## Final hearing set for school reorganization

The final hearing on the plan for reorganizing school districts in Kent County will be held at Rockford High School Auditorium at 8 p. m. on Tuesday, December 14.

The plan which will be submitted to the State Reorganization Committee immediately after the Public Hearing affects seven (7) high school districts and thirteen (13) non-high school districts.

Casnovia is annexed to Kent City.

The Boyd District to be divided between Sparta and Kentwood Hills.

Nelson 3fr, Nelson 7fr, Courtland 5 and Courtland 6fr, Spencer 1fr and Spencer 2 to be annexed to Cedar prings.

The Courtland 1 (Stinson District) to be attached to Rockford.

Lowell to receive Grattan 5fr, Lowell 6, Vergennes 1 and Vergennes 4fr.

Forest Hills is included in the plan because of a change of boundary along Buttrick Avenue between 28th and 36th Streets.

## Youth groups are holding open house

The youth groups of Cascade Christian Church are holding an Open House for their parents and families, Sunday, December 12, from 5 until 7 p. m. The C.Y.F. will be in charge of the worship, with Teen Fellowship taking over the refreshments. They will bake cookies themselves on Saturday in Fellowship Hall.

The program will center around the Youth for Understanding project which sends many high school students overseas; and, in turn, brings many foreign exchange students to America. Rev. Donn Doten, the pastor of Trinity Methodist Church and chairman of the program locally, will speak to the group and show slides. He will have other exchange students with him, and there will be time for questions concerning the aims and objectives of Youth for Understanding.

## Concert boosts fund drive for Santa Claus

The Congregation of Cascade Christian Church has really rallied behind its Operation Santa Claus. A turnout of nearly 300 came for the special Christmas Concert featuring the Bell Ringers Choir of East Congregational Church and the Cascade Christian Children's Choir. Hearts and pocketbooks were opened for \$300.

In addition, the World Outreach Committee added another \$150 from its funds. Doerr Guild members donated \$35 and the Christian Women's Fellowship \$25.

Considering other funds received already, the Operation now stands at the halfway mark in having sufficient funds to care for the adopted families this Christmas season. Already the list includes seven families with nearly one hundred children.

Past years have proved that many additional families will be added as Christmas draws closer. Word from several of the area schools leads us to believe that the Operation Santa needs will be met.

Families are now being screened and approached; shopping is being done; Post-It members are getting the traditional party ready; and funds are being cheerfully received. Checks should be made payable to the Cascade Christian Church Youth Council.

Gifts may go in the direction of Mr. and Mrs. Titsworth, co-chairmen at the church office, or Robert White, who is serving as Youth Council treasurer.

## Rev. Russell McConnell is named director of Council of Churches

The Board of Directors of the Grand Rapids Area Council of Churches announced today that the Rev. Russell H. McConnell, former pastor of Wallin Congregational Church has been named Executive Director of the Council, succeeding W. Ray Prescott, who is retiring January 31, 1966.

Rev. McConnell is the son of Rev. Herbert McConnell now deceased, who served Smith Memorial Congregational Church, Trinity & Comstock Park Congregational Churches. He attended Hall and Franklin Schools, graduated from South High School in 1926, attended Grand Rapids Junior College and Olivet College where he received a BA degree in 1931. Graduated from Chicago Theological Seminary in 1935, he has also studied at the Ecumenical Institute of the School of Theology of Boston University.

While a student he served the Ada Congregational Church (1928-1930). After graduation he was pastor at the First Congregational Church of Charlotte 1935-1950. While there he also served as Chaplain in the United States Naval Reserve during the World War II. He was Pastor at Wallin Congregational Church 1950-1954 and served as President of the Grand Rapids Ministerial Association; the Registrar of the Grand Rapids Association of Congregational-Christian Churches; Board of Directors of the West YMCA; West Side Kiwanis; Chaplain of the Furniture City American Legion Post; & active in the Doric Lodge of the Masonic Order.

From 1954-1963 he was Pastor of the Greenfield Congregational Church of Detroit and active in civic affairs there. Since 1963 he has been the Executive Director of the West Virginia Council of Churches.

Married to the former Miss Beatrice Martin of Ada, he has four children: Robert, who lives in Los Angeles and is in the Export Business; David who lives in Cheve Chase Maryland and works in the Department of State; Lloyd who is in the Army at Fort Sill, Oklahoma after two years in the Peace Corps in the Philippines; and Ruth, a freshman at Olivet College.

He officially takes office on February 1, 1966.

## Ada postmaster's mailing tips

"Last Christmas the post office handled more mail than ever before, yet the operation was the most efficient in history," Postmaster Milton R. Hein of Ada said today.

Nationally about 99 per cent of the Christmas mail reached its destination before Christmas Eve.

"ZIP Code use and the cooperation of the public in mailing early were the main reasons for our success. With the same or better cooperation this year, we expect to handle an even greater volume of mail with less effort than during the 1964 Christmas rush."

Mr. Hein had advice which would help mailers prepare for the upcoming mailing season.

A. Up date last year's address list and include the Zip Codes. The phone book is usually a good source for local addresses.

B. Prepare a gift list as soon as possible. Shop early to take advantage of full stocks. Be sure to have on hand enough shipping materials; boxes, tape wrapping paper, etc.

C. Use first class postage on greeting cards. This assures their being forwarded if the recipient has moved or that undeliverable cards will be returned if a return address is on the envelope.

The postmaster emphasized again this year that poorly wrapped and loosely packed cartons are the major cause of parcel post damage. He urged that cartons be packed tightly by using stuffing material to fill up the empty space around the merchandise. He also asked that all mailers make an effort to address their letters, cards and packages as clearly as possible and that they make every attempt to mail often, not waiting until the last minute to deposit all their gifts and greetings.

## coming events

Ada Congregational Church will hold a rummage sale and coffee in Fellowship Hall Saturday, December 11 from 9 a. m. to 3 p. m.

## Building hits new high in Cascade Twp.

Gerrit Baker, Cascade Township Supervisor, reports that November has been a very active month for building in Cascade Township.

Heading the list was a \$100,000 permit to the National Waterlife Company for an addition to their building on Kraft Avenue.

Seven new dwelling permits were approved as follows: R.D. Brooks, James Walquist, Stuart Bradley, Donald Duiven, Larry Dakkee, Arthur Carter, and B. Van Eiterson. Remodeling of dwelling, Steven DeVries, New Garage, Gilbert Volland and Floyd Campau.

Cascade is really on the grow, both industrially and as a substantial suburban area; a nice place to raise a family without the scurry of the big city, but close enough for those necessary trips to the big city of Grand Rapids.

The Forest Hills School is also one of the deciding factors in so many wishing to build in this area.

Hot lunches are being served at Cascade School by Mrs. Martina Beute and Mrs. Lee Kolekamp. Tickets may be purchased for the week on Monday of each week for \$1.50 or by the day for 35 cents.

If two or more tickets are purchased at one time each will cost 30 cents. Tickets are good for anytime in case a child is absent. Tickets may be purchased during the week from the cooks.

A complete and up to date roster has been made available to those wishing this information. You may call Mrs. Merlin Hulbert, 949-0942, for information of changes. A list may be picked up from Cascade School office.

Miss Staats is now under contract for a primary position, and will be teaching by the first of the year. The primary level will under go a reshuffling of children, probably by the first of the year. This will be done to equalize the teaching load and also help provide a teaching situation better suited to care for the individual needs of the children.

Thursday, December 16, 1965, at 7:30 p. m. the children of Cascade School will present a Christmas program. This is an event enjoyed by all each year at this time.

Please make plans again this year to save this date. The children are asked to be at school at 7:15 p. m. in order to start on time.

## Church chapel being restored

The Chapel of Cascade Christian Church is being restored as near as possible as Cascade's Number One landmark.

Hugh Slater is responsible for the original pulpit chairs being found and will be placed in the Chapel. In order to make them look as they did, when they first appeared in the old church some 85 years ago, Ralph Fosner, an expert, is refinishing these chairs.

Buck Matthews has located two old fashioned pump organs, one which will be placed in the Chapel. The other will be placed for sale with the proceeds going into the fund for the restoration.

Harvey Comries, head of the Chapel Committee, reported that through volunteer help the Chapel is nearly all repainted from "top to bottom." The floor finishers will start work on the floors this week. Additional volunteers are needed to wash and wax the old pews.

It is hoped that the Chapel will be nearly complete by Christmas.

Approximately 13,000 people in the US are 100 years of age or older.

## Mail early, mail often

The Post Office Department has come a long way since 1815 when 2,000 men were injured or died in New Orleans because it took months to get a high priority message from Belgium to New Orleans, Postmaster Milton R. Hein said.

Two or three-day delivery is standard practice for such a letter today.

"However, if people held the vast volume of Christmas mail until the last moment, even a high priority letter could be bogged down in the mail avalanche," the Postmaster said.

The 1812 incident was the Battle of New Orleans. General Andrew Jackson's forces defeated a British army on January 8, more than two weeks after a peace treaty had been signed ending the War of 1812. The message wasn't delivered until March 6.

"While the late delivery of Christmas mail may not be as tragic," the Ada Postmaster said, "much of the joy of Christmas would be lost."

"About seven billion pieces of mail will be delivered nationally during the Christmas peak season. To make sure it gets to the proper destinations in time, everyone should plan to mail as far in advance as possible. Mail as early as possible and not save all gifts and greetings for one deposit."

"In other words, mail early and often."

It took 19 days of hard riding for the courier from Washington to reach General Jackson. Unfortunately, he could only give a verbal account of the signing of the peace treaty. In the hurry to depart, he had been given the wrong packet of papers. The only written support of his report was the order he carried, signed by the Postmaster General, directing postal employees along the way to give the courier assistance in delivering the important message.

Postmaster Hein said there is a parallel for Christmas mail.

"Mallers should double check the addresses against the items they are sending. Every year stories are told of envelopes or packages being mailed with no address, or illegible addresses. Sometimes people even inadvertently mail packages before they are wrapped."

The Postmaster urged that ZIP Code be used in all mail—in both return and destination addresses.

## All Saints Guild to hold Christmas workshop

In order to have the opportunity to meet new friends, the members of All Saints Guild of St. Michael's Episcopal Church are conducting a Christmas Workshop under the direction of Mrs. Jeanne Laird.

Women in the area have been invited to come to the church to learn to make various decorations for their homes in keeping with the season.

Coffee is served and child care provided.

## Basketball season is underway

Forest Hills Rangers opened their 1965 season on a successful note Tuesday night with a 63-52 won over Caledonia.

Dick Riding scored 16 points to lead the Ranger cause, while Benedict led Caledonia with 17.

## Lose to Kentwood

The Forest Hills Rangers lost a tough hard fought game to Kentwood Friday night 59 to 57.

The game was marred by numerous fouls by both teams. The Rangers lost 4 and the Falcons 3 on fouls.

The Falcons jumped to a 10-2 early lead and the Rangers tied desperately to catch up during the game, but their efforts were constantly repressed by a tight, aggressive Kentwood defense led by the Hoom twins, a pair of pesky ball-hawks.

Brian Hoom led the Kentwood offensive, while Tim Williams of the Rangers led all scores with 19.

## Meet Rogers

The Forest Hills Rangers will meet the Rogers Golden Hawks Friday night in the local gym.

The Rogers team is one of the favorites in the O-K conference this year. Their team features considerable height, speed and good shooting.

## Pageant set for Sunday

St. Michael's Episcopal Church will hold its annual Christmas Pageant Sunday, December 12 at 4 p. m.

This meaningful project is a labor of love on the part of the church school and choir.

Mr. Tepe will direct the service and give a Christmas meditation.

There will also be a Christmas Tea served.

The rehearsal will be at the church Saturday afternoon at 2 p. m.

All taking part, both choir and cast, are requested to be present at the rehearsal.

## Christmas party

The Cascapers will hold their Christmas Party at Forest Hills Junior High School, Friday, December 10 at 8 p. m.

Mr. Marne Freestone caller, refreshments will be served during the evening.

## SCOUT TROOP PLANS TO HOLD COURT OF HONOR

### Bowling Proprietors' Association schedule All-Star tournament

Scheduling of the biggest event in bowling—the Bowling Proprietors' Assn. of America All-Star Tournament—in Lansing from Jan. 18 to 30 is already having an impact on the local bowling scene. Not only are gigantic plans underway at Joe Joseph's Pro Bowl, site of the tenpin extravaganza, but All-Star promotional programs are starting that offer a variety of first-rate attractions for Lansing area bowlers.

Two of these events have already started—a contest to select an official All-Star Queen, and a special All-Star Open Play Sweepstakes. On December 4, qualifying tournaments will commence which will determine the field of 144 local area bowlers who will team with some of the nation's top bowling stars in a Pro-Am event that will be run

off at Pro Bowl in the night of January 18, in conjunction with the official All-Star opening ceremonies.

The Queen contest is one that should stimulate a good deal of friendly rivalry among bowlers from the various Lansing bowling establishments that are members of the Bowling Proprietors' Association of America (BPA).

The All-Star Open Play Sweepstakes will run through January 7 and will provide bowlers with a double opportunity to win valuable prizes. Participating BPA establishments will conduct open play contests in which the bowler will bowl 3 games each time he enters. For each 25 entries on a given pair of lanes, the bowler with the highest three-game score, including handicap, will receive an All-Star general admission season ticket book, good for admission to all All-Star sessions. In addition, at the conclusion of the event, each establishment will conduct a drawing and award three prizes to winners among those who have entered the contest.

In the Pro-Am finals, the amateurs will team with some of the top professionals who will be bowling in the All-Star. Teams will consist of three bowlers each—two amateurs and one professional. Only the amateurs, however, will be eligible to win prize money.

There will, of course, be considerable other activity in connection with the Silver Anniversary All-Star Tournament coming to Lansing, Adn, during the period from January 18 to 30, Lansing will, be the Bowling Capital of the World.

## What's cookin'

A few weeks before Christmas many kitchens take on the familiar aroma of fruit cake baking. Traditionally this is done early enough to allow the cake to be stored to "cure."

The baking pans must be greased well and the dough packed tightly in them. To make this easier, dampen your hands slightly with water to help pack the dough down.

After the cake has cooled somewhat, though still slightly warm, loosen it with a knife to remove it from the tins.

When thoroughly cooled wrap tightly in foil and store in a cool place. May be served after standing a week or so.

### Candied Fruit Cake

- 1 lb. candied pineapple, cut up
- 1 lb. candied cherries
- 3 7/8 oz. packages dates
- 2 c. flour
- 2 tsp. baking powder
- 1/2 tsp. salt
- 4 eggs
- 1 c. sugar
- 2 lbs. pecan halves

Cut dates, add flour, salt & baking powder to fruit. Mix well with fingers, separating pieces. Beat eggs until frothy, add sugar gradually, beat until well blended and add to fruit mixture. Mix with fingers. Add nuts and mix well. Pack tightly in 2 greased bread tins 9x5x3" and bake at 275 degrees for 1 1/2 hours.

When the frost is on the pumpkin, it's just the right time to put detectable Pumpkin Chiffon Pudding on the menu.

The dessert is an airy pumpkin chiffon mixture, fragrant with spices, that is turned into a shell of graham cracker crumbs. Thanks to its content of unflavored gelatine, the pudding requires little cooking—only the few minutes needed to dissolve the gelatine.

This fluffy dessert will top off a hearty cold-weather meal in rousing fashion.

### Pumpkin Chiffon Pudding

- 1 envelope unflavored gelatine
- 3/4 c. firmly packed brown sugar, divided
- 1/2 tsp. salt
- 1 tsp. cinnamon
- 1/2 tsp. nutmeg
- 1/2 c. milk
- 3/4 c. water
- 3 eggs, separated
- 1 1/2 c. canned pumpkin
- 1 1/2 c. graham cracker crumbs
- One-third c. melted butter or margarine

Mix gelatine, 1/2 cup brown sugar, salt and spices in saucepan. Stir in milk, water and egg yolks. Cook over low heat, stirring constantly, until gelatine dissolves and mixture thickens slightly, about 5 minutes. Remove from heat and stir in pumpkin.

Chill, stirring occasionally, until mixture mounds some when dropped from a spoon. Beat egg whites until stiff, gradually beat in remaining 1/2 cup sugar. Fold in gelatine mixture. Combine crumbs and melted butter; line 8-inch square dish. Turn in pumpkin mixture.

Chill until firm. Serve with whipped cream. Yields 9 servings.

### Chicken Supreme

An easy way to prepare chicken has been submitted by one of our readers. The chicken is baked in an uncovered pan and it emerges from the oven a delightful light brown with a crisp coating over the tender, moist meat.

- 2 c. bread crumbs
  - 1/2 box grated permesan cheese
  - 1/2 lb. margarine or butter, melted
  - 1 tsp. garlic salt
  - 1/4 box parsley flakes
  - 1 frying chicken
- Combine the bread crumbs, grated cheese, garlic salt and parsley flakes and mix well. Salt the chicken and dip in melted butter or margarine. Roll in crumb mixture. Place in shallow pan. Bake for one hour at 350 degrees.

### Scout program helps build useful lives

Since its beginning in 1910, the program of the Boy Scouts of America has encouraged boys to build useful lives, based on action and doing to achieve the objectives of building character, citizenship, and personal fitness in the boy.

Results of participation in Cub Scouting—the home-and-neighborhood-centered program for boys 8, 9, and 10—are increased understanding between parents and boys, increased respect for others, a desire to be helpful to others, improved personal habits, a desire to be a Boy Scout.

Participation in Boy Scouting—the vigorous outdoor program for boys 11 through 17—emphasizes hiking and campcraft skills, an advancement plan geared to the individual, exposure of boys to vocational and avocational interests in the merit badge plan, an away-from-home program still designed to strengthen homelife, and personal responsibility based on the Scout Oath and Law.

Exploring—the broad, in-depth program for high school age boys—helps young men reach and strive for personal goals in citizenship, community service, vocational exploration, social skills, personal fitness, and outdoor living.

The success of Scouting for boys of all ages is reflected in the enthusiasm and interest of the volunteer leader. He teaches ideals along with the skills, has a genuine interest in the program, and demonstrates that his great concern is in seeing boys grow.
