Wins Corn Growing Title

Paul A. Seese, of Alto, a member of the Lowell High School FFA chapter, has won the Michigan 304 Bushel Challenge corn growing program for the Future Farmers of America. Seese's corn yielded 176.7 bushels per acre from 1 acre. The 304 Bushel Challenge is sponsored annually by The Producers of Funk's G-Hybrids. It was begun in 1955 when FFA member Lamar Ratliff of Prentiss County, Mississippi, established what was then a world record corn yield of 304.38 bushels per acre. The program is open to all FFA members and vocational agriculture students, and is designed to provide the entrants with experience in high-yield corn growing. The national 304 Bushel Challenge winner was Donald W. Horton, Tiplersville, Mississippi FFA chapter, with a yield of 300.2 bushels per acre from Funk's G-4762. Paul and James Corkle, O'Neill, Nebraska, also went over the 300 mark with a 337.7 bushel per acre yield from Funk's G-4507. They won the Project: 200 national title. Only eight corn yields have ever been recorded over the 300

mark. Seven of those have come from Funk's G-Hybrids. Seese used Funk's G-4288 in his high-yielding plot. His fertilizer program consisted of 16 pounds nitrogen, 64 pounds phosphorous, and 32 pounds potassium. He used AAtrex/Lasso for weed control. Planted on May 26 in 38-inch rows at 20,000 plants per acre, his official yield was converted to 15.5 percent moisture content.

Ken Olson Wins FFA Gold Award

Ken Olson of the Lowell FFA placed second with a gold award in the District FFA Leadership contests held at Lowell High School on February 10. Other FFA members who received awards were Debbie Shores and Debbie Sznkowski in the public speaking contests. Each received a silver award. Other area schools participating in the leadership contests were Saranac, Lakewood, Caledonia and Hastings.

Lowell Man Killed in Fiery Crash

Photo By Modern Photographics

Kent County's seventh traffic fatality of 1977 was recorded February 9, when this pickup truck driven by Howard Vroma of Lowell, collided head-on with a Michigan Bell Telephone truck, west of Lowell on M-21. Vroma was pronounced dead at the scene, and the driver of the second vehicle is still in critical condition at a Grand Rapids hospital.

Howard Vroma of 132 South Pleasant Street, Lowell, was killed February 8, when his pickup truck was involved in a head-on collision with a Michigan Bell Telephone Company service truck, around 7:45 p.m., on M-21, west of Lowell.

Critically injured in the fiery crash was the driver of the Bell truck, Walter E. Glass, 39, of 1027 Evelyn, N.E., Grand Rapids, who sustained internal injuries, broken knee caps and a punctured lung.

Sgt. James Hutson of the Lowell Police Department, one of the first persons on-the-scene, suspected that the devastating impact of the two vehicles shattered the gas tank behind the passenger's seat in Vroma's truck, causing flames to completely engulf the cab of the truck. Dental records were used to identify the body.

Rescue units from Ada and Lowell spent more than half an hour using Hurst metal-cutting power tools to free Glass from his phone truck.

Sgt. Walter Hudenko of the Kent County Sheriff's Department said it appeared that Vroma's pickup was eastbound on M-21 when it crossed the center line and struck the west-bound service truck.

Mr. Vroma, aged 41, was born in Grand Rapids and had resided for the past several years in the Lowell area.

He was employed as a Die Cast Polish and Buffer at Attwood Corporation in Lowell, where he had worked since 1970.

Mr. Vroma was a member of the Attwood Golf League, an active volunteer in the Little League summer ball programs, played league softball, and was involved in the YMCA's Indian Guides and Princesses program.

The Rev. Father Richard J. Lawie of St. Mary's Catholic Church in Lowell conducted the Funeral Mass said on Friday, February 11, at the Roth-Gerst Funeral Home in Lowell. Mr. Vroma was laid to rest in St. Mary's Cemetery, Lowell.

He is survived by his wife, the former Lily Byrne; two sons, Steve and Phillip; a daughter, Christy, all at home; seven brothers, Robert, Eugene, John, Richard, Raymond and Gerald, all of Grand Rapids; and Gerritt of Youngstown, Florida; and three sisters, Mrs. Peter (Margaret) Spoolstra, Mrs. Peter (Ruth) Tol and Mrs. Leona Martindale, all of Grand Rapids.

in administrative costs, and Kropf refuted Warning's reference to big corporations stating that schools are totally different from a production type of business.

"When I first came on the board I too felt that schools should and could be operated on the same basis as any good business. For instance, in raising apples I know my projected costs for so many bushels and about what my profit will be. If I want more profit, I adjust my cost and raise more apples. But children are not apples and the whole school set-up just doesn't work that way," Kropf said.

"For example," he continued, "the state determined in 1972 that the local schools had to, by law, provide programs for specially handicapped students. In addition, some of the programs for handicapped children that were formerly operated by the state now had to be taken over by the local districts. There was no choice given to the school but the state when it first mandated the program, said, in effect, that the districts would be reimbursed for 75 percent of the cost. This year on what is a \$350,000 expense, the state has reimbursed Lowell Schools only 40 percent."

"In addition, our next state aid payment is now due but we received only half of it and were told that we won't get the other half for about six months. You can't ever run a normal business that way," he concluded.

Can See Need
Jim Gober next spoke up from the audience saying, "Why don't you ever tell us that those things happen? I can see why you need money if you run up against things like that very often. I couldn't run my business that way."

"Why don't you explain clearly what the situation is and then give us two or three alternatives," he suggested.

Supt. Leonard J. Sinke responded that Gober's suggestion was a good one and that a public meeting to answer any and all questions and to hear any and all suggestions had already been set up for next Monday, February 21, at 7:30 p.m., in the choir room of the Middle School. "We want the people to turn out and become interested," Sinke said. "We are trying to get to the people so that they will understand just what is at stake and that we are not threatening but simply facing facts."

Whatever the people want is what we will do, but the voters must have accurate information before they can make any decision. We don't want anyone to say, as they did last time, that they weren't told."

Saranac Bridge Project Is Officially Underway

Photo By Modern Photographics

Some of the Brown Brothers Construction Company's equipment is on site in Saranac. The Brown Brothers are the prime contractors on the new Grand River Bridge that is to be built in Saranac this year.

Representatives from the State Legislature, the Department of Highways and Transportation, and the Farmers Home Administration have joined officials from Saranac, neighboring Townships, and the County in ceremonies to officially mark the start of construction on a new bridge across the Grand River.

The ceremony followed the completion of the financial arrangements for the \$1,100,000

project. The new, 463-foot structure will replace two old bridges across the main channel and overflow area.

Saranac Village President Max Tullis expressed appreciation for the cooperation of "everyone who helped us get the project going, and to keep it going when it looked like we weren't going to be able to raise enough money."

The State and Federal governments allocated a total of

\$885,000 in grants. Boston and Keene Townships also supplemented the Village funds with contributions. A portion of the local share is financed with a low-interest loan in the amount of \$37,000 from the Farmers Home Administration.

Williams & Works of Grand Rapids are the consulting engineers and Brown Brothers, Inc. of Lansing are the contractors on the project.

Alton Bible Church Dedication this Sunday

Grand Valley Ledger - Thursday, February 17, 1977 - Page 4

The ultimate in interior design was used in the Church's new sanctuary.

Alton Bible Church members, from right, Allen Winsor, Don Viduan, Glenn Wittenbach, Paul Dallaske (pastor), Chuck Carlson, and Chuck Benjamin, in ground breaking ceremonies for the new church on May 16, 1976.

A service of dedication, open to the public, will be conducted on Sunday, February 20, at three o'clock in the afternoon at the Alton Bible Church, corner of Lincoln Lake Ave. and Three Mile Road, north of Lowell.

The Rev. Robert Mignard, pastor of the First Baptist Church of Oak Park, Michigan, and president of the Independent Fundamental Church of America Michigan Region, will be the dedication speaker. Special music will be provided by several individuals from the congregation.

The beginning... Early history books related that the beginning of the Alton Bible Church was made through the efforts of the Rev. Earl Gilmore of the Rural Bible Mission and the men from the Beran Baptist Church of Grand Rapids. The old church was reopened in 1939.

Sunday School began in 1940 with the assistance of Mr. and Mrs. Frank Peck and Mr. and Mrs. John Guaw. The first official Church Board was established in 1944, and consisted of Owen Ford, Elmer Wittenbach and John Guaw. The Rev. Alfred Anderson was the pastor at that time.

Under the leadership of the Rev. Fay Logan, Alton Church became a member of the Independent Fundamental Church of America in 1946. The Logans served the church until 1953 when they accepted a call to the Factoryville Church in Athens, Michigan.

The Rev. George Tuinstra, instructor at the Grand Rapids School of Bible and Music, served as interim pastor until September of that year. It was at this time that the Rev. and Mrs. Elton Mills accepted the call to the work. Alton was incorporated under his leadership. Charter members were Elmer and Pauline Wittenbach, Owen and Edna Ford, Paul and Gerri Nauta, Essie Baird, and John and Jean Guaw. Rev. Mills served the congregation until 1959.

Dedication ceremonies for the new Alton Bible Church will be held this Sunday, February 20, at 3 p.m.

The Rev. Donald Stone served as interim Pastor until 1960 when the Rev. Erwin Tuinstra assumed the duties of the church. He served for three years.

Between the years of 1963 and 1973, the following men have ministered to the congregation: Rev. Deann, Rev. Dean Blough, Dr. Harold Foss (currently instructor at the Moody Bible Institute), Rev. Gary Foster, and the Rev. Donald Manahan (currently instructor at the Grand Rapids School of the Bible and Music).

Under the leadership of Rev. Foster the current AWANA program of youth ministry began. Rev. Paul J. Dallaske assumed the duties of the pastorate in 1973 with his wife, Carol.

All Offices of The State Savings Bank Will Be Closed On Monday, February 21 in Observance of Washington's Birthday.

OPEN LETTER from DAVID GERST

Dear friends,

In selecting a funeral service, the desire to show loving respect for the departed, yet avoid later financial hardship to the survivors, these considerations will dictate a sensible choice of casket, vault, and clothing. A frank discussion with the funeral director, being mindful of the position of the deceased in the community and the financial situation of those who remain, should result in a satisfactory arrangement.

Respectfully,

David Gerst

Blood Donor Honored

Lowell resident Major Bogert, right, was one of those recently honored by the Grand Valley Blood Program as an outstanding donor. Bogert has voluntarily donated more than 5 gallons of blood in Kent County in the past few years.

Shown with Bogert is Mary Kleinbessel, a nurse at the Grand Valley Blood Program. They were photographed at a recent recognition ceremony held January 20th at Blodgett Medical Center by the Grand Valley Blood Program. Bogert is holding a plaque presented to him at that time.

Club Accepts State Flag

The Lowell Women's Club met February 9 in the lounge of the Schneider Manor, with President Mrs. Rommie Moore opening the meeting with the pledge of allegiance to the American flag.

The club is now the proud possessors of a Michigan flag, given to them by past president Mrs. Richmond, and at this time they also pledged allegiance to this flag. Mrs. Roth offered to give a staff for the flag, and Mrs. Dey offered a base. The club also gave a gift of money to the Lowell YMCA, and another to Girl's Town.

On February 17 several members of the Club will help and furnish a Valentine cake and cup cakes to the guests at the Cherry Creek Nursing Home for their monthly birthday party. Mrs. Ellis is chairman and has as her

committee Mrs. Yates, Mrs. Moore, Mrs. Fox and Mrs. Noteware.

The afternoon was then turned over to the program chairman, Mrs. Denny, and her associates. Mrs. Schutt read about Madam Curie, Mrs. Swanson about Dolle Madison, and Mrs. Denny about Michaelangelo. Each gave a detailed and interesting biography of each person. Thirty-three members enjoyed this program.

Mrs. Rose and her tea committee of Mrs. Roberts, Mrs. Scott, Mrs. Fox and Mrs. Bradshaw and Mrs. Siegle served tea from a "Patriot's Day" decorated table.

Get Dog Licenses Before March 1

John L. Damstra, Kent County Treasurer, has issued a reminder to all Kent County dog owners to obtain their dog licenses before March 1st to avoid penalties which will be added after that date.

The fee for a male or female dog is \$3; for an unsexed dog, \$1. After March 1st, Mr. Damstra stated, an additional \$5 penalty will be added to each license. For those who fail to obtain a dog license and are given a Citation by a Dog Census Official, the additional penalty will be \$10 for each license.

Mr. Damstra added that dog license applications are available by mail from the County Treasurer's Office simply by calling 774-3641 and requesting them, or by picking them up in person.

Rabies Certificates must accompany all dog license applications, according to Mr. Damstra. He urges all those who have not purchased their dog licenses to do so as quickly as possible to avoid penalties and inconvenience.

Legislators To Meet With Sno-Mobilers

Western Michigan's representatives of the Michigan Senate and House have been invited to attend the February 17 meeting of the Forest Hills Sno-Mobile Association to discuss the proposed Michigan Snowmobile and Recreational Trails Act, according to Leroy A. Smith, president of the Association.

"We want the opportunity to share our thoughts with our legislators, so we've decided the best way to do it would be to invite them to one of our meetings," Smith said. "In total, we have invited four senators and eight representatives to be with us."

The proposed legislation would provide over \$3 million annually in registration fees and state gas taxes to build and maintain snowmobile and recreational trails throughout the state. It would be accomplished through a grant-in-aid program to help counties provide the trails.

The meeting, to be hosted by Senator Robert VanderLaan, will be held at the Forest Hills Sno-Mobile Clubhouse, 6410 Knapp, N.E., Grand Rapids at 8 p.m. All interested snowmobilers are cordially invited to attend.
