Congratulations to the Forest Hills Northern High School Huskies who were this week ranked 12th in the United Press International Class C State High School basketball ratings.

Cherry Creek Nursing Home at 350 North Center Street, Lowell, a 123 bed facility, has been re-licensed by the Michigan Department of Public Health.

Michigan Bell Telephone Company this week began delivery of their 1976 telephone directories-a bicentennial special. This edition, while saluting the 200th birthday of the nation, is also marking the 100th anniversary of the telephone.

Officially, the new postal rates, which boosted first class letters to 13 cents an ounce, are only temporary until the independent Postal Rate Commission can decide what the permanent increase should be. The new rates, prompting many to be more conscientious about mailing, is an increase average of 26 percent for all mail, but first class jumps the highest, 30 percent. If higher rates are deemed necessary to offset a postal service deficit, just imagine how your postal bill will jump if it is advanced to 15 cents per letter!

An unusually high number of minority parties and candidates filing for office in the state's August primary, could force a one-time return to paper ballots for most state voters. Regular voting machines would not be large enough to list all the parties if more than eight or nine parties file.

The General Educational Development Test, which leads to a high school equivalency certificate, will be offered at Lowell Senior High School on January 13, 14, and 15, beginning at 6 p.m. Cost of the test is \$6.50 per person. ## **New Pastor At Calvary Church**

The Calvary Christian Reformed Church at 1151 W. Main will receive a new pastor the third week of January. He is Rev. Richard J. VandeKieft, a native of Grand Rapids who has been the pastor of the Alamo Avenue Christian Reformed Church of Kalamazoo for the last ten years.

He succeeds Rev. Bernard Fynaardt, who accepted a pastorate at Ireton, Iowa last July.

The Rev. Mr. VandeKieft and his wife, Jennie, and four children will reside in the parsonage at 204 N. West Street.

An installation service and reception are planned by the church council at 10 a.m., Sunday, January 18. Participants will include Rev. Angus MacLeod of Ada; Rev. Joacob Uitvlugt of Wyoming; and Rev. Morris Faber of Grand Rapids.

The new pastor has served churches in Portland and Dorr, Michigan in addition to the Alamo Avenue Church in Kalamazoo. He attended high schools in Austin, Texas and Wellsburg, Iowa and hold degrees from Calvin College and Calvin Theological Seminary.

### **Asks For Examination**

Tc'y L. Jones, 18, of Lowell has demanded examination by the 53rd District Court on a charge of negligent homicide stemming from a fatal automobile accident December 14, on Lincoln Lake Avenue, north of Lowell

A hearing on the charge has been scheduled for January 28 at the 63rd District Court offices in Rockford before Judge Steven R. Servaas.

Jones faces the charges in the death of Mrs. Dorothy M. Wiltenburg, 44 of Belding in a crash at the intersection of Six Mile Road.

Jones' car, traveling west on Six Mile Road, collided with the northbound Wiltenburg auto, when he apparently failed to stop at the posted intersection.

Judge Servaas has set bond at \$500.

In looking over the year 1975, in a brief form in last week's paper, one item of importance was brought to our attention as being missed in the recap of the year--that of the celebration of the 25th anniversary of Mrs. Molly Wepman as a Main Street businesswoman. To you Molly, our apologies for this oversight.

# **Cold Snap Brings Beauty**

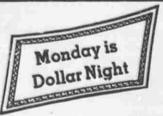

Pictured above is Mill Creek dam in Saranac. Cold January weather has transformed the rushing water into icy beauty. Little wonder that Michigan license plates used to bear the phrase "Water, Winter Wonderland". This dam as well as hundreds like it across the nation, used to furnish hydroelectric power for the community. As the power needs of the community grew dams became obsolete and now are merely part of the landscape. Many of the older folks around Saranac can remember when power was turned on only in the evening for lights and turned off at an hour when everyone went to bed or sat in the dark. The power was turned on during the day only once a week so that housewives could use their electric irons. A bit different than today's household where almost everything is done with electric power.

**STURGEON SIZE LIMIT** INCREASE

**INLAND TROUT AND** SALMON REGULATIONS

The Natural Resources Commission at its meeting August 10, 1973. under authority of Act 165, 1929, as amended and Act 230, P.A. 1925, as amended, hereby orders that for a period of five years beginning January 1, 1974, no person shall take or attempt to take any species of trout or salmon from any of the inland waters of this state except by hook and line during the open seasons prescribed, and within the minimum size limits and maximum possession limits indicated below

Statewide open seasons on all streams and designated trout lakes shall be from the last Saturday in April through the last day in September on all trout and salmon. Statewide open seasons on all other inland lakes shall be any time for all trout and salmon. Size limits for brook trout shall be 7 inches; all other trout and salmon shall be 10 inches. The daily limit for trout and salmon shall be five fish singly or in combination

The above regulations apply except that five brook trout may be taken from streams in addition to the combination list of five fish.
