## March of Dimes Campaign Underway

Mrs. Treva Johnson of Lowell, right, co-chairman of the south townships for the Mother's March of Dimes campaign meets the 1976 National March of Dimes Poster child, Tammy Patterson. Also enjoying the get-together is Mrs. Robert B. [Marian] Burns, Kent County Co-chairman for the 1976 Mother's March.

Dimes campaign will be kicked off on Thursday, January 22, when hundreds of local women will fan out over the area to raise Friday, January 30, according to

The 1976 Mother's March of funds for the local chapter of the March of Dimes.

At a recent meeting of the Kent County Fire Commission, County Fire Chief Ed Barger stated that the job was well done by the Grattan Fire Department on the fast containment on a well involved bedroom fire near Six Mile and Lincoln Lake Road. Barger also stated that the job was well done by the Lowell Fire Department on a trailer fire caused by a TV set. The Grattan Department was also cited for their efficient job on a fatal accident at Six Mile and Lincoln Lake.

## No Foot Delivery -**Patrons Must Clear Snow**

Postmasters from Alto, Ada, Lowell and Saranac warned this week that snowed-in mail boxes will cause a cessation of service.

According to the postmasters, "rural mail carriers are not required to provide service on foot when roads are impassable, or mail boxes are obstructed."

"Patrons are responsible for keeping approaches to boxes clear of snow, and promptly. Failure to do so may temporarily prevent carriers from making deliveries," they added.

For the foot carriers, patrons should keep their sidewalks and walkways clear, so they have easy access to the mail boxes.

The City Council voted to have the two required public hearings on the matter February 9 and 10, 1976.

Mayor Robert Christiansen made his appointments to various committees. Lowell Area Chamber of Commerce, Harold Jefferies; Showboat Board of Directors, Dean Collins; Lowell Airport Committee, Art Warning; and Housing Commission, Noel Christoff.

All above appointments were approved by the Council. There is still a vacancy on the Board of Review, Mayor Christiansen says he is looking for someone to fill that position.

The Council has received a request to meet with members of the Ada Township Board to discuss purchasing water from the City of Lowell. Mayor Christiansen suggested that the entire Council meet with them and a tentative meeting date of January 28, 1976 at 7:30 p.m.

In last week's Ledger on the front page was an article about the people who are violating the snowmobile laws near the West Michigan Snowmobile Trail that runs through the edge of Lowell and also are running on the city streets.

minority who are creating a bad name for the sport and need to be informed that what they are doing can spoil it for thousands of

According to figures furnished to the Michigan International Snowmobile Association (our local club belongs to this association) by the International Snowmobile Industry Association, there are 48,000 registered snowmobiles in Kent County That means that 1 of every 9.7 residents is an active snowmobiler. Statewide, Michigan leads all other states in registered snomobiles with 1 of every 8 people an active nowmobiler. The money from these registrations is paying for the trails that have been provided by the Department of Natural Resources. For every 1,000 snowmobiles there are only 6.2 miles of trails. Snowmobiles in Michigan pay to the State Government an estimated \$9.5 million in direct taxes and registration fees for

Through the tremendous efforts of it's members, M.I.S.A. has been very influential in seeing that the laws in Michigan protect the non-snowmobiler's rights but do not discriminate against you, the snowmobiler. We need your help in seeing that the laws we now have are abided by. If you, the snowmobiler, see someone breaking or misusing the laws we now have, please advise them of it and explain what it could mean to all snowmobilers. Most of us are law-abiding and it is a shame for a few unconscientious people to spoil the sport for the rest of us

The Flat River Snowmobile Club has conducted safety classes for the children of the community so they will know the laws and an enjoy the sport safely. Now we need the cooperation of you parents to see that they will have the privilege. If you live djacent to the trail--PLEASE--do not trespass on your eighbor's property to get to the trail, or ride the city streets to get there. Ask permission to cross their land to get to the trail or trailer your snowmobile to the nearest access point. We implore you to do this in the interest of all who love snowmobiling so that we won't lose our privileges.

If you want the trail to continue through Lowell, you will abide by the rules of the trail. Several property owners in our city have been kind enough to give us the right of way across their property so that our trail from Gun Lake to Wabasis Lake will be ininterrupted, and we owe it to them to be courteous enough to stay on the trail and not litter their property.

If you are a violator, you may be cited for trespassing or littering and so lose your right to snowmobile.

The members of the Flat River Snowmobile Club have pledged their support of the Law Enforcement officers in enforcing the laws and preserving the rights that we have worked so hard to obtain. Won't you join us in that pledge. Thank you!

## **Church Acquires Former Gerrit Baker Hour House**

Cascade Christian Church has acquired the former Gerrit Baker home, at the corner of Thornapple River Drive and Hurley Street. Immediately adjacent to the church's existing facilities, the home was purchased for future expansion on the part of the Cascade Church that has grown from a small rural church of 52 members twenty-five years ago to a rapidly-growing suburban congregation today of well over a thousand members.

The future use of the lovely Baker home has not as yet been fully determined; but indications are that it will be used for the new Second Mile House (welfare center), youth activities or even church staff housing. The property will allow much-needed additional parking, as well.

The Bakers, long-time Cascade residents, made a very special offer to the church and one of the member families is loaning the church the purchase money on an interest free basis.

City Of Lowell
Council Proceedings

Organizational Meeting of Council, Monday, January 5,

The Meeting was called to order by Sr. Councilman Jefferies at 8:00 p.m. The Pledge of Allegiance was given.

The Oath of Office was administered by Acting City Clerk Wood to Councilmembers, Christiansen, Collins, Pfaller

Councilman Jefferies stated that the first order of business was the election of Mayor, and opened the floor

for nominations Councilman Collins placed the name of Councilman Christiansen in nomination for the office of Mayor, supported by Councilman Warning. Carried unanimously

Councilman Warning then placed the name of Leo Pfaller in nomination for the office of Mayor pro tem. supported by Councilman Collins. Also carried unanimously.

Mayor Christiansen then assumed his seat as Mayor. and thanked the Council for the opportunity to serve, and asked that they and everyone else to bear with him until he became accustomed to procedure.

IT WAS MOVED by Councilman Pfaller that the Minutes of the Meeting of December 15 be approved by changing the sentence on page 2, paragraph 9, by striking the period after the word "City", eliminating the word 'and", capitalize "A" making a new sentence, and adding "was also read". On page 3, paragraph 4, striking the words "smoking area" and inserting the words 'loitering area'

Councilman Jefferies also stated that paragraph 6, page 3 should be changed by striking the words, "and until such time as a new Manager is hired", stating that this should be an action of the new Council. He then supported the motion by Pfaller to approve the minutes.

There was a discussion on the Bills and Accounts payable, with a suggestion by Councilman Jefferies that a breakdown of the audit be furnished to Council on actual auditing of funds, and the services for working out the computer process on water and sewer billing.

IT WAS THEN MOVED by Councilman Jefferies that the Bills and Accounts Payable be allowed and warrants issued, supported by Councilman Collins. Yes: Councilmen, Collins, Jefferies, Pfaller, Warning

and Christiansen. No: None. Mayor Christiansen then headed a discussion on the

appointments to the City Planning Commission, stating that the Mayor by reason of office would fill one position. the City Manager as an administrative official, and appointed Councilman Pfaller as Council representative. IT WAS MOVED by Councilman Pfaller that council concur on the appointments, supported by Councilman Warning.

The following resolution was introduced and read by the Acting Clerk, from the Planning Commission-Citizens Advisory Committee.

At a Special Meeting of the Planning Commission-Citizens Advisory Committee held Monday, December 29, 1975, the following resolution was offered by Commissioner Jones, supported by Commissioner Troy. BE IT RESOLVED, that the Planning Commission-Citizens Advisory Committee recommend to the Lowell City

Council that, 2.6 acres of property owned by Ivan Blough, located on Hunt Street, described as follows: The East 230.0 feet of the west 425.28 feet of Block

11, Fox Addition to the City of Lowell, Kent County,

presently zoned A-1 Single Family Residential be rezoned to A-3 Multiple Family Residential in accordance with the following conditions as agreed upon by Mr. Blough. 1. That evidence of substantial construction and improvements to the property are made within twelve (12) months

from the date of Council approval of same. 2. "Substantial construction" shall mean, all basement construction completed and utilities connected to the foundations of same. Further, that if substantial construction is not evidenced within the time period, the Planning Commission shall initiate proceedings to rezone the property in question to its former classification.

In addition, a dedicated public easement for future street extension across the West 30 feet of the above referenced parcel shall be reserved by the owner. 3. That permanent access by guaranteed to the property owner of parcel numbers, 41-20-02-101-005, 41-20-02-101-006. 41-20-02-101-007. 41-20-02-101-008. 41-20-02-101-009. 41-20-02-101-010, located to the North of Hunt Street, by

A discussion followed by Council. IT WAS MOVED by Councilman Pfaller that the

Regular Meeting date of February 2, 1976 be set as a Public Hearing on the possibility of rezoning 2.6 acres of property from A-1 Single Family Residential to A-3 Multiple Family Residential, supported by Councilman Carried

Councilman Pfaller asked Mr. Blough, who was present, that an elevation of the proposed buildings be furnished to Council for the Public Hearing. Mr. Robert Cooper of the firm of Freihofer, Hecht, Oosterhouse and DeBoer, P.C. was present and explained

the necessary steps to get the Water Treatment Facility

under way. He then headed a discussion on the neccesary

Bonding Ordinance. Mr. Curtis Cowles, project manager for the facility, of Williams and Works, explained the quotations for the necessary clarifier equipment on December 19, 1975. He. stated that the estimate for said equipment was \$50,000.00. Lowest quotation was from General Filler Company of Ames Iowa, for \$52,515.84. Other quotations received were, Westinghouse-Philco \$60,830.00, Walker

Process \$66,500.00. Mr. Cowles then explained that in accepting the firm quotation, a letter of intent to purchase the equipment, and an agreement to pay the company \$4,000.00 for engineering of the clarifier, if in the event the project is not built, must be forwarded to General Filler Company. He also stated that plans for the entire proposed facility are about 75% complete.

A lengthy discussion then followed on the bonding

the document, before bringing it to a vote. IT WAS MOVED by Councilman Pfaller that the letter of intent to purchase the clarifier equipment and the agreement to pay \$4,000.00 engineering costs to General Filler Company if the City did not purchase the equipment, be authorized, supported by Councilman

Jefferies Yes: Councilmen, Collins, Jefferies, Pfaller, Christiansen No: Councilman Warning IT WAS THEN MOVED by Councilman Pfaller that the action on the bonding ordinance be deferred until later in

the meeting, supported by Councilman Collins.

The Manager's Report was given including, the Cemetery Department Report, the Parks Department Report, the Fire Department Report, the Police Department Report, and the Dog Warden Report for the month of December Manager Siciliano reported that an agreement had been

worked out with Mr. John Erickson for remuneration for use of his private vehicle in picking up animals. He also asked for Council concurrence on the purchase of recording equipment for the office for \$692.00, stating that it had been a budgeted item in 1974-75 and again in

Discussion and action on these items was also deferred until later in the meeting.

There were no remarks from the audience. Under remarks from Council, Councilman Pfaller MOVED that payment of the additional \$100.00 per month to the City Manager, Antanino Siciliano, be continued,

Further discussion on the bonding ordinance continued, with Councilman Warning stating that he felt the Council still did not have sufficient knowledge of the workings of the ordinance to bring it to a vote.

Mr. Cooper explained that it was very much a standard procedure, and could easily apply to any other City working on the same type of project, and is required by Ordinance No. 82 was then offered for adoption

igan can be controlled to some often wildlife management is nothing more than managing the habitats in an area.

Fire has been found to an effective tool in creating new habitat for deer, rabbits, ruffed grouse and the Kirtland warbler. When a fire sweeps through a forest trees and dead logs are burned leaving open areas for new growth. The new growth of brush is valuable food and cover for certain animals.

Sometimes the introduction of a new species will result in a new game animal. The ring necked pheasant was successfully introduced in Michigan in the 1930's and has become a popular game animal. The pheasant's original home is in

In the past, some introductions have been considered detrimental. The starling was introduced from Europe by New York residents near Central Park. They wanted to see more birds in the park and brought over the starling. This bird is found nearly everywhere and is considered a pest around winter

Animals that once were native to an area and were wiped out, can be reintroduced if favorable conditions exist. This has been done successfully with the turkey in many eastern states including Michigan. The elk of the Pigeon River Country were also reintroduced after they had been driven from Michigan years ago.

Plantings of animals sometimes helps to boost their numbers. This practice is especially successful with fish populations but animals raised in a hatchery, like the put and take pheasants, have little chance for survival. Animals raised in hatcheries often lose their fear of man or are unable to find food and cover in the wild.

Wildlife managers have found that the best way to improve wildlife populations is to improve their habitats. Better habitats provide more food and cover for more animals.

AIR FORCE, MARINES, COSMETOLOGY, DATA-PRO-CESSING, SECRETARY, ELECTRONICS.....These were just a few of the various professions introduced to the students at Saranac High School during Career Day, January 16, 1976.

Career Day Is Big Success

Career Day is a program presented annually to students in grades 8-12, by the Future Business Leaders of America club at SHS-its purpose to better prepare the students for the near future. The program was divided into four sessions, each lasting from 20-25 minutes. The speakers, all volunteers, were professionals in their field, coming from various cities and towns n Michigan, not to mention a number of them making their

## Redskin Grapplers **Are Having Winning Season**

Saranac wrestlers have the talent and will have a winning season when they can put it all together at the same time. The Redskins team consists mostly of freshmen and sophomores, a few juniors, and two seniors: Ken Davis and Kan Thomas (team captains) who have winning records. Other wrestlers over the 500 mark are: Chris Krieger, Tim Hendrix, Terry Hendrix, and

Although the team has a losing record, they made a good showing in the Middleville tournament, placing 4th out of teams, against a majority of Class B teams. Medalists in the tounament were Dan Thomas, Tim Hendrix, and Steve Rose who wrestled in the 145 lb. class at 132.

Saranac has yet to be overpowered by any one team. Most of their losses have been by a ten point margin. The team has no heavyweight wrestler so the opposing team automatically scores 6 points. In addition, Saranac is deprived of any points they might receive had they a heavyweight wrestler, which could be as many as 12 points. With a few of these extra points, these

losses could have been victories. The coach is Mr. C. Ray Newton, he also coaches football and

## Research And **Writing Term Papers**

Research and Writing Term Papers, a class taught by Mrs. Thorp and Miss VanCamp, is offered as a college prep class for students planning to further their education after High School. The class teaches the basic principles of putting a term paper together, including the purpose statement, outline, summary, footnotes, and bibliography. The students are also taught how to use an opinion poll and to write a survey paper. This class isn't only for the college bound, but for any student who wants to improve their writing skills. It is highly recommended, as it will be of great help in writing your Senior government term papers, book reports, etc. Everyone sign up for this class and become a

At a regular meeting of the City Council of City of Lowell, Kent County, Michigan, held in the City Hall in said City, on the 5th day of January, 1976, at 8:00 o'clock p.m., Eastern Standard Present: Councilmen, Collins, Jefferies, Pfaller, Warning and Christiansen.

Absent: None The City Clerk presented to the City Council a proposed Ordinance prepared by Freihofer, Hecht, Oosterhouse and DeBoer, P.C., Bond Counsel, providing for the improvement of the City's Water Supply System in accordance with plans and specifications prepared by William & Works, Registered Professional Engineers, and for financing the estimated cost of said improvements in the sum of \$1,310,000.00 by the issuance of revenue bonds or other evidences of indebtedness for a period of forty (40) years, pursuant to Act 94 of the Public Acts of 1933, as

After discussion Councilman Collins introduced Ordinance No. 82 entitled:

An ordinance to provide for the improvement of the Water Supply System of the City of Lowell, Kent County, Michigan; to authorize the Issuance of Water Supply System revenue bonds by the City of Lowell for the purpose of constucting improvements to the existing Water Supply System of said city; to prescribe the form of bonds; to provide for the collection of revenues from said system sufficient for the purpose of paying the costs of operation and maintenance thereof; to provide an adequate reserve fund therefor; to provide for the segregation and distribution of said revenues; to provide for the payment and security of bonds and, to provide for the rights of the holders of said bonds in enforcement thereof and other matters relative to said bonds and said system, to the use thereof for the preservation of the public health, safety and welfare. The ordinance was then read.

It was moved by Councilman Collins and seconded Councilman Pfaller that said Ordinance No. 82 be adopted. Upon roll call, the vote upon the motion adopting said ordinance was as follows: Yeas: Councilmen, Collins, Jefferies, Pfaller and

Christiansen. Nays: Councilman Warning. Absent: None. The City Clerk declared the ordinance adopted. The following is Ordinance No. 82 as adopted.

ORDINANCE NO. 82

An ordinance to provide for the improvement of Water Suppl System of the City of Lowell, Kent County, Michigan; to authorize the issuance of Water Supply System Revenue Bonds by the City of Lowell for the purpose of constructing improvements to the existing Water Supply System of said City: to prescribe the form of bonds; to provide for the collection of revenues from said System sufficient for the purpose of paying the costs of operation and maintenance thereof; to provide an adequate reserve Fund therefor; to provide for the segregation and distribution of said Revenues; to provide for the payment and security of said Bonds and, to provide for the Rights of the Holders of said bonds in enforcement thereof and other matters relative to said bonds and said System, to the use thereof for the preservation of the Pablic Health, Safety and Welfare. THE CITY OF LOWELL, (KENT COUNTY, MICHIGAN)

be substantially as follows: UNITED STATES OF AMERICA STATE OF MICHIGAN CITY OF LOWELL

(COUNTY OF KENT) WATER SUPPLY SYSTEM REVENUE BOND, SERIES 1976

Know all men by these presents that the City of Lowell, County of Kent, State of Michigan, for value received, hereby promises to pay to the bearer hereof, or, if registered, to the registered holder hereof, but only out of the revenues of the Water Supply System of the City of Lowell; including all appurtenances, additions, extensions and improvements thereto, the sum of

### FIVE THOUSAND DOLLARS

on the first day of January, A.D., , together with interest thereon from the date hereof until paid at the rate of percent (%) per annum, payable on January 1, 1977, and semi-annually thereafter on the first day of July and January of each year. Both principal of and interest on this bond are payable in lawful money of the United States of America at the Lowell State surrender of this bond, or if registered, to the registered holder at the address shown on the registration books of the City and for the prompt payment thereof, the net revenues of the Water Supply System of the City, including all appurtenances, additions, extensions and improvements thereto, after provision has been made for reasonable and necessary expenses of operation, administration and maintenance are hereby irrevocably pledged and a statutory first lien thereon is hereby

This bond is one of a series of two hundred sixty two (262) bonds of even date and like tenor, except as to date of maturity aggregating the principal sum of \$1,310,000.00 numbered consecutively in direct order of maturity from one (1) to two nundred sixty two (262), inclusive, issued pursuant to Ordinance No. \_\_\_, duly adopted by the City on \_\_, 1976, and under and in substantial compliance with the constitution and statutes of the State of Michigan, including specifically Act 94. Public Acts of Michigan, 1933, as amended, for the purpose of defraying part of the cost of acquiring and constructing additions, extensions and evements to the water supply system of the City consisting of well, a water plant, storage tank, water mains, and additions and alterations to the existing water system together with the necessary appurtenances, attachments and equipment related thereto. For a complete statement of the revenues from which, and the conditions, under which this Bond is payable, a statement of the conditions under which additional bonds of equal standing may hereafter be issued, and the general covenants and provisions pursuant to which this Bond is issued, reference is made to the above described Ordinance.

Bonds maturing in the years 1977 to 1986, both inclusive, shall not be subject to redemption prior to maturity. Bonds maturing in the years 1987 to 2016, both inclusive shall be subject to redemption as a whole or in part, prior to maturity, in inverse numerical order, at the option of the City on any interest payment dates on or after January 1, 1986, at par and accrued nterest to the date fixed for redemption.

Notice of redemption shall be given to the holders of the Bonds to be redeemed by publication of such notice not less than thirty (30) days prior to the date fixed for redemption, at least once in a newspaper or publication circulated in Michigan, which carries as a part of its regualr service, notices of the sale of municipal bonds. In the case of registered bonds, (unless registered to "Bearer") thirty (30) days' notice shall be given by mail to the registered holder at the registered address and no publication shall be necessary. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem the same.

Said bonds may be registered as to principal only, or as to principal and interest on the books kept by the Treasurer of the City as registrar in the name of the holder and unmatured interest coupons detached from said Bond after which it shall be transferable only "pon presentation to such registrar with a written transfer by the registered holder or his attorney-in-fact. Such transfer shall be noted upon the books of the City kept for that purpose. Said Bonds once registered are exchangeable at the request of the registered owner hereof and at his sole expense for a negotiable coupon bond payable to bearer, upon surrender of this Bond to the borrower at the office of the Treasurer of the City.

This Bond is a self-liquidating Bond, and is not a general obligation of the City within any consitutional or statutory imitation, but is payable, both as to principal and interest, solely from the net revenues of the Water Supply System of the City.

The principal of and interest on this bond are secured by the statutory lien hereinbefore mentioned.

The City hereby covenants and agrees to fix and maintain at all times while any of such Bonds shall be outstanding, such rates for service furnished by said Water Supply System as shall be sufficient to provide for payment of the interest upon and the principal of all such Bonds as and when the same become due and payable, and to create a bond and interest redemption fund (including a bond reserve account) therefor, to provide for the payment of expenses of administration and operation and such expenses for maintenance of said Water Supply System as are necessary to preserve the same in good repair and working order, and to provide for such other expenditures and funds for

said System as are required by said Ordinance. It is hereby certified and recited that all acts, conditions and things required by law precedent to and in the issuance of this Bond and the series of Bonds of which this is one have been done and performed in regular and due time and form as required by

Section 9. Revenue as Sole Security; No General Obligation of City. The Bonds, including both principal and interest thereon. shall not be a general obligation of the City and shall not constitute an indebtedness of the City for purposes of any debt limitations imposed by any constitutional provision or any statutory or charter limitation. The principal of and interest on said Bonds shall be payable solely from the net revenues derived from the operation of the System, including future improvements, enlargements and extensions thereof. The net revenues from the System, including future enlargements, improvements, and extensions thereto, are hereby pledged to the payment of the principal of and interest on the Bonds. To secure the payment of the principal of and interest on the Bonds issued hereunder, and on any additional Bonds of equal standing which may be issued as provided by the Terms of this Ordinance, there is hereby created to and in favor of the holders of such Bonds, and the interest coupons pertaining thereto, a lien, considered a statutory lien upon the net revenues from the said System, including future enlargements, improvements, and extensions thereof. The net revenues so pledged shall be set aside for the purpose of, and identified as the "Water Supply System

full of the principal of and interest on said Bonds. Section 10. Rights of Bondholders. The holder of holders, from time to time, of said Bonds herein authorized to be issued, shall have all the rights and remedies given by law and particularly by said Act No. 94 of the Michigan Public Acts of 1933, as amended, for the collection and enforcement of said Bonds and the security

Section 11. Supervised Bank Accounts. The Treasurer of the City shall be custodian of all funds belonging to and/or associated with the City's System and such funds shall be deposited in The Lowell State Savings Bank, Lowell, Michigan, which bank is a member of the Federal Deposit Insurance Corporation. In the event that the Government is a holder of any of the Bonds herein authorized, all monies in excess of \$40,000 in the supervised bank account shall be secured by the depositary bank in advance in accordance with United States Treasury Department Circular No. 176 and the City Treasurer shall execute a fidelity bond in an amount of not less that \$100,000.00 with a surety company approved by the Government, on which the United States and the City shall be named as co-obligees and the amount thereof shall not be reduced without the prior written

Section 12. Funds. The City Treasurer is hereby directed to create the following funds into which the bond proceeds and the revenues and income from the System shall be deposited, which accounts shall be established and maintained, except as otherwise provided, so long as any of the bonds hereby

authorized remain unpaid. A. CONSTRUCTION FUND. After deducting a sum equal to the amount of any accrued interest from the date of the Bonds to the date of delivery thereof, which sum shall be deposited in the Bond Principal and Interest Redemption Fund, the balance of the proceeds of the bonds hereby authorized shall be deposited in the Construction Fund in the Lowell State Savings Bank, Lowell, Michigan, a bank insured by the Federal Deposit Insurance Corporation. In the event the Government is a holder of any of the bonds herein authorized, then said Fund shall be established as a supervised bank account and such proceeds shall be withdrawn on the orders of the City of Lowell only on checks signed by the Treasurer of the City and countersigned by the County Supervisor of the Farmers Home Administration. Said monies shall be used solely for the purposes for which the bonds

Any unexpended balance in the Construction Fund remaining after completion of the Project herein authorized may in the discretion of the City Council, to the extent of twenty five percent (25%) of the amount of the Bonds authorized by this Ordinance, be used for further improvements, enlargements and extensions to the System, provided that at the time of such expenditure such use be approved by the Municipal Finance Commission. Any remaining balance after such expenditure shall be paid into the Bond Principal and Interest Recemption Fund and shall be used for such purposes as allowed by law. Construction Fund remaining after completion of the Project herein authorized shall be paid immmediately into the Bond Principal and Interest Redemption Fund as hereinafter specified and shall be used only for the redemption, or purchase at not more than the fair market value, of outstanding Bonds issued pursuant to the provisions of this Ordinance.

After completion of the Project and disposition of remaining bond proceeds, if any, pursuant to the provisions of this Section, the Construction Fund shall be closed.

B. WATER SUPPLY SYSTEM RECEIVING FUND. As soon as the System becomes operative and revenue producing, the gross income and revenue shall be set aside into a separate fund to be designated the Water Supply System Receiving Fund (the "Receiving Fund") and monies so deposited therein shall be expended and used only in the manner and order as follows:

Operation and Maintenance Fund Account. There is hereby established an account known as the Operation and Maintenance Fund Account. Prior to the beginning of each fiscal year, the Council shall prepare an annual budget of said System for the ensuing fiscal year itemized on the basis of monthly requirements. In the event that the Government is a holder of any of the Bonds, a copy of such budget shall be mailed without request to the Farmers Home Administration prior to adoption for review and upon written request to any other bond holders. When the system becomes revenue producing, there shall be set aside from the Receiving Fund and deposited into the Operation and Maintenance Fund Account each quarter pursuant to the budget a sum sufficient to pay the reasonable and necessary current expenses of administering, operating and maintaining

said System for the ensuing quarter. 2). Water Supply System Revenue Bond Principal and Interest Redemption Fund Account. There is hereby established an account known as the Water Supply System Revenue Bond Principal and Interest Redemption Fund Account (the "Bond Principal and Interest Redemption Fund"). After transfer to the Operation and Maintenance Fund required in (1) above, there shall be transferred each quarter from the Receiving Fund, before any other expenditures or transfer therefrom, and deposited in the Bond Principal and Interest Redemption Fund, for payment of principal and interest on the Bonds, a sum equal to at least 1/2 of the amount of the interest due on the next ensuing interest payment date plus not less than 1/4 of the principal maturing on the next ensuing January 1 of each year. If for any reason there is a failure to make such quarterly deposit then an amount equal to the deficiency shall be set aside and deposited in the Bond Principal and Interest Redemption Fund from the net revenues in the ensuing quarter or quarters, which amount shall be in addition to the regular quarterly deposit required during such succeeding quarter or quarters.

There is hereby established within the Bond Principal and Interest Redemption Fund a separate account to be known as the Bond Reserve Account, into which there shall be paid in equal quarterly installments from the revenues of the System after provision has been made for the Operation and Maintenance Fund Account and the current requirements of the Bond Principal and Interest Redemption Fund, the sum of \$2,000.00 per quarter or more until there is accumulated in such fund the sum of \$77,000.00. Except as hereinafter provided, no further deposits need be made into the Bond Reserve Account once the sum of \$77,000.00 has been deposited therein. the monies in the said Bond Reserve Account shall be used solely for the payment of the principal of and interest on said Bonds as to

which there would otherwise be default. If at any time it shall be necessary to use monies in the Bond Reserve Account for payment of prinicipal and /or interest on said Bonds, then the monies so used shall be replaced from the revenues first received thereafter which are not required by this Ordinance to be used for operation and maintenance or for current principal and interest requirements.

No further payments need be made into the Bond Principal and Interest Redemption Fund or into the Bond Reserve Account after the amount accumulated and held in said Fund (including the Bond Reserve Account), is sufficient to pay, when due, the entire amount of principal and interest which will be payable at the time of maturity or at an earlier redemption date of all the

bonds then remaining outstanding. 3). General Purpose Account. There is hereby established a General Purpose Account. The balance of income and revenue after the transfers into the Operation and Maintenance Fund Account and into the Bond Principal and Interest Redemption Fund (including the Bond Reserve Account) as required by this Oridinance shall be deposited to the General Purpose Account, which Account shall be used and disbursed only for the purpose of paying the cost of repairing or replacing any damage to the system which may be caused by any unfo paving for making extensions or improvements to the System and when necessary for the purpose of making payments of principal and interest on the Bonds hereby authorized if the amount in the principal and Interest Redemption Fund and the Bond Reserve Account is not sufficient to meet such payments. The balance of the General Purpose Account need not exceed the

4). Surplus Monies. Whenever there shall accumulate in the Principal and Interest Redemption Fund amounts in excess of the requirements necessary during the following eighteeen (18) months for payment of the principal of Bonds falling due and interest on outstanding Bonds, and in excess of the requirements of the Operation and Maintenance Fund Account and the Bond Reserve Account, such excess may be used by the City for redemption of bonds in the manner set out below.

All monies remaining in the Receiving Fund at the end of any operating year after satisfying the above requirements shall be transferred to the Bond Principal and Interest Redemption Fund and used to call bonds for redemption, or at the option of the City transferred to the General Purpose Account and used for the purposes for which said Fund was established. Provided. however, that if there should be deficit in the Operation and Maintenance Fund Account, Bond Principal and Interest Redemption Fund or the General Purpose Account, on account of defaults in setting aside therein the amounts hereinbefore required, then transfers shall be made from such funds remaining in the Receiving Fund to such funds in the priority and order named, to the extent of such deficits. Surplus monies may be used to retire any outstanding obligations of the City incurred for the construction, expansion or addition to the City System including additional bonds the issuance of which is authorized by

Monies in the various Funds and Accounts established by this Ordinance may be invested in any obligation or account constituting a legal investment for general funds of the City. The income from each such investment shall become and remain a part of the specific fund from which the monies were so

Section 13. Rates and Charges. Prior to the issuance of the Bond, the City Council shall establish rates and charges for the services of said System in an amount sufficient to pay the expenses of administration and the costs of operation and maintenance of said System; to provide an amount of revenues adequate for the payment of principal and interest, debt service, reserve, replacement and improvement requirements and all other requirements provided herein, and otherwise comply with the covenants herein provided. The rates and charges for all services and facilities rendered by the System shall be reasonable and just, taking into consideration the costs and value of said System and the cost of maintaining, repairing, and operating the same and the amounts necessary for the retirements of all Bonds and accruing interest on all Bonds, and there shall be charged such rates and charges as shall be adequate to meet the requirements of this and the preceding

Section 14. Lien. The rates and charges for all services furnished by the System to any premises shall be a lien thereon. There is hereby created a lien made a statutory lien by Section 8 of Act 94, Public Acts of Michigan, 1933. as amended, upon the net revenues pledged to the payment of the principal of and interest upon said Bonds, to and in favor of the holders of such Bonds and the interest coupons pertaining thereto, which liens shall be a first lien upon such net reserves, except where there

of the regular meeting held on November 24, 1975.

Motion by Roberts, seconded by Kropf, to approve the Agenda as amended Nays: 0 Motion Carried

. At the joint meeting of the Ionia and Kent Intermediate School Boards held on December 3, board members voted 5-4 to transfer the four parcels involved from the Belding School District to the Lowell School District.

2. Board member Kropf reported that the Communications Committee meeting was very well attended--53 total, with 43 citizens. Speaker Bill Banach did an excellent job of laving the groundwork so that there was much enthusiasm demonstrated by those attending the meeting. The next meeting is scheduled for Tuesday, January 6, 1976, in the middle school choir room.

3. A meeting has been scheduled with the City Council for Thursday, December 11, at the middle school at 7:30 p.m. Some topics to be discussed are the City's request for a right of way; tennis courts; smoking areas, and the M-21 connector.

4. Mr. David Miller withdrew his resignation from the board.

5. The Koewers house proposal was tabled to executive session. 6. The December 22 regular meeting has been cancelled.

Principal David Burdette reported that the Bushnell Grandparents' Day was very successful with 304 grandparents attending. 80 grandparents participated in a very enthusiastic discussion during the coffee period, and 104 enjoyed lunch with their grandchildren

8. Board president, Harold Metternick, reported that the Alto Mothers' Club Open House had a tremendous turnout. There was "standing room only" at the program.

9. The Woolworth Tenure Hearing has been scheduled for February 13, 1976. 10 Student James Pfaller has been informed of the board's

decision not to grant early graduation but to waive the five-class

requirement, provided he has a full-time position the second

semester of the 1976-27 school year. This decision was agreeable with him. 11. The board was presented with a copy of the revision of the Community Education Budget as adopted at the November 24,

1975 meeting. 12. Superintendent Sinke reported that the state aid reduction will be a reduction of 1.7% of the combined state and local taxes,

### or approximately \$55,000.

1. Census and Data Processing for 1975-76 and 1976-77 were discussed. We have begun collecting data for a school census which will be computerized. Locally, we are working with the Grand Rapids Board of Education getting the new 1022 state accounting format into the computer. Business manager Wabeke requested consideration for an additional clerk in the business

2. President Metternick brought the board up to date on the recent sewer assessment because of additional rooms at Alto.

3. Don Kelly gave the board a preview of a slide presentation on "The Lowell Area Schools Today.
