Siren to blow

The residents of Ada will hear the shrill of the fire siren fill the air over the town during this week and next, Howard Butts fire chief announced Tuesday.

A crew from the Michigan Bell Telephone Company will be sounding the siren to test the new fire phone set-up they will be installing.

The new system, which will take place of the manual way, is scheduled to be in effect by the end of the month.

Mr. Butts also stated that he hoped the Ada residents wouldn't be too alarmed with the siren blasts.

Object . . . Success

This letter is addressed to the many young women in high school who have no idea, or a very vague idea, about their educational future. "Do I want to be a teacher, a nurse, a dietitian, or what else could I be?" "If I plan to get married in a few years, should I even go to college?" "Is college really good for anything besides the degree which 'guarantees' a good salary?"

As a graduate of a liberal arts college, I would like to give you my answers to these questions. Very few of us know in high school what we want to do or be in our adult lives. A liberal education in the humanities and sciences gives us the opportunity to sample many avenues of study, and after graduation, many opportunities and careers are open to us. Teaching, social and civic work, the writing profession, science, business and industry all call heavily on the liberal arts graduate. The technical graduate mainly concerned with the ways and means of a specific aspect of business or industry, fills a definite and important need in our society. So also does the liberal arts grad, whose knowledge is more concerned with principles and ideas. The liberal arts course trains students in economics, psychology and other social sciences, in history, anthropology, languages, in oral and written expression. All of these areas of study are needed in the business and industrial world. Even if no employment is pursued after graduation, a liberal education contains the stuff from which one gains a full, rich appreciation of life.

The saying, "educate a man and you educate a man, but educate a woman and you educate a family," is shop worn and a bit trite, but none the less, worth repeating. For in today's family life, I think we will all agree that it is the mother who spends the larger share of time with the children, takes a greater interest in their school progress, and exerts a greater influence on their upbringing. If the mother has had the benefits of a college education, how much better prepared she is to do her job.

I was one of the majority of college girls who married shortly after graduation, and after my husband completed his services in the Army Air Forces, he returned to college for graduate work. We then settled down, raised a family of four, and now since our children are all in school, I have looked for the opportunity to do something outside of the home. Fortunately, a position as teacher in a nursery school was offered me and has proven to be a very satisfactory career. (College courses in child study, psychology, music and art being remembered and used.) My training in music prepared me to take over as organist and choir director when one was needed in our church. I belong to a Great Books Club, and feel the training and stimulation I received in college has carried over into my adult life so that I still want to learn and become better educated.

Mrs. George F. Herrity

At the present time we are searching for a contributor for this column next week. Please consider "success" as synonymous with happiness. If you are a doctor, lawyer, merchant, chief or assistant chief in your home you have a story to tell which could benefit our high school students in the formation of their lives. You may be able to inspire "the want" to be something in the life of a student.

Write Object Success, Box 128, Lowell, Mich.

Jacob Baker, 93 dies following long illness

Jacob G. Baker, aged 93, of 3357 East Paris Road S. E. passed away last Tuesday, February 4, at his home after a long illness.

Mr. Baker is the father of Cascade Township Supervisor Gerrit Baker.

He was born in the Netherlands, but came to Grand Rapids at the age of 13. Mr. Baker worked as a hand woodcarver for Widdicomb Furniture Company until 1908 when he moved to Cascade Township as a farmer. After moving to Paris Township in 1923, Mr. Baker was employed at a crating mill until his retirement about 20 years ago. His wife died in 1944.

Mr. Baker was a member of East Paris Christian Reformed Church for 55 years and was a former deacon there.

Other survivors besides his son, Gerrit, are five daughters, Mrs. Julius (Minnie) Split, Mrs. Peter (Clara) Yonker, Mrs. Wilbert (Anne) Hofstra and Miss Gertrude Baker of Grand Rapids and Mrs. Lambert (Tressa) VanderWeide of Cedar Springs; two other sons, William of Big Horn, Wyoming, and Harold of Waukegan, Illinois; a brother, Garret, of California; three sisters, Mrs. Jessie Neels, Mrs. Henry Tanis and Mrs. Tyse Hendricks, all of Grand Rapids; 23 grandchildren and 80 great-grandchildren.

Funeral services were held last Friday at the Zaagman Chapel with the Rev. William VanRees of the East Paris Christian Reformed Church officiating. Burial was in Oak Grove Cemetery.

Rangers conquer four opponents

The Forest Hills Rangers ran their season win mark to eight games with wins over perennial foes Lee and Kentwood. The Rangers stood tied with Wyoming Park for fourth place in the O-K League, both teams having 5-4 records. Forest Hills is currently riding a three game win streak, and meet tough Lowell Tuesday night.

The rugged Lee Rebels invaded Forest Hills and came away on the short end of a 65-60 score. The Reb's big rebounders, Greenwold and Chaffee, got into foul trouble early in the game and fouled out at the beginning of the second half.

Ranger rebounders Dunlap, Johnson, and Fisher found the going easier as they totaled 35 rebounds for the evening. Jim Jones again provided the scoring punch for Coach Jerry Dangle's crew with 16 points, and Steve Johnson added 13.

Dennis Mehling, a deadly out-court shooter and fine rebounder, led Lee with 19 points.

"Jug" Rivalry
Last Friday the Rangers journeyed to Kentwood for the initial battle in the newly created "Jug" rivalry. Students at both schools agreed on such a rivalry, and a jug was painted in school colors, to be awarded to the winner each year. Forest Hills was surprised in the first half by winless Kentwood, as the Falcons unloaded a blistering attack and sturdy defense at the cold-shooting Green and White.

Kentwood jumped to a 13-9 advantage at the quarter, while the Rangers loosened up and began to hit, and at halftime Kentwood had the edge, 25-23. Following the intermission, Jim Jones and Steve Johnson paced the Ranger attack as Dangle's men shook off the doldrums and hit for 36 points in the second half.

A superb defensive effort by all the Rangers held Kentwood to only 20 points in the second half and they emerged victorious, 59-43. Forest Hills fouled only eight times in the entire contest, and the Falcons never enjoyed the bonus rule. The Rangers cashed in on 21 of their 34 foul shots, and this provided the margin of victory. Jim Jones led the Rangers with 18 points, and steady Steve Johnson chipped in 12.

The JV squad also picked up two victories in as many games, and their season record is now 9-3.

Non-conference wins

The Forest Hills Rangers gained two big non-conference wins in two weeks at the ex-

Mrs. Hazel Kline, 75 Ada resident passes

Mrs. Hazel Kline, aged 75, of 7652 Fase Street, Ada, passed away on Monday, February 3, at her residence.

Surviving are a son, Leo Budd of Catalina Island, California; three grandchildren; several nieces and nephews.

Funeral services were held last Thursday afternoon in the Arsulowicz Brother's East Mortuary with interment in Rose-dale Memorial Park.

Tax entries are your responsibility

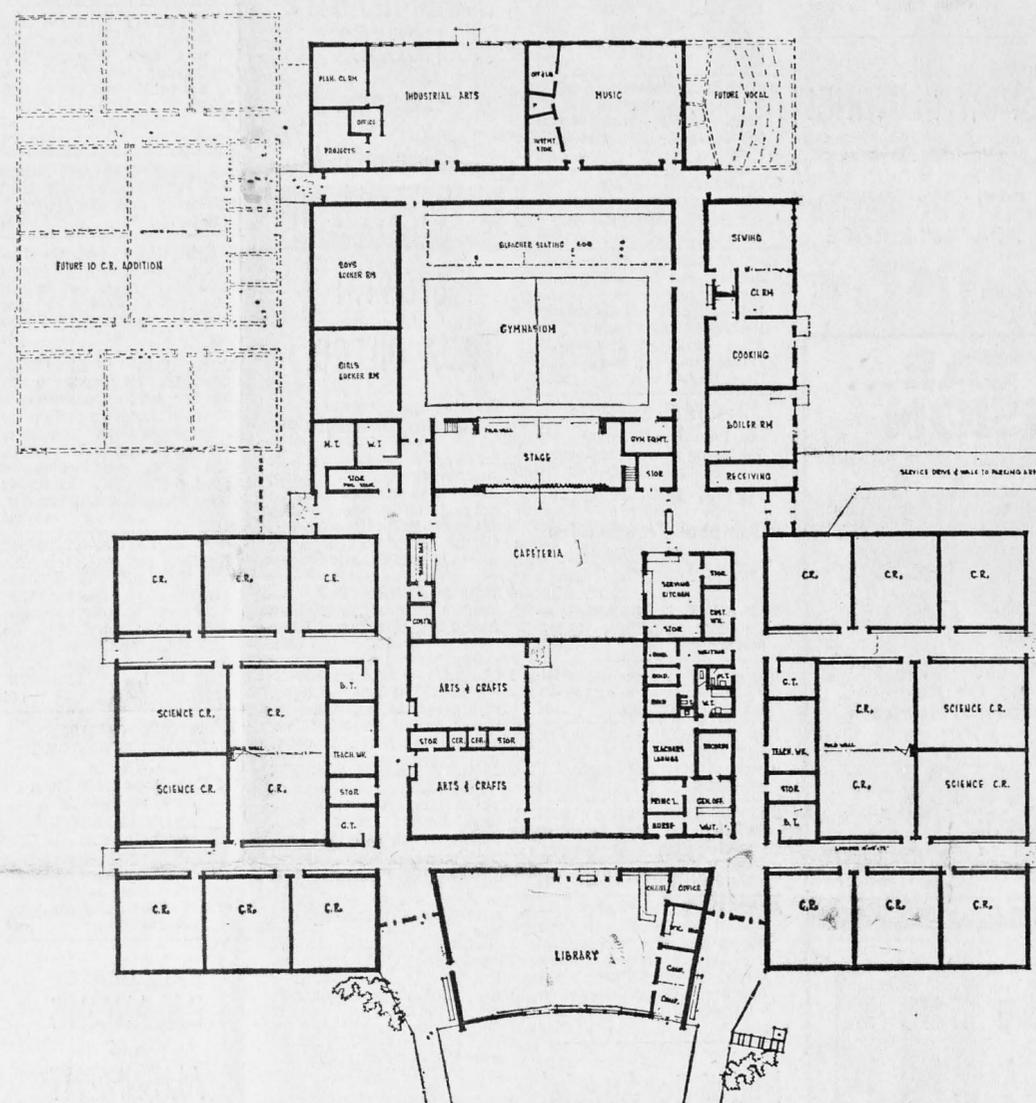

R. I. Nixon, Detroit District Director of Internal Revenue, has reminded taxpayers that they are responsible under law for all entries and supporting documents in their Federal tax returns, no matter who prepares the return.

The tax advisor, whether he is an Internal Revenue employee or a private practitioner, can rely only upon the information furnished by the taxpayer. His primary purpose is the transfer of information from the taxpayer to the proper places on the tax form.

Mr. Nixon suggested that taxpayers seeking professional help should review last year's return and read current instructions before gathering information for the advisor. Frequently, a deduction or item of income is missed because the advisor was not furnished the necessary information by the taxpayer.

Mr. Nixon emphasized that regardless of who prepares the return, the responsibility for filing the return and liability for any underpayment, interest and possible penalties are the taxpayer's.

Major portion of bond issue is needed for new junior high building

Junior high school plans

The Forest Hills Board of Education requests that the residents of the Forest Hills district finance and construct a new Junior High School. The new school will be the largest portion of the Bond Issue request submitted to Forest Hills voters at the Special Election called for March 3.

Student Population Outgrows Present Facility

The high school now houses the seventh through the twelfth grades. The maximum capacity of the High School is twelve hundred students. This enrollment has been reached in a few classes meeting in the multi-purpose lobby and many students placed in six classes a day, because of the lack of study hall space. An enrollment of thirteen hundred and fifty children is expected next year. This overcrowding is giving school officials some complex problems which must be answered for this next school year. During the next four years the enrollment will reach in excess of seventeen hundred students. Room for these students will be easily provided in the proposed Junior High School.

Improved Educational Program can be Planned for Seventh and Eighth Graders

The present seventh and eighth grades are sharing facilities with the senior high school. This educational program of instruction is improvised, making use of the space and equipment available after the Senior High school program is satisfied.

The new Junior High school will be planned to offer courses of instruction that are necessary for the Junior High school student. Basic academic courses will be supplemented with remedial courses for those students who need help with basic skills. Supplementary courses and projects will be provided for the advanced child. Basic academic courses will be supplemented with remedial courses for those students who need help with basic skills. Supplementary courses and projects will be provided for the advanced child. Basic introductory courses in the areas of Home-making, Shop, Art and Music will also be available for the 7th and 8th grade boys and girls. This separate facility will also separate the young adolescent from the Senior High school social climate.

New Junior High School Will Improve Senior High School Program

The student entering High School from an adequate Junior High school program will be more ready to achieve in the secondary school. Space will be available for the High School student. The space provided by the absence of the Junior High school will allow the High School to have adequate study hall space and to better utilize the library. An improved business education program can be developed to better serve the vocational interests of many girls. The space can be well utilized by the eleven hundred Senior High students expected in the next five years.

The space, plus the new Industrial Art, Homemaking and Music facilities, will give Forest Hills a school which can educationally serve all of the children who live in the district.

Construction Facts About the New School

The Junior High School, if approved, will be built on the back of the high school site. It will be entered from Ada Drive. This property is owned by the school district.

The capacity of the school will be six hundred students with a maximum capacity of seven hundred. The centralized facility and utilities will be oversized so as to accommodate an addition of three hundred students when needed. The structure will be one building with enclosed rooms. Windows will be minimized. The instructional area is well over average. Over seventy percent of the building will be used for instruction. The cost is estimated at twelve dollars per square foot. The total cost of building and equipment is estimated at \$880,000.00.

Stroke fatal to William Mitchell

William Mitchell, aged 84, of 7131 Driftwood Drive, S. E., died of a stroke last Wednesday, February 5, at Sunshine Hospital.

Until his retirement in 1944, Mr. Mitchell was a service manager for International Harvester Company's motor truck outlet here for 25 years.

Irving was his birthplace, but he moved to Grand Rapids in 1920. Since 1959 he has lived with a daughter and son-in-law, Mr. and Mrs. Wallace B. Jones. His wife, Maude, died in 1960.

Besides Mrs. Jones (Agnes) of Ada, he leaves a son, Charles W. of Des Moines, Iowa; five grandchildren and six great-grandchildren.

The Rev. Levi Goodwin officiated at the funeral services at the Sullivan Chapel last Saturday. Burial was in Garfield Park Cemetery.

coming events

The Thornapple Valley Artists will meet at 7:30 p. m. every Tuesday in the Cascade Town Hall. The group is welcoming any one interested in arts and crafts.

The Lowell V. F. W. Post will hold their monthly meeting on Tuesday, February 18, in their post rooms on East Main Street. All members are urged to be in attendance.

The Thornapple Valley Lions Club will present "Wings to Wonderland—Our National Parks" by James Metcalf at their travelogue on Monday evening, February 24, in the Forest Hills High School at 8 p. m.

Mr. and Mrs. Robert Meeuwsen will entertain the Snow Farm Bureau at their home on Grand River Drive, on Friday, February 21, at 8 p. m.

Winner announced

Mrs. Charles Buttrick, 3054 Buttrick Avenue, S. E. Ada, was the winner of the free box of St. Valentine's candy given away Tuesday, February 11, by Chuck Weston of Cascade Pharmacy.

The beautifully decorated heart-shaped box is a symbol that has been used down through the years to pay a compliment to a sweetheart, or as an ornamental greeting of sentiment on St. Valentine's Day.

February 14 is observed in honor of Saint Valentine, a Christian martyr of the 3d century. The sending of love tokens on this day, has no connection with the saint.

Mrs. Buttrick became eligible to win the gaint Valentine gift when she deposited her address label from the corner of a Suburban Life in a container at the pharmacy, Mr. Weston stated.

Junior High adopts orphan

Two rooms in the Junior High have recently adopted an orphan. It is a small boy almost five-years-old. His name is Kim Yung Fup, and he is a Korean orphan.

The two rooms have had in their planning money-raising projects to support the orphan. Among those they have already had are caroling and donations. Planned for this coming Saturday, February 15, is a paper drive.

This drive will be held at the high school. The time will be all day Saturday. If you have papers you wish picked up, please contact Miss Karen Ray, 949-3895. We would appreciate any papers you could give us.

Industrial commission organizes

Services held for Frank Warner, retired sexton

Frank H. Warner, aged 78, of 5408 Whitteville Avenue Alto, passed away last Tuesday, February 4, in the Grand Rapids Osteopathic Hospital.

Mr. Warner was the retired sexton for Cascade, Whitteville, Snow and St. Mary's cemeteries in Cascade Township.

Survivors include his wife, Jean A.; two sons, Robert L. in the U. S. Air Force, Larson Air Base, Washington and Deaton L. of Alto; two daughters, Mrs. Ralph (Evalyn) Lauby of Barborton, Ohio, and Mrs. Daniel (Donna Jean) Walma of Indianapolis, Indiana; a sister, Mrs. Mervin Schwab of Torrence, California; seven grandchildren; six grand children; and one nephew.

Funeral services were held last Saturday afternoon in the Metcalf Chapel with the Rev. Raymond Gaylor of the Cascade Christian Church and the Rev. James G. Ballard of the Whitteville Methodist Church officiating. Interment was in Cascade Cemetery.

IMPROVEMENT MEETING AT MARTIN SCHOOL, FEB. 17

Martin School PTA meeting will be held Monday, February 17, at 8 p. m. in the school.

This is a very important meeting involving all the people in the Forest Hills School system. Donald Crouse, Forest Hills senior high school principal will be the guest speaker. He will give all the facts and figures on the bond issue and special operating millage to be voted on March 3.

A complete run down of the program to be voted on will be handed out at the P. T. A. meeting. Come and be informed, bring a friend or neighbor.

At their second meeting on February 6, the newly formed "Industrial Commission" agreed to formally organize as a permanent non-profit corporation.

The members voted to establish a constitution and by-laws, select a name and elect permanent officers.

Al Heemstra is serving as temporary chairman. Wendell Champion is chairman in charge of organizing the commission. Lloyd Heneveldt and William Pullen were elected to the roster of chairmen members.

As stated in an earlier Suburban Life issue the commission hopes to promote a suitable development of zoned industrial parks and business communities to help support local school and township tax needs.

Cascade Township, being the only local township with permitted zoning, will likely receive first attention.

The group has been offered assistance from state and local government representatives and from the metropolitan Chamber of Commerce officials.

'Littlest Outlaw' will be shown

Ada P. T. A. will show "The Littlest Outlaw" on Friday, February 14, at 7 p. m. at the Ada School in the gymnasium.

This is an adventure-packed technicolor film of a boy and a horse that youngsters of all ages will enjoy. Tickets are priced at 25c and popcorn will be sold with parents present to supervise.

The movie will be over at 8:30 p. m.

BIRTHS

Mr. and Mrs. Richard Laird of 7119 Oran, S. E., are the new parents of a son, David Michael.

Hearts
Hearts and more hearts. We see them everywhere these days—hearts on valentines, heart-shaped candy boxes, big hearts and tiny hearts. We can't help concluding that there must be a lot of love around! I wonder how much of it is 18 karat quality?
Love is usually characterized by a desire to have, to possess, to be able to say "mine!" But if wanting or having is the main ingredient, it is a selfish love. It many even be so selfish that it cannot be called love.
Love of higher quality, though it still includes the desire to have, is just as eager to give. The wanting is tempered by a consideration of the welfare of the loved one. Such love has lasting quality. To run your life on selfish love is like running your car with tires unbalanced; they wear thin on one side, and blow out.
To be capable of unselfish love is a wonderful gift. It may involve self-sacrifice; but such a sacrifice is made gladly and so it hardly can be called a sacrifice. Such love fills the heart with satisfaction and joy that lesser love never produces.
Unselfish love is a reflection of divine love. Divine love gives. Yes, it also asks; it even demands. But first of all it gives. "For God so loved the world that He gave His only-begotten Son..." (John 3:16). And then He says, "Give me thy heart."
—M. Schoolland

Band students prepare for solo, ensemble contest

On Friday and Saturday, January 10th and 11th, four students from the Forest Hills High School Band participated in the District No. 10 All Stars Band. Ben Wilbur, trombone; Kathy Werner, alto-clarinete; Barbara Lee, clarinet; and Judy Clemence, flute, were the four band members chosen to represent our school.
The event was held in the Otsego High School, and the band members stayed overnight in the homes of the Otsego Band Boosters. The concert was on Saturday night under the direction of Mr. Dietz, the band director of Central Michigan University.

Contest Saturday
Several students are preparing for the Solo and Ensemble Contest which will be held at the West Ottawa High School in Holland on Saturday, February 15. This event is for both junior and senior high students.
Soloists playing in the junior high division are: Marion Belding, flute; Mary Banta, flute; Jane McDuffee, French horn; Larry Hatherly, baritone; Debbie Postma, cornet; and Chuck Cribley, drums.
Soloists performing in the senior high division are: Judy Clemence, flute; Bill Shryer, clarinet; and Ben Wilbur, trombone. Two ensembles will be performing in the senior high division, a flute duet with Judy Clemence and Mary Banta, and a brass sextet with Jim Hamp, 1st cornet, Doug Van Horn, 2nd cornet, Jane McDuffee, French horn, Ben Wilbur, trombone, Larry Hatherly, baritone, and Rod Wilbur, bass horn.

Senior high division entries who win 1st division ratings are eligible to enter the state contest on March 21, competing against other groups from around the state which received a 1st division in their districts.

Women's Guild to hold Valentine coffee Friday
The Women's Guild of the Knapp Avenue Reformed Church cordially invite all the ladies of the community to a Valentine Coffee to be held at the church house on Friday morning, February 14, from 9:30 to 11:30 a. m.
A short service will be held at 10:30 a. m. in observance of World Day of Prayer.
This will be a fine opportunity to meet other ladies in the neighborhood.

We can't figure out why so many people are criticizing our foreign policy. We are still getting along with the Philippine Islands.

Horizon Club keeps busy

The Forest Hills Horizon Club T.N.T. has been very busy since its start in November.

Miss McEvoy, English and French teacher at school, is the sponsor of this group. The officers are as follows: Joy Dannenberg, President; Jane Kemp, Vice President; Carol Slater, Secretary; and Sue Malloy, Treasurer.

At Christmas the club helped a needy family by giving a basket of food, clothing and toys. They also cared for the Maple Grove Facility.

They had a bake sale on January 25, which so many of you kindly supported. All the proceeds from this sale went to the March of Dimes.

One of the recent projects was to make placemats for the food trays for the residents of Maple Grove.

On February 29, this busy service club will hold a car wash. Will you keep this date in mind to get all of that winter slush and salt off your cars? The exact place or places where this car wash is to be held will be announced in the Suburban Life at a later date.

State Police need recruits

An unusual opportunity for young men to enter upon a highly interesting professional career with security has been opened up with Governor Romney's recommendation that the Michigan State Police enlist 200 more Troopers. Sgt. Oscar Berland, commander of the Rockford post, states:

"An intensive recruiting drive is now underway to obtain recruit candidates, and interested young men are invited to call at any State Police post or write to the State Civil Service Commission at Lansing for details and application forms.

The additional officers are needed because of the shortened work week, rapidly mounting traffic toll, interstate expressway patrols and increasing volume of criminal activities, Sergeant Berland said.

Right at the beginning of the training school the recruit goes on the payroll and in the trooper rank alone, with regular step increases, earns more than \$7,200 annually. Promotions bring higher pay.

To be eligible young men must be between 21 and 29 years of age, single or married, not less than five feet 10 inches in height and have a high school education or its equivalent.

"This is a prestige career and young men are urged to inquire about it and fill out an application form, but do it right now," Berland said. "Although applications may be made at any time, they must be received by the State Civil Service Commission by February 28 to enter the next school, which starts in May."

A small school already scheduled begins March 9th with the big school opening in May and others following later to bring department strength up to 1,339.

NOT SO SMALL

Those "little" mile markers along Michigan's freeways are not as little as you may think. Those with two digits are a foot wide and two feet high. Signs with three numbers are a foot higher.

The numbers are six inches high.

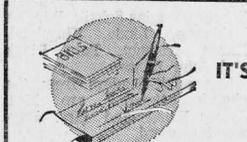

"Any smaller and motorists traveling 70 miles an hour wouldn't be able to see them," the State Highway Department says.

The green and white, reflectorized markers denote the exact number of miles from the state line, from west to east and south to north.

Wednesday, February 19, Lenten Mass at 6 p. m. No St. Robert Teens Choir practice.

Present awards to local men

Twelve farmers and one F.F.A. Chapter will be presented with awards at the Kent Soil Conservation Districts Annual Meeting.

Ray Foley, Ada twp.; Robert Norman, Courtland twp.; Forrest Squires, Courtland twp.; Kenneth Henry, Bowne twp.; Don Yeiter, Lowell twp. will receive District signs from the Northeast Kent District.

Erwin Klenk, Sparta twp.; Henry Martens, Plainfield twp.; Anderson Brothers, Sparta twp.; Ben Pattock, Byron twp.; and John Post Jr., Gaines twp. are the sign winners of the Northwest Kent Dist.

In addition to these awards each District has a plaque to award to the outstanding conservation farmer in their respective District. The winner in the Northwest District is Good-fellow Brothers, Sparta twp. Frank Kwiatkowski and Son of Solon twp. is the winner in the Northeast District. The Sparta F.F.A. Chapter also will be presented with a plaque for the work done on their school forest.

Plan to attend the annual meeting and bring your friends along. There will be a program given by Robert Brouwer and refreshments served after the meeting. The place is the American Legion Hall at North Park; the time is 8 p. m., February 18th.

Predict big travel year in 1964

The biggest travel year ever is ahead in 1964, Automobile Club of Michigan predicts.

"We expect that there will be an increase of 15 per cent in travel by Michigan residents this year," said Jerry E. Fisher, Auto Club touring manager.

This means that 1963, already posted as a record year for travel will be bettered. Last year Auto Club plotted 582,847 travel routings for its members, a boost of over 10 per cent over the previous year.

At the same time, the Club's travel counselors made up 8,159, 858 Tripticks, almost a 10 per cent increase.

The New York World's Fair, opening April 22, will start the travel boom and will spark trips by Michigan residents this year, Fisher believes.

"It's a relatively short drive to New York, and already the number of inquiries indicates that Michigamians in large numbers are thinking about going," Fisher said. "As time goes on, more and more excursions, or package deals, will be offered, too."

The completion of the Interstate freeways through Michigan will facilitate travel to the Fair, Fisher pointed out. It will be convenient for outstate motorists and as a result Michigan tourism will benefit.

"Some will take a direct route to New York, of course, but there will be many who take a circuitous route to see Michigan's attractions, either going or returning."

Fisher also expects a big increase in camping this year, based upon the interest that was evident toward the close of last year. Already, he declared, there have been many inquiries and the Club's new outdoor guides are being revised and prepared to meet the heavy demand.

Michigan resort centers are being helped by the tremendous interest in winter sports and this also should be an important factor in pacing state tourism to a good year, according to Fisher. If the weather cooperates the remainder of the winter season, recreation areas may have an excellent year despite the unseasonable temperatures in January, he said.

Besides the New York Fair and Michigan itself, Fisher predicts that based upon travel trends the last few years, Florida, East Canada, California, The Smoky Mountains and Alaska will be popular destinations, probably in that order.

March of dimes results

Mrs. Louis VanderKaay, Kent County Mothers' March Chairman, announces the township results of the successful drive which ended Thursday, January 30.

Ada, \$414.19 Chairman, Mrs. B. Rooker, 6441 Ada Drive, Ada, Michigan.
Bowne, \$246.20 Chairman, Mrs. James Willyard, 8339 Timpson, Alto, Mich.
Caledonia, \$552.37 Chairman, Mrs. Wayne Finkbeiner, 7000 Broadmoor, Caledonia, Michigan.
Cascade, \$703.75 Chairman, Mrs. James Banta, 1885 Spaulding, S. E. Grand Rapids, Michigan.

Michigan ranks first in the United States in the production of dry beans with 41 per cent of the crop, according to MSU crop scientists. In this total, Michigan produced 99.4 per cent of the pea beans, 87 per cent of the yellow-eyes and 90 per cent of the cranberry beans in 1963.

Day of Prayer services set

The World Day of Prayer Service, February 14, 1964, based on the theme "Let us Pray," was prepared by Dr. Madeleine Barot, executive secretary of the Department on the Cooperation of Men and Women in Church, Family and Society of the World Council of Churches, Geneva, Switzerland.

On that day, the world around, Christians of all confessions of all nations, of all races will be united in prayer for each other and for the needs of the world.

From dawn in the islands of the Pacific, that invisible stream of prayer will move around the world until it comes to us.

All the women from the community are invited to attend World Day of Prayer Service at the Ada Community Reformed Church tomorrow, February 14, at 1:30 p. m., and to the Trinity Lutheran Church at 2700 East Fulton at 1:30 p. m.

hospital notes

Mrs. Lyle DeArmond of 6469 Wendell Avenue, S. E., underwent major surgery Monday morning at the Grand Rapids' Osteopathic Hospital.

Miss Jane Nurnberger of Cascade Road, S. E., remains a patient at the Blodgett Memorial Hospital. She underwent additional surgery Monday morning.

Mrs. S. M. Newman of Nemrod Road, S. E., is a patient in Blodgett Memorial Hospital for observation and treatment.

44 fire runs made in 1963

Cascade Fire Department reports a total of 44 fire calls for 1963, in addition to several assists to other departments and several rescue runs with the emergency car. Grass fires again headed the list with 29 calls. Careless burning of rubbish caused 13 of these.

There were 8 dwelling fires, but loss was held to only about \$3,050.00 total.

Lightning struck 3 barns and only one of the three was saved. This caused the greatest loss, totalling about \$10,775.00.

Despite the number of building fires, it was considered a good year because of the great amount of property saved. The firemen made good stops on all dwelling fires and on one barn.

Burn House

On Monday night, February 3, firemen burned the house next to the fire station for training. The house belonged to Mrs. Nick Stellin, who wanted the house removed and gave the firemen a donation for their efforts. The burning was especially beneficial for some of the new firemen who gained knowledge and confidence in themselves and their equipment.

The house had to be burned under complete control all the way because of proximity to telephone and power lines and also a gasoline service station.

Mink coats and stoles pick up much of their expense because of the viciousness of minks. Tranquilizers are being used by Michigan State University researchers to calm the minks so they can be raised in colonies rather than individually in cages without damage to pelts from fights and bites.

Crash wagon stolen from Cascade Airport

A crash wagon, valued at \$8,000.00, was stolen from the Kent County Airport February 4, and wrecked by an intoxicated 21-year-old Howard City man.

The truck specially equipped with fire and first aid equipment was being used at the airport for airplane accidents.

Following a collision with a culvert, the man was treated at Blodgett Hospital for cuts and bruises, and upon being released, was taken to the county jail.

Before stealing the truck, the unidentified man smashed his father's late model car, near the airport on Whitneyville Road.

Puppets to give 2nd performance

The puppets are coming to town again. We have had so many mothers and children ask when we were going to have another Puppet Show, that we have decided that Saturday, February 22, would be a good day.

The time is 1:30 p. m. in the Multi-Purpose Room at Forest Hills High School. The price for children is still only 25 cents and 50 cents for adults.

Cousin Jean is the puppeteer and we are sure you have seen her on television with Uncle Johnny. Her real name is Mrs. Jean Reges. Jean is bringing us an all-new show this time. We will see Puff the Magic Dragon, along with the darling story about the Town Mouse and Country Mouse.

Cousin Jean will bring her guitar and we will all do some folk songs together. No puppet show would be complete without Punch and Judy, and so Jean has added them to her troop this time.

There will be a mother at all Forest Hills' Schools to sell tickets on February 18 and 19 (Tuesday and Wednesday) at lunch time. Tickets will be sold at the door. If you remember the crowd we had at the last Puppet Show, you will want to get your tickets early.

Annual Youth Fellowship meeting February 14-15

The West-Central District of the Disciple of Christ Churches are holding their annual mid-winter World Fellowship Youth Meet at the First Christian Church in Ionia, Michigan, on Friday and Saturday, February 14 and 15.

The young people who are attending from the Cascade Christian Church are Cheryl Crum, Dennis Byerly, David Byerly, Mary Ellen Oats, Almeda Oates, Sondra Monroe, Louise Wygmans, Malissa Hamp, Cheryl Schalk, Douglas Schalk, Douglas Dykhouse, Linda Kingsland, Karen Crisman, Pam Plank and John Banta.

The adult leaders from the church attending are Mrs. James Banta and Mrs. Raymond Gaylord.

One of the guest leaders at the Retreat will be Joe Popma, Principal at Martin School.

Women's Fellowship to view film on India

Christian Women's Fellowship of the Cascade Christian Church meets for its monthly meeting Tuesday, February 18, at 8 p. m. in Fellowship Hall.

The main part of the program will be a film entitled "The Potter's Wheel" which deals with the work of the American Bible Society in India.

Mrs. Raymond Gaylord is in charge of the program. A most cordial invitation is extended to all ladies of the church and community.

THE DREAD GUEST

School doin's

February 3, 1964 was Student Exchange Day, which was arranged by the OK Conference Student Council. Sue Waterman and Kent Fisher exchanged with two students from Lee High School and attended their classes for the day.

Auditions for the annual Variety Show, sponsored by the choir, started on February 4th. At this time there are 30 acts signed up for auditions. The Variety Show will probably consist of 20 to 25 acts depending on the time. This year the theme is the New York World Fair. The Variety Show will start on March 19 and continue through the 21st with an afternoon matinee on that date. The time will be announced later.

The Spring Concert sponsored by the choir will be in the form of a musical travelogue called America the Beautiful and narrated by Phillip Fletcher. The travelogue will use pictures and promises to be quite unusual so plan on attending.

The Student Council has approved the Alma Mater written by G. Lamin. The words are as follows:

In the land of Michigan, Stands a school known far and near. For it is our Alma Mater, That we hold so dear. Sing its praises, raise its banners, Green and white, you'll always be. Forest Hills my Alma Mater, Hail, hail to thee.

If you were ever to visit Forest Hills High School you would probably be surprised at the activities that go on in the rooms set aside for cold lunch people. A lot of time and energy is put into chess games. Usually there are two to four games being played with plenty of coaching from the spectators. Of course, basketball is practiced at this time. The lunch bags flying toward the waste basket make it dangerous for any one not proficient at dodging and ducking. Perhaps you might even find a banquet. This past week a group of girls joined forces and proceeded to throw all diets to the wind. There was only one complaint — too much to eat.
