Detroit man drowns

Grandville Smith, a Detroit resident, drowned Saturday morning below the Main Street Dam. According to witnesses, Smith was walking along a small cement wall near the King Milling Co. when he lost his balance and fell into the river. Other fishermen attempted to help Smith but due to the strong current were unable to get to him.

Lowell rescue and fire department were summoned to the scene along with Kent County Sheriff's Dept., Emergency Unit and Bud's Ambulance. The Lowell Police Rescue personnel recovered Smith shortly after arriving and Smith was rushed to Butterworth Hospital, but could not be revived. Smith will be taken to Birmingham, Alabama for burial.

CELEBRATING FIVE YEARS

It's been five years now for Harold Zeigler's ownership of Harold Zeigler Ford, Inc. at 11979 E. Fulton, Lowell. General Manager Mark Powell urges all interested customers to stop by for some great deals on the 1981 Ford's during this anniversary celebration and sale.

DON'T STAND STILL

It's been brought to our attention here at the Ledger that visitors to Lowell's business district had better not stand still for too long, else Garbut Graham will paint you. We can think of at least ten businesses that have been brightened by Garbut's brushes in the last few months. You can currently see him in action painting the west side of Bristol's Body Shop at Broadway and Main.

ANOTHER HOLIDAY REMINDER

To the best of our knowledge, the Post Office, Banks and other businesses WILL operate normal hours this Saturday, October 25th. Saturday of course is "Mother-In-Law's Day" and you can pick up cards and flowers at several locations around town. Let's see, that's "Bosses Day", "Sweetest Day", and now "Mother-In-Law's Day" in the 1st week and a half. Can "Enemy's Day" or "Nothing Day" be far behind?

SAFETY TIPS FOR FISHERMEN

The drowning Saturday (see front page story) below Lowell's Main Street dam has prompted Lowell Chief of Police to remind fishermen of a few basic safety rules. Number one according to Emmons, is the fact that snagging is illegal, which is contrary to many rumors that are circulating, bait fishing is allowed however. Fishermen in the dam area are urged to stay off from the dam, all aprons and away from the deep and turbulent water there. Fishermen wearing waders should arrange their clothing so that the waders and suspenders are on the outside of all other clothes so that they can be removed if they should fill with water. Also a quick release belt placed tightly around the outside of the waders at the waist is recommended to keep water out if you should go under. Also, use of a life jacket is highly recommended by Emmons. And as a final reminder, always try to fish with a buddy.

OFF THE BLOTTER

A vehicle driven by Donald R. Fizer rolled over on Alden Nash near 36th Street Saturday morning at 9:45. Lowell Rescue dispatched to extract Fizer pinned in the car. Minor injuries were sustained and Fizer was transferred to Blodgett Hospital by Arrow ambulance.

Kent County Sheriff's Department responded to a call around 10 p.m. Thursday evening involving a two car collision. Leo Ryan Jr. of Lowell, ran a stop sign at Grand River Drive and Alden Nash and hit a vehicle driven by Mark Newubecker of Freeport. Passenger in Ryan auto and Newubecker received minor injuries and were treated and released. Passenger in Newubecker's vehicle received extensive injuries.

Tax forum is slated

Confused by the detailed tax proposals on this fall's ballot? Well, so are a lot of other people and a committee of concerned Lowellites are organizing an open forum that will hopefully serve to better inform area voters on the three tax proposals. A group headed up by Carlen Anderson, Dr. Robert Reagan, Dr. Clark Vredenberg, and Wendell Christoff are planning an informational meeting for Thursday, October 30 at the Lowell Middle School from 7:30 to 9 p.m.

State Senator Robert VanderLaan has been contacted and either he or someone else will speak on behalf of the tax proposal "C", otherwise known as the Legislative-Coalition Proposal. Dan Austin of State Representative Perry Bullard's office will represent Proposal "A" or the so-called Smith-Bullard Plan. Nothing has been firmed up as of this writing, but there will definitely be representation for the Tisch Proposal or Proposal "D". Next week's Ledger will carry more detailed information on the speakers.

The tentative format for the meeting call's for giving each speaker a ten minute period to speak on behalf of their proposal and then opening the meeting up to a one hour question and answer session. Those attending are urged to write down their specific questions in advance in hopes that prepared questions will help keep the meeting flowing.

The Middle School Cafetorium comfortably accommodates 400-500 persons, so all interested voters are urged to attend.

Carlen Anderson and Dr. Robert Reagan are shown reading a huge wall poster that bears all the proposals on the November ballot. The sheer size of the poster typifies the confusion most voters are realizing when they try to sort out the differences in the three tax proposals.

Carter resigns council seat

After serving two years and ten months on his four year term, Councilman David Carter has resigned from the Lowell City Council. Carter has taken a position as City Manager of the City of Newaygo necessitating his resignation. The council is bound by charter to appoint someone to serve out Carter's remaining fourteen month term within the next thirty days.

In other council business, the council voted to accept a

\$174,300 grant from the Environmental Protection Agency. This money is 75% of a \$232,400 cost for design work of a new secondary waste treatment plant. The State of Michigan will automatically kick in another 5% with the city having to make up the remainder. The new sewage treatment plant calls for the expansion of the City's present plant to a

secondary treatment plant using the oxidizing ditch method and will also include the rehabilitation of many existing sewers. The City's plan was approved on Sept. 9 of this year by the E.P.A.

This funding is for design work only, plus some rehabilitation of some city sewers. Actual construction of the plant is still two to three years off!

Tie a yellow ribbon on Nov. 4

On November 4, 1980 a year will have passed since that dreadful day 53 of our American citizens were taken hostage by Iranian revolutionists. Since that day, they and their families have endured countless hours of suffering. The old adage "out of sight . . . out of mind" does not apply in this situation. A day doesn't go by that these hostages and their families are not remembered in one way or another. Many a prayer has been said on their behalf. Many letters of hope and encouragement have been written. But there are some of us that have not expressed our concern in any

way at all. On Nov. 4, 1980 will you join with the VFW Auxiliary and "tie a yellow ribbon" around a TREE, a PORCH PILLAR, a FENCE POST or a MAILBOX? Then say a special prayer for the hostages, asking that they may be returned safely to their families. If you wish, would you send a letter or card to their families and let them know that they too, are not forgotten.

Mail your letters and cards to this address: American Hostage Families, c/o Iran Working Group, Room 7516 Department of State, Washington, D.C. 20520.

Amway Parade of Progress

An ingenious, highly automated, walk-through exhibition conceived by Amway Corporation employees to highlight the company's 21-year history is being displayed to visitors at the direct sales firm's world headquarters.

Housed in a new building directly behind the Center of Free Enterprise lobby, the Amway Parade of Progress takes visitors from Amway's earliest days in a basement office to its current status as an international concern with over \$1 billion in annual sales at estimated retail.

The display's highlight is a 40-foot scale model of the 300-acre Ada headquarters complex. As the five-minute narration opens, only a tiny former service station and empty fields appear. Before the show's cycle ends, every building now on the complex or planned for it appears in its proper setting with a brief explanation of its function.

This display is additionally illustrated through the use of 26 projectors which fill a huge curving screen behind the display with constant pictorial proof of Amway's astounding growth. An original soundtrack, created for Amway and performed by members of the Grand Rapids Symphony Orchestra accompanies the display's narrative account.

The Parade of Progress also displays Amway's early products, an electronic map of the globe on which locations of the firm's worldwide facilities appear automatically one by one, sections celebrating achievements of Amway's more than 500,000 independent distributors, and a section featuring the company's Nutrilite Products division.

Amway Chairman of the Board Jay VanAndel noted that "as a matter of course in the ever-growing world of Amway, this wide variety of displays still offers plenty of room for additional material."

The Parade of Progress was created by Amway "to provide distributors and the public with a brief glimpse into this company's past and present, while offering a few hints about its future," reported President Richard DeVos.

Display and Exhibit Company of Wayne, Michigan, built the Parade of Progress. That firm, one of the five largest U.S. concerns specializing in exhibits, has designed displays for the New York, Montreal and Seattle World Fairs.

HOMESPUN DEVOTIONS

by Pauline E. Spray

Give, and it shall be given unto you . . . (Luke 6:38). After Donnie had had his hair cut, the barber handed him a bar of candy. "Here, Donnie," he said, this is for being such a good boy." Donnie held on to the candy tightly, but he never

Donnie's father was touched by his young son's show of affection and unselfishness. He insisted that the boy keep the candy for himself, and he assured Donnie he would go to the store and purchase another candy bar for Melody.

Our Heavenly Father is pleased with us. His children, when we live unselfishly, when we put the comfort and pleasure of others before our own. Not one thoughtful deed escapes His watchful eye. Not one unselfish act is overlooked nor will go unrewarded. Let us give as He has given unto us—unselfishly.

Prayer: Heavenly Father, make me magnanimous in spirit. Help me to live unselfishly, to give unto others as I have received—generously. Amen.

Give as you would, if an angel Awaited your gift at the door. Give as you would if tomorrow Found you where giving was o'er.

Coons to give recital

An organ recital will be presented by David F. Coons at 4 p.m., Sunday, October 26, in the First United Methodist Church of Lowell. The

public is invited to attend, without charge.

The church's organ was originally built with ten ranks of pipes in 1909, and over the years it has been improved and enlarged to its present complement of twenty-two ranks. Music for the recital has been chosen from varying styles, covering a span of 300 years. Included will be compositions by Couperin, Daquin, Bach, Franck, Andriessen, and Langlais.

Celebrates 25th

Roger and Terri Robinson of Sibley St. in Lowell are celebrating their 25th wedding anniversary.

On November 2 there will be an open house at St. Mary's School in Lowell from 4 to 7 p.m.

Their children will host the celebration: Patrick, Ken and Kim Zoodsma, Mike and Renee Robinson, Timothy and Tamela. They have two grandchildren: Tara Robinson and Joshua Zoodsma.

All friends and neighbors are cordially invited to attend.

On November 8 the couple will leave on a two week Caribbean cruise, where they will repeat their vows on November 12, their anniversary day.

Reflections From Outer Space

By Rev. Jerry Bates

There are times that every man needs God. The sad thing is that we do not realize this and live as if we will never need Him.

This need is pointed out very vividly to me as I stand beside the bed of a sick person. During the year I make many sick calls, some of the persons that I call upon are members of the Church and others are not. It is interesting to notice that always I am redeemed with a smile and a welcome word. Now I know that people are glad to see me, but more than this they recognize that in a way I stand for God. And when I call they think of God and that He cares for them.

The same thing is true when death comes into the family circle. Then it is that God is needed and when a minister calls and talks with the family, he speaks for God. Now God is needed and welcomed into the situation with open arms.

Yes, it is a sad thing that we do not recognize our need of God until the difficult

times of life come to us. The actual fact is that we need God all of the time.

Man was created by God for a specific purpose. This was not to obtain wealth, knowledge or learn to fly to the moon. God created man to fellowship with Him. He placed within each man a yearning. A yearning that can not be satisfied in any other way. Some men think that this yearning can be satisfied with money. That if they earn enough, the yearning will be fulfilled. Others think that satisfaction will come with pleasure or fame or property or alcohol. But the fact is that there is only one way that this yearning can be fulfilled.

This yearning can be fulfilled only as a man has a meaningful relationship to god. This is more than just a speaking acquaintance or being able to say, "I believe in God." This is a relationship that we act upon. By action I mean, going to Church, supporting His work, Service to Him and really loving our neighbors. Also should be included a life of prayer, that is personal communication with Him.

Oh, I know that some people will scoff at what has been said, but it is true. This yearning needs to be fulfilled or man is in search for fulfillment, a fulfillment which he can not and will not find in any other way. So, if you read this column and do not have anything to do with God now, why not start out by going to Church, yielding your life to God and for the first time in your life know real happiness, and fulfillment.

Shalom . . . Jerry

Morning fire at Herbruck's

An October 13 fire at Herbruck's Poultry Farm at 6425 W. Grand River Drive is estimated at more than \$150,000 in damages.

The cause is under investigation, but is believed to have started in a shop used for truck repairs. Mechanics had removed a fuel tank from a GMC truck and left for another area of the shop. Upon returning they discovered they couldn't open the door from the pressure of the fire. They had not heard any explosion.

Owner Diane Herbruck reports assorted trucks, farm vehicles and shop equipment were stored in the building. No one was injured in the fire. An apartment located in the front of the building was unoccupied at the time.

The farm's 70 employees immediately began removing equipment and fighting the fire while waiting for the fire department to arrive.

The fire was contained to the one building. However, one poultry house got so hot, some of the 50,000 chickens inside might have been lost.

Further complications resulted when the electricity went off shortly after the call to the fire department was made. Ventilation to the chickens was cut off, which is something they can't be without for more than 45 minutes.

The blaze was spotted as far away as Woodland. Insurance investigators were to come out later that day to examine the loss.

Redskins win Homecoming

Saranac won a close one against Vestaburg Friday night 12-8.

Saranac opened the scoring in the first period on a one yard run by Dan Denman, capping an 11-play drive that started on the Saranac 45 yard line. Haskins' kick was wide.

Vestaburg took the lead as they recovered a fumble at their own 46. A 12 yard touchdown pass completed their drive. Todd Beach then

Letters . . .

Dear Editor:

To the person or persons responsible for the phone call that resulted in the Lowell Youth Football League having to cancel their dance the night before it was scheduled, I have a few words to say.

The people that bought tickets will of course get their money back. The parents that spent time on the phone in preparation for the dance have only their time lost. Those of you who were providing the food, I am sure you were able to serve it to your own families. The band, well they were kind enough to donate their time and talent to what they must have felt was a good cause, the

league therefore was not out a retainer fee.

It would seem that this personal vendetta you have going was rather pointless and petty to say the least, with one exception. That exception being some 114 boys that practice two hours a night, three nights a week and play their hearts out every Saturday. The profits from their banquets, so you scored. There, aren't you proud? The little guys will have their banquets; however, may I suggest to you that in the future you pick on someone your own size, but then I guess you did, didn't you?

Arrows move into 3rd place

The Lowell Red Arrow football team pulled into third place in conference by beating out Sparta in double overtime last Friday night. Lowell and Sparta went into this important game tied in standings at 3-2, and both teams played like it was a championship match. The game featured the league's two top rushers, Carl Kloosterman for Lowell and Bob Simonson for the

Spartans. The Spartan defense keyed on Kloosterman stopping most of his drives short but Kloosterman scored the all important second overtime touchdown to win the game for the Arrows. Lowell came out very strong as they jumped out to a 20-6 lead in the early going. Quarterback Craig Eley scored the first touchdown of the game for the Arrows as he drove through from three

yards out, and Dave Christman added the extra point to give the Arrows a 7-0 lead. The Spartans got on the board in the second quarter on a 43 yard run by Simonson with the 2 point conversion failing, the Arrows still led 7-6. Fullback Steve King gave the Arrows a bigger lead on a 59 yard touchdown run on the first play after the Spartans' score. Dave Christman kicked the extra point to

top with four minutes left in the half 20-6. The Spartans came back and scored with two minutes left in the half and picked up the 2 point conversion to put the score to 20-14 in favor of Lowell at halftime. Sparta came back to tie the score late in the third quarter on a 35 yard touchdown run by Simonson for a 20-20 tie. The Arrows had a drive stopped short late in the fourth quarter on a fumble within the ten yard line. Time ran out with a 20-20 deadlock sending it into overtime. Each team was given four plays from the ten yard line to score. The Spartans won the toss and elected to take first crack at scoring and did so on fourth down to take a 26-20 lead after a missed extra point. On Lowell's set of downs they finally scored on the fourth on a pass from Eley to Jeff Quiggle to tie the score at 26. All the Arrows needed was to make the extra point but it was blocked and it was sent into a second overtime. The Arrows stopped the Spartans' next drive with Kloosterman intercepting the ball on their fourth down. Kloosterman pulled out the winning score on the Arrows' third down to give the Arrows the 32-26 victory over the Spartans.—J.V.

Thursday as they edged out the Kenowa Hills Knights team 5-2. The Arrows played very tough against the Knights picking up two wins in singles and two wins in doubles. In Singles matches Tawnie Knottnerus played an excellent match and won it in two easy sets with scores of 6-2/6-1. Sharon Huver came back from a 2-6 first set loss to win the second set 6-3, and won a tough third set 8-6 to knock out her opponent. Mary Hosley edged out her opponent in two sets with scores of 6-3/6-0 to finish up the third in singles for the Arrows. In doubles Mary Schreur and Fran Saboo beat out their opponents 6-1/6-0. Diane Rittenger and Kristine Schroeder won their first set 6-1, and then won a tough second set 7-5 to pick up the Arrows second doubles match as the Arrows picked up the 5-2 win over Kenowa.

the two teams battling back and forth for the lead and ending up tied in both the second and third period but the Arrows broke loose in the final stanza to pull out the win.

Cedar Springs outscored the Arrows in the first quarter 19-12, but the Arrows came back in the second quarter to outscore the Red Hawks 19-12 to tie the game at 31 at the end of the half. In the third period the scoring was really close with each team picking up 13 points to tie the score at 44 after the third quarter. The Arrows opened up in the final period outscoring the Red Hawks 16 to 10 to give the Arrows the 60-54 victory. Beth Beachum led the Arrows' scoring drive with a total of 27 points, with Kim Strouse picking up 12.

On Thursday the Arrows had a tougher time as they won a very close game in double overtime to beat out Greenville on their home court. The Arrows found this game to be their toughest win with no more than two points separating the two teams at the end of any period as the Arrows pulled out a one point 55-54 win in the second overtime.

Greenville took a one point lead in the first period as they outscored the Arrows 17-16. Each team picked up 12 points in the second quarter as Greenville held a 29-28 halftime lead. The Arrows came back in the third period to outscore Greenville 10 to 7 to take a 38-36 lead going into the final stanza.

Greenville outscored the Arrows 10-8 in the fourth quarter to end up with a 46-46 tie at the end of regulation play sending the game into overtime. Both teams picked up four points in the overtime period to tie the score at 50 sending the game into a second overtime. Again both teams each picked up two field goals but Kim Strouse made a crucial free throw to give the Arrows the 55-54 edge over Greenville.

Arrow golf 8th in State

The Red Arrows golf team finished up their season this week with an 8th place finish in the State. The state meet was held on Saturday, October 18 at the Marshall Country Club with the top 26 teams in the state competing. Rough 40 mph winds made the course tougher for all the golfers resulting in higher scores for most.

Scott Abel carded the fifth best score out of 104 golfers with a fine eighteen hole score of 82 to place the top score for the Arrow team. Andy Rogers placed nineteenth overall with an 84 for Lowell's second best score. Jon Vezino came in third for the Arrows with a 90, and Ray Benedict finished up fourth for the Arrows with 92.

Bloomfield Hills Cranbrook came in first with East Grand Rapids, Forest Hills Central, and Jackson Lumen Christi tying for the second place spot to take the first four places for the tournament.

The Red Arrow golf team finished up a very fine 1980 season with many major accomplishments. Among these accomplishments they finished 1st in the confer-

ence standings, 1st in the conference tournament, 3rd in the Ludington Invitational, 2nd in Regionals and a fine 8th place finish in the state. Congratulations to all the Red Arrow golf team on a very fine season.—Jay Vezino.

Redskins win

Saranac girls basketball team won an easy game over Central Montcalm last Thursday.

After falling behind the first quarter, 10-7, Saranac came back to outscore Central 19-5 to take a 26-15

halftime lead. Central tried to come back with a 16-14 score in the third, but Saranac used stall tactics in the 4th to cinch it for the Redskins. Saranac, now 7-2 overall and 5-2 in league play, had two players in double figures. Barb Snay finished with 12 points, 14 rebounds, Sweet had 10. Martha Smith had six points, 14 rebounds, eight steals and two blocks. Diane Hubbard contributed five points, three assists, and two blocks, and Deb Stuart finished with six points and 2 assists.

Airport/Airport Manager Licenses
Council then discussed the Airport License, and Airport Manager License.
The following resolution was offered by Councilman Carter, supported by Councilman Maatman for adoption.
WHEREAS, the City of Lowell is the owner of the Lowell Airport; and
WHEREAS, it is necessary for said facility to be licensed; and

WHEREAS, said facility meets the required standards set by the Michigan Aeronautics Commission; and
WHEREAS, there has been no change in the runway layout during the past year;

NOW THEREFORE, BE IT RESOLVED, that the City Manager is hereby authorized to execute the necessary documents for licensing by the Aeronautics Commission; and

BE IT FURTHER RESOLVED, that the City Manager of Lowell, Michigan is hereby designated as Airport Manager.

Discussion/Amendments to Chapter 18, Articles I & II [Disorderly]
Manager Quada then went over in detail the proposed amendments to Chapter 18, Articles I and II. A general discussion by Council followed. Council concurred to omit the amendment for adequate shelter for domestic animals, and to have the City Attorney check on the definition of legal age as to 18 or 21 years. Chief Emmons also stated that he is sorry that it has to be this way, but that he needs these "tools" to make our ordinance enforceable.

IT WAS MOVED by Councilman Carter that the Amendments to Chapter 18 Articles I and II be turned over to the City Attorney for proper revision and wording to be included in the Ordinance revision.
Carried.

Request/Consumers Power Co. for Gas Main Extension/Gee Dr. Easement

Council then discussed the request by Consumers Power Company for an easement across a portion of City property located at the northeast corner of the Valley Vista Subdivision, which would allow the extension of gas service to the east end of Gee Drive. Manager Quada explained that it would be compatible with the future development of the connector street for that area.

IT WAS MOVED by Councilman Carter that the requested easement by Consumers Power Company be granted, supported by Councilman Fonger.
Carried.

Citizen Input

Under Citizen Input, Mr. Roger Brown asked what the status of the connector street is at present.

Manager Quada replied that nothing has been done to date, that the cost will be in excess of \$100,000 for development, and the monies will have to be earmarked in special funds for budgeting over the next several years.

Manager's Report

Under the Manager's Report, Manager Quada stated the following: the E.P.A. application for finalizing the Wastewater Treatment Plant expansion has been accepted. The Step II grant application has been approved for the design plan, and the Kent County Road Commission has awarded the replacement bridge design to Fishbeck, Thompson, Carr and Huber.

Manager Quada also checked the Silent Observer program, which has been discussed before, and found out that the City can already be covered in the existing program, or the City can set up a fund of its own, using the Silent Observer telephone service.

He also stated that a meeting will be held soon with a developer interested in proposing multi-family and senior citizen housing on the Ramjeet property on M-21, West of the State Savings Branch Bank.

A discussion followed which noted that the City was very specific on the Fedewa Brothers proposal for the same type of housing request, and Council concurred that this developer use the same channels established by the City to insure the City's safety.

Council Remarks

Under Council Remarks, Councilman Maatman headed a discussion on the need to improve the lighting in the alley behind the Michigan Bell Telephone Company building, because of the attack and robbery of an employee there in the last week, and also several other areas that need improved lighting.

Councilman Fonger asked about the ball diamond at Recreation Park. Manager Quada replied that the diamond is the next thing on the list for repairs. The School has been contacted to request the football practice be confined to the outer limits of the grass area.

Councilman Carter stated that he would like to see the student participation in City government again this year, on the Council and the Planning Commission. Mayor Collins to contact Mr. Don Kelly for recommendations.

IT WAS THEN MOVED to adjourn at 9:42 p.m. by Councilman Carter.

THE BOARD OF WATER AND LIGHT, THE MICHIGAN MUNICIPAL ELECTRIC ASSOCIATION and THE MUNICIPALITIES OF CHELSEA, CROSWELL, GRAND HAVEN, L'ANSE, LOWELL, MARSHALL, NILES, PETOSKEY, PORTLAND, SEBEWAING, STURGIS, WYANDOTTE, and ZEELAND,

Defendants.

NOTICE OF PENDENCY OF CLASS ACTION

I INTRODUCTION

The Ingham Circuit Court has certified the above-entitled cause as a true class action. The Court has defined the class as the owners of multiple-family dwellings receiving electricity from any of Defendants for hallways, common areas and exterior lighting ("common areas") through central meters at the following commercial rates rather than the residential rates listed below:

Defendant Municipality	Commercial Rate At Which Plaintiffs Take Service	Residential Rate At Which Plaintiffs Seek to Take Service
(a)	(b)	(c)
1. City of Lansing (Board of Water and Light)	Commercial Rate No. 3	Residential Electric Service Rate, No. 1; or Residential All-Electric Service Rate No. 2
2. Chelsea (Chelsea Electric and Water Department)	Rate 3.0 Commercial	Rate 1.0 Residential and Domestic Farm; or Rate 2.0 Residential Heating
3. Croswell (Municipal Utilities)	Commercial Rate C-1; or Commercial Space Heating Rate CS-1	Residential Rate R-1; or Residential All-Electric Purposes Rate R-2
4. Grand Haven (Grand Haven Board of Light and Power)	General Service Small Schedule GSS-79	Residential Service Schedule RS-79; or Residential Service All-Electric Schedule RSAE-79
5. L'Anse	1.2 Commercial Energy Rate	1.1 Residential Energy Rate
6. Lowell (Lowell Light and Power)	Electric Rate Schedule "GS" General Service	Electric Rate Schedule "R"--Residential Service; or Electric Rate Schedule "R-1"--Electric Heating Service
7. Marshall (Marshall Utilities Electric Department)	Commercial Light and Power Service, General Secondary Rate "B"	Residential Service Rate "A"; or Residential Service Rate "A-1"
8. Niles (Board of Public Works)	General Service Rate 2 and Rate 2-R	Domestic Use--City and Rural, Rate 1 and Rate 1-R
9. Petoskey	Commercial Rate	Residential Rate; or Hot Water Heating Rate

10. Portland (Electric Department)	Rate 2: General Service	Rate 1-A: Residential Service; or Rate 1-B: Residential All-Electric Rate or Residential Water Heater and Range Rate
11. Sebewaing (Sebewaing Light and Water Deptment)	General Service Rate	Residential Rate R-1; or Residential Domestic Space Heating Rates H. H-1, or H-2
12. Sturgis	Commercial and Industrial Light and Power Rate C	Domestic Use--City Rate A
13. Wyandotte (Department of Municipal Service)	Commercial Lighting Rate	Residential Rate
14. Zeeland		

For each of the municipal utilities listed above, the residential rate at which Plaintiffs seek to take service (Column (c)) is lower than the commercial rate (Column (b)) at which Plaintiffs presently take service. Some of Defendant municipal utilities have predecessor rates slightly different in title and/or amount from those listed above. In addition, other municipal utilities with similar rate applications may, in the future, be added as Defendants to this proceedings. However, in each instance, Plaintiffs are members of the class receiving service and/or which have received service from any of present or future Defendant municipalities at the commercial rates listed above and/or predecessor commercial rates, since January 31, 1973.

The Court has ordered that this notice be sent to you as a member of the class.

II

HISTORY OF THE LITIGATION

The litigation challenges the validity of Defendants' application of rates and seeks a judgment determining such rate application to be unconstitutional. The following additional relief has been requested in the suit:

- An injunction restraining Defendants from charging members of the class rates other than the listed residential rates for electricity through central meters for common areas in multiple-family dwellings.
- An accounting.
- Payment and/or reimbursement of all charges, expenses and damages which Plaintiffs may have incurred as a consequence of being charged the commercial rates.
- Attorneys' fees and costs.

The Defendants have denied the claims of Plaintiffs and have asserted various defenses to the action.

The Court does not express any opinion on the merits of the claims or defenses and the sending of this Notice is not to be construed as an expression of any opinion by the Court as to the outcome of the litigation.

III

PURPOSE OF THE NOTICE

The sole purpose of this Notice is to inform you of the pendency of this litigation and to give you the opportunity to participate personally in the proceedings by entering an appearance through your own attorney or in your name or to exclude yourself from the proceedings. You should make your election by the 31st day of December, 1980. A form for this purpose is attached.

The judgment in this case will cover and bind all members of the class, except those electing to be excluded from the proceedings as above provided, irrespective of whether a) the judgment is favorable or (b) you or your own individually elected attorney represent your interests in the litigation or (c) your interests in the litigation are represented, along with other members of the class, by the attorneys for the class. If you or your own individually selected attorney represent your interest, you will be responsible for your own costs and expenses incurred in the litigation. If you elect to be excluded from the proceedings, you will not be bound by the judgment. If you fail to complete and return the attached form prior to the above date, you will be deemed to have elected to participate in the action as a member of the class and to be represented by counsel for the class.

The attorneys for the named Plaintiffs and the class are as follows:

McLellan, Schlaybaugh & Whitbeck
818 Michigan National Tower
Lansing, Michigan 48933
(517) 487-9012

Katz, Victor and Yolles
Suite 400
24700 Northwestern Highway
Southfield, Michigan 48075
(313) 354-3500

The attorney for Defendant Board of Water and Light is:

Joseph F. Lavey
409 West Ionia
Lansing, Michigan 48933
(517) 485-7113

The attorney for the remaining Defendants is:

Seth R. Burwell
1020 Washington Square Building
Lansing, Michigan 48933
(517) 487-5140

All inquiries concerning this matter should be directed, prior to the 31st day of December, 1980, to the aforementioned attorneys or to:

Honorable Thomas L. Brown
Circuit Court Judge

Influenza Immunizations to be held

Influenza immunizations will be offered on a limited basis to Kent County residents, 65 years and older, by the Kent County Health Department, according to Richard J. Potter, M.D., Director.

Due to state and federal budgetary constraints, the Health Dept. will receive less than half the vaccine as usual. Therefore, flu injections will be provided at the Kent County Health Department, 700 Fuller, N.E., and regular Public Health Nurse Clinics, only to persons 65 years and older, who are unable to obtain immunizations from private sources.

The program will start Oct. 27 and run through Nov. 14, 1980, or until the vaccine runs out. The Public Health Nurse Clinics offer health counseling and education, as well as immunization, blood pressure and pregnancy testing. The clinic locations and times are as follows:
Lowell City Hall, 301 E. Main St., Lowell, 1st and 3rd Thursday each month.

breath; dizziness; sweating or nausea may all be signs of a heart attack. Remember, hunting can be very strenuous. So take it easy, never hunt alone, and know what to do if someone in your party has the warning signs of heart attack. For more information, call the Michigan Heart Association.

Kaye attends Kalamazoo College

Among more than 400 new students who recently began their studies this fall at Kalamazoo College, was Michael Kaye, 1626 Alden Nash. He is the son of Mr. and Mrs. Eugene Kaye. Among these students are some of the most outstanding high school seniors in the nation. Approximately 9% were either valedictorians or salutatorians; more than 58% ranked in or above the 90th percentile of their high school class. The freshmen participated in a unique week-long orientation session which sought to introduce them to the vitality of the College community. Activities included academic seminars, informal meetings, sports and recreational events.

Mich hunting season-enjoy in good health

As thousands of Michiganders prepare themselves for another hunting season, many will be going to the shooting range to brush up on both their marksmanship and their gun safety procedures. And such precautions are indeed justified, because every deer hunting season, several people die in shooting accidents.

"Hunting can be very strenuous," said Dr. Ritter. "The average hunter is not used to really exercising all year. Suddenly he's in a different environment, where he'll have to climb over hills and around trees; cold weather adds to the strain on his system; he may be carrying a gun and other heavy equipment. Add to that the excitement of the hunt itself, and you're asking for trouble."

Dr. Ritter listed some precautions hunters can take:

Never hunt alone.
Know where to get help in case of emergency.

Be sure you are in condition.

Be sure to wear warm clothing that protects head, ears, hands and throat. Cold weather puts an added strain on the heart.

Know the symptoms of heart attack: a feeling of fullness, heaviness or squeezing pain in the center of the chest, which may spread to arms, shoulders, neck or jaw and may be accompanied by nausea, vomiting, sweating or shortness of breath.

If you are on medication for your heart, make sure that all members of your hunting party know where you keep your medication, and how it should be used.

Don't tire yourself excessively. Take the hunting, the eating and the celebrating in reasonable doses, and get plenty of rest.

Watch your alcohol intake; though it may make you feel warmer, alcohol causes your body to lose heat faster.

Get help to drag your quarry out of the woods.

Dr. Ritter concluded, "We urge all hunters to observe these precautions, have a good hunt--and don't be one of the casualties."

The Michigan Heart Association is a United Way agency.

Stain Out Available

An "at your finger tips" home remedy guide for removing all types of stains from all kinds of washable fabrics is now available from county MSU Cooperative Extension Service offices throughout Michigan.

The new bulletin, appropriately titled "Stain Out", highlights 40 common household stains and stain removal procedures.

"We designed this bulletin to make it easy to use," says Isabel Jones, Extension clothing and textiles specialist at Michigan State University, and author of "Stain Out." "No more paging through lengthy and cumbersome bulletins to locate the right procedure for a specific stain. Information in "Stain Out" is listed on five pages in an easy-to-read chart."

Potbound Houseplants need new containers

A stack of firewood by the back door makes it easy to keep the home fires burning. But it may also harbor insects, mice and rats.

Stacking firewood against an exterior wall of your home puts the insects in a good spot to locate the little cracks around basement windows, the tiny openings in foundations or the loose-fitting storm door that can let them into your home. Once inside, they may be only a nuisance. Or they may settle in to do some real damage.

If you must store firewood near the house, get it up off the ground—at least 18 inches—and keep it at arm's length from the exterior wall. Make your woodpile long and narrow—one log wide. Several short rows laid side by side offer better rodent cover.

Because many insects spend all or part of their lives inside wood, you may easily carry some of them inside when you fill the woodbox. Bring in only the wood you'll use in a day or two.

Horse owners should vaccinate for encephalitis

Because of a severe outbreak of horse sleeping sickness in southern Michigan and northeastern Indiana, U.S. Department of Agriculture animal health officials are urging horse and pony owners in those areas to vaccinate their animals.

According to Ralph Knowles, a veterinarian with USDA's Animal and Plant Health Inspection Service, 35 cases of eastern equine encephalitis have been reported in Kalamazoo and St. Joseph counties, MI., with an additional case in LaGrange county, Ind., which is adjacent to the two Michigan counties.

"It is also important to vaccinate horses and ponies in any area where there are a lot of mosquitos, because the disease is spread by these

Surprise 45th celebration

Mr. and Mrs. Myron Henry

Mr. and Mrs. Myron Henry of McCords were pleasantly surprised by their many friends, Sunday, Oct. 5, with a surprise party celebrating their 45th anniversary at the home of Mr. and Mrs. Dick Curtis of Lowell.

Marriages announced

Also hosting the party were Mr. and Mrs. Ken Ayres, Mr. and Mrs. Bob Christiansen, Mr. and Mrs. Charles Doyle, all of Lowell, and Mrs. Gerald Henry of Grand Rapids.

Charles and Julia Longstreet, daughter of Mr. and Mrs. Don Hejnacki of Ada, were married June 28th at Holy Trinity Episcopal Church, Wyoming, MI. They are residing in Kentwood.

Lloyd and Denise, daughter of Mr. and Mrs. Al DuShane of Wyoming, were married September 6th at Snow Methodist Church, Lowell. They are now residing in Lowell.

"Most common signs are depression, lack of appetite and drowsiness—hence the name sleeping sickness."

Australia Opportunity for High School Students

Attention High School Students: Want to attend school in the land of the Koala Bear? Stop dreaming and start reading...

Youth for Understanding International Student Exchange Program (YFU) is now offering high school students (14-18) the opportunity to live and study in Australia, the land of the Koala bear, but you must act NOW!

If accepted into YFU's Australia Program, you'll live with a carefully selected host family while attending local high school. What better way to really learn about another country than by participating as a family member?

The Australian school year begins in January, 1981 and continues through December, because of the differing school system "down under." YFU has limited financial aid scholarships available to qualified applicants, based on scholastic ability and financial need but hurry—the financial application deadline is October 15. Applications for the program acceptances due November 1, 1980.

YFU sponsors other change opportunities for mer and academic year countries including the East, Europe and America.

Lowell teams attends arts education institute

A team of Lowell arts educators, community arts agency leaders, concerned citizens and public officials are taking part in a three-day conference to improve Michigan arts in education programs.

Lowell's team members include: Chris VanAntwerp, team leaders, Barbara Brown, King Doyle, Kathy Kemp, Karen Lambert, Jim Mastman, Rod Smith and Mary Yost.

The Institute for Comprehensive Arts Planning is designed to help school districts make the arts an integral part of general education in elementary and secondary schools. The Institute is being held on the Eastern

Michigan University campus Oct. 16-18.

The local team is one of 20 community groups learning how to examine the quality of arts education programs in schools and how to analyze community arts resources that might supplement school programs. The team will start planning how to initiate an interdisciplinary approach to learning in the school district before leaving the Institute.

A truly comprehensive arts plan includes all the arts, at all grades—from kindergarten through high school. Institute officials say. A 1979 Michigan Department of Education survey showed that half the state's school districts do not offer art, drama or dance for elementary school children.

People often ask me where I get my ideas for this column. The answer is obvious; me, and that's usually a pretty low source. Last week was a perfect example of that when I stooped to grinding out an entire column on the subject flies. This week may be even worse though, because I can think of a darned thing that I might be able to work into column.

I've tried going back to some of my favorite sources material, such as life on the home front. Things here have been pretty tame except for one little incident when Tere left me to make a pan of brownies for her boss on Boss' Day while she went bowling. That wouldn't have been so bad except she had to go and tell everybody and now every time I bump into someone from her office, they have to tell me what a good cook I am.

Another favorite subject of late, has been the dog, especially the litter of pups that we had. But, they are all so now except for one and the piles of puppy residue have decreased proportionately to the point where I don't think I could get another column out of that subject. I really should change my ad though; it's been headed, "Going Fast" about eight straight weeks now, I'm starting to take a little ribbing about that.

We're coming up on the mid-season point for the N.F.L., another favorite subject, the Lions should be some like material for a column, but I'm reserving judgment on that for a few more games yet. The only good thing that I can say about that game with the Bears last Sunday is, "Thank goodness I was on the road and didn't have to watch it."

As long as we're on the subject of sports, it's World Series time and that should be a good source for a column too. The trouble with the World Series this year is that both favorites got knocked out in the play-offs. Last year I was glued to the TV for every game of that incredible duel between the Yankees and Pirates, and even though the Yankees lost, I loved every minute of it. This year, I can't get excited about the series, because I can't get excited about either the Phillies or Royals. It's just like the darned election I can't get excited about Reagan or Carter either.

When I'm really stuck for material, I can usually count on the kids to furnish some subject matter, but even those little monsters have been pretty low-key lately. We took them out to quite a fancy restaurant in Traverse City this week and I didn't have to hide under the table once. I should submit that to the "That's Incredible" program on TV.

Well, since I can't think of anything to write a column about, we're just going to have to call this mess a column, and look to next week for bigger and better things.

"Try not to become a man of success but rather try to become a man of value." Albert Einstein
