WE'VE GOT COMPETITION

Dick Peckham of 723 N. Washington St., Lowell recently returned from his winter stay in Lake Alfred, Florida. Dick reports that he read the Lakeland Ledger daily and looked forward to reading his Grand Valley Ledger weekly. Dick brought a copy of the Lakeland paper in to us. The names may be the same, but the similarity ends there as one issue of the big daily contains more newsprint than in two or three months worth of our little weekly.

RX For Happiness

When should older people relocate? Housing, indeed, is more of a problem for some autumn-agers than it is for others. While far too many unfortunates have difficulty keeping any kind of shelter over their heads, other individuals are faced with different kinds of decisions. Not a few are asking, "Should we move into a smaller house, relocate in a new area, or stay where we are?"

Most homeowners I know simply go on living in the same house until they can no longer care for themselves. As Dave, in his 80s, declared, "We built this house to live in, and we're going to live in it!"

Not a few believe the old homestead should be replaced with a compact bungalow, but leaving familiar circumstances may negate the benefits of new housing. A shack crowded with pleasant memories may allow one to live longer than a move to the best of houses or retirement homes will if it is shrouded with loneliness and yearning.

Since older people, especially, need the security of familiar faces and places, being allowed to remain in accustomed surroundings is the most ideal plan. However, situations sometimes force people to make changes. Such moves can be most

Senior Center May calendar

The Kent County Nutrition Program sponsors lunches Monday through Friday at 12:00 noon. Reservations may be made before noon the preceding day. Donations accepted.

Special events for May include the following: May 12 & 26 at 9:30, blood pressure and health screening by appointment. On May 18 there will be a Dutch Village trip. May 19, 9:30-4:30 an Open House for the community is planned. May 20, legal services will be offered by appointment only. May 20 at 12:00 a Euchre Potluck will be held at Schneider Manor. On May 25 at 1:00 a Hawaiian Travelog with Esther Mullen is scheduled. May 28 at 11:30 is Veteran Recognition Day.

The Senior Center will be closed on May 31 in recognition of Memorial Day.

The Autumn Years

The hot food program being conducted in many areas now brings older people together for fellowship. Dressing up, seeing friends and making new acquaintances, exchanging bits of news and ideas add up to an antidote for loneliness.

In Florida the people from given areas, or states, meet nightly to play shuffleboard and share bits of information received from "home."

There are multitudes of clubs where people share hobbies and common interests -- sewing circles, collectors, Weight Watchers, word puzzle workers, animal enthusiasts. You name it and they have it.

In almost every town of any size there is a senior citizens organization. Notices of these activities are published in the local papers.

Attending yearly retreats which are sponsored by churches gives wonderful opportunity for fellowship, spiritual renewal, and a bit of travel. Planning and preparing to attend these functions keeps the mind occupied. And anticipation is most of the fun.

Traveling locally offers diversion for the lonely also, and at a far reduced expense. A museum offers many hours of amusement and instruction. One can spend a whole afternoon in a one-room exhibit. A visit to an art gallery is another nice way of spending an afternoon. Parks, zoos, playgrounds, many displays and concerts are free.

When thinking of traveling, one should not overlook off-season rates. Nor, state and national parks. Besides being less expensive, they afford magnificent scenery and the great experience of getting closer to God's creation.

God has no use for selfishly or selfishness. He uses to serve, not just to be served. To give, not merely to receive.

Let us remember that it has been written, "No man can live unto himself."

This article contains excerpts from the author's book, *The Autumn Years*, published by Beacon Hill Press of Kansas City. Price: \$2.95.

HOMESPUN DEVOTIONS

by Pauline E. Spray

...God is no respecter of persons (Acts 10:34).

"Keep out" signs are common. Road barricades are used to keep motorists off roads for various reasons. Fences keep children and animals off lawns and gardens. Folding door-gates keep youngsters within the confines of certain areas. Locks on doors prevent the intrusion of unwelcome callers.

Fortresses were built by early settlers as barriers against the attacks of savage Indians. Dikes are used as barriers along the seaside to

keep the water from flooding the land and destroying homes.

A mountain forms a natural barrier -- a defense against invasion by outside forces. Jungles serve this purpose, too.

Man has invented other types of barriers, also. But these do not meet with divine approval. God has no barriers. He has no "Keep out" signs. God makes no racial, social, financial, educational, or cultural differences. He is impartial and extends a welcoming hand to all. No, God has no use for "Keep out" signs or any other barriers; all His signs spell, Welcome.

Prayer: Dear God, I am grateful because Thou art no respecter of persons. Each of us is welcome in Thy Kingdom. Thy Son died for all. No one, not even the lowliest, is exempted from Thy love, Amen.

There is a green hill far away.
Without a city wall,
Where the dear Lord was crucified.
Who died to save us all,
CECIL F. ALEXANDER

Lowell, Fremont split

After the sun began to set, Lowell Red Arrows and the Fremont Packers finally finished what had begun some 4 hours and 40 minutes earlier, a double header softball game. The Arrows walked away with a split in the T.R. league contest. Lowell won the first 12-9, but lost the second 11-7.

In the first inning of game one, which required 43 minutes to play, Lowell sent 11

batters to the plate, scored 6 runs on 7 walks and Beth Beachum 2 run single. Fremont sent 15 batters to the plate, scored all 9 of their runs on 11 walks and Val Bunce a 2 run single.

Ruth Bobko started the game but had trouble finding the strike zone, in walking 8 of the first nine batters. Kerry Cosgrove came in to relieve Bobko, faced six batters in the unbelievable first

inning, but then retired the next 18 batters in order to record her fourth victory of the year. Some outstanding plays, and Beachum's strong arm cutting down 2 runners stealing and picking a third off first base, helped an outstanding effort by Cosgrove. "That's the best she has thrown all year", stated coach Bob Rodenhouse.

Lowell scored the winning run in the 4th as Beachum singled, Jackie Malone singled, Kim Larabee singled and two Packer's errors helped the Lowell cause. The Arrows added two insurance runs in the fifth as Malone walked, Larabee tripled, and Phyllis Beachler singled to end the scoring.

In the nightcap Cosgrove gave up 6 hits and walked 11, but the Arrows committed a season high 10 errors. "We gave them the ball game with our errors. It's too bad that this had to happen, because Kerry pitched a fine ball game", commented Rodenhouse. "All the girls really wanted this game. Maybe it was a case of trying a little too hard."

Six of the Packers runs were earned. The downfall for the Arrows was the third when Fremont scored 4 runs on 5 errors and no hits. "We had our chances but we lack the key hit to get us over the hump." Kathleen Beachler collected two of Lowell's 4 hits.

Arrows tied for first

The Red Arrow varsity baseball team continued its winning way with 2 wins over the Belding Redskins on April 27th.

The game started out well for the Arrows as the first 2 batters got base hits and eventually scored. The Arrows got another run across in the second but the Redskins closed the margin to 2 runs in the third as they scored their first and only run of the game.

Lowell scored 2 more runs in the third, 1 in the fourth and 2 in the sixth, giving the Arrows an 8-1 victory.

Greg Malone went the distance, getting his 2nd league win in as many appearances. He aided his pitching performance with 2 runs batted in. Ed Lowry and Rob Moore helped out with 2 RBI's apiece.

In the second game of the doubleheader the Arrows scored 5 runs in the first

inning as they got 4 hits.

Lowell scored 3 more in the second and 5 runs in the third. Belding's only run in the game came in the fourth.

The game was ended in the fifth inning because the Arrows were up by at least 10 runs. The score being 13-1.

Bruce Yeiter got the win and upped his league record to 2-0.

The Arrows hosted the Lakewood Vikings on May 3rd. Both games were decided by 1 run but the Arrows came out on top in both games.

In the first game both teams exchanged 1 run in the first inning.

Lowell went ahead with 1 run in the third inning. The eventual winning run was scored in the fifth as the Arrows scored 2 runs.

Lakewood made the game close as they scored 1 run in both the sixth and seventh innings.

Greg Malone got his 3rd league win in the 4-3 victory.

Lowell fell behind in the first inning of the second game as Lakewood scored 3 runs to Lowell's 2.

Lowell went ahead in the second with 2 more runs, but the Vikings regained the lead with 3 runs in their half of the inning. Lowell tied the game again with 2 runs in the fourth.

The game was won in the fifth inning on a Greg Malone home run.

Jason Barber got his first win of the year while working in relief of Yeiter.

The Forest Hills Northern Huskies played the Arrows on May 5th. The Arrows only got 5 hits but won the game 4-2. Bruce Yeiter was the winning pitcher.

The Arrows traveled to Fremont on the seventh to take on the undefeated Packers.

The Packers remained undefeated as they beat the Arrows 6-2. The Packers scored 3 in the first and 3 in the second to round out their scoring.

The Arrows made an effort to close the gap in the fourth but could only score 2 runs.

Jeff Mast was the winning pitcher and Greg Malone got the loss.

Lowell got their revenge in the nightcap as Bruce Yeiter only gave up 2 hits.

The Arrows scoring came as the scored 1 run in the second, fourth and sixth innings.

The Packers made it close by scoring 2 in the seventh but the Arrows hung on to claim a 3-2 victory.

The Arrows are now 7-1 in league and are in a tie for first place.

Their next home game is Friday, May 14th. It's a league doubleheader against Sparta.

Energy Saving

WE'RE IN CONTROL

The energy shortage presents a serious challenge to us as individuals and as a nation. Though we can do little about its causes, we can conserve our limited supplies. By changing the ways we think about energy — our driving habits, our heating and cooling habits, the ways we use energy around the home — we can help cut back on waste. Working together, we can meet the challenge!

Lowell Light & Power
OWNED BY THE PEOPLE OF LOWELL

Lowell whips Belding

Lowell High School jumped its Tri-River record to 5-1 in smashing Belding 27-7 and 15-5. Lowell needed only four innings to score 27 runs, in the first game. Fifteen walks and 26 hits knocked the Redskins to their knees. Lowell sent 17 batters to the

plate in the second and 21 batters in the fourth in scoring 11 and 15 runs. Jackie Malone barged 4 hits, with Beth Beachum and Chris Ellison each collecting 3 hits. Ruth Bobko picked up her sixth win of the year.

In the second game, Kerry Cosgrove threw a two hitter at the Redskins. She struck out 7 but had some control problems in walking 14 batters. Lowell scored 11 runs in the second inning but could not wrap up the victory until Angie Hyzar's 2 out single drove in the 14th and 15th runs to end the game on account of the mercy rule.

Cosgrove picked up Lowell's only extra base hit, a triple to right center.

Girls take Fremont

For the first time in several years, the Girls Track Team from Lowell beat the Fremont Packers.

Once again, Brenda Lehigh and Chris Hildenbrand paced the 3-1 Arrows to the 70-53 victory. Hildenbrand took a first in the long jump, 220 hurdles and the 880 and mile relays. Lehigh took firsts in the 100, 220, 880 relay and 440 relay.

Sophomore Paula Doyle jumped 4'8" in the high jump to earn a first. Doyle also ran in the 440 relay and mile relay.

Sue Schoenborn continues to cut down her 440 time. She ran the 440 in 63.1. Schoenborn also runs in the undefeated 880 relay and mile relay teams.

Spartans take a loss

On May 6th, the Sparta Spartans came to town hoping to steal a victory from Lowell. Instead, they went home with a 53-70 loss. The win leaves Lowell with a 4-1 conference record.

Chris Hildenbrand paced the Arrows with two individual firsts and running in two winning relay teams. The 880 and mile relay teams remain unbeaten in conference action. Members of the 880 relay include Hildenbrand, Brenda Lehigh, Stacy Lippert and Sue Schoenborn. Hildenbrand, Schoenborn, Paula Doyle and Rhonda Delong run in the mile relay.

Heidi Elzinga had a good day in the field events. Elzinga placed 1st in the discus and 2nd in the shot. Kerry Malone gave help in the discus by placing second.

Kathe Dey collected eight points for Lowell in the distance events with a second in the mile and first in the two mile.

Cathy Kazemier tied for first in the high jump and Brenda Lehigh took a first in the 220.

Christian Eagles beat Lowell

Some timely hitting and some great defense gave Grand Rapids Christian Eagles a 17-6 non league victory over Lowell. Lowell jumped off to a 5-0 lead after one inning but could muster only one run the rest of the game.

Some poor hitting and some good defense shut down the Arrows attack. Christian began to cut the Arrows lead by scoring 3 times in the fourth. In the fifth they scored 5 times and put the game away in the sixth by crossing home plate 8 more times. Ruth Bobko suffered her first de-

feat of the year bringing her record to 6-1. Kim Larabee and Bobko each collected two hits.

Lowell forensic multiple sixth in state

Nine Lowell High School students spent the weekend of May 8th at Ann Arbor for the annual state forensics tournament. This is the fifth consecutive year that the forensics team has participated in the prestigious event.

Top honors went to the multiple interpretation, "The Other Foot," which was adapted and directed by Stephen Dickerson. The multiple was awarded sixth place in state. Meredith Althaus, Corrie Wood, Stephen Dickerson, Terry Evans, Jon Silvis, Robin Hayes, and Kelly Byrne were the talented students who performed in the Ray Bradbury selection.

Finishing in the top twenty at the tournament were Pam Westcott (Dramatic Interpretation) and Jenny Dine (Informative Speaking).

The trip was supported by the Lowell Masons, who were impressed by the students' performances at a recent lodge banquet.

"Every year we place higher and higher at the state tournament," said Forensics coach Jane Gillespie. "Our students compete

against Class A schools, yet they are able to hold their own. Most west Michigan schools do not do well against the Detroit area schools. It says a great deal for the talent of Lowell students and the support they are given by the community."

"Toughlove" new in Lowell

Trouble with your kids? Help is here! A "Toughlove" group has been formed and meets every Monday at Bushnell Elementary School, Lowell. Meetings are 7 p.m. to 9 p.m. in the KIVA room.

Come and learn how to deal with teenage crisis. "Toughlove" is a loving solution for families that are being torn apart by unacceptable adolescent behavior. It is the same kind of loving approach we used when our little children had to take medicine. We knew they did not like it, but we insisted on their taking it anyway, no matter how badly we felt about coercing them to ac-

cept their medicine.

As parents we have been taught by TV programs such as Father Knows Best, The Partridge Family, Eight is Enough and books like Parent Effectiveness Training that understanding, reasoning, active listening and above all, tender loving care (T.L.C.) will solve all family problems. With some children these approaches seem to work. "Toughlove" is for those many parents whose teenagers will not accept T.L.C. Not from their parents, their teachers, their guidance counselors, nor other concerned adults.

Those young people may skip school, run away from home, abuse alcohol, dope or other drugs, get in trouble with the law, make all their own choices, get involved with others only on their own terms, or not as if they are the only ones who should make decisions about their lives, regardless of their limited information and life experience. These young people need to become aware of the reality of their choices by accepting the consequences of their own actions, no matter how badly we feel about them "taking their medicine."

Most of us, as parents, help our teenagers avoid consequences, particularly when the outcome seems beyond our expectations of what we or they can handle. Soft love, however, often becomes part of the problem that keeps our teenagers and us from experiencing the real consequences of unacceptable behavior.

This program helps you give "Toughlove" and get support from other people who understand and know that what you are doing is correct. Later on, when your young person acts responsibly, you can give T.L.C. But for right now you need to offer "Toughlove".

It must be about a year or so since we got the new law that doesn't require a front license plate. I was kind of excited about the idea when it first came into effect, expecting to see all sorts of new and clever ideas. But, frankly I've been a little disappointed. There seems to be a genuine shortage of originality in regard to those front bumper billboards.

A lot of people simply put their first names on them, and it always seems like those are the shorter, simpler names like Ed, Sue, Joe, Bob, Ann, etc. I'm not implying that there's anything wrong with short names, after all, I'm a Rog. But, it would be nice to just once see a "Beauregard" or "Winchester" on someone's front bumper. Having a name on the front bumper can make for some comical situations though. I saw a big burly guy smoking a stogie and sporting a crew cut pulled up to a light the other day. His front plate said, "Doris".

Then there are the prefabricated plates that can be purchased off a rack in the grocery store or wherever. Some of these are pretty original, at least until you buy one. Then you notice that about 60% of the cars on the road have the same license plate that you have. For Christmas I bought my wife one of those "It's Exciting To Be Polish" plates. If I had a dollar for every one of those I've seen since, I could retire on the Riviera. I will say this, my wife's is the only one I've seen that is installed upside down.

A lot of towns, cities and school districts have gotten into the act. Lowell High's "Red Rush" is about as original as I've seen, even if they did steal it from the Lions "Silver Rush" trademark. New York could have solved their financial woes if they had been smart enough to copyright the "I (red heart shape) N.Y. slogan that they came up with. You can find a "I (red heart shape) just about anything"; Ada, G.R., Michigan, Farming, Horses, etc. This red heart shape thing has been so over-played that I wouldn't dream of putting one on my bumper, unless of course I could find one that said, "I (red heart shape) Loni Anderson".

Car dealers have discovered a new mode of advertising through these front plates. I'm not sure I'd go for that if a dealer asked me to put one on my front bumper. I'm in the advertising business, and I think I would propose some kind of offer like the dealer knocking five bucks a month off my payment for the privilege of advertising on my bumper.

Some people have dug out old plates and put them on their front bumpers. You see a lot of the Bicentennial plates, and one of my employees has one from the year he was born, "1959". I didn't think anybody was born that recently, did you?

As for me, I'm "no comment". I still have the old black plate on my van, and I bought my little car after the law went into effect so that bumper is blank. I guess it will stay that way until the right idea comes along. The last good idea I had was to get hold of a "U.A.W. and proud of it" plate and putting the word "not" in front of it, but decided that was a little heavy for me. Goodbye for now, and always remember: "I'd Rather Be Sailing", "Welfare Cadillac", "Let Me Tell You About My Grandchildren", "His", "Hers", "Golfing Is Great", "I'd Rather Be Fishing", "Ford (with a light bulb for the O)", and "I'm Single And I Love It".

Recycle unlimited met Thursday

A small but enthusiastic group met Thursday evening, May 6, at the United Methodist Church educational building to talk about recycling and decide how to find a site for a Recycle Unlimited drop-off depot. Recycle Unlimited is a non-profit Grand Rapids organization that recycles several common throwaways, plus doing research on reclaiming solid waste. At present they take bottles, tin cans, aluminum, brown paper bags and plastic milk jugs. In order to locate a depot in Lowell, they would need a 12' x 24' area.

preferably paved, accessible to cars and the truck pickup. Volunteers will keep the site clean.

The group feels that this is an especially good time to start a recycling operation, in view of the closing of the Lowell dump. Recycling even the above-named items can

take a lot of pressure off the municipal garbage service by reducing the number of loads they must take to the landfill.

Another meeting is planned within a few weeks to bring a speaker with pictures to talk about recycling. We are working on finding a site. If you can help with this,

please call Jean Matyczyn. Written by Priscilla Lussmyra

State Campground Owners Predict A Busy Summer

Lower gasoline prices, increased camper reservations and the lure of low-cost vacations are the major reasons Michigan's private campground operators expect a 1 to 2 percent business increase this summer, according to the Automobile Club of Michigan.

While fees at state forests are unchanged. Although this is the second straight year for reduced employees and services at some state parks because of budget problems, many private park owners are expanding.

Some now offer petting farms and evening entertainment for children, movies and scenic nature trails. Several offer Sunday church services.

A total of 322 private parks have pools or lakes for swimming. All but seven have at-site electricity while 137 list both water and sewage hookups. Seasonal site leasing is offered at 254 parks and 204 feature summer trailer storage for nominal monthly fees.

State park reservation rules have been eased this season. Campers may reserve sites by telephone from 8 a.m. to noon and 1-5 p.m. Monday through Friday at all state parks except Ludington, Roscommon's South Higgins Lake, Holland and Bridgman's Warren Dunes.

Mailed reservations are taken by all parks. Minimum state park reserved stays have been cut from four to two days.

In Memoriam

In loving memory of our grandson David Morris who would be 9 years old on May 31.
"As we look out each morning And see the sun so bright, We think of all the sunshine David brought into our Lives. His smile was always sunny. His laugh was always gay. He gave nothing but happiness to us each day."
Grandma & Grandpa Stevens C27
