Chamber reorganizes; elects new officers

The Lowell Area Chamber of Commerce is re-organizing, beginning with the election of a new slate of officers. Jerry Patton of the Patton-J.R.B. Agency was elected as President for a one year term. Jerry is no newcomer to the position, having served as President of the Milford Chamber of Commerce and as a

director of the Howell Chamber. Bob Pfaller of Pfalters Riverfront Clothing, Inc. was named as Vice-President, and will automatically become President when Patton's term expires, a transition that the directors feel will offer more continuity in Chamber programs. Fritz Esch Superintendent of the Lowell

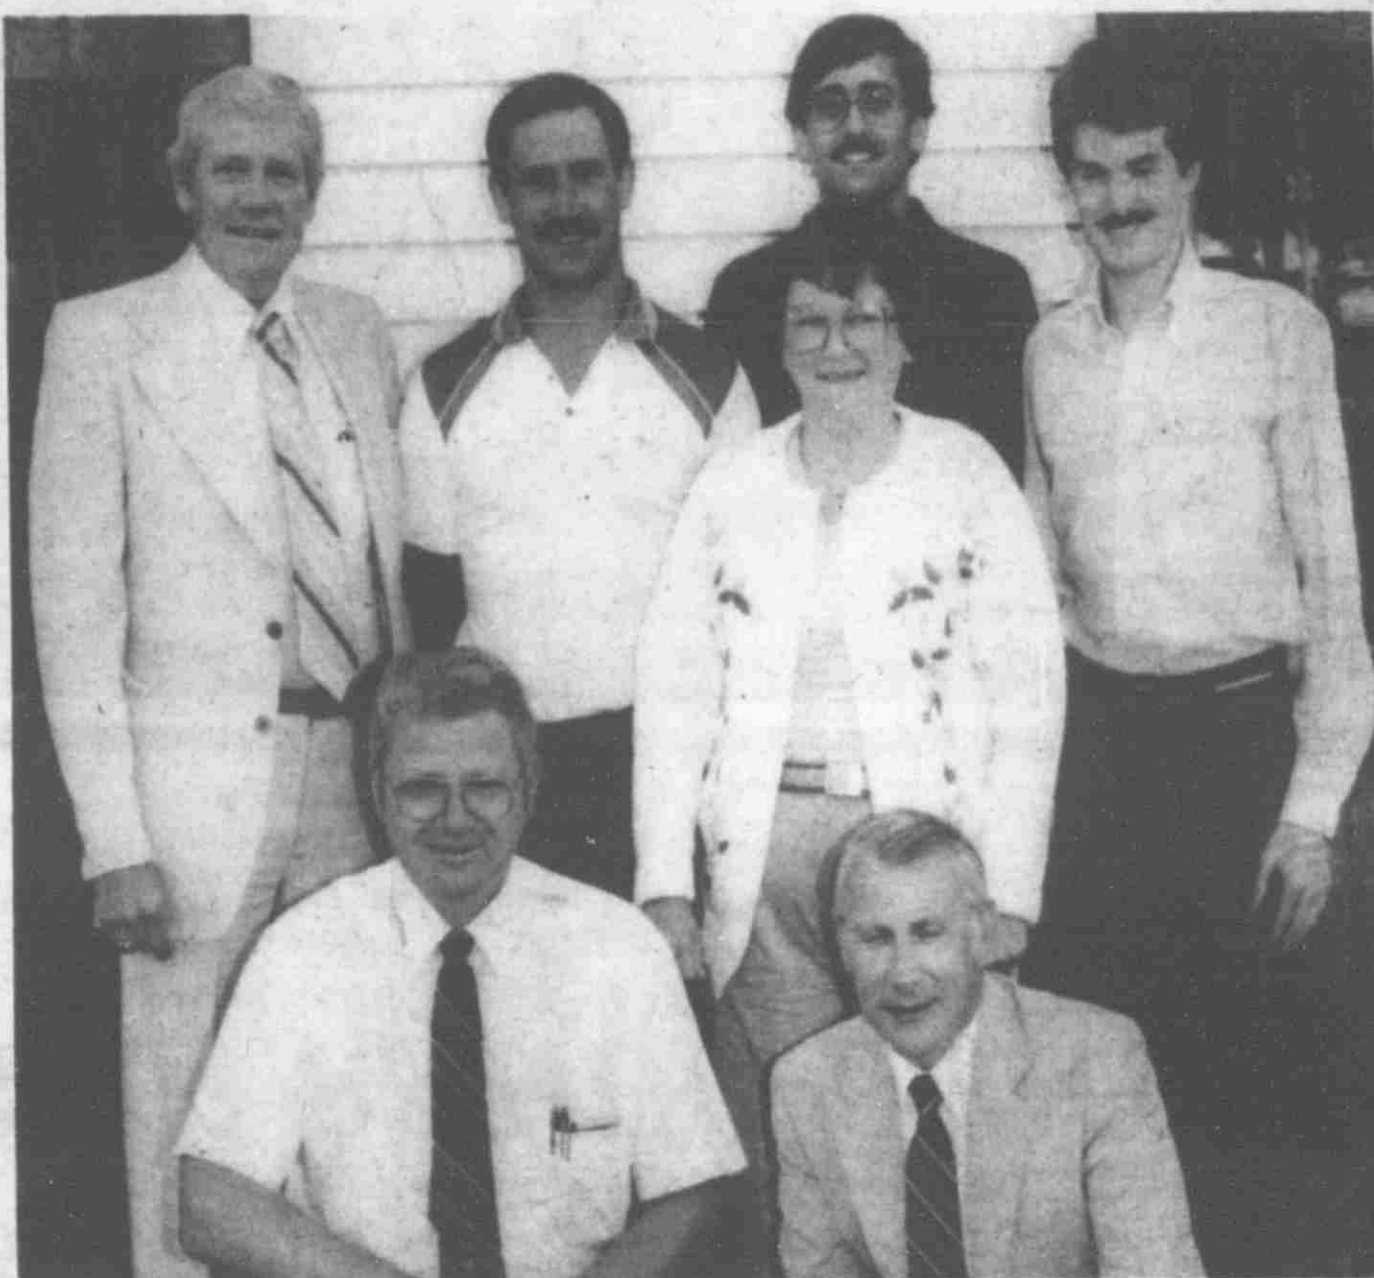

Area Schools was named as Secretary. Chuck Myers, an Executive Vice President with State Savings Bank rounded out the officers as Treasurer. Board members include John (Bucky) Curtis of Curtis Cleaners, Duane Lambert of Lambert's Variety, Jim Maatman of Modern Photographics and Modern Printing, Henry VanderVennen of Vennen Chrysler, Dodge & Plymouth, Inc. and Jim Doyle of the King Milling Company. Dolores Dey will serve as Executive Secretary to the Chamber.

Patton is very proud of his board, and says he has a group that is very interested in promoting Lowell in every way. A membership drive and a city beautification project are two items that the new Chamber intends to tackle. Curtis was named "Membership Chairman", and annual dues were set at a flat \$50.00 per member. There will no longer be different rates for different types of businesses. Those wishing to pay their dues should send a check made payable to the Lowell Area Chamber of Commerce, 215 W. Main Street, Lowell, Michigan 49331.

Patton said that he has seen beautification projects work very successfully in other communities. He said that Howell had two floating "Blue Ribbons" constructed from plywood that were awarded weekly to a residence and a business. The awards were published each week in the local newspaper, and it became popular for the residents to search out these award winners to see what improvements had been made. Patton said that the sense of competition and the feeling of accomplishment generated by the program was very beneficial to the appearance of the community. Though it wouldn't have to be designed like the Howell program, Patton feels very strongly that Lowell needs some sort of beautification project. Dolores Dey mentioned that the Lowell Area Arts Council might like to share in the project.

Pfaller was appointed to serve as the Chamber's liaison with the city and township governments. Patton said that he would like to have the Chamber become a strong voice at city council meetings, pointing out ways that the City Council can help improve the image of Lowell.

Details of the membership drive and the beautification project will be discussed at the committee level and at a scheduled board meeting on September 11.

New Lowell Area Chamber of Commerce Officers are back row: Henry VanderVennen, John (Bucky) Curtis, Bob Pfaller, Jim Doyle, Dolores Dey (center) and kneeling Jim Maatman and Jerry Patton.

ject will be discussed at the committee level and at a scheduled board meeting on September 11.

Patton said that business people and residents with any questions or concerns relating to the

Chamber of Commerce should feel free to call him or any member of the board.

Area primary election results

Last Tuesday's Primary Election saw Bill Doyle of Lowell capture the Republican nomination for Kent County's 12th District Commissioner seat. Doyle landed 959 votes to best Warren Jousma with 876 and Gail Elliott with 693. Doyle will face Democrat Judy Crandall in the November election.

Winners in contested area Township races were as follows: Bowne; Supervisor, Fred Moss - 205, Kendall D. Poritt - 90. Grattan: Clerk, James Lally - 98, Gloria Sayen - 58. Vergennes; Supervisor, James Cook, Sr. - 370, Eugene Kaye - 79, Clerk, Jenean Hoffman - 252, Linda Biggs - 207, Trustees (top two appointed) Richard Bieri - 352, Alan Baird - 257, Roger Odell - 194.

There were no contested seats in Lowell Township or the City of Lowell.

In the races for County Offices only the Republican nomination for Clerk was contested. In that race John Boerma collected 22,105 votes to Kenneth Scott's 18,233. Republican David Sawyer will face Democrat Ben Logan for the Prosecutor's job in the fall. Maurice DeJonge, the Republican candidate for Clerk

will face Democrat John Sciamanna. Other County Offices will feature Republicans running unopposed. Phil Heffron is after the Sheriff's job, Barry Bittrick wants to keep his job as Drain Commissioner and T.C. Williams wants to remain as the County Surveyor.

Victor Krause a Republican incumbent will square off

against Democrat David Byers in November for the State Representative from the 90th District.

Paul Henry easily out-poled a field of four for the Republican nomination for the U.S. Representative from the 5th District. He will face Democrat Gary McInerney in the November election.

Bank Anniversary

State Savings Bank celebrated their 50th Anniversary in style. In all over 1,200 free hot dogs were served, gallons of free coke was dispensed and over 4,000 free gifts were given away during the six day event. Customers and visitors to the bank entered the various contests, read the displays of old newspaper clippings concerning the bank's history, munched on free popcorn and listened to player piano music.

It was a festive week, and bank officials were more than pleased with the response from the community.

The \$100 prize for the oldest check was a check written on August 21, 1934 for \$1.00 by Donald A. McPherson. The check was written just the day

after the bank opened its doors. The check was entered by Ellura McPherson.

The \$100 prize for the oldest passbook went to Joe Green on a still active passbook opened on August 20, 1934, the day the bank opened. Green's daughter-in-law Lou Green is a 26 year employee of the bank.

The \$300 Money Tree drawing went to Beverly B. Sargent of 6739 Myers Lake Road, Rockford. She entered the contest at the M-44 Branch Office. The \$100 Savings Bond went to Rob Kenny for guessing the closest to the correct number of pennies in a jar. Rob guessed 8,021 and the correct number was 8119.

OFF THE BLOTTER

William Coates, 67, of Ionia, was involved in a property damage accident Thursday, August 9 on Main Street near Jefferson Street. Coates' car was struck from behind by a car driven by Jeffrey Csonka, 20, of Lowell.

Cora Stormzand, 72, of Lowell collided with David Robertson 18, of Blackshear, Georgia on Bowes Road near Hudson Street Thursday evening, August 9. Stormzand reportedly was attempting to make a left turn and Robertson was attempting to pass Stormzand on the left when the accident occurred.

A vehicle driven by Sally Doyle, 29, of Ada was struck at the corner of Main and Hudson Streets, Wednesday, August 8, by a semi-truck driven by Daniel Miller, 24 of Albion. Miller attempted to make a right turn and did not see Doyle's vehicle in the right lane next to him.

Injured in an accident Sunday, August 5, on West Main Street near Alden Nash Road was Frederick Peters, 46, of Lowell and his wife Janet, daughter Grace and 4 year old juvenile son. Peters attempted to make a U-turn and was struck broadside by a car driven by William Berger, 17, of Grand Rapids. Berger also sustained injuries.

Involved in a property damage accident Tuesday afternoon, August 7, was Dianne Nash, 29, of Saranac. Nash failed to yield the right of way as she attempted to turn off Jefferson Street onto Main Street and struck a pick-up truck driven by Kerry Cosgrove, 19, of Lowell.

Cited to appear in 63rd District Court to answer to the charge of open container of alcohol in a motor vehicle was Gary Acker, 27, of Grand Rapids.

Arrested and lodged in the Kent County Jail on charges of operating a motor vehicle while under the influence of alcohol early Wednesday Morning, August 8 was John DeHaan, 62, of Lowell.

The Lowell medical unit responded to 8 calls in the month of July, which brings the total to 75 dispatches for this year.

Letters...

Dear Editor

The citizens of Michigan have a major opportunity as they have become the focal point in the effort to balance the federal budget. Congress has not acted, and will not unless forced to by the people. Therefore, I have sponsored the introduction of Senate Joint Resolution E (SJR E) in the Michigan legislature.

A call for a constitutional amendment to require a balanced budget has passed 32 state legislatures, and SJR E is an attempt to make Michigan the 33rd state to issue a call. Article V of the U.S. constitution says a constitutional convention to pass a balanced budget amendment to be approved by three fourths of the states (38); or Congress may choose to pass its own amendment for approval of 38 states and avoid a convention.

Why is Michigan crucial? California voters will vote in November on a proposal instructing its legislature to pass the proposal. The Michigan Senate has already passed the resolution in April, 1984. Therefore it all depends on the Michigan House of Representatives; where your representative stands on SJR E is crucial to the nation.

Why is a balanced budget crucial? The whole debt structure hangs like a sword of Damocles over our economy. It causes high interest rates, which threaten to squeeze jobs, spending power, our economic recovery, and the debt threatens the banking struc-

ture with potential panic or collapse simply from its sheer size. Some projections show an annual deficit by the year 2000 in the trillions of dollars! Already today almost all of each year's deficits simply pay the interest of the debts of the past! Thomas Jefferson once said, "I place economy among the first and most important virtues and public debt as the greatest of dangers. To preserve our independence we must not let our rulers load us with perpetual debt. . . If we can prevent the government from wasting the labors of the people under the guise of caring for them, they will be happy."

Thomas Jefferson, one of our founders, and author of the Declaration of Independence, would recoil at the sight of the federal monster we face today. He would recoil at the sight of public officials almost oblivious to the massive debt that can hardly be counted or even perceived.

Polls show that the people agree with Thomas Jefferson. Only their leaders do not. Eighty-three percent (83%) of the people favor amending the Constitution to require the balanced budget.

That is why the Michigan House must pass Senate Joint

Resolution E (SJR E) which calls for a constitutional convention to balance the budget. That is why the Michigan Senate passed SJR E with bi-partisan support on April 18. That is why Michigan citizens must contact their representatives this summer asking them to support SJR E when it comes to a vote in the House this fall.

Michigan has a unique opportunity, and the nation is waiting for our action. Please act today. Thank you kindly.

Sincerely,
Ed Fredricks

Jaycee and Jaycee Women merge

The Lowell Area Jaycee's and Jaycee Women voted August 2 to merge together effective August 16, 1984. The merger is a reaction to the Supreme Court decision to allow women in the Jaycee Organization and then to disband the Jaycee Women Auxiliary.

The Lowell Area Jaycees are very optimistic about the merger and look forward to becoming an even "stronger" community service club.

Some of the upcoming events for the Jaycees are: M-Night,

Thursday August 16, 8:00 P.M. at the Y-Pool. (This is a membership drive and anyone interested in learning more about the Jaycees or are interested in becoming a Jaycee please attend.) On Saturday August 25, there will be the annual Muscular Dystrophy Bike-A-Thon, anyone interested in participating please contact Don Anderson - 897-6539. The week-end of Sept. 7 & 8 the Jaycees will host a Coed softball tournament. The contact person for the Coed Tournament is Don Green - 897-6173.

HOMESPUN DEVOTIONS

by Pauline E. Spray

... thou art very great... (Psalm 104:1). "This is my father," I say with pride whenever I introduce Dad. To me he has always been a hero.

There is always fun when Dad is around. His sparse gray hair was once bushy and curly. His eyes still twinkle with the mischief of his youth. It is wonderful to have good parents!

It's wonderful, too, to "brag" about our Heavenly Father. The Psalmist tells us God stretched out the heavens like a curtain and laid the beams of His chambers in the waters. He made the clouds His chariots and walks upon the wings of the wind. He laid the foundations of the earth, and the waters fled at the voice of His rebuke. He appointed the moon for seasons. He sends springs into the valleys. He waters the hills, making the herbs and grass to grow. He provides food and drink for men, the trees for the birds to lodge in, the hills for the goats, and the rocks for the conies. He provided the night for the beasts to seek their prey and the day for man to labor. The earth is full of His riches. He created all this and more. "This is my Heavenly Father."

Prayer: "Bless the Lord, O my soul. O Lord my God... thou art clothed with honor and majesty." Accept my adoration and praise. Enable me to "brag" about Thee at every opportunity. Amen.

My Father is rich in houses and lands;

He holdeth the wealth of the world in His hands! Of rubies and diamonds, of silver and gold,

His coffers are full - He has riches untold.

While playing Trivial Pursuit a month or so ago, I was asked a question from the stage and screen category that went something to the effect of, "This was Struther Martin's most famous line", I thought and thought, shooting nothing but blanks, and getting a lot of flack from the other players to, "hurry and give up". Just as I was about to do just that, something clicked, I put a face on the name Struther Martin, and immediately knew the answer. Anyone who ever saw the 1967 Paul Newman classic, "Cool Hand Luke" will certainly remember Struther Martin as the chain gang warden uttering, "What we got here, is a failure to communicate".

My little story in this space is about a classic case of "a failure to communicate". I just hope I can relate it to you in a way that isn't a "failure to communicate".

The other night the whole family was watching some TV in the family room. A black carpenter ant was spotted and killed by daughter Angie. A while later another one was spotted and killed by wife Terese. This led to a discussion about where the ants were coming from, and what should be done about it. Terese and I finally decided that they were probably originating from some firewood that we have stored along a wall of the garage which is the opposite side of a wall of the family room. Are we still communicating?

The decision was made to haul the firewood outside, and then use some sort of ant killer on the little devils before they start making a meal of our house. Since Terese and I work full time, and the kids are still enjoying summer vacation, another decision was made to put them to work hauling the firewood outside and stacking it. Up to this point Angie had been partially listening, while son Casey was totally engrossed in the TV program. So, when Terese started giving directions for accomplishing this chore, Casey was coming in at square one.

The dialog went something like this:

Terese: "Tomorrow, I want you two guys to carry all that wood on the wall outside and stack it where daddy tells you to."

Casey: (in a tone that we mistook to be a bit sassy) "No way, you're crazy."

Angie: "Come on Casey, you've gotta help."

Terese: (in a stern parental tone) "Casey, you will help your sister!"

It finally began to dawn on me that Casey was out in left field somewhere, and thought that Terese was talking about the barnwood on the family room wall.

Casey: (Staring at the barnwood wall) "Oh yeh, that's just old wood nailed up there, we can get it off."

I could tell he was beginning to get excited about tearing the family room apart.

Terese: "That's more like it" Apparently missing the part about "nailed up there".

Casey: "You're going to have to get us some of those bars and some hammers and stuff, though."

That's where Terese and Angie finally caught on, and we all had a big belly laugh. Somehow, I don't think Terese and I would have thought it was so funny, if we had come home the next day to find our family room wall stacked out in the yard. I might have been tempted to use the wood to build a sweat box like Struther Martin used in his attempt to communicate with Paul Newman.

William Howard Taft is the only man ever to have been both Chief Justice and President of the U.S.

G.R.J.C. students receive scholarships

More than 200 Grand Rapids Junior College students have been awarded scholarships for the upcoming fall semester, the GRJC Financial Aid Office announced today.

The 200 students come from cities throughout Michigan and from neighboring states. They will major in a variety of programs from the Liberal Arts and Sciences to pre-med, computer technology, nursing, engineering and manufacturing.

Grand Rapids Junior College, which celebrates its 70th anniversary this year, serves some 35,000 people annually through classes, seminars and workshops. Students range in age from 18 to 71.

This year, Grand Rapids Junior College Students will receive more than \$4 million in financial aid, including grants, loans, work-study and scholarships. GRJC's financial aid awards are increasing with a pro-

jected \$4.5 million to be awarded next year.

Fall semester begins August 23.

FISHING INFORMATION:

Great Lakes salmon and lake trout fishing is now picking up from a slow-down period experienced in July. Good fishing is being experienced in the ports of Holland, Grand Haven, Muskegon, and Whitehall.

Perch fishing from the piers has slowed down considerably

lately. Perch fishing in Lake Michigan of shore Port Sheldon has been good. Inland fishing is in the period of time known as "dog days". Panfish are down deep because of warm water and are somewhat difficult to find. Good inland fishing has been reported at:

1. Tremont Lake, Newaygo County for trout.
2. Grand River - Grand Rapids to Grandville for walleyes
3. Muskegon Lake for walleyes.
4. Muskegon River - Croton to Newaygo for walleyes; after dark.

SAND DUNE REPORT AVAILABLE:
Protection of the Michigan sand dunes is a subject of a recently published preliminary report to the Natural Resources Commission. The report details a long-term action plan for protecting the dunes and was written by D.N.R. sand dune specialist Jon Roethel with the aid of staff from several other divisions. It was submitted to Governor Blanchard and was scheduled for consideration by the Natural Resources Commission.

In his January State of the State message, the Governor expressed concern about continued degradation of the Michigan's dunes and followed up by requesting a long-term protection plan from the D.N.R.

The 39-page report is available free of charge from John Roethel, D.N.R. Geological Survey Division, Box 30028, Lansing, Michigan 48909.

BREAST SELF EXAMINATION

Last week in our discussion of painful menstrual periods we talked about the importance of routine pelvic exams including pap smears. During routine pelvic exams I often ask the patient if she examines her breasts on a regular basis. I'm surprised at the number of women that have never been taught how to perform self examination or don't take the time to do this simple task. Today we'll review how to perform this examination and why we think it is so important.

Seventy five to ninety percent of breast masses are found by the patient prior to being seen in a doctor's office and most of these are benign. When a mass is not benign, it is generally accepted that earlier detection increases the likelihood of cure. Follow the guidelines below in performing your own breast exams.

WHEN: Breast self examination should be performed once a month; seven to ten days after your period or the first day of each calendar month after menopause.

VISUAL EXAM: Sit or stand in front of a mirror with your arms at your sides and look for differences in size, shape and color. Look for puckering, dimpling or swelling. Repeat the same exam with your arms above your head.

MANUAL EXAM: Lie flat on a bed and place a pillow or towel under the shoulder of the side you are going to examine first. Place your hand behind your head. With your opposite hand, use your finger pads (not tips) to press the breast tissue against the ribs. Think of your breast as a clock. Using small circular motions, start at twelve o'clock and move towards the center in a straight line, lifting your fingers after each small circle. Repeat the same motion from one o'clock, two o'clock and so on. Be sure to include the area under the nipple. Next, bring your arm down to the side and feel the tissue under the armpit. Repeat the exam on the opposite breast. Squeeze the nipple of each breast between the thumb and index finger and note any discharge. Simple and effective. Look for changes from month to month.

If a lump or discharge is found, don't be frightened. Most breast lumps or changes are not cancer but should be followed by your doctor. Women who perform monthly self breast exams are more likely to find a serious problem at an earlier stage when cure is possible.

Just a short note to remind you of the Blood Drive being conducted by the Lowell Rotary Club on August 29th from 3 to 9 P.M. at the Masonic temple. If you are not contacted by a volunteer and wish to donate, give your office a call at 897-9209 or Dr. David Durkee at 897-7780 and we will be glad to schedule you. It takes less than an hour of your time and you'll be helping someone truly in need.

BUS SCHEDULES, ROUTES AND OTHER INFORMATION

BUS RIDER RULES & REGULATIONS

To the parents of children riding school buses:

The rules and regulations listed below are the result of careful study based upon the experiences we have had in the operation of a school bus system. Cooperation and courtesy in following these suggestions will permit us to better serve your child. Please go over the rules with your children so they will know what is expected of them when they ride the bus.

The Uniform Code of Discipline and Students Rights and Responsibilities for the Lowell Area Schools will be followed in all discipline reports.

1. Be on time at designated bus stops. Buses cannot wait for tardy pupils.

2. Obey the driver's suggestions cheerfully. Help the driver to assure safety at all times.

3. Expect to walk some distance to a bus stop as required by State regulations.

4. Stay off roadway while waiting for bus. Form a line to get on the bus.

5. Cross in front of bus when crossing road or highway. NOT IN BACK OF BUS.

6. Remain seated while bus is in motion. Wait until bus has come to a complete stop before attempting to enter or leave the bus. Enter or leave the bus only at the front door, except in case of emergency.

7. Do not leave the bus without the driver's consent, except at home or school. No unauthorized stops will be made.

8. Occupy any seat assigned by the driver. Keep feet out of aisles, off of seats and back of seats.

9. Sit three in a seat by filling back seats first when conditions require it.

10. Musical instruments must be held by the owner. Do not leave them in aisles or at front or rear emergency door.

11. Sit erect with your feet on the floor. Keep head, arms and hands inside bus.

12. Observe classroom conduct. Avoid unnecessary disturbing noises. The driver should not be distracted while bus is in motion. Do not shout at passing persons or vehicles.

13. Be courteous. Use no profane or vulgar language.

14. Help keep bus clean. NO gum chewing, no eating, no pop. NO SMOKING ON BUS!

15. Be considerate of small children.

16. Inform driver when absence is expected from school.

17. FIGHTING - PUSHING - SHOVING or other rowdiness will not be tolerated.

18. Remember, school bus transportation is a privilege, not a right.

19. Report any damage you observe to the driver. Damage to the interior or exterior of the bus will result in payment for damages and in suspended bus riding privileges.

20. There will be no extra riders on Buses unless there is an emergency. If there is an emergency a Bus pass must be approved by the principals office BEFORE boarding the bus.

21. The principal may suspend pupils from riding when such action is advisable.

RELATED INFORMATION

1. Get your children to the Bus Stop early. Late arrivals can throw the driver off schedule.

2. The same manners that apply in your private auto should apply on the School Bus. The driver will appreciate being able to concentrate on the road and not on student-caused distractions.

3. Accept joint responsibility with the school authorities for proper conduct of your children.

Motorists, the flashing red lights of a stopped school bus means STOP. Any school bus, moving or stopped, should trigger extra caution on your part.

School bus stops can get hectic. Be alert, especially for children standing too close to curb edges.

School buses and school bus safety have come a long way since the first Model T was adapted to carry students. The basic rules, however, of caution and courtesy, haven't changed. Keeping these safety tips in mind now and throughout the school year can help to keep school buses the safe mode of transportation they have become.

SPECIAL EDUCATION:
Mrs. Bieri, Mrs. Blasher, Mrs. Vickers, and Mrs. Roskamp will be driving Special Ed students to Grand Rapids. We are asking parents to contact the Transportation Office 897-9353 after Aug. 29 for route schedules.

Also special education students will come in on regular buses to Bushnell and take Bus No. 81E to Alto School. In the P.M., students will return to Lowell on Bus 75B to board regular buses for home.

SHUTTLE BUSES:
All buses will come into Bushnell School in the A.M. Then, we provide four buses as shuttles to take students to Runciman. This cuts down on traffic and congestion at this time of day. Otherwise, it would be necessary for all buses to travel across town to Runciman. In the P.M. we provide buses as shuttles from Runciman and Bushnell to bring students to High School for the same reasons.

KINDERGARTEN:
Kindergarten students who have not registered should do

Council Proceedings

OFFICIAL PROCEEDINGS of the CITY COUNCIL of the CITY OF LOWELL, MICHIGAN

Regular Meeting of Monday, July 16, 1984.

The meeting was called to order at 8:00 P.M. by Mayor Maatman. The Pledge of Allegiance was given and the Roll called.

Present: Councilmen Fonger, Schneider, Thompson and Maatman.
Absent: Councilman Collins.

IT WAS MOVED by Councilman Schneider that the absence of Councilman Collins be excused, supported by Councilman Fonger.

Carried.

IT WAS THEN MOVED by Councilman Fonger that the Minutes of the June 18 Meeting be approved as written, supported by Councilman Thompson.

Carried.

IT WAS THEN MOVED by Councilman Schneider that the combined totals of the Bills and Accounts Payable for June 18 and July 2 be approved, supported by Councilman Thompson. (The meeting for July 2 was cancelled.)

Yes: Councilmen Fonger, Schneider, Thompson and Maatman.
No: None.
Absent: Councilman Collins.

BILLS AND ACCOUNTS PAYABLE TOTALS

General Fund	\$85,592.29
Major Street Fund	102.60
Local Street Fund	1,010.54
Sewer Fund	10,981.70
Water Fund	10,194.38
Equipment Fund	13,232.60
Lee Fund	4,376.74
Look Memorial Fund	2,455.00
Trust and Agency Fund	370.00

The first order of business was a recommendation by the Planning Commission to approve the rezoning of several areas on the West side of the City to bring them into conformance with the changes made in the Zoning Code Revision recently adopted and the Land Use Map, also adopted in recent months.

Manager Quada explained the outlined areas on the map and the Planning Commission's reasons for the changes, stating that they were the result of the better part of a year's study and decision. Maps indicating the changes were published and public hearings were held. There have been no objections to date.

IT WAS MOVED by Councilman Thompson that the rezoning of the various areas on the West side of the City, (copies on file) as specified by the Planning Commission, be approved, supported by Councilman Schneider.

Carried.

Mrs. Dolores Dey was present representing the Lowell Area Arts Council with a request for monetary support from Council for the Flying Dragon Puppet Theatre which will perform at Richards Park on Sunday, July 29. The cost will be \$200.00 and any donation would be greatly appreciated.

Manager Quada stated that the City had already agreed to place picnic tables in the area for the event and would supply the electricity.

Council questioned why the Helen Look-Daley Committee had not been approached for funding.

Mrs. Dey replied because of the time. It was just found out that the troupe would be available to perform on that day. There wasn't enough time to make application to the Look-Daley Committee, and they won't meet again until after the event

takes place.

Manager Quada stated that there is a \$1,500 Community Promotion fund for such a purpose that could be used, perhaps as a matching funds type of program.

IT WAS MOVED by Councilman Thompson that matching funds of \$100 be appropriated from the Community Promotion Fund to the Lowell Area Arts Council for the Flying Dragon Puppet Show, July 29, 1984, supported by Councilman Schneider.

Carried.

The next agenda item was setting a public hearing date on a request by King Milling company for a variance from set-back and height requirements to allow the construction of another storage silo and drying system on S. Broadway Street, next to the one built last year.

Mr. Brian Doyle was present and explained that it would be the same construction as the existing bin, which holds two times the amount of grain grown in all of the Kent County in one season. The variances are necessary to allow the second bin to be the same size and height as the first one.

IT WAS MOVED by Councilman Schneider that the date of August 6 be set as a public hearing on the request of King Milling Company for set-back and height requirement variances, supported by Councilman Fonger.

Carried.

Mayor Maatman then opened the Public Hearing on a request of King Milling Company to vacate South Lafayette Street, South of Main Street, and Kent Street, West of South Monroe Street.

Mr. Brian Doyle explained that their intent was to fence in the area from the old railroad spur, south of the property line as a parking area for their fleet of trucks. The two old buildings would be torn down and one new one built with electric service for easier starting of the trucks in winter months. They would also like to enhance and beautify the area by taking three old turbines out of the river which were abandoned when the old mill burned, and make an historical site. They will ask the Lowell Area Arts Council to participate in the design.

They have 20 trucks in their fleet now, and will be adding one new unit this summer, and plan on expanding it in the future.

The trucks would enter the lot at the southeast corner, from Monroe, and exit back onto Monroe at the northeast corner, through electrically activated gates controlled by the drivers. Both right-of-ways intersect where the old mill stood for over one hundred years and have never been used as streets to begin with, only on paper.

Mr. Bob Pfaller, a Main Street businessman stated that he has no personal interest in the property in question, but is concerned with parking availability for the Main Street merchants, if the right-of-ways are vacated, or something built there, or should the property be sold.

Brian replied that his family has been here since 1844, and his wife is expecting a baby and they don't plan to sell out or move away, but plan on another generation in the business. Also, their legal counsel has advised against selling the property, and there are three reasons for not building anything on the parking lot property, and there are three reasons for not building anything on the parking lot property, 1. It's all fill dirt and wouldn't hold well; 2. Its too small for anything major; and 3. because of the sentimental feelings about the site of the old mill, they would rather make it into an historical site.

They have no intentions of leaving town or taking out the parking lot in any event.

Mr. Dave Clark, also a Main Street merchant, stated that on three or four past occasions the State has threatened to take parking off Main Street. If that happens, the stores that are empty now will just be a drop in the bucket. Without the Main Street parking lot, all the stores will go. He stated that he is against the vacation of any City property in the area that might jeopardize the parking situation. He suggested that King Milling give the City a longer lease to guarantee the parking lot.

Councilman Schneider asked if the matter had been discussed by the Planning commission in regard to their review of zoning throughout the City. If not, he felt that it should be before Council makes any decision.

Mayor Maatman stated that if the island in Flat River were to be developed with the parks plan there would be no access to it from the east side if the street right-of-way were vacated.

Mr. Doyle replied that the City has an easement across the property west of the Lafayette Street right-of-way.

IT WAS MOVED by councilman Schneider that the request by King Milling Company to vacate S. Lafayette Street, south of Main, and Kent Street, west of S. Monroe Street be submitted to the Planning Commission for review and recommendation, and the matter tabled until the next regular meeting of August 6, supported by Councilman Thompson.

Carried.

Another request by King Milling Company was on the agenda, for an easement on City property on S. Broadway Street.

Brian Doyle explained that when the first silo was built on S. Broadway, not enough room was calculated for a turning radius for trucks coming in to pull into the unloading-scale area with out driving over a portion of City property.

Manager Quada stated that rather than grant an easement, it would be better to figure out just how many feet are needed for the turning radius, sell it outright and fence it in. An easement would infringe on the City's future expansion plans of the D.P.W. Garage. That way the City can make definite plans for building size, etc. for equipment storage to free the Foreman Building for future finishing of the interior.

It was the consensus of Council that trucks coming in to unload at the King Milling silo on S. Broadway be allowed to use the City property as part of the turning radius for the time being, without an easement, until it can be determined how many feet are needed and a decision made on selling.

Mr. Doyle withdrew the request for the easement for the time being, until a study of the area can be completed.

Manager Quada reported that he would have recommendations on an air conditioning system for City Hall at the next meeting.

Under the Manager's Report, Manager Quada stated that he had received a request from the Chamber of Commerce for help from the City to pay for the 4th of July fireworks display. In past years they have been paid for by donations and all the proceeds from the Firemen's beer tent sales on the 4th, however, this year, those totals fell short of the cost of the fireworks. Council concurred to wait until it was determined what the difference is between the cost and the amount of donations and then make up the difference.

Mayor Maatman extended thanks to all the people who planned and worked on the July 4th Celebration.

Manager Quada also reported that the Police Department, Fire and Rescue personnel would be meeting to critique the Macker Tournament to find out the good and bad points or any problems. There was a huge turnout of people, without any incidents. He stated that those in charge of this year's tournament deserve applause for the way it was set up and handled.

Under remarks from the audience, Mr. King Doyle paid a compliment to the Macker Committee for their care of the neighborhood with a humorous anecdote. During the tournament, Mrs. Doyle left to go shopping, taking the car. When she returned, there was a bicycle parked in the driveway in front of the garage door. Activating the garage door-opener, she soon realized that the bike had been secured to the door with a padlock. Up went the door, and the bike with it. She tried to stop it and reversed the action. Down came the bike with the door on top of it, bending the bike and breaking the door. Dr. Reagan later claimed the bike, and some time between 10:00 P.M. that night and 6:00 A.M. the next morning, someone from the Macker Committee came and fixed the garage door!

Mayor Maatman then made the following appointments: Ralph Fluger, reappointed to the Board of Review, a three

year term; King Doyle, reappointed to the Board of Light and Power, a three year term; Bobby Adams and Dr. Orval McKay, reappointed to the Planning Commission for three year terms; and a new appointment, Robert Elzinga, also to the Planning Commission for a three year term.

Council concurred on the appointments.

IT WAS THEN MOVED to adjourn at 9:10 P.M. by Councilman Schneider.

James D. Maatman,
Mayor

Approved: August 13, 1984

ROTARY BLOOD DRIVE

How about exchanging some blood for some coffee, juice and cookies? You'll have your chance soon, when the Lowell Rotary Club again sponsors a Blood Drive for the Grand Valley Blood Program.

The Blood Drive is Wednesday, August 29 from 3:00 'til 8:00 p.m. The location has been changed to the Masonic Temple this year. This is the only Blood Drive in this area all year, so prospective donors should take advantage of this great opportunity.

If you did not donate blood last year, you may register by calling the Blood Drive Chairman Dr. David Durkee at 897-7780. Everyone who signed up last year will be contacted by a Rotarian to schedule you for this year. Please register by August 22.

Last year 130 donors were registered, and 73 donors actually gave blood. You are eligible to give blood if you are between 17 and 65 years old, in good general health, and weigh at least 100 pounds.

SHOWBOAT CITY TENNIS OPEN

Entry deadline is Friday, August 17. Entry forms are available at the Y Office 897-8445 or by contacting Tournament Director Al Harper at 527-0576.

Clark receives top sales award

Michael E. Clark, District Manager in Lansing for the Franklin Life Insurance Company, Springfield, Illinois, has qualified for one of the Company's top sales awards, according to Frank President William J. Alley, CLU.

Alley stated that Clark qualified for membership in Franklin's Key Club, comprising a select group of Company associates who produce extremely high personal sales within a 60 day period.

In recognition of Clark's exceptional industry achievements, he will be featured in the Franklin FIELD, the Company's national publication.

The 100 year old Franklin is one of the world's largest life insurance institutions, with assets in excess of \$2.8 Billion and over \$18.1 Billion of insurance in force.

The catfish and certain other fishes are believed to have many taste buds in the skin that covers their bodies.

New manager at Legion Lanes

The Lowell American Legion Lanes have a new manager this year in Ted Atwood of Wyoming. Atwood has been working hard during the bowling off-season to re-paint the interior of the bowling alley, refinish the lanes, disassemble, clean and adjust all eight pinsetters and "spruce the place up" in general. He says that bowlers should really enjoy the improvements made over the summer.

The Legion Lanes is currently offering a special on bowling of 3 games for a dollar good now thru the end of August. Games will go back to the old price of 75 cents on September 1. There are also specially priced hot dogs for those with an appetite, only 35 cents for a hot dog with all the trimmings.

Legues are currently forming, and Atwood says he has

STATEWIDE TROUT AND SALMON REGULATIONS

The Natural Resources Commission, at its meeting on July 13, 1984, under the authority of Act 165, P.A. 1929, as amended, and Act 230, P.A. 1925, as amended, ordered that for the period beginning September 1, 1984, and ending March 31, 1987, no person shall possess, take or attempt to take any species of trout or salmon from any of the waters of this state except by hook and line during the open seasons prescribed, and within the minimum size limits and maximum possession limits indicated below.

Statewide open seasons on all trout streams and designated trout lakes shall be from the last Saturday in April through September 30 (longer on waters designated by the Director for extended fishing under Act 165) on all trout and salmon. Statewide open seasons on all other inland lakes and the Great Lakes shall be any time for all trout and salmon except on Lake Huron and its tributary streams and on Lake Michigan and its tributary streams the season on lake trout is from May 1 through August 15.

Size limits shall be 8 inches in Lower Peninsula streams, 7 inches on Upper Peninsula streams, and 10 inches on all lakes. The possession limit for trout and salmon shall be 5 fish singly or in combination but no more than 2 lake trout or splake from Lake Michigan and its tributary streams or 3 lake trout or splake from Lake Superior and Lake Huron and their tributary streams, except that an additional 5 brook or brown trout may be taken from streams from the last Saturday in April through September 30 only.

In addition to one day's possession limit of salmon and trout, a person may possess an additional two day's possession limit of processed salmon. For the purposes of this Commission Order the term processed means:

- Canned in a sealed container
- Cured by smoking or drying
- Frozen in a solid state

Any processed salmon or trout aboard a vessel on the water or at dockside shall be included in the daily possession limit.

Free Shade Trees!!!

The National Arbor Day Foundation is giving ten free shade trees to people who become Foundation members during August, 1984.

The free trees are part of the Foundation's effort to promote fall tree planting throughout America.

A Sugar Maple, Weeping Willow, Red Oak, Green Ash, Thornless Honeylocust, Pin Oak, Silver Maple, Tuliptree, European Mountainash, and Red Maple tree will be given to members joining during August. The six to twelve inch trees will be shipped this fall at the right time for planting between October 15 and December 10. They will be sent postage paid with enclosed planting instructions.

These trees were selected because they provide shade and

beauty, and a variety of forms, leaf shapes, and fall colors, according to John Rosenow, the Foundation's executive director. They are guaranteed to grow, or they will be replaced free of charge.

The National Arbor Day Foundation, a nonprofit organization, is working to improve the quality of life throughout the country by encouraging tree planting. The Foundation will give the ten free trees to members contributing \$10 during August.

To become a member of the Foundation and to receive the free trees, a \$10 membership contribution should be sent to SHADE TREES, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by August 31, 1984.

Driver dies at wheel

The Kent county Sheriff's Department recently released information regarding a fatal accident that occurred on Lincoln Lake Road just north of Lowell on Sunday, August 5. Louis Pocs, 79, of 10000 Fulton Road, Ada was northbound on Lincoln Lake when he suffered a fatal heart attack. His vehicle left the roadway, struck several mailboxes, a culvert, an embankment and finally collided with a house at 826 Lincoln Lake Road owned by

Joe Speerstra. Pocs was pronounced dead at the scene. A passenger in the vehicle, Margaret Maksymowski, 67, of 6991 Goldenrod, Rockford was transported to St. Mary's Hospital in Grand Rapids where she was treated for bruises and lacerations.

Kent County Sheriff's Department Deputies, Lowell Police, Fire and Rescue responded to the accident.

Board of Education notes

The Lowell Board of Education held its regular meeting on Monday, August 13, 1984 at 7:30 P.M. in the board offices. Following the approval for the payment of bills, the Board recognized past Student Council President, Randy Baker. Randy presented the new High School flag to the Board of Education and Administration on behalf of the Student Body at Lowell High School as the final phase of the flag pole renovation. The flag was designed by students, John

Kloosterman and Geff Reinke. Under the item of Personnel, four resignations were accepted as follows: Kurt Dillinger from his Special Education position in the middle school, James Veldeer from his Assistant Football coaching position, Jill Wilson from her middle school Special Education position, and Carol L. Titcombe from her elementary music position at Alto and Run-ciman. Also under Personnel, the Board hired Mrs. Carrie Haadsma as the new high school

math teacher, and Mrs. Heidi Homeister and Miss Jody Hoekstra as Grand Valley State College interns for Special Education positions.

In other matters, a new Board Policy entitled "Statement of compliance with Federal Law" which more clearly states the intent of Lowell Area Schools to comply with the Federal law prohibiting discrimination was adopted. Approval was given on the high school course offerings for 1984-85 and candidates were

chosen for the Board of Directors for the Michigan Association of School Boards. The Board approved Wernet Distributors as the district's milk supplier for the 1984-85 school year.

In the last item of business, the Board approved the sale of the used copy/duplicating equipment to Greenridge Realty, Inc., First United Methodist Church of Lowell, and Jenison Public Schools who came in with the highest bids.

Volunteers needed for Telethon

Volunteers are needed to help with the Grand Rapids segment of the Jerry Lewis Labor Day telethon, according to Mr. Dick Richards, chairperson of the telethon in the Grand Rapids area. The 21-1/2 hour "Extra Special Special" will be televised on WZZM TV-13, starting at 9 P.M. Sunday, September 2nd and continuing through until 6:30 P.M. Monday, September 3rd.

"Staging the telethon requires an incredible amount of preparation and work", said Mr. Richards, "and each year we rely on caring volunteers to handle a variety of jobs, such as answering pledge phones and sorting pledge envelopes, to help make this vital fund-raising program a success. The terrific people of Grand Rapids have always come through for us in the past, and I hope we can count on them again this year."

The 19th annual Telethon, which will originate live from Caesars Palace in Las Vegas, will be carried throughout the U.S. by some 200 "Love Network" stations. The show's format includes 45 minutes of national programming and 15 minutes of local programming during most of its hours on the air.

Funds raised by the telethon will help MDA continue its intensive research and patient care programs covering 40 neuromuscular diseases. The association sponsors some 540 individual research projects worldwide. It also supports some 240 outpatient clinics nationwide, where people with any of the 40 disorders covered by the Association's programs receive medical care, orthopedic aids, and related services at no direct charge to them or their families. The MDA clinic serving the Grand Rapids Area is located at Blodgett Memorial Medical Center in Grand Rapids.

Mr. Richards said that anyone interested in volunteering for the Labor Day Telethon should call the local MDA office at 459-4331.

TRIATHLON CLINIC TO BE HELD AUGUST 14th

To help athletes prepare for the upcoming Bud Light/Reeds Lake Triathlon, a clinic will be held August 14th at 7:30 P.M.

Athletes planning to take part in the event or persons just interested in learning more about triathlon races are welcomed to attend the free clinic.

The September 15th triathlon has been organized through the combined efforts of the Grand Rapids Jaycees, Michigan Triathlon Training Team, and the East Grand Rapids Recreational Department. This will be the first time a race of this type has been held in the Grand Rapids area.

For more information regarding the triathlon clinic, contact Bob Wilson from Genesis Sports at 454-8834.
