Letter To The Editor

"Walking Never Hurt Anyone," But Old-Timer Advocates School Buses

To the Editor:

Oldtimers used to predict the auto and the tractor would be the ruin of our country.

We read about the death toll on the highways every day and of Uncle Sam's big surplus headache for which the tractor in part is to blame.

Better than forty years ago it was not unusual to walk from Ada or Cascade to Grand Rapids in 2½ hours. We've walked it many times!

One hobby we recall was counting the amazingly high number of automobile, coming and going nearly 100 in our 2½-hour walk into town—going past at the terrific speed of as high as forty miles an hour, leaving us in a cloud of dust so as to remark, "It's hardly safe to walk on the highways any more!"

Forest Hills Wins All-Star Game

July 4th, Lion's Field, the All-Stars of the Forest Hills Summer Baseball League, and the All-Stars of the Kelloggville Pony League, a beautiful day added up to a great time for all (except maybe Kelloggville.)

Kelloggville jumped off to a 1 run lead off starter Bif Freeman in the first inning. However, this lead was short lived as Phil Rupp hit a letter high fast ball over the center field fence after Randy Ashley and Bernie VanderBerg walked and Chuck Reintjes beat out an infield single to load the bases.

In the third inning Kelloggville's Rabidau tied the score with a homer after they had scored two in the second on two doubles and a walk. Neither team scored in the fourth.

In the fifth Kelloggville took the lead 4 to 3 off reliever Ron Horstmann. They added another in the sixth on 3 hits. Tim Moore came on to pitch in the 7th and shut out Kelloggville the rest of the way. Tom Poll hit a pinch single with 2 men on in the 7th to tie the score at 6 all.

In the 8th Forest Hills put the game on ice by scoring 3 runs on 3 hits. The key blow was a bases loaded double by Rupp.

Kelloggville, 6 runs, 9 hits, 1 error; and Forest Hills, 9 runs, 9 hits, and 1 error.

4-H's Tally Year's Work On Dairy Projects

Raising dairy cattle and demonstrating the use of dairy products in meals are popular 4-H Club projects. Hundreds of girls and boys throughout the state, in checking project results, are probably asking themselves the question a prize-winning dairy-maid asked herself.

"Where would I be today if I had not had the opportunity to join 4-H?" According to the youths' own stories, they learn good health habits, accept responsibility and work with others. And they usually profit from their efforts.

The dairy project is open to boys and girls who have one dairy animal or an established herd. Many young dairy members started with a single heifer, and in 10 years or less built a valuable herd.

Of the 134,000 club members in 50 states enrolled in a dairy animal project today, about a third are girls. This ratio held among the six national dairy scholarship winners last year.

Cows Cooperate

The 4-H'ers not only learn how to care for dairy animals, but also adopt proven scientific methods of feeding, milking, marketing and breeding.

Showing and judging cattle are exciting aspects of the dairy program, according to the members. Extension dairy specialists, dairy industry personnel and volunteer club leaders help the young people acquire knowledge and skills that will enable them to continue a modern dairy operation.

Seeing Leads to Eating

This year an estimated 200,000 club members from Maine to California are participating in

the dairy foods demonstration program.

The "know-how, show-how" project is a favorite of the younger teenagers. Sometimes the girls pair off and work up a team demonstration. Others develop a solo demonstration. Audiences range from a few club members, groups of adults, to television viewers.

Rewards Vary

Among favorite recipes are frosty milk drinks, cottage cheese salads, cakes, sandwich spreads, snacks and party fare. The recipes are double-barreled, youthful meal planners point out, because they are packed with nutrition and good eating.

Cascade Wranglers Free Horse Show

Amateur Night Saturday 73 Amateur Acts Compete For Chance To Appear With Showboat Professionals

Saturday, July 14, has been set as the date of the annual Lowell Showboat Talent Night this year. Dr. H. R. Mueller, chairman of the event, announced this week.

Provision is being made to seat 6,000 spectators at the contest, which will begin promptly at 7 p. m. at the Showboat dock in Lowell.

A amateur entertainers from throughout the state come to Lowell to compete in the event for one of the six amateur spots on the Lowell Showboat, scheduled to steam down the river this year from July 23 through July 28.

Preliminary auditions for the annual talent contest will be held in the afternoon of July 14 at the Runciman Elementary School.

Of the total number of acts auditioning, approximately 35 will be selected by the amateur night committee to appear in the evening contest, during which judges from entertainment media will name the six winning acts.

Each winner is then slated to appear with the professional entertainers before Showboat audiences during one of the six big nights of the world-famed minstrel show.

Admission to the amateur contest has been set at 60c a person, with all children under 12 admitted free if accompanied by their parents.

Judges for the event will be disc-jockey Skip Bell of WGRD, Ed Kemp of WOOD, and Tom Lewis of WKLF-FM.

73 Acts Appear

As of Tuesday morning, 73 amateur acts had made application to appear in the preliminary auditions Saturday afternoon. The list of acts reads like a vaudeville showcard, with everything from magic acts to imitations of Minnie Pearl slated to appear before the judges.

Performing mystifying feats of magic will be Gil Scott of Grand Rapids, while comedy routines will be provided by Dick Ramon of Battle Creek; the Razzoog Rasars, a family of comedy dancers from Grand Rapids; Mrs. Virgil Roundtree of Muir; Battle Creek's John Hagan; Maren Peterson of Mt. Pleasant; and Lowell's own "Casketeers," a teen-age comedy

Dancers Galore Audition

Many of the contestants in the afternoon auditions will put on their dancin' shoes, with the list being headed by a long string of tap dancers which includes Debra Barnes of Grand Ledge, Michael Holden of Battle Creek, Kathy Gerald of Hastings, Barbara Barnhill and Robert Boughtner of Charlotte, Penny Antcliff of Ionia, Joe Spedowski of Big Rapids, Judy Wilson of Wyoming, and duets composed of Joan Wernette and Sharon Eggerding and Gail Yakes and Janice Fuller, all of Grand Rapids.

Larger dance groups are "The 4-H Sisters and Their Twisting Misterys" from Battle Creek, Muir's "Starlets," "The Blondell Dancers" from Allen Park, "Teenage Rhythm Kicks" from Grand Rapids, and Reed City's "Jaydettes."

Charleston routines will be presented by Vickie Sue Thrush of Alma, Gayle Tatroe and Don Beers of Battle Creek, Lynne Moorman of Grand Rapids, and Connie Tomson of Sparta.

Song and dance numbers will be presented by sisters Cheryl and Maureen Mason of Grand Rapids, Dolores and Rosalyn Ruiz of Alma, Sue Ann Sundin of Benton Harbor, and Gary and Shelley Gramer of Mt. Morris.

Other dancers are Debra Sealice of Grand Rapids and Donna Gabel of Reed City, who will do a novelty ballet as a penguin.

Plenty of Singers, Too

Vocalists include Bill Hart of Cannonsburg, Erika Fiebich of Grand Rapids, Richard Winkler of Lake Odessa, Thelma Stout (who accompanies herself on tape) of Ionia, country music singer Jerry Shassberger of Grand Rapids, Dan Aller, also of Grand Rapids, and Judy Kay Graul of Saranac.

Many singing groups have also signed up to appear before the contest judges, including Judy Posthumus (a former Showboat Queen), who will sing a duet with Maria Retzlaff of Grand Rapids; "The Footnotes" from Lansing; "The Squires" from Grand Rapids; "The Shoup Family Septette" of Custer; "The Swagmen" of St. Johns; "The Rambeaux", a Rockford barbershop quartet which entertained at the Showboat kickoff meeting; "The Jesters" of Belding; "The Stardusters," a quartet made up of Candy Roth, Sharon Jones, Pat Mullen and Susan Doyle of Lowell; "The LaSalles" from Grand Rapids; Fred and Marilyn Diamond of Lansing; and the three Byrne Sisters, Zeta, Bess and Rose, of Ada.

Instrumentalists

Musicians performing solos will be pianist Nancy Shaw of Edmore and accordianists Darlene Raz and Joe Cerva, both of Battle Creek, and Buck Vandermeer of Comstock Park. A young man with a trumpet will be Dennis Platte of Grand Rapids.

Elizabeth and Vincent Hogan of Carson City will perform a piano duet, and "The Three Gabriels" of Holland will enter a cornet trio. In the combo category will appear "The Minors" of Alma, "The Beveridges" of Gowen, "David Foerch and His Blue Water Combo" from Ovid, the Battle Creek "Jets," and "Jim Glenn and His Band" and "Swingin' Swede and His Scandinavians," both from Grand Rapids.

Mrs. Wayne Brott of Baldwin will perform modern jazz to the tune of "Up a Lazy River," while a modern jazz dance will be presented by Pamela Briggs and Rosanne Wawee, both of Grand Rapids.

Silver Stars Twirl In Parade; Wear New Outfits

Bonnie DeLaat's Silver Stars made an outstanding appearance in Ada's 4th of July parade; decked out in their new white feathers and Indian attire.

Local people applauded the timey exhibition and picturesque routine of those professionally trained young people whose quality of performance has won outstanding recognition.

Parks Program Making Progress

Recreationists will discover some big changes when they wheel into their favorite state parks this summer. Since last fall, some \$1.3 million worth of new construction projects have been contracted under Michigan's parks permit-bonding program. Most of these are already underway and many more capital improvements are scheduled to start shortly as a result of a recent \$2 million bond sale. At some parks, projects have been completed and will be open for business during the 1962 season. The bulk of contracted improvements, however, will not be ready for use until 1963. This summer's busy schedule of work is going to produce some inconveniences in parks; the same sort of things you might expect if your own home were being remodeled. Progress is being made, however, to provide better facilities and more elbow room for the years ahead. Nearly \$850,000 has been spent to acquire key park lands under the permit-bonding program.

Letter To The Editor Urges Yes Vote on Extra Millage

To the Editor

For some time now I have been reading the letters to the editor concerning the millage vote for the Forest Hills District. I can no longer read all the misleading facts without writing a letter myself.

On Thursday, June 28, a letter written by Raoul F. Loranger intimated that there was a swimming pool among other luxuries in our school system. I called Mr. Loranger and asked him where the swimming pool was located, and he said he was referring to the city of Grand Rapids which has pools such as the YWCA and YMCA etc. What has this to do with our vote? As most of you know, there is no a swimming pool in the Forest Hills District.

Niel Weathers Heads Forest Hills Board

Niel Weathers was elected president of the Forest Hills Board of Education last week at the organization meeting. Jack Baines was continued in the office of secretary of the board and James Banta was elected treasurer. The Board voted to continue the same monthly meeting time, the third Tuesday of each month at 8 p. m. in the administration building.

Baton Twirling Classes

Baton Twirling classes in this area got off to a good start on Tuesday, June 19. There is still time to join these classes. Have a professional teacher, you, and learn the right way.

Beginners classes and classes on fire baton, flag baton, fancy strutting, military, two baton duets, or try out for one of the Corps. These are all taught by U. S. T. A. registered teachers, Bonnie DeLaat and Jeana Bos.

Call GL 6-3086 or OR 6-3551 if you are interested in joining the class.

To Sell Eleven School Buses

Niel Weathers, newly elected President of Forest Hills School Board, announces the Board's decision to sell eleven school buses on a sealed bid basis.

The buses to be sold are, naturally, the oldest or in poorest condition although all of them have been in use during the past school year.

The decision to sell the buses was made by the Board as a result of the failure of the millage votes, held on April 10 and again on June 11, necessitating a drastic reduction in the transportation program of the school system.

It is planned to operate about 16 regular buses next year.

Individuals interested in bidding on the buses may secure information at the Superintendent's office at 4368 Heather Lane, phone GL 9-0165. Also, see ad on Want Ad page.

Cougars Take Over First Place In Baseball League

At the mid-season mark in the Forest Hills Summer Baseball League, the Cougars are alone in the first place, with the Braves just one game out. The Lancers, R. D. Brooks and Ada Oil Co. follow in that order.

Tuesday, July 3, the Cougars managed to brake a 4-4 deadlock in the 5th on a home run by Tim Moore and went on to win 8 to 5 over the 1961 Champions, Ada Oil Company. Moore was the pitcher for the Cougars and got credit for the win. Mike DeVol pitched for the losers.

Extra base hits: the homer by Moore, doubles by Dennie Roe, Phil Rupp, Jerry Osmolinski and Dave Drake for the Cougars. For Ada Oil Co., Mike Coale, John Jackson and Mike DeVol all had 2-base hits.

Cougars, 8 runs, 11 hits, 2 errors; and Ada Oil Company, 5 runs, 6 hits and 7 errors.

Rupp Pitches No-Hitter

Phil Rupp of the Cougars pitched the first no-hitter of the season last Thursday against the Braves. He would have had a shut-out except for a call from the crowd that was mistaken for an umpire's call; and while he was calmly tucking in his shirt, Jim Parrish, who had walked earlier, trotted in from third with the Braves only run. Tim Williams pitched the entire game for the Braves and gave up only 4 hits, all singles.

Braves, 1 run, 0 hits, 1 error; and Cougars, 3 runs, 4 hits, and 1 error.

Braves 8—Lancers 3

Tuesday, the Braves sent 3 pitchers to the mound to stop the Lancers. Tim Williams started his first game since earlier in the season when he cracked a bone in his hand. He went 3 innings and Bif Freeman took over and pitched three. Tom Poll came on in the 7th to save the win for Freeman.

Greg Blocher started and took the loss for the Lancers. Extra base hits, Lancers, a triple by Blocher; and Braves, a double by Parrish.

Lancers, 3 runs, 3 hits, 6 errors; and Braves, 8 runs, 9 hits, and 8 errors.

Lancers Win

Friday, the Lancers downed the R. D. Brooks, Forest Hills Land Company team by the score of 9 to 8. John Jensen started for the Lancers and was relieved by Ron Horstmannshof, who got credit for the win.

Fred Bentley started for R. D. Brooks, Mike Frey came on later and was the losing pitcher. The only extra base hit of the game was a double by George Haas for the R. D. Brooks.

Lancers, 9 runs, 6 hits, 4 errors; and R. D. Brooks, 8 runs, 6 hits, and 3 errors.

Brooks Down Ada Oil

The only game so far this season to be rained out was Monday's contest between R. D. Brooks Forest Hills Land Company and the Ada Oil Company teams. This was played in the cool of the morning on Saturday.

Bernie VanderBerg pitched all the way for the Brooks to pick up the win. He helped his own cause by slamming a line drive over the right field fence for a 2-run homer.

Tommy Sysma pitched for Ada Oil and was tabbed with the loss. He gave up 8 runs on only 5 hits while his team mates committed 7 errors. The only extra base hit of the game was the home run by VanderBerg.

R. D. Brooks, 8 runs, 5 hits, 1 error; and Ada Oil Company, 1 run, 2 hits, and 7 errors.

Vander Laan Seeks State Senate Post

Paris Township Supervisor Robert Vander Laan last week announced himself as a candidate for nomination for State Senator in the 17th District by filing his petitions with County Clerk Jack Bronkema.

Although this is the first time he has sought state elective office, Vander Laan is no newcomer to politics, having served Paris Township as a member of the Library Board, then successively as Trustee, Clerk, and Supervisor.

A graduate of Grand Rapids Christian High School and Calvin College with a Masters Degree in Political Science from the University of Michigan, Vander Laan taught at South Christian High School for seven years before holding full-time office in his Community.

Vander Laan is a lifelong Republican having served as a delegate to both County and state conventions. He recently resigned as Chairman of Region VI in order to run for the Senate.

Mrs. A. Thomas Dies On July 5

The sympathy of the community is extended to Mr. Thomas.

Speaking to his supporters and campaign workers, Bob Vander Laan, candidate for State Senator from the 17th District, outlined the major problems facing the State of Michigan and the Republican party.

Vander Laan told his audience that if the Republican party is to maintain its position as a major party it must have a positive program and offer highly qualified candidates to the voters.

Vander Laan also stated that the major problems facing Michigan were a lack of economic growth and financial irresponsibility. The candidate promised that, if elected, he would wage a vigorous battle against waste and duplication and work for complete fiscal reform, while constantly opposing any increase in tax burden upon the taxpayer.

Patricia King Becomes Bride Of Roger Rowland

Cascade Christian Church was the setting for the wedding of Miss Patricia Anne King and Roger Allen Rowland Saturday afternoon at 4:30 p. m. Rev. Raymond Gaylord officiated at the ceremony.

Miss Karen Snyder, organist, played the traditional wedding music and accompanied Mrs. Milton Heaven, soloist.

The bride is the daughter of Mr. and Mrs. Wilfred D. King, 7368 Cascade Rd. S.E. Mr. and Mrs. John Rowland, 4360 Whitneyville Rd. S.E. are the parents of the bridegroom.

Escorted to the altar by her father, the new Mrs. Rowland wore a floor-length gown of tulle and lace. The scalloped Sabrina neckline, edged in pearls and sequins, graced the bodice of Chantilly lace with a lace continuing into the skirt which dipped low in front and in the back of the gown. Three tiers of nylon tulle were accented with scallops of Chantilly lace along the edges. A Contessa crown of pearlized orange blossoms held her fingertip-length veil of nylon illusion. She carried a cascade bouquet of yellow roses.

Mrs. Harry J. Barker was matron of honor and the bridesmaids were Miss Diane Walquist, Miss Connie Lockhart of Ashton and Miss Sue Holcomb of Jackson. The attendants' gowns were of soft lilac colored organza, street-length, styled with bouffant skirts feathering butterfly bows. They wore matching headpieces of velvet and flowers, and their bouquets were of yellow roses.

Harry J. Barker was best man and seating the guests were Richard and Joseph Stepek, brothers of the bride and Harold Richardson.

At the reception held in Fellowship Hall following the ceremony, Mr. and Mrs. Warren Rowland were master and mistress of ceremonies.

The couple will make their home at 823 Royal Oak St. after a two-week wedding trip to Maine and New York.

"Mistaken"

It was the night of the Fourth of July, the fire works were over. What a traffic jam on Cascade Road. As usual people were in a hurry. Then someone got a bright idea: they would take a short cut down Wendell Street. Car after car followed, how sad; it was a dead end street. Dozens of cars made the same mistake. How foolish they looked as they came back, causing an even greater traffic jam. But only a little time and gas were lost. It is much more serious to make that mistake in life. How many are trying to take a short cut through life, the easy way. How tragic when it is a dead end. Jesus says, "There is only one narrow way to Heaven: faith in Him, which shows itself in loving service to Him." Any other way is the dead end of Hell. Get on the right way now, before it is too late.

Letter to Editor

"I see by the papers", as the old saying goes we will have a third election to try and raise four mills for school operation for Forest Hills School on Aug. 6.
 Now there should be a law to prohibit these repeat elections and have not more than one election a year to raise money for school requirements. These repeat elections cost the taxpayers money and time and create an antagonistic atmosphere which is not good in any community. In these previous elections you tried for six and one half mills and now you are trying for four mills which you claim will balance your school budget. This difference seems fishy again I say a non-taxpayer should not have the right to vote to raise money for school operation. If they do not want the responsibility of owning a place of their own they should not vote on the tax question. This is getting to be too much of a one way street for us taxpayers who are trying to hold the taxes in line for us to meet them.
 We all must learn to run our affairs according to our income and that's why we cannot pay any more taxes.

Glorious Fourth In Cascade Area

Cascade's 4th of July celebration got off to a good start with its parade from the Cascade Christian Reformed Church to the village. The parade was led by the American Legion carrying the flags, followed by the Emergency Truck, bicycles and tricycles, dogs, floats, little cars, Little Leaguers, horses and riders and the fire department trucks.

Judges in the parade were Mr. and Mrs. Art Stroll and Mrs. John Kwekel. Ribbons were presented by Mrs. Earl Bentley, chairman of the parade awards.
 Blue ribbons were won by Ricky Gellow and Jonette DeKam on their bikes; Barry Knooihuizen and Janet Moore on their horses in the Desparado's and Wrangler's horse clubs and Rick Hortsmanshof on his horse. The Liberty Bell float by Allan and Doug Burlingame won a blue ribbon; Kim Cartmill with his goat won in the animal category; Rudy Klein with his tractor and dog trailer won; as did Kimmy and Denny Meyers in their old fashioned dress. All participants won red ribbons.

Seven canoes participated in the canoe race with Tom and Terry VanHeyningen placing first; Boyd Kooistra and Dave Atkinson, second and Tom Nurnberger and John Gurney third. Other participants were Chuck Dykhuizen and Wayne Dowling, Ted Vanderveen and Bill Romane, Sy, Dykhouse and Chuck DeMinch and Jim Scripps and Tim Baker.

Following the canoes were twenty four decorated river rafts and boats.
 The water ball fight between the Cascade and Ada firemen was again a lot of fun and they were pretty evenly matched. The kids had a lot of fun when they tried it out.

In the evening there was a fine display of fireworks set off by the Fire Department, with music for street dancing following, and the drawing for the prizes.

Troop 290 Holds Court of Honor; Knoop, Carew Named as Eagle Scouts

Two boys from Ada Boy Scout Troop No. 290 received their coveted Eagle Scout badges at a "court of honor," staged by the troop at their new camp on Thornapple River Drive, on Saturday, June 30.

In the same ceremony the new camp, built partly by the 34 boys of the troop, was formally dedicated, with Robert Wagner of Ada, owner of the land, giving the troop official permission to use the site for camping purposes.

Mr. Wagner has been instrumental in helping to develop the area, which now includes a bunk house, capable of sleeping 21 boys. Provisions are being made to provide space for 15 more Scouts.

First Eagles in 15 Years
 Richard Freudenberg, Boy Scout District Executive, was present at the court of honor to install Harry Knoop and Thomas Carew as the first Eagle Scouts in Troop 290 since 1947.

Among those watching the ceremony were the parents of the new Eagle Scouts, Mr. and Mrs. Jacob Knoop, 9305 Conservation Rd., Ada, and Mr. and Mrs. Donald Carew, 5504 Ada Drive, S. E.

The first to achieve the rank, Harry M. Knoop, 15, started his scouting career as a Cub and then moved on into the Scouts, where he has been assistant patrol leader, patrol leader, senior patrol leader, quartermaster, and, most recently, assistant Scout Master.

When he finished his Eagle requirements in April, Harry had made a small electric motor, built a two-band radio, and designed a go-cart as a few of his

projects, Scoutmaster Robert Hanes reported.

Harry is a tenth-grade student at Lowell High School, where his activities have included J-V football, baseball, wrestling, and band.

Tom Carew
 Troop 290's other new Eagle Scout, Tom Carew, 14, has participated in scouting activities for 6½ years. For 3 years Tom belonged to Cub Pack 3290 at Ada School, where his father was Cub Master. At that time young Carew served as an assistant denner and a denner. Tom next moved on to the Scouts, where he held the offices of den chief, assistant patrol leader, patrol leader, senior patrol leader, and currently junior assistant Scout Master. He was also sent to Camp Ottawa for special training for leaders.

A tenth-grader at Forest Hills High School, Tom is a member of Park Congregational Church in Grand Rapids.

Other Awards
 In the same ceremony, which followed a family potluck dinner at the camp grounds, other awards and promotions were made to members of Troop 290.

A Star Scout rating was awarded to Rick Wilson, while Timothy Johnson and Dennis Kohlbeck achieved the Second Class rating. Tenderfoot rank was bestowed on Mike DeVol and Jerry Straus. Merit Badges were awarded to Harry Knoop, Dan Olmstead and Rick Wilson. Dan Olmstead also received a 3rd Year Pin.

Second Year Pins were given to Jerry Brian, Fritz Dygert, Timothy Geitzen, Pat Hanes, Charles Reintges, Tom Seidman, and Scott

Weaver.
 First Year Pins were earned by John Free, Jeff Horsman, John Olmstead, Brian Reintges, Bob Vezino, Joe Wall, and Rick Wilson.

The Paris Grange will meet at the hall on Friday, July 13, at 8 p. m. for their regular bi-monthly meeting.
