Baker Takes Easy Win

Cascade Township voters went to the polls in record numbers on Monday with 1162 votes recorded. Gerrit Baker was opposed for supervisor by Lloyd R. Winslow, who announced he would be a write-in candidate. Mrs. Edna Osmer, Township Clerk revealed that the vote count gave Winslow only 57 votes against 885 for Baker. The clerk stated that even if every vote written in on the machines were given to Winslow he would have only had about 100; many votes were spoiled by writing the wrong name or wrong first name.

Immunization Clinic At Caledonia Saturday, Apr. 6

The second in a series of special immunization clinics for Kent County residents will be held on Saturday, April 6, at Caledonia Elementary School, according to Dr. W. B. Prothro, City-County Health Officer.

Dr. Prothro said the clinic is one of two which were established at the request of local community groups for the purpose of raising the immunization level of children. The clinic will also be open to older children and adults. All regular immunizations will be available without charge.

The Caledonia Clinic is sponsored by the Caledonia Extension Groups and Paddy's College.

The next session of the other special clinic will be held on Saturday, April 20 at Beech Grove School.

ELECTED FOUNDRY SOCIETY TREASURER AT WESTERN

Kenneth Adrianse, son of John Adrianse, 7641 Fase St., Ada, has been elected treasurer of the American Foundry Society student chapter at Western Michigan University. This new group will be formally installed March 27.

He is a junior in the industrial education curriculum. Kenneth was a 1960 graduate of Lowell high school.

Attend TOPS Convention

Six members of the Cascade Calorie Skippers, TOPS, attended the State Recognition Day Convention at the Civic Auditorium on Saturday, March 30.

The winner was from Detroit, Ann Shewfelt, of the Slimming Silhouettes, who lost 137½ pounds. The Teen-age Princess from Dearborn, Rose Marie Pezak, lost 53½ pounds.

Anyone interested from this area may call 949-0422.

Tornado Plans Set At School

In cooperation with Civil Defense, the Forest Hills Schools administration and the Forest Hills Council, parent organizations and the staffs of the eleven elementary schools have prepared plans for the evacuation of the buildings: Specific parent drivers will return the children from school directly to their homes. The "parents' emergency plan" will go into effect upon notification from the school administrative office to the individual schools that a tornado FORECAST has been officially determined. The elementary school buses will NOT be used in these cases.

The buses will return the Junior High and High School students to their regular stops. These students will be well informed of tornado safety precautions to be observed on their way home.

There has been much confusion about tornado weather terminology. Mr. Chambers has checked with Civil Defense, the Sheriff's Department, and the United States Weather Bureau to determine specific definitions. The United States Weather Bureau uses two, and only two, terms: FORECAST AND WARNING.

Tornado Forecast

A FORECAST means that a tornado may be imminent (Threatening) within a defined area and within a state time period. There are three (3) degrees of forecasts:

1. 1 or 2 tornadoes possible within a prescribed area.
2. A few tornadoes possible within a prescribed area.
3. Numerous tornadoes possible within a prescribed area and/or period.

Tornado Warning

A WARNING means a squall line or tornado has been sighted. The necessity of taking cover is immediate. These squalls can come up within twenty minutes; it would be dangerous for a child to leave school under these conditions. Teachers and parents must be well informed and rehearsed as to precautions to be taken in the event of a tornado WARNING. Should there be a WARNING after the buses have left the schools on their regular schedule (as happened last Fall), it would be necessary for parents to pick up their children at the regular stops, of course.

After the WARNING has been lifted, the children may be returned home by the "parent plan".

When a FORECAST has been made: Please do not call the school. Please do not go to the school unless you are scheduled to work as an emergency driver.

Inform your children and the emergency driver where your child will go, should you not be home. This is not to be the decision of the driver.

1st Trial Run

It is hoped that each elementary school will have an emergency evacuation drill some time during the week of March 18. Notification as to procedure and drivers participating in the plan will be made to parents by the individual school. Each child will be assured of reaching home as rapidly as possible.

Meeting

Because we anticipate many questions and some confusion following the first drill, a meeting has been scheduled:

Emergency Evacuation Meeting
Multi-Purpose Building (High School)
7:30 p. m., Tuesday, March 26

2nd Trial Run

We hope all elementary schools will have a second drill the first week in April to "iron out the rough spots".

All School Drill

By the week of April 8th, we should be well prepared to try an "All Forest Hills Schools Drill". Remember to tell your friends and neighbors that this will be just a drill!

The tornado season is not far off. This area has averaged five FORECASTS annually. The Administrative office is equipped with a Civil Defense monitor and radios, and the office staff keeps a log of weather conditions during each day. Our bus drivers have been informed as to procedures which apply to them. We may never have to use the "Parents' Emergency Plan", but it is so much better to be prepared than to be sorry later.

Thanks Voters!

Editor of Suburban Life
I would like to take this opportunity to thank my many friends for their wonderful support in the recent election.

Also for the letters, calls and other indications of endorsement and encouragement in the campaign. I feel humbly grateful for these expressions of confidence and will always work to promote the best interests of our township.

First Aid Measures To Be Shown

On Thursday, tonight, April 4, at 8 p. m. the second general meeting of St. Robert's Guild will be held in the church auditorium.

Ralph J. Schlosser, M. D., will present a Hollywood film titled, "Pulse of Life," narrated by Raymond Massey, "Dr. Gillespie."

The film covers the broad subject of emergency measures, including instructions on the life saving method of mouth-to-mouth resuscitation. This film is sponsored by the Michigan Heart Assoc-

April ushers in another dangerous wild fire season in Michigan as thousands of landowners take to their yards and fields to burn leaves and other debris. It's during this month and May that the costs of carelessness run particularly high, posing a serious threat to private property as well as public land values. Last year, wild fire damage to real and personal property (houses, barns, livestock, orchards, etc.) totaled tens of thousands of dollars with much of the toll caused by spring debris burning. Of some 6,265 acres damaged state-wide by fires in 1962, nearly 5,000 burned during April and May. Residents are reminded they must obtain a free permit at Conservation Department field offices or at local fire departments before starting open fires. A good "before-burning" rule calls for making sure debris is well out of the danger zone of buildings. Where and whenever possible, use a safe incinerator to burn debris. It doesn't pay to take chances.--Mich. Dept. of Conservation.

New Book Exhibit Set At Forest Hills

Fifty-five of the country's outstanding juvenile and trade publishers, who are responsible among them for the yearly output of the new library books that rate and command the attention and consideration of schools and their personnel around the country, have combined forces to provide a complete and indispensable book selection service for teachers, librarians, and administrators—not to mention interested parents—which is supplied without cost or obligation. Now in a complete, industry-wide, fully organized, and

catalogued exhibit, the new spring 1963 titles covering all grades from Kindergarten through the Senior High and adult can be seen at the Forest Hills High School Library, 5901 Hall Street S. E., between the hours of 9 and 3 and Tuesday evenings from 7 to 8:30 from April 8 through April 26.

From the Picture and Easy Books at the primary level to the Reading and Literature titles for Junior High, no area of interest is omitted, no aspect of the school curriculum ignored. In every category for all grades, there are science and factual books that will develop the pupil's world, extend its range and dimensions, push out its horizons; these along with the books of imaginative and literary appeal complete a collection of distinctive titles at all levels.

Overall the Senior High collection totals some 250 titles—each of which is curriculum-related—and covers some 50 subject classifications. Here are not only the important new books for teenagers and young adults, but many selected adult titles with their special interest for adults—which have had other evaluating sources. To sample just a few subject areas, there are books about the World Today and Yesterday, Problems of Democracy, Other Peoples and Other Lands, The Space Age, New Frontiers in Science, History and The Arts; under Literature, for example, there are 11 sub-categories.

Basic to the effectiveness of the exhibit and the whole service are annotated, curriculum-related catalogues with cross-reference, title and author indexes. Numbered in their listings to conform to the numbered books, they provide direct and quick access to any and all books of one's interest. The catalogues are free to teachers, librarians and other school personnel.

The exhibit has been supplied by Books on Exhibit, a national exhibiting operation in the field of young adult's and children's books. Strictly promotional, Books on Exhibit neither takes nor fills orders."

To Deliver Girl Scout Cookies

Recently, the Girl Scouts have been taking orders for cookies. These cookies will be delivered by the girls during the weeks of April 8 and April 15. They may be paid for at the time of delivery. The following recipes using the Girl Scout cookies have been tested and recommended:

- I. SAVANNAH TOFFEE TORTE
½ Box Savannah cookies rolled
¼ cup chopped nutmeats
¼ lb. oleo or butter
1 cup powdered sugar
1½ squares baking chocolate
3 eggs
Pinch of salt
Cream butter and sugar; add beaten egg yolks. Melt chocolate and add to above with salt. Fold in stiffly beaten egg whites. Grease an 8 x 8 x 1 inch pan. Sprinkle half of cookie crumbs and nuts on bottom. Pour mixture in. Then sprinkle on the other half. Refrigerate for 12 hours before serving.
- II. "MINTED BROWNIE PIE"
14 chocolate mint cookies
3 egg whites
dash of salt
¾ cup sugar
½ teaspoon vanilla
½ cup chopped nutmeats
Sweetened whipped cream (¾ to 1 cup heavy cream)
Chill cookies in refrigerator for a few minutes. Break, cut or roll between folds of waxed paper to even crumbs. Beat egg whites and salt together until soft peaks form. Gradually beat in sugar, beating until stiff peaks form. Fold in cookie crumbs, nutmeats and vanilla and spread in buttered 9-inch pie plate. Bake in a slow oven 325 degrees for 35 minutes. Cool thoroughly. Serve with sweetened whipped cream on each wedge; or, spread sweetened whipped cream over top. Chill 3-4 hours and garnish with curls of shaved unsweetened chocolate.

Paris Grange Plans Ninetieth Anniversary Dinner, Wednesday, April 10

Members of Paris Grange will hold a dinner on Wednesday, April 10 honoring the 90th anniversary of the founding of the grange. Present officers of the Grange: C. A. Jasperse, Master; Mrs. Hazel Reed, Lecturer; Mrs. Laura Darling, Secretary will lead the Grange in its celebration.

Colorful History

Paris Grange No. 19 was organized on April 10th, 1873 with twenty-six charter members. It has remained organized continuously for ninety years and is the second oldest Grange in the State. Another Grange in Berrien County was organized a few weeks prior to the organization of Paris Grange. Descendants of some of the original founders are members of the Grange today. At about the same time Burton Grange was organized and an interesting excerpt from the early minutes reads as follows: "The reasons for calling this organization 'Burton Grange' are that Barney Burton, a pioneer of Kent County and of the town of Paris, and having built the first barn in Kent County, and also having been an honest man—it was thought appropriate to name this Grange Burton Grange." It is apparent that Burton Avenue was named after this same individual. In 1879, Paris Grange completed a new Grange Hall on the corner of Breton Road and 28th Street and occupied this hall until it was burned in 1938. A new hall was built immediately and the Grange meets there regularly the second and fourth Fridays of each month.

Shortly after Paris Grange built its new hall in 1879, Burton Grange joined with Paris Grange. Most of the early minutes of both Granges are preserved and items from these minutes are especially interesting. In 1874 we find the Grange had arranged a feast. The secretary has this interesting comment in the minutes of that meeting: "All partook of a most bountiful

repast. It was a feast of fat things and lean things, of hot things and cold things, of wet things and dry things, of sweet things and sour things, of things animal and vegetable, of things frosted and unfrosted, of things cooked and uncooked, of doughnut pies and pies that were not doughnuts, of pound cake and cake that was not pounded, of Durham chickens and Shanghai beef, of tea in cups and coffee in mugs, of fruit just picked from the rooster tree, and pickles served up with potato bugs."

Many interesting topics were discussed at these early meetings. "Panics and Their Causes", "The right or wrong and the expediency of Female Suffrage", "Is it right for the farmer to keep poor fences", "Does it pay to set trees for shade and protection", "What to do about tramps", etc. In the minutes of one meeting we find that \$5.25 was collected for relief to destitute farmers in Iowa and Nebraska who had suffered from grasshoppers.

Seniors Chosen For National Honor Society

Last week 14 seniors were picked to represent Forest Hills in the National Honor Society. This, as the name implies, is an organization in existence all over the country.

The members were picked by sponsor Mr. DeWitt and the faculty on the basis of scholarship, character, leadership, and service. As many as 15 per cent of the senior class could be chosen and Forest Hills placed 14 on the roster, including our two foreign exchange students as honorary members.

The honored seniors chosen are: Char Beahan, Terry Bliss, Emily Brower, Donna Edison, Diane Fase, Kery Goebel, Jane Hillman, Sue Kiel, Reinhard Lange, Larry Merchant, Sharon Poll, Hans-Peter Schapback, Ina Van Loo, and Sallye Werner.

Of nine juniors in the society last year, six returned this year as seniors. The juniors will be chosen later in the year, and the ruling is that 10 per cent of the class may be chosen. These students should be proud of the special recognition they have earned and we should be proud of them.

Dessert Meeting Set For April 16

Cascade Versus Castro is the title of the dessert meeting Tuesday evening, April 16, at 8 p. m., in Fellowship Hall of Cascade Christian Church, to which the Christian Women's Fellowship has invited the Christian Men's Fellowship and all interested citizens of the area.

The speaker will be Jose Tagle, former Cuban school official now a refugee, with his family living in Grand Rapids. Mrs. Michael Vekasi is chairman of the program. The Mary-Martha and Dorcas Guilds are in charge of the refreshments.

CASCADE GIRL SCOUTS 151 VISITS MAPLE SUGAR BUSH

On Wednesday, April 3, Mrs. Zetha Schalk took her Girl Scout Troop 151 to a maple sugar bush on the Smelker farm on Wingeer Road.

They were able to see the complete operation of collecting the sap and watching the processing of the sap to syrup. Mrs. Numberger and Mrs. Fisher assisted Mrs. Schalk on this trip.

Ski Enthusiast Is Senior of Week

The R. L. Werner family, Forest Hills Ave., immensely enjoys skiing, and spends every snowy weekend on the slopes.

Sallye Werner, oldest of three children, is president of the Forest Hills Ski club. Aside from skiing, Sallye is also an active member of the F.T.A., the Ranger Pep Band, and the Dominoes, the Forest Hills Dance Band. She also is an active debater for Forest Hills, and is currently working with Forensics.

Sallye's schedule this year includes sociology, College English, band, government, literature, and advanced speech. Upon graduation she plans to attend Aquinas College in the Liberal Arts field.

Sallye states that she enjoys going to Forest Hills, and especially likes the campus-type architecture.

Has Annual Variety Show

On March 2, 1963, the Forest Hills Junior High under the direction of Mrs. Dick presented their annual Variety Show in the Multi-purpose building. All Junior High students and a number of parents enjoyed the entertainment, which commenced at 1:30 and ended at 3 p. m.

The show consisted of fourteen separate acts. The master of ceremonies this year was Rich Mansu. In order the acts were as follows: The Do-Re-Mi group, consisting of the Junior High Classes; a piano solo by Carol Gregory; a pantomime of "Cocktails for Two" by Suzi Norman and Maridell Paine; a Magic Act by Tom Seidman and Terry Brennan; a pantomime of "I Enjoy Being a Girl" by Linda Ervine and Pamela Run-ciman.

A Midget Trio consisting of Pamela Seecombe, Sue Hartly, and Sharon Dekker; a Comedy Act whose members were Tim Gietzen, Gordy Yeager, Rusty Jervis, and Tracy Seidman; a pantomime by Karen Terrell and Shelley Den Houten; a trio singing "Wash That Man Right Out of My Hair" by Paula Johnson, Jane Mc Duffee, and Conna Drum; a pantomime by Pamela Run-ciman and Barbara Reyburn; a piano solo by Carrie Seidell; the Happy talk group representing the Junior High Chorus; a tap dance to "Side-By-Side" by Connie and Bill Huisapple; and the closing act was the Forest Hills Dixieland Dance Band.

A great deal of appreciation is given to Mrs. Dick for the fine performance and the amount of work put into the 1963 Variety Show. In years past the Junior High has presented many fine shows and this year's show with Mrs. Dick's fine effort prove to the best.

Magazine Sale Is Concluded

On Monday, March 25, the Junior High magazine sale was concluded for the 1963 calendar year. The previously arranged goal had been set at \$3,500, and when all figures had been compiled, the total was \$4,700. This was a tremendous effort on the part of the Junior High students and faculty.

Like always, the competition between the rooms was running at full steam, and was won by a come from behind winner. In the end results, Mr. Northuis's room brought in the most money, over \$600, followed by Mr. Mohr's and then Miss Hackett's. The winning class was presented a huge yellow donkey.

This year the students won prizes according to the amount they sold. There were ten dollar brackets ranging from \$20 to \$150 worth of subscriptions sold, and the prizes became more valuable as the amount sold rose. The top two student salesmen were Paula Johnson for the girls, and Tom Seidman for the boys.

Purchased with the profits of the sale will be two T.V. sets for use in the class room, and also some new physical education equipment.

Nature Notes

by Edith Jarvi

The first wild flower of spring, blossom of the stunk cabbage, is not pretty. It has no petals and is clustered thickly on the short stem, the spadix, inside an attractive mottled maroon hood, the spathe. They grow in moist places and don't wait for the ground to thaw, but rather thaw it with their own growth so that they may be seen as soon as the snow is gone.

The next wild flowers grow on hillsides, warmed by the sun, under leafless trees. One is the hepatica, a many-petaled lavender blue flower that blooms from the center of a cluster of last year's leaves. These may also be shades of blue, pink, buff or white.

The other is the trailing arbutus. This is a trailing shrublet which also keeps its leaves over winter. The flowers are a bright light pink with white cluster, often hid under the leaves.

These flowers are here to greet the Great Blue Heron, The Song Sparrow, the Towhee, the Brown Thrasher, Hermit Thrush and Yellow Throat, whose arrival assures us that spring is really here.

BASEBALL LEAGUE TO TURN IN UNIFORMS

Members of the Forest Hills Baseball League are reminded to turn in their uniforms at the Phillips 66 station in Ada on or before April 13.

Watch next week's paper for complete information on registration dates for this year's activities.

Says 'No' To Constitution

The History of constitutions affects our lives every day. This constitution problem started many years ago prior to the First World War. The Con Con Convention was triggered by the "Cash Crises" of 1956.

Mr. Himmerstine pointed out the fact that a lot was thrown together on free time with the Republicans for it and the Democrats against it. He said, "It is a good constitution, but doesn't tell us the whole truth."

He went on to point out methods of taking the public eye off the ball. The first he mentioned was the prestige of Governor Romney which now lays on the line with the vote of the people. Other methods comprised articles in the society page of the Grand Rapids Press.

He went on to conclude that as the new constitution stands, the primary school system of the state is endangered in-so-much as Article 8, Sec. 2 reads, "as defined

by law" (as legislature should enact.) That is just one of the many cases he identified and explained by legal instances.

In three years, we as seniors will be of voting age. This lecture proved very stimulating in-as-much as we, the citizens of the next half century must live by the decisions handed down to us today.

Athletic Assoc. Holds Drive

Ada Athletic and Recreation will sell membership cards to help take care of the Ada field for the coming year. Help support your Athletic Association by getting your membership cards. Dues are one dollar.

It's Great To Be Alive

Spring is a wonderful time of year. The warm, pleasant days of Spring are a welcome and longed-for relief from the cold stormy days of winter. Not only does nature come alive, but even we humans seem to have new life. There is the urge to be out and enjoy God's wonderful creation. This is a wonderful experience. Yet how many of us know only half of the joy of living. We are physically alive, but are spiritually dead. We are insensitive to the love of God as it comes to us in Jesus Christ. We lack the inner peace and joy that only God can give, and gives only to those who trust Jesus as their Savior. Don't be content to be half alive. Give your heart to Jesus and know the joy of a full life instead of a cluttered life.

INSTALL A LINDSAY WATER CONDITIONER FOR YOUR FAMILY'S SAKE

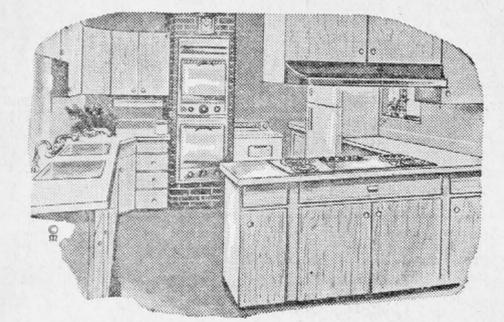

Lindsay soft water has the habit of being gentle to skin... especially baby's. It contains none of the harsh mineral found in hard water. It explodes detergents into suds... cleans and brightens clothing with far less soap and detergents. Keeps water using appliances free from scale build-up that causes damaging clog and break-downs. So, for soft water—Lindsay soft water—call us today. We'll be glad to test your home water supply—determine just how serious your hard water problem is—and suggest a practical, sensible, "tailor-made" solution.

...AND YOU'LL LOVE LINDSAY TOO!

Lindsay is the only water conditioner that has been tested and approved by Consumers Institute, Washington, D.C.

Miss Feenstra Speaks Vows With Fred J. Carr

Wedding vows were spoken Friday evening, March 29, in the First Christian Reformed Church by Miss Caroldean Ann Feenstra and Fred J. Carr, Southbrook Street, Rev. John Blankespoor officiated.

Parents of the couple are Mr. and Mrs. Ray Feenstra of Hudsonville, and Mr. and Mrs. Fred M. Carr of Cascade.

Caroldean's wedding gown was made of French lace and organza over white satin. Her veil was held by a sequin crown. She carried a corsage of white roses, ivy and netting on a white Bible.

Maid of honor was Miss Caroline Palmbo, Bridesmaids were Mrs. Bruce Feenstra and Mrs. James Carr, sisters-in-law of the couple. All the attendants wore turquoise green delustered satin gowns with matching tulle hats. They carried cymbidium orchids on green pillows.

The flower girl was Beth Ann VerKaik, Vicki Edson and Steven VerKaik were the miniature bridal couple.

Best man was James Carr, brother of the groom, Ushers were Douglas Baragar, Ed Vander Laan, and Bruce Feenstra, the bride's brother.

The wedding reception was held in the church with Mr. and Mrs. Carroll Feenstra, uncle and aunt of the bride, acting as mistress and master of ceremonies.

The couple left for a honeymoon, after which they will live at 125 Southbrook Street.

ED. SHY, ATHLETIC DIRECTOR
FOREST HILLS HIGH SCHOOL

SPRING SPORTS—We had the largest turnout for spring sports in the history of our school. Coach Bernie VanArk greeted 60 candid dates for the track team and Bob Dangel had 40 boys report for baseball. Encouraging is the fact that about 75 per cent of these boys are 9th and 10th graders. Until last week the two squads held indoor work outs with emphasis on conditioning. However, with the change in weather the boys were able to get outside where the track boys could work on their specialties, and the baseball candidates could get in some batting and fielding practice.

The track team will be paced by Gary Knapp, a dashman. Last year as a sophomore Gary was undefeated in dual, conference, and regional competition in the 100 and 220 yard dashes. He placed 5th in the 100 yard dash to the State Class B meet in East Lansing. Gary holds the O-K Conference record in the 100 and 200 at 10.5 and 22.8 respectively. Gary vows he will break both of these records this year, and hopes to get his time in the 100 down to 10 seconds flat. In the State meet Gary ran the 100 in 10.3 and claims he got a slow start. Coach "Bunk" Van Ark says "don't be surprised if Gary breaks 10 seconds this year because he is very conscientious about track and trains religiously."

Our baseball squad will feature John Pellerito, A Senior, who two years ago led the O-K League in hitting with a .480 mark. John was also one of the leagues finest pitchers. This year John will double as a pitcher-outfielder, and his bat will be in the line-up for every game. Coach Bob Dangel has his charges hustling and hopes to improve upon last years low finish in the O-K Conference.

INTRAMURAL BASKETBALL—At the conclusion of the basketball season the Varsity Club conducted an intramural tourney. 90 boys participated on ten teams and Jim Perrins team emerged the winner with four consecutive victories. Members of Jim's team were presented awards at our awards assembly last week. Team members included Jim Perrin, Phil Rupp, Ron Weirsem, Peter Perdok, Bif Freeman, Gene Dietz, Mike McCormick, and Jeff Clapp. Congratulations to Phil Regan for becoming the first Tiger pitcher to go nine full innings in a winning cause. Phil is a resident of the Forest Hills district during the

type of fellow I would like to see go all the way to the top in the baseball world. After two winning seasons with Detroit possibly this is the year he will win real big. I'm sure everyone in our school district will be pulling real hard for Phil every time he takes the mound for the Tigers this summer.
