WASHINGTON'S BIRTHDAY CLOSINGS

Next Monday. February 15th is Washington's Birthday...

well sort of. That is the day that we'll officially observe his

birthday, which is really the 22nd, and in case you're

wondering about old Abe, his is the 12th. At any rate, here

are the businesses that we know are going to be closed Monday; the Post Office. City Hall and the Library. Yes the

banks will be open and the Post Office lobby will be open for

VALENTINE'S DAY IS SUNDAY

Though response was weak this year, you may want to

check our Ledger Valentine's ads for a message from your

sweetie. There are at least two Valentine's Day dances

scheduled for Saturday night, one staged by the VFW and the

other by the Knights of Columbus; see ads in this issue for

further details. Of course local retailers are well stocked with

flowers, candy, cards and other gift ideas for your Valentine.

CURTIS'S OPEN NEW COIN-OP LAUNDRY

Lowell's Wash King coin operated laundry has moved and

is now located in it's spanking new facility on W. Main St.

Customers will not only be treated to a new surrounding, but

all new washers and dryers and other equipment. There is

also a computer game room for those with a quarter and a

desire to tackle those clever electronic invaders. Owners Dick,

Postmaster Charlie Doyle reported to us that Rosie Fonger,

boxholder pickups, and coin operated stamps.

Congratulations Rosie!

A group of citizens from the Alto area confronted the Kent County Board of Commissioners at their meeting of Wednesday, February 3 with complaints of racism, verbal and physical abuse of Alto area residents by Kent County Sheriff's Detective, Robert Grummet. Grummet resides in the Alto area.

Speaking on behalf of the group was Dr. James Dumas, a podiatrist and member of the Lowell Board of Education. The accusations against Grummet stem from

incidents involving Dumas' 19 year old son Darryl and Charles Prins, the son of Dewey and Dorothy Prins of 11353 60th Street, Alto. The Dumas' live at 6735 Alden Nash, Alto.

Dumas claimed that Grummet used racial slurs and taunted his son to fight when breaking up a drinking party that was taking place on Dumas property or the adjoining property of Dennis Hawk on September 12 of last year. The Prinses claim that Grummet assaulted

their son with a flashlight in an incident that occurred at their residence on June 21. Prins was later convicted on a charge of assault with a deadly weapon stemming from that incident.

Lt. Jack Christiansen was assigned to investigate the charges lodged by Prins and Dumas. Both Christiansen and Sheriff Phil Heffron claim that Grummet has not acted improperly and flatly deny all accusations. Heffron says that no further action is necessary as far as he's concerned and that he has 100 percent confidence in Grummet.

Commissioner Vernon Ehlers suggested that the case should first be handled by the Sheriff's Department.

Deadline for 1981 property taxes

John L. Damstra, Kent County Treasurer, issued a reminder to all Kent County taxpayers that the deadline for the payment of 1981 property taxes will be Tuesday, February 16, 1982. Mr. Damstra explained the date has been extended from the normal date of February 14th because the 14th falls on Sunday; and Monday, the 15th, is a legal holiday.

Taxpayers should be sure that their taxes are received by the treasurer on or before February 16, 1982. Postmarks are not acceptable for the payment of property taxes. Payments made from February 17, 1982, through March 1, 1982, will be subject to an additional collection fee pavable to the city or township treasurers where the taxes are collected. This penalty is a maximum of four percent of the tax due.

Mr. Damstra further cautioned taxpayers that the interest rate on the 1981 taxes has been increased. effective March 2, 1982, to 1 1/4 percent per month ... which is equal to 15 percent annually.

On all taxes returned to the County Treasurer on March 2, 1982, a 4 percent collection fee is charged in addition to the interest.

Spring activities given nod

"HEY ... We Need Your Help! ... has come through to the community" was the report on LASA given by Chuck Dykhuizen, Chairman, at the regularly scheduled Board meeting held Monday, February 8, 1982. Chuck was optimistic and confident that LASA's goal would be reached. Chuck Lippert then gave an update on the progress of LASA as it now stands. He reported that since the first of January \$7,500 in cash has come in. LASA has also received enough in pledges to reach the \$10,000 needed by March 1. Chuck was also very confident that the total amount (\$23,686) needed would be reached for this year, and is looking forward to seeing more progress towards next year's needs.

The Board then voted to approve the planned schedule of spring activities subject to LASA meeting \$10,000 by March 1.

The agenda for the evening proved to be a full one.

Linda Beers reported on the latest legislative actions. The Summer Tax Collection Bill is on the floor; Truth in Taxation is waiting the governor's signature; and the Due Process Bill is still in the House Educational Com-

Gordon Gould had an informative report on Lowell's MEAP scores. Mr. Gould requested anyone wanting more information to please feel free to call his office at the High School.

Discussion then evolved around the deviations on North Central's annual report on our Middle School and High School. Because of our cut backs, we did not meet all North Central's standards. Gary Kemp, High School Principal, noted th last year over 70 percent of Michigan's schools did not meet North Central's standards and that approximately 80 percent this year would not meet the standards because of the economic cut backs.

Superintendent Kelly informed the Board that while the school had to borrow \$200,000 against their state aid in October to cover the school's costs, the amount was repaid January 15. The loan interest being \$3,046.

Ron Holst, treasurer of the Lowell Lions Club, is shown here signing a check for the first installment of the Lions' pledge of \$1,000 to L.A.S.A. The organization has raised over 75 percent of their \$57,000 goal. L.A.S.A. funds benefit extracurricular activities in the Lowell Area Schools and is now an all volunteer organization.

The Board then took action to seek bids on partitions for the Middle School; approve a contract with Kent Community Action Programs concerning the operation of our Headstart Pre-School Pro-

The Board of Education authorized a three-year contract for Superintendent Donald Kelly. At a previous Special Board of Education Meeting, Superintendent Kelly's overall performance was reviewed by the entire board. Superintendent Kelly was given a very favorable evaluation.

Superintendent Kelly has recommended that financial considerations of his contract remain the same for 1982-83 as they were in 1981-82 because of the current economic conditions.

LASA receives another \$2,000

Sandy Nagy, Treasurer of the Lowell Athletic Boosters, presents a \$2,000.00 check to Amy Cosgrove, Treasurer of the Girl's Varsity Club. Looking on are other officers of the club, Fran Saboo, Secretary; Miss Meisner, Advisor; Kim Van Weelden, President and Stacy Lippert, Vice President.

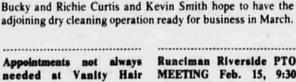

During their meeting on Monday. February 1, 1982 the Lowell Athletic Boosters voted to donate \$2,000 to the Lowell Area Schools Association. With the survival of Spring activities on the line. the general feeling of the Boosters is to provide as much as possible toward extra-curricular activities. Monday night's vote was

unanimous, bringing the

Athletic Boosters total contribution to L.A.S.A. this school year to \$5,000.

Consumer Beat

When it comes to consumer fraud, the experts will tell you that mail order fraud leads the list. These are the swindles that entice people to mail money to buy miracle cures or secret plans for making big money. Typically, the rip-off begins with an ad in some print publication, great promises are made, but you will get no specifics until you mail some

Perhaps the worst of the schemes are the ones that offer you a chance to make big money working at home, often stuffing envelopes. This gimic is thriving today because so many people are out of work; it is a cruel hoax.

One thing many of these scams have in common is a return address at a post office box. A post office box is an easy way to keep unhappy customers from finding you. Most well established businesses have a permanent location and a specific street address.

If you have been the victim of a mail order huckster, demand a refund. Often times they will be quick to give you a refund to keep you from turning them in to authorities. But the best policy is to remember the golden rule for shopping by mail, "If it sounds too good to be true, it probably is!"

The people of Taiwan go to the movies more often than those of any other country in the world, with an average of 66 attendances per person per year according to the latest data.

Lowell cagers tied for 2nd

Lakewood defenders are all over Lowell's Greg Malone as he goes up for a shot in last Friday's action at Lakewood. League leading Lakewood got by Lowell in a 59 - 47 game that was nip and tuck until the final minutes when Lakewood broke it open after two Lowell starters, Malone and Phil Beachler fouled out. Lakewood sits atop the Tri-River witha 7-1 record while Lowell, Greenville and Fremont are bunched up at 5-3 in a tie for

COZY corner

I write this column based on things that happen to me and my family. I try to find the humor in the things we do and the column just sort of comes naturally. But lately it's been a terrific struggle, a good example being last week's article about my typewriter. I think I've pinpointed the problem though; we just aren't doing anything. My typical week this winter consists of working like crazy, racquetball on Thursday and being snowed-in all weekend. Not much to write about there. So, without further ado, and out of desperation to get something down on paper after staring at my typewriter for over an hour, I'm going to recap some of the columns I've written lately (a little trick I remember doing once before

You may recall the column I wrote about my wart and all the treatments I had tried; well it's still there. One of my employees calls me "Toad Man" and recommends our 30" hydraulic paper cutter as a cure (of course the finger goes with it). A friend prescribed vitamin B-12 and formaldehyde. The vitamin B-12 was to be taken internally and the formaldehyde was for dousing the wart, or was it the other way around? And yet another person claims that you must cut off the wart's supply of oxygen by coating it with clear fingernail polish. I tried it, but all that does is magnify the darned thing. I've been thinking about going to a doctor with it, but might hang on long enough to get one more column out

Remember the column about the slate floor I had materials for, but hadn't installed for nearly three years? Guess what I did the weekend after I wrote that? I spent two eight hour days on my hands and knees laying the slate and could hardly walk all the next week. I finally got my knees back in working order just in time for the following weekend when I spent most of my time grouting the joints. My knees were shot for another week. So far I've avoided the final cleaning and scaling steps trying to give my knees an extended rest before I permanently cripple myself.

I don't remember ever writing anything that got me into as much hot water as my comments about smoking did. What was meant to be a light-hearted poke at myself for not being able to resist acting like a reformed smoker, was taken seriously by all my friends who smoke. I've gotten so much flack that I'm seriously considering starting smoking again to

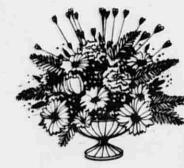

Well, there it is, such as it is. With luck maybe some minor disaster will strike me between now and next week and I'll have something worthwhile to write about.

PROPERTY TAX ASSESSMENT RATIOS AND ASSESSMENT MULTIPLIERS

Kent County, Michigan

Case No: 81-45931-DO Act 165 of the Michigan Public Acts of 1971 requires that I publish tentative ratios and estimated multipliers by the third Monday in Pebruary each year. The ratios displayed are 1981 study figures. The multipliers indicated the estimates 1982. To the best of my knowledge all assessors in Kent County are adjusting assessments of classes to represent 50% of True Cash Value, thereby eliminating the need for factoring assessments after the March Board of Review for the year 1982. State of Michigan action could change this.
