## Cruise to England via Lowell Rotary's travelogue

Lowell Rotarians invite you to take a "palace" to Europe when Monroe MacPherson presents his film, "To London and Around About England". Thursday, February 28 at 8 p.m. in the Lowell High School Auditorium.

The film is unique in that it takes viewers aboard the luxury liner Queen Elizabeth 2, popularly known as the QE 2, from downtown Manhattan, past the Statue of Liberty on her 10th Anniversary voyage across the Atlantic to Southampton, England in July of 1979.

Through special arrangement, MacPherson was able to film in areas of the giant liner that are off limits to regular passengers. MacPherson's camera was in action while the QE 2's famous chef and his staff were busy preparing the bountiful meals to be served to the more than 1,800 passengers.

MacPherson has spent a portion of five summers shooting film all over England, including London where viewers will witness the changing of the guard at

Buckingham Palace; visit Westminster Abbey; the Tower of London and take the short trip out of London to visit Windsor Castle, the largest occupied castle in the world.

After the London area, MacPherson takes viewers around the countryside to the White Cliffs of Dover, to the Cathedrals of Winchester and Salisbury, to Stonehenge, to historic Plymouth, then to the southern-most counties of Devon and Cornwall and ultimately to Lands End.

The circle widens as the beautiful countryside sweeps by the lens with a stop to tour the stately home known as Longleat in Wiltshire, the residence of the Marquess of Bath. A popular spa from the Roman Empire days will be seen in the city of Bath, established 44 AD. Portions of the legendary Roman baths still survive into the 20th century.

North from Bath, MacPherson takes travelers to the Cotswold region where nearly all of the buildings are built of honey colored sandstone. The villages in the Cotswolds, almost unchang-

ed through the centuries are extremely photogenic. From the Cotswolds to Blenheim Palace, the magnificent home of the Churchills, birthplace of Sir Winston is just a short drive which takes travelers through the area where thatched roofed cottages abound.

No tour of England could be considered complete without a visit to Stratford-Upon-Avon, the birthplace of William Shakespeare, where the beautiful setting on the banks of the Avon River and the historical buildings make the surroundings extremely pleasant.

North from Stratford is Blackpool, one of England's great entertainment and recreation meccas, not unlike Coney Island and Atlantic City in their heyday.

MacPherson, who owns and operates Radio Station WION in Ionia, will present the film February 28 in Lowell.

Tickets are \$2 and are available at State Savings Bank, Lippert Pharmacy, from all Lowell Rotarians, and at the door.

Lowell Rotarians are offering a cruise on the QE 2 to England for \$2. Well, actually, the cruise will be an armchair tour with Monroe MacPherson on Feb. 28 at 8 p.m. in the Lowell High School Auditorium. MacPherson's travelogues are a sure cure for the mid-winter blahs. MacPherson, owner of WION radio, will narrate his film.

**WRITE A LETTER**

Mayor Dean Collins has signed a proclamation designating February 24 through March 1 as Letter Writing Week in Lowell in conjunction with the National Letter Writing Week. According to Postmaster Charlie Doyle, the United States Post Office is hoping to direct the attention of the general public to the power of the written word in shaping opinions, lifting spirits, bridging distances between loved ones and preserving memories. It's a good time to write that good friend who moved away, to write that grandparent in the nursing home, to write the folks from college and NOT ask for money.

**RE-OPENING**

Lowell's Strand Theatre is re-opening this Friday showing National Lampoon's "Animal House" starring zany John Belushi.

**NOTICES**

It's that time of year again... time to review the tax roll and give residents an opportunity before a review board to ask questions and get answers. Notices from the city and area townships can be found on the legal pages of this issue with specific dates and times.

**BY DOGSLED??**

Somehow a Valentine from Marcella and Art Davis of Saranac got waylaid in the mails and reached the Ledger on Friday, Feb. 15. Apologies to Grandpa and Grandma and directions to their little "Poot and Scoot" to look in the Personals on the classified page for a belated Valentine.

**OFF THE BLOTTER**

Judith Wright was involved in a property damage accident on W. Main near the Norgas Co. on Tuesday, Feb. 12, when she experienced steering difficulty with her vehicle, left the roadway and hit a steel pipe.

Shirley Miller of Cascade collided with a vehicle driven by Jeffrey Stormzand on Hudson St. near Elm on Tuesday morning when Stormzand changed lanes.

William Green and Randy Poortvliet collided on Pleasant St. on Monday afternoon as Green was attempting to turn into a private drive.

Everett Ayers was struck broadside just east of Hudson St. on Main Sunday about noon by Darrell Beimers as Beimers was exiting a private drive.

Brian Duckett struck the trailer of a Pepsi-Cola truck on Hudson and Chatham Sts. on Wednesday. The truck was driven by Thomas Teft of Grand Rapids.

Apprehended on Saturday evening on W. Main St. was a 15-year-old juvenile runaway from Hubbardston by Lowell officers. He was released to the custody of his parents.

Six students from the Lowell Middle School will be suspended and two were referred to juvenile court after being involved in buying, selling and distributing marijuana. Action was taken after a lengthy investigation by school Administration and Lowell officers.

## 3rd annual LAAC play opens tonight

"The Haunting of Hill House", the Lowell Area Arts Council's third annual winter play, opens tonight at 7:30 p.m. with the public dress rehearsal on the stage at the Lowell Middle School.

With the set complete, costumes in order, and actors and actresses awaiting their cues, spirits are flying high in anticipation of the ghostly happenings at Hill House.

Saturday night's performance, as in years past, is a sell-out, although those wishing tickets for that night should contact Peggy Idema at 897-5658 to check on any last minute cancellations.

There are still several tables available for Friday night's performance. Both Friday and Saturday night's seats are reserved at a cost of \$3. Refreshments will be available both of these nights.

Tonight's dress rehearsal can be seen for \$1. Curtain time is 7:30 p.m.

Thursday's official opening night performance costs \$2 a ticket. Seats are arranged in traditional theatre rows for both Wednesday and Thursday performances, and tickets can be purchased at the door.

Thursday, Friday and Saturday nights' curtain time is 8 p.m.

Ticket information can be had at The Ledger office, That Special Place or by calling 897-5658.

If you have driven or walked along East Main Street this past week you may have seen the new set of Kiosk panels announcing "The Haunting of Hill House". These panels, done by Chris VanAntwerp and his

### Grochowalski-Roth Couple wed in Florida June wedding planned

**Georgie Ann Grochowalski**

A June 13 wedding is planned by Georgie Ann Grochowalski and Kenneth David Roth.

The bride-to-be is the daughter of Mr. and Mrs. George J. Grochowalski of Ada. The prospective bridegroom is the son of Mr. and Mrs. Allen F. Roth of Lowell.

Georgie is a graduate of Kendall School of Design and Ken graduated from Western Michigan University and Michigan State University.

### Couple wed in Florida

**Airman and Mrs. Scott P. McCambridge**

Melissa Susan Essex and Airman Scott Patrick McCambridge were united in marriage by Chaplain Travis Robinson at the Methodist Church at Eglin Air Force Base in Fort Walton Beach, Florida, on Saturday, February 9.

The new Mrs. McCambridge is the daughter of Mr. and Mrs. Robert Essex of 5 Mile Road in Ada. Her husband is the son of Mr. and Mrs. Vincent McCambridge of Kentwood, formerly of Lowell.

Mary Catherine Conlin, cousin of the bride, was Maid of Honor and Ray Dehn served as Best Man.

A reception was held following the ceremony at the base NCO Club.

The couple now resides at Deerland Trailer Park in Niveville, Florida.

### Drug abuse discussed at WC

Lowell Police Chief Barry Emmons spoke to the Womens Club on Feb. 13 about drug abuse and the problem in Lowell and the surrounding areas.

Emmons also showed two different films about drugs and showed members examples of drug capsules, pills and marijuana and the paraphernalia which is used.

Chief Emmons and members of the department show these films in the schools and try to counsel with students and parents.

A gift of money was donated to the Lowell YMCA, to Schneider Manor and to Girls Town which is one of the projects of the Michigan Federation of Womens Clubs.

On Feb. 21, several members will furnish refreshments and help serve the birthday guests at Cherry Creek. Mrs. Mary Yost will continue her mini-report on international affairs at the March meeting. Mrs. Byron Weeks' guest was her daughter, Mrs. R. M. (Susan) Doyle.

Our sponsor Mrs. Stauffer and her tea committee chairman Mrs. McPherson, with Mrs. Carl Kroff, Mrs. Bauer, Mrs. Campos, Mrs. Lussmeyer and Mrs. Cridler, served a beautiful traditional Valentine refreshment at our social hour. Mrs. G. H. Noteware.

**HOT IDEA**

America's first steam fire engine was tested in New York City on March 27, 1841. Designed and built by Paul R. Hodge, the vehicle was 14 feet long, weighed eight tons and took two draught horses to pull it on level ground. It was later abandoned when firemen realized sparks from the engine's stacks were starting more fires.

### Reflections From Outer Space

By Rev. Jerry Bates

Things aren't always what they seem!

I am reminded of the story of the blind men. Three blind men were taken to a circus and shown an elephant. One of the blind men happened to get hold of the elephant's tail and said, "An elephant is like a rope."

Another one of the blind men was near a leg. When he touched the leg he exclaimed, "An elephant is like a tree."

The third blind man, stumbled and fell against the elephant's side, and immediately decided, quite definitely, that the "elephant is like a wall."

Now all of us know that it was not like it seemed to them at all. We know that an elephant is not like a rope, certainly he is not like a tree, and the elephant is more than a wall. I understand that you could not change any of the blindmen's ideas about what an elephant was like.

All of the things we see are seen through eyes that are trained to see certain things. My wife and I can look at a tree and one of us says it is green and the other says it is spring green. Both of us have seen the same tree, but because Mardelle is more conscious of shades of color than I, she thinks "spring green". (Now you know why it is that my clothes do not always match. The days they don't match, I haven't asked to Mardelle.)

Keep the love flowing . . .  
Jerry

### HOMESPUN DEVOTIONS

by Pauline E. Spray

The Lord lift up his countenance upon thee, and give thee peace (Numbers 6:26).

"Do you ever feel confused—like your brains were scrambled?"

"Yes." I was able to reply. "I know just what you mean."

There are some days when a person just doesn't know what to do first. It seems a million and one things scream to be done all at once, and it is difficult to decide which should come first. I have found it helps tremendously to sit down with pencil and paper and list each thing—big and small—that needs attention. Somehow, if for no other reason, this simple procedure clears my mind. Then I begin on the list, taking care of the items in order of their importance. It's amazing how much more I am able to accomplish and with greater equanimity.

There are times in our lives when we are thrown into temporary periods of indecision and confusion. But we need not stay in this state. God is not the author of confusion. He has promised perfect peace to those who keep their minds on Him. Loving Him is most important of all. All else is secondary. We can enjoy His peace when we honor God by putting "first things first."

## Saranac may ease scholarship rules Local gymnast competes in State meet

Qualifications for a Saranac scholarship may be relaxed in view of the minor limitations attached to a recent \$250,000 scholarship program willed to the district by a Saranac farmer.

Saranac School Superintendent Earl Cady proposed to the school board Thursday night that many restrictions be eased on another scholarship,

which results in two \$500 presentations annually. Cady told the board the \$250,000 scholarship program, willed by long-time Saranac resident, George Eddy, has very few restrictions. By maintaining restrictions on the other scholarship, which is in the name of former school principal Donald Sharritts, Cady explained

very few persons would apply for it since they would have a better chance at obtaining money through the Eddy program.

Although Cady did not formally present the changes in the Sharritts program to the board, he outlined his proposals and told board members the changes would be on the agenda for their Feb. 21 meeting.

At present, in order to qualify for the Sharritts scholarship, students must demonstrate financial need and a good academic record. Cady explained he is proposing those qualifications be eased to the point where—instead of being mandatory—they would serve more as considerations for the committee which awards the scholarship.

Guidelines for awarding the Sharritts scholarship are determined by the board, while guidelines for the Eddy

scholarship program are outlined in Eddy's will. Those guidelines include the naming of a committee responsible for awarding the more than \$20,000 which, Cady told the board, the estate is expected to produce annually.

After a January meeting, Cady said the three decided to make the scholarship awards in sums of at least \$1,000. "We figured \$500 would be pretty useless nowadays," Cady said.

With at least \$20,000 expected annually, Cady told the council, "that means we'll have about 20 scholarships a year. There are not many school districts that are that lucky."

### Off The Blotter

### in State meet

Selina Stahl

Selina Stahl, age 14, daughter of Mr. and Mrs. Larry Stahl of 11554 Ware Rd., Lowell, competed in the USGF Class III A State Gymnastics Championships on Sunday, February 10. There were 170 gymnasts from all over the State of Michigan competing for titles. The big meet was hosted by the town of Dewitt.

Selina's balance beam performance brought a score of 8.60, giving her a second place. She received an excellent score of 9.00 on the floor exercise which gave her another silver medal. The gold medalist in floor exercise won with a score of 9.05.

Selina takes gymnastics at Superior Gymnastics Club of Kentwood and has been a gymnast for two and a half years. She plans to attend Central Michigan University to extend her gymnastics knowledge and skills. She is currently an eighth grader at Saranac Community Schools.

## McGrew cinches win over Pioneers, 5-3

Arrow Bob McGrew had one of his best nights on the ice last Thursday against top-rated East Grand Rapids Pioneers. He had three of Lowell's 5 goals and assisted on the other two. Here McGrew and teammate Paul Whaley close on the East goal as McGrew puts the puck into the net.

Lowell Red Arrow hockey team pulled out a remarkable win over the favored East Grand Rapids Pioneers last Thursday, Feb. 14. Excellent goal tending by Arrow Jon Vezino and persistent scoring by Arrow Bob McGrew sealed the 5-3 victory.

The Pioneers outshot the Arrows 30-17 but Vezino

turned back 27 of those shots on goal to keep the Arrows in the running. McGrew put in three goals and assisted in the other two to spark the Arrow scoring drive.

The Arrows scored first at the four minute mark in the game on a goal by McGrew assisted by Brad Shamblyn. Lowell scored again with two

minutes left in the second period on a goal by Dan Sarniak assisted by Kerry Kyser and McGrew. East GR scored less than a minute later to make it 2-1 at the end of the period.

Lowell scored midway through the third period to take a 3-1 lead on an unassisted goal by McGrew.

## JVs lose heartbreaker, 57-55

The Lowell JV basketball team lost a heartbreaker against the Lakewood Vikings last Friday, Feb. 15, 57-55. The Arrows, whose conference standing is 8-3, gave the Vikings with a 10-1 record, a tough fight up to the last seconds of the game.

The first quarter opened with Arrow Bob Schrenk dropping in a long shot. From that point the ball changed hands several times but by the 2:40 mark the Arrows had pulled out a three point lead, 10-7. The quarter closed with Arrows taking a close 16-15 lead.

The second quarter saw

but neither could score until the Vikings dropped in two at the 6:30 mark. Arrows Burdette, Quiggle and Lowery put in six points to take a 23-19 lead. The remainder of the quarter saw the ball on both sides of the court and the Arrows topped the Vikings 31-27 at the half.

Paul Durkee made the first two points of the third quarter for Lakewood, but Schrenk came back for the Arrows. The Vikings then pulled ahead with a Jay up.

At the 1:05 mark the Arrows led 43-42, but a technical foul against Lowell allowed Lakewood three points. In the last seconds of

the quarter Caldwell hit on a long shot for the Arrows to tie up the game 45-45.

With 1:17 remaining, the Vikings led 57-51. Beacher tossed in four points and the Arrows only trailed by two points. Lowell then had control of the ball with six seconds remaining, but the Vikings held the Arrows off as time ran out for the 57-55 win.

Bob Schrenk led the Arrows with 19 points and seven rebounds. Duke Burdette added 10 points and 10 rebounds. Phil Beacher had four assists.—K. Lambert.

## Spikers beat CCC and flu bug

It took most of the night to complete the three-game match against Carson City-Crystal, but the Saranac Redskins varsity volleyball squad finally prevailed, 8-15, 15-9, 15-9. Thursday night Feb. 15.

The victory was the ninth overall in 11 starts for Saranac coach Annette Schneider's squad, which was beset by illness against Carson City.

"Only six of my players were out on the court," Schneider said. "And two of those players were playing with a fever."

Debbie Stuart led the Saranac scoring with 12 points and Monty Hayden tallied 11.

Thursday, the Redskins host a tough Lakeview team, illness against Carson City.

## Saranac locks up Tri Central title for third straight year!

For the second time in as many meetings with Carson City-Crystal, Saranac Ben Tower couldn't finish the game. But this time, Tower and his Redskin teammates emerged victorious over the visiting Eagles, 70-65, Tuesday night, Feb. 12.

In their first meeting, Tower was involved in trying to break up a fight which had erupted between members of the two teams and was ejected from the game. Tuesday, Tower stayed long enough to assert his dominance, scoring 28 points, hauling down 18 rebounds and

making three assists before fouling out with 2:30 remaining in the game.

Saranac, now 14-2 overall and 10-1 in the Tri Central Athletic Association, has clinched a tie for the conference championship with that victory and Montabella's 72-62 loss at Portland, according to Otto Laabs, official statistician for the Redskins.

The game was close from the outset, with Carson City jumping off to a quick lead before Tower converted a three-point play with 2:12 left in the first quarter to give Saranac a 12-10 lead and put

them ahead for the rest of the game. The Redskin lead grew to as much as 10 points in the third quarter, but the Eagles always retaliated with a flurry of points to keep the game close.

Ted Hellman hit both ends of a one-and-one with 1:06 remaining in the game to give the Redskins a 68-61 bulge, and Scott Metternick followed suit with only five seconds left by hitting both of his two free throws to ice the victory. Metternick, playing probably his finest game, scored 22 points, including a 12-for-14 free throw performance,

and dished off for three assists.

Craig Coulson also hit in double figures for Saranac, dropping in 12 points. Both Metternick and Coulson played much of the second half with four fouls apiece.

Saranac hit 22 of 47 field goals for the game, along with 26 of 36 free throws.

\*\*\*

Senior center Ben Tower hit a 12-foot jumper with two seconds remaining to give the Saranac Redskins a nerve-racking 54-52 Tri Central Athletic Association victory over Vestaburg Friday night.

The victory gives Saranac the undisputed claim to the league championship, the third consecutive year the Redskins have locked the title up. Saranac is now 15-2 overall and 11-1 in the conference.

The Redskins jumped out to a 15-9 first-quarter lead before Vestaburg outscored Saranac, 23-18 in the second period to close the halftime gap to 33-32 in favor of the Redskins.

Vestaburg then applied slowdown tactics in the third quarter to outscore Saranac, 10-9, and knot the score at 42 going into the final, hectic stanza.

With Saranac leading 52-50 and only 16 seconds remaining in the game, 6-6 Vestaburg center Harry McClellan hit a field goal to tie the score at 52.

That set the stage for Tower's late-game heroics and an unsuccessful attempt at the buzzer by McClellan to send the game into overtime.

Tower, playing the entire fourth quarter with four fouls, paced the winners with 21 points, including a five-for-five free throw performance to go along with his 11 rebounds and three assists.

Lionel Haskins chalked up 10 points and nine rebounds. Scott Metternick and Ted Hellman, eight points each, rounded out the Saranac scoring. Hellman also doled out four assists.

Saranac meshed 23 of its 43 field goal tries and eight of nine free throw attempts, while Vestaburg hit 22 field goals and eight of 11 charity tosses.

## Champion Vikes crush LHS, 88-34

The number two state-ranked Lakewood Vikings clinched the Tri-River Conference championship for the second straight year with a smashing 88-34 slaughter of Lowell Friday night. The Viking home fans packed the Lakewood gymnasium to watch the Viking's most lopsided victory of the season.

Lakewood jumped out to a 10-0 lead, and the pace rarely slackened after that. The Vikings held a 16-4 lead at the end of the quarter. Dave Wittenbach scored all four Lowell points.

In the second period, Lakewood outscored the Red Arrows, 17-9, to take a 33-13 lead into the dressing room.

The Vikings came out for the second half and proceeded to outscore Lowell 24-2 at the outset. Viking Coach Rolly Krauss began his substitutions early.

The third period was the most costly for Lowell as they were outshot and outrebounced each time down the floor. Every Red Arrow basket

was answered by the Vikings. Lakewood outscored their guests 30-6 in the period for a 63-19 lead at the end of the third act.

Lowell is now 4-8 in the Tri River Conference.

## Check wiring before insulating

As part of its efforts to ensure that consumers save energy safely, the staff of the U.S. Consumer Product Safety Commission has warned consumers of the potential fire hazard associated with home electrical systems.

Before installing any thermal insulation, consumers first should look for any signs of electrical wiring problems. These may include the frequent blowing of fuses or tripping of circuit-breakers, flickering of light bulbs, or electric outlet covers or switch plates which become hot.

## Arthritis meeting Feb. 26

"Most people think of aspirin as a mild analgesic, but it really can be a very potent drug," reports Thomas Stigter, Head Pharmacist at the Ionia Hospital. Stigter will present a program about drugs and arthritis on February 26, 7:30 p.m. at the Pine Vista Apartments, 667 Union, Ionia.

"Aspirin originally was developed specifically for the treatment of rheumatoid arthritis and continues to be the best medication for most people afflicted with this potentially crippling disease," states Mr. Stigter.

Mr. Stigter has been working at the Ionia Hospital since 1971. He received his degree in pharmacy at Ferris State College. Mr. Stigter will be discussing the most commonly used drugs prescribed for treatment and how the drug relieves arthritis symptoms. The program will also include: side effects of drugs, generic drugs, and F.D.A. requirements for testing them.

The program is sponsored by the Ionia Arthritis Volunteer Unit and the program is FREE to the public.

By Roger Brown

My parents gave my family a weekend package plan at a Grand Rapids hotel as a Christmas present, and we used it last weekend. The plan included a poolside room for two nights and of course the use of the pool, sauna, whirlpool, sun lamps, shuffleboard, ping pong and other games.

It was great. I discovered after some experimentation, a treatment that really worked. First I spent about twenty minutes in the whirlpool. Then came a couple of quick laps across the swimming pool, followed by about twenty minutes in the sauna. After that, I headed for the room to mix myself a little fortification for another round of the same.

As I said, "It was great". Not only did the sauna, whirlpool, etc., do wonders for me physically, they also did quite a job at washing away the tensions and anxieties built up by running the Ledger.

Twenty minutes in the whirlpool and I forgot all about the rate mother who called and said that the Ledger wasn't doing an adequate job covering the high school sport that her son was involved in. Because of this, she was thereby cancelling her husband's ad in the Ledger.

A couple of laps across the pool washed away all thoughts of the phone call commending us on the fine job that we did printing an expensive letterhead for a firm in Grand Rapids. The caller went on to ask us to please reprint the job, as we had spelled one of the partners' name wrong.

About twenty minutes in the sauna made me temporarily forget about the phone call from the Kent County official informing me that the Ledger had been just slightly underbid by another newspaper for printing the monthly proceedings of the board of commissioners. He thanked me for the fine job that we had done the two previous years and said that he looked forward to receiving my bid in three years, which was new policy (we had to bid it annually in the past).

And of course, a little something in a cocktail glass never hurts, and I started to forget all about the woman who cancelled her father's ad because she was involved in an auto accident and didn't want her name to appear in our "off the lotter" column. We told her that if it came through on the office report, it had to go into the Ledger and the ad was cancelled.

As I said, this whole treatment was great, but I only get to about once a year and my problems occur at a rate of at least one a day. So, my thinking is, we've got some room in the warehouse next door that would be just right for a whirlpool, sauna, and a well stocked bar. When I get one of these disturbing phone calls, I could just run over to my little spa and forget all about it before it has a chance to get to me.

Paying for this little venture is no problem either, when the ad due notices come in, I'd just rip 'em up, jump in the whirlpool and forget about 'em.

## Get dog license by March 1

John L. Damstra, Kent County Treasurer, today issued a reminder to all Kent County dog owners to obtain their dog licenses by March 1 to avoid penalties which will be added after that date.

He urges all those who have not purchased their dog licenses to do so as quickly as possible to avoid penalties and inconvenience.

The fee for a male or female dog is \$6; for an unsexed dog, \$2. After March 1, an additional \$5 penalty will be added to each license. For those who fail to obtain a dog license and are given a Citation by a Dog Census Official, the additional penalty will be \$15 for each license.

Dog license applications are available by mail from the County Treasurer's Office simply by calling 774-3641 and requesting them, or by picking them up in person. Dog licenses may also be purchased from all Township and City Treasurers and from the County Animal Shelter. Rabies Certificate must accompany all dog license applications, along with proof of spaying or neutering where applicable.

THANK YOU

**If we don't thank you, we'll pay you.**

If you're a First Security Bank customer, you already know how hard we try to please you.

But there are times, perhaps, when the hour is getting late and we might forget to thank you for your business.

It's understandable. But it's not good enough for us. So we've started a new policy to make sure you get

the attention you deserve. If any of us—from a teller to our president—fails to say "Thank you" when you've done business at our bank, we'll deposit a dollar in your account—either checking or savings, your choice.

Come on in and try to catch us. You'll have to be sharp, though; because we'd rather please you than pay you.

## if it fitz'

By Jim Fitzgerald

At one of those huge, semi-public cocktail parties the other evening, I suddenly found myself standing next to Mickey Lolich, the baseball pitcher, and I was instantly reminded of the day I severely stretched the duties of fatherhood in a magnificent attempt to become a hero to my son.

It happened in 1968, the year Lolich won three games and hit a home run for the Detroit Tigers in the World Series against St. Louis. One afternoon in the middle of that glorious summer, the famous Mickey Lolich was scheduled to visit my little hometown, Lapeer. All I could think of was Charlie Gehringer and how this was my chance to impress my son the same way my father had impressed me 32 years earlier.

Gehringer was a marvelous second baseman during the Tigers' greatest hours, in the 1930s, when they won two pennants and were always near the top, battling the lousy Yankees for pride and glory, not for money and the chance to make a TV commercial. Players didn't have agents in those days, owners weren't bribed with tax money to move their teams to a new city overnight, and life was much sweeter for the fans.

Gehringer played badminton in the winter to keep in shape. In 1936, someone got him to play an exhibition for charity in the Elks Temple in my town. My dad was an Elk. He took me right up to Gehringer and said, "I'd like you to meet my son. He is your greatest fan."

I was 10 years old. Charlie Gehringer smiled and shook my hand and gave me his autograph. I haven't felt so good since. Besides being thrilled at actually touching an old hero, I had also gained a new hero—my dad.

Anyone who could walk up to Charlie Gehringer like that, and get him to speak to a little kid—that was some kind of dad. I was so grateful to him I swore off shoplifting for life, which lasted three weeks.

So 32 years later, when I heard Mickey Lolich was coming to town, I recognized my chance to impress my son with what an important man his dad was. Eddie was the same age I was when Charlie Gehringer and I were buddies. I knew he'd be eager to meet a real live Tiger. I discovered where Lolich could be—right outside my office!—and at what time. I told Eddie to show up and he'd get to shake hands with his favorite pitcher. The kid seemed really excited, and he promised to be there.

But Eddie didn't show up. I met Lolich and figured he probably wondered why I kept looking up and down the street. I even sent friends searching for Eddie, to no avail. I phoned home but he wasn't there. Was that rotten little kid going to spoil my chance to be his hero?

Yes, he strolled into my office two hours after Lolich left. He said he had gotten busy playing baseball and forgotten about meeting Lolich.

I'm sure that was a moral there. Something about it being better to participate than spectate, which is not spit. That day, some day a guy might give autographs, not collect them. But I was in no mood for morals.

"Get in the car," I told Eddie. "I know where Lolich is sitting and you are going to meet him. I am going to be your hero whether you like it or not."

Eddie finally got Lolich's autograph, along with some gracious conversation.

That was in 1968. When next I met Lolich, at that 1980 cocktail party, I was naturally eager to reminisce. I thought Mickey might be interested to learn that Eddie is now 21 and known as Nerd. He just dropped out of college so he could spend the winter working in a liquor store in Minnesota, a love that explains the change in name. In July, he probably will move to Florida.

Lolich didn't remember ever meeting Eddie or me, which isn't surprising. A big leaguer meets a lot of hero worshippers who are easily forgotten. But Lolich swore he had never even seen in Lapeer, which is only 40 miles from his home. He had forgotten our whole town, population 6,000.

I told Lolich I had taken his picture for the Lapeer newspaper and he had cupped his pitching hand so readers couldn't see he was holding a cigarette. I told him that photo was still hanging in my home. He still couldn't remember ever being in Lapeer. It's not easy being a hero.

If Charlie Gehringer can't remember ever playing badminton at the Elks Temple in Port Huron, Mich., population 3,000, I don't want to hear about it.

### New County maps

available Feb. 29

Michigan Lithographing Co. of Grand Rapids, low of our bidders at \$4,100, has been awarded the contract for 30,000 county maps by the Kent County Road Commission, reports James Fort, KCRC manager.

The maps will have no changes from the 1979 maps, he says.

"The reason is that any changes that might have been made are minor and to save money, the commission decided to use the same plates this year as last year," Fort explains.

The maps will be available Feb. 29 at no charge at the commission office, 1500 Scribner Ave. NW, Grand Rapids; at the offices of the county clerk, treasurer and sheriff, and at the West Michigan Tourist Association, 136 East Fulton St., Grand Rapids.

## LAST YEAR, THE JONES FAMILY FOUND LIFE AT 65 VERY REWARDING.

This winter, the Jones family has found that from a comfort point of view, life at 65° isn't much different than life at 70°. But it is a whole lot more rewarding.

By dialing down from 70° to 65° the Joneses saved 15 percent of their space heating fuel consumption. They did even better by dialing down further at night and when they weren't home.

Overall, the Joneses saved enough money to buy themselves some things they wouldn't have been able to afford otherwise.

You can do the same. By dialing down wisely, you could reduce your space heating fuel consumption by 3% for each degree. You might not even notice the difference, especially if you're busy enjoying the things you bought with the money you saved.

## State Savings Bank announces two ways to earn more savings interest than ever before!

New 2½-year, \$1,000 minimum, Time Certificate of Deposit.

An attractive alternative for savers with less than \$10,000.

If you can afford to keep at least \$1,000 on deposit for a full 2½ years, we think you'll find that our new 2½ Year Certificate of Deposit is an attractive alternative to \$10,000 short-term instruments. A minimum deposit of just \$1,000 earns an exceptionally high annual interest rate that is guaranteed for 2½ years. Rates paid on new deposits are quoted monthly but remain in effect until maturity. Federal regulations require substantial interest penalty for early withdrawal. The rate on 2½ Year Certificate of Deposits for February, 1980 is 10.40% annual interest.

Now, all Premium Investment Accounts earn 5¾% annual interest rate.

All existing 90 Day Time Deposit Passbook accounts automatically earn our new 5¾% Annual Interest Rate as of January 1, 1980. Your money works harder for you when you open a Time Deposit Account with as little as \$100 and add to it any time. Savings must be kept on deposit for 90 days or more; interest is forfeited for deposits withdrawn prior to the full 90 day period.

**75th Anniversary for Rotary Int.**

Rotary International celebrates its 75th anniversary this winter. Lowell Rotary also is 45 years old this year.

Paul Harris and six other young energetic and visionary professional and business leaders, after many informal discussions on how best to serve their fellow men in their growing city, decided to bind themselves together and thus provide an effective organization to improve their mushrooming city. Their dream spread until today there are now many service organizations throughout the world. Rotary itself has 853,000 members in 18,374 clubs located in 154 countries and geographical regions.

Lowell's Rotary Club was promoted and started by Lowell Ledger publisher R. G. Jefferies, working with the Hastings Club in 1935 with Mort Townsend being the advance man from the Hastings Club. The first meeting was held on Feb. 23 with Charter Night being March 17, 1935.

This year the Lowell Club celebrates its own 45th, and Rotary's 75th, with civic leader and retired auto dealer Leonard Jackson as president. Plans are being formulated to make this local celebration a community enterprise. Details will be released in the near future in the Ledger.

**LEARN MORE ABOUT GRAND VALLEY STATE**

High School, community and junior college students and others interested in learning about academic programs offered by Grand Valley State are invited to attend an informal reception on Thursday, March 6. The event will be held in the Campus Center from 7:30-9:30 p.m.

Faculty members, students, and representatives of Grand Valley's admissions, financial aid, placement, housing and athletic departments will be available to answer questions.

**MSU rodeo this weekend**

Several midwestern universities are slated to compete in the Michigan State University Intercollegiate Rodeo, Feb. 22-24.

The three-day affair which is expected to attract several thousand spectators will be held in the MS Livestock Pavilion. Rodeo teams from North and South Dakota, Wisconsin, Iowa, Minnesota and Nebraska will compete against the MS team.

Rodeo events will include saddle and bareback bron riding, calf roping, steer wrestling, team roping and Brahma bull riding for men and barrel racing, goat tying and breakaway calf roping for women.

Performances will be held at 8 p.m. Feb. 22; at 2 p.m. and 8 p.m. Feb. 23; and at 8 p.m. Feb. 24. Tickets range from \$2.50 to \$4.50 per person. Special rates are available for youth groups 10 or more.

**Feb. 29 last day for plates by mail**

Secretary of State Richard H. Austin today reminded vehicle owners that February 29th is the last day for purchasing 1980 license plate tabs by mail.

Between now and the Michigan motorists have opportunity to save time and money—as well as to avoid being caught in the traditional "March madness" for the purchase of license plate tabs.

"Although our 214 Secretary of State branch offices are generally located so vehicle owners are within miles of an office, the 40 mile round trip to purchase plate tabs now could cost as much as three or four dollars in gasoline."

"For the price of a postage stamp, vehicle owners can purchase their plate tabs by mail and at the same time avoid being caught in the 15 minute plate tab rush."

According to Austin, 1980 mail sales are running 18 percent ahead of 1979 mail sales. Mail sales ended Feb. 1 for commercial vehicles, pickup trucks and trailers with no registrations required March 1, 1980. Mail sales for passenger cars and motorcycles ends Feb. 29 with no registrations required by April 1.

**THIRD AMENDMENT TO GRATTAN TOWNSHIP SANITARY SEWER ORDINANCE**

At a monthly meeting of the Township Board of the Township of Grattan, Kent County, Michigan, held in the Township Hall in said Township on February 11, 1980 at Eight o'clock P.M.

PRESENT: Slowinski, Lamoreau, Maidens, Malone, Byrne  
ABSENT: 0.

The Township Clerk presented to the Township Board an ordinance pertaining to sewage disposal and sewers and sewerage in the Township.

Lamoreaux introduced Ordinance / No. 80-1 entitled:

**AN ORDINANCE TO AMEND ORDINANCE NO. 78-3 ADOPTED FEBRUARY 13, 1978, KNOWN AS THE GRATTAN TOWNSHIP SANITARY SEWER ORDINANCE.**

The ordinance was then read the first and second times by title.

It was moved by Byrne and seconded by Malone, that said Ordinance be read and placed upon the order of final passage which motion was adopted by the following vote:

YEAS: All.  
NAYS: None.

The ordinance was then read.

It was moved by Slowinski and seconded by Maidens that Ordinance No. 80-1 entitled:

**AN ORDINANCE TO AMEND ORDINANCE NO. 78-3 ADOPTED FEBRUARY 13, 1978, KNOWN AS THE GRATTAN TOWNSHIP SANITARY SEWER ORDINANCE**

be adopted.

YEAS: Slowinski, Maidens, Malone, Byrne, Lamoreaux.  
NAYS: 0.

The Supervisor declared the ordinance adopted. The following is Ordinance No. 80-1 as adopted.

**ORDINANCE NO. 80-1**

**AN ORDINANCE TO AMEND ORDINANCE NO. 78-3 ADOPTED FEBRUARY 13, 1978, KNOWN AS THE GRATTAN TOWNSHIP SANITARY SEWER ORDINANCE.**

THE TOWNSHIP OF GRATTAN ORDAINS:

Section 1.01 That Section 1.01 (q, r, s and t) be added to the Grattan Township Sanitary Sewer

Ordinance as follows:

**Section 1.01 [q]**

"Operation and Maintenance" shall include all costs, direct and indirect, necessary to provide adequate wastewater collection, transport and treatment on a continuing basis and produce discharges to receiving waters that conform with all related Federal, State and local requirements. (These costs include replacement.)

**Section 1.01 [r]**

"Replacement Charge" are expenditures for obtaining and installing equipment, accessories, or appurtenances which are necessary during the service life of the treatment works to maintain the capacity and performance for which such works were designed and constructed. The term "operation and maintenance" includes replacement.

**Section 1.01 [s]**

The "Debt Service Charge" is a charge to offset all or a portion of the capital costs of the installation of sanitary sewer collection and/or treatment facilities.

**Section 1.01 [t]**

"Normal Domestic Sewage" shall be considered sewage in which the B.O.D. (biological oxygen demand) does not exceed 300 milligrams per liter (Mgl) or 300 milligrams per liter of suspended solids (SS). The quantity of flow is that which is equal to that flowing daily from a typical residential household.

Section 1.02 In all other particulars, the Grattan Township Sanitary Sewer Ordinance shall remain in full force and effect as adopted.

Section 1.03 This Ordinance is hereby declared to be an emergency Ordinance which is immediately necessary for the preservation of public peace, health and safety and shall become effective immediately upon publication in full in a newspaper published or circulated in said Township.

Made and passed by the Township Board of the Township of Grattan, County of Kent, Michigan this 11th day of February, 1980.

## Board Proceedings

**LOWELL AREA SCHOOLS BOARD OF EDUCATION Regular School Board Meeting February 11, 1980**  
The Board approved payment of general fund bills totaling \$42,387.78.  
The Superintendent reported that, as in the past, all of the school buses passed the state police inspection. President Kropf appointed Wayne Dowling to serve as the board's voting delegate, with Dr. Dumas as alternate, at the Kent Intermediate School District's Budget Hearing, February 28, 1980.  
Superintendent Kelly led a discussion on elementary class loads and attendance area problems. Board members agreed to schedule a Public Meeting for March 3, with a school Newsletter to go out before that time, alerting people to the meeting. Parents whose children might be involved in a change will receive individual letters prior to the meeting.  
Dick Korb, senior high school assistant principal, discussed a discipline report covering this year's first semester, and also a comparison study of the suspensions over the last three years.  
The Board passed motions approving high school and community education classes for the present school year; authorizing a change of signatures on checks, and authorizing the Personnel Committee to execute a contract with George Jacob, Assistant Superintendent for Business and Personnel.  
Don Kelly reported on the child accounting audit conducted by a state official. At the present time, it appears a total of 1.52 memberships will be lost. Pending meetings were discussed, with adjournment at 9:50 p.m.

## Hill House cont'd.

Saranac High School art students, feature a drawing of the old Bergin home on the corner of Spring and Amity. This is a copy of a drawing done by Grand Rapids artist Reynold Weidenaar, who has allowed the Arts Council to reproduce it without charge on the Kiosk panels, as well as on the play program

cover, designed by Kathie Quada. While we are not suggesting that this home is haunted, you will find that Hill House is haunted as you enjoy the Arts Council play Wednesday through Saturday this week.

## Officers tapped for new group

The newly formed Lowell Area Business Association met on Wednesday evening last week and discussion centered on whether to form a new commerce organization or to somehow use this new interest to revitalize the Chamber of Commerce.

The group decided to elect officers for their LABA on a temporary (90-day) basis as they pursued further discus-

sion of the question. Elected were: Jim Maatman of Modern Photographics, president; Stanlee Johnson of Riverside Fireplace Shoppe, vice president; Sharon Sanford of Silent Partner, secretary-treasurer.

One item to emerge from the meeting was the need for a brochure which would attractively point out Lowell's strong points for commercial and industrial interests and for those wishing to relocate in the area. The LABA voted to begin planning the brochure.

The next meeting of the LABA will be held on Wednesday, March 12, at Paul's Showboat Restaurant, 700 E. Main, at 8 p.m. All area businessmen and women are welcome.

In the past few years, the Grand and Flat Rivers have been visited by an unusual bird. The mute swan is not native to the United States but is rapidly establishing a broad range.

Originally from Europe and Asia, the swan is closely related to the goose. They are well-adapted to a life in shallow water where they dip for leafy water plants. On land, their short legs and stocky build make them clumsy and awkward. Most swans are white but the mute swan can be distinguished by a black knob on its forehead at the base of the bill.

The mute swan is capable of making a lot of noise. If disturbed, they can hiss, bark and may even utter a trumpet sound to their young. They raise many young as the swan must face many hazards in migrations. The mute swan will migrate to areas of open water in a V-shape formation.

The mute swan is often seen locally swimming with its head and neck in a graceful S-shape curve. Local wildlife officials are still unsure if the birds that stay on the Flat River all summer are immature, non-breeding birds or mature nesting pairs.

The mute swan can be seen frequently in the Grand Traverse Bay area where the populations are getting out of hand. Wildlife officials in that area have begun removing some of the eggs to prevent the problems associated with over-population. Perhaps these birds will extend their range in our area. — Steve Harrington.

## Nuclear energy topic at Rotar

On February 13, Lowell Rotarians were hosts at a Community Day celebration honoring members of the Lowell area farming, business and professional communities. One hundred members and guests attended the noon dinner at the First United Methodist Church. Financial support for the event was provided by the King Milling Company and the State Savings Bank.

The speaker, introduced by Community Day Chairman William McPherson, was Darrell Lankford, a nuclear physicist on the staff of the Consumers Power Company. He reviewed the various systems used in producing electrical power from

nuclear energy and the safeguards built into the construction and operation of facilities.

His discussion emphasized the minimal risk to the public from the use of nuclear energy to generate electricity. He pointed out that they are surrounded by radiation from a number of sources quoting figures to show that radiation we receive from the sun each year is 3,500 times greater than that received from a nuclear plant persons living within miles of the plant.

He also stated that a six x-ray exposure can provide 5,000 times more radiation than a person would receive from living in the vicinity of a nuclear plant.
