Area Student Witness to Riots in Paris

BY SHIRLEY DYGERT

"The students are rioting in the streets of Paris again."

This cry in the headlines of the world repeats itself often these days.

John Banta, Spaulding Ave., a student of Hiram (O.) College, has just returned from a year of study in the west of France at Nantes. He was present when the students of the nation triggered strikes that crippled a third of France's working forces.

But John is quick to emphasize that the students who continue to stir up trouble in Paris are not those who seriously wanted reform in the colleges and universities last spring.

"Those who carry the black flag are idealistically oriented anarchists," said John. "They just keep going, although they do not seem to know where they are bound. The elections were a reaffirmation of what went on before as far as they were concerned, but they have no program of their own."

John explained that last spring's uprisings by students was a matter of discontent among students at the way exams were conducted.

A student studies a full year, he notes, without a revealing exam to tell him how well or how poorly he is progressing. In the spring, he may suddenly find that he is failing and his only recourse is to cram for an exam that he may take the following September.

John's sympathies were with the students in this matter. He felt that real reform was necessary and that these uprisings on the part of concerned students had no connection with the wild and repeated battles of Paris.

"You must understand that Paris is an intellectual center; industry is on the outskirts," he says. "There are thousands at the core of the city who are studying or in business who have nothing."

GR Township Sets Fast Building Pace

Just as with its neighboring communities, Grand Rapids Township is in the midst of an unprecedented building boom during 1968.

Township Clerk Marsha Boukamp reports that building permits issued for last week came to \$95,000 to bring the

to do with the anarchy, but who become frightened whenever they see the black flag. A few dedicated nuts can worry many, especially when the few do not really know what they would replace the present government with even if they should succeed to power."

Those around John, including his French brother, felt that President DeGaulle did not take a strong enough stand when he first returned to Paris during the spring riots. He looked old and tired, they felt, when he appeared on television and appealed to his countrymen for law and order.

If he had reacted in a more powerful manner at the beginning, John feels that much of the disruption of the country would not have taken place. Later when De Gaulle did use his power, he was rewarded by the surprising results of the summer elections.

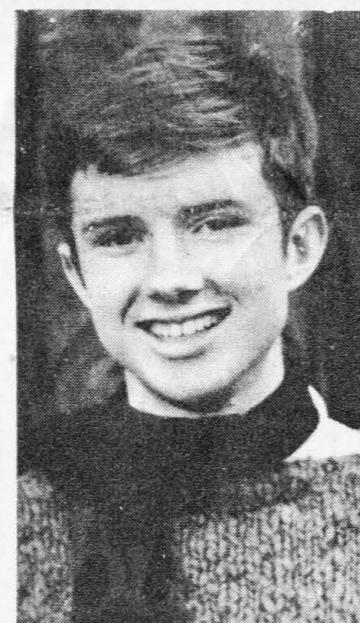

"President De Gaulle used the scare tactic of putting the uprisings at the feet of the Communists in order to win the elections," declares John, "but the unrest of the country really stems from France's old fashioned bureaucracy which continues to allow citizens to lose identity."

John is the son of the James Bantas and a graduate of Forest Hills High School. He feels that his year in France was a "tremendous experience."

John was able to live with a French family and acted as a French student to the point that he traveled as a French exchange student to Berlin for ten days. He also saw the north of Italy and Switzerland.

He studied mathematics and engineering courses, the French language, and history, orientation, and French culture.

Club news, coming events and social items must be submitted by noon on Monday.

Set Hearing Aug. 28 on Water Usage

The State Water Resources Commission next Wednesday (August 28) will hold the 3rd in a series of public hearings to designate the specific water uses to be protected by Michigan's new standards of water quality for inland lakes and streams.

The hearing will be held in the Holiday Inn, in Kalamazoo beginning at 1:30 p. m.

The new standards, adopted January 4, are designed to maximize the usefulness of the state's water resource for all citizens. Although some additional standards are included for application to inland lakes, these standards are similar to those adopted in June, 1967, for interstate waters, including the Great Lakes.

Information on present and prospective future uses of the waters involved will be presented at the hearing. At a subsequent meeting, the Commission will then designate the uses to be protected within the drainage basins of the Grand River, the Black River at Holland, the Black River at South Haven, the Kalamazoo River, the Paw Paw River and minor tributaries to lower Lake Michigan between Grand Haven and the Michigan-Indiana state line.

As was the case for the July 4 weekend, another state area has been selected for intensified enforcement in the coming holiday period. Though the area is not identified, lawful motorists have nothing to fear from this activity.

Last year, Labor Day period accidents claimed forty-eight lives, the highest on record for that weekend and one of the state's worst holiday tolls. For the 78-hour period this averaged one death for every hour and 38 minutes.

Commercial development in the township has added \$290,000 to the year's totals. In-

cluded were such major projects as the new Union Bank branch office on Cascade Rd. (\$30,000), an addition at Forest Hills Shop-Rite (\$65,000), an indoor movie at Northtown Center (\$50,000), and the O'Brien Funeral Home at Cascade Road and East Paris Avenue (\$145,000).

Motorist Killed in Area Crash

An early-morning crash on Sunday claimed the life of a Detroit-area motorist on the I-96 Freeway in Cascade Township.

Killed when he lost control of his car was Jerry A. Lantz, 32, who was to have celebrated his birthday the same day.

Lantz was thrown clear from the car as it overturned in the eastbound lane of I-96 between the 28th Street exit and the Kraft Avenue overpass.

According to Kent County Sheriff's deputies, the car hit the shoulder on the left side, hit a guard rail, then rolled over three times in the center median. He had failed to use safety belts.

Lantz died of a broken neck, according to county medical examiner Dr. Ramon B. Lang.

Lantz was a resident of Troy. He and his wife had driven to Grand Rapids to spend a weekend with friends.

Plan Extra Patrols for Labor Day

With high volume traffic expected over the Labor Day weekend, the Michigan State Police will operate special highway patrols from noon, Friday, August 30, to midnight, Monday, September 2.

As was the case for the July 4 weekend, another state area has been selected for intensified enforcement in the coming holiday period. Though the area is not identified, lawful motorists have nothing to fear from this activity.

The special committee will make its study between now and the end of the year. Recommendations on improving House procedures are to be reported as early as possible to the 1969 Legislature.

Urge New Students to Enroll

Forest Hills Schools are gearing all action for the ringing of school bells for Wednesday, September 4.

Many new people have moved into the area and the school administration would appreciate any residents with new neighbors to inform them that new students may register for the fall session.

By registering ahead of the opening of school, new students will save valuable time and be able to start out the first day attending classes.

School will begin September 4, with a full day session the first day for students in the first through the 12th grades. Buses will run on regular schedules. Regular kindergarten classes will begin on Friday, September 6.

Hot lunches will be served at the junior and senior high schools on the 4th, and in the elementary schools on the 5th.

Morning kindergarten children will be picked up at the regular elementary bus stops in the morning and will be delivered near their homes at noon. Afternoon kindergartners will be picked up near their homes during the noon hour and returned with the regular elementary bus stops after school.

All fees are due September 4. Payment should be made by check or money order for each individual child.

Kent County Circuit Court Judge John H. VanderWal set a hearing for 1:30 p. m. Friday.

The Board of Election Commissioners was ordered to show cause why Wells' name cannot appear on the November 5 ballot with the designation of incumbent.

The board is made up of County Clerk Jack Bronkema, chairman; and County Treasurer Henry Romyn and Probate Judge A. Dale Stoppels.

Persons wishing information on the attendance area and transportation routes for the elementary students should call the elementary offices, which will be open two weeks prior to the opening of school.

State COP Meet Will Hear Agnew

Maryland Governor Spiro T. Agnew, the 1968 Republican Vice-Presidential nominee, will address the Michigan GOP State Convention at Grand Rapids this Saturday.

Governor Agnew was invited to appear before the convention by Michigan Governor George Romney early this week, and the Agnew visit here will be one of his first to another state since his nomination August 8.

He will be introduced to the convention delegates & guests by Governor Romney at 10:30 a. m., thirty minutes before the session is opened officially.

The Michigan GOP State Convention will nominate candidates for the State Supreme Court, the University of Michigan Board of Regents, the Michigan State University Board of Trustees, the Wayne State University Board of Governors, and the State Board of Education.

Fate of School Budget In Voter's Hands Monday

A decision as to whether Lowell Area Schools will operate at near-normal levels for 1968-69 or be faced with an austerity budget will confront qualified district voters next Monday.

The Board of Education is seeking voter approval of a one-year levy of 3.3 mills to be used for operating expenses. This would be in addition to a seven-mill operating levy approved for three years in 1967.

A special public hearing on the proposed 1968-69 budget is scheduled this Sunday afternoon (August 25) at 2 p. m. in the Senior High School auditorium. Board members and school officials will be on hand to answer questions.

If approved, the new operating millage will permit the board to authorize a budget calling for approximately \$1,310,000 for the coming school year.

Failure to win voter support, however, would probably force the board to adopt an austerity budget of \$1,200,000.

The latter would call for elimination of several school functions, including the entire athletic program, the nursing program (which has already been curtailed), elementary music and gym and some custodial maintenance expense.

The board has met repeatedly with Superintendent James C. Pace and other administrators in an effort to bring about financial stability.

In their most recent actions, board members reduced the administrative staff from nine to five and eliminated the position of business manager. In addition, the board released one nurse and a secretary.

Reduction of the administrative staff resulted in a saving of \$31,000.

In all, approximately \$58,000 was eliminated from the initial budget proposed by Pace for 1968-69.

Revive Ambulance Service Plan for Lowell

Lowell city officials are scheduled to meet with members of the Kent County Board of Supervisors Public Safety Committee in the near future to discuss a possible interim ambulance service for southeastern Kent County.

The city council agreed at its Monday meeting, after discussing the matter with Supervisor Walter Gunser of Lowell, to meet with William Wurst, chairman of the committee, and Kent County Deputy Comptroller Frank Evans on September 9 at 7:30 p. m. in city hall.

In a letter to the council, Wurst noted that several tentative plans for servicing the entire county with private ambulances had apparently reached an impasse and that something must be done to provide adequate protection for Lowell-area residents.

City Manager Bernard C. Olson advised the council that

Classes Resume Sept. 5

Lowell Area School students will return to class on Thursday, Sept. 5, for all except kindergartners. Kindergarten will begin on the following Monday, Sept. 9.

Those students who are new to this district and who have not already registered are requested to do so next week beginning Monday (Aug. 26).

All elementary student registrations (kindergarten thru fifth grades) will be taken at Runciman and Alto elementary schools; Junior High registrations (6th grade through 8th) will be taken at the Junior High, and Senior High students (9th through 12th grades) who have not yet registered should go to the Senior High office.

Next week's issue of the Ledger will carry complete details of the actual school opening.

The city manager told council that bids calling for installation of curbs and gutters on Laurie Gail Avenue, approved by petition of home owners recently, will not be taken until the Valley Vista No. 5 project is ready for similar installation.

Olson pointed out that the joint project probably would result in savings for the home owners and for Lowell Development Corporation, which is developing new homes in Valley Vista.

excited about Showboat . . . children no different . . . everything's wonderful . . .

The Showboat came around Cat-tail Bend in a blaze of unexpected fireworks when they got off course and hit the power lines stretched across the river sending sparks arcing along the lines.

Lowell Light and Power manager John Jones reported that one of the shoreside transformers burned out as a result of the collision but no other damage resulted.

Power men spent Tuesday morning tightening up the lines in the hope of avoiding a repeat performance.

Toot —

While there were many beards on display at Monday night's Showboat performance, both on stage and in the audience, the most distinguished looking bearded gentleman there was without a doubt was Music Director Gerrit Lamain.

Most of the credit for the well-paced show goes to Gerrit who will be the new Director of Music at Creston High School in Grand Rapids this fall.

Toot —

On stage displaying all the poise and personality for which she is so famous, Dinah proved she is the master of a quick ad-lib when the microphone and cord separated.

After it had been fixed by an all too willing sound technician, she quipped, "Gosh, for a few minutes I was afraid I'd have to buy it."

Toot —

In a recent action of the Showboat Board of Directors, a \$450 contribution to the Lowell Police Reserve Squad was approved. The money will be used for the purpose of assisting in providing uniforms for the squad members.

This is a fine help to these community-minded men who augment the Lowell Police Department when they are needed.

Toot —

Bright and early Monday morning found eight travel trailers waiting to be shown to their places in Recreation Park for the Lowell Showboat Travel Trailer Rally.

Travelers from all over the state of Michigan are members of the group making Lowell their "home" this week, many returning for the third year in a row.

Welcome Rallies!

Toot —

Dinah Shore fans from far and near are interested in her appearance at the Lowell Showboat. The Ledger office has received letters from as far away as Pennsylvania requesting copies of any issues containing stories about Miss Shore.

Just proves that the girl from Nashville still holds her place in the hearts of the American public.

Toot —

Lowell merchants who have contributed to Miss Shore's visit this week are Azzarello Chevrolet, which has supplied transportation for the singer (remember when Dinah was with Chevy?) and Ball Floral, which sent a beautiful floral tribute to the star upon her arrival at Kent County Airport Sunday.

Toot —

Speaking of the airport, veterans observers say that Dinah's brief appearance drew one of the all-time record crowds. Estimates ranged from 5,000 to 8,000.

But somehow all this exposure didn't really make her an individual person to me. Not like the gal across the street, or my sister, or any one who lived and breathed an everyday existence.

And now here she was. Close enough to reach out and touch.

Here was someone who had children to raise, and a job to do.

To us, a very glamorous job, and one that often seems to the greater portion of the population to be all glamour and excitement.

What then, does one talk about to Dinah Shore?

First of all, I asked the obvious question: Was she ex-

Showboat '68 Glitters; New Records Assured

BY FRAN SMITH

If the opening performances of Lowell Showboat 1968 are any indication, the 36th renewal of the mid-summer classic is scheduled to go into the records as the most successful in history.

Monday's opening night drew in excess of 3,000 appreciative fans and was, in the estimate of Showboat officials, the largest premiere turnout since the event started back in 1931.

Box office officials said late Tuesday that ticket orders for late-week performances were reaching landslide proportions.

The magnet, without question, is headliner Dinah Shore.

Miss Shore drew repeated rounds of applause during 45 minutes on stage Monday. Except for the late hour, she might well have responded for more than one encore.

The petit star of television and movie fame captivated her audience with songs ranging from blues to torch to country and western... interspersed by several well-received novelty numbers, including a flashback to the 1930s and a love medley.

Though she hails from Dixie, which is more famed for its big-river showboats than Lowell, Miss Shore was performing for the first time "on deck."

She won over the audience at the outset of her appearance by commenting that the fame of Lowell Showboat is widespread in the entertainment world.

"When I told people I was going to be here this year," she said, "they told me that Lowell had the finest audience to be found anywhere in this country. I know you won't disappoint me."

Miss Shore was especially brilliant in her rendition of "Yesterday" and her long-time standard "Blues in the Night," which she sang as an encore.

Professionalism was the keynote of the entire performance, with the 20-member Maycroft Square Tappers from Muskegon lending to the overall theme even though they were performing as amateurs.

The Dukes of Dixieland turned in a sparkler, though it was apparent that many in the audience would have settled for a little more Dixieland and less of recent hits.

Comedian Rusty Ryan found a warm reception... both from the audience and the weatherman. He ran through much stock material, but many of his jokes were refreshingly new.

A survey of the audience indicated a desire to have Ryan's spot on the program sandwiched between the Dukes of Dixieland and Miss Shore in order to bring about a better balance of music and comedy.

The ever-popular Endmen, bolstered by a "new look" with top hat and tails, performed very well and drew customary groans with tried-and-true... though oft times stale... material.

Young Dan Silver from Forest Hills, a rookie with the Endmen, handled his role well as did another newcomer, Joe Vezino of Lowell. Veterans Forrest Buck, Loren Wohlford, Curt Chadwick and Dick McNeal made solid contributions.

Gerrit Lamain and the 100-voice Showboat Chorus backed the Endmen beautifully and stood out artfully in their rendering of the most famous of all Showboat songs, "Battle Hymn of the Republic."

The entire effort was well-paced, due in large part to Interlocutor Gordy Gould, who managed to keep the introductions brief and to the point.

All in all, a fine production and one that should bring about both artistic and fiscal success to the 1968 Showboat.

Teachers Urge 'Yes' on Monday

The Lowell Education Association, composed of teachers in the Lowell Area School system, today urged voters to cast "yes" ballots in next Monday's special millage election.

"We are concerned about our children's education," a specially prepared statement read.

"We do not wish to see a reduced educational program. We favor the highest quality education for our children. We urge your support for a 'yes' vote on Aug. 26."

The teachers also are offering transportation to the polls for those who may need it next Monday. Calls may be made to 897-9257 after 1 p.m.

YOUTH FAIR WINNERS in horsemanship during the Lowell 4-H Fair were Albert Vandertorn (above left) and Carol Wittenbach (right). Carol Munson is shown below ac-

cepting the Bob Wittenbach Memorial Trophy from Everett (Steve) Wittenbach. The trophy was initiated this year in memory of the former 4-H champion who was killed in a recent traffic accident.

Place High in 4-H Fair

Several 4-H groups that participated in the fair held this past week in Lowell are based in this area, and have many young people who placed extremely well with their exhibits and livestock.

Carol Wittenbach, of the Lowell Saddlelites, placed first in the Park Seat, English Division, first in English Horsemanship and Grand Champion English horse with her saddlebred gelding, Diana's Billy Fortune.

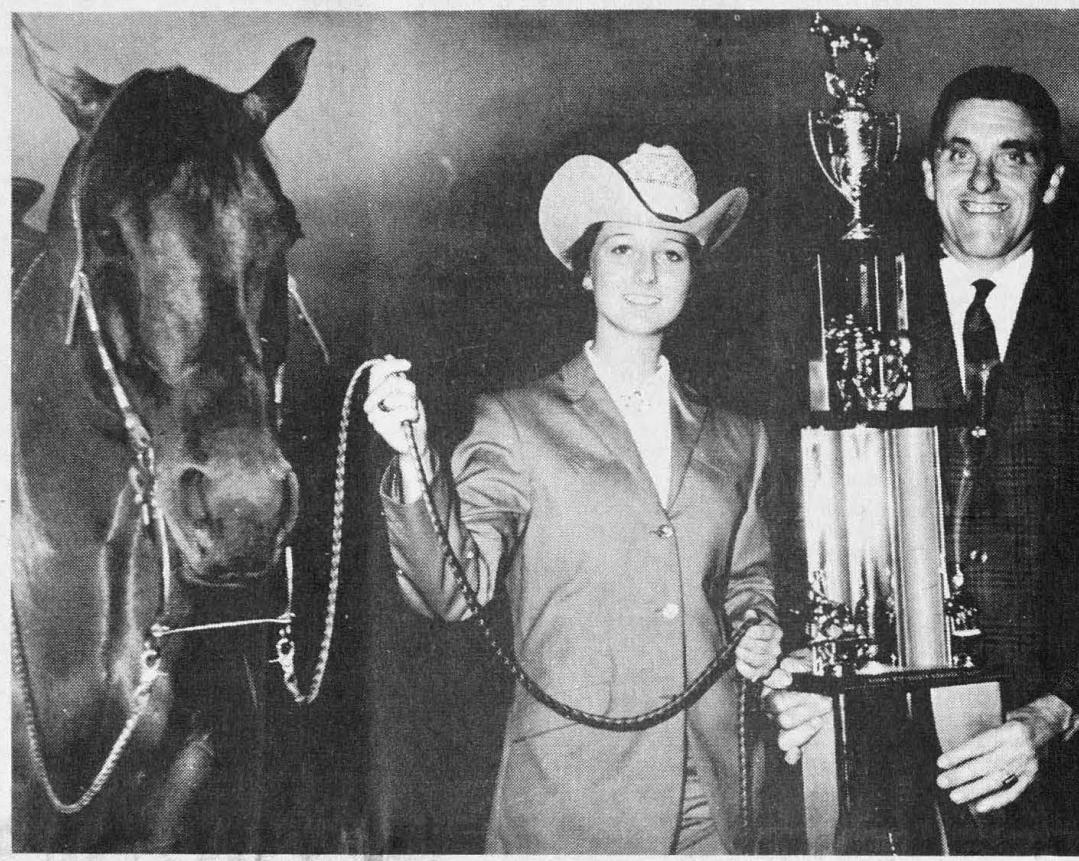

Carol was ineligible for state show, having gone two previous years, and was classed in the group of 18 and 19 year olds plus those of any age who cannot return again to state show and won the trophy which is offered to high point girl in this class.

Many other members of the Saddlelites did well with their horses, and the club as a whole received second place "high point" trophy, missing only by one-tenth of a point the top rating.

Jim Dykstra of Ada exhibited his bull Little Red, who walked away with top honors and became the year's Grand Champion, while Jim received accolades for his showmanship. The steer was purchased by the Lou DeYoung Market of Grand Rapids, and went for \$55 a pound.

The Snow Community 4-H Club had entrants in clothing, dog care, photography, creative arts, foods and nutrition, the young chef, and teen leader.

As a whole the club did very well, with the vast majority

Award Memorial Trophy

Things didn't seem quite the same around the horse barns at the 4-H Fair this year.

Bob Wittenbach was a nine-year veteran of the fair. During those years, he was an outstanding participant in horse activities as well as a member of the judging team.

He was a fine horse trainer of the group receiving A ratings on their projects.

Stark's Raiders, another local group, had several entrants in the horse events, and almost without exception received A ratings on their animals, with many of their members placing in the top three places of the many areas of competition.

and showman, as was obvious to those who saw him work through his years with 4-H.

Talented in many phases of horse training, Bob also showed outstanding ability in reining and the training of reining horses.

Bob's horse Bill's Pep was the 1965 Reserve Champion and 1966 Grand Champion. In 1965 and 1966, he was a delegate to the Michigan State 4-H Show and won first place for Kent County both years.

In 1967 he was awarded the 4-H Fair high point trophy for his accomplishments with Bill's Pep.

Earlier this year Bob Wittenbach was killed in a traffic mishap. A memorial trophy has been instituted, and will be awarded to the 4-H'er who earns the most points in horse activities during the fair. This year it will be presented to Carol Munson of Ada.

He was a young man who, although busy himself, was always willing to help other youngsters with their horses, and one who had a friendly smile and courteous word for everyone.

The trophy is a memorial to a fine young man: not only to an individual, but also to

Dinah Receives Regal Welcome in Showboat Appearance

Dinah loves Lowell . . . Lowell loves Dinah! That, in substance, is the story of Lowell Showboat 1968, which completes its 36th presentation with performances nightly through

Saturday with performances at 8:30 p. m. Staff photographer Scot Jefferies covered the arrival of Miss Dinah Shore (lower right) at Kent County Airport, an event that drew an

estimated 8,000 delighted fans.

Monday's lawn party at the home of Mr. and Mrs. C. H. Runciman found the celebrated star the center of attraction for an assemblage of more than 400 visitors.

Then it was on to Showboat, which promises to set new records for attendance after a near-capacity turnout of 3,000-plus for opening night.

Prep football returns to the local sports scene next week when grididers at Forest Hills and Lowell high schools answer the call for opening practice Monday morning.

Two-a-day sessions are scheduled in both training camps as preparations get underway for season openers on September 13.

Coach Frank Rosengren and his staff will greet Forest Hills varsity candidates at 8:45 a.m. Monday with junior varsity players following at 9 o'clock and the freshmen at 9:30.

All Lowell players will convene at 9 a.m. to meet Coach Jerry Smith and his assistants.

Both grid pilots are new to the head coaching positions this season. Smith was elevated to the No. 1 spot at Lowell to replace Charles Pierce after seven years as an assistant while Rosengren moves to Forest Hills from St. Johns as a replacement for Bob Dangl.

Both mentors face rebuilding jobs in an effort to bring their squads back from disastrous 1967 seasons.

Lowell managed but one victory in eight starts last fall while Forest Hills picked up victories in its last two outings after six straight defeats.

The Rangers, in fact, had gone 18 straight games without a win before snapping their streak in late October.

Young Grididers

Registrations for young football players from the Forest Hills area wishing to compete in the South Kent Recreation League will be accepted between 6 and 9 p.m. next Wednesday night (August 28) at Forest Hills High School.

Boys between the ages of eight and 13 are eligible to participate. A fee of \$4.00 is payable at registration.

Candidates are requested to bring along birth certificates. Returnees from last year's squad are asked to bring their jerseys.

A few weeks back, there was a little bit different for the annual "salute" pages to prep gridders on the eve of their season openers.

Persons or advertisers wishing to participate should get in contact with the office not later than September 6.

We promise you will be pleased.

This may be just one small voice, but from this viewpoint we would hope that Lowell school voters will approve the special millage vote come next Monday.

Without the extra money, there will be no sports program for Lowell athletes in 1968-69.

Only varsity football, basketball and wrestling manage to produce sufficient funds to operate in the black. The balance of athletics...including junior varsity, freshman and junior high events...are paid for from the general operating fund.

The cost for the entire program...uniforms, coaching salaries, lights, heat, maintenance, transportation and so forth...comes to between \$28,000 and \$30,000 annually.

The residuals to the community, in terms of better boys and girls who will be the leaders of tomorrow, far surpass in returned equity so little actual cost.

Lowell 'Y' Splashes to Many New Marks

The Lowell YMCA swim team completed its 1968 season last weekend with the annual Mid-Michigan Swimming Conference meet at the Jolly Roger pool in Grand Rapids.

The local swimmers racked up their highest point total ever in a league meet, and took more first place ribbons than ever before, in amassing 332 points for fourth place in the team standings.

Other team scores were: Holland South Side Swim Club 457½, Jolly Roger Swim Club 413½, and Northville Park 370.

The 100-meter medley relay for girls 10-and-under, composed of Becky Gerard, Gerry Smith, Perri Eickhoff and Maureen Doyle, splashed to a narrow victory in the team record time of 1:32.9.

Another Lowell victory featured the 14-and-under girls 100-meter medley relay. A blistering third leg of the relay by Margo Norton, who clocked 15.2 seconds for the 25-meter butterfly portion, regained the lead for the Lowell girls, and Karen Reagan held on in the last freestyle length for a judge's decision over the Jolly Roger girls team in the time of 1:13.2. The other swimmers on this championship quartet were Jane Reagan and Sally Doyle.

In the individual entries, Rusty Steffens brought home two titles for Lowell in 11-and-12 boys competition, winning the 50-meter freestyle in 33.8 seconds and lowering his own team record in capturing the 50-meter backstroke in 42.7.

In 11-and-12 girls competition, Nancie Gwatin concluded an outstanding season by winning the 50-meter back-

stroke in 41 seconds flat, clipping two full seconds off the previous conference record. She also captured second in the 50-meter freestyle, and lowered her team record in the 50-meter butterfly to 40.5 seconds.

Many other team records were established by local swimmers, including: 6-and-under girls, Patty Courser, 24.7 seconds for 25 meter freestyle; 14-and-under girls, Karen Reagan, 1.18.7 for 100 meter freestyle, Sally Doyle, 46.0 for 50 meter breaststroke, and Brenda Fish, 40.3 for 50 meter butterfly.

Rob Christiansen came from behind in the 8-and-under boys 25-meter backstroke to annex his first league championship with a team record time of 24.8 seconds.

Outstanding efforts by Karen Reagan and Margo Norton paced the 14-and-under girls 200-meter relay team to Lowell's final blue ribbons.

Forest Hills Hi-Lites

BY SHIRLEY DYGERT

Among the hundreds of boats that plied their ways between Macatawa and Saugatuck Sunday was the Hi-Timer of Kentwood owned by George Patton. On board with him were Bruce Patton, Sharon, Judy, Leslie, David, and Brian and Steve Hess. The last two had just returned from Camp Shawandossee where Steve was Sharpshooter of the week.

D'ja ever see a pair of shocking pink panties with black lace trim flying from the flag pole on a golf green?

Members of the Women's Western Michigan Golf Association who went to the tournament at Otellegan discovered one such on each green all of the way around. The clubhouse was unusually decorated tee with fresh flowers sprouting from real golf shoes, spikes and all, on every table.

Members representing both Hickory Hills and Forest Hills Women's Golf Leagues who walked off with honors and prizes to match were:

1st Flight, Low Net, Tommy Price; 2nd Flight, Low Net, Phil Stoval; 3rd Flight, Low Net, Barb Braendle; 6th Flight, Low Putts, Dottie Baxter; 2nd Low Gross, Sylvia King; 2nd Low Net, Marie Cline; and 7th Flight, 2nd Low Putts, Sylvia Johnson.

Others who enjoyed coffee and rolls before teeing off were: Jan Bowie, Glenna Hulla, Barb Champion, Dorothy Hall, and Mary Lou Schueler.

A buffet luncheon was served after which Jane Briendenfield, Spaulding Ave., president of the association conducted the final meeting of the season. Also attending were: Cheryl Brown, Sharon Morse, June Van Steen, and Jean Houlding.

Two local talents have teamed to write and produce a new record now being aired by d.j.'s. Patsy Clark, Fulton Ave., and Vic Lundberg, 28th St., have turned out a number called, "Take Two for the Relief of Racial Tensions."

After an absence of over eighteen years, Fred and Mary Jane Starrit and their children, Ann, Chipper, Mary, and Andy, returned from Fullerton, California for a week's visit to the ole stompin' grounds.

Among those invited to be on hand to welcome them at a smorgasbord were: Walt and Muriel Perschbacher, Bob and Doris Hackenbruck, Paul and Marsha Harris, Bill and Lorraine Veneklasen. Also joining in the reminiscences that flew fast and furiously were: Taylor and Virginia Sonke, Dave and Harriet Runnels,

MRS. JAMES ZWEEDYK

Hawaiian Honeymoon

Miss Lynn Watson and James P. Zweedyk took their solemn wedding vows at the altar of the Prince of Peace Lutheran Church in Honolulu, Hawaii, August 6th.

The parents of the couple are Mr. and Mrs. J. W. Watson Jr. of Grand Rapids, and Mr. and Mrs. J. P. Zweedyk of Honolulu.

Given in marriage by her father, the bride wore a sheath gown of off-white linen with empire waist, elbow length sleeves and narrow back panel trimmed in scrollled Viennese lace. With this she wore a floor length mantilla veil encircled in the same lace.

Bill and Donna Depouw, and Gus and Madi Richter.

A profusion of yellow and white mums filled the home of Jack and Pat Van Romen when they held Hunt Breakfast for thirty friends. Instead of the traditional pink coats, guests arrived in crisp cottons and linens in a variety of hues.

The "hunt" part of the celebration was simply the finding of their new house, the breakfast was not so simple. Mounds of fresh fruits and steaming chafing dishes filled with everything from eggs to shrimp gave an appropriate beginning to a full day of lazy swimming, rich conversation, and sheer relaxation.

On Saturday Bill Manus and Sandi Best will be wed in Flint, Michigan. Here visiting the George Manus family proceeding the marriage is his grandmother, Mrs. Ann Manus of New York City.

Also here for the week of festivities are his Uncle William Manus, his Aunt Lynne, and their two young daughters, Susan and Beth all of Philadelphia, Pennsylvania.

James Du Vall, son of Mr. and Mrs. William Du Vall, Buttrick Ave. has just returned from Germany where he has been serving in the armed forces. Jim has now received his discharge and will be at home to old friends.

Mr. and Mrs. Bruce Philion celebrated their 23rd Wedding anniversary on Saturday evening with guests from Detroit and Ada.
