VOLUME ONE, ISSUE THIRTY-NINE

THURSDAY, AUGUST 12, 1976

PRICE FIFTEEN CENTS

All candidates who sought office in the recent Primary Election August 3, 1976, must file their "expense accounts" with the County Clerk's office before 5 p.m. this Friday, August 13. This applies to Congress candidates, State Representatives, County Board of Commissioners, County officers and also Probate Court judges.

This law applies to all candidates, according to Jack Bronkema, County-Clerk-Register of Deeds.

A four-year-old juvenile boy was cut last Tuesday evening, when he went through a plate glass window at the Eberhard's Store on West Main Street.

Injured when his motorcycle struck the rear of a car early Sunday morning on East Main at James Street was Daniel Poelman of Wyoming. The car was driven by Hermannis Kamphuis of Grand Rapids.

All girls interested in participating in girl's varsity tennis during the 1976-77 school year should report to the high school art room on Tuesday, August 17, at 6:30 p.m.

Leahon Cunningham has been arrested for larceny under \$100, by the Lowell Police. Cunningham allegedly took several items from Attwood Corporation. He will appear at a later date in the 63rd District Court before Judge Joseph B. White.

Lowell Police officers also obtained a warrant for Earnest Hentzberg on a charge of embezzlement of a TV from Art's TV and Radio Service on East Main Street.

During the month of July, the Lowell Police Department received sixteen accident complaints; six of which involved personal injuries.

Junior College classes in English, Criminal Justice, Human Relations and Business will be offered in Lowell this year through the Lowell Community Education program.

The registration deadline for classes, which will begin September 7, is August 30 from 7 to 9:30 p.m. at Lowell Senior High School. Call 897-8434 for more information.

Lowell Police officers investigated two break-ins this past weekend; one at the Drake Service Station on East Main Street, and the other at Parker's Garage on West Main Street.

A small quantity of oil was missing from the Drake Station, and from Parker's, candy and pop was consumed and a small amount of change and tools were taken.

Last Thursday, a report of a larceny of drugs was made by Lippert's Pharmacy on East Main Street. Investigating officers found no forced entry into the building.

The Bowne Township Planning Commission which meets the second Thursday of each month at the Township Hall in Alto, will meet this Thursday, August 12, to go over the questionnaires filled out by residents of Bowne Township.

These meetings which begin at 8 p.m., are open to the public. All interested Township residents should be in attendance.

Injured Monday when a lighting fixture fell from an amusement ride at the Kent County 4-H Fair grounds in Lowell was Elaine Laux of Lowell. The operator of the ride stated to Lowell Police that a safety pin in the fixture was not installed, allowing the fixture to fall off and strike Ms. Laux in the face.

The ride was closed down by Lowell Police and 4-H Fair officials to be reopened only after a State inspection of the ride can be made.

The purpose of the meeting is to discuss the use of the approximately \$250,000.00 currently in the building fund.

Projects now under consideration by the board are tennis courts, a greenhouse that could be used by science classes, etc., and building office space for the school's administration.

The public is invited and the board will answer questions and listen to suggestions at this time.

The IRS ought to be glad Americans have what it takes.

WE SPECIALIZE IN WEDDING PHOTOGRAPHY. See our new distinctive style of Wedding casuals. Engagement pictures & pictures for the newspaper are always Free at MODERN PHOTOGRAPHICS, Lowell 897-5606.

Funeral services for Young were held Wednesday afternoon, August 11, at the Roth-Gerst Funeral Home, Lowell. Dr. Richard Greenwood of the First Congregational Church of Lowell was the officiating clergyman.

Besides his wife, Young leaves his parents, Mrs. Hugh (Kathryn) Dodds of Grand Rapids and Harrison Young of Cedar Springs; two brothers, Thomas at home, and Thomas Calkins of Cedar Springs; and his grandparents, Mrs. Orpha Hubbard of Saranac and Mr. and Mrs. Harry Young of Ionia.

Election Results:

Kowalczyk, Yeiter, Wittenbach Win

Politics will now step up in full swing, in Michigan, with the primaries over, and after the GOP picks its head, the media will be full of what the politicians promise, while seeking votes in the November election.

Last Tuesday's August 3rd Primary, which showed a light vote at all levels, provided some good contests for the November voting.

Kent County Prosecutor Harold Sawyer, Republican, who two years ago endorsed Democrat Richard F. VanderVeen for the 5th District Congressional seat, will be VanderVeen's opponent in the November 2 election.

Sawyer won the Republican nomination over two other candidates, getting 27,567 votes. VanderVeen tallied 17,122.

Michigan's U.S. Senate race will see Republican candidate Marvin Esch of Ann Arbor on the ballot against Donald Reigle. Both are ten-year veterans of Congress.

Phillip A. Heffron, who succeeded Ronald Parsons as Sheriff of Kent County in 1975, gathered 24,485 votes to beat his other Republican opponents—Robert B. Hill, 14,451 and Gary N. Meyers, 1,576. Winning on the Democratic ticket was Clare R. Earlywine with 14,234 votes.

Incumbent State Representative from the 90th District, Martin Butch, who had no opposition in last Tuesday's primary, will face Carl Redding, Dem., in November.

Arnold A. Wittenbach of Lowell was the highest vote getter of

four candidates for the 3rd District Kent County Commissioner's seat. An incumbent, Wittenbach tallied 1,459 votes, in comparison to 415 for Maureen Dreher, 735 for Donald Harrington and 1,274 for Jo Somerville. In November, Wittenbach will be on the ballot against Robert R. Jennings, Dem.

Voters in area Townships, without exception, expressed satisfaction with incumbent township officials, renominating them for new terms.

In most cases, winning nomination is equivalent to election. Only a handful of candidates face opposition in the November 2 runoff.

In Ada Township, the incumbents won renomination in three Republican contests by impressive margins.

Supervisor: John H. Forshar, 624, Robert R. Trent, 302, Clerk: Kenneth Anderson, 780, Lynne Kohlbeck, 193, Trustee: Paul F. Nelson, 576, D. James Dunn, 300, Treasurer: Orison M. Weaver, unopposed. There were no Democratic candidates.

Bowne Township—Sandra L. Kowalczyk won the Republican nomination for Township Clerk with 89 votes, beating out Harold Metternick with 65 and Kathleen Dintaman, 38. Others elected unopposed were Supervisor—J. Irvin Rodgers; Trustee: David Hoffman; Trustee, unexpired term, James A. Willyard.

Cascade Township—Incumbent Trustee Joseph E. Popma won nomination, 638 votes, and

a former trustee, Donald R. Ellinger, 627 votes, was nominated on the Republican ticket in a tight four-way contest for two seats on the Board. They were opposed by Kate W. McGarry, 536, and Clarence R. VanStrien, 450 votes.

Wendell G. Champion was unopposed for supervisor as was clerk Edward L. Meyer and treasurer Paul Slater.

Grattan Township—Incumbent Supervisor Robert C. Lamoreaux won the Democratic nomination with 123 votes, turning back a challenge by Mynard E. Butts, who received 40.

Also winning on the Democratic ticket were incumbents, Lucille Slowinski, treasurer and Patrick G. Malone, clerk. Sheridan E. Maidens, Republican candidate for trustee, also was nominated.

Lowell Township—Harry Yeiter won the nomination for Lowell Township supervisor over two other write-in candidates, Mrs. Beverly Spillane and Delmar Stuessy.

Yeiter received 75 votes, or more than the required 15% of the highest vote getter, to be declared the winner.

In the race for the treasurer's job, Mrs. Doris Boyd won the renomination over Virene J. Squires, 189-77. Also re-elected were Carol Wells, clerk, and Richard Huver, trustee.

Vergennes Township—Supervisor, Carl Kropf; clerk, Irene Osborne; treasurer, Elmer Wittenbach, 192; Diane Brown, 64; trustee, Adelbert Odell, 168 and Eugene Kaye, 77.

Above The Board

Board Reinstates Sports Programs

All freshmen and JV sports, high school forensics, debate, drama, gymnastics, band, choir, Middle School interscholastic sports, and, in short, all the extra curricular student activities previously cut by the Board of Education from this year's school budget were restored to the curriculum at Monday night's board meeting.

Although the vote to revise the previously announced program cuts was unanimous, indications were that individual board members were not in complete and total agreement. Board President Roger Roberts announced the decision saying that two work sessions had been held since the last regular meeting two weeks ago and that both had lasted well into the night.

At one point during Monday night's meeting, former board member Dr. Robert Reagan expressed his dissatisfaction with the revised decision stating, "I am disappointed that you gave in to a pressure group. I think you should stick to your guns and I don't know by what authority Jack Butterworth speaks for the 900 'no' voters at the last election that defeated the one mill increase." Butterworth replied that he was not attempting to speak for the "no" voters but only complaining that he felt the cuts were unfair in that it was not made clear to the voting public that these things would be eliminated if the issue did not pass.

Dr. Reagan agreed that perhaps the concerned citizens drive to pass the millage fell short by relying on "soft sell" methods. "We didn't want to threaten the voters as other districts in this area have," Reagan said, "we assumed that they would know the consequences and perhaps we assumed too much. We probably should have been more vocal about what would have to take place if the one mill failed to pass."

At this point President Roberts spoke up saying that in no way was the board responding to a pressure group. "The revision was made for two reasons. Tentative contract agreements indicate that teachers, through the LEA, are willing to settle for somewhat less than expected in order to help out the budget and the new State Aid bill will provide slightly more in state aid than was anticipated. That, coupled with the fact that the majority of the board felt that there was not sufficient information spelled out to the public on what our reductions would be, were the sole reasons for the change," Roberts maintained. He added, however, that it should further be clearly understood that this is a one-year move and that for the 1977-78 school year the board will be forced to enact much more drastic reductions or secure additional funding because the fund equity will now be used this year to a point beyond which the board feels is safe and within two years at that rate will be decreased beyond the state required level for operation.

Art Warning replied to Roberts from the audience in defense of Jack Butterworth saying, "we've given the school almost

everything it has ever asked for in new buildings, millage, etc., and then you cut off our sports program. We are concerned and if we hadn't come to these last two meetings and people like Mr. Butterworth hadn't gotten other people excited, you, sir, would have passed the cuts just as they were, with only five people in the audience."

Warnings last seven words were probably the crux of the matter. In spite of the fact that the board attempts to keep the district residents aware of everything that is going on in the school system through articles in the Grand Valley Ledger and in its own publication, The Measuring Stick, and that it publishes the Agenda of the regular meetings in advance and the minutes afterwards, very few people apparently pay any attention to it until one particular issue hits a certain group where it hurts. There may be a communication gap, but it does not appear to be the fault of the school.

Supt. Leonard Sinke added his reaction to the board's decision saying, "I have no argument with the board for restoring the cuts, that's their prerogative, but I want the people to realize the road down which we are now heading. One year from now we will be facing more drastic cuts or complete depletion of fund equity. Somewhere along the line people will have to face up to only spending what we have."

Board Member Dave Miller summed up his feelings when he pointed out "if we keep on this way we will eventually have to borrow \$500,000 and it will cost us approximately \$40,000 to do so. In view of this, I urge all of you in the audience to be as concerned late next winter and early spring as you are tonight."

Another controversial issue was brought before the board by Pat Elzinga when she questioned what she termed the board's plan to use \$250,000 left from the recent three-year building program to build a new administration building. Mrs. Elzinga's contention was that people ought to have a say in how that money is spent and she suggested that, perhaps, an indoor school swimming pool might be of more use to the community and the students than an administration building.

Board Member Miller replied to the question stating that at no time had the board considered spending \$250,000 on an administration building. He concurred that the board felt such a building was possibly necessary, but not at that cost. He added that many items were under consideration but that a pool was not one of them since it would cost more than that to build it and would require at least one additional mill each year to keep it in operation. Miller listed tennis courts, additional equipment and furniture for existing buildings, and a greenhouse to be used by all science and agriculture classes for resource and experimentation as some of the possibilities being considered.

Miller concluded that the hour was late for getting public

input into the disposition of the funds and that the possibilities had been discussed at regular board meetings off and on for the past year but if the public wanted in on the discussion a meeting would be held this Thursday, August 12, at 7:30 p.m., in the Bushnell Kiva. Mrs. Elzinga appeared satisfied with this and assured him that the public would definitely be there.

A report on the school hot lunch program was given by Hot Lunch Supervisor Marilyn Bovee. As has been the case in the past several years, Lowell received top commendation from the State both in participation and operation of its lunch program. The local program is one of the highest in the State in the number of students who receive

Cont'd. on Page 3, Col. 3

Ada Bicycle Rider Injured

Ten-year-old David Pinder, son of Mr. and Mrs. Bernard Pinder of 214 Honey Creek Road, Ada, was injured last Wednesday afternoon, August 4, when he rode his bicycle into the path of an on-coming motorcycle.

The driver of the motorcycle, Steve Cook of 8848 Bennett Road, Ada, was northbound on Honey Creek, when the young bike rider made his exit from a driveway.

Taken to Blodgett Hospital, Pinder suffered head injuries, lacerations and a compound fracture of the left leg.

Grant Will Design Ada's Fire Station

The Ada Township Board has selected an architect for the proposed second fire station within the township. Alexander Grant has been asked to start the design work.

The new station, to improve fire protection for Township residents living north of Grand River, will be located on the north side of Knapp Street, N.E., west of Honey Creek Road.

The Township's tentative plans call for a two-bay station to house a 500 gallon-per-minute pumper and a tank truck. A smaller unit to fight grass fires would be incorporated into future plans.

The cost of the new fire station, as estimated by Supervisor John H. Forshar will be less than \$60,000. A method of financing has not been determined; it is expected some federal revenue sharing funds will be available.

A Township spokesman, explained, however, that it may also be necessary to ask the citizen's approval of a bond issue for the difference between revenue sharing and the actual cost.

Driver Award Presented To Carriers

The National Safety Council's "Safe Driver Award" was presented to five employees of the Lowell Post Office last week. Award recipients were: from left, Bernard Kropf, ten years; Rex Collins, three years; John DeHaan, one year; Bill Dawson, 14 years; and Jack Fonger, 15 years.

The National Safety Council's Safe Driver Award is the recognized trademark of professional drivers who have proven their skills avoiding traffic accidents. The more than two million drivers who have earned the award since 1930 have made it the highest award for professional safe driving performance.

The Safe Driver Award Emblem is a gold-plated metal shield bearing the words "National Safety Council's Safe Drivers' Award in gold on a hard fired, blue enamel background that borders the familiar figure of the man behind the wheel. A wallet-sized certificate accompanies each award. This certificate indicates the number of safe driving years, the date earned, and the registered serial number of the award.

The total miles driven during this period is over 950,000 and all were driven within a radius of seven miles from the Lowell Post Office.

'THE BAD NEWS BEARS'

PLAYING FOR ONE WEEK

Lowell CB'ers Assist Canadian Truck Driver

A Canadian truck driver in need of assistance Saturday night, found out in just a short while that the people of Lowell will rally around when help is needed.

William Sutter of Ketchner, Ontario, Canada, was stalled in Lowell, when the fuel system on his truck failed to function properly.

Using his CB radio, Sutter put out a call for assistance and was surprised with the results from the CB owners in the Lowell area.

It took a call here and there, but Sutter was soon back on the road; voicing over his radio to all CB'ers that if anyone ever

breaks down, it should be in the Lowell area, as nowhere else has he received such a response.

Needless to say, Sutter extended his thanks many times over before he was out of range of the local CB'ers.

Some of the CB'ers assisting were members of the Chatter Box Club of Lowell, formed only a few months ago, and since have become an instrumental fixture in community happenings.

The club which takes a coffee break every Saturday afternoon at Paul's Showboat Restaurant from 2 to 5 p.m. has been what one might term as "very active" since their incorporation.

While their membership roster boasts some 41 members (82 including spouses), they have worked to raise funds to make contributions to several community organizations. A sum of \$25 was donated to the Lowell Rescue Unit; \$25 to the Alto Fire Department; \$25 for the Grattan Township Hurst tool; and \$25 towards the organization of the REACT program.

Besides making these monetary contributions, The Chatter Boxes have been the instrumental factor in saving the life of a baby, the son of Mr. and Mrs. Paul Erickson of Lowell and aiding stranded motorists.

Looking to the future, the CB'ers hope to hold a car wash and paper drive, to raise funds for further givings.

If there's anyone in this area with a CB radio, who would like to join the club, they're invited to join them on a coffee break any Saturday at Paul's Showboat Restaurant.

A Thorough Scrubbing . . .

A huge 25 meter pool like the YMCA King Memorial Pool needs more attention than the average sized pool.

To care for this, Jeanne Lewis, pool manager, dons diving gear and gives the pool a thorough scrubbing. Cheryl Bunda, center, and Jan Mallindine, right, were on hand to assist with this project.

The YMCA pool will continue to be open for swimming fun through Labor Day, September 6.

Reunite For 25th Reunion

Lowell High School's Class of 1951 held its 25th anniversary reunion. This class has held picnics every five years for its reunion.

Being 25 years it celebrated with a steak dinner at the Hungry Lion Restaurant Sunday, August 8, at 2 p.m.

Of the invited teachers present were Chris Burch, Orval Jessup, Orion Thaler and Charles White with wives accompanying them.

There were 64 in attendance and a delicious lunch followed by anniversary cake which was served.

A Career In The Army No Longer A Dream!

Donald L. Dawson, a graduate of Lowell High School, Class of 1958, enlisted in the United States Army the same year. He received his early training at the Army Air Defense Center at Fort Bliss, Texas. He was trained to install, test, adjust and perform maintenance on the Hawk Missile System and later served as Instructor in that course.

During the years from 1962 on, he served three assignments to Korea, and one to Vietnam 1965-66. In the States his duty station has been Homestead Air Force Base, Florida. In 1968-69 at Fort Bliss he completed a 37 week course and was promoted to Warrant Officer with a rating of WO 1.

In June of 1972 he was awarded the Army Commendation Medal for Meritorious Service by the Secretary of the Army for a year of outstanding Service and dedication. Nov. 1975 he was again sent to Fort Bliss for additional training into the Improved Hawk System. He graduated with honors and was promoted to CWO 3 as of August 1, 1976.

For two weeks the Dawsons have been visiting relatives around Lowell before leaving on his new assignment, a 39 month tour of duty in Germany.

He will be accompanied by his wife, the former Frances Burtle, of Lowell and their children, Michelle Lyne born in El Pasco, Texas, Donald Lee, Jr., born in Pusan, Korea, and twin boys, Derrick Lange and Dirk Linsley, born at Homestead, June 15, 1976.

Their new address will be CWO Donald L. Dawson, 383-40-5979, "A" Btry 2nd Bn. 62nd ADA, APO 09132 New York, New York.

Hutchinson Is Promoted

Sergeant Richard J. Hutchinson, a native of Lowell, was recently selected for promotion to Staff Sergeant (SSgt.). The selection rate of all eligible personnel was 6 percent.

Sgt. Hutchinson is presently stationed at Mt. Parnis, Greece, where he is the Non-Commissioned Officer-in-Charge of Administration, Leave and Finance, and Postal activities. The Mt. Parnis Detachment where Sgt. Hutchinson works is the "hub" for all communications in Greece.

Sgt. Hutchinson will be reporting to his new duty assignment at the 754th Radar Squadron (ADCOM) Port Austin AFS, MI in early September.

Through the combined efforts of the Lowell Jaycees, Jaycettes and countless numbers of people in the Lowell Area, a Burn Unit will become a part of Blodgett Memorial Hospital in Grand Rapids.

Scheduled for completion in December of 1977, the facilities will include a heliport, emergency burn treatment and complete burn therapy equipment.

Even though the Lowell Area Jaycees got the project off the ground the people of this area have contributed well over \$15,000 in cash contributions more monies are needed. A total of \$500,000 is needed to finish this project. With the help of the Lowell Jaycees, various organizations are now becoming involved with this worthwhile project.

It goes without saying, that if it wasn't for the people of Lowell and the surrounding area, this dream of a Burn Unit would not have become a reality it will be. Hats off to each and every one of you!!!

To clean a grease-laden oven, place a pan of water and one to two tablespoons of ammonia in the oven and let it stay overnight. Sponge off the grease in the morning.

Couple Married In Ada Church

Ada Community Reformed Church was the setting for the marriage last Friday evening, August 6, of Miss Swanee Jean Dik and Dick John Kooistra.

The bride is the daughter of D. Dik of Lowell and the late Mrs. Dik. The groom's parents are Mr. and Mrs. Peter Kooistra of Belmont.

Attending the bride was Miss Jean VandenBos as maid of honor. The bridesmaids were Mrs. Tina Sturuss and Miss Rita Donner. Tricia Lyn Sturuss was the flower girl.

The groom's best man was Harry Kooistra. Seating the guests were Bill Sturuss, Richard DeBoer and Dave Werkema.

Following the ceremony, a reception was held at Shady Acres. The newlyweds will make their home at 965-33rd Street, S.W., Grand Rapids.
