The Cracker Barrel Vacation time is not over with yet

Did you think that Labor Day signaled the end of vacation time and all is over? Not so. There's plenty of joy coming from the old weather man and fall has a lot to offer for one-day or weekend traveling. Accommodations are sometimes cheaper, certainly more available. Camping sites will be less crowded allowing you to see more of Mother Nature's scenery and fewer of her humans. This color show has the added advantage of no commercials.

Activities abound within one or two day trips and for those who have students in school, there will be a respite on October 20th and 21st for MEA Day. It's not too early to plan. Surrounding states as well as Michigan offer opportunities for the travel-minded. Here are some facts with which to start your dreaming.

Michigan

September 27 through October Grand Rapids Camera Club Print Exhibit, Grand Rapids Public Museum. October 1, Open House, Grand Rapids Museum, 7-9 p. m. Many special events. People in costume in Gas Light Village. Have your picture taken in costume by a Bellows camera.

September 24—October 2, Midwest Space Fair, Jackson. September 25—October 1, County Agricultural Fair, Hillsdale.

September 30—October 1, The Small Aircraft Annual Race, Alpena. September 30—October 2, Fall Festival, White Cloud.

October 1-2, Wilderness Trail Jamboree, Kalkaska. October 7 to 8 Civic Festival, Marshall. October 7-9, Antiques Fair, Kalamazoo. October 7-9, Michigan Travel Trailer Rally, Alpena. October 15, Red Flannel Day, Cedar Springs. October 16, Turkey Shoot, Howard City. October 28 to 30, Winter Vacation Show, Grand Rapids.

Elsewhere

September 30—October, Swiss Festival, Sugar Creek, Ohio. October 8-9, Holmes County Antique Show, Millersburg, Ohio. September 22-25, Buckwheat Festival, Kingswood, W. Virginia.

September 24-25, River Regatta, New Martinsville, Indiana. October 1-16, The Ozark Crafts Festival, Marvel Cave, Missouri. October 5-9, Oktoberfest, La Cross, Wisconsin.

October 13-15, Black Walnut Festival, Spencer, West Virginia. October 19-22, Pumpkin

Show, Circleville, Ohio. Fall Colors in Various Areas

Pennsylvania color is usually at its height around October 12, with the maples colorful a week earlier. You might stop at Pennsylvania's Grand Canyon, sometimes called Pine Creek Gorge. Just off Route 6 between Kane & Wellsboro. Camping and motels there. Or Johnstown's Inclined Plane. Or see the only operating coal mine open to the public.

Mid-October brings vivid colors along the Skyline Drive in Virginia. Williamsburg relives the past. Concerts each Thursday evening through October. Militia musters on Tuesdays & Thursdays, through October 11, and costumed life and drums on Saturday mornings through October 8.

Minnesota—Early October is best for color for most of the state with the Hiawatha Valley following a week later. The peak of color is reached in Massachusetts and in southern New Hampshire and Vermont in mid-October. Maryland is at its colorful best in mid-October as well. The Ozark mountains' fall display begins normally in the second week in October in Missouri, northern Arkansas & western Oklahoma with the peak generally reached during the last of the month. In Tennessee and North Carolina fall color arrives the last week in October. Color lasts in the Piedmont area well into November.

Although we can't all dash off to these events created by man and nature, it's pleasing to know that someday we may be passing through these areas on business or vacation and that if we only look around, we will discover something for our own travel-logs.

Holds crusade at Eastmont

The Rev. Carl Johnson, Evangelist from Bradley, West Virginia, is conducting a week-long Evangelistic Crusade this week at the Eastmont Baptist Church, 5038 Cascade Road.

Rev. Johnson is an instructor at Appalachian Bible Institute and just returned from 6 weeks of crusading in the West Indies.

The Eastmont crusade will be held nightly at 7:30 and at 9:45 a. m. and 7 p. m. on Sunday. There will be good singing, special music and a good time in the word of God each night, including Saturday.

Come and bring your family and friends. Nursery service will be provided.

Office facilities made available for Rev. R. Otto

A new look seems to be appearing in the life of the Ada Community Reformed Church, as is evidenced by a new office for the pastor, the Rev. Robert Otto, who has established definite office hours for all who wish Christian help, guidance, advice and counseling, from 9 a. m. to 12 noon, Tuesday through Saturday.

The complete reorganization of the Sunday School on the basis of school grades instead of departments and an entirely new corresponding Sunday School material and visual aids are to be used.

The erection of "expanding" sign in front of the church property heralding the beginning of the plans to erect an entirely new church and education building has been made. The addition of greeters at the door on Sunday morning and the present involvement of purchasing all new hymn books for the church, are being made.

The days and months ahead promise excitement and also responsibility in spiritual health & growth. The fall schedule of church meetings will be noted in next week's Suburban Life, and anyone seeking a church home is invited to become a part of the Ada Community Reformed Church.

Dog 'n Suds opens drive-in

The new Dog 'N Suds Drive-in and dining room opened on Thursday, September 22, in Ada. Mrs. Lawrence Gary is the owner and operator of the new eating establishment.

The inside decor is gold leather booths, pecky cypress paneling with drapes picking up the gold and coral tones. The kitchen area also carries the coral tones.

The lighting fixtures give off a soft glow, that makes one feel they are not in a traditional hot-dog, hamburger atmosphere. Chicken, shrimp and lake perch dinners will also be served, plus homemade chili and soup during the cold weather.

There has been a great need in this area for an eating establishment and snack spot, and with both drive-in service and dining room facilities, where everybody's need will be met. There are many local adults and students who are on the staff, and you can meet them Monday through Thursday from 11 a. m. to 11 p. m. and Friday and Saturday from 11 a. m. to 12 midnight. Sundays the new Dog 'N Suds will be open from 11 to 10 p. m. Watch for their grand opening.

School system has overcrowding in classrooms

The lower elementary level in the Forest Hills School system is overcrowded with the new onslaught of new students.

There are buildings, that have vacant rooms, but are not desirable for temporary classrooms and are not located where the overcrowded classes are, and would mean busing the children from their own school location to one at a greater distance. At the present time, and as this area keeps growing, there is a definite need for added school facilities. The 3rd grade level is the most overcrowded at the present time.

The last expansion program, which included three elementary school additions and construction of the junior high school, was covered by the 1964 bond issue. The present enrollment in the Forest Hills' system is 3,242 students. Enrollment by area schools is:

Ada 163; Cascade 317; Collins 447; Egypt Valley 61; Honey Creek 81; Martin 234; Orchard View 396; Thornapple 187; Junior High 548; and senior high 995.

St. Roberts' set date for annual dinner

St. Robert's Catholic Church of Ada will again hold their annual dinner, on Sunday, October 23.

In the past, the dinner, served by the church, has been known as the annual ham dinner.

Please keep this day open, as a day out for Sunday dinner, and watch the Suburban Life for the menu and further details.

Letter to the editor . . . Clancy protests Ada's zoning amendment by township board

Editor of Suburban Life:

In recent weeks a new Zoning Ordinance has been under discussion in Ada Township, as proposed by the Township Planning Commission, much of it is good, some of it is bad, and some of it is completely unrealistic.

Now the commission is urging that the Township Board approve it in its present imperfect state, and then it can be amended. Just what is the Ada Planning Commission, and what is actually happening here? Let's go back to the beginning:

In 1949 the property owners of Ada Township adopted a Zoning Ordinance (still in effect) which is inadequate to meet today's needs. To adopt a new ordinance requires the voted consent of property owners, whereas to "amend" an existing ordinance requires merely the approval of the Township Board. For one reason or another it was decided to call our new rules an "amendment" to the original ordinance; thus the voted consent of the property owners was not required.

The Planning Commission was created and given its powers by passing a new ordinance called the "Planning Ordinance of Ada Township" (Ordinance No. 108621). This was passed unanimously by the Ada Township Board at a meeting specially called by the Supervisor on October 22, 1962. Not one person in ten knows that this ordinance exists, nor what it contains; it is not clear just why such a far-reaching ordinance was not brought to the attention of the people it was to govern. It is not clear either just what the difference is between a "Specially Called Meeting" and "Secret" meetings—the net results is about the same. So now that we know we have such an ordinance, let's take a look at it:

Article 3 of the ordinance provides that ALL members of the Commission are appointed by the Supervisor, and may be "unappointed" by him—he controls who is on the Commission. It would have to be a pretty stupid Supervisor to appoint anyone who didn't agree with his own views, or who would let anyone remain who changed his opinions later. Remember that the Township Board cannot appoint anyone on its own motion—the appointment must come from the Supervisor. Just how much "control" should one man have?

Article 6 provides that the Commission shall make and adopt a Master Plan—not one word about what anyone else wants—and that the Commission may amend, extend or change this Plan at any time. Earlier we learned that only the Township Board is required to "amend" an existing ordinance—very probably we shall discover that the Planning Commission is free to go ahead and amend its own work without anyone's consent at all.

In the Grand Rapids Press the Supervisor has announced that the Township Board may not make changes in the Zoning Ordinance—that they must act on the recommendations of the Planning Commission. So after all the double talk about the Commission being an Advisory Group, etc., it comes out that the real power is in the Commission: The Township Board does the approving, but the Planning Commission tells them when to nod their heads!

Is this the meaning of representative democracy? To govern by Commissions appointed by one man? Some small hope is provided by Article 9, however, in certain cases. In some circumstances the Township Board may over-rule the Commission, but it takes a vote of not less than two-thirds of the entire membership of the Board, a group of five persons. In all other matters but this one, a vote of 3 to 2, or a majority vote, is considered to be effective—but this only a sixty percent vote, not quite two-thirds.

To over-rule the Commission requires a four to one vote of the Township Board. Why is the Planning Ordinance "loaded" so that a majority of the Township Board is not enough?

Several other points are not what they seem at first glance. There is astonishing confusion in Articles 10 and 11. These provide the Commission with the powers of deciding what public buildings, structures, and the like will be built and when; also that they may enter upon any private lands they wish at

any time to "make inspections"; also that the Commission is rendered free to accept "gifts" pretty much at will—all these points will require scrutiny by the public. But the greatest danger to our Township and in fact to our basic rights will come about as follows:

Suppose that someday in Ada Township we have a Supervisor who is politically ambitious, he forgets his oath of office, ignores the public good, and sets out to build himself an "empire" of power. With his hand-picked cronies dominating the Planning Commission and with the assistance of only one member of the Township Board he will be able to dictate as to the uses of all land in the Township, as much as if he owned it! And this is possible right now with Ordinance 108621 in effect.

Any ordinance that puts this temptation in the way of a public official is a bad ordinance. The Township Officers are your elected representatives, elected to act in your interest, and have each given a solemn oath to well and faithfully fulfill the duties of whichever office is involved. It is impossible that in view of the easy abuses possible under ordinance 108621, they would delay acting for the good of the people. They should do two things:

First, the "Planning Ordinance of Ada Township" Number 108621 passed October 22, 1962, should be rescinded until such time as it may be re-adopted in acceptable form—a form which will provide the checks and balances our system of government believes in.

Second, all action on the new proposed Zoning "amendment" should be delayed until after the law creating the Commission has been reworked and re-adopted.

To rush through any proposals from a Commission created in what amounts to "secrecy" it would be extremely ill-advised and could be taken to be an endorsement of a very bad situation. It is hoped that the Township Board will be alert to their responsibilities to all of the property owners of the Township in this matter.

In the course of the investigation bringing these foregoing facts to light, a truly remarkable public attitude was observed. It is hard to believe how great a number of good citizens have been deluded into giving up their rights of self-determination for the shallow reason that whatever was new was "Progress."

Thomas Jefferson is well-remembered for the statement: "The just Powers of a government derive from the consent of the governed." To eliminate any consent or dissent of the governed by calling a new ordinance an "Amendment" is not progress—distorting our system of representative government with tricky legislation is not progress—passing ordinances by stealth is not progress—restricting land uses of the Township so that it will be open only to the well-to-do is not progress—jockeying the meeting dates of a public Commission so that no one may find out when it meets, and therefore cannot attend the supposedly public meeting is not progress.

Let us have progress by all means, but let it be true progress! Let us have it above-board within the framework of our constitutional rights, not by sneaking in laws which favor the privileged few.

Fred Clancy

Junior Horizon Club to organize at Junior High

A Junior Horizon Club will be starting soon at Forest Hills Junior High. This organization which is part of the Campfire Girls program will provide the girls with a variety of interesting and new activities planned with the girls interests in mind.

They can have fun learning new sports, going on a trip, camping, giving parties, or they may explore the arts or science. Some groups prepare for serving others by taking the approved Child Care Course, or sewing layettes for the needy.

If you would like to know more about this group before your girl returns her application to the school office, you may call Mrs. John Gage at 363-2391.

Rangers tie West Ottawa; play Rogers

The Forest Hills Rangers and the West Ottawa Panthers played to a 13 to 13 tie Friday night on the local gridiron.

The game was a battle of two halves, the Rangers dominated the first half and led 13 to 7 with Gary Crinion scoring two touchdowns on runs of 18 and 36 yards.

However, West Ottawa dominated the second half, and only several 15-yard penalties prevented the Panthers from scoring more often. Bob Tucker, a fleet half-back for the Panthers, rattled the Ranger defenses in the second half.

Several boys stood out for the Rangers, including Tom Testt, a sophomore end; Mike Smith, a junior linebacker; Steve Russ, a junior halfback, and Gary Crinion, a senior halfback.

Chuck Reintges, a senior halfback, played a sterling game, until he was injured in the fourth period.

The Rangers will travel to Rogers Friday night to play the Golden Hawks, who are the defending O-K Conference title holders.

Forest Hills will try to break into the victory column for the first time, after a loss and a tie for the first two games. The Hawks are 1 and 1, having lost to Sparta 12 to 7, and defeated Wyoming Park 20-19.

The Rangers will try to defend a perfect record against the Hawks as the Rangers have never lost a varsity football game to Rogers. Last year, the Rangers won 20 to 0.

The game will be played at Rogers' field, starting at 7:30 p. m.

Reserves win

The Forest Hills reserve team best West Ottawa's reserves on Thursday night 20 to 14.

The Rangers jumped into an early 20 to 0 lead, but had to hang on desperately at the end. The Panthers came back to score 14 points and had the ball on the Ranger 1-yard line when the final gun sounded.

The Reserves will face the Rogers junior squad on the local gridiron Thursday night.

Freshmen Lose

The Forest Hills Freshmen lost to West Ottawa 7 to 0 on Thursday afternoon.

The local squad couldn't sustain any offense and lost their first game after winning their opener 19 to 7 over Rockford.

This Friday afternoon, at 4 o'clock, the freshman team will match their tactics against the freshman team for Rogers.

The game will be played on the local gridiron.

Fashion show on October 6

The Junior Golden Rule Society of Butterworth Hospital will hold a "Fashion Show," at St. Thomas' Auditorium, Grand Rapids, on Thursday, October 6, at 1:30 p. m. A dessert smorgasbord will be held.

Miss Jean Gordon of WOOD-TV will be the commentator for the show, which will feature fashions supplied by the Cascade Villager in Cascade. Hats for the show will be by Les Schapeaux.

Models will be Mrs. Hugh Weaver, Mrs. Dale Beares, Mrs. Ronald Chase and Mrs. Robert Merkel, Mrs. Hardy Ensing & Mrs. Gerald Schilling.

Ella Quiggle honored on 95th birthday

Mrs. Ella Quiggle, Gove Lake, was honored on her 95th birthday on September 13, in the home of Mrs. Pete Richards of Ionia.

Guests were Mrs. Ron Rowley, Mrs. Anna Cook, Mrs. Vernon Wilson, Mrs. Robert Munger, sr., and daughters, Violet and Linda, and her daughter-in-law, Mrs. Robert Munger, jr., and Mrs. Grace Joslyn, all of Ionia.

Also attending was Mrs. Gertrude Whorley of Grand Rapids, and Mrs. Gerrit DeGood of 28th Street, SE.

A delicious potluck dinner was served to help Mrs. Quiggle celebrate the occasion.

To march with 175-man band

Lyman Baker, son of Mr. and Mrs. Menno R. Baker of 9144 36th Street, Ada, is a new member of Michigan State University's 175-man Marching Band. This year the band will play at all Spartan home games, and the MSU contest at Ohio State University.

Class officers for 1966-67 at Forest Hills

Class officers and representatives to the Forest Hills High School student council for the 1966-67 school year, were announced this week.

In the senior class, Tim Gietzen will take over the presidency, while Eric VanderVeen will serve as vice-president.

Linda McCormick will handle the secretarial duties of the class and Georgia DeVos will serve as treasurer.

Representatives to the student council from the senior class will be Shanda Fase, Pat Jackson, Todd Johnson, Fred Rugg, and Terry Simon.

Officers of the junior class will be Bob Geis, president; Tracee Seidman, vice-president; Pam Secombe, secretary and Cathy DeVos, treasurer.

Representatives to the student council will be Cindy Bowie, Kim Fisher, Bob Freeman, Jim McFarlan and Archie Warner. Linc Freeman will take over the presidential duties of the sophomore class with Terry Niles serving as vice-president; Marie Hillery as secretary; and Sue Moore as treasurer.

The class will be represented on the student council body by Steve Grabarek, Gary Gromer, Missi Ham, Paul Jenks, and Dan Mosher.

In the Freshman class, the officers elected to serve during 1966-67 were Dennis Bates, president; Steve Banta, vice-president; Debbie Scholes, secretary and Treasurer, Brad Fay. Student Council representatives will be Bob Charters, Beverly Drum, Marty Everse, Deedie Freeman and Doug Griffith.

Devoted Addiction

In its general sense the word "devotion" has the meaning of eager inclination and strong attachment; of ardent love or affection; of zeal. The Webster Dictionary even lists the meaning of addiction. The difference between being addicted or devoted is that "addicted" is often used in a bad sense as when we speak of those who are addicted to drugs, whereas "devoted" is always used in a good sense, for it expresses habitual attachment or consecration to some object. "Addicted" can, however, also be used in a good sense as referring to someone who is strongly disposed to some taste, practice or pursuit, as, for example, to study or to music.

In the midst of our natural inclination toward evil it is necessary that we shall devote ourselves to that which is good and right in the sight of our God, and which therefore will serve the best interests of our fellowmen and ourselves. If our devotions are to be true to the meaning of the word they must be characterized by eagerness and zeal. We must become addicted to the Word of God and to prayer. And how do we become addicted? By continual and regular use. We urge you to be regular in reading the Bible and in prayer and in attending your Sunday School and church services. In fact, in devoted addiction, the Christian is unable to live without Jesus Christ as the Lord of his life.

—John Guichelaar

Barbara Thompson weds Barry R. Heydenberk

Faith Lutheran Church was the setting for the marriage of Miss Barbara Thompson Friday evening to Barry R. Heydenberk, son of Mr. and Mrs. Donald G. Heydenberk, Greenbriar, SE.

Embossed lace formed the kabuki sleeves of the satin empire gown worn by the bride, daughter of Mr. and Mrs. Louis B. Thompson, sr., of Middleville. Satin and lace petals held her veil and she carried lilies and pom-poms.

Mrs. Robert D. Heydenberk, matron of honor, wore an olive crepe empire gown with a yellow back panel, matching circlet head piece. Similar gowns were worn by the bridesmaids, Mrs. Louis B. Thompson, jr., Mrs. Alton Granger of Lansing, and Miss Roberta Herter of Northville. All carried yellow and rust mums. The flower girl, was little Gay Granger. Robert Heydenberk, brother of the groom, was the best man.

Ushers were Louis B. Thompson, jr., William R. Heydenberk and Gregory Johnson.

Mr. Robert Lignell, pastor of Faith Lutheran Church, performed the ceremony. An organ solo was played by William Heydenberk, brother of the groom.

You'll love new built-in electric home appliances

The growing trend toward total electric living has inspired electrical manufacturers to develop a wide variety of unique built-in appliances which round out the joy of living and working in a Gold Medallion Home. No wonder modern homemakers love living electrically!

Behind a Closed Door

Three of the most frequently used small kitchen appliances are the hand mixer, the electric knife and the can opener. These three now come housed in their own cabinet which can be built-in or mounted on the surface of the kitchen wall. The can opener remains out in the open. The mixer and knife hide behind a paneled door, which opens at a finger-touch and closes by means of magnet. The entire assembly is only 4 1/2 inches deep, 16 inches wide and 13 inches high.

Water—Teakettle—Hot

A tiny electric water heater, with its own faucet, provides hotter-than-tap water instantly—eliminating heating-up small

amounts of water for instant hot drinks and the many other occasions when water at 150 to 190 degrees is needed. Only the control head and the scout appear above the sink. The storage tank hides underneath.

Keep Foods Hot

Electrically heated trays have been around for some time, as portable appliances. Now they are available as built-ins to be installed flush in the kitchen or serving counter. The radiant glass heating panel is claimed to be shatter and dent-proof. Thus, the surface can be used as working space when it isn't being used to keep foods at serving temperature.

Another food-warmer is comprised of two electrically heated drawers which can be built into a base cabinet. Each drawer has individual moisture controls, adjustable for keeping foods "moist," "crisp" or "medium." Thermostatic control provides temperatures up to 190 degrees F.

Built-in Cleaning System

Built-in vacuum cleaning systems have their motors and dust-collectors mounted in a closet, utility room or downstairs in the basement. Cleaning tools plug into the extra-long hose which may be plugged into a wall outlet, or may be designed to telescope into the wall for storage.

All of these new conveniences have one thing in common: they're powered by electricity!

Suburban LIFE

NOTICE OF SPECIAL COUNTY ELECTION

YOU ARE HEREBY NOTIFIED that a Special County Election will be held in Kent County on Tuesday the 8th day of November, 1966 at which election there will be submitted to the qualified electors of the County of Kent a proposition to increase the tax limitation by one mill per year for not to exceed four years from 1967 to 1970, both years inclusive, for the purpose of acquiring a site and erecting and equipping a new building Kent County Medical Care Facility; and a proposition to authorize the Board of Supervisors to levy a tax, if the tax limitation is increased, of not to exceed one mill for a period of not to exceed four years from 1967 to 1970, both years inclusive, to create a sinking fund to be used for the purchase of real estate for a site and for the construction and equipping of a building and facility for the Kent County Medical Care Facility.

IN WITNESS WHEREOF, I have hereunto affixed my signature at Cascade Township in Kent County, Michigan this 20th day of September 1966.

Al Heemstra
Clerk of Cascade Township
Kent County, Michigan
c24-25

TOWNSHIP OF CASCADE

County of Kent, Michigan
NOTICE OF REGISTRATION
TAKE NOTICE that any qualified elector of the Township of Cascade, County of Kent, Michigan, who is not already registered may register for the Special County Election to be held on the 8th day of November, 1966.

Registrations will be taken at the office of the Township Clerk each working day until Monday, October 10, 1966.

THE LAST DAY FOR RECEIVING REGISTRATIONS will be Monday, the 10th day of October, 1966, on which day the said Clerk will be at his office between the hours of 8:00 a. m. and 8:00 o'clock p. m., Eastern Standard Time, for the purpose of receiving registration of electors qualified to vote.

Al Heemstra
Township Clerk
c24-25

TOWNSHIP OF ADA

County of Kent, Michigan
NOTICE OF REGISTRATION
TAKE NOTICE that any qualified elector of the Township of Ada, County of Kent, Michigan, who is not already registered may register for the Special County Election to be held on the

8th day of November, 1966. Registrations will be taken at the office of the Township clerk each working day until Monday, October 10, 1966.

New oil furnace.
Iron Fireman CUSTOM Mark II oil furnace
with instant clean flame. Unequaled for clean comfort, low fuel bills and trouble-free performance

Comfort
With the Iron Fireman CUSTOM Mark II furnace you use a super-sensitive thermostat which operates the furnace with the slightest variation of room temperature. This gives you remarkably uniform indoor temperature. No matter how often the furnace starts there is no smoke, no soot, no fouled combustion chamber, no wasted oil.

Cleanliness
With the instant clean flame there are no flecks of soot blowing from your chimneys or escaping into your home. Hundreds of tests made with smoke-detecting instruments show a flame that's absolutely clean from the very moment it's turned on.

Down go fuel bills
Owners report remarkable fuel savings. There is no smoky warm-up period to foul the furnace and waste oil. Service calls are cut to the vanishing point.

Operates without chimney draft
The CUSTOM Mark II furnace provides its own positive induced draft with precision control. No natural chimney draft required.

REGISTRATION NOTICE
For All ELECTIONS
HELD TUESDAY, NOV. 8, 1966

TO THE QUALIFIED ELECTORS OF
ADA TOWNSHIP
County of Kent, Michigan

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Clerk, will, upon any day except Sunday and a legal Holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Thirtieth Day before any regular, special or official primary election and the day of such election.

NOTICE IS HEREBY GIVEN THAT I WILL BE AT MY HOME, 7172 THORNAPPLE RIVER DRIVE
MONDAY, OCT. 10, 1966
Last Day For Registration

From 8 o'clock a. m. until 8 o'clock p. m. on said day for the purpose of Reviewing the Registration and Registering such of the qualified electors as shall properly apply therefor.

The name of no person but an ACTUAL Resident of the precinct at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

KATHRYN SYTSMA, Clerk

WANT ADS

Touring a farm, the tot from the city saw a tiny colt. "Look, daddy," he exclaimed, "a foreign horse."

Newest to the Crib Crowd

Mr. and Mrs. William Crawford of Conservation Road, Ada, announce the birth of a son, William, jr., on July 31. Mrs. Crawford is the former Marilyn Miller of Cascade. The new arrival weighed six and one-half pounds.

Born to Mr. and Mrs. Donald Weeks of 5505 Whitneyville, SE, Alto, a daughter, Kathy Louise, on September 2 at Butterworth Hospital, weighing 6 pounds 15 ounces. Kathy has two sisters, Vicki, 8½, and Jodi, 6, and a brother Kurt, 19 months.

Little boy, on being presented with a stuffed dog: "But I wanted one that was made out of dog."

Ada driver 2nd in point standings

Intermission ceremonies Saturday night at the Berlin Raceway saw Bob Seneker of Grand Rapids crowned the semi-late model stock car point champion for the 1966 season, at the Marne and Kalamazoo tracks.

Seneker's lead to the point championship was boosted by 21 feature wins and masterful driving on the ¾-mile banked oval at Kalamazoo and the seven-sixteenths mile track at Marne.

Driving the Model Coverall Special, a 1957 Chevrolet, owned by Doug Cutler of Cutlerville, Seneker has had one of his best seasons at the local tracks. Unforgettable too, is the impression he has made with his racing maneuvers around the State of Michigan in the semi-late model class.

Coming up for the Grand Rapids hotshot is a big race in Pennsylvania on October 15, and an invitational race this week end in Rockford, Illinois.

Finishing second in the points was hard-charging Gail Cobb of Ada, who was presented a trophy and a check for \$200 by the Berlin Raceway officials.

Driving a 1957 Chevrolet, owned in partnership with Phil Anible, Cobb had a late season surge, which was unsurpassed by any other driver, and was a repeated figure in the winner's circle.

Trophies and point monies were awarded to the top twenty drivers, at both tracks, which included, in order:

Seneker, Cobb, Ken Sutton, Johnny Boerman, Glen Tanis, Jim Adema, Jerry Spear, Bob DePauw, Dick Hurltelbrink, John Bliss, Bill Rake, Ron Laben, Don VanderMolen, Bill Cox, Gordie Bissett, Jerry Pelouquin, Bob Hegner, Dick Aspinall, Jim Leonard and Ralph Holcomb.

KNOLL TAKES SECOND CONSECUTIVE FEATURE

Duane Knoll held out through two caution flags and one red flag to win the 20-lap super modified feature race Saturday night at the Berlin Raceway in Marne.

It was the second consecutive feature win for the Muske-

gon, Michigan driver, and his seventh main event victory of the season.

Curley Moody of Grand Rapids led the pack around the seven-sixteenths-mile oval until the ninth lap, when Knoll took over a commanding lead.

The main event was halted when the car driven by Jack Smith did a spectacular flip after striking the sand and concrete retaining barrier between the third and fourth turns, coming to rest upright on the infield area of the track.

Smith escaped injury, but the car will undoubtedly be out of action for the remainder of the season.

Moody finished second, trailed in order by Jim Eberstein of Kalamazoo, Larry Gathman of Lansing, Bob Carnes of Kalamazoo and Gordie Bissett of Battle Creek.

Heats in the super modified division were won by Bissett and Knoll.

CARNES IS DOUBLE WINNER

Bob Carnes of Kalamazoo was a double winner in the super stock division at the Berlin Raceway Saturday night, when he won the Australian pursuit and the feature event.

Making his second appearance at the track, during the '66 season, Carnes scored a win in the 20-lap feature by a narrow margin over Bob Seneker of Grand Rapids.

Gail Cobb of Ada, who got caught up in early traffic, finished third with Ed Howe of Lansing filling in the fourth spot.

Seneker, the evening's fastest qualifier, won the fast car dash, with Dick Quakenbush, Dick Aspinall and Dick Hurltelbrink emerging victorious in the super stock heat events.

A field of more than sixty cars will be on hand this Saturday night, in open competition for the super modifieds and super stocks as the season rushes into its final stage.

Time trials will start at 6 p. m. with the first race scheduled to get underway at 8 p. m.

the eventh pin

Again some top-notched bowling was rolled by the local keglers last week with John Topp, jr., giving the men some real bowling to shoot at with a big 270 game and a 640 series.

For the women, it was Elva Topp with a fine series of 554 and Dorothy Leasure with a 210 game.

Jackpot Bowling

In the Jackpot Sunday night, Curly Graham and Dick Dilly placed first, with Ken and Phyllis Earle taking second.

Three students receive letters of commendation

Letters of Commendation honoring their high performance on the 1966 National Merit Scholarship Qualifying Test (NMQST) have been awarded to three students at Forest Hills high school, principal Howard Dalman has announced.

Those named Commended students are Mark E. Jason, Thomas Seidman and Jill Zoodsma. They are among the 38,000 students in the United States who scored in the upper two percent of those who will graduate from high school in 1967. The Commended students rank just below the 14,000 semi-finalists announced earlier this month by the National Merit Scholarship Corporation (NMSC).

John M. Stalnaker, president of the NMSC, said: "The outstanding record made by these students is a national competition deserves public recognition. Their significant academic attainment gives promise of continued success in college. "The Commended students should be encouraged to pursue their education as their intellectual talent represents an important and much needed natural resource. Our nation will benefit from their continuing educational development."

Only the highest scoring students in each state, the semi-finalists, remain eligible to be considered for Merit Scholarships. Although students receiving Letter of Commendation advance no further in the Merit Program, their names are reported to other scholarship-granting agencies and to the colleges they named as their first and second choices at the time they took the NMQST.

These colleges also receive reports of home addresses, test scores, anticipated college majors and career intention of the Commended students. NMSC encourages these students to make every effort to continue their education.

Hospital notes

Sharon Marsman, 6035—28th Street, se, is receiving medical treatment at the University Hospital in Ann Arbor, Michigan.

Mrs. Gordon Collier, is a patient at Butterworth Hospital.

Dale Semon is a patient undergoing treatment at the Butterworth Hospital.

1967 Pontiacs go on sale September 29

The 1967 models of Pontiac Motor Division represent a bold new approach in automotive styling combined with many new engineering features designed to increase the safety, comfort and convenience of driving. Offered for the first time is a Grand Prix convertible and three new station wagons, two in the Executive series and one Tempest Safari, all with simulated wood exterior paneling.

Sweeping new roof lines on all two and four-door models, major design advancements in both front and rear ends, a Pontiac exclusive of recessed windshield wipers and exhaustive detail to safety keeps Pontiac the pacesetter for the industry.

The 1967 Pontiacs go on sale September 29, at Goodwin Pontiac, 1250 Madison Ave., SE.

Model Line-up

Pontiac has increased the number of models from 33 last year to 35 in 1967.

The Tempest series includes a sports coupe, four-door sedan and station wagon.

A sports coupe, hardtop coupe, four-door sedan and hardtop, convertible and station wagon complete the Tempest Custom series.

Introduced as a separate series this year is the Tempest Safari four-door station wagon. The Pontiac LeMans is available in a sports and hardtop coupe, four-door hardtop and convertible.

The popular Pontiac GTO is offered in a sports coupe, hardtop coupe and convertible.

The Catalina series has seven models; two and four-door sedans, a hardtop coupe, four-door hardtop, convertible and two-seat and three-seat station wagons.

Two new station wagons, a two-seat and a three-seat model, increase the Executive line-up to five. A four-door sedan, four-door hardtop and hardtop coupe are also offered.

The Bonneville series includes a hardtop coupe, four-door hardtop, convertible and a custom three-seat station wagon.

The Grand Prix is now available in a convertible and a hardtop coupe.

The Sprint option is offered on all Tempest, Tempest Custom and Pontiac LeMans models.

Available as an option in the Catalina series is the 2 Plus 2 in the hardtop coupe

Buth to attend tax conference in Denver

State Representative Martin D. Buth (R-Comstock Park) will attend the annual conference of the National Tax Association this week in Denver, Colorado.

Buth, assistant minority leader in the House of Representatives and a member of the Committee on Taxation, will attend meetings dealing with various state taxes, their enactment, enforcement and administration.

Besides legislators the conference will include budget analysts, assessors and tax administrators from throughout the United States.

Buth said that due to high prosperity, Michigan tax collections have been at an all time high. "However, the legislature this year appropriated \$100 million more than expected revenues," he added.

Because of this, Buth predicted that the legislature next session must look for increased revenue through an increase in tax rates or new state taxes.

V. F. W. POST TO MEET

Regular meeting of the Lowell V. F. W. Post 8303 will be held Tuesday evening October 5, at their post rooms. Members try to attend.

And the supply is virtually unlimited in a total-electric Gold Medallion Home!

Music Assoc. to meet

The Forest Hills Music Association will meet in the Music room Monday, October 3, at 8 p. m.

All parents with children in the music department or anyone in the community, are cordially invited to attend.

Motorbike safety rules urged to curb accidents

With the ever increasing popularity of motorcycle riding, an increasing number of accidents are being recorded. Michael B. Birmingham of the Greater New York Safety Council recommends, "Those who intend to ride motorcycles should first receive instruction to acquire special skills and then demonstrate proficiency in handling what is acknowledged as basically an unstable vehicle."

Mr. Birmingham said that no one should get on a motorcycle as driver or rider without a helmet. He also recommended: Wear sturdy protective clothing and footwear. Never ride with bare arms or legs.

Check controls before starting the engine. Let it warm up. A cold engine can miss for a second and cause an accident. Always apply your rear

brake before easing down gently on the front one. Brake smoothly on wet or slippery surfaces and use your brakes before entering a turn, not when you are in it.

Distinguish between your thinking distance and braking distance. It takes almost 60 feet to react at 50 miles per hour and another 125 feet to complete your stop after that. That's 185 feet.

Don't pass another vehicle unless the road ahead is clear, and don't cut back too soon. Be alert to the motorist ahead who may make a left turn, and be watchful always for unsignaled turns in front of you from the opposite lane.

Watch Suburban Life Want Ads for 'top grade' buys every week.

Welcome-home Snacks by Betty Crocker

For the after-school crowd with their bottomless appetites, let's cook up a few snacktime surprises. Casual, easy to eat, energizing afternoon treats. Like frosted Chocolate Rounds in exchange for a finger painting from kindergarten... crunchy Golden Cereal Bars as special reward for new-math mathematicians... Easy Caramel Corn for all-occasion munching: on the run, in front of TV or over a good book. (Pack in small bags and you have a neat-to-eat snack-in-a-bag.) For thirsty snackers — nourishing glasses of milk, flavored with two tablespoons of chocolate or maple syrup — or half a banana, mashed. Here are more of the magic formulas.

CHOCOLATE ROUNDS

- ½ cup shortening
- 1 cup sugar
- 2 eggs
- 1 teaspoon vanilla
- ½ cup milk
- 2 squares (2 ounces) unsweetened chocolate, melted
- 4 cups Bisquick
- 1 cup chopped nuts

Heat oven to 350°. Mix shortening, sugar, eggs, vanilla, milk and chocolate thoroughly. Stir in Bisquick. Fold in nuts. Chill 1 hour or longer. Drop dough by teaspoons about 2 inches apart onto greased baking sheet. Bake 15 minutes. Frost with your favorite chocolate icing, if desired. Makes about 4 dozen.

Easy Caramel Corn: Heat ½ pound caramels (28) and 2 tablespoons hot water, stirring occasionally, in top of double boiler over hot water until melted and smooth. Pour over 5 cups popped corn; mix. Drop mixture by spoonfuls onto waxed paper. Makes about 3 dozen.

GOLDEN CEREAL BARS

- 4 cups corn puff cereal
- 1 cup salted peanuts
- 1 cup shredded coconut, if desired
- 1 cup sugar
- ½ cup light corn syrup
- 1 cup light cream

Mix cereal, peanuts and coconut in large buttered bowl. Mix sugar, corn syrup and cream in saucepan. Cook over low heat, stirring occasionally, to 235° or until soft ball forms when a small amount is dropped into cold water. Remove from heat. Pour syrup over cereal mixture. Mix well. Turn out into buttered square pan, 8x8x2 inches. With hand protected by waxed paper, pat mixture evenly in pan. Cool. Cut into bars. Makes thirty-two 2x1-inch bars.

Remember, to children snacks say "welcome home" with love.
