Special Meeting Set For January 23

Despite sub-zero windchill, the January 9 board meeting was well attended. Board members passed a motion to hold a special meeting on January 23 devoted mainly to receiving a comprehensive report on Special Education presented by Roger Buck, Lowell's special education director and members of his staff. The public is urged to attend this meeting when special education services will be explained in detail.

Tusken Is Named To PCMA Helm

Roger Tusken, representing the Band Boosters, presented a letter to the board asking that after-school band activities not be considered extracurricular. Mr. Stark mentioned that band is a credited course and since grades, as well as individual skills and accomplishments are affected by outside performances, these functions are not extracurricular. He further requested on behalf of the Boosters that if there is difficulty in financing such activities, the club be allowed to attempt to secure the needed moneys. The board will consider this request at a future meeting; however, Superintendent Kelly pointed out that most parents feel similarly about any activity their children participate in. Board president David Miller commented that such needs point out the importance of public support of our request for operating millage in the next election.

Board members expressed strong opposition against centralized purchasing by the State of Michigan. Individual members felt that such purchasing would lead to loss of control and quality; that we would lose sight of dollars; and that local control and citizen interest would be lost.

On Ferris List . . .

He is Roger A. Tusken, executive director of the American Academy of Family Physicians, whose national headquarters is at 1740 West 92nd Street. Mr. Tusken was elected at the annual meeting of PCMA January 6 in San Antonio.

The PCMA promotes standards of performance on the part of sponsoring organizations, industries and agencies involved in the presentation of conventions. These groups include exhibitors, convention bureaus, hotels, auditoriums and service personnel.

Mr. Tusken has served as executive director of the AAFP since 1971. He has been employed by the national medical association in various executive positions since 1957. He was reared in Lowell, Mich., and is a graduate of Michigan State University.

The Lowell City Council with its newly elected councilmen met for the first time Tuesday, January 3.

Absent was one of the new councilmen, Howard Clack. Clack has taken a job in Arizona that will keep him away from his council duties until the end of April. There has been no decision by the council to either excuse Clack's absence or appoint someone to serve out his term.

The meeting was mainly an organizational one with the main item of business being the election of a mayor for a two year term. Bob Christiansen who was elected to the council for a four year term in 1975 has been the city's mayor for the last two years.

Dean Collins Elected Mayor

When the meeting was opened up for nominations, David Carter, one of the new councilmen, nominated Councilman Dean Collins for the mayor's job. The nomination was seconded by Councilman Art Warning, and was passed unanimously.

Collins was recently elected to a four year term. He has served on the council for the past two years, since his appointment in 1975 to fill an unexpired term left vacant when Dr. Herbert Mueller resigned.

Park Reservations Being Made Early

Even though the new year has just started, more than 40 reservations for the shelterhouse at Fallsburg Park have been made, reports William Wight, Kent County Park Department superintendent. "Fallsburg Park is one of the most popular in the County park system because of its size, scenic views, the Flat River and the covered bridge," he adds. Two other popular parks are Townsend Park that has more than 45 reservations so far, and Douglas Walker Park with more than 50, Wight states.

"Reservations, also being taken for a picnic area, are made on a first-come, first-served basis and that's why people make their arrangements early so they won't be disappointed," he says.

The picnic season starts May 1 and ends Sept. 30 and the shelterhouse "Season" is from May 1 through Oct. 31.

Unions, companies, churches, lodges, clubs and wedding receptions are typical groups that reserve a shelterhouse for a \$50 fee.

Wight explains that a picnic area which contains 16 tables seating 125 people, costs \$5, but persons can rent as many picnic areas as they wish at \$5 for each area.

Shelterhouse reservations include picnic tables inside and on the porch, kitchen and restrooms.

All reservations must be made with two weeks' notice, with payments due within five days after the initial date of reservation, Wight says.

Reservations can be made by telephoning the park department-774-3697-- weekdays between 8 a.m. and 4 p.m. —

New Ledger Deadlines

To help us at the Grand Valley Ledger meet our deadlines, we propose the following guidelines in regards to submitted material, including pictures.

The Ledger office is open from 8 a.m. to 5 p.m. on Monday, Tuesday, Wednesday and Fridays; until noon on Thursdays; and closed Saturdays. An article submitted after business hours or on a weekend can be pushed through a mail slot in the Ledger door at 105 N. Broadway Street.

Letter From Washington

Two major car manufacturers, Chrysler and Honda, have recently announced that they are recalling certain models to correct safety defects.

These announcements reflect a growing problem for consumers. It's difficult, if not impossible, for a car owner or prospective car owner to keep track of which vehicles have been recalled by their manufacturer for which reason.

Thus, I would like to bring to your attention a federal agency which can supply answers to car safety questions.

It's the National Highway Traffic Safety Administration, which set up an "Auto Safety Hotline" on a nationwide basis last September.

Owners can call day or night, seven days a week. Five people are on duty between 8:30 a.m. and 5 p.m., weekdays. At other times, you will receive a recorded message asking you to leave your name and telephone number.

When operators return to duty, they will call you back.

Home Health Care Course

Home nursing was a natural back at the turn of the century. Without sophisticated medical facilities, people experienced birth, sickness, injury and death at home.

Today, nearly every family at some time faces the problem of caring for someone sick or injured at home.

Both sessions will consist of six, two-hour classes. The first series of classes will meet consecutive Wednesdays beginning January 18th, from 1 p.m. to 3 p.m., at the Kent County Chapter House, 1050 Fuller, NE.

The next series of "Home Health Care" classes will meet Tuesdays from 7 p.m. to 9 p.m. at the Red Cross beginning February 21.

A wide variety of educational workshops will be offered during the convention, featuring many state and local officials and professional experts.

The workshops will cover annexation, campaign reporting, open meetings legislation, zoning, charter township administration, transportation financing, property tax tribunal, grants, community development, flood insurance, election, solid waste, cemetery management, and budgeting and accounting.

Red Arrows Lead Tri-River League

The Lowell Red Arrows baseball team, under first-year coach Bill Stouffer, are enjoying one of their best seasons in quite some time.

FLAT RIVER SNOWMOBILE CLUB OF LOWELL

Last Friday night, the Arrows took a 50-48 win from previously undefeated Coopersville to take over sole possession of first place in the Tri-River League.

Overall, it was the Red Arrow's seventh win in eight games. Not since the 1968-69 season has Lowell enjoyed a winning year, and not since 1964-65 have they laid claim to a championship.

In the game against Coopersville, the Arrows fell behind in the first quarter 12-6, but gained their momentum in the second to take a 20-19 lead at the half.

The game's final score was made with 11 seconds on the clock when Lowell's Ken Wittenbach stole the ball from the Broncos to score.

On the free throw line, a major factor in the game, Lowell hit eight out of 14 and Coopers-

Clubhouse. Members will be hosting a breakfast from 10 a.m. to 12 noon; adults \$2, children under 12 \$1 and under 5 free. So bring a friend and come out.

Arrows Lose Despite Well Played Game

The Lowell Red Arrows lost a well played game Thursday night to the East Grand Rapids Pioneers. The 10-3 score made it appear that Lowell was an easy push over for East, but anyone who watched the game knows differently.

Lowell outshot East by 8 shots (33-25), but it seemed as though there was nothing there to stop East's shots from scoring.

Lowell's Steve Ries was the first person to score in the game. He scored an unassisted goal with 8:15 left in the first period. 2:02 later Ries again scored, this time assisted by Greg Janeschek and Kevin Blanding.

Matt Pursley opened the scoring for East with assists from Rob Buske and Mike Reid. East's second goal was made by Buske assisted by Pursley with 1:02 left in the first period.

East's Bill Tyson scored an unassisted goal to open scoring in the second period. John

Sarniak scored Lowell's last goal for the evening unassisted. East went on to score seven more goals out of 15 shots.

Sarniak And Blanding Receive Hat Tricks

On Friday, December 30, the spectators watched as Lowell's hockey team skated to an 11-5 victory over Forest Hills Central.

John Sarniak got four goals and Kevin Blanding received three, giving both of them hat tricks. Other scorers for Lowell were Troy O'Neil, Steve Ries, and John Sarniak.

ROTARY NOTES

Jim Maatman led the "grace" before the meal for Lowell Rotarians at their noon meeting on January 4th.

Bob Kyser and David Coons led the men in singing "Auld Lang Syne" and other fellowship songs. Dean Bailey presided over the meeting.

Jr. Rotarians Kirk Haybarker and Greg Briggs were introduced to the Club.

YMCA Physical Director, Dan Ahearn of the Central YMCA in Grand Rapids was the day's speaker. Ahearn said that for the Rotarians whose New Year's resolutions related to physical fitness, he would give some do's and don't's of getting in good physical condition.

Emphasizing the importance of exercise and good health habits, Ahearn said that our mental skills can be at their best if our body is healthy and strong.

PEOPLE MORE IMPORTANT

One of the best ways to teach children that people are more important than things is to enjoy the children. The best way is to take time to talk and really listen to their ideas. Show interest in their friends. Get at the feeling level. That shows you're really interested.

Some people believed that emeralds quickened the intellect.

SAY IT WITH PATCHES

Patches are no longer the hallmark of hobos—they now decorate the most fashionable jeans outfits, and identify teenagers of good taste.

Iron-on patches bring new life to favorite jeans and shirts. Monogram patches in calico

prints decorate pockets; slogans and greetings cover frayed knees; hearts and faces smile from lapels. These iron-ons are fun to collect when you are on vacation, and create scrapbook effects.

Iron-on patches are easy to apply with an iron such as the new "Light 'n Easy" from General Electric. This new compact iron makes ironing a little more pleasant because it weighs only 1.6 pounds and yet does the same ironing jobs as heavier irons.

Now your teenager can wear those well-loved and well-worn jeans another year, with bright patches that create a fashionable new look.
