The Young Marines is a youth program sponsored by the Marine Corps League that is similar in structure to the Boy Scouts except that it places a great deal more emphasis on strict discipline, physical fitness and personal grooming. It is open to all boys from ages 8 to 18. New recruits will be accepted in September. Interested parties may call Marine Gilmet at 363-3431.

Playing Like Veterans

YMCA Girls' Softball is going great! Many of the girls who were beginners last year, when the program first began, are playing like veterans this year.

This picture was taken at the Lowell Sluggers vs. the Lowell Hitters game, June 20 at Richards Park. The game was won by the Sluggers, 17-16.

DEER-VEHICLE COLLISIONS

One of the little noted effects of the lower speed limits has been that the number and severity of vehicle collisions seem to have dwindled in recent months. However, conservationists fear that bans on antlerless deer hunting in many parts of the state soon will increase the chances of car-deer crashes throughout Michigan. In 1973, there were 3,558 deer killed in such collisions in the northern Lower Peninsula, a 39 percent increase over the previous year.

Farm Bureau To Build Egg Distribution Center In Cascade

A giant egg distribution and product research center to be built in Kent County's Cascade Township represents a long-range commitment by Farm Bureau Services to the egg industry of Michigan, and will make up part of an egg marketing system unique to the Midwest.

Egg Marketing Division Vice President Clyde Springer announces that Farm Bureau Services' Board of Directors has approved purchase of land and construction monies for the \$325,000 complex. It replaces an egg processing center in Jenison which burned to the ground last Christmas Eve. The company suffered total loss in that fire and has since struggled successfully to serve the state's egg demand through temporary rented facilities.

In departure from past practice, eggs will now be sorted, processed and packaged at the point of production, i.e., the farm, with the distribution center acting as an assembly and shipping point. "This unique set-up gives us the opportunity to do just what we should be doing," says Springer, "and that is getting the product to market. There are sound reasons for doing things this way; they center around improving rural economics and delivering better service to the consumer.

"Processing which takes place at the producer level means more jobs on egg-producing farms, more money going to the rural areas. And that is one of our goals as a farmer-owned and farmer-oriented cooperative. Producers' management skills and investments are also utilized to the maximum, and distribution is moved closer to the point of production for the best and quickest service to the consuming public.

"This facility will serve to heighten West Michigan's already longstanding reputation as the 'egg basket' of the state. The area claims one third of the egg production in Michigan, which is totally worth some 40 million dollars a year to the state's farmers and farm employees. We expect to distribute about 15 million dozen eggs per year from the Cascade Township building.

Having this huge distribution center to move eggs from producer to market also means the consumer is served with a second step in quality control. Through our own efforts and those of the farmer, all under USDA supervision, the public is buying better and fresher eggs than ever before. Even with the tremendous volume demanded by the consumer, eggs are being bought in stores today fresher than ever before; in many cases, they are shipped out the same day they arrive from the producer.

"The research center for egg products which will be developed with the distribution center will enable us to continue to offer institutions and the consuming public finer and more wholesome egg products."

The facility is expected to be in operation by September 1. Groundbreaking ceremonies are scheduled for Friday, June 28 at 10:30 a.m. Farm Bureau Services Executive Vice President Don Armstrong will be among the officials present to answer questions of news media representatives about the new building or the egg industry. Invited guests include representatives of Michigan State University's Agriculture Department.

Elton Smith, President of both Michigan Farm Bureau and Farm Bureau Services and himself a Kent County farmer, will officially break ground with a farm tractor and plow.

The building is to be constructed in Kraft Commons, a light industrial park located one mile south of 28th Street and I-96 outside the city of Grand Rapids. The structure will cover 15,000 square feet on a 2½ acre lot.

The park is developed by the Foremost Real Estate Company of Grand Rapids. Company Vice President David Sweigart called the new egg distribution center "an attraction to the area and a great asset to the park. The architectural styling sets the trend for the rest of the park."

The building was designed by the firm of Aivars Linde of Grand Rapids, Michigan.

New Marketing Director

The appointment of Ronald E. Wiggerman as Director of Marketing of Attwood Corporation has been announced by Donald Rocheleau, President and General Manager of the Lowell based firm.

In his new duties Wiggerman will have overall responsibility for both the marine sales department and the new product engineering group. The combining of these two departments is intended to help increase the number of new products planned for introduction to the marine and recreational markets.

Prior to joining Attwood in 1973, Wiggerman held the position of Director of Engineering of Jervis Corporation and Engineering Manager of Evans Products, both Grand Rapids based firms.
