Commissioned following OTS, AF graduation

Thomas G. Hackett, whose wife, Julia, is the daughter of Mr. and Mrs. Collins Brooks of 2221 Shawnee Drive SE, Grand Rapids, has been commissioned a second lieutenant in the U. S. Air Force upon graduation from Officer Training School (OTS) at Lackland Air Force Base, Texas.

Lieutenant Hackett, selected for OTS through competitive examination, is being assigned to Lowry Air Force Base, Colorado, for training as an aerospace munitions officer.

The lieutenant, a 1962 graduate of Assumption College High School, Windsor, Canada, received a B. A. degree in 1965 and an M.B.A. degree in 1967 from the University of Michigan.

Lieutenant Hackett is the grandson of Mrs. Rose Lakos of 317 Sixth St., Manistee.

14 cross-country candidates are working out

Coach Bob Vandenberg is working daily with 14 Forest Hills high school cross-country candidates, most of whom have been working out since August 15th.

The Rangers will compete in a practice meet with the Rockford Rams on Wednesday, September 13, at the Silver Lake Country Club, and on Saturday, September 17, they will compete in the Northwest Invitational meet at Northview High School.

Coach Vandenberg is pleased with the condition of the squad this early in the season.

Several boys who have turned in good times thus far include Alan Bacon, Doug Koesel, John Gromer and Craig Farrell.

Patronize Suburban Life Advertisers.

Support sought for summer stock theatre

For the past couple of years it has been rumored that a summer stock theater was in the making for the Forest Hills District. This year an attempt will be made to make this dream a reality.

Gerrit Lamain and the Cascade Academy of Dance Arts have joined forces to lay the foundation of an organization that could possibly achieve this tremendous undertaking.

Community support is urgently sought. All interested adults are urged to attend the first organizational meeting.

The meeting will be held in the choir room at the high school, Tuesday, September 19, 8 p. m.

Those interested, but unable to attend this meeting, please contact Mr. Lamain at Forest Hills high school, 949-2410 or at the Junior High, 676-9177.

Open house Sept. 22 at Villager Coiffures

The ever growing Cascade area will have another new business beginning September 19th. Pauline Squires will open the Villager Coiffures. The new salon is located next to the Cascade Villager on Orange Street in the Village of Cascade.

Mrs. Squires has completely remodeled the shop. The decor is French Provincial, with shades of aqua, avocado and gold as the color scheme, and the shop is completely air conditioned. There will be four stations to serve the ladies of the community.

Mrs. Squires comes to the area with vast experience. She has owned and operated shops for the past 10 years in the Huntington Woods and Princeton Estates Areas, and is well qualified.

She will have complete individualized beauty care, hair conditioning, the very latest in hair frosting and hair coloring, and she will feature all types of new and alluring hair-dos. Children's styling is one of many specialties. The Villager Coiffures will specialize in.

An open house will be held all day Friday, September 22. Everyone is cordially invited to come in and get acquainted with Pauline and tour the salon.

Never dull . . . !

What's Main Street talking about this week? Read Al Pardee's column, The Country Square in this issue of Suburban Life. Sometimes controversial—never dull!

Football season gets underway

Forest Hills football coaches were greeted by a large turnout on opening day of practice Monday, August 28.

Varsity coach Bob Dangel was greeted by 38 varsity candidates, reserve coach Paul Northuis was greeted by 22 boys, and Freshman coach Ben Endin was elated with a turnout of 45 boys.

Bunk Van Ark will continue as Bob Dangel's varsity assistant coach, Paul Leavenworth, a newcomer from the Wyoming system, will assist Mr. Northuis with the sophomores, and Jim Wagner will work with Mr. Endin on the Freshman level.

All three squads are working toward their non-league openers against Rockford.

face Rams

The Forest Hills varsity football team, under the tutelage of coach Bob Dangel, will travel to Rockford to face the Rams Friday night in the season opener for both schools.

The game will start at 7:30. Admission will be \$1 for adults and 50 cents for students if purchased at school or \$1 if purchased at the gate.

Coach Bob Dangel is building his offense around quarterback Steve Russ, a 6' 1", 185-pound, senior. Steve has a great passing arm, and is a constant threat as a runner with his speed and size.

His favorite play is a roll-out and pass-run option.

Others in the backfield, who are running and pass receiving threats are Dave Norman, Jim VanderBaan, Ryan Ashley, and Stan Grochowalski.

Scott Wingeier has looked good as a back-up quarter back.

Linemen who will see considerable action Friday include ends, Jim Witzel, Tom Teft and Steve Grabarek; tackles, Greg Liversedge and Dan Mosher; guards, Steve Parrott, Randy Simon and Doug Dykhouse; centers, Mark Noren and Paul Jenks.

Coach Dangel was disappointed, but not discouraged, with the Ottawa Hills scrimmage. Dangel saw a lot of encouraging things in the scrimmage and, also, a few things that must be ironed out by game time on Friday.

Coach Dangel and his Rangers will be attempting to end a winless streak of 12 consecutive games spread over the past two years. Last year's squad finished with seven losses and one tie.

varsity squad

Thirty-nine players and two managers will make up the 1967 roster for the Forest Hills varsity football team. They will be competing in the Ottawa-Kent Football League.

Squad members include: Stan Grochowalski, Russ Gruchow, Scott Wingeier, Jim Olson, Brad VanSlysters, Fred Banta, Dave Norman, Lavail Hull, Bill Hulsapple, Steve Russ, Jim VanderBaan, Ryan Ashley, Larry Cardinal.

Kevin Gary, John Olmsted, Bill Cardinal, Steve Parrott, Jim McFarlan, Tom Dygert, Rick Jerrils, Randy Simons, Doug Dykhouse, Steve Cribley, Mike Krause, Paul Jenks, Mark Noren.

Bill Buell, Steve Grabarek, Bob Vandenberg, Dan Mosher, Tom Teft, Jim Witzel, Jim Hillery, Greg Liversedge, Rich

Boger, Les Clemence, Bill Powell, Gary Halladay, and Bob Rich.

Managers of the team are Brehm Rypstra and Dave Wright.

schedule

Forest Hills games scheduled in the Ottawa Kent football league will be:

September 15, Rockford, there; September 22, Kentwood, there; September 29, Wyoming Park, here.

October 6, West Ottawa, there; October 13, Godwin, here; October 20, Lee, here; October 27, Hudsonville, there.

November 3, Rogers, here.

reserve game

The Forest Hills reserve football team, under the coaching of Paul Northuis will open their season Saturday night, September 16, 7:30, against the Rockford Rams.

Admission prices for this game to be played on the local gridiron will be 75 cents for adults and 35 cents for students, with all tickets being sold at the gate.

The gates at the football field will open at 7 p. m.

freshmen

The Forest Hills' freshman will open against Rockford on Saturday afternoon at 5 p. m. on the local gridiron.

There will be no admission charge for this game. Gates to the field will open at 4:30.

Coach Endin is working with 45 boys and his line-up is not set at this time.

Two attend Lay Institute for Evangelism

Gary and Joyce Thomet, Laraway Lake Dr., SE, have attended a Lay Institute for Evangelism at the world-famous Arrowhead Springs in San Bernardino, California, with 250 other lay men and women.

The purpose of the Institute, conducted by the Lay Division of Campus Crusade for Christ International from August 27 to September 2, is to train laymen how to consistently experience the abundant Christian life and how they can have a part in helping to take the Christian message to the entire world in this generation.

Speakers at the Institute included Dr. William R. Bright, founder and president of Campus Crusade for Christ; Howard Ball, coordinator of the Lay Division; Dr. Henry Brandt, internationally known Christian psychologist and consultant; Ray Nethery, coordinator of Asian affairs; Bob Kendal, coordinator of Latin American affairs; Mrs. Ethel Wilcox, special representative of the Lay Division; and Mrs. William R. Bright.

Campus Crusade for Christ is an interdenominational Christian Movement presenting Jesus Christ to college & university students, professors, laymen & military personnel across this nation and around the world. Founded by Dr. Bright at UCLA in 1951, it has since spread to hundreds of campuses in this country, scores of cities, and 35 foreign countries. The present international staff numbers more than 1,100.

Emphasizing the role of the church, Campus Crusade seeks to work closely with churches of all denominations. The Lay Division functions as a servant of the church of all denominations. The Lay Division functions as a servant of the church around the world by training men and women to become fruitful in sharing Christ in, through and for the local church.

Campus Crusade believes that Jesus Christ is the answer to the despair and confusion of society today. People are looking for a leader worthy of allegiance and a cause to which they can give themselves with complete devotion and abandon. They must be challenged to be revolutionaries for Christ, to take the message of His love to the world.

West Virginia farmers spend \$24-million a year for poultry and livestock feeds.

Perfect attendance pins presented

Miss Molly Blanton was awarded a seven-year perfect attendance pin at Promotion Day exercises at the Sunday School of Cascade Christian Church Sunday, September 10.

Three year pins were presented to Jim Gaskell, David Banta, Doug Seeley, Doane Seeley, Darlene Seeley, Jon Gaylord, Sara Gaylord and Peter Gaylord.

Two year pins went to Jill Chandler and Robin Reynolds.

One year pins were awarded the following: Wendy Reynolds, Bill Frazee, David Thorington, and John Thorington.

Girl Scouts

Interest again runs high in the formation of a Girl Scout Troop in the Cascade area to serve girls nine through 12 years of age.

Two women have designated an interest to serve as adult leaders, but additional leaders are needed to carry forth an adequate Scouting program.

Women, interested in serving as Scouting leaders, are asked to contact Cascade Christian Church, 949-1360, which is the sponsoring institution.

Class reunion

The Grandville Class of 1957 will hold their tenth anniversary class reunion at the Embers Restaurant, 3300—28th St., SW, Grandville on October 14, at 6:30 p. m.

An invitation has been extended to whoever was a member of the class during the years 1953 to 1957. Reservations should be made with Mrs. Lois (Fischer) Madura, 2130 Gordon, NW, Grand Rapids, 453-5858, or Gerry (Bates) Gromko, 1423 Gentian, SE, Kentwood, 243-5650.

Stephen Hoyle enrolled at Lawrence University

Stephen M. Hoyle, 501 Honeycreek, NE, Ada, is among a group of 380 new students who will arrive at Lawrence University, Appleton, Wis., on September 20 for five days of orientation before classes begin on September 25.

Lawrence will begin its 120th year with an official matriculation day ceremony on the latter day. President Curtis W. Tarr, twelfth president of Lawrence, will deliver the address.

Food is still a bargain. Average incomes in the U. S. have doubled since 1950 while food costs have risen only 25 per cent.

Surprise event will honor Jacob Knoops

Despite the formative publicity being issued to relatives and friends, the children of Mr. and Mrs. Jacob Knoops are hoping to surprise their parents at a 40th anniversary open house this Sunday, September 17.

The open house will be held in the Egypt Valley Grange Hall from 4 to 8 p. m., and will be hosted by the Knoops' children, Mr. and Mrs. Jacob R. Knoops, H. Martin Knoops, and Mr. and Mrs. Allan Fulviler.

Hazel Wilson and Jacob Knoops were united in marriage on September 11, 1927, in Michigan City, Indiana, and moved to Grand Rapids. In 1947, they moved to their present home, 9305 Conservation Road, Ada.

Mr. Knoops active in area Boy Scout work, retired on August 31 of this year from Doehler-Jarvis in Grand Rapids, where he had been employed for the past 35 years.

A cordial invitation has been extended to the Knoops' many friends and relatives to help surprise them at this open house, honoring their 40th wedding anniversary.

Student handbook distributed Tuesday

On Tuesday, September 12, the new student handbook, "The Log," was distributed to the student body at Forest Hills high school.

It includes a history of the school, school policies, description of school activities, eligibility and other information to both students and parents.

The staff of Forest Hills high school hope the parents will ask the students to show them "The Log," so that they will be better informed about the school and their children.

To develop and maintain a citizenry

Now that school has opened in our area, students, teachers and parents are planning to do their best in the coming months to make this time worth while.

Experience has proved beyond doubt that the most valuable source of valuable ideas is the creative individual working in a stimulating climate.

Advanced development for students has but one basic function—to develop and maintain a citizenry which will lead the nation into a healthy position and keep it there.

Naturally, this is an oversimplification of a rather complex definition. As consideration is given to the ever increasing size of our population, we come into the by-play of bureaucracy, pockets of function, and natural resistance of change.

Therefore, we should all remember that change is constantly taking place and it comes from ideas . . . sometimes good, sometimes pretty horrible.

Generation of ideas, proof of the ideas, and reduction of practice are part of the school year, and of the continuing life after formal education.

When consideration is given to the extreme fragility of an idea, steps must be taken by all, the student, the teacher, & the parents to develop it if good or it will become lost, destroyed or deserted.

Ideas are so tender sometimes that we may tread on them, but there is the practical side to be taught as well. In this world there is no room for the "blue sky" man to function alone; he must work with others. There is no room for the man who continually floats along on cloud nine.

A man of value has to be advanced in his thinking, be rather ethereal, and yet have one foot placed firmly on the ground of practicality.

Let us aim for this.

Laws and commandments in the minds of many people were made to guide other people.

Enlarge staff at Ada store

Cornelius Heemstra, Jr., owner of Ada Heating & Plumbing Co. of Ada, announces additions to his working staff.

Allan Heemstra of Ada and Fred LaHuis of Grand Rapids recently began their duties with the company.

Cornelius Heemstra, Jr., received his Master Plumber's License from Lansing in June. Mr. LaHuis is an accomplished Journeyman Plumber.

The company wishes to thank its many friends for their patronage over the past years and looks forward to continue to serve the community and surrounding areas with renewed confidence in the future.

Sophomore at Stephens College

Miss Deborah Seccombe, the daughter of Mr. and Mrs. Max H. Sarret, 6010 East Fulton, Ada, will leave later this month for Columbia, Missouri, where she will be a sophomore at Stephens College.

She will be one of more than 1,900 students from all across the United States and a dozen or more foreign countries at the four-year residential college for women.

One of the highlights of the 1967-68 academic year at Stephens will be Parents' Weekend, to be held on campus October 20-22.

Parents will attend classes with their daughters and take part in special activities planned for them.

Rally Day goal is set

An attendance goal of 250 has been established for the Cascade Christian Church Sunday School on Rally Day, September 17. With classes now forming for the fall and winter months, the Sunday School is eager to enlist old and new members as well.

Two sessions are held each Sunday—at 9:15 a. m. and 10:30 a. m. Parents, wishing to enroll children, are asked to contact the church office, 949-1360.

A full complement of forty teachers and assistants will staff this year's Sunday School which is headed by Charles Dykhuisen, general superintendent.

Serving as the 9:15 a. m. superintendent will be Mrs. James Hansen, with Mrs. Paul Gesner assuming the same position for the 10:30 a. m. session.

Awards class collects for Sunshine Hospital

Members of the Church Awards Class of Cascade Christian Church will be collecting funds for the guilds at Sunshine Hospital Friday and Saturday, September 15 and 16.

This effort will be in connection with the annual TAG Day, sponsored locally by Sunshine Hospital and the U.C.Y.M. Youth will be placed in the strategic business areas, holding the familiar canisters with a picture of the hospital.

All money received in this effort goes to care for the patients needed by and for the patients, and administered by and through the different hospital guilds.

Forest Hills enrollment hits 3,597

An increased enrollment in the Forest Hills Public School system has been noted by the administration following a totalization of figures on September 11, following the first official week of the 1967-68 school year.

Enrollment in the elementary grades, the junior high school, and the senior high school added up to a grand total of 3,597; 144 over last year's record enrollment. The official count will be made on the fourth Friday of school.

In the elementary grades the recorded enrollment to date is: Thornapple, 190; Ada, 167; Cascade, 369; Honey Creek, 78; Egypt Valley, 48; Orchard View, 441; Collins, 468; and Martin, 225. Total enrollment 1,986.

Students attending classes in the Forest Hills junior high division registered to a total of 578.

In the senior high school, the first week's registration totals included: ninth grade, 269; 10th grade, 251; eleventh grade, 263; and twelfth grade, 220, for a total of 1,033.

To take, open sealed bids

Sealed bids will be submitted and opened at a public meeting on October 5 in the Forest Hills junior high school at 8 p. m., for plans and specifications for additions to and the remodeling of three elementary schools.

The bids being accepted will cover the plans for Thornapple, Orchard View, and Collins Elementary schools.

 Sunday, September 17, 10 a. m. Morning worship, Church School and nursery care.

Showboat chorus is praised for performance
 The 1967 Lowell Showboat is history, but talk about the show continues. The main comment seems to be that it was the best SHOWBOAT ever. It is nice to be a part of such a successful undertaking. My special thanks goes to the chorus. They gave of their time to rehearse, and bravely endured the cold each night of the performances.
 I must also convey the sentiments of Lenny Collier, Hart and Avis, the ALL STARS, and Louis Armstrong himself. They were highly impressed with the chorus and praised them constantly.
 The entire chorus can be proud of a job well done, and Gerrit Lamain director would like to say to all of them "Thanks for a wonderful week. We'll do it again next year."

Susan Hoffman is bride-elect

Mr. and Mrs. Charles E. Hoffman of Lowell, announce the engagement and forthcoming marriage of their daughter, Susan Mary, to Douglas C. Wester, son of Mrs. Ruth Wester and Harold Wester of Lowell.
 Miss Hoffman is a graduate of State College of Beauty Culture, Grand Rapids. Her fiancé served with the United States Navy.
 The couple are making wedding plans for March 23rd.

Susan Smith, Eugene Boyce repeat vows

The First Methodist Church of Lowell was the setting for the Friday evening, September 8th, marriage of Miss Susan M. Smith and Eugene W. Boyce.
 Parents of the couple are Mr. and Mrs. L. D. Vernon Smith of Middleville, formerly of Ada, and Mr. and Mrs. Chancey Boyce, 625 North Monroe Avenue, Lowell.
 Given in marriage by her father, the bride was attired in a long sleeved, scooped neck gown. The re-embroidered lace skirt rose to the empire bodice that was embellished with a triangle of lace appliques. The detachable chapel train of silk organza over taffeta fell gracefully from a bow at the waist line in the back, and was accented with matching lace appliques. Three roses of satin and pearls caught her illusion veil. A crescent bouquet of pale blue tulle tufts and white roses completed her ensemble.
 Mrs. Donald L. Brentana of Muskegon Heights attended her sister as matron of honor. The bridesmaids were the Misses Cynthia Drake of Grand Rapids, Jean VanDriel of Ada and Karen Larsen of Grand Haven. The attendants wore light blue taffeta-faced chiffon gowns with the matron of honor in a deep-er, open blue. The dresses had scooped necklines, short puffed sleeves with accordion pleats, and a satin ribbon underlining the bodice. Flowered headpieces secured their bouffant veils and they carried blue pomps.
 Dressed in a gown identical to the bride's was the miniature bride, Miss Stephanie Joyce of Grand Rapids. The miniature groom was C. Nicholas Fonger of Lowell.
 Steven J. Ayres was best man. Serving as groomsmen were Kurt Beimers, Bruce Boyce, and Donald Brentana. Ushering were William A. Robins, and Morton Reed.
 Following a reception in the Moose Lodge, Mr. and Mrs. Boyce departed for a wedding trip to northern Michigan. Upon their return, they will make their home in Big Rapids, Michigan, where Mr. Boyce will continue his education at Ferris State College.

By Al Pardee

Before we get into the big-time political arena next year the one really big domestic question to get the play will probably be: How to save our cities. What galls is that here again government spending will be touted as the only panacea.

This is particularly irritating since we see now that the brave talk some months ago, of cutting Presidential spending, has evaporated into thin air. No let-down in government largess can be anticipated; even civilian employment in government has increased over 112,000 since last summer. Where ever will we draw the line?

In truth, can we cure our urban cancer without running to Uncle Sam for more and more gargantuan fistfuls of expensive public programs? Edward J. Logue, Administrator of Redevelopment, City of Boston, observes that inner city decay comes about in great measure because business and power increasingly ignores the land, the political boundaries and the pervasive decay its own technology has accelerated.
 When banks redline a blighted area they contribute to the cumulative loss of confidence "that can change a whole city's faith in itself." Logue asks us to re-evaluate what we do when we rule entire sections of a community off limits. He points out that far too many who dominate our business economy merely use the city, grow up, prosper and die without every having been a citizen in the Athenian sense.
 There is, of course, room for government where only it—however cumbersome—can be effective: It can educate millions in the American city slums. Where soundly conceived and properly tax-dollared, it can acceptably develop better housing. Unless the business firms that have cloistered themselves in the suburbs stop eliminating themselves the long arm of government will of course be forced to do much more.
 Few want more government in their lives; no one wants to perpetuate the slums. Neither should the rising, affluent business sector, often in a beautifully landscaped rural park, be permitted to discharge its moral obligation to the problems of millions of forsaken people concentrated in the core city.
 Government inevitably must act where others fail to do so. Unfortunately the price is scandalously prohibitive and the intricacies of pork-barrel politics destroys its capacity for effective action.

the eventh pin

The 1967 Bowling Season got into full swing this past week with good scores being rolled, but no records were set.

For the men, it was a good 573 series for Clifford Day that took top spot, with Floyd Everling rolling the high game of 226.

In the women's department, Marie Mulder started with a fine 520 series and Elva Topp had a 201 for high game.

CARD OF THANKS
 Words cannot express our deep gratitude and sincere thanks to the many people who helped us in innumerable ways during our bereavement. We especially wish to thank Rev. Lee Dalrymple for his kind attention and comforting words; the Kent County Sheriff's Department for their police escort, honor guard and bearers; and the Ladies' Auxiliary for their lunch after the funeral; and all those who expressed their sympathy to us with floral tributes, words of consolation and concern, and their many generous acts of kindness.

Great Faith
 We continue our consideration of last week's meditation on Matthew 8:5-13. Now the response of Jesus concerning the Roman centurion will be our theme: "Verily, I say unto you, I have not found so GREAT FAITH, no, not in Israel."
 What was so great about this man's faith? He believed that the word of Jesus was so powerful that his servant would be healed, even if Jesus spoke the word of healing at a distance. He did not insist upon the physical presence of Jesus in the room of his servant. He did not rely upon the physical touch of Jesus, but only upon the spiritual power of the word of Jesus.
 His faith was great because he believed that Jesus possessed authority over sickness and disease. He said: "I also am a man under authority, having under myself soldiers; and I say to this one Go, and he goeth; and to another, Come, and he cometh; and to my servant, Do this, and he doeth it."
 There is a very close connection between this man's sense of unworthiness and his strong confidence in Christ. When we confess our own unworthiness and His worthiness we shall believe the word of Jesus. Does Jesus say about you: "I have not found . . . faith," or "I have not found so great faith?"

New oil furnace.
Iron Fireman CUSTOM Mark II oil furnace
 with instant clean flame. Unequaled for clean comfort, low fuel bills and trouble-free performance

Comfort
 With the Iron Fireman CUSTOM Mark II furnace you use a super-sensitive thermostat which operates the furnace with the slightest variation of room temperature. This gives you remarkably uniform indoor temperature. No matter how often the furnace starts there is no smoke, no soot, no fouled combustion chamber, no wasted oil.

Cleanliness
 With the instant clean flame there are no flecks of soot blowing from your chimney or escaping into your home. Hundreds of tests made with smoke-detecting instruments show a flame that's absolutely clean from the very moment it's turned on.

Down go fuel bills
 Owners report remarkable fuel savings. There is no smoky warm-up period to foul the furnace and waste oil. Service calls are cut to the vanishing point.

Operates without chimney draft
 The CUSTOM Mark II furnace provides its own positive induced draft with precision control. No natural chimney draft required.

250 antique cars in Glidden Tour September 18 to 22

"Notice! During the day of July 14, 1909, exercise care to keep unattended children, pets and livestock off the highway. Automobiles will pass through your town in the Annual Glidden Tour. Participants will not exceed the legal speed limit on any road."

So read a typical sign posted along the route of an early Glidden Tour. It was a warning that something special was in store for the town that day. It also was a plea for cooperation.

But no such signs will be needed for the Glidden Tour of about 250 antique automobiles which will make its first visit in history to central and western Michigan from September 8 to 22. A half century makes a lot of difference.

The original Glidden Tours, sponsored by the American Automobile Association, were conducted between 1905-13 to prove to the public that automobiles were not merely rich men's toys but were a practical and reliable means of transportation.

The tours were abandoned after 1913 because they had served their purpose. Thirty-three years went by and then they were revived by the Antique Automobile Club of America, as a sentimental gesture and for fun.

But the revived tours have proved bigger in every way than the original. Sponsored in alternate years by the AACA and the Veteran Motor Car Club of America, the participants tour various sections of the country in a festive mood, using restored vintage cars from the turn of the century through 1929. This is the first time that the revived Glidden Tour has visited outstate Michigan.

The Automobile Club of Michigan has planned a route over state highways with the least traffic for the Gliddenites so that the slower vehicles will not hamper modern-day cars.

Confetti was thrown from a lead car on the original Glidden Tours to mark the route for the participants. Auto Club will use special red and white printed signs to point the way for the 1967 tourers.

Many of the Glidden entries will take part in the 17th annual Old Car Festival at Greenfield Village, in Dearborn, Saturday and Sunday, September 16 and 17, the nation's largest meet for antique cars. The 1967 Festival is expected to attract

some 350 cars from the mid-west, east and south.

Leslie R. Henry, curator of transportation at Henry Ford Museum and Greenfield Village, is general chairman of the 1967 Glidden Tour. Henry, one of the country's leading authorities on antique automobiles, is a vice-president of the Antique Automobile Club of America, largest antique car organization in the world with more than 21,000 members.

After a 'crank-up dinner Sunday night in Detroit, the Glidden tourists will visit Windsor, Ont., in their cars on Monday. On Tuesday the tour begins. The 540-mile route starts at Greenfield Village, goes through Belleville, Hell, Mason, Charlotte, Nashville, Hastings and on to Grand Rapids for the first overnight stop. This is the longest leg of the tour, covering around 188 miles. Tour headquarters in Grand Rapids will be the Pantlind Hotel.

The next day the Gliddenites will make a circle tour, through Wayland to Douglas and Saugatuck on Lake Michigan and back through Holland to Grand Rapids for a second night.

An early start the third day will put the tourists in Flint that night. Enroute they will go through Ada, Lowell, Ionia, St. Johns and Owosso, covering about 111 miles. They will stay that night at the Durant Hotel.

Friday the tour will head back to Detroit by way of Lapeer, Imlay City, Romeo, Utica and stop for lunch at the General Motors Technical Center in Warren. The tour will end with the awards banquet that night at the Statler-Hilton Hotel in Detroit.

The Glidden Tour participants will not travel in a caravan when they leave Detroit but will spread out at intervals over the route. Departures are based on the driving time of the cars. The slowest, with a top speed of 28 miles an hour, will require eight to 10 hours for the trip to Grand Rapids.

Although cars as late as 1929 are permitted to participate, only cars of the Glidden era, 1905-13, are eligible for the top award, a miniature of the original AAA-Glidden trophy, and other prizes. The original Glidden trophy is on display at AAA headquarters in Washington.

As on the original Glidden Tours, today's participants will be checked in at points along

the route. Today's judges aren't as tough, however, and the awards will be based on reliability and general performance instead of a race against the clock.

While car trouble along the route probably will be minimal, Auto Club will cover the entire route with its Emergency Road Service just to assure a safe trip for all.

The modern Glidden Tours started in 1946, the year of the auto industry's Golden Jubilee. Since then, the tours have covered parts of Pennsylvania, Indiana, Colorado, West Virginia, Virginia, New York, Ohio, Florida, Massachusetts, New Hampshire and Ontario.

The Glidden Tours of 1905-13 are regarded today as one of the classics of early motoring.

In 1904, the American Automobile Association sponsored a run from New York to St. Louis for the Louisiana Purchase Exposition, a distance of 1,218 miles. Fifty-nine cars reached St. Louis.

During the tour, Charles J. Glidden, a participant and member of the committee, offered a \$2,000 trophy to the AAA to sponsor a competition for automobiles. Glidden, a wealthy industrialist, made motoring his hobby.

Glidden's name was first used on the 1905 tour. The trip covered 870 miles, from New York to Bretton Woods, N. H., and return. Twenty-five cars finished the 33 that started.

The 1909 tour started from Detroit amid much fanfare and went 2,636 miles to Kansas City by way of Denver. Going to Chicago, the route went near some of the roads which will be covered by the 1967 Gliddenites. As on some of the earlier runs, Pierce-Arrow cars dominated the 1909 tour and posted the only perfect scores.

The tour was canceled in 1912 due to lack of interest, but revived with more fanfare than ever the following year. Among the features was a hotel train which accompanied the tourists and offered a mobile garage.

If you live near the route of the 1967 tour, plan to watch the antique cars between September 19 and 22. You'll get some idea what the original tours were like. And the modern tourists relish a bit of cheering on, too—just like those of a half century ago.

ell on Saturday afternoon with the Rev. Lee Dalrymple of the Ada Congregational Church officiating.

Interment was made in Cascade Cemetery.

Ada man drowns in gravel pit

Funeral services were held Saturday in Lowell for Kent County Sheriff's Deputy, Keith L. Fase, 29, who lost his life by drowning last Thursday. He resided with his wife Kathryn and his two children, Carolyn and Keith, jr., at 1615 McCabe Avenue, NE, Ada.

Deputy Fase, who had been on vacation, reportedly went swimming with friends following his participation in a softball game earlier in the evening. His body was recovered Friday morning from a quarry on Bowes Road.

Fase graduated from Lowell High School in 1957. While in school he was noted for his sports abilities and was a star performer on the football, baseball and track teams. His interest in sports followed him in later life and he was an active member in the Ada Athletic Association.

Besides his wife and children, he is survived by his parents, Mr. and Mrs. Leonard Fase of Ada; two brothers, Richard of Grand Rapids and Roger at home; two sisters, Mrs. Jerry (Sandra) Grover of Grand Rapids and Sharon at home; one nephew and one niece; and his paternal grandparents, Mr. and Mrs. Henry Fase of Ada.

Funeral services were held at the Roth Funeral Home in Low-

Beatrice Tanis is bride of Wayne Verburg

Ada Christian Reformed Church was the setting for the marriage of Miss Beatrice Evelyn Tanis, daughter of Mr. and Mrs. Jerold J. Tanis, Delray Avenue, SE, & Robert Wayne Verburg, son of Mr. and Mrs. Adrian Verburg, Orlando Avenue, SE.

The bride entered the sanctuary wearing a dotted swiss empire A-line gown with bell sleeves. A lace bow secured her illusion veil. The wedding gown and veil was made by her grandmother, Mrs. Leona B. Hunt of Lowell.

Miss Mary Ann Zanella, maid of honor, and Mrs. Thomas G. Pawson and Miss Mary Kay Verburg, bridesmaids, wore yellow dotted swiss empire A-line gowns with bell sleeves. Junior bridesmaids, the Misses Sharon Verburg and Penny Tanis wore identical gowns of apricot. The attendants wore matching kerchiefs bordered with lace.

They carried Fireside baskets with bronze daisy poms and yellow and apricot glads.

Karen Ann Tanis, cousin of the bride, was flower girl, and Kirk Alan Tanis, brother of the bride, was ringbearer.

James Verburg was the best man. Ushers were William Vandenberg, Mr. Pawson, Thomas A. Johnston, Timothy B. Johnston and James Tanis.

Mrs. Verburg graduated from Forest Hills high school in 1967 and Mr. Verburg is a graduate of Central Christian high school.

After a wedding trip, the couple will reside at 7010 Conservation Road, Ada.

Benson hot; Marks wins

Red hot Johnny Benson of Grand Rapids and Tom Marks of Kalamazoo copped top honors at the Berlin Raceway Saturday night; each scoring two victories in their respective classes.

One of the strongest competitors in the super modified division, throughout the state, Benson has been putting the climaxing touches on a season filled with championships, trophies, and top prize money.

In the recent Sandusky, Ohio, International Classic, Benson's superior driving ability in the "White Tornado" brought home a paycheck worth \$3,000 for winning two 50-lap races, and being the over-all champion for the day.

Last Sunday, at New Bremen, Ohio, Benson again proved he is tops by winning all four segments of the \$10,000 Grand National race for supers. His day's winnings also included the trophy dash for the four fastest qualifiers.

On Friday, in the first day of qualifications, he set a new track record of 17.95 seconds, just over 100 miles an hour.

Benson ran up his ninth feature win of the season Saturday night at Berlin by leading Duane Knoll of Muskegon and Eldon Schrader of Jackson, in the 20-lap main event for super modifieds.

Eddie VanderLaan of Cascade miraculously escaped serious injury when his super modified ran up on the back end of another one and catapulted over the outer retaining wall, landing in a vacant field, VanderLaan immediately emerged from the car with a fire extinguisher to fight the fire which engulfed the racer when it landed.

Bits and pieces were all that remained of the Goethals Automotive Special, when VanderLaan and his crew surveyed the damages. They should be congratulated on the superior structure of the car, as the driver's area remained untouched by any damage and securely held VanderLaan; and he walked away. It just shows that all means of safety equipment is one of the major factors in the racing profession.

Heat race victors in the super modifieds were Schrader, Nolan Johncock, Gary Watson and Benson.

Season Champion . . .

Looking more like a veteran amidst a field of tough competitors than a charger among a field of pros, Tom Marks of Kalamazoo methodically rolled to a stunningly convincing victory in Saturday night's championship semi-late model stock car feature race.

The grueling event lasted 100-laps, with Bob Senneker of Grand Rapids in the Model Coverall Special working Marks over throughout the duration of the race.

Marks took over the lead from

Senneker on the 70-lap, lost it again to the Grand Rapids' speedster on the 90th lap and regained it again on the final lap at the finish line for an unbelievable victory in inches.

Few sporting events of any caliber have been so completely dominated by two participants, and this was a special championship-type event. The see-saw battle brought tension and anxiety to the spectators as the field dwindled and the torment of the seven-sixteenths mile oval began to work on the drivers.

A wildly flapping blanket would have covered Marks and Senneker the rest of the way, as the two swapped and re-swapped positions while making the championship tour. The lanky Kalamazoo ace was never worse than second after he worked his way up to the leader on the 15th lap. Senneker had moved into a quick lead and threatened to make a farce out of the contest, before Marks started his victory charge.

Picking up heat race victories in the semi-late models were Al Hagen, Bill Thurkettle, Denney Nyari, John Bliss, and d Marks.

Tops at Kazoo, too! . . .

Marks continued his winning ways by emerging the winner of the 25-lap semi-late model feature at the Kalamazoo Motor Speedway Sunday night.

Chasing the winner across the finish line were Bill Thurkettle of Muskegon and Leo DeLavern of Allegan.

Carol Weston speaks vows to Robert Wright

St. Johns United Church of Christ was the scene of the nuptial ceremony uniting in marriage Miss Carol Lynn Weston, daughter of Mr. and Mrs. Charles Weston, Windercrest, SE, Cascade, and Robert L. Wright, son of Mr. and Mrs. Lloyd C. Wright of Seventh Street, NW, Grand Rapids.

The bride wore a satin sheath under a charmingly lace cape with an illusion train. Lace petals, encrusted with pearls and crystals, held her veil.

Miss Karen Fryover, maid of honor, wore a green on gold sheath and a beaded headpiece. Gold on gold gowns with lace bodices were chosen by the bridesmaids, the Misses Phyllis Beemsterboer and Carl Wiersma, and Mrs. Robert Swantek.

Flower girl was Karen Waalkes. Michael Brew served as best man, and William C. Weston, Lloyd C. Hergstreith, Kimble Edwards, William Heinrichs & James Ragsdale were ushers.

Most speech problems are unnecessary

Parents with pre-school children of any age are urged to take part in a series of three or more meetings to learn how to help their children talk. Talking, like any other complex skill, must be taught. Since language habits are established during pre-school years, parents are most responsible for the quality of their children's speech.

The majority of meetings will be scheduled during evening hours at various locations throughout Grand Rapids and Kent County. Many schools & churches have already offered the use of their facilities for these meetings.

In addition to parent meetings, individual pre-school children with speech problems can be observed and evaluated. This will be necessary, in some cases, to help parents begin to use methods and activities that are designed to improve their child's speech. If an early diagnosis is indicated that a child has physical or emotional complications, he would then be referred for proper treatment or placement in existing programs geared to meet those needs.

Driving power without direction is useless but it makes a lot of noise and results in some motion.

Tuesday, September 19, at 8 p. m. all parents are invited to come and greet our new principal, Joe Popma, and the three new teachers at Cascade School, Mrs. Lorraine Demorest, Mrs. Barbara Moon and Mrs. Mary Goodwillie.

Mrs. Demorest will teach the first and second grades; Mrs. Moon, third grade; and Mrs. Goodwillie, fourth grade.

The reception will be held in the all-purpose room. Everyone please attend.

When the six-year-old arrived home from the dentist's, his mother asked him if his tooth still ached. "I don't know," he answered. "The dentist kept it."
