Law Requires Vision Testing For Enrollees

Parents of children stasting school next September are reminded that state law requires vision testing of these children before entering school.

County Health Director, Dr. W. B. Prothro, said the law requires that vision screening tests be given by a li-censed medical or osteopathic physician, a licensed op-tometrist, or a certified vision technician of the Health

Dr. Prothro said it is expected that most of the children will be examined by their physician or optometrist at the time of the preschool physical examination. The law also requires immunization against diphtheria, tet-anus, whooping cough, measles, rubella and polio. A tuberculin skin test is also required.

Dr. Prothro said one of the more serious defects found by the vision testing program is the "lazy eye" which leads to one-eye blindness, found in two or three children out of every 100.

As the child grows older, the weak eye becomes weaker and sight ultimately is lost. If this condition is discovered when the child is young, blindness in the weak eye can be prevented.

Eye tests are especially important in young children because eyes change rapidly with growth, Dr. Prothro

Preschool vision testing is now being done at the Health Department, at 1619 Walker, N.W., and will continue until Labor Day. Hours for the test are from 8:30 a.m. to 11:30 a.m. and 1 p.m. to 4:30 p.m. daily. Appointments may be made by calling 456-3444.

Enthusiasm, Determination Spell "Success"

"The Key Heights Kids" is a newly formed 4-H Club at Key Heights Trailer Park in Lowell. The fourteen member group is raising a vegetable garden with the help of three volunteer adult loaders and a teen leader.

Acting as advisors for the group are Leona Condon and Rose Mary McCaul, nutrition aides for the Michigan State University (Kent County) Cooperative Extension Service. They have helped to organize the group, prepare the land for planting and have assisted in the planting of seeds and vegetable seedlings. However, Mrs. Condon feels that the greatest factor in the success of the Key Heights Garden is the enthusiasm and determination of the 4-H kids and their leaders.

Disaster Payments For Low Yields

Producers with a low wheat yield caused by natural disasters, such as winter kill, hail, flood, disease, insects, etc., may be eligible for disaster payment if the yield is less than two-thirds of the established yield for the farm according to Robert Zeeb, Chairman of the Michigan State Agricultural Stabilization and Conserva-

Zeeb urges all wheat producers who believe they are eligible for disaster payment to file a request with their local county ASCS office. Producers must report their total production by submitting sales slips, warehouse receipts, or if the grain is stored on the farm, the county office will inspect and measure the bins. Zeeb further points out that exceeding this year's wheat allotment does not disqualify a producer from receiving a disaster payment. There is no substitution between wheat and feed grain this year, so an allotment in one crop may be exceeded if the allotment in other crops is underplanted. If a producer should suffer crop damage to the extent that his production is zero, then the field will be inspected and payments determined

On October 8, 1974 members of the engineering firm and a diver made an inspection of the structure with headwater at near full head. Extensive leakage was noted which indicates failure due to piping. Piping is the voids in the fill which allows water to flow thru the dam, rather than to be impervious. The conclusion of the engineers was that the dam should not be operated near full head until the piping condition is correct-

Several options were given and ranged from doing nothing only leaving the gates open to building a new structure for a cost of \$670,000. The final decision was made to do nothing to the repair of the structure at this time. This will leave a reduced pond in the area, but will still provide for fishing and recreation. Washington Report, biweekly newsletter of the Chamber of Commerce of the United States, comments: "The only problem is that with more people getting something for nothing, the Federal Government will have to increase the supply of money, leading to more inflation as less people engage in productive enterprise and more dollars chase fewer goods."

A Chamber economist estimated at least 72.5 million persons receive some sort of pay or benefits from tax dollars, including 5.1 million Federal civilian and military employees.

'Pep-ers' Play Tough Games

The Pep-ers, scheduled to play Demink's Nursery June 17, were rained out, but on June 20 they play ed Coral Gables at North Ottawa, and it proved to be a very bad night for the Lowell gals.

It was a high scoring game, but the team could not hold Coral Gables down. Delores Peckham, sponsored by Fairchild Oil Co., and Karen Gehringer, Lowell Bakery, both hit homeruns, but still the Pepers went down to defeat 23-12. On June 24th the Pep-ers played the Thunderbirds

at Indian Mounds, for a tough nine innings. The Thunderbirds held the Pep-ers down to one run until the 8th inning when the Thunderbird's pitcher walked five players which gave Lowell four more runs. Before the Pep-ers could score the two runs they needed to win, the Thunderbirds got a double play. Pep-ers' pitcher, Sarah Bowles, sponsored by Myer's Beauty Shop, played an outstanding game. She scored

two runs and got five put-outs. Final score 6-5.
Then, on June 27, the Pep-ers played Pete Brown's office at North Ottawa. This was a close game. Bobbie Beckett, sponsored by Ray's Pioneer Barber Shop, hit a homerun in the 7th inning; Pep-ers were defeat-An invitation was extended to the Lowell team

o participate in the West Michigan Women's Slow-Pitch Invitational Tournament in Kalamazoo June 28 and 29. Pep-ers played Muskegon Station Lounge at 11 a.m. for the first game. Station Lounge was Muskegon's City Champs last year. Pep-ers played a very good game against them and won 5-2. Then at 2 p.m. the Pep-ers played Lansing's Art's Bar. Both teams were suffering from the high temper-

atures that day. Pep-ers couldn'd hold their opponents down and lost 20-2. At 4:30 p.m. that same day Pep-ers played the Michael D's from Kalamazoo. Pep-ers really played

well in this game. Terry Smith, sponsored by Arnie's Standard Service, pitched and hit well this game. She scored two runs and had six put-outs. Marie Straubel, sponsored by Schneider Electric, scored three runs and Cheryl Murphy, sponsored by Show boat Restaurant, scored two runs. Pep-ers won 18-2.

Lowell Ledger-Suburban Life, July 10, 1975

Pep-ers then played Demink's Nursery at 7:30 p.m. The whole Pep-ers' team tried very hard to hold Demink's down but couldn't do it. Pep-ers lost 8-0 and that put them out of the tournament.

Pep-ers admit they were totally exhausted. Manager Terry Smith said that she was proud the team did so well. She said this was the first time the team has ever played four games in one day. The team finished

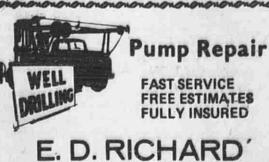

in 7th place out of 16 teams. On July 1 Pep-ers played their regular league game against Coral Gables. This game was a very good one. There were two homeruns hit and one triple by the Pep-ers. The game was called because of time limitation: Pep-ers lost 5 to 11.

In the Showboat ticket booth, located on East Main Street, this year are the same familiar faces-Ed Kiel and his gals, Barb Curtis, Jean McCambridge, Dee Doyle, Bev Anderson and Carol Raymor-plus two new faces, Orville Jackson and Jo Ritzema.

Transportation of tickets to the Showboat outlets in Battle Creek, Kalamazoo and Grand Rapids, doubled with the duty of making collections is being handled this year by Bob Courser.

The Lowell Area Chamber of Commerce, according to Showboat officials, are playing a big part this year in the organizational format for the first annual Showboat Art Show, scheduled for July 21 through 26, the same week as the minstrel show under the stars.

A lot of stamp licking has been done by Shirley Smith and Dode Dey at That "Special" Place on West Main Street, as they have mailed out, thus far, over 4,000 Showboat brochures, heralding the summer celebration of

the Lowell Showboat. Aiding in the operation was Bev Hall who kept the stapler in fine working order, with a steady thump.

Stevie Roth has had a busy winter . . . making her volunteer work for the Showboat almost a year-round effort. This past winter saw her revamping and bringing the Showboat mailing list upto-date.

Lippert's Pharmacy on East Main Street has had a Showboat telephone extension in their store since May, which sure has helped with ticket booth sales, especially for the Boots Randolph

Selling tickets over the wire were Nancie, Sue, Deb, and Marion, all sales gals, whose vol-untary help has boosted Showboat in helping to pay for the new amphi-theatre.

From the Showboat Corporation comes a big 'thanks" to those who have helped so far.

The Showboat Ticket office is now open daily. Anyone wishing to secure additional information regarding the forthcoming show and September Circus are urged to call 897-

A profit of \$3,000 was realized from the June 20 Boots Randolph show. The Showboat Board of Directors and managers would like to thank everyone who helped make the first show of the summer festival a huge success.

Unable to make their scheduled appearance with Boots Randolph on June 20 was the William Family of the famed Hee Haw show on television. A last minute replacement on the program was the

Chicken Man, Clayton Shaw, who literally stole the show, as he did when he appeared once before on the Showboat stage.

Lowell Day, 1975, will be this Saturday, July 12, starting off with a pancake breakfast at 7 a.m. In the evening, the Showboat's annual search for 12 amateur acts to appear in this year's production will be held on the amphitheatre stage.

Throughout the day, there will be an art fair, food booths, bingo games, a flea market, a canoe race, ox-roast, etc.

On June 25, a busload of Lowell boys and girls toured the Burger Chef Restaurant in Grand Rapids. As a climax to their visit, each

child got to put his own hamburger on the grill.

Urge all of your friends and relatives to come to the activities planned for the entire family.
