Elementary school additions planned in building program

Rooms for increased enrollments are an immediate need of the Forest Hills District. Totalling the pre-school children and early elementary children now residing in the district indicates needs far greater than can be adequately housed and educated in the existing school facilities.

Minimum projections of student population indicate a need for at least fifteen classrooms for an additional three-hundred sixty children within the next four years.

With increasing student population dictating this immediate need the Board of Education has taken other basic needs of the school program into consideration. These items being Transportation and Hot Lunch services which can be provided on a simplified economical basis in larger centralized schools. These large schools can also provide libraries, supervision, audio-visual aids and other necessary items to implement a good school program on an economical per capita basis.

Several of the older small schools in the district are economically impossible to serve with these additional features because of size and location. It is planned to slowly put these buildings to some other use as the system grows. In this way hot lunches, libraries, all-purpose rooms and simplified transportation routes can ultimately serve all of the children in the district.

The present plan calls for additions to the Orchard View, Collins and Cascade schools. The high school kitchen will be equipped to prepare noon meals for all of the schools without kitchens.

It is planned at this time to include the children from the Murphy, Carl and Knapp schools in new attendance areas. These schools will be used for storage and administration offices as the system grows.

The following additions are planned at this time:

1. Five classrooms, library, multi-purpose room and serving kitchen at Orchard View.
2. Five classrooms, multi-purpose room and serving kitchen at Cascade.

3. Seven classrooms, multi-purpose room and serving kitchen at Collins.

All of these buildings will be provided with the central facilities and utilities needed to economically add rooms when such a need arises.

School officials are quick to point out that these facilities cannot be ready until the year

after next. This means that schools will be overcrowded and inadequate for one more year. These additions will be included together with the high school additions and junior high school to be voted on March 3rd.

Absent Voters Must Apply
Registered voters from the Forest Hills School District who will not be in the District on March 3rd may apply for absentee ballots.

Such persons may call, write or stop at the Administrative offices and obtain an application for their ballots.

This completed form should be returned to the office and a ballot will be issued. Applications may be made at this time. Ballots will be ready for absent voters by February 15th.

No absent voters ballots will be issued after 2 p. m., Saturday, February 29th.

ORCHARD VIEW ADDITIONS

Oral polio vaccine offered at clinics

Dr. W. B. Prothro, City-County Health Officer, announced today that oral polio vaccine will be offered as a regular part of all health department immunization clinics beginning in February. This will include, he said, the weekly immunization clinic held every Wednesday from 1 to 2 p. m. in the City Hall Basement and the Paris Clinic held the third Wednesday of every month from 9 to 10:30 a. m. in the Paris Township Library and at all of the health department's 17 well child conference centers.

Dr. Morris Wilderom, physician responsible for the clinics, said that Types I, II, or III oral polio vaccine will be available to Grand Rapids or Kent County residents unable to secure it from a private physician including those who missed one or more doses during the K. O. Polio Program last fall, new residents, and infants too young to have been immunized at the time of the program.

Dr. Wilderom said it is hoped that the enthusiasm shown by people wanting to complete their polio doses will carry over to other immunizations. To prevent outbreaks of other diseases, it is vitally important that adults as well as children keep their immunizations updated. This means that boosters should be secured for diphtheria, tetanus and smallpox a minimum of every five years throughout life. Many persons, particularly adults, tend to forget that diseases such as smallpox, tetanus, and diphtheria are ever present, potentially as dangerous as crippling polio, and can and do strike the unprotected.

This game, to start at 7:30 p. m. at Kentwood, should be quite a battle.

Teams vie for painted jug

This Friday there will be much at stake during the Forest Hills-Kentwood basketball game. The winner will take home a trophy to be kept until they are defeated by the other in a basketball game.

The trophy is a jug painted white and red. The game scores will be put on in green and red, Kentwood and Forest Hills' colors. The jug is being prepared by the Forest Hills' Art Department.

There seems to be little doubt at Kentwood who will take home the jug. Coach Bob Friberg has stated that his victory-hungry Falcons will defeat the Rangers. This belief is also held by the Kentwood student body. Forest Hills has dusted off a place in the trophy case for the jug, as it hopes to win it.

Valentine tea planned by Doerr Guild February 13

The members of the Doerr Guild of the Cascade Christian Church cordially invite all the women of the community to a Valentine's Tea. The tea will be held in the home of Mrs. Melvin Kooistra, 7107 Driftwood Drive S. E., on Thursday, February 13, from 1 until 3:30 p. m.

The proceeds from the tea will go into our special fund for a new piano to be purchased by the Doerr Guild for the Fellowship Hall at Church.

Cascapers' square dance is Saturday, February 8

Cascapers' square dance will be held on Saturday, February 8, at 8 p. m. in the Ada School gym. All members of the club, please plan to attend.

Hosts and hostesses for the evening are Tom and Joan Johnson, Melvin and Mary Lou Skirvin, and Gordon and Mary Bowman.

Object . . . Success

As so many times happens an accident, illness or quirk of fate determines the course of one's life. In my case it was an illness that caused my father's blindness, after only a year of college.

All through high school I was sure that the life of a forester or some such outdoor work was the goal of my life. When my father became blind during my first year of college I came home and went to work in the Ledger. During high school I had worked some around the shop but was probably more bother than worth.

Being blind kept my father from making calls on the merchants for advertising and checking on spot news, it did not, however, keep him from writing and having periodicals and mail read to him so he could handle most of the editorial duties.

Looking back on this decision to stay in the family business and make that a career, I have no regrets. Newspaper work is very satisfying, in a small community you become a 'big toad in a small puddle, instead of life in the large city or industry where you may earn far more but you feel life has no importance, or purpose.

Journalism or work on any of the news media has great opportunity for anyone who enjoys being with people in all walks of life. You have the satisfaction of a daily or weekly product that can be seen and felt, also criticised, because your mistakes shine brightly for all to see.

And perhaps all this whole story proves is that no matter what we plan in school, the final decision may be taken out of our hands, and it is probably all for the best.

Topical fluoride program set-up

The Forest Hills Fluoride committee, in cooperation with the Grand Rapids-Kent County Health Departments and the Michigan Department of Health, is beginning to make plans for the topical application of sodium fluoride to the teeth of the children in our community.

The program will be made available to three and four-year olds, second, fifth and eighth graders and to special cases referred by the family dentist. The program is not recommended or necessary for children already drinking fluoridated water.

The charge for the cleansing and four applications of sodium fluoride will be \$3.00 for each eligible child. The fee for two children in the same family is \$5.00 and \$6.00 for three children. Each additional child is \$1.00. The specific time for the clinic will be announced in May.

The topical application of sodium fluoride to newly-erupted teeth will reduce new tooth decay by 40 percent in groups of children. In addition to these benefits, the program offers a valuable dental experience with no discomfort involved and dental health education is given the child by the clinic personnel.

The entire procedure consists of four visits to the topical fluoride clinic, which will probably be located in the Cascade-Elementary School. At the first visit the teeth are cleansed and the first application is given.

An application of sodium fluoride consists of the teeth being isolated with cotton rolls; then the teeth are dried with compressed air and a 2 percent solution of sodium fluoride is applied to the teeth. On the second, third and fourth appointments the application of the sodium fluoride is repeated.

For further information on the topical fluoride program in the Forest Hills area contact Mrs. Raymond Gaylord (949-1672) or the Kent County Health Department. Parents of preschool children interested in the program, should call Mrs. Gaylord by February 12, 1964.

Students in the second, fifth and eighth grades will be bringing home this week application forms for this fluoride treatment.

Vacation in Florida

Mr. and Mrs. Milton Heaven of Denison Drive, S. E., returned home on Sunday after spending two weeks visiting Mrs. Heaven's parents, Mr. and Mrs. Earl Wride, in Tavares, Florida. They also visited Mrs. Lester Doerr and Mr. and Mrs. Dean VanLandingham in Mt. Dora, and the William McClellan's in Venice.

All asked to be remembered to their friends in Cascade.

Mardi Gras Saturday

Men of the Holy Name Society of St. Robert's Church, Ada, will sponsor a "Mardi Gras" this Saturday evening, February 8, in the church auditorium.

Helping the general chairman Ronald Holmes, left, test some of the noise making equipment are Ray Reburn, center, decorations chairman, and Ed Bunda, president of the Holy Name Society.

Pleun Lock, 67 area farmer dies suddenly

Pleun Lock of 612 Forest Hills Road, S. E., passed away unexpectedly last Wednesday, January 29, on his 67th birthday.

He was a lifelong resident of Kent County, and a dairy farmer in the Cascade area for 50 years. He was a member of the Farm Bureau and attended Eastmont Reformed Church.

Surviving Mr. Lock are his wife, Jennie; three sons, Russell L., Carl J. and Robert L. Lock of Grand Rapids; two daughters, Mrs. Alan Stowell of Dayton, Ohio, and Miss Carol Lynn Lock at home; two brothers, Martin and Leonard Lock of Grand Rapids; three sisters, Mrs. J. D. Roelofs, Mrs. Cornelius J. Jasperse and Miss Henrietta Lock of Grand Rapids; and two grandchildren.

Funeral services were held last Saturday afternoon in the Jonkhoff Chapel with Rev. Robert Eggebeen and Elder Charles Lickey officiating. Burial was in Rosedale Memorial Park.

Ray Moore's Dixieland Band will be playing the background music for the masked ball, which will start at 9 p. m. The dance is open to the public.

Each guest in attendance will receive a free mask, refreshments, door prizes, and flowers for the ladies. Also on the agenda for the evening is a surprise drawing.

The set-up committee is composed of Paul Roy, John Lane, Robert A. Johnson, Robert T. Johnson, George Grochowalski, William Hakeem, Donald Strazisar, and Robert Kersjes.

Besides being chairman of the decorating committee, Mr. Reburn is working on the entertainment committee for the fun-filled evening. Paul Roy, also heads the clean-up group.

Publicity for this year's event is being handled by Bernard Birkdorf, and ticket distribution and salesmanship is being conducted by Chester Lozicki and his committee.

The committee selected to set up the door prizes is being headed by Robert Doyle, and James Boylan has charge of the refreshment committee.

Homemade bread will highlight bake sale

Mrs. Guy Quiggle's homemade bread, warm from the oven, will be a main item at the bake goods sale this Saturday, February 8, from 11 a. m. until 5 p. m. at the Cascade Pharmacy. This sale is sponsored by the C.Y.F. of the Cascade Christian Church.

C.Y.F.'s future plans call for their third annual Chicken 'n' Biscuits dinner by Mrs. Quiggle on February 29 in the Fellowship Hall. More details later.

Get \$708 on Mothers' March

Thanks to a generous community and a large group of hard working mothers, the Cascade Mothers March contributed an all-time high of \$708.75 to the National Foundation's Annual March of Dimes last week.

Mrs. James Banta, township chairman, and her captains: Mrs. Robert Masten, Mrs. Fred Carr, Mrs. Martin Postma, Mrs. John Breidenfeld and Mrs. James Barfuss, would like to thank the many women who combined their efforts to help stamp out crippling birth defects and diseases.

World prayer services set

The annual World Day of Prayer Service will be held this year at the Ada Community Reformed Church on Friday, February 14, at 1:30 p. m. The theme for the Day is "Let Us Pray". The service will open with an organ prelude by Mrs. Fred Houseman. Mrs. Lloyd Connors, President of the Ada Reformed Church Guild for Christian Service, will give the invocation and scripture.

A short message on "The Meaning of This Day" will be given by Mrs. Sylvester Moths. A ladies' trio from the Ada Christian Reformed Church will give the special music. The women participating are Mrs. Adrian Penning, Mrs. Ronald Boersma and Mrs. Arthur Verburg. A representative from the Cascade Christian Church will lead in the "Act of Repentance", followed by prayers of Thanksgiving by representatives from the Eastmont Reformed Church, The Cascade Christian Reformed Church, and the Ada Reformed Church. Mrs. Francis Depew will give the meditation. Following the meditation there will be a period of prayers of intercession, during which time all the women present will be invited to take part.

The offertory prayer will be given by Mrs. Melvin R. Skirvin from St. Michael's Episcopal Church and the Rededication to the Service of Others by Mrs. Donald Jackson, of the Ada Congregational Church. Mrs. Lloyd Connors will give the Benediction. A social hour and refreshments will follow the service. Nursery care will be provided in the church educational building during the service. All women in the surrounding area are cordially invited to meet with us.

Annual banquet set for Thursday, Feb. 13

Ada Christian School will have its annual banquet next Thursday, February 13, at 6:30 p. m. at the Forest Hills High School All-Purpose Room. No charge is made for the banquet, but a free-will offering for the school will be taken. Anyone who wishes to come and has not been contacted, please call Mrs. A. Vandenberg at 949-2655.

TW 7-9262, the number to call to place your want ad in the next issue of Suburban Life.

Sixty women were served an Indian Festival dinner in Fellowship Hall at the Cascade Christian Church for their January meeting. This was a kick-off dinner to introduce the missionary study of India and Nepal. An air of expectancy greeted all as you looked about and saw the very lovely decorations on the tables in the room. This miniature Taj Mahal made by Mrs. Dale Mayhall and pictured above is a replica of the original built in 1632 by the Emperor Shah Jahan for the remains of his favorite wife.

Honored guest for the evening was Mrs. Jack Lyons, who spoke about customs and living conditions in India and showed many articles. Mrs. Roy Reynolds was modeled in a sari, such as they wear in India. A delicious Indian meal was served by the Mary-Martha Guild and enjoyed by all.

Memorial fund started

Friend of Pleun Lock from the community have begun a Memorial Fund. Any one wishing to contribute to this fund may do so by contacting Mrs. Alice DeYoung at 510 Forest Hills Avenue S. E., Telephone 949-0146, or Rev. Robert Eggebeen at 949-1372.

Pam Swan weds Eugene Kleibusch

St. John Vianney Church was the setting for the Saturday morning wedding of Miss Pamela Swan and Eugene Joseph Kleibusch. Rev. Edward Boucher officiated. The bride's parents are Mr. and Mrs. Raymond J. Swan of Ada. The bridegroom is the son of Mrs. August Kleibusch of Wyoming and the late Mr. Kleibusch.

The bride chose for her wedding a taffeta gown with Empire bodice, bell-shaped skirt and detachable chapel train. Her bouffant veil was secured by a peau de soie rose headpiece and she carried a cascade of white cymbidium orchids and white hyacinths. The matron of honor was Mrs. Robert Kleibusch, the bridegroom's sister-in-law. Bridesmaids were the bride's sisters, the Misses Laura and Sally Swan of Ada. The attendants wore gowns with cerulean blue velvet bodices and blue and emerald green satin brocade bell-shaped skirts. They had blue and green roses with veils on their hair, and their flowers were white carnations tipped with blue.

Patty Kleibusch and Kathy Swan were the flower girls. The bridegroom asked his brother, Robert Kleibusch, to be best man. Ushers were Dennis and Ronald Belka. Completing the wedding party were Mr. and Mrs. Roger Herp, brother and sister-in-law of the bride. The wedding breakfast and evening reception were held in St. John Vianney Hall. The newlyweds are on a trip to Arizona.

Kent County 4-H share the fun contest Feb. 27

The Kent County 4-H Share the Fun audition dates and finals are announced by Chuck Lang, County 4-H Agent. Three auditions will be held throughout the county to select the top 25 acts to appear before the public at the final eliminations Thursday, February 27, at the auditorium of Northview High School.

Mrs. Joseph Langkamp, County Chairman of the Share the Fun Program, has announced the following dates for auditions: For the S. W. section of the county, Monday, February 10, basement auditorium of Godwin Junior High School. For the S. E. section of the county, Wednesday, February 19, in the auditorium of Caledonia Junior High School.

For the Grand Rapids area and north section of the county Thursday, February 13, North Oakview Elementary School—all purpose room. All auditions start at 7:30 p. m. Applications for Share the Fun were due February 1, as minute entries may be made by phone or mailed prior to the auditions in that section of the county.

Winners of the county finals, February 27, will represent the county in a district contest to select the representatives for State Show in August.

School doin's

During the activity period on Friday, January 24th, the former Miss Michigan, Miss Karen Jean Southway spoke at an assembly for girls only. All boys who tried to enter were promptly thrown out, verbally not physically, by Miss Southway. Your next question is "Southway talk about?" As for an answer to that, you'll have to ask one of the girls because I won't tell you.

Have you ever lost your car in the dark? The members of the Ski Club have a solution—they are selling bumper stickers which glow in the dark. If you buy one, you'll never lose your car in the dark again.

Last Friday, January 31, was Color Day at Forest Hills. Students and teachers were urged to wear the school colors, green and white, to help promote spirit for the basketball game with Lee High School. To be able to sit in the cheering section at the game, it was required that school colors be worn. On Thursday, the day preceding Color Day, the main question seemed to be: "What have I got that's Green?" If the school had had any visitors, they probably would have thought that the students were "green and white crazy."

During the activity period that same afternoon, the Junior and Senior High combined to watch a rather unusual basketball game. The home team consisted of faculty members challenged by Mr. Crouse's Crushers who are students. Both team played with a great deal of zeal, forcing the referees—Wayne Brown and Mike May—to be on the alert for fouls. The referees were probably the best that Forest Hills has ever had. It's not often that a referee is alert enough to call a foul for waving to someone in the crowd. For this particular game, Forest Hills had new cheerleaders. The "girls" did an excellent job of stealing the show from the basketball players. In real life the cheerleaders are boys. The home team was victorious; the score was 25 to 23.

If anyone has club news etc. that you would like to have printed please contact me, Sue Beach.

Chi-Rho youth group to hold roller skating party

The Chi Rho Youth Group of Cascade Christian Church are sponsoring a roller-skating party at the American Legion Big Wheel in Lowell on Wednesday, February 12, from 7 to 9:15 p. m.

The bus from the roller-skating rink will be at our church at 6:30 p. m. for those who need a ride.

STRENGTHEN AMERICA

Annual meeting of soil conservation

The Kent Soil Conservation Districts invite you all to attend The Districts' Annual Meeting, to be held at the North Park American Legion Legion Hall. The meeting will start at 8 p. m. After the election of officers there will be a presentation of awards to 12 farmers and one F.F.A. Chapter for their outstanding work in the field of Soil and Water Conservation.

All owners or operators of 3 acres of land or more in Kent County are eligible to vote in this election. There are over 1200 District Cooperators and over 4000 other people eligible to vote, but in the past we have been lucky to have 100 votes cast. The Directors would like to see more of you people at the meeting.

Robert Brouwer of Grand Rapids will show pictures of the Northeastern part of the United States. The title of his presentation is "Of Thee We Sing". This is a new set of pictures and any of the people who attended last year's meeting will agree: he does a splendid job.

So, let's all put February 13 on our calendar now, and plan to attend the meeting.

Where something new has been added!

Burdell Group meeting will be held at the home of Mrs. Richard Stockwell, 2545 Linda S. E., promptly at 9:30 a. m. on Tuesday, February 11. Mrs. Robert Titcombe will be co-hostess. Our guest speaker will be a member of the school board to clear up any questions on the coming bond issue. Everyone in this area is welcome, even though you may have no one in Cascade School.

Cascade Terrace Group meeting will be at the home of Mrs. G. M. Smith, 7325 Sheffield S. E., on Tuesday, February 11, at 9:30 a. m. Mrs. Robert Masten will be co-hostess. A school board member will be guest speaker with details on the bond issue. Remember everyone, we have "The Surprise Table" at Open House on February 6. Look for us. We'll be there with lots of surprises. Thornapple Thumbs Group meeting to be held on Tuesday, February 11, at 9:30 a. m. at the home of Mrs. Peter Vanden Bos, 7209 Burger S. E. Everyone please come and enjoy coffee with us.

Westway Group will not have a meeting in February.

Notice to all dancing students: Starting February 10, there will be only one dancing class. The classes are so small that we are combining them. Starting time will be at 3:30 p. m. and will be finished at 4:15 p. m. So, all those who have been coming at the later time, be sure and come earlier. Everyone plan to be picked up at 4:15 p. m. from this date on. Children are not permitted to stay in the building after the class is over.

Start off each day with a smile. That way you save all your grouching for the office, ride home, dinner table and PTA meeting.
