DREAM COMES TRUE...

As Arrowhead course opens

Memorial Day Week end saw a life-long dream come true for Vincent and Gene Kaye. That was the week end they first opened the Arrowhead Golf course.

The nine-hole course has been under construction for 4 years; and is located on 113 acres on Alden Nash Road between Two- and Three Mile Roads in Vergennes Township.

"This," says Vincent Kaye, "is an ideal location, centrally located between Lowell, Belding, Greenville, Parnell, Murray Lake, Grattan and Ada."

The best approach from Lowell, according to Mr. Kaye, is by travelling north on Lincoln Lake until you reach Bailey Drive, then turn right on Alden Nash, and follow the signs to 2170 Alden Nash, NE.

The owners didn't anticipate the opening of the first nine holes until the July 4 week end but because of public demand and pressure, they opened on Memorial Day.

The second nine holes is scheduled to open sometime in August. A third nine is in the planning stage, reported Mr. Kaye.

The fairways, situated on gently rolling land, take total advantage of the wooded areas, the creek and pond, to create hazards and obstacles in the course.

Par is 35

Par for the range is 35 for each nine. An average of 2,990 yards of driving range is included in the first nine; and 3,159 in the back nine.

The par for women is 35 for the beginning nine and 37 for the final nine. The ninth hole is the shortest with 179 yards and par of 3. All the other holes in the first nine have a par of 4 and run from 300 to 407 yards.

The tenth hole has a par of 5, and stretches for 512 yards. Hole number 13 has a par of 5 also, it is 460 yards long. The 12th hole is 264 yards, the 15th, 161 yards and the 17th is 218 yards long; each has a par of 3.

Arrowhead observes all of the United States Golfing Association rules for play. In addition, all courteous players should repair ball marks on the greens, replace divots on tees and fairways, and do not practice on the greens.

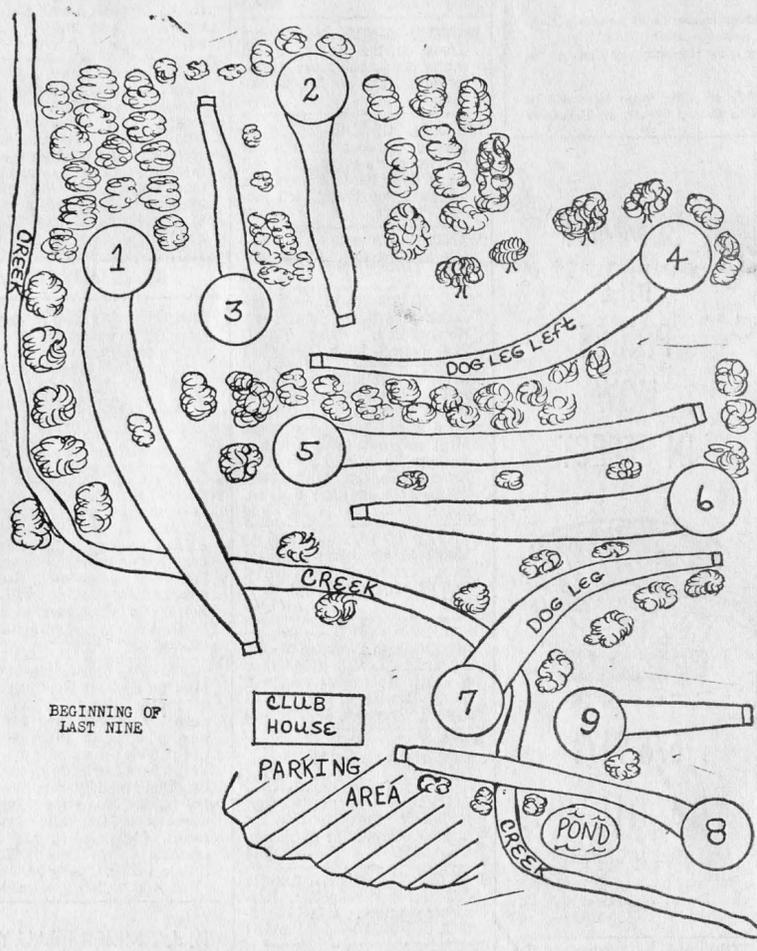

The course record for nine holes was established during the first week of operation, and is still held jointly by Len Kerr of Lowell and Carl Neilsen of Trufant.

Rent Equipment

While golfing equipment can be rented at the clubhouse, it is in limited supply. There are a few sets of rental clubs and carts, and several electric carts for those who are infirmed. The course, which is open from sunrise to sunset, daily, charges the nominal fee of \$1.25 for nine holes, and flat rate of \$2 for eighteen.

Arrowhead hosts two golfing leagues. On Monday evenings, the Amway Corporation of Ada plays in league action, and the Lowell Moose play on Wednesdays.

Free instructions are given each Tuesday morning to the younger set. The children are charged 75 cents for their golf.

Pictured above to satisfy the curiosity of local golf enthusiasts is a lay-out map of the first nine holes at the Arrowhead Golf Course. The beginning tee-off is located directly behind the clubhouse. The first three fairways are mostly straight and relatively simple shots. There is a dog leg left before the golfer reaches the

fourth hole. Five and six are straight shots, but seven is complicated by another dog leg and the creek passing through it. Difficulty is added to the eighth hole by both the creek and a pond. The last hole is a quickie. The second nine, scheduled for completion in mid-August, begins to the left of the clubhouse.

ing. A ladies' day with free instruction is being conducted each Thursday morning.

After a brisk trip around the nearly two-mile plat, golfers may return to the clubhouse and obtain sandwiches and soft drinks.

The clubhouse is constructed of stone and red wood, and contains a service and lounge area within its 30x60 foot circumference. The landscaping in this area is not as yet completed.

Kaye Brothers owners

Arrowhead is owned and operated by brothers, Vincent and Gene Kaye. Mr. and Mrs. Vincent Kaye live in Grand Rapids. Vincent was formerly a manager of a Grand Rapids office, a position he left to assume the management of the new business.

They plan to move into this area in the near future. Mr. and Mrs. Gene Kaye own a home near the premises of Arrowhead.

Although the golf course is called Arrowhead, the brothers have formed a corporation to be known as the Big Benj Farm and Golf Corporation, of which Gene is the president and Vincent acts as treasurer.

Ada queen will enter Miss Michigan pageant in Muskegon

The first Miss Thornapple Valley beauty contest proved to be a complete success.

The panel of judges did a fine job of selecting the queen from such a lovely group of young ladies. The finalists were Miss Wendy Elwell, Miss Karen Stiles, Miss Gretchen Elwell, Miss Gayle Hein, Miss Chris Systema, and Miss Karen Fryover.

Miss Wendy Elwell was chosen queen and was crowned Miss Thornapple Valley by Richard Lynch, the first runner up was Miss Karen Stiles and the second runner up was the queen's sister, Miss Gretchen Elwell.

The other three girls will serve on the queen's court. Miss Elwell is a graduate of Forest Hills High School and at present is attending the Kendall School of Design. She is the daughter of Mr. and Mrs. Chester Elwell, 1051 Kenmoor, SE.

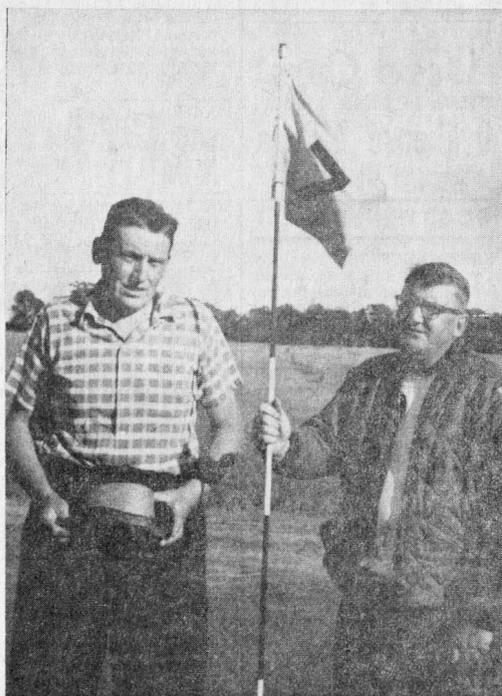

The Elwell family is new to the area, moving here a year ago from Peurto Rico, where Mr. Elwell served with the United States Air Force.

Miss Elwell will represent the Ada area as Miss Thornapple Valley of Ada, in the Miss Michigan Pageant at Muskegon on Friday, July 30, at the L. C. Walker arena in Muskegon. Anyone wishing to purchase tickets for the pageant may write directly to the L. C. Walker arena in Muskegon.

The newly-formed Ada Community Association is sponsoring Miss Elwell in the Miss Michigan Pageant.

There will be an open house on Wednesday evening, July 21, at the Ada Masonic Hall at 8 p. m. The public is cordially invited to attend and meet Miss Thornapple Valley and have a preview of the act she will present in Muskegon. Miss Elwell has worked very hard on a satirical skit, using her talent as an artist.

Michigan's Upper Peninsula, with its 16,538 square miles of land area, is equal in size to the combined areas of Connecticut, Delaware, Massachusetts and Rhode Island.

Brothers, Vincent (left), and Gene Kaye (right), are pictured above discussing the condition of green 7 at their newly opened golf course. The Arrowhead Golf Course first opened Memorial Day under the management of the Kaye brothers. The course is located north of Lowell on Alden Nash Road.

Mrs. Rose Marsman, 74 interred at Oak Grove

Mrs. Rose Marsman, aged 74, of 1400 Marsman Avenue, SE, passed away suddenly last week at the home of her daughter and son-in-law, Mr. and Mrs. Herman (Arlene) Penninga.

Besides her daughter, she is survived by five sons, Edward, Harold, Richard, and Louis of Alledale; 26 grandchildren; 5 great-grandchildren; one sister, Mrs. Joe Fisher of Glendale, California; and one brother, Claude Visser of Phoenix, Arizona.

Funeral services were held last Wednesday at the DeVries Funeral Home with the Rev. Emo Ausema officiating. Interment was at Oak Grove Cemetery.

RODEOS TO HIGHLIGHT WYOMING'S FESTIVITIES

Parades, queens, floats, carnival rides, style show, square dancing, talent show, Indian pow-wow and three complete Wild West Rodeo shows will be featured during the third annual Wyoming Michigan Festival scheduled for the first week of August.

The three big Wild West shows will be held at Fort Lamar, Chicago Drive, at Byron Center Avenue, Wyoming.

Ada celebration very successful

The Ada Community Association's first 4th of July celebration proved to be a tremendous success. The complete cooperation plus the hard work of the members of the Association made this a safe, sane and happy fourth for all those members of the community who participated in the many planned activities.

Despite the weatherman putting a damper on things during the soap box derby, that sent spectators running for cover, the race continued.

The winners in the Official Soap Box Wheel Division were first place, David Barrus, 14; second place, DeWayne Burrus, 12. Senior Division winners were first, Tom Penninga, 14; second, Dale Ouendag, 12; third, Buddy Osmolinski, 12.

In the junior division the winners were first, Patricia Ouendag, 10; second, Tim Hanes, 9; and third Chris Cook, 10. Each winner received a very nice trophy to keep as a reminder of their efforts.

The queen's activities were held on Ada Drive in front of hundreds of interested residents. A decorated ramp was the setting for the promenade. As each girl was escorted up the steps to be presented to the judges, Mrs. Robert VanSluyters gave her name, age, present occupation or grade in school height and weight.

As a fitting background, soft music was played and the young ladies smiled and turned for the audience. To prove her poise in any situation, each was asked to draw a blind question from a fish bowl and to give an answer.

Escort Candidates

The escorts for the girls were Jim Phillion, Rick Wilson and Pat Hanes. The judges for the contest were Mrs. David Wallace, Mrs. Max Sarret, Ernie Bates, M. R. Koistra, and John Zanella.

When the final decision was in Wendy Elwell was crowned Miss Thornapple Valley by Richard Lynch, Ada Township Supervisor, and chairman of the Kent County Board of Supervisors.

Mr. Lynch presented her with a huge bouquet of American Beauty roses, a long white sash with the words "Miss Thornapple Valley" and a beautiful golden crown signifying her reign for the next year.

The first runner-up was Miss Karen Stiles, and the second runner-up was Miss Gretchen Elwell, sister of the queen.

Parade Winners

Parade winners were bicycle, Nan VanAndie; wagon, VanArtsen's and friends; float, Ada Christian Reformed Church; costume, Jindra Weaver; motorcycle, Mr. VanSickle and the best car, Mr. Poll.

The Ada Masons, as usual had the best barbecued chicken dinner in the country. The children enjoyed numerous colorful booths and are still playing with some of the prizes.

The penny hunt was one of the highlights of the day for the younger children. It proved profitable for every child that took part in it. All 1,500 pennies were found plus a couple of dimes that we had no part of throwing out with the pennies.

Water Ball Fight

The water ball fight was as usual a complete success, drawing a huge crowd, but all came out victorious as it was termed a draw.

You can well know that next year the Ada and Cascade Fire Departments will be out to have a definite winner.

The lovely queen and her court was presented to the huge audience gathered for the softball game and the most terrific fireworks display the Ada Fire Department has ever put on.

The completely successful day was made possible and pleasurable by the fine cooperation of old and young. If all communities could have such upright citizens, the daily papers would be more of a joy to read.

We wish to thank the many people who gave of their time and contributed to our flyswatter sale. Thanks too, to the sign makers, who spent many hours putting out beautiful signs and posters, and the Suburban Life for the fine coverage they so willingly gave us, for a successful day.

Cascade holiday event draws large crowds

The Cascade 5th of July celebration this year drew large crowds throughout the entire day and evening. Adults and children braved the rain to take part in the parade which included antique cars, the matched team of Belgian mares and their colts, fire trucks, floats, many ponies and riders, and decorated bikes. Many people also watched the parade and stayed for lunch on the midway.

Attendance at the midway booths continued throughout the day so that the churches, Cascade Businessmen's Association, firemen, and other groups raised more money than ever before—all for worthy local services.

According to Jean Rockett, over 700 adults visited the show housed by the Thornapple Valley Artists. She sold two of her paintings and at least 10 other paintings was sold. Penny VanBuren received the most votes for her painting of the old house. A vote was cast by each person who visited the exhibit.

Mike Fritsch and George Herity, jr., won the canoe race by setting a new record of 24 minutes, 20 seconds, for the trip between Cascade bridge and the Thornapple River Drive bridge. Start practicing for next year, Explorer Scouts—that's a tough record to top.

Just in case you have won a prize and the Cascade Businessmen's Association raffle committee have not been able to contact you, check the following list of raffle winners carefully. If your name appears contact Dan Ellinger at 494-2540.

The lawn hose and sprinkler was won by A. VanderBerg of Spaulding; AM-FM portable radio, Margie Schieffer; barbecue grill and roaster, John Viser of Thornapple; 4 rounds of golf, L. W. Gray at 2541 Cascade Drive; one pair of antique auto planters, Gib Rich of Alaska; \$10 gift certificate, C. S. Burlington, Dorset, SE; set of barbecue tools, Maggie Nicholas, Cascade Road; \$25 saving bond, Jim Bouwman, Pebble Beach; pair of antique auto planters, H. W. Brower, 2685 Cascade Springs; \$10 gift certificate, Al Grabareh, 7347 Cracken; lawn chair, F. Clancey, 5015 Ada Drive; set of barbecue tools, John Wood, Laraway; patio insect light, Geri Blakeslee on Cascade Road; 10 gal. of premium gas, Nancy Bouwman, Pebble Beach; Mighty-Mo Toy Cannon, June Buttrick at 949-1379; lawn sprinkler, Robert Klug, 3480 Buttrick Avenue; hang torch set, Wally Wolbrink; two antique auto ash trays, Dr. Cohen, 6883 Cascade Road; 10 gal. premium gas, Mr. Burlingham, Dorset Avenue.

Arrow stable gun, R. J. MacIntyre, Cascade Springs Drive; men's Timex wrist watch, Roger Koops, Detroit; 50 feet of garden hose, Ruth Doyle, Nash; free wax job, Mr. Fleischman, Byron Center Road; chaise lounge, Don Hutzel, Ada; 10 gal. regular gas, Chuck VanDrunen.

Bob Martin states that the CBA ticket sales, the Lions Club's contribution from parking collections, and other money raisers were sufficient to cover the cost of the fire works. Thanks to all who contributed.

Bob Burkhead, parade manager for the Thornapple River Association Float Parade, suggests that if any of the three winning entries have not received their trophy, contact John Schermerhorn of the River Association. The Dixieland Band, composed of Carroll MacInness and his sons, Brian and Tim, Bob Chaney and his son, Doug, playing on the float captained by Bob VanStrein, won the trophy for the most unique float. They also added much interest to the parade.

Dan Wallace won the trophy for the best decorated float. His pontoon boat carried a large, plastic, lighted, firecracker & children dressed as firemen.

The theme of their float was, "Have a bang up 4th of July. Kevin Good & his sister, Cathy, won the trophy for the best decorated outboard boat. She was dressed as a hula girl. Judges for the river parade were Richard Simkins, Lyle Stovall, and G. Winston Burbridge.

And, remember that I warned you prior to the 4th in an article in the Suburban Life to come early for the chicken barbecue, because it would be delicious and it would go fast, and it did. By the way, how was it? I got there too late to get any.

The 4th of July celebration is a fine example of community spirit! Compliments are extended to the many,

Concert tenor to appear July 18

Citizens and music lovers of the Forest Hills area will again have the opportunity of hearing the beautiful and inspiring voice of Pruth McFarlin, radio and concert tenor.

Mr. McFarlin has captured the hearts of millions who have listened to his melodious voice time after time in concerts at schools, colleges, and churches throughout the whole United States.

Sunday morning, July 18, he will sing a forty minute program of great sacred songs and Negro spirituals at the morning service of the First Congregational Church of Ada at 10 a. m.

Mr. McFarlin, a victim of polio since early childhood, sings from a wheelchair. During his program here, he will tell about the progress being made on his School of Music for the Talented Handicapped, and a free-will offering will be received for this project.

A graduate of Southern University and the Eastman School of Music in New York, Pruth McFarlin was heard for many years on Station WLS in Chicago, Illinois.

Camping trip...

In the wee small hours last Monday morning, fourteen members of the Teen Fellowship of Cascade Christian Church left for a three-day camping trip in and around Burt Lake. The group slept in tents and did their own cooking. On Tuesday, they visited Mackinac Island.

Most of the money for the camping trip was earned by the Teen Fellowship (ninth graders) members, and this outing represents one of the biggest activities of the year.

The drivers and chaperones included Mrs. Robert Smith, Mrs. Martin Postma, Don Crum and Raymond Gaylord.

The Teen Fellowship members included Marion Belding, Sara Kersting, Debbie Postma, Mary Ellen Oates, Jeri MacInness, Pam Harter, Gary Crum, Michael Johnson, Richard Palmer, Ron Fase, James Vekasi, Douglas Schalk, Douglas Dykhouse and Archie Warner.

Bernice Font passes at home

Mrs. Alfred (Bernice) Font, of 7524 Fase Street, Ada passed away last Friday afternoon, July 9, in her home.

Mrs. Font was a member of the Eastmont Baptist Church. Her husband is the custodian of Forest Hills High School.

Besides her husband, Mrs. Font is survived by two daughters, Mrs. Albert Kennedy of Columbus, New Jersey, and Mrs. Wayne Woodard of Reading, Michigan; her parents, Mr. and Mrs. Nelson Wright of Clarksville; one brother, Lester Wright of Ypsilanti; two sisters, Mrs. Frances Heavens of Ypsilanti and Mrs. Eleanor Buikema of Clarksville.

Funeral services were held on Monday, July 12, in the Boynton Funeral Chapel in Ionia. Burial was in Balcom Cemetery, Ionia.

Services are held for Marguerite Treat, 52

Mrs. Marguerite L. Treat, 52, the wife of C. Judson Treat, of 4268 Greenbriar Court, SE, passed away at Blodgett Memorial Hospital last week.

Dr. J. Clement Walker of the East Congregational Church officiated at the funeral services on Wednesday afternoon at the Metcalf Mortuary.

Mrs. Treat is survived by a daughter, Mrs. G. Aubrey (Martha) Rogers of Detroit; a son, Dr. Judson Treat of Grand Rapids; her mother, Mrs. Winford L. Halsey of Lansing; and one granddaughter, Lora Sue Rogers.

Interment was made in Oakhill Cemetery.

Open general DO practice

Robert M. Henderson, D. O., opened offices this week in the Cascade Professional Building at 6883 Cascade Road, SE.

Dr. Henderson was graduated from Penn State and spent four years in the Marine Corps, seeing action in Korea. He attended the Philadelphia College of Osteopathy and interned at the Grand Rapids Osteopathic Hospital.

He is married, and he and his wife, Collene, are presently living in East Grand Rapids.

Dr. Henderson will be engaged in general practice.

Miss Fitzgerald, Terrance Priest exchange vows

Last Saturday morning, Miss Kathleen M. Fitzgerald, daughter of Mr. and Mrs. E. G. Fitzgerald of East Fulton Road, became the bride of Terrance M. Priest in St. Thomas the Apostle Church.

The bridegroom is the son of Mr. and Mrs. John Herbert Priest of Alger Street, SE.

The bride wore an A-line organza gown with hand-drawn alencon lace circling the midriff and bodice and a lace-trimmed shoulder train. Her headpiece was a matching lace mantilla, and she carried a cascade bouquet of white roses and ivy.

The maid of honor was Miss Margaret Fitzgerald, sister of the bride. The bridesmaids were Miss Susan Priest, sister of the bridegroom, and Miss Mary Mahan. They wore sky-blue gowns with fitted bodices and capettes and pouff veils. Their flowers were cascade arrangements of pink roses and ivy. Joseph Kenschol was best man. Ushers were Wayne Sanger and John T. Fitzgerald, brother of the bride.

Mr. and Mrs. William Miller presided at the breakfast and reception in the Morton Hotel.

When the couple returns from their honeymoon in northern Michigan and Canada, they will make their home in Grand Rapids.

The bride is a graduate of Marywood Academy and Aquinas College, majoring in music; and the bridegroom is also a graduate of Aquinas College.

Firecracker wins riverboat parade

An almost-spacer sized bright red fire cracker, ready for launching from its ladder pad, won the prize for best decorated party barge for Dan Wallace in the annual Thornapple River Boat parade July 5th.

The event was sponsored by the Thornapple Association, Inc., with Robert Burkhead as chairman.

Prize for the best decorated cruiser went to Kevin Good and his sister, Kathy, whose parents are the Eugene Goods, Briarcliffe Drive. Their boat was trimmed with palm trees and fish nets in an authentic Hawaiian motif, but the star attraction was Kathy who danced a hula on the prow during the whole parade.

The Bob VanStrien barge from Cascade Springs Drive was named most unusual craft with its Dixieland band on board, composed of fathers and sons.

Area man injured in soap box racer mishap

Bruce E. Phillion of 1235 Thornapple River Drive, received painful abrasions to the face, arms and leg when he lost control of a home made soap box racer he was testing.

Mr. Phillion, coordinator for the Ada 4th of July celebration, was injured on Buttrick Road hill while testing a soap box racer he had made for his children to enter in the Ada Soap Box Race.

Mr. Phillion received first aid treatment for his injuries.

Building permits issued

During the month of June, Cascade Township issued building permits to Arthur Stroll, dwelling; Arnold Homrick, dwelling; William Fredrickson, remodeling of home; Ralph Fosner, addition.

Marshall Belding, swimming pool; Hickory Hills Golf Course, club house; Francis Dewep, a dwelling; Gordon Workman, a dwelling.

Raymond Reynhout, family room; Cornelius Brouwer, remodeling of home; and Henry Kramer, storage building.

Gobel, Johnson give Showboat air of live TV spectacular

It will seem as though you were seeing a live TV spectacular at the Lowell Showboat this year. In a do-or-die effort to revitalize the Showboat performance which started to sag a little in recent years, the combined service clubs of Lowell, under the direction of William S. Doyle, have brought in truly top-notch TV network entertainers for six nights of what should be the very best in family entertainment, July 26 through 31. Giving the Showboat an air of live TV spectacular will be "Lonesome" George Gobel and Betty Johnson.

"Lonesome" George Gobel is universally known to be one of the nation's leading comedians. After years of successful work in radio, such as eight years on WLS in Chicago, where he was born, George finally landed on television doing guest appearances on shows popular in the early 1950's.

Within a couple of years he was starring in his own regular weekly series. The rest is well-known to all TV fans. Nowadays with temporary relief from regular TV series work, Gobel stays busy with guest TV appearances, recording and personal appearances in big-name hotels and clubs. From July 26 through 31, he'll be starring in the famous Lowell Showboat, recognized by top entertainers as an outstanding summer season event that receives nationwide attention.

Starring with Gobel will be Betty Johnson of the famous Johnson Family singers, whose Sunday morning programs were enjoyed for 16 uninterrupted years over the CBS network. After winning an Arthur Godfrey Talent Scouts award, she became the regular songstress on the Don McNeil Breakfast Club program for nearly two years.

During this period she rose to fame as a recording star and began appearing on the Jack Paar show. For over four years Jack Paar featured Betty as one of his singing stars while she also appeared on the Ed Sullivan, Perry Como, Bob Newhart and Dinah Shore shows.

American Legion to hold 47th annual convention

The 47th Annual Department Convention of the American Legion will be held in Lansing, July 15-18. State Commander Duane T. Brigstocke has announced that National Commander Donald E. Johnson, West Branch, Iowa, will address the delegates to the 47th Department Convention at the opening session to be held at the Civic Center, Lansing on Friday, July 16, at 3 p. m.

Over five thousand Legionnaires and Auxiliaries are expected to attend this state function of the largest veterans' organization in the world. Headquarters for the Legion meetings will be the Jack Tar Hotel while the Auxiliaries will meet at the Capitol Park Hotel. Also, convening during the Legion Convention will be the two Legion honorary societies: The Forty and Eight and Twenty and Four.

Delegates to this convention will hold three formal convention sessions during the four day meet: these will be held on Friday, Saturday and Sunday. Prior to these business transmittal sessions, the various committees of the Legion will meet for individual progress review in various fields of Rehabilitation, Services to Youth, Community Service, Child Welfare, Americanism and National Security. A new, full slate of officers to guide the organization and these programs in 1965-66 will also be selected.

Some of the highlights of this convention will be the annual convention parade at 2:30 p. m. Saturday, July 17, followed by The American Legion band concert on the State Capitol lawn at 8 p. m.

McGraw-Hill-Dodge noted that in 1964, Michigan's non-residential work in construction dollars totaled \$788,533,000, and their exclusive statistics report that for residential work the volume totaled \$741,977,000. In comparison, volumes for 1963 were: \$555,207,000 and \$658,930,000 respectively.

Aluminum and wood are still popular with boaters

Although lightweight aluminum has taken over as the most popular hull material for Michigan's vast army of outboard motorboat fanciers, old-fashioned wood still retained its overall popularity in total registration of all types of motorboats.

According to figures released by the Michigan Department of State, wood was ahead in total registrations, 115,000 to 107,500 for aluminum. But in outboards, aluminum totaled 107,000 registrations to 96,000 for wood. Plastic was the next most popular with steel fourth.

Secretary of State James M. Hare also advised Michigan's motorboat owners—more than 150,000 of who still cruising around in unregistered boats—that all branch offices of the Department of State were now open directly.

"Before this year, only a select few branches handled applications for registrations," he said. "But this year to make it more convenient for boat owners, and provide faster service, all branches handle registrations direct."

Of the registered boats, most of them are in the smaller classes—less than 16 feet. This accounts for nearly 300,000 of Michigan's total registrations. The next most popular size is the 16-to-26 foot class which registered 65,000.

Inboards become more popular in the next largest group—26-to-40 feet—by a ratio of nearly six to one. In the 40-to-60 foot class, there were 530 inboards as opposed to only 80 outboards, and in the over 65-foot class, there were only a pair of yachts.

In registrations by counties, Wayne county led the way with nearly 60,000 motorboats registered. Oakland county was second with 30,000; Kent 3rd with nearly 19,000, and Genesee 4th just a few registrations behind.

Other counties over the 10,000 mark in registrations were Macomb with 16,500, and Ingham with 11,500. Jackson and Kalamazoo counties had nearly 10,000 motorboats on the registration list.

TIE CLASP THAT WRITES

A tie clip that writes. In closed position it's a clip, and extended, it's a mechanical pencil. . . Emergency tire inflator is both inflator and sealer. 8-inch cylinder fastens to tire valve, and sealant flows to the leak and seals it. . . Fuel flow connector permits fuel to be supplied to outboard motors from up to 3 different tanks without disconnecting lines or spilling fuel. . . Tape that tells home gardeners in seconds the exact degree of alkalinity or acidity of the soil. A pinch of most soil is placed in contact with an inch of the testing-tape and the resultant color change is then matched against a chart.

Michigan is the home of the nation's busiest general contractors, including the largest firm in industrial construction. The Builders Exchange of Detroit and Michigan reported an work force of 102,500 in 1964.

The "Low Down"
From the
Congressional Record
By Joe Crump

HOARDERS, SPECULATORS

CREATE COIN SHORTAGE

Senator Alan Bible (Nev.) " . . . On May 25, I introduced Senate bill 2036, which, if passed by Congress and approved by the administration, will, in my opinion, stop much of the speculation and hoarding of our coins. . . The present shortage is an artificial one, created by hoarders and speculators.

"I think it appropriate that the vending machine industry take a look at some of its operators, who are literally rolling in coins. This is evident from advertisements offering all types of coins—rolls, bags, and so forth—for sale to the public. If the vending machine industry is concerned with a coinage shortage, one would think many of these operators would stop the sale of such coins and, instead, would put them into the channels of trade and commerce. I submit for printing in the "Record," concrete evidence that many vending machine operators are helping to create a shortage of coins. I urge that members of this body review some of these advertisements. . ."

(From Coin World, May 26, 1965) (We include four of the seventeen advertisements listed) "Fifty-dollar sacks unsorted cents from California Gum Machines, \$53; shipped express collect upon receipt of money order. E. A. Holiday Co., 6430 Freeport Boulevard, Sacramento, Calif."

"One thousand nickles \$55, 500 dimes \$53.50; 200 quarters \$53.50. Shipped prepaid numismatically untouched from our own Cigarette vending machines located in metropolitan New York. Send money order or certified check to: Aetna Automatic Vending Corp., 750 10th Avenue New York, N.Y."

"Parking Meter Coins, bank sealed: cents 5,000, \$51.95; 2,500, \$26.95; nickles, 4,000, \$205.80; 2,000, \$102.95; 1,500, \$77.20; 1,000, \$52.47. Vending machine coins; . . . All coins numismatically untouched. Money order or certified check. Roger Pollock, 456 Poinciana, Albany, Ga.

"Shipped cheapest way collect or as you direct. Send money with order.

Walk in sales welcome. These coins come from vending machines that have high child appeal—Ball Gum machines, thus are good source for collectors finds. Guaranteed unopened. Automatic Merchandise, 3616 East 25th St., Indianapolis, Ind."

A GRASS ROOTS COMMENT

Another case where Federal legislation is requested to protect the public.

The situation is different with collectors of stamps, egg cups, and match book covers. Their collections are not negotiable at the bank.—J. C.

cleaner that connects to warm-air furnace, air conditioner or heat pump, and traps up to 95 percent of airborne dirt, pollen and dust in the home. . . Small-size heatproof dishes for storing and heating leftovers, baby foods, and gravies. Saucapans are in 1-pint and 1½ pint sizes. . . New spray-on fabric finish as an aid to ironing, eliminates needs for dampening. . . Tree-pruning kit that homeowners can use from the ground. It can be attached to a long pole, and will cut branches up to an inch thick.

A survey conducted by Engineering News-Record, and reported in the March 25, 1965 issue, noted an acceleration of Michigan highway development in 1965, calling for an 83 percent increase in planned contracts over 1964, which will place Michigan ninth in the nation this year.

Vacation

A word which is used very frequently in the summer months is the word "vacation." The word means "a scheduled period during which activity or work is suspended," "a leave of absence for rest and relaxation." We usually associate a vacation with a period spent away from home or business in travel or recreation, and it is significant that the word is used in that sense chiefly in the United States.

Why do we have vacations? If they are to effect their proper purpose, they should provide rest and relaxation from the daily duties of everyday life, so that we may apply ourselves with renewed vigor to the performance of our tasks when our vacations are ended. A vacation does not necessarily mean that we travel to some other place, or that we do nothing at all in the form of work, but it does mean a change of pace, and a renewal of our lives.

In taking our vacations it is essential to remember that the weekly day of rest, Sunday, should be honored by keeping it holy, using it as a day of worship. Only then will a vacation serve its true purpose when there is rest not only for the body but also for the soul. To all vacationers there comes the earnest message: "Don't take a vacation from God, from the Bible, and from the church." To vacationers in our area we extend a hearty welcome to our services.

—John Guichelaar

Newest to the Crib Crowd

Mr. and Mrs. Ed. VanderLaan of Cascade are the proud parents of a son, Curtis Edward, born July 7, at the Grand Rapids Osteopathic Hospital. The new arrival weighed 7 pounds, 6 ounces. He has two sisters at home. His mother is the former Donna Geelhoed.

Last year industrial friends of 4-H provided over four million copies of educational publications and other materials to aid 4-H'ers in their projects.

Watch Suburban Life Want Ads for 'top grade' buys every week.

Takes over presidency of District VFW Auxiliary

Mrs. Lawrence R. Madsen, 4751 Cutter Parkway, SE, was recently installed as the president of the 8th District Auxiliary at the annual Department Convention of the Veterans of Foreign Wars held in Lansing.

Mrs. Madsen, a member of Post 3023 Creston, has held various offices and is the immediate past president of the Kent County Council Auxiliary, which she had a major part in forming.

The 8th District consists of thirty-two auxiliaries in Kent, Allegan, Eaton, Barry and Ottawa counties.

Mrs. Madsen has chosen Mrs. Perry C. Fuller, also a member of the Creston Auxiliary, as her secretary.

The four-leaf clover emblem of 4-H Clubs was developed in Iowa by O. H. Benson in 1911. Using Head, Heart, Hands and Health to the best of one's ability is the foundation of 4-H.

Patronize Suburban Life Advertisers.

A look back at yesteryear

The thirteenth and final free issue of the infant Suburban Life newspaper was mailed with the pleas for readers to issue their vote of confidence by sending a dollar for a year's subscription.

The area servant had 366 charter subscribers in its short existence.

The Fourth of July weekend brought no bad accidents or any serious mishaps in the ACE area in 1955. Residents only enjoyed themselves all day attending the softball game, and fireworks.

At Cascade the spectacular burning Niagara Falls ignited an American flag and a row of bombs and rockets, which were to be the grand finale, fell into the dry grass around the display and it caught fire. The entire incident probably constitutes a first for Cascade with the water of Niagara Falls setting a fire instead of putting it out.

The old Slater home on US-16 at Cascade was nearly completed into the animal hospital still run by Dr. R. D. Siegle of Alto.

In remodeling the building Siegle attempted to maintain the original form, while designing the interior into as complete and modern an animal hospital as possible.

Weddings were predominate in the area with 5 occurring in a two week period. There was also one engagement, that of Bonita Clark of Ada and Elmer Schantz of Caledonia.

Married were Dorothy Bentley and Clayton Justifer at Ada, Helen McCormick and Thomas Haring at St. Patrick's at Parnell, Marylyn Lewis and Theodore Hill, jr. at the Cannonsburg Baptist Church, Gloria Jean Peters and Thomas Harrell, jr., at St. Robert's in Ada, and Sandra Green and James Rooker at the Ada Congregational Church.

4-H Club Week is July 13 to 16

More than 1,000 4-H Club members from every Michigan county will participate in 4-H Club week at Michigan State University July 13 to 16.

The youths were selected to take part in the 47th annual event on the basis of outstanding 4-H Club records. The program which carries the theme "Destination - Leadership" reflects the concern of 4-H Club leaders in developing leadership in Michigan young people in line with a changing United States and the world.

This year's emphasis will include world understanding and human relations. In the opening session, State Senator Guy VanderJagt of Cadillac will challenge 4-H Club members to actively seek leadership roles at all levels during their life.

A better appreciation for the work of the United Nations is the goal of the world understanding sessions. Delegates will be trained to take active leadership to involve teenagers and adults in programs that will increase understanding of the United Nations.

Extensive use of closed circuit television will play a big part in discussion of human relations throughout the entire week. Some 90 discussion groups will explore the meaning and cause of discrimination, prejudice and other social problems concerning human relations. Club members will attempt to seek alternative solutions to problems and determine roles they can assume in their home communities, the state, the nation and the world.

The annual club week is sponsored by the 4-H Club department of the Michigan Cooperative Extension Service.

4-H is an investment in future security. Boys and girls from 9 to 19 learn to be self-sufficient through project work ranging from cooking and sewing to photography and electronics.

Remember the days when the kids used to compete for free circus tickets by getting up before sun rise to help water the elephants and put up the tents? Ron Wittenbach and Bill Bennett of Lowell came up with the same idea for the Lowell Showboat, which opens July 26. Ron and Bill offered to give it a new coat of paint in return for a couple of the valued tickets. The Lowell box office is now open and handling both direct and mail order sales to the six Showboat performances.

aboard the Heather

No other Suburban Life subscribers write up their trips, not even the exchange students who should have many interesting observations to pass on. So the obvious conclusion is, "Why write up the happenings aboard Heather?" So very few families ever have an opportunity to go cruising all summer long, why not share these experiences. At least you readers are not a captive audience who are not supposed to be interested in home movies—you can turn the page and ignore this.

Our 45 ft. schooner, Heather, wintered in West Mystic, Conn. We usually do most of the upkeep work ourselves, but this was impossible under the circumstances. We found the most highly recommended boatyard in the area, and left her there for the winter. They did a fine job refinishing the hull, and other comparatively minor jobs. She was launched in March. The family came down to paint the house top and a few such jobs during the Easter holiday. Finally on June 4, school was out, and we were free to move aboard for the summer's cruise.

It took only a day and a half to drive down here. What a difference from the six weeks it took to bring the boat east last year! All our gear was unloaded and carried aboard. We laid in some basic supplies and had our first supper of the season aboard. What fun! We find we have two homes, our house and Heather. How nice to be back aboard. To feel the motion of the boat, as of a living thing. To sleep in our familiar bunks and know that tomorrow we will wake up here.

Even so our shakedown took about a week. One day we went up the river to Mystic Seaport, the marine museum, where we found everyone as cheerful and interesting as ever, with the Youth Training Program in full swing. Another day we took Heather out for a sail around Fisher's Island, just to see if all the sails and gear were right. Also to enjoy it. Then a sail to Stonington and another to New London. There was an Off Soundings race, and about two hundred boats were starting off from New London. What a sight!

Came Tuesday and our first guest was young Bob Hafford from Bay City. His family love boating & have a motorboat. Bob and his father built a sailing dinghy and Bob loves to sail it. Of course he and the twins had a wonderful time with our sailing dinghy.

On Wednesday we picked up our next guest, John Robinson, a friend and neighbor, from home. Now we had four boys, and what a merry crew! We would have loved to take off on a cruise with them, but Bob had to leave us on Friday as he was going to visit his grandparents, and be a guest on their boat. While he was with us we went for some short sails on Heather and we went to the Seaport. There the boys found plenty to do, looking at exhibits, and sailing the dinghy in competition with the students in the Youth Training Program. Friday came too soon and we took Bob to the train in New London. We were sorry he could not have been with us a few more days.

But John was to be with us for almost two weeks, so with nothing holding us back, we took off on Saturday for Black Island. Hans and Kay Rosendaal, with a daughter and daughter's chum, also sailed over in their "Katrina," and Bill and Mary Hartman in "Little Dipper". While at anchor, Kevin took the girls from "Katrina" for a sail in the dinghy. When we all met on the Katrina for

cocktails, the girls had cokes and chips with the boys on "Heather", comparing schools and such.

"Katrina" has an unusual decoration on her bow—a small whale. Of course there is a story about that. It seems that on a dark night while sailing across the Atlantic near the Azores, the boat struck a sleeping whale! The surprised creature promptly sounded. Dr. Rosendaal took a little time to adjust to this unusual aspect of an Atlantic crossing.

The next day was another wonderful sailing day, and we took off for Cuttyhunk, one of the Elizabeth Islands. Visibility was pretty good and we enjoyed the sail and watching the land appear. We anchored in the harbor and then went on to stretch our legs and look around. Cuttyhunk is the site of the first English settlement in New England, by Bartholomew Gosnold in 1602, 18 years before the Pilgrims landed in Plymouth. Unlike that of the Pilgrims, this colony did not last long. We climbed to the top of the high hill and enjoyed quite a view. Unfortunately it was hazy, which prevented us from enjoying the magnificent panorama we saw last summer.

Monday marked a fine sail to Vineyard Haven on Martha's Vineyard. We were delighted with this resort town with its lovely summer homes everywhere and a nice shopping center right next to the harbor. Several times a day a ferry came in to enliven the scene further. We liked the place so well we stayed two nights. This gave the boys the opportunity to rent bicycles, go swimming, sail the dinghy and to see the movie "Cleopatra." And it enabled the Skipper to get in some work on "Kevin the Bold."

Wednesday we had a fine sail to Sacomet. Visibility was still somewhat milky, but we enjoyed a good breeze. Sacomet was a bit difficult to approach as it was ringed with fish nets, which we had to avoid. The inner harbor is small, and we were anchoring when a man in a motorboat came over and offered us a club mooring, which we were glad to use. This is a fishing harbor and the fish boats come in with their loads, which are processed and iced here. There are quite a number of sport fishermen here too, as well as the commercial vessels. Again the boys rigged the sailing dinghy and went sailing in the harbor. They want John to learn as much about sailing as possible while he is with us.

Thursday we left fairly early, but this was not a very good day. There was a queer bucking motion and a contrary wind which was not much fun for the first few hours. The boys were all a bit uneasy, but they managed their duties all right. Visibility was not good either. By noon we were much more cheerful and decided to go to Point Judith. We found this most interesting. We sailed for quite a way up the river, noticing that this again was a resort area, though the cottages were far more modest than those on Martha's Vineyard. It was also a commercial fishing base. We secured to the Black Island ferry dock and went ashore. And behold, we were right next to another sailboat named "Heather" from Maine. The lobstermen looked so good, but we already had food that must be used. We fared very well too.

Friday was a wonderful sailing day and how we enjoyed it as we sailed back to Mystic. A final trip to the Seaport, and the sights and the sailing there over the weekend, and then

Select judges for Showboat talent search

Lowell Showboat Talent Search judges were selected for the contest which started on July 12, announced Dr. Herbert R. Mueller of the sponsoring Lions Club of Lowell.

The judges are Phillip Johnson, President Lions Club, Donald Beachum, Past President Lions Club and Dr. Robert E. Reagan, Past President Lions Club. Dr. Mueller, chairman of the talent search and past president, also served as a judge with two professional judges.

Initial auditions will be held on alternate evenings in Grand Rapids and Muskegon in order that talent from the widest segment of western Michigan will have a chance to participate. The Pantlind Hotel in Grand Rapids was the scene of the auditions on July 12 and 14. Acts performed at Glenside Shopping Center Studios in Muskegon on July 13.

Those selected during the 3 evenings of auditions will participate in the semi-finals at the Pantlind Hotel on Thursday, July 15, beginning at 7:30 in the evening. Winners of semi-final competition will perform on stage at the Showboat location in Lowell the evening of July 17.

More than two hours of entertainment will be provided by the top Talent Search acts for a paying audience. All receipts will go into the general community fund.

Truck driver fatally injured in Wisconsin

Donald E. Porter, 30, of 6704 48th Street, SE, was killed last week when the truck he was driving went off Int. 94 near Wisconsin Dells. Mr. Porter was employed by the Amway Corp. in Ada.

He is survived by his wife, Donna E.; four children, Ronald, Ruth Ann, Renee Anette, and Randy, all at home; his parents, Mr. and Mrs. Jerome Porter of Alto; three brothers and three sisters, Mrs. Robert (Dorothy) Houlihan and Mrs. Orland (Betty) Smith, both of Grand Rapids, Robert of Middleville, Thomas in Navy, Clifford of Ionia, and Susan of Alto.

The Rev. Rodger J. Buining held funeral services last Friday afternoon, July 9, at the Zaagman Memorial Chapel. Interment was in Rosedale Memorial Park.

Florence Cunningham passes; rites are held

Funeral services were held last week in St. Mary's Church, Cascade, for Miss Florence M. Cunningham, aged 60 of Alto. She had passed away at St. Mary's Hospital in Grand Rapids, after a lingering illness.

Miss Cunningham is survived by two brothers, Maurice J. Cunningham of Grand Rapids, and John E. Cunningham, with whom she resided; two sisters, Mrs. Nicholas Verwoerd, also of Grand Rapids, Mrs. Joel Babcock of Jacksonville, Florida; two nieces and two nephews. Ronan Funeral Home was in charge of the arrangements, and interment was made in Resurrection Cemetery.

Hospital notes

Mrs. Lyman Wenger of 6264 Grand River Drive, Ada underwent surgery on June 29, at Butterworth Hospital.

Mrs. Raymond Winslow of 2114 Engleside Drive, SE, entered St. Mary's Hospital on July 6 for surgery.

As the result of a truck accident on July 1, Ted Walma of 5060—28th Street, SE, is a patient in the Grand Rapids Osteopathic Hospital with a broken neck.

John Lucas of 5663 Cascade Road, SE, entered Fergusson Hospital last Sunday for observation and surgery.

Albert Lacic, jr., of 36th St., SE, is a patient at Blodgett Memorial Hospital, having suffered a fractured elbow during a motorcycle accident Wednesday morning in Cascade.

Mrs. William Wierenga of Paradise Lake Drive, is a patient at Butterworth Hospital.

Peter Perdok of 6325 East Fulton Road is a patient in Butterworth Hospital for observation.

What's cookin'

Summer is the season for millions of Americans to take to the fresh outdoors for leisurely camping, boating, hiking or just a simple day's excursion to the beach.

A picnic meal for a day's outing is relatively easy, thanks to the several varieties of canned meats on the market. Quite a number of tasty picnic dishes may be created from canned meats.

Bermuda Burgers

Cut the contents of a can of corn beef hash into 4 slices. Brown hash rounds with 4 slices of Bermuda onion in butter or margarine, or heat in aluminum foil on grill.

Chili Hot Dogs

Grill 8 frankfurters. Combine 1 can chili, 1 can tomato paste, and 1 teaspoon mustard. Heat and spoon over franks tucked in buns.

Quick Chili Mac

In heavy saucepan, mix 1 can chili and ½ can water; bring to boil. Add 1 cup uncooked elbow macaroni, cover and cook over medium heat 15 minutes or until macaroni is tender.

Easy Kabobs

Place canned Vienna sausages or cubes of canned luncheon meat on metal skewers, along with tomato wedges, onion wedges, pickle slices or squares of green pepper. Brush with bottled barbecue sauce and grill.

Why not top off your outdoor meal with a flourish by bringing out a surprise treat that's a bit out of the ordinary.

Such desserts as Brownie Kabobs, Quick Shortcake and all-butter pound cake with a variety of toppings will be gobbled enthusiastically by the picnic crowd. And, they're easy to serve in an instant.

Here's the how-to for the easy dessert preparation.

Brownie Kabobs

Tuck a package of popular all-butter Chocolate Brownies, a package of large-size marshmallows, and colored toothpicks into your picnic basket.

At mealtime, cut the brownies into 1 inch squares, spear with a toothpick and top with a marshmallow. The Brownie Kabobs will be delicious and fun to eat, and they fit right into the picnic theme.

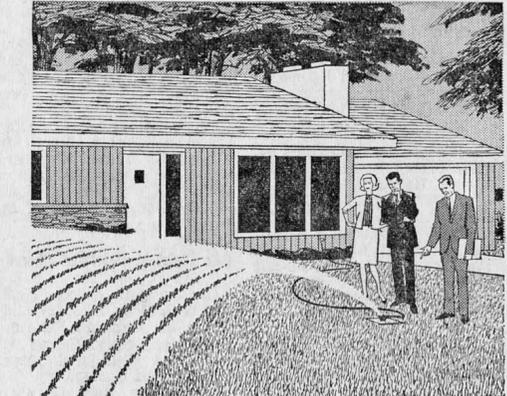

Quick Shortcake

Bring along one pound cake, fresh fruit and a can of instant whipped cream (carried in the cooler). Slice the pound cake and top with fruit and whipped cream. Delectable servings of shortcake are ready to please any picnicker.

The Cascade Villager

2795 ORANGE ST.

OPENING JULY 19th

FREE HOME DEMONSTRATION

NEW AUTOMATIC UNDERGROUND SPRINKLER SYSTEM!

See it work...on your actual water pressure

Just give us a call and we'll be out to show you the newest work saver for the home.

It's Toro's Moist O'Matic, the first automatic underground sprinkler system practical for every homeowner.

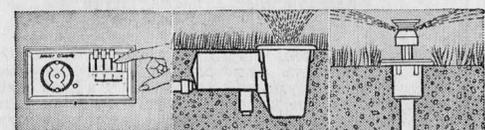

Everything you need to sprinkle a lawn as large as 85' x 100' comes in a package. PRICED AT JUST \$189.95.

It's so easy to install you can do-it-yourself in a weekend. Or, if you prefer, we'll have it installed for you at low cost. (Ask for a free estimate.)

Operation is completely automatic. The Moist O'Matic control center works like a clock radio, turning sprinklers on and off at preset times.

Moist O'Matic not only saves water, but builds a beautiful lawn at the same time. Sprinklers apply just the amount of water that can be absorbed by the soil.

Call today for a free demonstration. We'll show you on your lawn all the advantages of Moist O'Matic, Toro's new low-cost automatic sprinkler system. No obligation, of course.

SET IT, FORGET IT. Electric control center operates sprinklers automatically even while you sleep.

3 WAVE SPRINKLERS are for large areas of lawn. Adjustable to cover up to 50' x 50'.

5 POP-UP SPRINKLERS are for smaller areas. Pop-up for watering, pop-down automatically when job is done.

Add-on design lets you install part of a system (or several systems) for any size yard.

TORO MOIST O'MATIC[®] LAWN SPRINKLER SYSTEM

TORO...famous for lawn mowers for over 50 years

ADA HARDWARE

"THE HOME OF GOOD HARDWARE"

577 Ada Drive Phone OR 6-4811

came Monday when John must leave. We took him to the Hartford airport. It had been a fine visit. We all enjoyed it.

Now we have a few days to get ready for our next guests, our son David and his wife Myra and their little year old Joshua.

The Kreigh Collins Family "Aboard the Heather"
