## UPCOMING HOLIDAY...

There are few holidays coming up over the next few days that we should all be aware of. Thursday, June 14 is Flag Day. Let's all show our patriotism by displaying our colors at homes, businesses and public buildings. Sunday, June 17 is Father's Day, a day set aside to honor that guy who bounced you on his knee. And though it's not an official holiday, Thursday, June 21 is possibly one of the most long-awaited days of the entire year. It's the official first day of summer, so pull on a pair of Bermudas, fire up the charcoal grill, mix up a pitcher of iced tea and soak up a little sun in a chaise lounge. Then try to etch that feeling into your memory to carry you through next February.

## 4TH OF JULY COMMUNITY BAND FORMS

The Lowell Community and Alumni Band will be forming to march in the Annual 4th of July Parade. We will rehearse on Thursday, June 28, at 6:30 P.M. at the High School Band room. For any further information please call Bob Rice 897-8959.

## School Board adopts 84-85 budget

The Lowell Board of Education held its regular meeting on Monday, June 11, 1984 at 7:30 P.M. in the board offices. Just prior to the meeting, the Board met in a special session for the purpose of holding a Truth In Taxation Hearing. This hearing provides an opportunity for public review regarding the increase in tax dollars that will be received by the district as a result in SEV and as further reduced if the Headlee Amendment affects the district during the new fiscal year.

To begin the regular meeting Board President, Roger Kropf, presented plaques to Margaret McMahon, Marjorie Richards, and Betty Yeiter who are retiring after many excellent years of teaching at the Lowell Area Schools. The Board expressed their gratitude and commended each of the teachers for their outstanding service to the students at Lowell Area Schools. A feature article on these three teachers is included elsewhere in this publication.

Following the approval for the payment of bills, Linda Zaczek, the director of the Lowell, Caledonia, and Thornapple Kellogg (LCTK) Community Education Consortium gave an audio visual presentation of what exactly the Consortium is and their activities during the past year.

The Board then opened up the meeting for the 1984-85 Budget Hearing. Following a short discussion, the Board adopted the

appropriation resolution to take effect July 1, 1984.

Under personnel items, the Board accepted the resignations of Nancy Sanderson from her part-time teaching position at the High School, Jan Whitley's extra duty assignment from JV Football Cheerleading Coach, and Jill Bussard's extra duty assignment from Varsity Basketball Cheerleading Coach. Leaves of absence were granted to Gayle DeKok and Sandy Michael for the 1984-85 school year, and the board approved extra duty assignments of Varsity Football Cheerleading Coach to Marsha LaHaye, JV Basketball Cheerleading Coach to Virginia Weber, and High School Tennis Coach to Janice Whitley.

In other matters, the Board approved the adoption of new English textbooks for the high school curriculum and the adoption of a new spelling textbook for the elementary schools. The Board then approved a contract between Grand Valley State Colleges and Lowell Area Schools to use a maximum of three teacher interns in the Special Education Program for the 1984-85 school year.

In items relating to Board policies, the Board adopted revised Board policies entitled "Tuberculosis Tests", "Superintendent of Schools", and "Assistant Superintendent". A new Board policy entitled "Grievance Procedure" was accepted on its first reading.

As part of the compliance with Title IX which deals with discrimination on the basis of race, color, religion, age, marital status, or sex and the compliance with Sec. 504 which deals with discrimination on the basis of handicap, coordinators had to be named by the Board to handle any alleged acts of discrimination. Linda Zaczek was named as the Title IX coordinator and Bill Kirby as the Sec. 504 coordinator.

In other action, the Board approved the establishment of a remedial math teaching position for grades 6 through 9 and that it be funded from Chapter I funds. Approval was given to increase

## DISTINGUISHING "INNER" FROM "OUTER" EAR INFECTIONS

One of the most common adult as well as pediatric complaints which brings patients to our office is that of "ear ache". In most cases, the ear ache will be due to a bacterial infection of the middle ear or "otitis media". Occasionally, however, the infection is located in the outer ear canal and is termed "otitis externa." This week and next week we will discuss how you can tell the differences between inner and outer ear infections, how they are caused, and how they are best treated.

### Part One - Inner Ear Infections

Middle ear infection or otitis media is an exceedingly common ailment seen in our office. It is estimated that it ranks as the ninth most frequently made diagnosis for all visits made to the office of any family doctor. It is much more commonly seen in pediatric and adolescent patients than in adults, primarily because of the differences in pediatric and adult ear anatomy. In children, the eustachian tube (the canal through which inner ear fluid drains into the throat) is aligned in a horizontal fashion, making it more susceptible to obstruction and subsequent middle ear infection. In the adult, the eustachian tube drains in a more downward direction, making infection a less frequent occurrence.

Usual symptoms of pediatric middle ear infection include ear ache, irritability, fever, and a tendency in infants to "tug" at the ear. In adults similar symptoms are present, however fever, if present at all, is usually low-grade. When your doctor diagnoses a bacterial middle ear infection, regardless of the patient's age, appropriate therapy consists of oral antibiotics, acetaminophen (tylenol) for fever or pain, and occasional decongestants to help clear any middle ear fluid. Usually, ten days of antibiotic therapy is sufficient to completely resolve any middle ear infection. In children, a re-check with your doctor is recommended after therapy is finished to ensure total clearing of the infection.

What about the child who is repeatedly plagued with middle ear infections?

This situation is commonly seen in pediatrics and is referred to as chronic or recurrent otitis media. When a child develops middle ear infections on a chronic basis (three to five times per year), a frequent complication is that of serious otitis media or the development of thick glue-like fluid in the middle ear. When this fluid accumulates, there is usually an accompanying hearing loss in the child. If examination by your doctor along with special hearing tests confirms the presence of middle ear fluid, then a trial of daily oral decongestants is appropriate in an effort to medically clear the fluid from the middle ear. If this is unsuccessful and the child continues to have ongoing hearing loss, then it is usually necessary to surgically insert small plastic tubes in the child's eardrums to facilitate continual drainage of the fluid. This relatively minor surgical procedure can be done as an outpatient and in the vast majority of cases will minimize further middle ear infections and, in addition, will correct any hearing loss due to fluid accumulation in the middle ear. Occasionally, fluid build up in the middle ear can be due to chronically enlarged tonsils and/or adenoids. In such a case, tonsillectomy will be recommended by your doctor and, as in the case of the eardrum tubes, can now be done as an outpatient.

Next week - Outer Ear Infections.

By Roger Brown

Every year for the past several we have conducted tours of the Ledger for the Bushnell second graders. We parade them through the place class by class, and give them about a thirty minute tour. This year we also had two classes from the Runciman/Riverside School, so we had four thirty minute tours altogether. I've always been glad to do this, and I always figured the kids were getting a little something out of it, but this year I received something that really made it all worthwhile. It was a folder with a remarkably detailed drawing of our big reproduction camera by Marc Walkowski on the cover and the words, "Dear Ledger, Thanks for letting us visit! Bushnell Second Graders". Inside were about thirty of the greatest thank you notes ever written. Let me share some of them with you.

Dear Mr. Brown, Thank you for showing us around. I like the cutting machine. Do you remember me? I remember you. I think it is all really neat. Do you? You are sure lucky. It was really fun at the Ledger. Sincerely, Laura Witherell.

Dear Mr. Brown, Thank you for letting us come. I think you have a nice place. I hope I can come again. I like your computer. I like your machine (machinery) Do you like us? Sincerely, Sally Gouloozie.

Dear Mr. Brown, Thank you for letting us come. The moshings looked neat. The Ledger looked neat to. It was fun. How do the moshings work (about a one inch blank was left for my explanation) Sincerely, Jason Stoutjesdyk.

Dear Mr. Brown, Thank you for letting us come I like the cutter. Did you ever get cut? My dad gets the Ledger. He gets the newspaper to. Sincerely Jacob Speersta.

Dear Mr. Brown, Thank you for letting me meating you. The Ledger looked neat inside. I could not wate to see what it looked liked. Are you working now? Sincerely, John Smoes.

Dear Mr. Brown, Thank you for leading us around. Do you get paid very much? I think I would like to work there someday. I would like to see you again. I like the machine. Sincerely, Autumn DeVries.

Dear MR. Brown, Thank you very much for letting us come. I liked the offset presses. How long would it take the big offset press to print 200 papers? The windmill was funny, I wish I could come back. It was very fun? Sincerely, Levi Harper.

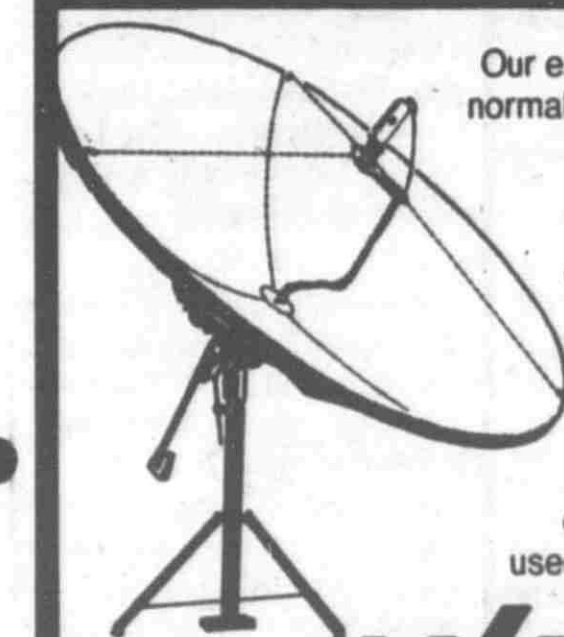

This last one is my favorite. After reading it you'll know why I like it so much.

Dear Mr. Brown, Thank you for letting us come. I think you are nice. When did you start? I know you like your job. You are a nice man. You look nice too. Sincerely, Alethea (no last name).

*The God of my rock; in him will I trust: he is my shield, and the horn of my salvation, my high tower, and my refuge... (II Samuel 22:3).*

When the telephone bill arrived, the statement on the inside wasn't exciting, but the message on the outside of the envelope was interesting. It read:

"Lonesome... feeling sort of blue. here's the very thing to do. Call the loved one far away. Presto! Everything's O.K."

The best blues chaser in the world is prayer. When we are feeling blue, when the skies are dark, when mountains of trials loom up before us, we can find relief by contacting heaven. After the connection has been made, the troubles diminish, the shadows fade, the loneliness vanishes. Everything looks bright again.

Contrary to the line in the jingle, the Lord is not far from any one of us. He is waiting to brighten the day for all who "call" Him. "He who turns aside to stop and pray will grow stronger day by day."

Don't neglect it! "Give Him a call" today.

Prayer: Dear Lord, it is a privilege to call upon Thee in every time of need. Thou wilt bear my burdens and chase the blues away. Just now Thy presence cheers my heart. Amen.

What a Friend we have in Jesus. All our sins and griefs to bear! What a privilege to carry Ev'rything to God in pray'r! JOSEPH SCRIVEN

# Tent Revival services begin June 18

In February 1982, after recuperating from heart surgery, Clifford Noe of Grand Rapids began services in the Key Heights Village Community Building.

Previously David Shaw, pastor of Benjamin Avenue Church, and his wife, held a Bible study in a local home.

In July of 1982 Noe baptized five and they became members of Huntington Woods Church in Grand Rapids, the sponsoring church.

While seeking a full-time pastor, Noe teamed with a van student from Southern Seminary, David Jordan, who concentrated on personal witnessing, ministry, and home Bible studies. Others were baptized.

In July of 1983, Gene Butler, a graduate of Southwestern Seminary, Fort Worth, moved on the field as pastor. Assisting

him are his wife, Barbara, and their two children, Lisa and Gene.

Land is being sought for a permanent location. The people are excited, and the chapel is growing.

Lowell Chapel is an example of one type of mission start-not the quick growing kind, but one suffering several setbacks. However, with dedicated, determined, God-led leadership (even though limited in number), the effort was continued. Mission work is not always romantic, but it is rewarding when some are willing to pay the price.

Nightly services will begin at 7:00 P.M., June 18 through the 23rd.

# Chicken Bar-B-Q in Saranac by Women's Fellowship

Saranac Community United Church of Christ is doing something different this year in conjunction with the town's sidewalk sales. Instead of the Strawberry Festival, the Women's Fellowship

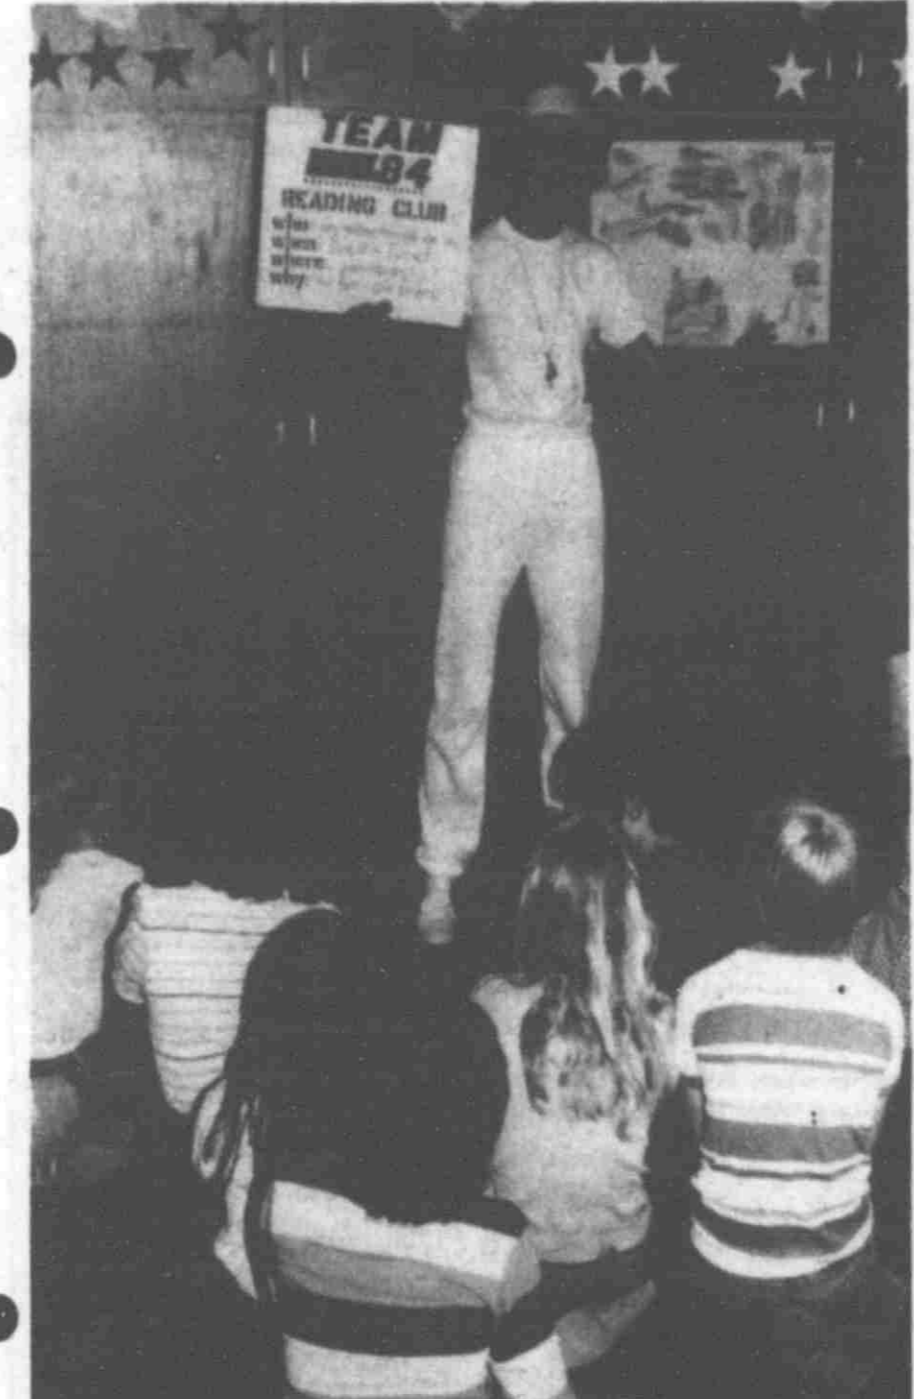

Frank Borup

ship is sponsoring a chicken Bar-B-Q complete with all the trimmings. The event will be held at the church on Saturday, June 16, 1984 from 4:00 to 7:00 P.M. Master Chef Frank Borup will be in charge of the grills and he brings many years of experience cooking for Band Boosters and other area Bar-B-Q's.

Dinners are priced at \$4.00 for 1/2 chicken and \$2.50 for a quarter chicken. Also offered are Strawberry Shortcake and Sundaes for \$1.00. A drawing will be held, with prizes of a quilt, afghan, cabbage patch doll, radio, and tote bag. Tickets for the dinner and drawing may be purchased at the door.

WHILE THEY LAST! - Those ever-popular scratch pads are in stock again at the Ledger. Stop in soon and get them for 75¢ a pound before they are gone.

Children's Librarian and reading "coach" Martha DeRose encourages county youth age 3-15 to sign up for summer reading programs after June 18 at any of 16 county branch libraries. For children 3-6, there's the READY SET GO BOOK CLUB. Readers 6-12 will be included in the TEAM '84 READING CLUB and youth 12-15 can join the THRILLER BOOK CLUB. Library branches have also scheduled a variety of weekly programs including puppet shows, movie previews, craft and game activities and more. For a complete schedule of events, contact your local Kent County branch or the Kent County Library Children's Services Department at 774-3253.

## Views On Dental Health

### GRINDING IN THE NIGHT

An estimated one in 20 adults and three in 20 children unconsciously grind their teeth at night. It is the sound of bruxism. While the noise may disturb spouses or children, it has a far more distressing effect on the sleeper.

Nocturnal grinding can exert thousands of pounds of pressure per square inch on the surfaces of teeth. It can be rough not only on teeth but on the supporting bone, the gums and jaw joint.

For many years, bruxism was attributed to the release of tension from emotional stress. However, many dental authorities today believe that the causes exist in the patient's mouth. Night grinding may be an unconscious effort to correct irregularities of the chewing surfaces of the teeth. Dentists term this a malocclusion. They grind away to eliminate a spot that is too high or to find a comfortable place to fit the upper and lower teeth together.

If you have this nightly grind problem, your first step should be your dentist's office... before you do any serious damage to your teeth.

# Pre-school still taking registrations the 1984-85 school year

Playing and learning together with children of their own age is a primary goal at the Lowell United Methodist Pre-school. The pre-school day consists of small table activities, sharing time and calendar, story, music, creative play centers, and gym time.

We have just concluded a unit about the community and their helpers. Several field trips were taken around the Lowell area. We would like to take this opportunity to thank those that helped with this unit; the Lowell Bank, Officer Eckman, Police Chief Frank Martin and volunteer Al Towne. We also visited the Wieland Dairy Farm, or the Eengenburg Farm.

The Pre-school is currently taking registrations for the 84-85 year. Afternoon sessions only 12:00 - 2:15 P.M. There are two sessions available for children four & five-year-olds, held three days a week - Mon. Wed., Fri., 12:00 - 2:15 P.M. There is also a two day session for three-year-

olds on Tuesday and Thursday the United Methodist Church Office - 621 East Main Street, Lowell - register parents should contact ell or call 897-5936.

Mr. Eenenburg shows a group of pre-schoolers how his sheep are sheared. Everyone got a piece of wool to take home. The pre-school bus driver Mary Harold looks on.

Relive the 60's era at Charlton Park

Remember the 60's? The music of Jan and Dean, and The Beach Boys? Somehow, summer seemed longer then. This year you can relive part of that era. Dozens of Street Rod Autos will be on display from 9:00 A.M. - 5:00 P.M. on Sunday, June 17, at Historic Charlton Park Village & Museum. These are the very cars so many songs of the early 60's were written about. So for Father's Day give Dad a treat -- give him a visit to the past.

In addition, the historic buildings and craft shops will be staffed and functioning, and there will be a Swap Meet and Flea Market. This event is co-sponsored by the Southern Michigan Street Rod Association of Battle Creek. Historic Charlton Park Village & Museum is a non-profit educational institution administered by the Barry County Parks & Recreation Commission, and is 3 miles east of Hastings off M-79. The Street Rod Auto Show is designed to help

raise operating funds. Admission is \$2.00 for Adults (16 and over); 50¢ for children (5-15); under 5 are admitted free when accompanied by a paying adult. For more information call (616) 945-3775, or write Historic Charlton Park Village & Museum, 2545 S. Charlton Park Road, Hastings, MI 49058.

Three teachers retire after years of service

Marjorie Richards, Betty Yeiter and Margaret McMahon display the walnut and brass plaques given them by Lowell Area Schools Board of Education President Roger Kropf. The women are all retiring this year, each with many years of service as teachers in the Lowell system.

With a combined total of 73 years of teaching in the Lowell systems behind them, Margaret McMahon, Marjorie Richards and Betty Yeiter are retiring this year.

Margaret McMahon began her career here in 1940 after graduating from Hope College. Since that time she has logged 25 years at the blackboard along with raising her six children. During those years she taught both History and English at the Junior high level. Along with her husband Bruce, Margaret plans to spend a good portion of her retirement traveling about the country visiting their children.

Marjorie Richards began her career here in 1967. She received her bachelor's degree from Western Illinois State University and did her graduate work at the University of Michigan. Her forte over the years here has been in creative writing classes. She has taken great delight in the fact that many of her students have received honors for their compositions. Marge looks forward to her retirement enjoying her favorite pastimes of swimming, crafts, skiing and luxury of reading something other than student compositions.

Having taught at every level from Kindergarten through high school under eight principals and

as many superintendents, Betty Yeiter is looking forward to retirement after 31 years of teaching. She and her husband Don plan to travel extensively. Betty started in the Lowell system in 1942 and resigned for ten years along the way to raise her two

children. Betty's master's degree in curriculum included a concentration in reading courses. Students in Lowell as well as St. Patrick's and St. Mary's have benefitted from her patient and thorough approach to improved reading skills.

parking lot at the north end near Main Street, and foot bridges across the islands in Flat River for access from the existing Recreation Park 4-H Fairgrounds area.

Gerald Kellogg reported on a proposal by the 4-H Association to relocate the main horse arena and construct a paved area at the south end of the fairgrounds to locate the Fair midway, equipment displays, etc., and which could be used by the Macker Tournament for their annual event. A parking lot would be constructed next to the D.P.W. Garage on Hudson Street, new restrooms, a boat launch, picnic area and camping area would be developed along with finishing the interior of the Foreman Building.

He also stated that long-term plans include the fencing in of all parks, and if and when the Lowell Area Schools decide to move the football field as has been talked about, additional camping and the softball area could be enhanced.

Mr. Kellogg summed up the presentation by stating that a lot of thought and energy has been incorporated into ideas for recreation areas to serve Lowell, and urged the City Council to back the projects and to find funding through the coming years to see the proposed parks completed and usable.

A general discussion followed on the various proposals and their costs, fencing and time tables for completion.

Mayor Maatman thanked the Parks and Recreation Commission for their thorough job and presentation, and for the amount of work and time that went into the project.

Manager Quada suggested a joint meeting of Council and the Parks Commission for a work-study session to go over cost figures. A date of Thursday, May 31 was set.

Council then listened to a request by the Macker Tournament organizers for permission to again hold the tournament in the street for 1984. Mr. Mitch McNeal was present and stated that this would be the last year it would be held in the street. He stated that the tournament had started in 1974 as a small neighborhood event, and has since grown over the years to 390 teams in 1983. 1980 was the first year the tournament was played in the streets, and again this year signed permission and support has been obtained from all neighbors in the area.

He asked for permission to close Amity Street between Howard and Mercer Streets, and Elizabeth Street west from Amity from July 13 through 15.

Councilman Fonger stated that the City is never included when donations are made. \$1,000 was given to the Lowell Athletic Boosters, a donation was made to a Grand Rapids Group, and other groups were named as having received donations, but never anything for the City. The City is asked to block off streets, provide barricades and manpower and reserve police protection, but when it comes to donations, they are given to someone else.

Mr. McNeal stated that a writer for Sports Illustrated had written a book about tournaments such as the Macker, but that Lowell's event had been omitted. A new book is coming out soon that will include the event, and with more teams each year in the event, there will be more money coming in. It takes more each year to organize the event and there hasn't been a lot to donate until recently.

Manager Quada asked if the Macker organization would be willing to donate to the Recreational Park project for paving of the south-end area if they are allowed to hold their tournament there. Mitch replied yes, money as well as man-hours to help do the work if needed.

Manager Quada explained that many neighbors have signed petitions to allow the tournament in the neighborhood, but have called City Hall to ask if this would be the last year in the streets. Again, taxpayers money will be used to develop the park, and it hardly seems fair to ask them to foot the bill to build a place to hold the Macker Tournament only three days out of a year.

Insurance needs were also questioned by Councilman Schneider. Coverage for the City will be provided by the Macker Organization.

IT WAS THEN MOVED by Councilman Schneider that the

Carried.

Mrs. Strouse was present in the audience and stated that she had applied to the State to open an Adult Foster Care Home at 318 Riverside Dr. The home is 1350 feet from another Adult Care Home, and by state statute cannot be less than 1500 feet. She asked to be allowed to make a formal presentation and request special permission to open the home at the next regular meeting.

Council concurred on her request to appear.

There was no Manager's Report, and Manager Quada requested an executive session at the close of the meeting to discuss pending litigation.

IT WAS MOVED by Councilman Fonger that Council meet in executive session after the regular meeting, supported by Councilman Schneider.

Carried.

Mayor Maatman then appointed Mrs. Nola Bryan to the Lowell Cable T.V. Citizens Advisory Board.

Council concurred on the appointment.

IT WAS THEM MOVED by Councilman Schneider to adjourn at 9:14 P.M.

**FISHING INFORMATION**  
Warming weather conditions causing a warming trend in lake and stream water temperatures will improve conditions for the coming weeks. Largemouth bass and panfish fishing in shallow water will improve particularly. Reports of good fishing success have been heard from the following waters:

N. Pike and Walleyes: Muskegon Lake, Muskegon County; Big Whitefish Lake and Crystal Lake, Montcalm County.  
Large Mouth Bass: Wabasis Lake, Kent County; Muskegon Lake, Muskegon County; Grand River Bayous, Ottawa County.  
Small Mouth Bass: Grand River, Ionia and Kent Counties, Flat River, Ionia County.  
Panfish: Numerous inland lakes.  
Trout: Lime Lake, Kent County; Half Moon Lake, Muskegon County.  
Salmon, Brown trout and lake trout fishing on the great lakes at all district ports has been excellent in shallow water and near the piers.

**NEW RECORD BROWN TROUT:**  
It took a Michigan fisherman with a Michigan-made lure about 30 minutes to land what may be a new Michigan and world record brown trout from Michigan Waters.  
The fisherman was fishing on Arcadia Lake in Manistee County. The big fish weighed 34 pounds, six ounces, confirmed by Department of Natural Resources fisheries biologists, and it has been positively identified by scientific methods as a brown trout. Postitive identification is necessary because brown trout and Atlantic salmon share many of the same characteristics.  
The fish, caught on 10-pound test line, also is larger than the current world record brown trout. That fish, which weight 33 pounds, 10 ounces, was caught in Utah in 1977. A determination as to whether it is a new world record fish must be made by the National Freshwater Fishing Hall of Fame in Harward, Wisconsin.

Our nation's first woman presidential candidate was Victoria Claflin Woodhull, who was named by the National Radical Reformers in 1872.

## Former Lowell resident attends 1st reunion of the USS Longshaw Destroyer

Nineteen former crewmen attended the first reunion on the 39th Anniversary of the sinking of this ship. It was held in Bensalem Pa, on May 18, 1984 with 19 crew members in attendance. 37 all together from all parts of the U.S.

There were 2 members there from Lowell or should say Walter Gumsir Jr. formerly of Lowell now living in Dayton, Ohio and he was on the ship when it was sunk and was one of the lucky ones to come through. Gilbert Snieder of Lowell had been on this ship but was sent back to Special Gunnery School for advanced training in Calif. in Dec. There were 3 members there that weren't on the ship at it's sinking. There are still more living men to be contacted before the next reunion in Kans. City, Kans. May 18, 1985. It was a very enjoyable and touching meeting.

# Flat River V.F.W. Post 8303 hosts Safety Patrol pizza party

A party was held by the Veterans of Foreign Wars Post No. 8303 on Wednesday, May 30th at the Post for the Safety Patrols of the Riverside and Runciman Schools. Lots of Pizza and Pepsi were served to about 55 students. Pamphlets on the use of the United States Flag were handed

out to each student and a demonstration of how to fold the Flag was held. Chairman of the event was Olen Miller Sr. with the help of Wes Adrianse, Chuck Melle, and John Stinson. A good time was had by all. We got a response later from the students in letter form. I will print some of

the replies, as follows:

"I can hardly believe nobody put their hand on their heart, I would have if I were there." - Angie

"Thanks for the Pizza and Pop. My dad is a Vietnam Veteran." - Michelle

"I am sorry I didn't come up

for seconds, I hope you will enjoy the 5th graders next year, but they might be brats" - April

"Thank you for the good time and how you showed us how to fold the Flag" - Gary

"I thought it was funny about what you said about the 5 ft. pole, I am glad they don't have

"Last night I read the Flag book you gave me and I showed it to my Mom and she said it was neat". - Shannon

"I didn't know how to fold a Flag til now". - Matt

"I will treasure the pamphlet about the United State Flag" - David

"I learned how to Salute and fold the Flag" - Mike

"I liked the way you folded the Flag and make it end up looking like a triangle" - Donald

"It was nice to have something good for lunch for once, I really enjoyed learning about the Flag" - Sara

This is just a sample of all the letters we recieved from the students and were very glad they came to the Post and enjoyed themselves. The students worked very hard for this party and their Awards they got from the Schools. We were proud to have them here.
