Voters say yes

In a record turnout of 2243 Forest Hills voters on Tuesday, the 1.6 million dollar bond issue was approved, 1275 yes to 923 no. The voters also approved 6 mills of operating millage for two years by a margin of 1344 yes to 880 no.

Donald G. Crouse takes new position at Cass City schools

Donald G. Crouse, Forest Hills High School principal, revealed this week that he has accepted the position of superintendent of schools at Cass City. Crouse came to Forest Hills in the summer of 1962, after having served as principal of the Ithaca High School in Gratiot County. He holds a BS degree from Central Michigan University and a Master's degree from the University of Michigan. He spent two years in Ithaca, prior to that he was principal of Dryden Community High School. He was a teacher and guidance director in the Flint-Atherton high school before going into administration.

coming events

The Mothers' Club of Ada Christian School will meet on Thursday, March 12, at 8 p. m. at the school.

Snow Community Secret Pal's Club will hold their annual party at the W.S.C.S. Hall on 36th Street, on March 17 at 8 p. m.

The OES of Ada will hold a Superstitious Fish supper on Friday, March 13, from 5 to 8 p. m. in the Masonic Hall in Ada, corner of Bronson and Main Streets. c46-47

Joint meeting planned for fellowship

The Christian Women's Fellowship and Christian Men's Fellowship of Cascade Christian Church will have a joint meeting on March 12 in Fellowship Hall beginning with a dinner at 6:15 p. m.

After the dinner, we will be privileged to hear Dr. Kenneth Potee, Missionary from India, who will no doubt give a most interesting talk. We are hoping many other group members will attend.

Reservations should be made not later than March 10. Call Mrs. Osmer at 949-1787. The dinner will be \$1.25 per person.

There are a lot of good ways to become a failure, but never taking a chance is the most successful.

New York and Washington bound

Ada Public School to show 'Cinderella' film

The Ada Public School PTA will show the Walt Disney technicolor production of Cinderella on Friday, March 6, at 7 p. m. in the Ada School gymnasium. Admission is 25 cents for both children and adults. The entire family is invited to view this delightful story that never grows old.

Several parents will be on hand to supervise. For those parents who will be picking up their children, the movie will be out at 8:30 p. m.

Pop and popcorn will be sold at 10 cents before the show and during the intermission. All profits will go to the Ada School Library Fund.

Over 500 children to protect teeth

Over 500 children in our Forest Hills area will receive the protective tooth decay preventative, topical fluoride, this summer.

The parental response to this through combined efforts of all health agencies in Michigan, is an encouraging sign of the educational efforts of our health departments.

In 1948 a U. S. Public Health service team was invited to set up demonstrations of this program in various communities. One senior dental student conducted the first program in 1949 in East Lansing. Other communities followed suit, so that in 1963 two hundred centers in Michigan were conducted and over 45,000 children received the benefits of these protective treatments.

Consent cards have been mailed this week to parents of eligible children. Fees must be in the return mail by March 12th. By law, this program is non-profit. The fees are governed by the cost of the program.

Mrs. Raymond Gaylord is chairman of the program this year and appreciates the tremendous response of our Forest Hills' parents.

PSYCHOLOGIST DEFENDS CHRONIC DAYDREAMERS

Feel guilty when you spend time daydreaming? Don't, says psychologist Jerome L. Singer of Columbia University's Institute of Psychological Research. A study of frequent daydreamers, he says, shows them to have a high degree of self-awareness which, if translated into action, affords a definite edge over non-daydreamers in achieving goals that bring the greatest satisfaction. Daydreamers, the study shows, are more creative and resourceful and have a greater capacity for original thinking. Unfortunately, the daydreamer frequently lacks the patience to plod along when the going gets tough and usually looks for the easier way, the short cut to making his dreams come true.

Four high school juniors, left to right: Rita Wilcox, Sally Dustin, Robin Smith and Bea Lynn Dykhouse, members of the Christian Youth Fellowship at Cascade Christian Church, will leave Friday, March 13, for a week at the International Affairs Seminar in New York City and Washington, D. C. Accompanying the young ladies will be Mrs. Robert Smith (standing) and her husband, who will serve as adult chaperones and leaders in the Seminar as well. The Seminar is being conducted by the United Christian Missionary Society.

Joining sixty other young people from Christian Churches (Disciples of Christ) across the nation, they will delve into international and national government.

The first part of the Seminar is spent at the United Nations—

Object . . . Success

Parents and educators, people who know what is good for high school students, are always hammering away at them with "do this, study that, make something of your life." This encouragement should be rewarded.

My work is perhaps more fascinating than the work of the astronauts. I don't expect the president to pin a medal on me for my work but I gain so much personal satisfaction from it, I need no public recognition.

Public welfare has become organized, even though it is understaffed, it is improving all the time. It has dedicated people earnestly trying to alleviate poverty. Getting to the roots of the people's problem, as I do, opens the eyes and hearts and you automatically become dedicated.

There are three classes of people in the U. S. A. as well as other parts of the world, the poor, middle and upper class. It is the poor and uneducated that we worry about. Poverty is a disease we have been treating but not curing as rapidly as we'd like. Welfare officials are thinking of filling heads in terms of educating, rehabilitating and teaching skills instead of merely filling stomachs. The high school drop-out among families receiving aid is twice as high as in other areas.

If you are asking yourself, "what can I do to help?" I can offer a few suggestions. Our newspaper keeps the public informed of our local needs, read them. Take a walk through some of our run down areas and picture beautiful well equipped schools for families of our poor. Then vote positively when confronted with tax issues concerning welfare and education.

With your help we can lick poverty and in turn create a brighter economic picture for all.

Sincerely, John A. Victor

Object Success is a column written in the form of personal letters to help our high school students in the formation of their lives. Please write us some of your experiences which may assist them in deciding upon a vocation or to encourage them to seek ample education to benefit them all their lives. Write Object Success, Box 128, Lowell, Mich.

The number of permutations possible on a 10-bell ring is 3,628,800. It would take 105 days of continuous ringing to run through all the possible changes. The human ear stops hearing at a 20,000 cycles-per-second range, dogs at 50,000 and bats at 90,000.

with the latter part spent in Washington. The seminar includes numerous tours and visitations, addresses by prominent members of governmental and church circles. Time is allotted for sightseeing as well.

The Cascade Church youth and their advisors are planning to attend church services at Marble Collegiate Church in New York City and will have two dinner meetings at National City Christian Church in Washington. This is the church President Johnson attends.

The group will journey via auto and will drive through Canada, stopping over at Niagara Falls.

The C. Y. F. of the Cascade Church has raised nearly a thousand dollars to send these girls (and six others that went in January) to the International Affairs Seminar.

A recent chicken dinner at the church produced \$180.00 in profits, and the C. Y. F. wishes to thank all persons who supported them in this project.

Sunday Schoolers learn about India

Namaste! Jai Hind! Greetings from India. These are the sounds that will reach the ears of the boys and girls of the Cascade Christian Church Sunday School on March 12 from 4 to 5 p. m.

At that time, the Christian Women's Fellowship of the church will sponsor a missionary hour for all children in the first through the sixth grades.

Dr. Kenneth Potee, who was a missionary with 30 years service in India, will speak to the youngsters, creating for them the atmosphere and feeling of the country and its people.

Parents are asked to be responsible for transportation. The time again—March 12. Place, Fellowship Hall of Cascade Christian Church from 4 to 5 p. m.

Register 314,804 motorboats in '63

A total of 314,804 motorboats—ranging from low horsepower puddle-jumpers in the most popular under 16-foot class all the way to the sleek Delphine, a longer than 65-foot yacht owned by the late Horace Dodge—were registered by the Secretary of State's office in 1963.

Secretary of State James M. Hare said that of the total, 93.2 percent or 293,696 boats were outboards.

Heaviest registration was in the less than 16-foot class—a total of 252,141. Next most popular size was the 16 to 26 foot class, where 55,817 boats were registered. Less than 5,000 boats were registered in the 26 to 40 foot class, and only 536 were recorded in the 40 to 65 foot classification.

Aluminum, possibly because of its light weight, edged out wood as the most popular hull material. Of the boats identified by hull construction, aluminum recorded 88,281, while wood had 84,462. Plastic was growing in popularity with 43,461 registrations, while steel trailed with 18,312.

Read the classifieds today!

Memorabilia needed for compilation of Cascade Christian Church History

The Church History sub-committee of Cascade Christian church's Centennial Committee issues a plea for materials which will help in compiling the history. Any or all articles pertaining to Cascade, as well as

to the church, are desired, such as photographs, letters, programs of events, diaries, newspaper clippings.

Anyone having such memorabilia he is willing to loan is asked to bring or mail it to Mrs. Roger I. Wykes, jr., 2875 Cascade Springs Drive, S. E., Grand Rapids 6. Or call 949-1333 and a member of the committee will pick it up.

Names of people pictured, the date taken, and the occasion, should be pencilled on the backs of photographs, and the owner's name should be attached to them, as well as to all other materials, to insure their return.

Members of the history committee are Ralph Fosner, the Reverend Raymond Gaylord, pastor, Mrs. John Hamer, Charles King, Miss Agnes Linsley, and Mrs. Wykes, chairman.

Fashion show on March 12

The Collins School PTA invites the public to attend "Spring Fantasy", a fashion show to be presented at Forest Hills High School Multi-Purpose Auditorium on Thursday, March 12, at 8 p. m.

Mrs. Don Strazisar, General Chairman, promises a delightful evening of spring fashions, with commentary by Mrs. Marge Svedas of the Debonaire Shops of Lovell and Ada.

Coffee and dessert will be served under the direction of Mrs. Curtis Amundson. You will have an opportunity to win one of the many prizes planned by Mrs. Spencer Rich.

Other chairmen are: Hospitality, Mrs. Robert Willard and Mrs. Hardy Ensing; Publicity, Mrs. Edward Bunda and Mrs. Gale Anderson; Tickets, Mrs. Barbara Treleven; Models, Mrs. William Blackport; Decorating Committee, Mrs. Roger Sturdivant, Mrs. Harry Luehrs and Mrs. James Jarrad.

Collins PTA members who will model the fashions are: Mrs. Gale Anderson, Mrs. Robert Bakeman, Mrs. Ronald Broersma, Mrs. Edward Bunda, Mrs. Richard DeVoe, Mrs. William Idema, Mrs. Jack Lane, Mrs. Thomas Marmon, Mrs. Walter Penschbacher, Mrs. Phillip Stout, Mrs. Howard Vanden Berge and Mrs. Fred Vander Ploeg.

Reserve March 12 for an evening of relaxing entertainment, in addition to aiding a worthy cause. Tickets will be available at the door. Proceeds will be used for additional teaching aids at Collins School.

Lenten hymn sing at Cascade Church Mar. 15

There will be a Lenten hymn sing at the Cascade Christian Reformed Church on March 15 at 9 p. m. Everyone in the community is cordially invited.

Cornie Brouwer will direct the singing with Rev. Arthur Verburg at the organ. Mrs. Ruth Boss will play the piano.

Special music will be presented during the evening.

BIRTHS

Mr. and Mrs. Donald L. Heaven of Burton Street, S. E., are receiving congratulations on the birth of a daughter, Gail Suzanne, born on Tuesday, February 25, at Butterworth Hospital. She weighed 8 lbs. 2 oz. at birth.

Mr. and Mrs. Dale Mayhall of Windcrest Drive, S. E., are the parents of a new daughter born at Blodgett Memorial Hospital last Wednesday, February 26. The baby weighed 7 lbs. 2 oz. and has been named Elizabeth Ann.

A daughter, Shelly Sue, was born February 17 at Butterworth Hospital to Mr. and Mrs. Charles McBride of 3611 Knapp, N. E. The mother and baby experienced the new "rooming in" method.

Mr. and Mrs. Jerry Snyder of Knapp, N. E., are the parents of a daughter, Sherry Lynn, born January 20 at Butterworth Hospital.

Mr. and Mrs. Herbert Froese of 28th Street, S. E., are receiving congratulations on the birth of a daughter born on Friday, February 28, at St. Mary's Hospital. The baby weighed 7 lbs. 4 oz. and has been named Laurie Ann.

Airman 2nd Class and Mrs. Gary Fuller of Roswell, New Mexico (originally of Ada) are announcing the birth of a 6-lb 4-oz. daughter. She was born on March 1 and will answer to the name of Cynthia Diane.

Returns from vacation

Mr. and Mrs. Roland J. Cole of Behler Drive, S. E., have returned from a two-week vacation in Florida. While there, they visited Mrs. Cole's sister, Mr. and Mrs. Verne Baldwin, of Mascotte, Florida.

On their return trip from Florida, they visited with Mrs. Cole's niece, Mrs. S. E. Thurmond of Franklin, Kentucky.

Lions Governor to speak here

The Lions Club of Ada, Cascade area will welcome Ben Simon, District Governor, District 11-C, Lions International, which includes 53 clubs in this section of the state. Lion Ben Simon is manager of Alma Iron and Metal Company and President of Central Travel Service with offices at Mt. Pleasant and Alma.

He is a member of the Alma Lions Club, having served his club as President in 1958-59, Zone Chairman 1959-60; Deputy District Governor 1960-61. He has maintained a perfect attendance record for 14 years and holds a key membership. Lion Simon with his wife and two daughters resides in Alma. He attended Grand Rapids Union High School, Alma College and Michigan State University; is a veteran of World War II.

He is also active in community affairs and serves as a Director of the Central National Bank of Alma; President of Alma Industrial Development Corporation; is a member of B P O E, Alma Masonic Lodge, Bay City Consistory, Elif Khurafeh Shrine of Saginaw, and a Past President of Central Michigan Shrine Club.

Simon will visit the Lions Club of Thornapple Valley at the Masonic Temple in Ada on March 9. The purpose of the visit will be to advise and assist President Dr. Robert Paine, Secretary Merlin Hulbert, and the Officers, Directors, and members of the Club on matters pertaining to Lions administration and the Lions' great program of humanitarian service.

Lion Simon is one of the 408 District Governors who supervise the activities of more than 17,380 Lions Clubs. Lions International was formally founded in 1917 in Dallas, Texas, and during the past 46 years has become the largest, most active, and fastest growing service club organization in the world. There were on June 30, 1963 Lions Clubs in 122 countries or geographical locations of the world with a membership of 663,945. During the fiscal year 1962-63, 1,041 new Lions Clubs were organized.

The Lions Clubs' special mission is the promotion of good government and good citizenship, the development of civic, educational, social and moral welfare of the community and nation, and to help create and foster "a spirit of generous consideration among the peoples of the world." The slogan of the International Assoc. of Lions Clubs is "Liberty, Intelligence, Our Nation's Safety." Its motto is "We Serve".

The Thornapple Valley Lions Club is an active unit of the International Association of Lions Clubs, which is dedicated to community betterment in all its aspects; to national and economic, social and cultural progress; and to the promotion of International understanding and amity. In all these fields, Lions International has won strong influence and prestige, because of its countless constructive services.

This coming Saturday night, March 7th, the Thornapple Valley Lions will observe their 10th Anniversary with a dinner being held for members and wives.

Wendell Champion, chairman of the observance, said awards will be made after the dinner.

"Lions Charcoal Sale"

Charcoal ordered now will be delivered in April by the Thornapple Valley Lions Club. A Free can of starter will be given with each 5 bags of charcoal so get your order in now.

Call any Lion member or OR 6-1835 or 676-1631.

TW 7-9262, the number to call to place your want ad in the next issue of Suburban Life.

Rangers compete in tournament

The Forest Hills Rangers, finishing the finest season in their basketball history, with a 10 win and 6 loss record will play in the District Tournaments Thursday night at 8:30 at the Godwin Fieldhouse.

The Rangers will meet the winner of the Tuesday contest between Kentwood and Northview. By winning Thursday night the Rangers will advance to the Class B District finals on Saturday night at 8:30 at the Godwin Fieldhouse against the winner of the Caledonia-Kenowa Hills game.

The winner of the Godwin District will advance to the Regional tourney at Battle Creek Central High School next week.

Tickets On Sale

Tickets for the District Tourney will be on sale this week at the High School as follows according to Athletic Director Edward Shy.

Adult and student tickets for Thursday nights game between Forest Hills and the winner of the Northview-Kentwood game will be sold Thursday in school until 4:30 p. m.

If Forest Hills advances to the finals on Saturday night, both adult and student tickets will be sold Friday in school until 4:30 p. m. Also, adult and student tickets will be on sale Saturday morning between 11 and 12 in the gym lobby at Forest Hills High School.

Prices are \$1.00 for Adults and 50 cents for students.

Exploding fire cracker injures 4-year-old; damages parents' home

Joseph Mazie, aged 4, son of Mr. and Mrs. Samuel Mazie of 3970 Knapp Street, N. E., was treated at Blodgett Memorial Hospital last Friday for burns on his face, hands and chest from an exploding firecracker. His parents said they were unable to determine where he obtained the explosive.

This exploding firecracker also started a fire in their home that caused damage totaling \$2,600. Firemen of No. 13 Engine House said the fire that started in a bedroom did \$1,800 to the structure and \$800 to the contents.

On 'dean's list' at college in Iowa

Miss Patricia Cole, daughter of Mr. and Mrs. Roland J. Cole of Behler Drive, S. E., was one of 110 students to be named to the dean's list at Graceland College in Lamoni, Iowa. Students who received a 3 to 3.49 point average received this honor.

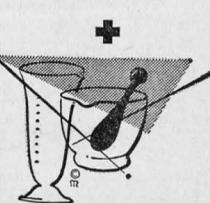

Graceland College is sponsored by the Reorganized Church of Jesus Christ of Latter Day Saints with their world headquarters in Independence, Missouri.

Patrick J. Sullivan on Aquinas honor roll

Patrick J. Sullivan, a senior of Aquinas College, has been named to the honor roll at the Grand Rapids co-educational College, it was announced today.

He is the son of Mr. and Mrs. James A. Sullivan, Route 1, Ada. The students on the Dean's List and the Honor Roll will be honored at a special convocation Saturday, March 7, at 10:30 a. m.

Always Cash On Tap
WITH A
LOWELL SAVINGS & LOAN
OPEN END MORTGAGE

Most everyone realizes that you build equity in your home as you make monthly payments on your mortgage. But many think that this equity must be tied up for the term of the mortgage.

Not so with the Lowell Savings & Loan financing plan. The equity you build in your home can be "tapped"—reconverted to cash when you need it. By using the "Open End" provision, you can usually reborrow up to 100% of the original loan at a later date for any worthwhile purpose.

And this without the high cost of refinancing... without red tape, its all part of the original Lowell Savings & Loan home loan. Get the details today.

The Old Timer

"Most folks who slap you on the back expect you to cough up something."

Sun rises late in this season

This is the time of the year when the sun likes to keep late hours.
 Because of its late rising and setting, the difference between the time as indicated by the sun and our clocks is greater now than at any other time of the year, says University of Michigan astronomer Hazel M. Losh.
 The sun is not a steady time keeper, because it does not move at a constant rate. It runs slow and fast alternately, but in a regular and predictable fashion. This is why we can adopt its average speed rather than its actual speed as a basis for our clocks.
 "We are in a season now when the sun is moving fastest eastward along the ecliptic, delaying its rising and setting, as timed by the sun's average speed.
 "One may think of the two suns as men running a race, the mean or average sun at a steady pace all the way around year track, while the real sun falls behind its opponent, and puts on a burst of speed and passes him.
 "At the present time of the year our mean time clocks are noticeably ahead of the sun as much as 14 minutes. With the correction for the Eastern Standard Time belt in the same direction, the net result is that according to our standard time clocks our afternoons are an hour and one-half longer than our mornings.
 "Consequently, the later setting in the evenings is quite noticeable, while the darkness stays with us in these cold mornings," Professor Losh says.

Despite heavy misgivings on the proven worth of astrology, there are 25,000 full and part time astrologers in the United States whose combined incomes reach \$250 million annually.

Soil and Water Conservation Elect local men to board of directors

More than 200 landowners and folks interested in soil and water conservation attended the Kent Districts annual meeting, February 18 at the North Park Legion Hall.
 Present directors Milton Wylie of Kent City and Frank Rasch, Alpine township were re-elected in the West Kent District as were Irvin Rodgers of Bowne twp. and Harry Yeiter, Lowell twp.
 Mr. and Mrs. Frank Kwiatowski and son, Steve, of Cedar Springs and Goodfellow Brothers of Sparta received plaques as outstanding District cooperators in 1963. The Sparta F.F.A. Chapter received a special plaque for their conservation projects. Educational work in their school forest won commendation.
 Ray Foley, Ada; Kenneth Henry, Alto; Robert Norman, Rockford; Forrest Squires, Rockford; and Donald Yeiter, Lowell were awarded green and white District Cooperator signs in the East Kent District.
 West Kent District award winners were: Anderson Bros., Sparta; Henry Martens, Comstock Park; Erwin Klenk, Sparta; Ben Pattock, Byron Center and John Post, jr. of Dutton.

Outside area guests were Norman Randall, West Michigan Soil Conservation Districts regional director of the South Muskegon District, George Graff, M.S.U. extension specialist and assistant State S.C.D. secretary complimented the Districts on their conservation accomplishments. He stated that Kent's directors are meeting the challenges of changing land use and multiple land use.
 Robert Brouwer again pleased the audience with his stereophonic panorama colored slides on "Of Thee I Sing".
 Your directors are appreciative of the following firms who donated door prizes. Chaney Limestone, Harry DeMull-tile trencher, Michigan Vitriified Tile

Co., Vern Wenger, Seed corn dealer and Rasch Orchards. Rockford, Caledonia, Cedar Springs and Sparta F.F.A. Chapters were represented.

We noted with interest the report given by Mr. and Mrs. Henry Martens of Plainfield twp. in the Lowell Ledger on the success of their bluebird houses last year. The Martens have an ideal location and elevation for these birds. If you happen to be out that way ask to see their spespedeza stand which provides food and cover for wild life.
 Albert Porritt, Bowne twp. has given barn swallows an assist by building a ledge for their nests under his barn eaves. Large quantities of insects are snatched "on the wing" by these birds.

Youthful driver offers courtesy and concern

A recent mishap on the Int. 296 Freeway, where it ends at North Park Street featured an act of courtesy and concern by a youthful driver towards an elderly victim.
 Injured slightly in the crash was Murel Ball of Route 2, Rockford, who was driving north on Int. 296, when his brakes failed at North Park Street and his car crashed head-on into the guardrails.
 Ball suffered a bruised hand and complained of dizziness, as a result of hitting his head.
 Paul Mazie, a 17-year-old student at Forest Hills High school, who was driving by, stopped and took care of Ball, remaining about 45 minutes until after Patrolman Ronald Boogard arrived and made a report. Paul then drove Mr. Ball home.
 Patrolman Boogard later stated "We've got hotrod kids in the news all the time, and young drivers are frequently criticized. It's nice for a change to be able to report about one who is courteous and goes out of his way to assist an elderly man."

Reasonable Christianity

Is Christianity just a hodge-podge of mysterious ideas that someone has thought up? Is it a collection of beliefs that contradict all reason? Is it a sign of ignorance to accept these beliefs? Or is Christianity reasonable?
 Perhaps you have heard the story of the little boy who found his own name coming up in his father's garden. Little plants thrusting through the brown earth spelled TOM very clearly. Tommy ran to Dad. "Who did that, Daddy? Who planted my name in the garden?"
 Daddy tried to look surprised. "What makes you think someone planted it? Maybe it just happened by itself!"
 Tommy declared with conviction that that could never be. And of course he was right. The only reasonable explanation was that someone had planted seeds just so.
 Doesn't the marvelously designed universe declare just as convincingly that there is a designer who planned and created all? We call him God. We acknowledge that his creation reveals an intelligence far beyond that of the wisest of men. Though we cannot see him, we admit that it would be unreasonable to deny that he exists, somewhere, or even everywhere!
 —M. Schoofland

Governor Romney Reports

New demands on education listed

While the basic purpose of education must continue to be to impart knowledge, our place in history imposes new demands on education.

First we must have education for freedom. Every young American must understand man's struggle for freedom—here in our own nation and elsewhere.

We must understand the sacrifices needed to win freedom and preserve it, the forces at work to destroy it, and the hard fact that every generation must prove itself worthy of freedom and be willing to sustain it.

We can no longer afford to relegate the citizen to an inferior role in our schools, or leave it to teachers incapable of

teaching more specialized courses in mathematics or languages.

Education for freedom must be the first—not the secondary or last—responsibility of our schools and colleges.

We must also have education for survival and victory. The menace to freedom and to free men posed by international communism has confronted our nation with its greatest struggle for survival.

Education must be a major force in demonstrating that freedom in the world will not just survive but will win.

The truth is on our side. This we must prove over and over again to our youth. We must prove it by comparing freedom with communism, not by isolating them for its false and synthetic theories.

It is the role of education to teach the truth—"Ye shall know the truth and the truth shall make you free."

Finally we must have education for peace. Another general war could mean the destruction of most of mankind.

But there are fates worse than death, and one is slavery. Although war is almost the ultimate calamity, we cannot place peace before freedom.

We cannot ignore aggression in any form. This we must make indelible to every American. But we must be certain there is no other alternative.

As the United Nations Charter indicates, wars must have their origin in the minds of men. It is to education, therefore, that we must look as our best hope for peace.

How good are your eyes?

How good are your eyes? If you're a gambler, you would win money betting that the other guy has defective vision. On the basis of statistics, the chances are slightly more than one in two that something is wrong with your eyes.

Close to 80 million Americans wear glasses. There are at least two million who have inadequate vision even with glasses, and about one million are blind. Every year another 30,000 Americans become blind.

To point up the problem of protecting the nation's vision, Congress has proclaimed the first week of March, 1964, "Save Your Vision Week."

There are many popular misconceptions and myths about vision. Some of them are discussed in Today's Health, the magazine of the American Medical Association.

Ophthalmologists (physicians who specialize in eye care) usually agree that there is no such thing as eye strain. Those pains and discomforts that sometimes follow long hours of watching a jumpy television screen actually are due to eye fatigue. Your eyes need to rest, too.

Children do not outgrow crossed eyes, and this condition should be treated as early as possible. Otherwise some loss of sight could result.

Good vision is important to safe driving of an auto, but perfect vision is by no means required. The driver who has a few drinks under his belt is much more dangerous than the nearsighted driver whose defect is reasonably well corrected with glasses.

Carrots do not improve the vision. Carrots contain vitamin A, but only a very small amount of it is needed and it is found in many of the foods we eat, as well as carrots.

The most common of the serious eye diseases, glaucoma, cannot be cured, but it usually can be arrested by treatment, and further loss of vision can be prevented. Regular checkups for glaucoma are most important, particularly to those past 40.

Cataracts, a lens disorder occurring most often in older people, can usually be corrected by surgical treatment. Loss of vision from a forming cataract can be slow and sometimes isn't noticed by the patient at first.

Children should have their first medical eye examination at the age of three or four, and should be re-examined each year. The small child may have grossly defective vision and not know it. This can wreak havoc with his schooling, in that he may not be able to read his text-books, or to see the blackboard. Many a child labeled stupid by teachers and parents was later found to be nearsighted.

What can you do to protect your vision?

The most important thing is to have regular eye examinations, preferably once a year. And make certain that everyone in your family gets a regular checkup, particularly the children. Any noticeable change in vision also is a clear tip-off that something is happening to your sight and that an examination is needed.

Hertz-Schmidt engagement told

The engagement & approaching marriage of Miss Carolyn Mary Hertz to Richard Karl Schmidt of Shaker Heights, Ohio, is announced by her parents, Mr. and Mrs. Victor P. Hertz of Indianapolis.

The future bridegroom is the son of Mrs. Karl F. Schmidt of Cascade Springs Drive, S. E., and the late Mr. Schmidt. Mr. Schmidt graduated from east Grand Rapids High School and the University of Notre Dame.

Miss Hertz is a graduate of Dwyer's Business College, Indianapolis. An April 18 wedding is planned in Indianapolis.

School doin's

The Latin Banquet was held on Monday, February 25, at 5:30 p. m. Sixty-five eighth-grade slaves served a three-course meal to one hundred and twenty Latin students. Added to the antics was a skit put on by some of the second year students.

Later this year the Speech classes will present three one-act plays using an arena theater. The plays under consideration at this time are: "Trifles" by Susan Glaspell, "Minnie Field" by E. P. Conkle, and "Neighbors" by Zona Gale.

Faculty members are in the process of choosing candidates for the National Honor Society. To be eligible for the National Honor Society, students must maintain a "B" average in all their subjects. 15 per cent of the Senior class is chosen, 10 per cent of the Junior class, and 5 per cent of the Sophomore class. The Sophomores, however, are taken only on a trial basis.

Forest Hills Teachers' Club met on February 6 in the high school library. Charles Alexander of the Michigan Educational Association spoke on "Professional Ethics." During his speech, he said that the dues of this organization are used for three purposes: (1) to help solve problems on the local level, (2) to improve the level of education in our schools, and (3) to promote vocational education. The M.E.A. works with book publishers for publication of better textbooks, also.

The Board of Education has asked the Teachers' Club to submit a Philosophy of Education. A philosophy was submitted at this meeting and turned over to a sub-committee headed by Mr. Miller for revision.

Delegates for the National Educational Association were selected on February 13 at North Godwin School.

On Friday, February 28, the Senior High was treated to an assembly put on by the Phi Lambda Fraternity Choir from Kalamazoo College. Their appearance was arranged by Jim Jackson, a member of the choir and a former Forest Hills student.

After their opening number, they sang two Broadway songs: "Light A Rose" and "Once In Love With Amy." Their quartet, "The Weasels," then did two numbers, the second "Down By The Old Mill Stream" in barber-shop style.

Having heard that the students of Forest Hills could sing, they proceeded to prove it by having the student body join them in song. Perhaps the high point of the Assembly was during the song "Standin' On The Corner Watching All The Girls Go By." Their version of a girl appeared. "She" wore a short skirt, a wig tied on by a scarf, men's shoes, and smoked a cigar. During "her" prancing around, she sat on the lap of one of the gentlemen in the audience and dropped "her" handkerchief about half way between two members of the choir. Strangely enough, neither seemed very anxious to pick it up. They closed with the "Phi Lambda Song."

Wednesday, March 4, being Business Industry Education Day, the sentiment of the students will be "Hurray, no school."

Mrs. Paul Gabriz to host Cascade team

The Cascade Team of St. Robert's Guild will meet tonight, March 5th, at 8 p. m. at the home of Mrs. Paul Gabriz.

All members are urged to attend this get-together so we can become better acquainted. Please come with your knitting, socks to darn or your favorite recipes and join in the spirit of "wanting to know you".

Will reign as '64 Easter seal child in county

Three-year-old Carol Geldersma will reign as the 1964 Easter Seal Child of the Kent County Society for Crippled Children and Adults, Inc., it has been announced by Irving R. Gillespie, president of the local chapter. Carol's picture will be carried on nearly 50,000 letters with Easter Seals which were mailed to county residents last week, January 27. Carol is the symbol of this year's campaign for voluntary contributions to raise money for aid to the handicapped in this area.

Carol, first came to the attention of the Easter Seal Society in March, 1963. Then, she was unable even to attempt walking, although she was over two and a half years old. Today, she is only days away from walking by herself. And, she can stand alone, to show everyone in Kent County why she was selected to represent the hope brought to hundreds of crippled children in this area by Easter Seals every year.

The daughter of Mr. and Mrs. Russell Geldersma, 7966 Timpson, S. E. in Alto, Carol was born with cerebral palsy. Mrs. Shirley Andrus, occupational therapist for the society, was visiting the girl's aunt, Mrs. Charlotte Johnson of Alto, last winter when she noticed Carol's inability to walk. She recognized the situation as appropriate for Easter Seal aid.

First referred to a clinic, Carol then was put under the supervision of Dr. Harvey M. Andre. In July 1963 Carol entered Mary Free Bed Hospital for three months. During this time she was fitted with leg braces, provided by Easter Seals. Recently, under Society supervision, Carol's father built a stand-up table for her. Soon, she will undergo physical therapy exercises, which eventually will permit her to achieve further physical gains.

Today, Carol joins in family activities with her three brothers and sister on nearly a normal basis. Soon, there will be education to think about, for she is a bright child. And, while Carol looks forward to even greater independence, Easter Seal officials predict a wholesome, useful life for her.

"When a man answers the phone he reaches for a pencil; a woman reaches for a chair."

Susan Averill engaged to wed Fred Wissman

Mr. and Mrs. Frank Averill, jr., 9074 Bennett Road, S. E., Ada, wish to announce the engagement of their daughter, Susan, to Fred Wissman.

The prospective bridegroom is the son of Mrs. Harry Wissman, 14144 Fifty-second Street, S. E., Lowell.

Miss Averill is a 1963 graduate of Lowell high school, and her fiancé graduated from Lowell in 1960.

No definite wedding plans have been made by the engaged couple.

Michigan licenses 4 1/4 million drivers

Nearly half of Michigan's population is licensed to drive motor vehicles—more than 4 1/4-million people.

The number of drivers in Michigan is at an all-time high, Secretary of State James M. Hare said recently. Increase in one year from 1962 was nearly 69,000.
