To Give Farewell Sermon Sunday

The Rev. Collins D. Weeber will conclude his six and one-half year pastorate in the Eastmont Reformed Church of Grand Rapids on Sunday, February 24. He has accepted a call to become the pastor of the Palm Springs Community Reformed Church of Palm Springs, Florida.

At the time the congregation, newly organized, was worshipping in the Martin School on Cascade Road, S. E. During his pastorate, the present church building and parsonage were erected on the property at 4623 Ada Drive, S. E., at the corner of Forest Hills Avenue. In this time, approximately one hundred members were added to the congregation.

Mr. Weeber, with his wife, Shirley and daughter, Nancy Ruth, 19 months, will move to their new resident in Florida on March 4.

F-H Rangers Win Two Games

The Forest Hills Rangers enjoyed the biggest week in their basketball history last week by winning two games over Lowell and Kelloggsville.

Tuesday night the Rangers defeated Lowell 70-62 behind the 23 point scoring output by Jim Jackson. The game was close until the last minute when driving lay-ups by Jackson and Conners put the game on ice for the Rangers.

Friday night the Rangers scored their first basketball victory over Kelloggsville with a 63-52 victory. The game was a tense, highly competitive game throughout but superior rebounding by Jim Perrin and sharp shooting by Jim Jackson brought the Rangers home victories.

Jackson led the Rangers with 18 points. Perrin, Jones, Ray and Conners added 10 points each.

Travel to Wyoming

The Forest Hills Rangers, riding a two game winning streak, wil travel to Wyoming Park Friday night to play the Vikings, who are in third place in the O-K league. The Reserve game will start at 7 p. m.

The Rangers are greatly improved with the addition of 6 ft. 3 in. Jim Perrin who missed the first half of the season with a knee injury. The Rangers are expected to give the Vikings plenty of trouble.

A JINGLE

They feared, give four
And no more.
I thought it untrue.
Didn't you?

And now the first ace.
Move decimal one place.
O miracle four
Is two score.

Think liquor the main issue?
Thin tissue!
Cascade lost its vote.
"By the People" now remote.

In four years at best,
They'll slice up the rest.
How much is two score?
Much, much more.

Don't misunderstand;
Its grand to expand
By pattern and realism—
Not nihilism!

Now take my advice.
Avoid the big slice.
Why not annex G. R.
To Cascade?

Girl Scouts To Register In March

This year all local Girl Scouts, girls as well as adults, will register for the next year in the month of March. This will be no change for the Troops which originally started at that time; however any troops which were formed in other months paid only partial dues at the time of their last registration and so will be registering now for the full year.

Yearly dues are $1.00 as usual, and should be paid to the Troop Leader no later than March 1. This money is sent into National Girl Scout Headquarters to help keep the Scouting program active in this country and to provide equipment and supplies needed in the local councils.

Junior High Basketball Games Are Scheduled

This year's seventh and eighth grade basketball teams are being coached by Mr. Balcolm. A great deal of work has gone into the production of new young basketball stars and the main thanks goes to coach Balcolm. Coaching both teams is confusing, but improvement is prevailent.

Both teams have practiced four weeks with the 7th graders on Monday and Wednesday, and 8th graders on Tuesday and Thursdays. A good turn out of boys and great enthusiasm are hopeful marks for good later Ranger teams.

The seventh grade team has their first game on March 1 against Kentwood. The eighth graders have planned on entering the tournaments at Kelloggsville on March 4. We hope that there will be a good student audience for both games.

Republicans And Democrats Support New Constitution

Two former Con Con delegates, a Republican and a Democrat are authors of an article supporting adoption of the proposed new Michigan constitution in the current issue of the Michigan State Bar Journal.

The bipartisan summary of the new document is written by John E. McCauley, Wyandotte attorney, and Eugene G. Wanger, Lansing lawyer.

McCauley was a Democratic delegate representing Wayne county's 18th district at the Constitutional Convention. He is chairman of the Wayne county board of supervisors. Wanger is a Republican and was elected to represent Ingham county's 1st district at Con Con.

"Taken as a whole and judged by any nonpartisan standard, the proposed new Michigan constitution is a great improvement. It deserves your support at the polls April 1," the article begins.

Continuing, lawyers McCauley an Wanger write: "It contains literally scores of major new provisions, the majority of which were supported by both political parties at the convention, which could never be amended into the present constitution by legally cumbersome politically uncertain, time-consuming and costly process currently required."

Important changes in each of the 12 article of the proposed constitution are discussed by the attorneys with the comment that "most informed citizens will find the vast majority of them to be better, in most instances immensely better, than our present basic law."

With respect to the controversial issue of apportionment, McCauley and Wanger say:

"The new provisions will produce a legislature far more representative of population than at present and contain machinery virtually guaranteeing that both houses will be redistricted promptly every 10 years to reflect population changes. At the same time effective representation for people in sparsely populated localities is retained."

Among the improvements noted in the new document by the two delegates are:

1. Broad and flexible provisions for strengthening county, city, village and township government.
2. Executive branch reorganization to consolidate the more than 120 executive agencies into not more than 20 principal departments.
3. Increasing the terms of the governor and other elective state officials to four years; and joint election of the governor and lieutenant governor as nominees of the same political party.
4. More adequate, equitable and flexible state financing.
5. Increasing the independence of the judiciary by permitting elected incumbent judges to nominate themselves for re-election.
6. Establishment with 5 years of a court of limited jurisdiction to replace justices of the peace and circuit court commissioners; elimination of the fee system as compensation for judges.
7. Better coordination and planning for public education in the state.

In their concluding paragraph the attorneys write: "We think that the new constitution will be adopted April 1 because of the votes of Democrats and independents, as well as Republicans, who having judged the two documents on a nonpartisan basis recognize that Michigan's future will be better under the new constitution.

World Day of Prayer Services On March 1

Ada - Cascade - Eastmont area women will join with women of the United States and 150 other areas on six continents in the 77th World Day of Prayer on Friday, March 1.

The local observance will be held at Cascade Christian Church at 1:30 p. m., under the sponsorship of the Christian Women's Fellowship. Mrs. John Hamer and Mrs. Roger Wykes are co-chairmen of the event. Mrs. Ralph Fosner is president of the fellowship.

Women of all nearby churches have been invited to attend. The service is open to all who wish to be a part of this world-wide prayer union.

A nursery will be provided.

The local service is the outgrowth of an idea of Mrs. Glenn Marvin. Formerly, area women had attended the county-wide service in Grand Rapids. But with the great post-World War II increase in population, Mrs. Marvin felt the area could support a service of its own. The first such a service was held at Cascade Christian Church.

Since then, attendance has grown yearly. Women of Ada Congregational Church were invited to participate, and they in turn became responsible for World Community Day services in November.

This year, invitations were sent to eight area churches. Eventual hope is the joining of all churches in sponsoring these events annually.

Collins PTA Schedule Card Party February 26

The rooms at the Cascade School will buzz with excitement Saturday, March 2nd. There will be a peppermint twist contest, cookie walk, workshop for tots, white elephants for sale, make believe 1st aid, games, surprises, refreshments and home-made goodies. Mr. Jim from Animal Kingdom will present his real live animal show for the young and those who think young.

There will be a room full of hobbies, crafts and actual displays of talents by our own local artists and hobbyists. Watch for a complete schedule of events as they will occur throughout the day.

Rockets Fall To Defeat By Rangers

On Friday, February 15, the Forest Hills Rangers stretched their winning streak to two, as they defeated the Kelloggsville Rockets 63-52 on the Rangers home floor.

The win was the fourth in thirteen starts for the Rangers, yet only the second conference win, to hold them in last place with a two and eight conference record. They are tied in the OK Conference with Lee High School.

The Ranger's second league victory came on good balanced team work, as Jim Jackson hit for 18 points, with Clarence Stiles, Jim Perrin and junior Kent Fisher each adding 10, as Perrin lead the team in rebounds.

Jeff Schalk of Kelloggsville lead both teams with 23 points, 16 of these being obtained in the second half.

The Rangers Reserves suffered defeat Friday, February 15, at the hands of Kelloggsville, 52-40.

Rangers stars include Steve Johnson, who lead with 9 points, followed by Mike McCormick, Greg Johnson, and Dick Flynn with 8 points apiece.

Win Poster Contest; Carnival Friday

The Ada School poster contest was highly successful. The students in the 4th, 5th and 6th grades were invited to make posters, advertising the Ada School Carnival, to be held next Friday, February 22. Although this was an extra-curricular activity and most of the work was not even done in school, about 60 posters were entered. All posters were then taken into Grand Rapids to the Jaqua Advertising Company where the complete art department gathered to judge the work. Each grade was judged separately and a first, second and third place ribbon given in each. In addition, the Ada PTA presented the first place winners in each room with a silver dollar. The judges said that they not only enjoyed seeing the posters, but were amazed at the originality shown by a number of children in the use of materials, colors and general lay-out. The three first place winners were, left to right, Susie Kruer, Gerry Boomers, and Jamie Baker.

Every poster entered has been placed on display somewhere in Ada, Cascade or Eastmont. The nine winners' posters are being placed in the various schools in the Forest Hills system.

The nine winners were: Fourth grade—first place, Jamie Baker, daughter of Mr. and Mrs. Deane Baker, Buttrick Avenue; second place, Sarah Seidman, daughter of Mr. and Mrs. L. William Seidman, Buttrick Avenue; and third place, Wayne VanArtsen, son of Mr. and Mrs. Don VanArtsen, Pineland Drive.

Fifth grade, first place—Susie Kruer, second place, Jack Kruer, children of Mr. and Mrs. Robert Kruer, Ada Drive; and third place, Wendy Wallace, daughter of Mr. and Mrs. David Wallace, Buttrick Avenue.

Sixth grade—first place, Gerritt Boomers, jr., son of Mr. and Mrs. Gerritt Boomers, sr., Bronson Avenue; second place, Sally Bier, daughter of Mr. and Mrs. Ray Bier, Grand River Drive; and third place, Tom Dygert, son of Mr. and Mrs. Fred Dygert, Buttrick Avenue.

Carnival Is Friday

Excitement is running high around Ada School because Carnival time is here. Friday night at 6 p. m., the doors open and the fun begins.

There will be ample parking space behind the school and an attendant on duty all evening. In the school building, it may seem like mad confusion, but there will be underlying order. Tickets will be sold in the front hall to be used throughout the building. They will be 10 cents each, or 3 for 25 cents.

In the cafeteria, food and drink will be on sale. Many people plan to have their evening meal at the carnival. The menu will include hot dogs, barbeques, tuna sandwiches, potato chips, doughnuts, ice cream, pop and coffee.

Throughout the building in the various classrooms, activities will be taking place, such as the traditional cake walk, fish pond, and make-up booths.

Two Big Features

The two big feature events of the evening will be the Magic Show by that master of ledgerdermain, Danny Wallace and his assistant, Tom Seidman, and the opportunity to meet "Uncle Johnny" of Channel 13, WZZM-TV. The Magic Show will take place in one of the classrooms and the first performance will be around 7 p. m.

Each performance will be announced on the public address system, but patrons are urged to go early as this show is eagerly awaitted and should be a sell-out.

There is no charge to meet and talk with Uncle Johnny. He will be located in the gym near the stage. Bring autograph books if you like. Children and adults alike will enjoy meeting this gentleman.

Hats On Sale

Funny hats will be sold and a new innovation for smaller children is the room called Small Fry Fun. This will have miniature versions of the skill games which all visitors to carnivals like to try. The full-scale games will be held in the gym in the booths to be built by the sixth graders. These will also be manned by the sixth graders and in cases by older brothers and sisters. Among the games will be darts, golf, bowling and basketball. Incidentally, if you don't behave, you may end up in the jail. If you would like to know what the future holds, you may consult the gypsy fortune teller; and for laughs and balloons, see the clown.

Door Prizes Offered

Near the end of the evening, the drawings for the door prizes and the $100 stereo-phonograph will take place on the stage in the gym. Uncle Johnny will acts as Master of Ceremonies. The drawing time will be announced over the public address system, purchased with the proceeds of last year's carnival.

Some people like to go home earlier, and it will not be necessary to be present to win; however, a good crowd, generally remains for the thrill of the possibility of going home with one or more prizes. Tickets will be on sale all evening or may be purchased in advance from students or by calling Mrs. Tom Johnson, OR 6-1169.

As the P. T. A. has not asked for door-prizes donations from the merchants this year, parents have been sending in trading stamps to purchase these prizes. However, if any individual or business firm would care to donate, please call Mrs. Don VanArtsen at 676-3457.

Senior Faculty Team Victor

On Friday, February 15, the senior high faculty defeated the junior high faculty in the Forest Hills gym during the 5th hour assembly. Both junior and senior high students enjoyed the game and are looking forward to another.

The senior faculty proved their seniority by holding a large half time lead 25 to 11. Then playing very easily both the 3rd and 4th quarters, they defeated the junior high faculty 38-28. Bob Dangl paced the victors with 15 points followed by Mr. VanderLaan and Mr. Wardrop with 6 points apiece.

High scorer for the losers was Mr. Northuis with 10.

Future Homemakers

A brief program was presented at the Wednesday meeting of the Future Homemakers on how to make smocked pillows. Past and future projects were discussed. The members decided that they would sell meat and dessert cookbooks for a money making project. The meeting was closed early and refreshments were then served.

Freshmen Win Over Kelloggsville

On Friday, February 15, our freshmen basketball team won their 5th game of the year defeating the Kelloggsville Rockets in the Forest Hills gym. The Rangers have posted the best record in basketball in our school's history, and plan to improve on this.

Kelloggsville lead at half time 20-17, but then the Rangers turned the tide of the game and won 41-31. Good rebounding and scoring by Tom Poll and Mike Jason with 13 points apiece, aided the victors.

The game's high scorer was the Rocket's Lewis with 15 points, but this feat did not aid the losers. Let us all come out and support this team and help lead them on to victory.

On Tuesday, February 12th, our young freshmen basketball team defeated the Byron Center Bulldogs in the Forest Hills gym. The Rangers trailed at half 21-17, but then started to click in the second half, allowing their opponents only 7 points. At the end of the 3rd quarter the Rangers lead 33-23 and then increased their margin to a 43-28 triumph. Balanced scoring aided the Rangers: Tim Williams 9, Bob Conners 11, and Tom Poll 14 points. High scorer for the losers was DeBoer with 13 points.

— Weekly Nature Notes —

by Edith Jarvi

Since the weather has warmed a little and the days are longer, the variety of tracks seen in the snow has increased.

All winter the rabbits have been beating paths to their favorite food shrubs, and the squirrels have been out on mild and quiet sunny days, their tracks lacing the snow from tree to tree. Deer-mouse tracks are seen around brush piles, and occasionally a tiny shrew track following them.

Foxes, dogs, and cats are on the move all winter, too. Their tracks are similar, except the fox and cat tend to make a single line and a dog a double line trial.

The coon is now beginning his annual late winter wondering, urged on by the instinct to mate, even though some nights are still bitterly cold.

Soon skunks will start to move about, and not too much later the snow will be gone.

Birds also make tracks in the snow, small ones by Juncos, Tree Sparrows, and Gold Finches. These are usually found near seed-topped weed stalks. Ducks and gulls leave tracks on the ice near open water. Signs of pheasants are found in brushy areas, corn fields, and orchards, while grouse tracts occur in wooded areas.

Some of the strangest marks on the snow are made when leaves or light twigs are tossed about by the wind.

Taken all together, tracks are fascinating and tell many stories about your wild neighbors.

To Tell The Truth

We once talked about George Washington as the man who did not tell a lie. Boys and girls were urged to follow his fine example. Since then, some have taken pride in showing that Washington also told a few fibs. They are no doubt correct. But it is sad that in showing the failures of great men, some have tried to find an excuse for our failures and sins. Today many tell the truth only when it is convenient, and feel lies and distortions are a natural part of life. How we need people today who believe in the old fashion truth of God's Word which tells us: "speak the truth in love." How thankful we are that God's Word always speaks the truth.

Rangers Defeat Red Arrows 70-62

The Forest Hills Rangers Tuesday, February 12, secured their best basketball record in history by defeating Lowell 70-62 in a non-league contest in the Ranger's gym.

The victory was the third in twelve starts for the Ranger varsity, and their 70 points set a school record.

The game see-sawed back and forth all the way, with a 16-all tie at the end of the 1st period. Lowell took the lead at intermission, 33-31, and continued it into the fourth quarter, 48-47.

Finally the Rangers pulled into the lead and there, they remained, until the final gun, to win 70-62.

Jim Jackson paced the winners with 23 points (and a large share of rebounds). Lowell's Bob Elzinga followed with 19, as Forest Hill's Jim Conners added 14.

CASCADE TROOP 334

Troop 34 held their Court of Honor on Monday, February 18, at 7:30 p. m. in the Fellowship Hall of Cascade Christian Church. Gerald Gurney received his Eagle Award, and Tom Nurnberger and John Gurney received Bronze Palms. These awards were presented by Dick Freudenberg, District Scout Executive. A film on the National Jamboree of 1957, which was held at Gettysburg, Pa., was shown.

* * *

On Monday, February 11, the Troop went to an ice rescue demonstration at Reeds Lake, which was put on by the firemen and the Civil Defense. Skin divers went into the water and acted as victims. The Scouts were then shown the various methods of rescue.

* * *

On Saturday, February 16, the Grand Valley Council Klondike Derby was held at Townsend Park with the Flying Eagle Patrol of Troop 334 participating. The Scouts in this patrol were Gerald Gurney, James Gurney, James DuVall, Douglas Dykhouse, Jeff Wilcox, Gary Crum, Ralph Crosby and Joe Smith, Dick Forrester, J. Gurney, and Tom Nurnberger accompanied the patrol.

William Nurnberger acted as judge in a tent pitching contest at the City of Frozen Fish.

FOREST HILLS TROOP 284

On Tuesday evening, February 19th, Forest Hills Boy Scout Troop 284 held their first Court of Honor in 1963. The scouts receiving the Tenderfoot rank were Randy Lockhart, Bob Bunda, Gary Carpenter and Mark Wynant. The scout advancing from Tenderfoot to Second Class was Chip Hoff. The scouts advancing from Second to First Class were Ryan Ashley, Clark Mahlebashian and Dave Rigo. The scout advancing from Life Scout to Eagle was Jim Groening. Scouts receiving merit badges were Chuck Cribley, Citizenship in Home; William Bowie, Nature and Forestry; Jim Groening, Finger Printing, Citizenship in the Nation.

Scouts receiving service pins were: One year— Chip Hoff, Clark Mahlebashian, Dave Rigo, Dean Lanham, Kai Sorensen, Rex Ogden and Steve Cribley.

Scouts receiving two year pins were: Ryan Ashley, Jim Lantz, Dick Lantz, and Darryl Larson. Scouts receiving three year pins were Randy Ashley, William Bowie, Charles Cribley, Jim Groening and Tom Mittner.

February is the month for the charter renewal of Troop 284. 1957 was the first charter year. While between two and three hundred boys have been in Troop 284 at one time or another, none of the original boys in the troop are still registered. However, one of these boys, Jay Mittner, is president of the local Explorer Post 2284. Some of the boys that were in the troop are attending college and most former and current scouts are attending Forest Hills High School.

In view of the fact that most members, as well as past members, do attend Forest Hills High School, the troop name was changed from Martin to Forest Hills two years ago. Of the original committeemen that helped to activate the troop and were on the 1957 charter, two are still active and registered. These two are Charles Worden, Secretary and Treasurer, and Joseph Mittner, Committee Chairman. Mr. Edward Groening, at whose home the first meeting was held, to found the troop, is now South Kent District Advancement Chairman and still quite active and very helpful in Troop 284 activities. The other committeeen serving are Ed Bunda, institutional representative, Dr. Stanley Larson, Samuel Ervine, Oscar Hoff, Keith Clinton, Albert Mahlebashian, and Gordon Grant. James Ashley will be the scoutmaster as of February 19; and Carl Lanham, former scoutmaster, will assume duties of assistant scoutmaster and serve as advancement adviser.

Mr. and Mrs. Ashley have been quite active in community and scout activities. Jim Ashley needs no introduction in the Little League circles, especially to managers that play the teams he has coached. Jim, in addition to his many and varied duties as scoutmaster, will be taking the scouts to summer camp at Camp Ottawa from August 11 to 17th. Parents wishing their boys to attend camp should register now.

Forest Hills Boy Scout Troop 284 meetings are once again to be held in the Old Collins School Building. This meeting place has been used before by this troop and is an ideal place for scout activities, both outdoors and indoors. When it is arranged and fixed into shape, the parents and interested parties will be invited to an open house there. Troop meetings are on Tuesdays from 7-8:30 p. m. Members of the troop committee join in expressing their appreciation to each and every member of the Forest Hills Board of Education for making it possible for scouts to once again have their own meeting place. They also wish to thank Lyle DeArmond and Bill Pretzel for their patience and consideration in helping the scouts.

CUB SCOUT PACK 3334

Cascade Cub Scout Pack 3334 will hold their Blue and Gold Banquet on Friday evening, February 22, at 6:30 p. m., in the Multi-High School.

Each den will have on display projects of the individual boys, or of the dens. There will also be a contest between the dens on the table decorations.

For the program, there will be a magician, Mrs. Sam Horowitz; and there will be a presentation of awards.

CUB SCOUT PACK 3284

The Blue and Gold Banquet of the Martin Collins Cub Scout Pack 3284, which was held in the Forest Hills High School All-Purpose room last February 12, was a huge success with 146 people attending.

The Cubs and their parents were especially thrilled with the fine program of magic presented by Phil Waterman.

Grafton Houston, President of Martin School PTA, and Bill Blackport, vice president of the Collins PTA, received special recognition in that Pack 3284 presented them certificates for being the sponsors of their Pack.

Tony Nieukoop, Pack Master officiated in ceremonies retiring Den 5, and making the members of this pack Webelos.

The following awards were presented by Tony Nieukoop and Paul Boris: Bobcat Badges—Steve Fleming, Jon Rose, Robert Meyers, Tom Nieukoop, Paul Rigo and Mark Kelly. Paul Rigo and Mark Kelley also were awarded gold arrows with their bobcat badges.

Lion Badges were issued to Scott MacDonald, Fred Rodenberg, Dick Powell, Billy Woodall, Brad Fay, Vencir Malebashian, Mike Spillane, Barry Nicola and Gary Missad. Barry Nicola was also awarded a gold arrow; Gary Missad was awarded a Denner Stripe; and Brad Fay received a two-year pin.

Tony Nieukoop and Paul Boris held a special ceremony during the evening in which they honored all of the Den Mothers with Den Mother Pins. They were Mrs. Joan Rose, Mrs. Wilma Bouwer, Mrs. Madelyn Rigo, Mrs. Iva Nicola, Mrs. Alice Stubbs and Mrs. Marie Ashley.

GOD-COUNTRY AWARD

On the evening of February 12, Boy Scouts who have won the God and Country Award in the Grand Valley Council were honored and recognized at a worship service in LaGrave Avenue Christian Reformed Church.

Among those present from Cascade were: John Banta, David Cope, Michael Fritsch, Douglas Schalk, Don Taylor, James Woodall, and David Reterstorf.

On Sunday morning, March 10, the God and Country Award will be presented during the worship hour at Cascade Christian Church to James Vekasi and David Reterstorf. These boys completed all of their requirements and passed the Grand Rapids Review Committee.

District Tourney—We will compete in the District Basketball Tourney this year at the Godwin Fieldhouse during the week of March 4. Drawings for the tourney will be held the 26 of February, and we will know then who we play and on what date.

Godwin, East Grand Rapids, Kentwood, and Forest Hills will compete in the Godwin Class B district.

Mortgage Burning—There was a real sigh of joy last week when it was announced that the Boosters are able to pay their indebtedness on the football field lights. This column, in behalf of the football teams, band, drum majorettes, cheerleaders, school officials, and hundreds of student and adult Ranger fans, congratulates the Boosters on the successful completion of this $11,000 project.

The Boosters are conducting a "mortgage burning" ceremony during the Byron Center varsity basketball game on Friday, March 1. It would be a fine gesture if hundreds would attend the game, and give the Boosters a salute they have earned.

Incidentally, please don't forget the next Booster meeting on Wed., March 6 at 8 p. m.

Varsity Club—The Forest Hills Varsity Club, sponsored by Bob Dangl, is composed of the boys who have earned a major athletic award. The purpose of the club is to promote athletics in the high school, promote satisfactory academic standards, exhibit leadership, and promote cleanness of body and mind. It is expected that through the Varsity Club a boy will not only leave a record in athletics to the school, but also a record of service.

Present officers of the club are: president, Spencer Wilcox; vice-president, Clarence Stiles; treasurer, Jim Conners; and secretary, Bill Coy. Boys on special assignment include Clarence Stiles, vending machine operator, and Allan Lutkus, parking lot attendant.

A Varsity Club committee of Spencer Wilcox, Bill Coy, Gary Knapp, and Bob Burkhead, along with Mr. Crouse, Mr. Dangl, and myself recently framed a code of conduct for our Forest Hills athletes. In a future column we will print this code.

The Varsity Club provides many free services for the school such as supervising the gym lobby and parking lot, conducting an intramural basketball tourney in March, providing ushers for Baccalaureate and Graduation, providing scorekeepers and timers for Freshman and Jr. High basketball games, working with the Boosters' Club selling tickets to football and basketball games, and sponsoring two assemblies per year.

The Varsity Club has three sources of income. The soft drink vending machine, the candy store, and membership dues. One third of the vending machine income is given to the high school office, and one third of the candy store income to the Student Council. The Varsity Club provides the labor for operating these two commercial ventures. The Varsity Club constitution states that all money received on a money making project must be invested in a school project, and cannot be used for the personal gain of the club such as parties, picnics, and awards. Only membership dues can be used for these purposes.

As a result of this policy the Varsity Club has paid for the following during the past three years—A basketball scoreboard, $550.00, a football scoreboard, $1,850.00; a training room heat lamp, $110.00; a trainers table, $25.00; a seven man football charging sled, $300.00; donation to the Yearbook staff, $50.00; donation to the summer recreation program, $200.00; and the club is currently paying for a $500.00 Whirlpool bath for the training room. Mr. Dangl and the Varsity Club men are to be complimented on their many fine contribution to the school.

The Competitive Spirit—An excellent competitive spirit is one of the rarest of qualities necessary to the athlete. It is one of the most difficult characteristics to find. There are some boys who will endanger their lives by driving their car on two wheels around a curve in the road, but yet lack the tenacity necessary to play 48 minutes of rugged football when it is necessary to come face to face with an opponent. An example of the true competitor can be found in the story of the player who ordered lobster. This boy when served the lobster noticed that one of its pinchers was missing. Calling the waitress, he demanded to know what happened to the missing pincher. The waitress replied that the lobster had been in a fight and lost a pincher in the battle. Immediately the champion shouted: "Take him back to the kitchen and bring me the winner." Then there was the passerby who noticed a group of boys playing sandlot baseball and in curiousity he shouted to a little red-headed outfielder, "Whats the score?" "17-0 in favor of our opponents," came the reply. "Oh, that is terrible," remarked the stranger. "No it isn't Sir; you see, we haven't had our turn at bat yet."

A real competitor is never satisfied with second best, he has the tremendous urge to be on top. The attribute most admired in this type of boy is that nothing ever gets him down. Regardless of how dark the picture looks he knows that the sun will soon shine again. He is always at his best when the going gets the toughest. We are finding more ball players than ever before, but competitors are still scarce.
