Audit shows "Red Ink" for Lowell Cable TV

Cable TV Department met with the Lowell City Council Monday hight to review an audit conducted last year, and to present their plans to remedy the department's current financial woes. The way the city's auditor Virgil paper. When the audit was conducted on June 30, 1983, the Cable TV Department had ex-

Representatives of the Lowell pended around \$73,000 and received roughly \$76,000. As Biggs explained, "on a cash in, cash out basis, we're making money". But, when interest on the money the TV Department owes the Light and Power for the initial construction is figured in, Biggs looks at it, the department and a fifteen year depreciation is losing money, at least on schedule is taken into account, the department is operating well into the red.

Biggs said that projected fig-

ures for a full year of operation with the system pretty well complete from June 30, 1983 to June 30 1984 show a profit of \$51,500, before interest and depreciation. With interest on its \$697,318 debt to the Light and Power Co. at 12%, that alone totals \$83,700 putting the department \$40,000 into the red for the year. Over a fifteen year depreciation schedule, the department's \$721,652 investment depreciates at a rate of about \$48,100 per year, adding that amount to the annual red ink.

Biggs noted that the Lowell Light and Power Co. will only charge 8% interest in the coming few years, and set interest on a "sliding scale" so as to give the Cable TV Department some time to become profitable. Councilman Phillip Schneider asked Biggs about the 8% figure. "Since both companies are municipally owned, isn't it just taking money out of one pocket, and putting it into another?" Schneider. Biggs explained that the Light and Power Co. had earned 11.97% on the investment of their holdings last year, and unless the Cable TV Deparment pays an interest rate near that on the money they borrowed from the Light and Power Co., then the Light Co. would be subsidizing the Cable TV Deparment. This would equate to electric customers helping to operate the TV Department even if they aren't sub-

Cable TV board member Ivan Blough explained some of the reasons for the department's red ink. The rate structure currently being paid by Cable TV customers was based on a system that was going to cost about \$425,000. Instead, the department spent approximately \$700,000. "Several things contributed to the increase in cost". said Blough. Instead of a proposed \$4,000 antenna tower using numerous guy wires and nonexpandable for additional antennas and microwave dishes, the board opted for the free standing tower at about \$40,000. The department is already in the process of adding another antenna to the tower to pick up channel 47 out of Lansing. "We couldn't have done this with the cheaper tower", stated Blough. The home converter boxes in the initial proposal were \$25.00 each, but were obsolete before the system was installed. So, more modern converters were purchased at \$40.00 each. Blough noted that Eastgate in the Woods and the areas now serviced in Vergennes Township were not included in the original proposal. Better wiring allowing for eventual two way communitcation in the Lowell system became available between the time of the proposal and the time of construction, so the board opted to install the newer but more expensive version. "These are the types of things that led to the cost over run, but make for an outstanding Cable TV system",

explained Blough.

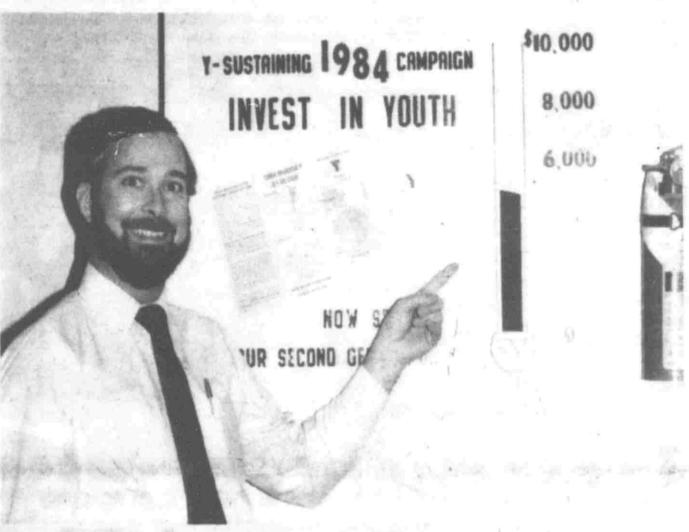

King Doyle, chairman of the Cable TV Board of Directors said that a rate increase may be necessary following the annual audit in June. Herb Haines, manager of the Cable TV Department over to a different satellite in

OFF THE BLOTTER

Scott Kitchen, 20, of Lowell was arrested by Lowell Officers on Monday, January 30 on a warrant issued by the 63rd District Court. Frank Driesens, 22, was arrested by Lowell Officers on Thursday, February 9. Driesens was wanted on a warrant issued by a Reed City Court, for failure to appear in Court.

Lowell Officers responded to 15 traffic accident complaints in the month of January, one of which involved injuries. The Lowell Medical Unit responded to 14 dispatches in the month.

Lowell City Council notes

The Lowell City Council voted unanimously to approve a driveway requested by Agnes Kent in front of her home and business at 411 W. Main Street. Kent had been before the council in a zoning board of appeals session two weeks ago, but the council deferred a decision on her request until they could review a site plan. Kent's plan calls for the paving of virtually her entire front yard to provide room for vehicles to turn around and exit forward, rather than back onto Main Street near the busy Hudson Street intersection.

Dean Collins was presented with a citation of appreciation for his five years as Mayor of the City of Lowell. Collins served for the previous five years, before being replaced by Jim Maatman during the organizational meeting of January 2 of this year. Collins still has two years remaining on a four year term as

Kiss your baby week

One of the symptons of cystic fibrosis is an extremely salty taste to the CF Child's perspiration which can be detected by kissing or tasting them on the forehead. Other symptoms include: (1) recurrent wheezing; (2) Persistent coughing and excess mucus; (3) Pneumonia more than once during childhood; (4) Excessive appetite, but poor weight gain; (5) Clubbing (enlargement) of fingertips. Suspecting parents are directed to consult their local physician.

"It is estimated that respiratory problems in children take up to 70% of a pediatricians's time and are the leading cause of absenteeism from school," said Tina Mellema, President of the Lowell Jaycee Auxiliary. "Furthermore, Cystic fibrosis is second only to cancer in the number of young lives it takes and one-third of the victims of this disease are not yet diagnosed. Because early diagnosis of CF is essential to longer life for these children, we have embarked on this statewide campaign to bring this vital health message to the people of Michi-

Cystic Fibrosis is an inherited disease for which there is neithter cure nor control. In CF a thick, sticky muscus clogs the lungs and airways creating breathing difficulties, high susceptibility to infection and lung damage. The Mucus may also interfere with digestion by preventing the flow of enzymes into the small intestine, causing malabsorption of food. Now here's something different . . . Movie director Stanley Kubrick, famous from such works as "A Clockwork Orange", "Dr. Strangelove", "2001: A Space Odessey" and "The Shining" has sent out a nationwide plea for audition tapes for his new movie; "A Full Metal Jacket". The movie follows a young Marine from boot camp through a climatic ending in heavy fighting in Viet Nam during the 1968 TET Offensive.

Kubrick is looking for "new faces" to play the parts of the young marines in the movie, and that is why he has sent news releases about the video tape auditions to all the newspapers in the country. I figure I can get a jump on everybody in the Ledger's circulation area, by not publishing the news release, and sending in my audition tape. Hollywood, here I come!

According to Kubrick's instructions, all you need is a 1/2 inch VHS or Betamax video recorder and camera. I can borrow those. Then, wearing pants and a T-shirt, I have to do a three minute acting cene which I think is appropriate, and in which I feel comfortable. I haven't decided on this yet. A scene from "The Guadacanal Story" or "From here to Eternity" would probably be most appropriate. But I'm sure I would feel more comfortable doing a scene from an old 'Gomer Pyle, U.S.M.C." episode.

Next, I'm supposed to do a minute or so telling something about myself and my interests. I figure a few white lies might not be out of order here. I plan on claiming to have a degree in acting from Harvard (does anyone know for sure if they offer one?) and mentioning a few off Broadway shows I have played in. I also think I might drop a few names of personal friends like, Woody Allen, Steven Spielberg and Sylvester Stallone. What the heck, it couldn't hurt.

Then I have to hold up a card on which I have clearly printed my name, address, phone number, age, and date of birth while repeating the information out loud. No problem here, except fudging my age a little bit. Instead of 34, I'll just put 19. The next step is the only problem with claiming to be 19 instead

of 34. I have to do a close-up and a full length shot from a front view and left and right profile. I figure a crash diet, Grecian Formula, a crew cut and lots of make-up will get me by.

Then all I have to do is label the tape with my name, address, telephone number and phony age and sent it to Stanley Kubrick, Warner Bros., 135 Wardour St., London, WIV 4 Ap England.

It may be a long shot, but like I said before . . . I at least have a imp on everybody in the Ledger's circulation area, because I didn't bublish the news release. Hey! Wait a minute, don't send in those video tapes, this is all a lie. Forget what I said here! Hold it you

In the third overtime Lowell outscored Fremont 8 to 5 for the victory. Dave Kryger sank two free throws late in the overtime period to ice the victory.

Leading scores for Lowell were Kryger 23 points, Jason Barber 14 points, Craig Potter 18 points, Pat Brown 17 points, and Luka Ivanovic with 9.

In addition to Kryger's game high 23 points, he also hauled down what is believed to be a school record 31 rebounds.

Coach Ken Akers was happy but not surprised with Kryger's performance, "It was good to see Daivd have that kind of a game" said Akers. "Barber, Potter and Brown have been going well all year. If Kryger keeps playing like that this team will be tough

Appliance & Energy (Sense ()

Attention to home appliances can help you save energy and dollars. Repair or replace faulty appliances that waste energy. Use small kitchen appliances, rather than your stove, to prepare small meals. Fondue cookers, popcorn poppers, bean pots, electric grills and skillets, etc. usually require less energy than your stove when you use them correctly. Keep these portable appliances out of drafts which can reduce their efficiency. Be sure to turn off your appliances as soon as you stop using them. Buy solid state TV's, radios and stereos whenever possible, They require less energy than conventional sets. These few simple measures can help you cut down on your energy consumption considerably.

OFFICIAL PROCEEDINGS of the CITY COUNCIL CITY OF LOWELL, MICHIGAN

Regular Meeting of Monday, January 16, 1984.

The Meeting was called to order at 8:00 P.M. by Mayor Maatman. The Pledge of Allegiance was given and the Roll called.

Present: Councilman Collins, Fonger, Schneider, Thompson and Maatman. Absent: None.

IT WAS MOVED by Councilman Schneider that the Minutes of the January 3 meeting by approved as written, supported by Councilman Fonger.

Carried.

IT WAS THEN MOVED by Councilman Collins that the Bills and Accounts Payable be allowed and warrants issued, sup-tion. ported by Councilman Thompson.

Councilman Schneider asked for, and was granted the floor by the Mayor, and read the following resolution, and moved its adoption, supported by Councilman Fonger.

WHEREAS, Dean E. Collins served the City of Lowell for six (6) years as Mayor, and

WHEREAS, Dean E. Collins served as Mayor during a period that saw completion of several community improvements; and Cruiser.

WHEREAS, the Lowell City Council desires, on behalf of the residents of Lowell, to extend their gratitude and appreciation to Dean E. Collins for said service.

NOW, THEREFORE, BE IT RESOLVED, that the Lowell City Council does hereby extend its appreciation to Dean E. Collins for his service as Mayor from January, 1978 to January, 1984.

BE IT FURTHER RESOLVED, that a Certificate of Appreciation be presented to Dean E. Collins on behalf of the residents of the City of Lowell.

Carried Unanimously

Mayor Maatman then opened the Public Hearing on the request of Agnes Kent for a variance from front and side yard set-back requirements, to allow a curb cut and the installation of a driveway and parking area in the front yard of her resi- Carried. dence at 411 West Main Street.

Mrs. Kent and Mrs. Shippy were present and stated that the drive would be only for their private use, not for the beauty salon customers. They also offered to remove the tree at the East side of the house so that they could park further back in the yard. She stated that for many years they had had an arrangement with the owners of the Standard Gas Station to park on their property, but with a change of ownership, that was no longer the case. They have made arrangements to park across Main Street on the property owned by Westdale Realtors, but it is only a temporary basis.

Manager Quada stated that his biggest concern is cars having to back out into the traffic on Main Street at the busiest inter-

section in town.

A lengthy discussion followed on installing a turn around area so that they would not have to back out, but could instead head out into traffic, making a safer turn.

Council concurred that such a turn around should be a permanent part of the variance, that should it ever be removed or blocked, the variance would cease.

The hearing was closed a 8:15 P.M.

IT WAS MOVED by Councilman Collins that the request be approved with a turn around area as part of the driveway

Manager Quada suggested that the contractor make all the necessary measurements, and submit a drawing so that Council can see exactly where the driveway will lay, so that they can make a decision, based on fact, at the next meeting.

Council concurred, and Councilman Collins withdrew the mo-

Manager Quada then introduced Mr. and Mrs. David Blodgett, the artists who would do the proposed mural for the City.

Mr. Blodgett gave a slide presentation of other murals they have done, depicting people and events or things of importance to the communtities throughout their history.

Councilman Collins stated that the Helen Look-Daley Committee is very interested in the project and is willing to fund the cost of the actual mural work, if other groups will fund the costs of the building preparation.

Manager Quada stated that several possible sites could be considered, the two side walls of the pocket park on East Main, the east wall of Pfaller's Riverfront Clothing, and the west wall of the Radio Service Company.

Council was very favorably impressed, and concurred to pursue funding for the building preparation.

Council then discussed the bid tabulation for a new 1984

NOW, THEREFORE, BE IT RESOLVED, that the lowest and best bid submitted by Thomet Chevrolet is hereby accepted and the City Manager is authorized to purchase said vehicle with funds from the Equipment Fund.

Under the Manager's Report, Manager Quada stated that he had spent one and a half days in Chicago at the E.P.A. Office trying to find out where Lowell stands on the E.P.A. Wastewater Treatment Plant Expansion Grant. He stated hat Lowell has dropped from number one on the priority list, and with 45 to 50 other projects also ready to go, it will now be lucky to get funding by 1986.

He then explained in conjunction with the wastewater treatment program, that Interstate Pipe Company will locate areas of the sanitary sewer system where ground water is leaking in, and which is not necessary to treat. Those areas will then be sealed to prevent further infiltration, and hold costs down a bit. Mayor

He also reported that the Wastewater Plant is getting back into operation since the gas leak, everything should be completed

Under Remarks from the Audience, Mr. Art Warning was present and asked for clarification on the Council's position on selling the Recreation Park ball diamond to Michigan Wire Processing. He stated that they have the poorest housekeeping operation in town, spreading out over their own property lines onto adjoining ones, destroying, then removing the City's fence, and now leaning on the fence around the "Y" pool. Some coils of wire have been stacked in the same place for over two years, and never used. Others have been placed on the newly installed City curbed areas, spilling out into the street. Their trucks block the roadway so that during baseball season, people could not even get through to go to the Park. He suggested that they buy acreage outside the City to be used for storage that can't be seen, and clean up the area where they are now, instead of making the area worse by being allowed to spread out even farther.

Manager Quada explained that at the last meeing, Council had discussed the proposition only, and pointed out that even to place the property up for sale would take a vote of the community. He also stated that the Police Department has been instructed to ticket any truck-drivers and the Company, every time any wire is dumped on City property, and added that they must sell their image to the community before an election is

Mayor Maatman also stated that Council has made no commitments whatsoever, but is merely keeping an open mind.

Councilman Fonger stated that he would like to have Mr. Fizer be present if these discussions are to continue each meeting. to address the situation directly, rather than relay information back and forth. So far, the whole expansion project has been just talk, no concrete plans have been submitted.

Under Council Remarks, Councilman Fonger asked if the Parks Commission was to be enlarged or what, as they have requested. In any case, something should be decided soon. so that they can get moving. Council concurred.

IT WAS MOVED by Councilman Fonger that the Parks and Recreation Commission be expanded from four (4) to six (6) members, supported by Councilman Collins.

Carried.

Councilman Fonger also asked about a joint meeting with Council, Lowell Light and Power Board and the Auditors to go over and explain the audit report for Lowell Light and Power and the Cable T.V. System. Manager Quada to schedule a

Councilman Schneider complimented the City crews on the snow removal job on Main Street.

Councilman Collins stated that a new election of officer should be held for the Zoning Board of Appeals, so that the Mayor does not act as head of the Board, as it was originally set up when Council took over those duties.

Manager Quada requested an executive session at the close of the regular meeting.

IT WAS MOVED by Councilman Schneider that Council adjourn into an executive session, supported by Councilman

ROBERT A BOWMAN, State Treasurer of the State of Michigan, respectully shows unto the Court

State of Michigan and makes and files this complaint under, by virtue of and pursuant to the provisions of Act as amended, and Act No. 380 of P.A. . That Schedule A annexed hereto is the tax record required by the act

first above mentioned and contains the description of all lands in the aoresaid county upon which taxes. which were assessed for the years mentioned therein, have remained unpaid for for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held DER and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were re-

turned as delinquent That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the nonpayment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a County Property Tax Administration Fee of our per cent which shall be a minimum of \$2.00 as provided by Section 211.59 1979, as amended, and (d)

\$10.00 for expenses, all in accordance with the provisions of the act first above mentioned. 4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained de linguent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land and are extended in said schedule a the next annual tax sale for the non-24 LOT 77 GREENTREE FARMS payment thereof, and that the said PLATNO.3 1981 519.96 25 LOT 78 GREENTREE FARMS

Allow 10 Weeks For Refund Checks

Taxpayers filing their 1983 federal income tax returns and claiming refunds should wait at least 10 weeks to contact the Internal Revenue Service about their refunds, the IRS says.

Generally, taxpayers who file returns early in the year may receive refunds in less than 10 weeks, unless the return was incorrect in some manner, according to the IRS.

IRS Explains Collection **Process**

When a taxpayer, for one reason or another, fails to pay the full amount of federal tax owed, the Internal Revenue Service will collect the delinquent tax in one of several ways. To answer questions about its collection process, the IRS has prepared the following:

Q. I thought I had paid my taxes and now I've received a now from the IRS saying I owe more. How can that be?

 There may be several reasons. You may not have had enough tax withheld from each paycheck, or perhaps an error was made in the preparation of your tax return. If you are self-employed or had other income not subject to withholding you may have missed making the required quarterly estimated tax

payments. Q. The IRS says I owe more tax. I don't agree. What can I do?

A. If you think that the bill is wrong. notify the IRS immediately by writing to the office that sent the bill. Be sure to have available any-records which support your claim, such as cancelled checks

or tax returns. Q. Do I have to pay the entire amount of delinquent tax imme-

diately? A. If possible. The employee handling your collection case review financial information which you provide to the IRS and determine whether the full amount can be paid at once, or if you qualify for an installment payment plan.

What if I don't pay the IRS after they notify me that I owe delinquent taxes?

A. When an individual owes more tax, a bill is sent with payment due within 10 days. Several more bills and a telephone call may also follow. If a taxp neglects or refuses to pay taxes or to make satisfactory arrangements for payment, a levy may he issued against the taxpayer's salary, wages, bank accounts, or commissions. During the levy process, if the tax bill is paid in full or an acceptable installment agreement is reached, ordinarily

the levy will be released. What rights do I have during the collection proceedings?

You, as a taxpayer, have several basic rights during all cold tion-related activities. They include representation, the transfer of a tax case to another office when your residence changes, receipts from the IRS for any payment, copies of all contractual arrangements, confidentiality of tax matters, and the elimination of a penalty with reasonable cause.

Where can I get more detailed information about the collection process?

More information is available IRS Publication 586A. The Collection Process (Income Tax Accounts) available free by using the mail-order form in your tax package.

I received a bill from IRS for some additional tax and paid the amount in full. However. after going over my records I found some documents to verify that I owe less tax. What can I

do? If your records now show that you overpaid your taxa his should file an amended return. Form 1040X, Amended U.S. Individual Income Tax Return.
