## Lowell City Council okays six digit sewer project

The Lowell City Council gave their nod of approval to a \$163,966.30 sewer project for the west side during their meeting of Monday, September 19. The project involves the installation of cement pipe storm sewers, sanitary sewers and water lines in a fifteen foot deep drainage ditch near Valley Vista Subdivision. The ditch runs 680 north from Main St. near the entrance to Valley Vista Trailer Park and then turns ninety degrees to the east and runs into the west end of Sibley Street.

The contract specifications call for the installation of the above mentioned utilities and a backfill of sand with a gravel surface. When completed, the ditch will be level with the surround-

ing ground and will be near ready for the construction of the proposed M-21 to Gee Drive connector street. The proposal also calls for the extension of Sibley St. to hook up with the new connector giving Valley Vista a new entrance to the subdivision.

The contract was awarded to Dykema Excavating, Inc. of Grand Rapids, low bidder of thirteen companies submitting bids. Of the total cost, \$92,000.00 is grant eligible. The city also has approximately \$20,000.00 in a fund at the Kent County Department of Public Works that is earmarked for sewer work. The council voted to use those funds, leaving about \$17,000.00 to be paid out the city's Federal Revenue Sharing

fund.

City manager Ray Quada said that construction could begin as early as ten days from now, thanks to the County Board of Transportation approving the project pending Lowell City Council's decision.

## Two Lowell men killed

Two twenty-year-old Lowell men died in separate accidents in the Lowell area recently. Lance Cpl. H.M. Raymor home on leave from the Marine Corps died on Monday, September 12 from injuries he sustained after falling from a moving pickup truck at about 1:45 A.M. on Saturday, September 10. Jeffery Lynn Jousma of 10527 52nd St., Lowell was pronounced dead at the scene of a one car accident at about 1:15 A.M. on Sunday, September 18.

Raymor and a friend were riding in the rear of a pickup truck driven by Leo Ryan, Jr., 20, of Lowell. The truck was traveling on Cascade Road near Snow Ave. when the accident happened. The other passenger in the rear of the pickup had been talking to the driver and another passenger in the cab, when he turned to speak to Raymor, he was gone. Foul play has been ruled out by Kent County Sheriff's deputies and prosecutors. Raymor's blood alcohol count was tested to be above the level of intoxication. Units from Kent County Sheriff's Department and Lowell Police Rescue responded.

Jousma was driving his vehicle alone, and had left a bachelor party for a friend when he crossed the centerline while northbound on Timpson near 52nd St. Jousma continued off the roadway, and sideswiped a tree before slamming into another. Kent County Sheriff's deputies responded. Jousma was pronounced dead at the scene by Medical Examiner, Dr. Steven Cohl. The accident remains under investigation.

Both men were 1981 graduates of Lowell High School. Their obituaries appear in this issue of the Ledger.

Appointments not always needed at Vanity Hair Fashions, Open five days Lowell, 897-7506.

PHOTOGRAPHY CLASS - Basic 35mm photography, Thursday nights starting Sept. 29. Call Modern Photographics 897-5606.

This fifteen foot deep drainage ditch will soon be developed into a roadway, complete with storm sewer, sanitary sewer and water lines.

## Fallasburg Festival this weekend

This is the big weekend! The fifteenth annual Fallasburg Fall Festival gets underway Saturday morning. Over 70 artists and craftsmen will display their creations for those attending the fall extravaganza. Also on hand will be assorted food booths, antique autos, children's activities and games, a replica Civil War Encampment and much, much more. There is no admission or parking fee, so come on out to Fallasburg Park this Saturday and Sunday where there will be lots to see and do for the entire family.

The Lowell Area Arts Council, with the cooperation of the U.S. Post Office through Lowell Postmaster Charlie Doyle, will have a philatelic display at the 15th Annual Fallasburg Fall Festival, Saturday and Sunday.

## Cystic Fibrosis campaign

The Breath of Life Campaign for the Cystic Fibrosis Foundation is now underway and continues through next Tuesday, September 27. Canisters have been placed in stores and restaurants throughout Lowell and Junior Girl Scouts will help fight this children's disease by promoting collections on Saturday.

"Every little bit helps," is the motto of this year's co-chairmen, Ruby Leeman and Olive Courser, who assure all who donate that it's actually the totaling up of a lot of small donations that enables the research to continue that will eventually save the lives

The display has been organized by Special Events Chairman Laura Garcia. Original designs for a special cancel and a cachet cover were designed by Jan Johnson of Lowell. Jan designed the orange and yellow logo used to advertise the Fall Festival. This design adorns the Chamber of Commerce Billboard on Main Street in Lowell. Using this design, Jan has created an orange cachet featuring the bridge to be printed on special yellow envelopes. These envelopes will then be stamped with the special Fallasburg cancel which features the rest of Jan's design, a small child holding a balloon. A post office employee will be at the information booth at the festival to cancel any mail brought to be mailed, to sell the cachet which can be cancel-

led to mail or for a souvenir, and to sell other philatelic offerings.

## Grattan Twp. honors the late Bob Lamoreaux

On Tuesday, September 13, 1983, at the Grattan Township Hall, a dedication ceremony was held honoring former Supervisor Robert C. Lamoreaux of Grattan Township.

Bob was born on the family farm in Comstock Park, MI. From a family of eight children, he was the only one interested in farming, so he was the farmer of the family. He went with Bertha (Bert) in high school and two years after graduation they were married. He attended Michigan State, where he took a course in agriculture. They lived in Comstock Park on the family farm where their six children were born. In 1960, the expressway went through their property so they decided to move. Wanting their children brought up in the country, they eventually purchased the Gilbert farm in Grattan Township.

Bob was very active in the community of Grattan, farm re-

### "MEN'S BASKETBALL STARTING"

The Lowell YMCA Men's Basketball will be meeting at the Lowell High School Gym every Monday night from 7:00 - 9:00 P.M. The fee is \$2.00 per night and is open to all men.

### WOMEN OF THE MOOSE, BRING YOUR PIES!

Women of the Moose, please bring your home made pies to our booth at the Fallasburg Fall Festival Saturday and Sunday, September 24 and 25. You can deliver your pies to the north porch of the Fallasburg Pavilion or in advance to 516 W. Main Street, Lowell.

### HARVEST SHOWBOAT SHINDIG

MARK YOUR CALENDARS!! On Saturday November 12, 1983 the Lowell Area Jaycees and Jaycee Women will be sponsoring a Harvest Showboat Shindig at Deer Run Golf and Country Club from 8:00 P.M. - 1:00 A.M. A popular DJ will be spinning records from the 40's to the 80's. All proceeds will go toward the Lowell Showboat. Stay tuned for more information.

### OFF THE BLOTTER

Involved in a property damage accident was Joyce Marie Sargeant, 43, of Lowell. Sargeant failed to yield the right of way to a vehicle driven by Bryan Rector, 20, also of Lowell. The accident occurred on E. Main St. near Lafayette Tuesday, September 13.

Scott George, 22, of Greenville and Delene Carlson, 46, of Belding collided in the parking lot of the Admiral Gas Station on Friday afternoon of September 16. Both vehicles were damaged, but there were no injuries.

A 16 year old juvenile from Clarksville turned left in front of a vehicle driven by Todd Molag, 19, of Lowell Friday, September 9, causing a collision at Main and Hudson Streets. Vehicle damage resulted.

Early Friday morning of September 16, Tammy Stepek, 18, of Lowell and Jamie Nagy, 19, of Ada collided on West Main Street near West St. There were no injuries.

Lodged in the Kent County Jail until he was arraigned Tuesday, September 13, was David Hayes, 19, of Lowell for driving while license suspended.

Arrested by Lowell Officers early Tuesday, September 13, was a 15 year old Juvenile for felonious assault, two counts of larceny from an auto and run-a-way from a home in Ionia County. He has been released to Jackson County Authorities pending Probate Court action on the matter.

Involved in a property damage accident Saturday, September 17, was Monica Heffron, 37, of Ada. Heffron struck a parked car belonging to Kenneth Bochniak, as she attempted to park her vehicle on East Main Street near Monroe.

Terry Wilcox, 35, of Lowell backed into a parked car owned by Alan Roe while attempting to park his vehicle on Main St. near Monroe.

# Obituaries

The Ledger's criteria for running obituary notices is to glean from the Grand Rapids Press, obituaries that contain deceased persons or relatives of the deceased from Lowell, Ada, Saranac and Alto. Should you know of an obituary that would be of interest to our readers, but is not listed in the Press, please give us a call at 897-9261. There is no charge for obituary notices in the Ledger.

**COLLINS** - Mrs. Zola Collins, aged 72 of Regina SW, Wyoming, the wife of John Collins, passed away Friday in Butterworth Hospital. Also surviving are her children, John W. Jr. of Kentwood, Thomas L. of Ada, Mrs. Allen (Winnifred) Goodman of Kentwood; seven grandchildren; one sister, Mrs. John Press, please give us a call at 897-9261. There is no charge for obituary notices in the Ledger. Funeral Service announcement later.

**DUNGAN** - Ethel A. Watts Dungan, aged 88, of 5726 Morse Lake Rd., Alto, passed away September 14, 1983. She was preceded in death by her husband, Eugene A. Dungan and a grandson, Pat Mendez. She is survived by her children, Dorothy Norvell Anderson and Husband, Alfred of California, Fran and John Mendez of Alto, Daniel and Jeanette Dungan of New Zealand and Sheila and George Richmond of Chicago; a brother, Renshaw Watts of England; nine grandchildren; five great-grandchildren. Cremation has taken place. There will be a memorial service at the Grand Rapids Friends Meeting at a later date.

Lillian Dines of Rockford; sisters, Dorothy Montalve, Dawn Magoon and Buffy Morgan, all of Grand Rapids; an aunt, Isobel Edwards of Lowell. Funeral Services were Thursday at the Roth-Gerst Funeral Home, Lowell, with Rev. Martin Fox officiating. Interment Merriman Cemetery.

**START** - Mrs. Fern Start, aged 84, of Grand Rapids, passed away Monday, September 19, 1983. Surviving are her husband, Joseph; her children, Steven of Alto; two sisters, Christy Jastifer of Kentwood, Tracy Jousma at home; a maternal grandmother, Marie Thiel of Hersey; a paternal grandmother, Hilda Jousma of Lowell; one niece; one nephew. Funeral services were held Tuesday at the funeral chapel, Rev. Raymond Gaylord officiating. Interment Alaska Cemetery.

**JANSHESKI** - Mrs. Gertrude Jansheski, aged 71, widow of Felix (Phil) Jansheski of Grant, MI., passed away Sunday afternoon in St. Marys Hospital. Mrs. Jansheski along with her late husband, owned and operated the Airport Floral for more than 25 years. She is survived by one daughter, Mrs. Gary (Phyllis) Van Camp of Cascade; two sons, Thomas of Grand Rapids and Richard of Ada; 15 grandchildren; six great-grandchildren; two brothers, John Popma of Grant and Harold Popma of Cedar Springs; one sister, Mrs. Howard (Marie) Lewis of Hastings; several nieces and nephews. Funeral Mass was offered Wednesday in St. Anthony's Church. Interment Resurrection Cemetery. Mrs. Jansheski reposed at the Alt Mortuary.

**GRIFFIN** - A. Ray Griffin, aged 73, of 534 Foreman Rd., Lowell, passed away September 14, 1983. He is survived by his wife, Frances; a step-son, Robert and Florence Robinson of Chicago; sisters, Mrs. Ronald (Elsie) Grummet of Lowell and Mrs. John (Nina) Fortuna of Gowen; grandchildren, Keith and Sandee Snyder and Eugene and Linda Carey and four great-grandchildren and several nieces and nephews. Funeral services were held Saturday.

**JOUSMA** - Jeffery Lynn Jousma, aged 20, son of Warren R. and Marvel Jousma, of Lowell, passed away early Sunday morning, September 18, 1983 of auto accident injuries. Also surviving are his wife, Michelle; his father, Oliver Raymor of Lowell; his mother,

## In the Service

**David L. Kenyon**, the Air Force recruiter here, Schuelke's entry into the DEP serves two purposes. First, it allows the Air Force to schedule an opening for him to attend basic training and be assigned to a job or skill area. Second, the DEP enables Schuelke, a 1982 graduate of Lowell High School, to wrap up his personal affairs before leaving home. Schuelke will enter the Regular Air Force on May 10, 1984. Following graduation from the six-week basic training course at Lackland Air Force Base, Tex., he will receive technical training in the electronic aptitude area and be assigned to an Air Force duty station.

**Daniel R. Schuelke**, 19, son of Harry L. and Ingeborg M. Schuelke, 1702 Woodgate, Lowell, has entered the U.S. Air Force's Delayed Enlistment Program (DEP). According to Staff Sergeant

## Arrows walk over Coopersville with ease

Lowell Red Arrow running back, Steve Wernet runs down field on route to Lowell's second touchdown.

The Lowell Red Arrows Varsity Football team rolled past the defending Tri-River champion Coopersville Broncos 26-6.

After a scoreless first quarter the Arrows put six on the board with 10:50 left in the second period. Senior running back Steve Wernet, capped a 62 yard drive with a 10 yard touchdown run.

The tough Red Arrow defense led by Senior, John Kloosterman with 14 tackles, and Jerry Adams with 10 tackles forced a

back Kevin Brown passed to running back Jeff Taylor. Taylor caught the ball at the 30 and ran downfield before being knocked out of bounds by Arrow defender Tim Stepek.

It looked as if the Broncos were fighting back, but the tough Lowell defense would not step aside as they sat the Broncos back on four straight running plays.

Arrows upped their lead to 20-0 with 5:04 left in the third quarter on an 11 yard pass from Gocheour to running back Steve Wernet who muscled his way in for the score. The two-

point conversion attempt by Eric Potter was stopped short.

Coopersville scored their only touchdown with 8:02 remaining in the game on a one yard run by tail back Bob Sherman. The two-point conversion attempt was no good.

Lowell scored their final touchdown with 2:15 left as running back Dennis Jannenga carried the ball 2 yards into the end zone capping a 16 play drive.

The Arrows 2-0 will match up against Lakewood 1-1 this Friday Sept. 23, game time 7:30 at Burch Field.

## Girls lose two in league play

Lowell girls basketball lost their opening conference game to the defending champion, Lakewood, 36-47.

With a strong defensive battle by both teams in the first half, Lowell held a slim 17-13 advantage at the intermission. Throughout the first half, Lowell's Amy VanderGallen was

tabbed with four fouls. Despite her absence, the defense kept Lakewood out of their inside game.

Lakewood charged out in the second half behind the outside shooting of Teresa Rose and Janet Erickson. They outscored Lowell 22-12 in the third period. Playing without a center, Lowell could not find the basket.

Lowell finished the game shooting 12 for 38 while Lakewood was 21 for 64 in field goals.

Junior Phyllis Beacher led all scorers with 17 points. Others scoring for Lowell were Kathleen Beacher 8, Vicki Harris 3 and Paula Doyle, Amy VanderGallen, Chris Ellison and Maria Ritzema all with 2. Kathleen led all rebounders with 15. On Thursday, the Red Arrows

lost a close game to Ionia 46-49. Lowell jumped out to a quick 18-2 lead in the first quarter. A quick pressing defense and a powerful fast break made the game look like a fun one for Lowell. Ionia didn't give in and closed the gap to 18-12 at the end of the quarter.

Turnovers and fouls took their toll on Lowell in the second quarter. They were outscored 9-14 but still held a one point lead at the half.

Lowell fought back but to no avail and fell short. The loss leaves Lowell at 2-2. They play Fremont away Tuesday and battle Forest Hills Northern at home on Thursday.

High scorers for Lowell were Paula Doyle 15, Kathleen Beacher 12 and Phyllis Beacher 9. Doyle had 13 of her points win the first half. Others scoring were: Amy VanderGallen 6, Maria Ritzema 2, and Vicki Harris 2.

Amy VanderGallen grabbed 9 rebounds and Kathleen Beacher 6. Kathleen also had 4 steals while Phyllis Beacher dished out 5 assists.

**cozy corner**  
By Roger Brown

I'm blessed with being a fairly heavy sleeper...most of the time. Last night was an exception, and I can't believe I'm here at the typewriter with about two hours of sleep under my eyelids. It's times like these that make me wonder if this column is worth the effort (don't answer that), or at least question my rationale for ever getting into the habit of writing it at 4:30 A.M. on press day.

The old gray matter doesn't have enough current surging through it on two hours of sleep to make it very creative. This is just the type of situation I suspect Ann Landers was in when she dredged up some old column and tried to pawn it off as new stuff. I still can't understand what all the fuss was about, the TV networks are showing reruns down our throats all the time. But, since Ann got into so much trouble, I've decided that I'd better not try reprinting an old column, even if it would be a lot better than something I'd churn out with only the basic brain cells functioning.

So what make for a sleepless night in the Brown household? The normal stuff I guess: barking dogs, a windblown shade, loud cars, Terese rolling over, barking dogs, a train going by, barking dogs, barking dogs, barking dogs! I'd like to round up all the dogs in a two block area, mine included, lock them in a six by six room and let them listen to each other bark and howl for awhile.

I got into a discussion a couple of weeks ago with a guy who used to live in town, but now lives out in the sticks south of Lowell somewhere. He was going on and on about how peaceful it is out there, and how he can go out and do his yard work in his underwear if he wants to. I disagreed, and defended my location in town as being better because of the convenience, especially with two young kids who would have to be provided with a taxi service if we lived in the country. If I have many more nights like last night, I just might stick a "for sale" sign in the front yard, and check the Grand Rapids Press for a used Checker cab.

Sorry, but with two hours sleep, that's about as good as it gets.

The first police force in America consisted of a "Rattle Watch" of eight men, established in the colony of New Amsterdam in 1658.

## Missionary convention at the Missionary Church

The Lowell Missionary Church will hold its annual Missionary Convention this week, September 22-25. Thursday and Friday at 7:30 P.M., the speaker will be Rev. Richard Black. A world traveler who committed his life to Christ while in the navy, Rev. Black and his wife, Pat, decided to settle in Sierra Leone for their missionary service. They began as houseparents in the school for missionaries' children at Kabala, where Dick used his engineering and maintenance skills to keep things running smoothly. After two years at the school, Dick is now busy using his skills in the capacity of field maintenance engineer. You will enjoy hearing Dick relate his many and varied experiences in helping with the development and growth of the national church in Sierra Leone, West Africa.

Pauline Muselman

Dick Black

Both Richard Black and Pauline Muselman will be present for a Saturday morning brunch to be held at the church at 10:00 A.M. This informal time will afford a good opportunity to get better acquainted and ask questions. Miss Muselman will also be speaking Sunday morning at 9:45 and 11:00 A.M. Pauline has completed seven terms of missionary service in Ecuador. Many times she may be the only American woman among thousands of Ecuadorians, but Pauline couldn't care less. Dedicated to winning souls and building the Church, she has learned to live as simply as the people whom she serves. Trained as a school teacher at Taylor University and Indiana Central, she is also a graduate of Fort Wayne Bible College. Though small and retiring, she is gripped by deep convictions.

Seven past presidents were present. There are twelve living past presidents. Each past president received a red carnation. The guest speaker was Rev. Alma Grotfelty. She spoke about Faith, Friendship and Community Fellowship. She, too, is a past president of Lowell Women's Club. One new member, Helen Schaeffer, was taken in. Different projects to be done throughout the year were discussed. The project of making an "Heirloom Quilt" will be started in October and finished in time to be sold at the May Spring Luncheon. Anyone wishing to help with the quilt should contact

She speaks Spanish fluently and can do anything from repairing an organ to teaching in a Bible Institute. She has helped to form churches in San Lorenzo, Limones, Muisne, and Quininde. You are invited to hear this dedicated missionary relate her experiences in the province of Esmeraldas, Ecuador. Pastor Glenn Marks extends an invitation to everyone to attend these services and hear the challenging messages. The Missionary Church is located at 10501 Settlewood Drive.

## Lowell Women's Club News...

The Lowell Women's Club met at Schneider Manor on Wednesday, September 14, 1983. A delicious luncheon was served by the past presidents and our new President, Ellura McPherson in honor of all past presidents.

Planned Parenthood Centers of West Michigan is offering classes in Lamaze childbirth Education for mothers expecting in December and their coaches. To register or for information call Shirley at 774-7005.

On October 4, 1933 Ray and Dorris Alexander, 432 Lafayette, Lowell, were married in Goshen Ind. On Oct. 2, 1983 their children and grandchildren will be honoring them with a get-together at Lowell Methodist Church Education Building from 3 to 5 P.M.

## Toma, "Tells it Straight"

David Toma, a former New Jersey policeman and drug addict, whose life was depicted in the "Baretta" television series, "Tells It Straight" to teenagers and parents during two separate presentations Tuesday, September 27 at Calvin College Field House.

The morning session, 9:00-11:30 A.M., will be attended by busloads of students from 35 public and non-public high schools in Kent County. The evening program, 7:30-10:00 P.M., is open to all parents, youth and concerned citizens. Admission is free.

This event, co-sponsored by LISTEN Community Crusade Against Drugs and Kent Intermediate School District, is intended to help teens and parents realistically evaluate and act on problems of drug use among youth. Since 1961, Toma has spoken to students all over the United States about substance abuse with dramatic results.

Because of the limited seating, students at Lowell High have been randomly selected to see if they want to attend the presentation.

There may be some room left, and parents who are interested in having their student attend should call the Student Service Center at Lowell High School, 897-9202 by Friday, September 23.

## HOMESPUN DEVOTIONS

by Pauline E. Spray

...My grace is sufficient for thee... (II Corinthians 12:9). "Mama, I just love going to bed when we have clean sheets," one of the children once said to me. Fresh clean bed linen is a delight. After an exhausting day, the freshness of newly laundered, sweet-smelling bedding brings relaxation and healing to a weary body.

Slipping into a new day is much like slipping into a newly made bed. Both are fresh and wrinkle-free. This morning we have the privilege of forgetting the trials of the past. Instead, we can look forward to the hours ahead, knowing whatever this day brings us God's grace will be sufficient. Today we forget the mistakes of yesterday. Before us lies a clean and unmarred slate. God forgives and forgets. So must we. The new day is a time of forgetting to a certain extent the accomplishments of the past, as well. New horizons beckon us. If we glory too long in past successes, we may miss the challenges of the present and future.

Good-bye yesterday with your trials, mistakes, and successes. Welcome new day with your opportunities for greater achievements. This is "a new day - a new beginning."

Prayer: Heavenly Father, I thank Thee for the blessings of the past. Give me courage for the challenges of today. Help me to live victoriously. I rest on Thy promise. Thy grace is sufficient for me. Amen.

All the way my Saviour leads me, Cheers each winding path I tread, Give me grace for ev'ry trial, Feeds me with the living bread.

Fanny J. Crosby

## Happy Birthday

SEPTEMBER 22: Mark Kloosterman, Anita Miller, Paul Whaley, Ellen Ritzema, Mike MacDonald, Dawn Yseldyke, Rosie Fonger.

SEPTEMBER 23: Sally Johnson, Ellen Moore, Dawn Perala, Cla Avery.

SEPTEMBER 24: Kenny Gregersen.

SEPTEMBER 25: Carolyn Thaler, Sara Swift, Theresa Deser, Don Fizer.

SEPTEMBER 26: Kelly Dickerson, Earl Maynard, Jr.

SEPTEMBER 27: Kris Sene.

## Capitol Column

by Senator Dick Posthumus

The Republican proposal calling for the establishment of a Michigan Opportunities and Skills Training Act (MOST) was introduced this week in both houses of the Michigan Legislature.

Specifically, the measure would require all able-bodied, employable recipients of government assistance to participate in education, job training, or community work experiences in order to continue receiving their welfare benefits.

leagues. With 23 senators on board, passage is virtually certain in the Senate. The measure also has received considerable editorial support from the news media and Governor Blanchard has endorsed it in concept.

The intent of this educational program is not to punish, but rather to help Michigan's employable, able-bodied recipients back into the world of work, responsibility and self-esteem.

The program does not call for additional state money. Michigan's 1983-84 Social Services budget totals \$4 billion dollars. Only a small portion of that amount would go into educating, training and employing the economically disadvantaged under the MOST program.

The program would be funded with \$39 million from next

year's Social Services budget. The money would come from \$43 million set aside in next year's budget for a workfare and/or home heating assistance program. Considering that every 1,000 welfare cases cost the state roughly \$2.5 million, it is clear that an effective training and education program will more than pay for itself by cutting the need for public assistance and making taxpaying citizens out of those currently caught in the debilitating welfare trap.

Neither will it establish another state bureaucracy. County Social Services boards would be given primary responsibility for administration of the program because they have more information about the needs and resources of their communities and residents. Also, passage of

MOST will ensure consistency among the 83 counties, many of which have similar programs already in operation.

The MOST program is one portion of an overall Republican

plan to restore Michigan's economic climate, create jobs for the unemployed men and women in our state and provide a well-trained work force for business and industry.

## Births

Mark and Sharon Hines of Lowell are proud to announce the arrival of Kyle Joseph, born August 25, 83 weighing in at 8 lb. 7 oz. and 21" inches long.

Kyle joins a brother Curt at home age 3. Grandparents are Richard and Mary Bancroft, of Alto, Joe and Phyllis Hines of Palm Harbor, Florida. Great grandparents Esther Bancroft, Lowell and Laura Dey, Grand Rapids, Lloyd V. Uber, Scottsdale, PA.

Glenn and Merlene Zaetsch of Imlay City announce the birth of their son Kenneth Glenn Zaetsch at Hurley Medical Center, Flint. He arrived September 13th, 1983 weighing 7 lbs. 3 oz.

Proud grandparents are Mr. and Mrs. Clark Fletcher of Lowell and Mr. and Mrs. William Zaetsch of Imlay City.

## Facts down the line.

Because your telephone business office is busily engaged in normal, day-to-day telephone service matters, we are providing this toll-free number as a source for answers to the questions you may have about your changing telephone company. We also suggest that you watch for our informational messages in your newspapers and in your monthly telephone bills. 1 800 555-5000

IT'S AT&T WE'RE SEPARATING FROM... NOT YOU.

There comes a time in your life when you have to go out on your own. That's what Michigan Bell will be doing in January of next year, when we separate from AT&T and become a part of Ameritech, a new holding company for five midwest communications companies which include Illinois Bell, Indiana Bell, Michigan Bell, Ohio Bell and Wisconsin Telephone.

Frankly, a change like that could be unsettling, but we welcome the challenges it presents and the opportunities it provides to serve you even better. We've had time to think about it, to plan for it, to make sure that when you pick up your phone on January 1, 1984, you'll make those calls just as you always have. And you'll get the same reliable Michigan Bell service you've come to expect over the years.

Sure, there'll be some changes, but nothing we can't easily handle together. For instance, AT&T will be leasing you the phones Michigan Bell now provides you for a monthly fee. You may continue to lease them if you wish, or you may buy your own. The choice is yours.

There could be some changes in how your telephone repair needs are met... depending upon whether the problem is with the service or the equipment. Not a big thing for the most part, except for the possibility of new phone numbers to call if you need help.

You may notice one change right off... extra pages in your phone bill. That would be the result of your getting more billing information than you're used to seeing.

As we said, changes and choices... some now, some later... but nothing you can't take in stride with a little assistance. That's where we come in.

In the weeks ahead we'll be keeping you up to date with more detailed information on the changes as they take place.

We mean to make this transition as easy for you as possible because we want to be on the best of terms with you for a long, long time.

After all...

IT'S AT&T WE'RE SEPARATING FROM... NOT YOU.

IT'S AT&T WE'RE SEPARATING FROM... NOT YOU.

IT'S AT&T WE'RE SEPARATING FROM... NOT YOU.

IT'S AT&T WE'RE SEPARATING FROM... NOT YOU.

## Lowell rider wins at M.S.U. Show

Valerie Kuyt, 14, of 10739 Cascade Road, Lowell walked away with a reserve champion ribbon in the hunt seat equitaneer class at the Michigan State University State show recently.

## G.R. Riding Club show results

The Grand Rapids Riding Club has completed its 1983 Horse Show Season with the final All-Trophy show held August 27 at Hidden Valley Showgrounds in Ada. Horse and rider points for the season were tallied and the winners were announced at the conclusion of the show.

The \$2500.00 Imperial saddle for High Point winner of the four shows went to Lynn Croel of Marne riding Thunder Robin. Merry Schmiege of Whitehall on Streak-a-shee took second place honors and received a silver show halter. Cooling blankets were awarded to Tricia Collins of Wayland on Poco's Vanity Fair for third place and Dawn Thompson of Lowell on Winna Dodger for fourth place.

Four perpetual trophies were also awarded. Two grand champions were awarded the Charles E. Powers Showmanship Trophy as a result of a tie. They were Tricia Collins and Dawn Thompson - the reserve ribbon went to Lynn Croel.

The Deborah Ann Ruth English Equitation Perpetual Trophy was presented to Merry Schmiege with reserve going to Dawn Thompson.

The Roger A. Slykhouse Pony Trophy was earned by Jennifer Haan of Byron Center riding

Jen's Joker. Jenny Fowler on Windswept Breeze received the reserve ribbon.

Dawn Thompson and Merry Schmiege came in first and second to win an additional championship, the Charles E. Zecrip Western Equitation Horseman-ship Trophy.

## Alto sisters win in Lot' a Luck season

Lot's a Luck Horse Arena awarded Year-End High Point trophies Sunday, Sept. 18. Kirsten Hawk with Shad, her own bay gelding, was high point winner in the 13-16 year old class. While her sister Katie Kawk on Dolly, her pinto mare, was high point winner in the 9-12 year old class. Second place winners in these classes were Ann

## Qua-Ke-Zik Sportsman's Club hosts Mich. Bow Hunters Shoot

The Qua-Ke-Zik Sportsman's Club hosted its annual Michigan Bow Hunters shoot on Sunday, September 11th. Archers arrived from Muskegon, Kalamazoo, Reed City, Owosso and several other cities. Skills were honed and tales were spun as seventy-two men, women and children enjoyed the sunny skies and pleasant temperatures, while strolling through the woods shooting at deer and bear silhouettes. The shooters were honored by the presence of representatives from the Pro Line Company, a popular bow manufacturer from Hastings, Michigan, who offered their expertise when requested.

Other novelty and fun shoots added to the fellowship and fun of the day. The day was finally consummated by a drawing for the many gifts donated by local merchants and archery retailers and manufacturers from several states. The Qua-Ke-Zik Sportsman and Michigan Bow Hunters extend their gratitude to

these donors: Trapp's Sporting Goods, Lowell Granite Company, Anderson's Shoe Store, Hahn's Hardware, Fritts Bait Shop, Blue Ribbon Feed, Showboat Automotive, Lippert's Pharmacy, Haybarker's Riverside Fireplace Shop, West Apparel, Blue Crocodile Ceramics, Bruce's Shoe Shop, Pro Line Company, Easton Aluminum, Pete's Bowhunter Shop, Wild Wings Gallery, Ranging Inc., Kwikce Kwiwer Co., Inc. Bohning Co. LTD.

State Savings Bank, R.G. Wolpe & Sons Amoco, Birchwood Gardens, Village Party Shoppe, Wesco, Erb Lumber, Dav's Sporting Goods, Heritage Meat Market, T.J. Restaurant, Clark Plumbing & Heating, Bear Archery Center, Bob's Carpet Cleaning, The Horn Shop, Saunders Archery Co., Wabash Diamond Abrasives, Flex-Flech Products, Fred Lutger's Buck Lure.

## Fertilize your lawn now

Before you retire your lawn care equipment for the winter, one last task remains: a final lawn fertilization.

Turfgrass specialists at Michigan State University advise applying a high nitrogen fertilizer to dormant lawns before the soil freezes. Fertilizing in the late fall helps thicken weak or sparse turf and strengthens the turf to withstand the winter. More importantly, it promotes root development that will strengthen the lawn in the coming year. It also provides the nutrients that grass plants will use to green up slowly without a lot of topgrowth the next spring. This means you aren't running for the lawn mower every couple of days and mowing when the soil is too wet. Because clippings are fewer, you can return them rather than remove them from the lawn.

Growth that occurs after fertilization could leave the turf more susceptible to winter injury. This is not likely, however, if you apply fertilizer at the recommended rates after the grass has stopped growing. This is usually about the first or second week of November in most of lower Michigan.

Although the possibility is remote, a heavy rain just after application could result in some water pollution by fertilizer runoff. To avoid this, put on no more than 1 pound of actual nitrogen per 1,000 square feet. On sandy soils, cut that to 3/4 pound. If it's available, use fast-release nitrogen - urea or ammonium nitrate. Slow-release forms are more expensive and

their nutrients are not available to the plants during late November and December when roots can still grow and develop.

Fertilizing before the ground freezes reduces the potential for runoff. Applying the fertilizer carefully with a spreader is also important. Fertilizer carelessly scattered on pavement and other hard surfaces goes straight into storm sewers or ground water. Turf, however, is a thick mat. Fertilizer that gets through that tangle to the soil in quantities that meet but don't exceed the lawn's needs is not likely to go much farther.

Toads in your garden should always be a welcome sight, says National Wildlife's Ranger Rick magazine. One toad eats up to 10,000 insects in one summer.

You think you live in cramped quarters? Cave dwelling bats may roost at densities of up to 3000 bats per square foot, according to International Wildlife magazine. And a single cave may house more than 40 million bats.

Despite fears that bats are rabid, only 10 people in the United States and Canada have died of disease from bats in more than 30 years, says International Wildlife Magazine. In contrast, more people are killed annually in the U.S. by dog attacks, bee stings or lightning.

# FALL COLOR SHOW TIMES

From the rolling hills of the southern counties to the rocky crags of the Upper Peninsula, Michigan's fall color extravaganza is a show place for the nation, reports the Automobile Club of Michigan. Michigan offers at least 85 species of soft and hardwood trees which change colors, more than any other state. Twenty percent of the nation's sugar maples, renowned for their vivid fall colors, are located in Michigan.

Brilliant colors of brown, orange, red and yellow mixed with the green of spruce, pine and other firs supply a beautiful backdrop for many popular autumn activities.

Michiganians can take color tours by automobile, boat or train, explore a nature center, visit a college campus on a football Saturday, attend a fall festival or sip freshly squeezed apple cider at one of the state's many mills.

Colors should be best from mid-September through mid-October in the U.P. and in the Lower Peninsula north of a line from Ludington to Standish.

In central Lower Michigan south to a line from Muskegon to Port Huron, fall colors usually peak from early to mid-October. Southern Lowell Michigan's forests are at their zenith between mid and late October.

Ideal conditions for good color development are warm, bright days and cool nights. Cloudy, wet days combined with warm nights usually mean a shorter, less spectacular season. Forestry experts say this autumn has great color potential.

Many festivals and special events are in full swing during autumn.

In West Michigan, there are the Rockford Harvest Festivals every weekend in October: October Festival, Sept. 23-24 in Grand Rapids; Red Plannel Festival, Oct. 1 in Cedar Springs; Viking Color Festival, Oct. 1-8 in Cadillac; Color Cruise and Island Festival, Oct. 7-9 in Grand Ledge; Autumn Festival, Oct. 9 at Ludington's White Pine Village, and the Old Fashioned Fall Festival, Oct. 15 at Middleville's Historic Bowers Mill. Leisurely lunch cruises aboard the Star of Charlevoix leave daily through Oct. 15 while dinner cruises are scheduled for Friday and Saturday evenings.

East Michigan is celebrating the season with Fall Harvest Day, Oct. 1 at Alpena's Jesse Besser Museum; Fall Harvest Festival, Oct. 1-2 at Midland's Chippewa Nature Center; Tuscola County Pumpkin Festival, Oct. 6-9 in Caro, and the Harvest Bazaar Farmer's Market, Oct. 8-9 in Standish. In addition, the Au Sable River Queen paddle wheelers run daily weather permitting through Oct. 16 at Foote and Five Channels dams west of Oscoda.

Southeast Michigan events include the Autumn Harvest Festival, Sept. 23-25 at Dearborn's Greenfield Village; Autumn Fest, Oct. 1 in Northville; October Fest, Oct. 1-9 in Dearborn; Original Old Work Market, Oct. 1-2 at Detroit's International Institute; Apple Harvest Festival, Oct. 7-9 in Ypsilanti; Apple Festival, Oct. 9 in Plymouth, and the American Country Craft Fair, Oct. 16 at Dundee's Old Mill.

Some popular fall activities in the U.P. include Pictured Rocks Boat Tours which leave Munising daily weather permitting through Oct. 1; the Iron Horse Steam Railroad which leaves Marquette daily through Oct. 2, and a visit to the Seney Wildlife Refuge near Gemfask.

There are two attractions near Tahquamenon Falls; the Tooner

ville Trolley and Boat Trip daily through Oct. 6 and the Tom Sawyer Riverboat and Paul Bunyan Timber Train daily through Oct. 10.

In addition, many local communities, such as Grayling and Houghton Lake, plan annual fall color tours.

Auto Club members can call their local branches or the Travel Information Center in Dearborn for the latest information on color development.

The Michigan Travel Bureau has a guide titled "Michigan In Autumn," which lists 20 scenic routes ranging from 60 to 228 miles in length. Copies of the guide can be obtained free by writing the Michigan Travel Bureau, P.O. Box 30226, Lansing 48909, or by calling toll-free 1-800-292-2520.

## Cruising, a good buy this winter

With costs up less than 4 percent over the past two years, cruise packages are expected to lure a record number of travelers during the 1983-84 season, reports the Automobile Club of Michigan.

"Cruise reservations for the 1983-84 winter season are 10 percent ahead of the same time last year," stated Victor Szymanski, Auto Club Group Tours manager.

Since 1979, the Auto Club has had a 20 percent increase in cruise sales.

The Auto Club, Michigan's largest travel agency, notes that many cruises today include air fare to and from the ship port, an added economic incentive to travel. Travel industry observers predict that in 1984 the number of cruise travelers could hit the two million mark, nearly double the number five years earlier.

"We have a cruise tailor-made to suit every traveler's interests and budget, from a one-week three-stop Caribbean cruise for \$880 to an inter-island Hawaiian cruise for \$2,888," Szymanski said.

Nearly 90 percent of the Auto Club booked cruises are to Caribbean destinations. Summer Alaskan cruises have increased in number recently. While cruises are popular year-round, the peak season runs from December through mid-April.

For many passengers, the attraction of a cruise is the ease with which one travels. "You unpack your suitcase once, no matter how many ports you stop in," Szymanski said. "You don't have to worry about how much your meals will cost."

"With a cruise, you pay one price for everything, including air fare, transportation from all ports, accommodations, entertainment and meals," he added. "Extra money is needed only for gifts and some tipping."

# Chaffee Planetarium presents popular childrens sky show

"The Sky Tonight" the Chaffee Planetarium's popular children's show returns to the sky theater at 1:30 P.M. October 1. Shows will continue each Saturday at 1:30 P.M. through November 26.

Children of all ages are invited to participate in a planetarium experience designed especially for them. The narrator will explain, in simple terms, why we have night and day. Some of the bright stars, planets and imaginary sky figures will be pointed out. Included is the story of how the sky bear got his tail.

Adults are encouraged to accompany small children. All ages will be admitted. Admission is \$2 for adults and \$1.50 for children (15 and under) and senior citizens. Museum admission is included. Enter at the Museum's Jefferson Street entrance.

Doors open at 1:00 P.M. Come early as seating is limited and this is a very popular program.

Mayor Collins turned the meeting over to Zoning Board Chairman Maatman who opened the Public Hearing on the request of Mr. William Thompson to convert a home at 417 High Street from a single-family dwelling to a two-family.

Manager Quada explained the criteria required for such a conversion as, being located on a major street, or carrying the traffic of a major street, or being located next to a commercial or industrial zone. It must maintain a single-family appearance, and have adequate off-street parking. The request has been reviewed by the Planning Commission and was recommended for approval.

Mr. Thompson was present and stated that the house meets all the criteria except being located next to a Commercial or Industrial Zone. It also has two separate entrances and adequate off-street parking to accommodate two families.

Chairman Maatman closed the Hearing at 8:10 P.M.

The following resolution was then offered by Councilman Christiansen for adoption, supported by Mayor Collins.

WHEREAS, William Thompson has submitted a request to convert 417 E. High Street to a two-family dwelling; and WHEREAS, said house meets all the requirements of such a conversion except:

1. Street does not front on a Major Street or a street with traffic like a Major Street.
2. Street does not abut commercial or industrial zoned land.

NOW, THEREFORE, BE IT RESOLVED, that the Zoning Board of Appeals after conducting a Public Hearing on said request, does hereby grant Mr. William Thompson the right to convert the house located at 417 E. High Street from a single family to a two-family dwelling.

Carried.

Chairman Maatman then opened the continuation of the Public Hearing on the request of Mr. Allen Hull for variances from set-back and height requirements in a Single-Family Zone to allow the construction of a garage at 201 Donna Drive.

Manager Quada stated that he and City Planner Dennis Larkin had met with Mr. Hull and had looked at the half-completed structure. He said that the garage sits 30 feet from the street line, far enough back that it does not hamper traffic view. The major concern of neighbors and City officials was the height. Mr. Hull has agreed to lower the height from 16 feet to 12 feet, attach the garage to the house with some type of breezeway, and side and paint the garage to match the house to blend with the rest of the neighborhood.

Chairman Maatman closed the Hearing at 8:25 P.M.

The following resolution was offered for adoption by Mayor Collins, supported by Councilman Christiansen.

BE IT RESOLVED, that the Lowell Zoning Board of Appeals does hereby grant Mr. Allen Hull a variance to construct a garage at 201 Donna Drive, twelve (12) feet from the property line instead of the required twenty (20) feet set-back subject to the following:

1. That the garage is painted or otherwise decorated externally to blend with the house at 201 Donna Dr.
2. That the garage will be lowered to the required height.
3. That the garage will be attached to the house at 201 Donna Drive.

Carried. Yes: 4 No: 1 (Councilman Fonger)

Manager Quada announced that the roof, soffit and eaves of the Library have been finished, and the project cost submitted to the Helen Look-Daley Committee for consideration. He stated that the windows are in bad need of repair or replacement and showed Council a model of a window which could be used.

Councilman Christiansen stated that he would rather not make any commitments until a decision is reached by the Helen Look-Daley Committee. Council concurred to complete all the exterior restoration work necessary, before starting the interior. Manager Quada asked permission to get quotes on getting the brickwork and stone foundation cleaned and repaired, sand blasted or whatever treatment is needed. Council concurred.

Manager Quada also announced that a land purchase agreement has been reached with Mr. William Rogers, owner of a 15 acre parcel at the South end of Monroe Street. He is asking \$10,000 on a land contract at 8-1/2% interest, with a clause for total payoff to the estate in the event of both his and his wife's death. The Manager recommended that a letter be sent to Mr. Rogers accepting the offer and committing him to the sale.

The following resolution was offered by Councilman Christiansen for adoption, supported by Councilman Maatman.

WHEREAS, the City of Lowell is interested in purchasing a fifteen-acre parcel of property located in the City of Lowell at the South end of South Monroe Street described as:

That portion of Government Lot Number 4 lying Southwesterly of the Pere Marquette Railroad right-of-way.

WHEREAS, Mr. William Rogers is interested in selling said described property for a sum of \$10,000 plus interest at 8.5% per annum; and

WHEREAS, in the event of death of both Mr. Rogers and his wife, the City agrees to pay off in total the outstanding balance to the estate,

Carried.

Council then discussed the setting of a date for a Public Hearing on a request by Mr. Rick Seese to vacate a portion of Pine Street right-of-way at the corner of Lafayette Street.

Manager Quada stated that a portion of the house on the southeast corner of Lafayette and Pine, and most of the garage is built in the right-of-way of Pine Street. It was discovered when the property was placed for sale. He also stated such is the case with several other homes on Marsac and perhaps other streets joining Lafayette. He asked if Council wished to consider the one request, or if they wished to take a look at all the streets in question and possibly vacate them all at the same time.

IT WAS MOVED by Councilman Maatman that the October 3 Meeting be set as a Public Hearing on the request of Rick Seese to vacate a portion of the Pine Street right-of-way, supported by Councilman Fonger.

Carried.

Manager Quada then headed a discussion on a request to improve Fun Street, which runs to property being developed into a residential subdivision. Fun Street divides a very small portion of the City and Vergennes Township, with most of the property for the subdivision at the end of Fun Street being in Lowell Township to the East. He stated that the County has quoted a cost of about \$17,000 to widen and grade the road bed. \$10,000 of that cost would be split between the two townships and the City.

He explained that it had been a dirt track leading to private property for years, and finally a street sign was installed on the corner of Grindle Drive. Only one home, located on the southeast corner of Grindle and Fun is inside the City, and its driveway is right off the corner. It would not serve any purpose to the City to widen it. Neither township seems interested either, and it was the consensus of the Council that the owner of the property should pay the cost if he wishes the street to serve the development.

Council concurred not to participate in the widening of Fun Street.

There were no Citizen Suggestions and no Manager's Report.

Under Council Remarks, Councilman Fonger asked about the possibility of installing "arrow" signs near the north end of Jefferson Street and the corner of Lafayette and King, because of very abrupt turns. Several vehicles have almost missed the turns at night, and accidents could occur. Manager Quada and Chief Emmons to check the areas and order signs.

Mayor Collins then appointed Mr. Gerald Kellogg to the Parks and Recreation Commission. A lengthy discussion followed on the need to establish a set of rules and regulations for the Commission to operate under, rather than just meeting at irregular intervals on a specific matter when it arises. Council concurred.

IT WAS THEN MOVED by Councilman Christiansen to adjourn at 9:21 P.M.

Approved: September 19, 1983

## \$ MONEY \$ \$ MANAGEMENT \$ Michigan Association of CPAs

A college student moving into a dormitory may cart along possessions worth several thousand dollars. According to the Michigan Association of Certified Public Accountants, it makes financial sense to include some provision in your school year budget for protecting these valuables. It takes on greater urgency if you realize that new tax laws restrict casualty loss deductions.

There are many ways to insure student's belongings, including "dormitory insurance," which is available to students on hundreds of campuses. You may be able to arrange additional coverage on your parent's homeowner's policy for "off-premises" property, or you may want to buy tenant's insurance.

Costs vary. What's best for you will depend upon a variety of factors. Before you decide the best use of your money, take an inventory. List the purchase price and replacement cost for everything of value. Once you have calculated the worth of your property, consider not only the annual insurance premium, but other factors such as:

- the amount of any deductible
- payment due dates
- the depreciation rate set by the insurer
- property coverage during breaks in school year
- possible value of casualty loss income tax deductions
- replacement costs for the property

According to one insurance company, stereos are among the items most commonly stolen from dormitories, followed by (in order) clothing, jewelry, cameras, calculators, stereo tapes and books. However, the list of valuable equipment in college dorms is a long one and includes bikes, typewriters and computers. In fact, one dormitory insurer recently increased its maximum coverage from \$6,000 to \$10,000, reflecting the increasing use of personal computers.

Insurers sometimes require students to provide an inventory of items insured and the appropriate sales receipts or proof of purchase before writing a policy. Replacement value coverage is generally more expensive, but may be worth the added cost.

Under this plan, if your new \$1,000 stereo is stolen, you can expect to recover the full cost. However, some insurers may decrease the reimbursement as an item gets older. If the same stereo is stolen a year later, you may get 10 percent less because of the depreciation schedule used to find the stereo's actual cash value.

For insurance purposes, your stereo may depreciate at 10 percent a year, but your designer jeans may lose value much faster. The "fair market value," or the property's value at the time of its loss, is also considered in the casualty loss deduction for income tax purposes, CPAs note.

The costs of property insurance vary, depending upon the insurance company, any deductible and the amount of coverage. "Dormitory insurance" costs as little as \$22 a year for a \$2,000 policy, and up to \$160 for a \$10,000 policy. A rider on your parent's policy may cost an extra five to 20 percent of amount they currently pay. Your own tenant's policy might cost between \$75 and \$150 per year.

An area's crime rate also affects the insurance costs. If you are covered by your parent's homeowner's policy and they live in a high crime area, your "off-premises" coverage on their policy may reflect those high rates—even if your school is in a low-crime area. In such a case, you could be better off with your own coverage.

To recover any part of a loss through a tax deduction, the loss must exceed 10 percent of annual income after \$100 has been deducted for each loss, CPAs say.

If you were to lose \$2,000 in property through theft or fire, and your family's income is \$60,000, you probably would not be eligible for any tax write off. Even if you could claim the \$2,000, the actual tax saving would be around \$1,000, if your family is in the 50 percent tax bracket. This is far less than the amount needed to replace the property. Also, the \$100 you must deduct before claiming the tax deduction is probably all you would need to protect your dormitory property for the whole year.

## Local person helps victims of Hurricane Alicia

According to Margaret Duffy, disaster director for Kent County Red Cross, disaster relief operations created by Hurricane Alicia are of staggering proportion. Duffy, of 10861 Settlewood in Lowell, left Grand Rapids on Sunday, August 21, and is assigned to the Red Cross Disaster Service Center in LaPorte, Texas, approximately 25 miles from Houston.

Because of a continuing power outage affecting 300,000 families in the Houston-Galveston area, Red Cross has increased its mobile feeding efforts with 65 vans and canteens feeding 30,000 meals a day to victims and emergency workers.

Although only five shelters remain open, there are thousands of persons applying for assistance. More than 800 homes were destroyed, with more than 7,500 homes and 3,000 apartments suffering major or minor damage. Six thousand Red Cross clean-up kits — mops, brooms, squeegees, brushes and cleaning liquids — are being given to families in the gigantic clean-up under way.

Duffy is one of 217 Red Cross volunteers and staff from throughout the United States who are working with more than 1,100 local volunteers to provide assistance to the large number of families needing help.

Duffy is working in the Family Service area of the disaster relief operation interviewing individual families as to the extent of their losses, their resources and the appropriate sources for aid. The Red Cross will provide immediate assistance to persons affected by disaster in terms of food, shelter, clothing and medical supplies. Red Cross may provide for essential household furnishings such as beds and refrigerators for families without resources who have suffered total losses of household goods.

Most recent estimates are that Hurricane Alicia will cost the Red Cross four and a half million dollars in disaster relief services. All Red Cross chapters are accepting contributions to help defray the enormous cost. Persons interested in donating for disaster relief may send them to Kent County Red Cross, 1050 Fuller, N.E., Grand Rapids, Michigan, 49503. Donations earmarked Hurricane Alicia Relief will immediately be transferred for use in this Red Cross operation.

Protect young trees from damage by mulching around the trunks so weeds don't grow nearby and hand trimming near trees when needed.

### CITY OF LOWELL NOTICE

A Public Hearing will be held before the Lowell City Council-Zoning Board of Appeals on Monday, October 3, 1983, in the Council Room of City Hall, 301 E. Main Street at 8:00 P.M.

Purpose of the Hearing will be a request to vacate a portion of street right-of-way at the corner of Lafayette and Pine Streets.

All interested persons will be afforded an opportunity to be heard at that time. Written comments should be directed to the City Manager at 301 E. Main Street, Lowell, MI 49331.

City Clerk  
C46-47

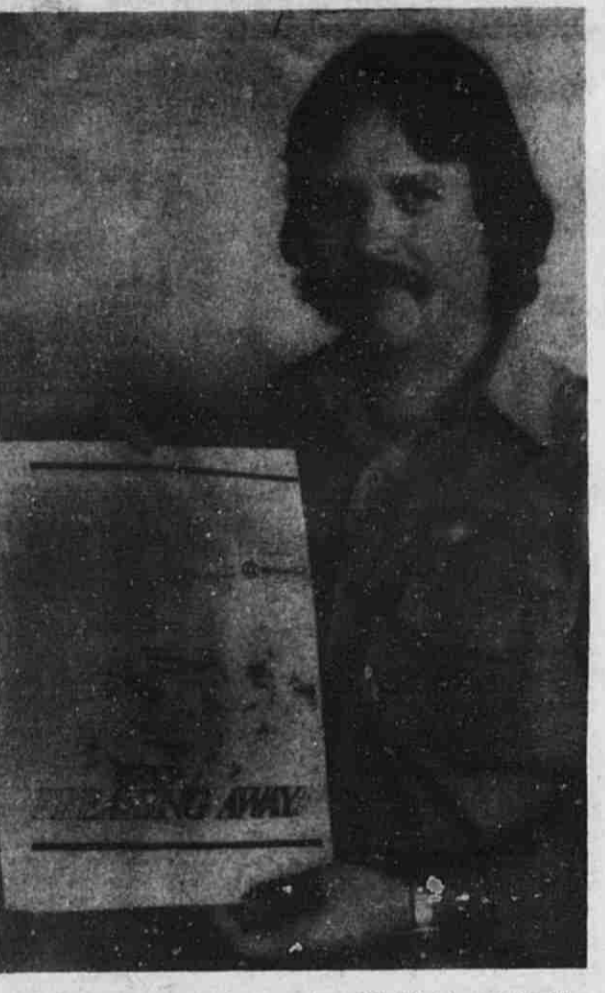

## Michigan Bell uses local artist work uses

A major step forward in the career of Lowell freelance illustrator Gary Elridge appears in this issue of the Grand Valley Ledger, and in newspapers all across the state this week. Elridge, 32, has been a freelance illustrator for the past six years, but the artwork he drew for a Michigan Bell ad recently is his first breakthrough into a big ad agency from the metropolitan Detroit area. The artwork for the Michigan Bell ad depicts a runner "breaking away", which is symbolic of the ad's theme of Michigan Bell breaking away from its parent AT&T.

The art that was finally used in the ad was Elridge's third offering to the agency, and was actually just a sketch of what would have been a fourth version. But according to Elridge, the agency like the sketch just as it was, and decided to use it. Elridge said, "That was fine with me because I was getting tired of re-drawing it".

Elridge is a 1974 graduate of the Kendall School of Design and worked for two ad agencies before striking off on his own in 1977. Besides Michigan Bell, Elridge has done work for such noted companies as Upjohn, Dow Chemical, Old Kent Bank, Baker Bookhouse and Zonderman's Publishing.

Elridge resides at 163 S. Center with his wife Tricia, a son, Mark, 13, and two daughters, Tammy, 10 and Samantha, 7.

Gary Elridge holds a final version of his Michigan Bell ad before it was used for paste-up in this week's Ledger. The same ad with Elridge's artwork is appearing in publications all over the state.

## Weed trimmers can damage trees

The long list of ways to kill landscape trees has a new addition: nylon filament weed trimmers.

Harold Davidson, Extension horticulture specialist at Michigan State University, says the nylon line can seriously damage the bark of most young trees, especially the thin-barked species such as ash, maple, honey locust and birch.

Repeated slashing of the bark on all sides of the tree may kill it by girdling it. Less serious injury to the bark may open the tree to attack by insects or disease organisms.

Protect young trees from damage by mulching around the trunks so weeds don't grow nearby and hand trimming near trees when needed.

# 1983 Guide to 120 Cider Mills in Michigan

Caramel-dipped apples, fresh cider and a pick of plump pumpkins and apples are among the many fall treats awaiting visitors to southern Michigan's 120 cider mills, reports the Automobile Club of Michigan.

"Besides relaxing in a rustic setting with a glass of cider, visitors also can go antique-hunting, board a hayride, sing along with live country music or enjoy a pony ride at many of the mills," stated Auto Club Travel Operations Manager James Drury.

The 120 mills listed on the Auto Club's 1983 guide are now open and range from a 150-year-old antique pressing mill with an operating water wheel to modern streamlined facilities.

Many mills offer such craft demonstrations as candle making. Some have children's playground equipment while others have a small working train for tours.

The Michigan Apple Committee predicts that 18 million bushels of apples will be picked from Michigan orchards this fall. The total is down 22 percent from last year's 23 million bushels, due to a mild winter, the

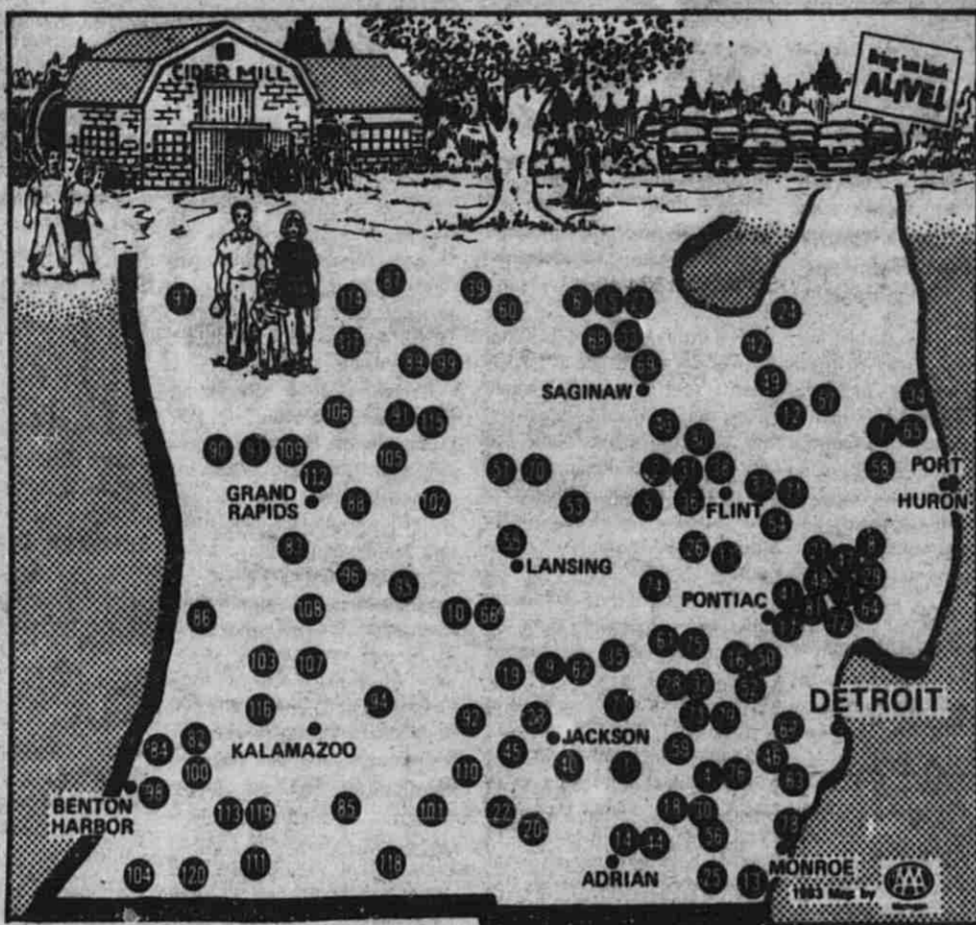

heavy snow the first day of spring, a freeze in May and less rain this summer.

"While this year's apple crop is slightly below the five-year average, there still will be plenty of cider available at prices comparable to last year," Drury said.

A gallon of cider this fall should be priced from \$1.50 to \$3.50. A dozen donuts will be priced from \$1.50 to \$3.20.

"Some mills allow customers to bring their own jugs which can save up to 30 cents per gallon," Drury added. "This year 47 mills allow custom pressing for those who bring their own apples."

While most mills allow customers to view pressing operations and many give tours or demonstrations, visitors interested in watching should call ahead for pressing times and dates.

A bull would be just as infuriated by a matadore's green cape as by a red one, says International Wildlife magazine, since a bull has little or no color vision.

**Leave garden residues for wildlife**

As you give your vegetable garden a final fall clean-up this year, consider leaving some plant residues for wildlife.

Glenn Dudder, Extension wildlife specialist at Michigan State University, suggests leaving bean plants and beans that got too mature to be harvested, corn stalks with nubbin ears that never grew big enough, oversized summer squash, winter squash and pumpkins with soft spots or frost damage, leafy vegetables that went to seed, and the tough outer leaves and stalks of broccoli, brussels sprouts, cabbage and the other cole crops as an emergency food source for wildlife.

You can still clean up the garden to reduce the carryover of insects and diseases.

Remove and burn or put out for the trash pickup any diseased plant materials, including corn that has been infected with smut, wilt-stricken squash vines and blighted tomato and potato plants.

Till or plow under stands of weeds and mulch that might provide overwintering shelter for squash bugs, cucumber beetles, Colorado potato beetles, European corn borers and other pests. But leave residues of healthy plants that could serve rabbits, birds and, in rural area, deer as a winter food reserve.

"Don't be surprised if some of the less palatable foods stand untouched for weeks or even months," Dudder says. "The beans and squash seeds will go quickly, while things like brussels sprouts stalks and leaves may remain a long while. But when snow gets deep and bark is about the only other food available, even those tough old stalks may be consumed."

Leaving garden residues for wildlife may help take some of the pressure off fruit trees and other potential foods in your landscape, Dudder says. It's wise not to count on this, however, to protect your landscape plants from all harm. Mice will still be busy under the snow, so you'll still need to protect fruit trees and valuable landscape plants with either physical barriers or taste or odor repellents.

## Women's Clubs convention

### Lamoreaux, continued...

lated and civic organizations throughout the State. When Ray MacArthur retired as the Supervisor of Grattan Township, Bob was appointed Supervisor in 1969. He served in this position until his death in 1983.

At the dedication ceremony, which was attended by approximately 75 persons, Grattan Township Supervisor Patrick Malone read the resolution and Clerk Joyce Oberlin presented it

to Mrs. Lamoreaux. The Township of Grattan and its volunteer Fire Department has a memorial placed at the Grattan Township Hall in the form of a permanent marker and a flag pole. Bob will always be remembered not only as a dedicated public servant, but as a kind, friendly, courteous and always willing to assist people, whether it be regarding his position as supervisor or as a friend.

The 62nd Annual Convention of the West Central District of the Michigan State Federation of Women's Clubs will be held at the Methodist Church in Greenville, Michigan, Sept. 22.

There are over 800 members in six counties in the West Central District. The counties are Clinton, Kent, Ionia, Montcalm, Ottawa, and Shiawassee.

The day's program will include six workshops. The workshops are designed to provide in-

formation to each club in the district on the six departments: Arts, Education, Conservation, Public Affairs, International Affairs, and Home Life.

Guests for the day will be the Michigan State Federation of Women's Club President, Mrs. John P. Goodridge of Lansing, and Vice President, Mrs. James B. Wallace of Big Rapids.

The luncheon speaker is Mr. Les Morford, formerly Dean of Academic Studies and presently,

instructor in Social Sciences at Montcalm Community College.

Mr. Morford is an outstanding educator and received the Montcalm Community College Master Teacher Award, 1976. He also was mayor of the City of Greenville in 1976-80.

He is an interesting and entertaining speaker.

The Greenville City Federation of Women's Clubs is hosting the Convention assisted by the Montcalm County Clubs at Coral, Edmore, and Vestaburg.

Alfalfa roots sometimes grow to a depth of 30 feet.
