## Auto crashes keep rescue personnel on the go

Lowell Police, Fire and Rescue units were kept busy last Wednesday and Thursday. The first of three personal injury accidents happened at about 3:30 p.m. Wednesday on West Main St. in front of the Admiral gas station.

A vehicle driven by James Carey, 18, of Lowell was stopped in the westbound lane waiting to make a left turn into the gas station when he was struck from behind by a vehicle driven by Nancy Metternick, 21, of Kentwood. The impact sent Carey's vehicle into the

eastbound lane where it was struck broadside on the passenger side by an oncoming vehicle driven by Randy Roosien, 26, of Lowell. The collision demolished Carey's vehicle and pinned in a passenger, Donald Friesner, also of Lowell.

Lowell Fire and Rescue personnel worked for about 30 minutes to free Friesner from the tangled wreckage. All three drivers and a third passenger in Carey's car were treated for minor injuries. Friesner was transported to Butterworth Hospital with a serious fracture of

QUILT DESIGNED BY DOLORES DEY ON DISPLAY

The 1986 Fallasburg quilt designed by Dolores Dey will be on display this week at Scizzor's in Monroe Center, Grand Rapids and next week at Cousins' Card and Gift Shoppe on Main Street.

### ATTENTION LOWELL MIDDLE SCHOOL STUDENTS

Any 7th or 8th grade student planning on going out for athletics during the school year should report for physicals on Wednesday evening, August 20th at 6:30 p.m., Middle School Gym. Physical forms will be available at that time.

### PATIO AND PARKING LOT DANCE

The Lowell Area Singles are sponsoring an outdoor Patio and Parking Lot Dance Saturday, August 16 from 8:00 p.m. to ? at Paul's Showboat Restaurant for all single adults. In addition to a donation of \$3.00, all dance-goers are asked to bring a staple food item for the ACCESS-6 Food bank. ACCESS-6, the All County Churches Emergency System, provides for the emergency food and clothing needs of families in destitute situations, with a food distribution center being located at the First United Methodist Church of Lowell.

### OFF THE BLOTTER

Phillip Thomas, 27, of Saranac was issued an appearance violation for open container of alcohol in a motor vehicle on Monday, August 4.

An arrest was made by Lowell officers of William Racine, 23 of Lowell, and Edward Beebe, 22, also of Lowell for criminal bench warrants this past week for failure to pay fines or court costs.

On August 8 Robert Vaughn of Lowell reported to Lowell officers that his car was struck by a hit and run driver while parked in the Lowell Fairgrounds.

Marion Stuart, 57, and Tari Wright, 28, both from Lowell, backed their cars into each other in the municipal parking lot at Monroe and Avery on Friday, August 8.

Robert Conrad, 53, of Lowell, was cited into 63rd District Court on Thursday, August 7 for using indecent language in the presence of women and children.

On August 4, Timothy Couture, 33, of Lowell, was involved in a property damage accident when he struck a gas pump in the Amoco Gas Station on Main and Hudson.

Denis Smith Sr., formerly of Lowell, was arrested and lodged into the Kent County jail on a warrant issued by 63rd District Court on Sunday, August 10.

Deborah Stuckey, 25, of Lowell was issued an appearance ticket this past week for permitting grass or weeds to grow to a pollinating height.

Involved in a property damage accident August 5, was James Pfaller, 27, of Lowell when he struck the rear of a car driven by Karen Knapp, 25, of Howard City on M-21 at Amity St.

Christopher Finney 36, and Sandra Finney, 34, of Belding, (formerly of Lowell), will appear in 63rd District Court later this week on charges of larceny by conversion which occurred earlier this summer.

Lowell Fire and Rescue personnel worked feverishly to pry apart a demolished vehicle so as to free a passenger. The victim was seated in the front passenger seat at the time of impact and was pinned in behind the driver's seat. The three car accident happened in front of the Lowell Admiral gas station on West Main. The late afternoon mishap snarled traffic for well over an hour.

his right hip. He remained there listed in fair condition on Tuesday.

Metternick was cited for failure to stop in a safe distance and Carey was issued citations for driving while his license was suspended and operating a vehicle without insurance.

Another three car collision on Main at Center St. injured four more people later that same day. A vehicle driven by Joseph Scheurer, 22, of Ionia was southbound on Center St. and failed

to stop at the Main St. intersection. Scheurer's vehicle was struck broadside by an eastbound auto driven by Melanie Heibel, 21, of Ada. The impact sent Scheurer's vehicle into a parked car on property owned by GE Auto Body, and then into the building itself. George Converse, 39, owner of the body shop, was seated at his desk in the front of the building, and barely escaped injury when Scheurer's vehicle crashed through the brick and glass.

There were three passengers in the Heibel vehicle, including a three-month-old baby who was not injured. Grace Heibel, 51, had to be extracted from the front seat by Lowell Fire Department personnel. She was treated and released at Blodgett Memorial Medical Center.

On Thursday Lowell Fire and rescue equipment were called to the scene of an accident at the corner of Cascade Rd. and Alden Nash. Norma L. O'Mara, 65, of Ionia was eastbound on Cascade

Rd. O'Mara stated she stopped, and was struck by a vehicle driven by Edith Mae Buxton, 51, of Woodland. Buxton and witnesses stated that O'Mara only slowed at the intersection, and proceeded without coming to a stop.

O'Mara was transported to St. Mary's Hospital in Grand Rapids and Buxton was taken to Pennox Hospital in Hastings. Neither driver was seriously injured. O'Mara was cited for disobeying a stop sign.

## Auto show & swap meet

What has over 1200 wheels, shines, and is worth more than 1.5 million dollars? The 300 operating antique automobiles at the 17th Annual Antique Auto Show & Swap Meet at Historic Charlton Park in Hastings. Restored to mint condition and on display will be vintage cars from Auburns and Cords, to Buicks and Fords on Sunday, August 17, 1986, from 9:00 a.m. to 4:00 p.m.

Spectators can get involved in the show by voting for their favorite car, and a lucky exhibitor will win the trophy.

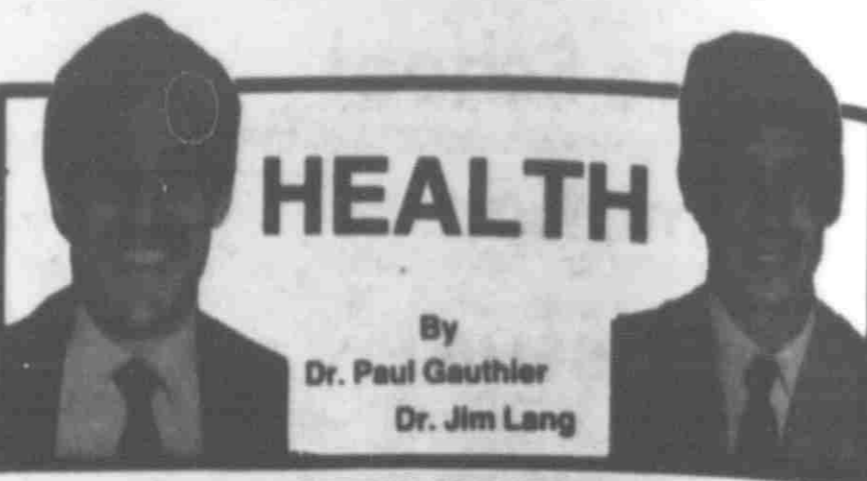

Antique cars, the driver and one passenger will be admitted free to the show, provided the car is 25 years old or older.

Auto buffs have the opportunity to find, buy, swap, or trade any type of auto parts or acces-

sories as part of the swap meet while other family members visit the flea market. Spaces are still available for \$10.00. A \$25.00 door prize will be awarded to one lucky vendor.

All vintage autos will be displayed with the make and year of the car. Most owners will be available to tell visitors about their work in restoring a classic; searching for parts, investing money, and the thrill of driving it down the street for the first time.

Admission is \$3.00 for adults (over 16), children are free. Admission includes the Auto Show, Swap Meet, 16 building historic village, new exhibits in the museum, and swimming & boating facilities on Thomapple Lake. Food is available on the grounds.

## GIVING BLOOD?

Today, we are going to depart from our usual column material and discuss a very important program that you can become a part of. The Lowell Rotary is, once again, conducting a community blood drive on August 27, 1986 from 3-8 p.m. at the Lowell Middle School Cafeteria. We hope that you will seriously consider giving a part of yourself to insure that life goes on for another. All Kent County residents depend on volunteer blood donors yet only 5% of all Kent County residents donate blood!

Ninety-three to one hundred and thirty units of blood are needed daily in the Kent County area and 75% of the general population will need a transfusion within their lifetime. The blood you donate can be used in many different ways. Approximately 5-8 units are required for each open heart surgery and almost 100 of these surgeries are performed in the Grand Rapids area monthly! Up to 12 donors a week are needed just to supply blood for babies in the neo-natal unit at Butterworth Hospital. Sometimes, massive amounts of blood are needed for one patient. Sixty seven units were needed for a wounded police officer recently in Grand Rapids!

A single unit of blood can be separated into different components such as red cells, plasma, or platelets. Red cells are used to replace lost blood in surgery, accidents or in patients with anemia. Plasma is used in patients with burns or shock, and platelets are used in patients with bleeding disorders especially in certain types of cancer.

Donating blood is really quite simple. It takes about 7-10 minutes to actually remove the blood. You'll be gone from the office or home for less than an hour. You are eligible to donate blood if you are "healthy" and are between the ages of 17 and 76. You must weigh at least 100 pounds. You may donate blood as often as every 8 weeks. Persons who have hepatitis, blood diseases, heart surgery, chronic lung disease, cancers or diabetes requiring insulin are not eligible to donate blood.

If you are thinking about donating blood, remember this...regardless of who you are or where you live, when you need blood you will receive it because thoughtful caring people, like you, have donated regularly to save lives!

\*\*If you want to donate blood during the Lowell Community Blood Drive August 27th 3-8 p.m., Lowell Middle School and have not been contacted, call 897-9209.\*\*

### Access Lowell comes to LCTV on August 26

Access Lowell will be premiering on Lowell Cable Television August 26 at 7:00 a.m. The program has been in the planning stages for many months. Through the cooperation of many people we are pleased to announce that we are now ready to introduce a totally local program, designed and produced for the exclusive viewing on the Lowell Cable System.

The emphasis of Access Lowell will be to have a forum for Lowell Community events and activities. We will be having many community leaders from government and civic groups on the program for in-depth interviews. We plan on being able to update your weekly calendars as you start each week with us. The program will be run on a trial basis for four weeks starting

on August 26. If we find community support for the program it will be extended thru June of 1987.

As with any project of this kind funding is required. We are looking for interested persons or businesses who would like to be involved in a unique and positive activity. If you think you might be interested write us a note at the address below and we will contact you about our program.

If you have any events that should be included on our broadcast please mail them at least 2 weeks prior to your event to Morning Star Productions, Community Events, 2118 Michigan Street, N.E. Grand Rapids, Michigan 49503. If you have any ideas or comments about our program, good or bad, please let us know at the above address.

### Homespun Devotions

By Pauline Spray

... thou art very great... (Psalm 104:1).

"This is my father," I say with pride whenever I introduce Dad. To me he has always been a hero. There is always fun when Dad is around. His sparse gray hair was once bushy and curly. His eyes still twinkle with the mischief of his youth. It is wonderful to have good parents!

It's wonderful, too, to "brag" about our Heavenly Father. The Psalmist tells us God stretched out the heavens like a curtain and laid the beams of His chambers in the waters. He made the clouds His chariots and walks upon the wings of the wind. He laid the foundations of the earth, and the waters fled at the voice of His rebuke. He appointed the moon for seasons. He sends springs into the valleys. He waters the hills, making the herbs and grass to grow. He provides food and drink for men, the trees for the birds to lodge in, the hills for the goats, and the rocks for the conies. He provided the night for the beasts to seek their prey and the day for man to labor. The earth is full of His riches. He created all this and more. "This is my Heavenly Father."

Prayer: "Bless the Lord, O my soul. O Lord my God... thou art clothed with honor and majesty." Accept my adoration and praise. Enable me to "brag" about Thee at every opportunity. Amen.

My Father is rich in houses and lands; He holdeth the wealth of the world in His hands! Of rubies and diamonds, of silver and gold, His coffers are full—He has riches untold.

### Klein Rodeo begins August 30

Western style riding by the nation's top cowboys and cowgirls, will be highlighted at the 42nd annual Klein Professional Rodeo to be held August 30-31 and September 1, at the Rodeo Grounds, M-37 and 13-Mile Road, mile west of Sparta.

The big Labor Day weekend Western spectacle features seven rugged events starting at 2 p.m. daily. Events contested daily are: saddle bronc riding, bare-back riding; calf roping, steer wrestling, girls' barrel racing, bull riding and the thrilling Klein Special-Wild Horse Race.

More than 180 riders from the tough International Rodeo Association will be vying for the expected \$13,000 prize money to be awarded at the conclusion of the three-day event.

Such outstanding World IRA Champions as Dan Dailey, All Around Cowboy; Kenny Phillips, bare-back bronc rider; Justin Rowe, saddle bronc rider; and National champs Tom Walker, calf roping; Britches Sims, steer wrestling and Jerry LaValley, bull riding, are expected one of the three days.

Dailey, nine-time National champion and one of the favorites with Klein rodeo spectators the past six years, walked off with last year's Klein Rodeo All Around Cowboy honors and \$879.74 for high finishes in steer wrestling and saddle bronc riding.

During the 2-1/2 hour daily program, there will be something for everyone. Comedy will be supplied by two professional rodeo clowns. Merrily Steffen, Richmond, IL., will be featured as a trick rider in between each event. A special kids' calf scramble for prize money will be held for children up to 12 years old.

The summer's curriculum consists of orientations on jet aircraft, career opportunities, human relations education and equal opportunity training. Physical fitness and survival training is also emphasized.

The field training is four weeks, but cadets in the two-year ROTC program receive an additional two weeks of instruction in the development of air power and the contemporary Air Force.

Fischer is a student at Michigan State University, East Lansing.

Navy Fireman Joseph Mauric, son of Mary E. and George F. Mauric, Jr. of 9496 Five Mile Road, Ada, has completed recruit training at Recruit Training Command, Orlando, FL.

During Mauric's eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic fields.

Mauric's studies included seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

A 1984 graduate of Lowell Senior High School, he joined the Navy in April 1986.

Army Private Richard M. Perrin, son of Mary J. and Robert B. Perrin of 1415 Grand River Drive, Ada, has completed basic training at Fort Dix, N.J.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

Cadet Bruce M. Fischer, son of Harry A. and Helma N. Fischer of 7664 Aspenwood Drive S.E., Ada, has completed a U.S. Air Force ROTC field training encampment at Lackland Air Force Base, Texas.

Field training, attended by cadets normally between their second and third year of college, gives an opportunity to evaluate each student's potential as an officer, according to an Air Force spokesman.

During the six weeks of training the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree through the Community College of the Air Force.

Airman David M. Malone, son of Mr. and Mrs. Daniel A. Malone of 5086 Gavin Lake N.E., Rockford, has graduated from Air Force basic training at Lackland Air Force Base, Texas.

Field training, attended by cadets normally between their second and third year of college, gives an opportunity to evaluate each student's potential as an officer, according to an Air Force spokesman.

Adult tickets for each performance are \$6 and children (ages 8-12) \$3 and may be purchased at the main gate ticket office that opens daily at noon.

### Come celebrate the library's 50th Anniversary

In celebration of the Kent County Library System's 50th Anniversary, an Antique Car Tour - wherein cars will be routed to all the 17 branches throughout the county - has been scheduled. The event, which is scheduled to take place on September 20, is open to all car buffs looking for an opportunity to show off their wheels. Welcoming activities including parties, contests, films and more will be held at each of the branch stops and the day should prove to be a lot of fun for drivers and spectators alike (further details forthcoming).

If you would like to join in the fun, contact: Pat MacDonell, c/o Kent County Library System at 774-6812.

### Area students named to GVSC Dean's List

Listed below are the fall semester 1985 and winter semester 1986 graduates of Grand Valley State College. The list includes students from cities throughout Michigan and from eight other states. Graduates from Ada were: Kenneth Brown, Jr., M.B.A., Joy Cilla, M.E.D. and Scott Wellman, B.S. Graduates from Lowell were: Peggy Shade, B.S. and Betty Shelby, M.P.A.

Under Public Comment, Edna Schooley, Deputy Library Director, and Dave Stracke, Adult Services Coordinator, indicated the Kent County Library System has joined the Grand Rapids Public Library and Kent Regional Community Education Association in forming a comprehensive county-wide Literacy Services Network.

Commissioner Oppewal introduced Michael Sak, her opponent and victor in the 19th Commissioner District in the Democratic Primary. She felt she ran a good campaign but he ran a better one. She wished him well.

Resolution No. 8-86-114 approving an NBI computer system for the Prosecutor's Office was presented: (All have received copies.)

RESOLUTION BY COMMISSIONER KUHN

WHEREAS, the Prosecuting Attorney has requested a computer system for his office, and WHEREAS, the Data Processing Steering Committee has approved this concept, and WHEREAS, systems have been evaluated which offer the Prosecuting Attorney's office the services and benefits which will eliminate duplicate data entry, and

WHEREAS, the Prosecuting Attorney's staff recommend an NBI departmental computer system, and WHEREAS, this proposed system, in addition to saving time and increasing the accuracy of the data base, will allow an increase in efficiency in the areas of victim/witness services division and tracking of physical case files in circuit courts, and

WHEREAS, the total cost of this system is \$68,257.00, and WHEREAS, the Finance Committee recommend a General Fund Contingent Account transfer for this purchase.

NOW, THEREFORE, BE IT RESOLVED, that the Kent County Board of Commissioners approves the NBI departmental computer system for the office of the Prosecuting Attorney, and BE IT FURTHER RESOLVED that the Kent County Board of Commissioners approve a General Fund Contingent Account transfer of \$68,257.00 to Special Project/Prosecuting Attorney Computerization for equipment, software and system programming.

Absent from room: Lamoreaux - 1. Absent: Marsh, Laninga - 2. Resolution No. 8-86-115 approving an agreement with Computer Corporation of America for implementing a new automated Tax Administration System was presented: (All have received copies.)

RESOLUTION BY COMMISSIONER BUTH, R.

WHEREAS, the County has recently terminated a contract with American Management Systems for an automated Tax Administration System, and WHEREAS, Kent County Data Processing Department has studied alternative tools and resources needed to design and implement a new automated Tax Administration System, and

WHEREAS, a Selection Committee, comprised of five technicians from the Data Processing Department and one representative from the Purchasing Department, has reviewed several data base software packages using fourth generation language, and

WHEREAS, the Selection Committee evaluated three finalists based on a set of forty criteria, on user site visits and utilization of proto-type testing, and

WHEREAS, this Selection Committee recommends the data base software of Computer Corporation of America, and

WHEREAS, the Data Processing Steering Committee and Finance Committee concur in the recommendations of the Selection Committee.

NOW, THEREFORE, BE IT RESOLVED that the Board of Commissioners authorize contracting with Computer Corporation of America to purchase their Model 204 Data Base, Program Generation Language, Report Writer, and one year of maintenance for \$165,000, plus training and consulting services for \$65,000 out of existing Data Processing Department budgeted funds, and

BE IT FURTHER RESOLVED that the Chairperson and the Clerk of the Kent County Board of Commissioners be authorized to sign the necessary contracts with Computer Corporation of America.

Commissioner R. Buth moved adoption of the resolution. Seconded by Commissioner Lorch.

Motion carried by the following vote: Yeas: Kuipers, Bandstra, Oppewal, TerHorst, Vaughn, Kempker, Kuhn, Doyle, DeVriendt, Boelens, Thomas, DeKraaker, Lorch, R. Buth, M. Buth, Wahlfeld, Schwab, Chairman Byington - 18. Nays: None.

RESOLUTION BY COMMISSIONER BUTH, R.

WHEREAS, in the past, Old Kent Bank has provided the County with checking account services at no cost to the County since Old Kent Bank was willing to accept the earnings on investable balances as a complete offset for the service charge for checking accounts, and

WHEREAS, Old Kent Bank has now found it necessary to charge the County a net service fee which provides that the County receive a credit for earnings on investable balances as an offset against gross service charges for checking accounts, and

WHEREAS, this net service charge is anticipated to be approximately \$15,000 for the year 1986.

NOW, THEREFORE, BE IT RESOLVED that the Kent County Board of Commissioners appropriate a sum of \$15,000 to the Treasurer's Office to provide for payment of these service charges.

BE IT FURTHER RESOLVED that the Kent County Board of Commissioners amend its 1987 Budget to provide \$15,000 for these service charges in 1987.

Commissioner R. Buth moved adoption of the resolution. Seconded by Commissioner DeVriendt.

Motion carried by the following vote: Yeas: Kuipers, Bandstra, Oppewal, TerHorst, Vaughn, Kempker, Kuhn, Doyle, DeVriendt, Boelens, Thomas, DeKraaker, Lorch, R. Buth, M. Buth, Wahlfeld, Schwab, Chairman Byington - 18. Nays: None.

RESOLUTION BY COMMISSIONER R. BUTH

WHEREAS, the Purchasing Department and the County Architect received a request from the Health Department to inspect structural damage to the west and south elevations of the Health Department, and

WHEREAS, the inspection revealed several cracks in the brick walls/piers and mortar deterioration throughout both elevations. The cause of this damage is a combination of building movement and water seepage into the brick/mortar, and

WHEREAS, the Purchasing Department received proposals for the repair of the building at a cost of \$14,600.00, and

WHEREAS, the repair will involve cutting out radon cracks in the piers and walls followed by caulking with a urethane sealant and cutting out horizontal joints of the brick lintel and sills followed by the urethane sealant caulk and after repairs have been made to all brick/mortar cracks, all applicable surfaces would then receive a water repellent coating, and

WHEREAS, the Finance Committee has reviewed this request and recommends approval with the use of Public Improvement funds.

NOW, THEREFORE, BE IT RESOLVED that the Kent County Board of Commissioners earmark \$14,600.00 within the Public Improvement funds for the Health Building exterior building maintenance.

Commissioner R. Buth moved adoption of the resolution. Seconded by Commissioner Kuipers.

Motion carried by the following vote: Yeas: Kuipers, Bandstra, Oppewal, TerHorst, Vaughn, Kempker, Kuhn, Doyle, DeVriendt, Lamoreaux, Boelens, Thomas, DeKraaker, Lorch, R. Buth, M. Buth, Wahlfeld, Schwab, Chairman Byington - 19. Nays: None.

Absent from room: Lamoreaux - 2. Resolution No. 8-86-122 setting a hearing on the millage rate pursuant to Act 5 as amended was presented: (All have received copies.)

RESOLUTION BY COMMISSIONER LAMOREAUX

WHEREAS, Act 5, Public Acts of Michigan, 1982 as amended, provides that without specific action taken by the County Board, the Board shall not levy valorem property taxes including liquor revenues as provided for under Act 106 and 107, for operating purposes for the ensuing fiscal year which yields an amount more than the sum of the taxes levied at the base rate on additional millage rate for the ensuing fiscal year plus an amount equal to the taxes levied for operating purposes for the concluding fiscal year on existing property, and

WHEREAS, said Act 5, as amended, provides that the County Board may approve the levy of an additional millage rate, within its present authorized or proposed millage rate, only after providing certain notice to the public and holding a public hearing for the purpose of receiving testimony and discussing the levy of an additional millage rate for the ensuing fiscal year, and

WHEREAS, this County Board has been advised by the Equalization Director that the state equalized valuation for the 1986 tax year of property located within Kent County is \$5,382,976,781, and

WHEREAS, said Act 5, based upon the state equalized valuation of the County, would limit the County's operating tax levy to 4.401% mills, and

WHEREAS, this County Board, after careful examination of its estimated operating expenses for the 1987 Budget year and estimated revenues based on state equalized valuation, has determined that the best interests of the County require the levy of an additional millage rate of .3984 mills to provide sufficient revenue for the County for operating purposes for the ensuing fiscal year.

NOW, THEREFORE, BE IT RESOLVED that:

1. The County Board, pursuant to said Act 5, proposes a tentative levy of not to exceed 4.8 mills for operating purposes in 1987, which includes an additional millage rate of .3984 mills.

2. A public hearing shall be held on September 3, 1986 at 9:00 a.m. at the Commission Chambers for the purpose of receiving testimony and discussing the levy of an additional millage rate for the 1987 fiscal year.

3. The County Clerk is hereby authorized and directed to publish notice of such public hearing in a notice shall be published not less than six (6) days before the public hearing and shall comply with all requirements of said Act 5.

4. The County Clerk is hereby authorized and directed to send written notice of the time, date, and place of the public hearing to all newspapers of general circulation within the County.

Commissioner Lamoreaux moved adoption of the resolution. Seconded by Commissioner Doyle.

Absent from room: Marsh, Laninga - 2. Absent: Resolution No. 8-86-124 advancing \$20,592 from the General Fund for connecting Immanuel Lutheran Church to the steam system was presented: (All have received copies.)

RESOLUTION BY COMMISSIONER BANDSTRA

WHEREAS, on May 15, 1986, Kent County became the owner of the District Heating and Cooling Operation ("DHCO") and

WHEREAS, it is in the best interests of the County to add new customers to the DHCO, and

WHEREAS, Immanuel Lutheran Church has requested the County to extend the steam service of the DHCO to serve its property located at 338 N. Division Avenue, Grand Rapids, Michigan, and

WHEREAS, the estimated capital cost of extending a steam main to the Immanuel Lutheran Church property is fifty-five thousand dollars (\$55,000), and

WHEREAS, the Finance Committee has reviewed this request and recommends approval of the advance.

NOW, THEREFORE, BE IT RESOLVED that the Kent County Board of Commissioners approve an advance of \$20,592 from the General Fund to the Department of Public Works for the DHCO's share of the capital cost of extending steam service to the Immanuel Lutheran Church property at 338 N. Division Avenue provided that Immanuel Lutheran Church enters into a steam service contract and provided further that the advance shall be repaid not less than 10 years from the date of the advance with interest not to exceed 8 1/2 per annum.

Commissioner Bandstra moved adoption of the resolution. Seconded by Commissioners Schwab, Lorch and DeKraaker.

WHEREAS, it is the recommendation of the Kent County Drain Commissioner that a portion of the drain easement be abandoned.

NOW, THEREFORE, BE IT RESOLVED that the County of Kent hereby terminates a portion of the drain easement as recorded in Liber 2396, Page 1151 and described as follows:

A 20.00 foot wide easement for drainage purposes in that part of the SE 1/4, Section 20, T8N, R11W, Plainfield Township, Kent County, Michigan, the centerline of which is described as: Commencing at the Northwest corner of Lot 64 of Skyway Plat No. 8; thence S0°22'W 69.70 feet along the East line of said Lot 64; thence S45°00'E 68.00 feet; thence N45°00'E 32.00 feet to the point of beginning; thence S57°00'E 132.00 feet; thence S47°00'E 120.00 feet; thence S0°00'E 160.00 feet, more or less, to the Northwest corner of said lot; thence West River Drive, and the point of ending.

BE IT FURTHER RESOLVED that the Chairperson and the Clerk of the Board of Commissioners be and they are hereby authorized to execute a Quit-Claim Deed for the release of said easement.

Commissioner Boelens moved adoption of the resolution. Seconded by Commissioner Oppewal.

Motion carried by the following vote: Yeas: Kuipers, Bandstra, Oppewal, TerHorst, Vaughn, Kempker, Kuhn, Doyle, DeVriendt, Lamoreaux, Boelens, Thomas, DeKraaker, Lorch, R. Buth, Wahlfeld, Schwab, Chairman Byington - 18. Nays: None.

Absent from room: Buth - 1. Absent: Marsh, Laninga - 2. Resolution No. 8-86-126 for translator/interpreter services for the Circuit Court and Prosecuting Attorney was presented: (All have received copies.)

RESOLUTION BY COMMISSIONER LAMOREAUX

WHEREAS, the City and the County are considering the renewal services of a contractor to provide translator/interpreter services for the different courts and law enforcement agencies within their respective jurisdictions, and

WHEREAS, the contractor will appear with defendants, witnesses and victims to translate and interpret in English to and back in such fashion as to insure adequate communication and understanding of what is taking place, and

WHEREAS, the languages to be provided will be Mexican, Puerto Rican, Cuban, Vietnamese, Dutch, Polish, German and Latvian, and

WHEREAS, the translator/interpreter services have been reviewed and approved by the Circuit Court Judges and Kent County Prosecutor, and

WHEREAS, the cost for the proposed contract will be at the rate of \$25.00 per hour on an "as used" basis for all authorized translator/interpreter services requested and performed, and

WHEREAS, in addition to the hourly rate, an administrative charge of \$1,512.50 will be charged the County, and

WHEREAS, the cost of this contract will come out of the present operating budgets of the Circuit Court and Prosecuting Attorney, and

Commissioner Lamoreaux moved adoption of the resolution. Seconded by Commissioner Wahlfeld.

Motion carried by the following vote: Yeas: Kuipers, Bandstra, Oppewal, TerHorst, Vaughn, Kempker, Kuhn, Doyle, DeVriendt, Lamoreaux, Boelens, Thomas, DeKraaker, Lorch, R. Buth, M. Buth, Wahlfeld, Schwab, Chairman Byington - 18. Nays: None.

Absent from room: Marsh, Laninga - 2. Resolution No. 8-86-127 for expenditure of \$45,560 from the General Fund Contingent Account for delinquent assessments for Bliss Creek Drain improvements was presented: (All have received copies.)

WHEREAS, the Finance Committee has reviewed the attached contract and recommends approval. NOW, THEREFORE, BE IT RESOLVED that the Kent County Board of Commissioners approve the attached contract (which need not be printed as part of the minutes) for translator/interpreter services for the Circuit Court and the Prosecuting Attorney's office.

Commissioner Lamoreaux moved adoption of the resolution. Seconded by Commissioner Doyle.

Motion carried by the following vote: Yeas: Kuipers, Bandstra, Oppewal, TerHorst, Vaughn, Kempker, Kuhn, Doyle, DeVriendt, Lamoreaux, Boelens, Thomas, DeKraaker, Lorch, R. Buth, M. Buth, Wahlfeld, Schwab, Chairman Byington - 19. Nays: None.

Absent from room: Marsh, Laninga - 2. Resolution No. 8-86-127 for expenditure of \$45,560 from the General Fund Contingent Account for delinquent assessments for Bliss Creek Drain improvements was presented: (All have received copies.)

RESOLUTION BY COMMISSIONER BUTH, R.

WHEREAS, the Bliss Creek Inter-County Drain Board in 1984-85 approved and implemented improvements to the Bliss Creek Drain, and

WHEREAS, the Bliss Creek Inter-County Drain Board established an apportionment for those improvements and billed the assessments to the affected units of governments in November of 1985, and

WHEREAS, the City of Wyoming and Grandville are not in agreement with the equity of the apportionment and have not paid their assessments totaling \$45,560.00, and

WHEREAS, there are outstanding drain orders on the improvements of the Bliss Creek Drain which are now overdue, and

Commissioner Lamoreaux stated that in May or June the consultants began changing their estimates. They are not helping the County. The County must determine natural gas prices, insurance, the pollution situation, and how much it will cost.

Commissioner Doyle stated that the controller in Indianapolis stated they have a fixed price of \$82 million for a 2,000 ton per day plant with a guaranteed tipping fee of \$15 per ton.

Commissioner R. Bush stated no one would give a guaranteed tipping fee. Indianapolis received a tremendous bargain, but the figures given do not represent their total cost.

Commissioner Appawal pointed out that the bonds have been sold. To cut losses in terms of escalating tipping fees the County should consider not only public ownership but public operation as well.

Mr. Platte indicated that changing from public ownership/private operation would mean that the financing must be redone.

Commissioner Kempker stated he was not happy with the rising tipping fees but did not feel the tipping fee would be lower with private ownership.

Commissioner R. Bush moved to call for the question. Seconded by Commissioner Lorch.

Motion carried. Note on the motion by Commissioner Doyle to approve the resolution failed by the following vote: Yeas: Doyle, Lamoreaux, Mahfield - 3.

Nays: Kuipers, Bandstra, Oppewal, TerHorst, Vaughn, Kempker, Kuhn, DeVriendt, Boelsma, Thomas, DeKraaker, Lorch, R. Bush, M. Bush, Schwab, Chairman Byington - 16.

Absent: Marsh, Laninga - 2. Commissioner Bandstra urged those Commissioners who voted in favor of the resolution to attend Board of Public Works meetings.

Commissioner Doyle stated, "The County will rue the day it foisted the MBI on the citizens of Kent County."

Commissioner TerHorst provided a handout on the Kent County Library System's 50th Anniversary Antique Car Tour on September 20.

Chairman Byington indicated that Commissioner Thomas has been appointed to the National Library Board Legislative Committee.

Mr. DeJonge provided copies of the computer print-out of the August 5 Primary Election. The new computer system operated flawlessly. He expressed his appreciation to the Data Processing Department for their cooperation.

Mr. DeJonge reported receipt of a letter of resignation from Ted Williams as County Surveyor, effective August 1, 1986. A selection committee comprised of the County Clerk, Judge of Probate John Steketeer and Prosecuting Attorney David Sawyer will be meeting Thursday to lay ground rules for appointing a successor.

Robert Ross, Director of Aeronautics, gave an update on the status of construction at the airport. Work is 80 percent complete. Funding by the Federal Government and County varies with the area of construction, but it averages out to be 50-50 funding of the \$6.5 million project. Airport worth is now \$100 million. There will be a ribbon cutting ceremony for the project on Saturday, November 22.

Commissioner Kuhn complimented Mr. Ross and Mr. John Boerema for their presentation at the NACO Conference in Clark County, Nevada.

At 10:45 a.m. Commissioner DeVriendt moved to adjourn, subject to the call of the Chairman and to Thursday August 28, 1986 at 9:00 a.m. for a Committee of the Whole Meeting and to Wednesday, September 3, 1986 at 9:00 a.m. for an Official Meeting. Seconded by Commissioner Kuhn.

### ints For Homeowners

#### SPA SENSE

The therapeutic effects of warm, bubbling water have long been known to man, but until recently the only way to enjoy a soothing soak was at a health club or resort.

Today, nearly one million Americans have installed spas in their homes. Two key reasons for this growth are spas are more portable and affordable than ever, and their health benefits combat stress and promote relaxation.

Medical experts and those in professional sports know that spas provide unequalled relaxation as outlets for stress and fatigue. A long, steamy soak is just the answer to life's hard knocks. Exercise also is enhanced, since body weight is reduced 90 percent when fully immersed.

Health benefits aside, families are using home spas as a novel setting for indoor or outdoor entertaining.

According to Du Pont, manufacturer of "Lucite" XL, the premium quality acrylic sheet used by most leading spa manufacturers, home spas can provide years of pleasure and relaxation if chosen with care and common sense.

Investigate your options. You can choose portable spas to afford you great mobility. Or, you can choose built-in spas made of acrylic sheet having fiberglass backing or spas made of concrete or gunite. All are available in a wide variety of shapes, sizes and colors.

Analyze your space requirements. Before shopping, consider room or deck size, access to water hooks and location of entryways.

Choose a dealer with care. Check history, references and record of service. Most important, make sure that installation work is performed by a licensed contractor.

For further information on choosing, maintaining and enjoying a home spa, send a stamped, self-addressed envelope to: "Lucite" XL, Du Pont Company, Room X50426, Wilmington, DE 19898.

## AAA magazine reaffirms opposition to state checklanes

Sobriety checklanes are not the most effective way of getting drunk drivers off the road and are questionable on a constitutional basis, according to an editorial in the May issue of AAA Michigan Living magazine.

"AAA Michigan has long held that sobriety checkpoints presume guilt where none exists," the magazine stated. "We oppose police stopping motorists who have done nothing wrong."

The best ways to attack the drunk driving problem are stepped-up activity by alcohol enforcement teams in areas with high rates of alcohol-related deaths, increased drunk driving arrests and driver's license suspensions, AAA Michigan says.

The magazine cited a recent study by its Safety and Traffic Department which showed checklanes not only had been ruled illegal in three states where they had been used, but they also do not produce Operating Under the Influence of Liquor (OUIL) arrests.

According to the study, in six states where checklanes were operating on a large scale, 228,000 persons were stopped but only 1.4 percent of the motorists were arrested. An average of more than 10 officers were required to staff each checklane.

In Maryland, where 37,147 motorists were stopped at checklanes, only eight-tenths of 1 percent were arrested for driving with impaired ability. The Maryland checklanes required eight officers.

In contrast, Michigan's use of selective enforcement has helped reduce alcohol-related traffic accidents up to 39 percent in certain areas. There are 11 funded alcohol task forces in the state.

Some 55,000 persons were arrested for OUIL in 1982. In 1984 and 1985, with alcohol enforcement task forces active where experience shows alcohol-related accidents occur, about 80,000 and 75,000 respectively, were arrested for OUIL. In that time, alcohol-related fatal accidents decreased six percent statewide.

"AAA Michigan feels that if funds, energies and officers are diverted to sobriety checkpoints, OUIL arrests will decrease as they did in Utah, which stopped checkpoints," Michigan Living said.

"Let's give our new OUIL laws a real chance to work. Let's arrest and convict those who drive drunk. That's a real deterrent," the editorial concluded.

Michigan Living is circulated monthly into the homes of 1.3 million AAA Michigan members.

## cozy corner by Roger Brown

I did something Monday night that I have wanted to do for years. The kids and I attended an open house at the James C. Veen Observatory. They have regular public hours each month and week long open houses periodically, but I had simply never gotten off my duff and driven out there. Geez, it must be all of five or six miles. I did take an adult education astronomy class a few years back that met at the observatory, but I never took the kids.

I was really impressed. The Grand Rapids Amateur Astronomical Society did a great job despite a large crowd. They had telescopes set up in the yard that were zoomed in to such attractions as the moon, M-13, Saturn, Mars, etc. The big telescopes in the domes were also focused on popular celestial objects. Out in the back yard Dave DeBruyn, Curator of the Roger B. Chaffee Planetarium, was pointing out constellations and answering questions. Inside, a slide show explaining the work done at the observatory was repeated from time to time. Everywhere the lines were orderly, and everyone got a chance to view the sights. Like I said before, I was impressed. So were the kids.

The open house continues through Friday from 8:30 to 11:30 each evening. There is no charge. So, if the skies are clear, take my advice and head out to the observatory. It's located on Kissing Rock Rd. between Grand River Dr. and 36th Street. A sign at the driveway makes it easy to find.

All this astronomy perked my interest, and I decided to get up early to view the Perseid meteor shower which peaked on August 11 and 12. At 4:00 a.m. this morning (Tuesday) I was standing in my back yard, craning my neck and straining my eyes in hopes of viewing a meteor "shower". The skies were clear and Dave DeBruyn had told us where to look, so I had high hopes. I was disappointed.

My idea of a meteor shower is just that, a "shower" of meteors. Oh sure, I saw several meteors, or shooting stars, but it was one here, then a couple of minutes later another one would shoot through the sky, then maybe two in quick succession. I probably saw fifteen or twenty meteors in the half an hour that I watched. Granted, that's more than a person would see normally, but it was still a disappointing "shower."

You may remember a column I wrote about getting Casey up at 3:00 a.m. and taking him out in the country to spot Halley's Comet. The comet appeared as nothing more than a fuzzy ball of light. Casey was not impressed. Remembering that experience, I thought better of waking him for the meteor shower. I'm sure he's thanking me as he sleeps.

I was more impressed by the activity at 4:00 a.m. than I was with the meteor shower. I couldn't believe the amount of traffic on Hudson St. at that hour. Cars and trucks heading north, heading south, turning off on side streets, going fast and going slow. It was almost like mid-day. Where in heck are all you people going in the middle of the night? Dogs barked, a neighbor's sprinkling system was at work, several lights came on, a TV was glowing in a window up the street. Am I missing something when I'm sleeping at 4:00 a.m.?

If you think I've just kinda rambled through this column, you're dead right. I'm working on about four hours of sleep and I guess I'm lucky to have plodded through this before falling asleep right here at the keyboard.

## spotlight on health

### TAKING THE GUESSWORK OUT OF VITAMINS

People know that vitamins are essential to health, but they often ask: "How much of a particular vitamin do I need each day, and should I worry about taking too much?"

Because of the things about you that make you an individual - age, sex, overall health status and eating habits, to name a few - the level of vitamins you need everyday will not be exactly the same as the person next to you.

There are, however, guidelines for the safe use of vitamin supplements that can help take the guesswork out of vitamin safety. Dr. John Hathcock, Professor of Food and Nutrition at Iowa State University, compared the recommended daily intake of ten vitamins with the level at which they can become toxic.

The results of this comparison show that just as each vitamin is required by the body in different amounts, each has its own margin of safety.

For example, the Recommended Daily Allowance (RDA) of vitamin C is 60 mg., and the dose at which toxic symptoms may begin to appear in certain individuals is 2,000 mg. to 5,000 mg. Hence, Dr. Hathcock estimates that vitamin C is safe at levels 33 to 83 times the recommended intake. Vitamin E is generally recognized as very safe -

you'd have to ingest at least 40 times the RDA before toxicity becomes a concern.

Similarly, the vitamins pyridoxine (B6), biotin, pantothenic acid, thiamin (B1), folacin and niacin are quite safe at levels from 50 up to 1,000 times the RDA; but again, each vitamin has its own safety range, and supplementing with large doses of single vitamins should be undertaken only with professional guidance.

Because the body stores fat-soluble vitamins, an excess may lead to symptoms of toxicity. Dr. Hathcock reports a range of safety for vitamin A of about ten times the RDA, and 125 times the RDA for vitamin D (but only 2.5 to 5 times the RDA for infants and adults with certain infections or metabolic diseases.)

Overall, Dr. Hathcock notes that use of a wide-spectrum vitamin supplement at 100 percent of the recommended intake poses no toxic hazard whatever, for most people, and is the safest bet when choosing a supplement.

## AAA celebrates 70 years of service

During a year in which motorists are expected to travel Michigan in record numbers, AAA Michigan commemorates 70 years of providing travel services, insurance and 60 additional services to Michiganders.

In addition, the list of AAA services has grown from the establishment of the nation's first School Safety Patrol program in 1919 to providing car insurance and travel services. In the process AAA Michigan has become the state's largest auto insurer and travel agency.

Last year, AAA Michigan sold more airline tickets and made more travel arrangements than any AAA club in the world.

Other services currently offered by AAA Michigan include home, boatowner and life insurance; ticketing for entertainment and sporting events; American Express Travelers Cheques; and a 24-hour Member Service Center, where AAA members can obtain a variety of services by telephone.

AAA Michigan has played a significant role in traffic and safety legislation and aided in passage of Michigan's current drunk driving laws, laws governing "topless trucks" and the state's mandatory safety belt law.

It also helped develop Michigan's driver education program, which dates back to 1934, and today sponsors programs on alcohol's effects for students from elementary through high school.

In 1983, AAA Michigan purchased the Boblo Island Amusement Park on the Detroit River and has embarked on a multi-million dollar five-year expansion and beautification program.

B-25 "Mitchell" Bomber, hero of the Doolittle Raid on Tokyo, will be at Kent County International Airport August 16 and 17 from 10 a.m. to 6 p.m. as part of a "Warbird" display sponsored by The West Michigan Wing of The Confederate Air Force.

World War Two...fought and won in the skies of a hundred battle grounds.

On Saturday and Sunday, August 16 and 17, you can see some of the aircraft that fought for the skies in World War Two at Kent County International Airport.

Sponsored by the West Michigan Wing of the Confederate Air Force, this display will feature the German Junkers JU-52 Transport, the P-51 Mustang, the C-47 Skytrain and the B-25 Mitchell Bomber. A special attraction is an exact replica of the Japanese "Zero" Fighter that was used in the motion picture "Tora, Tora, Tora!"

Airplane and helicopter rides will be available both days, as well as a raffle for free rides, free ground school at Northern Air Service, and other prizes.

A \$3.00 tax-deductible donation is required, kids under 12 are free and "seniors" over 65 are \$2.00. Proceeds from this event will be used locally to complete the restoration of the Wings At-11 Bombardier Trainer, and to provide a hangar/museum at Kent International.

### CARROT KUGEL MADE WITH SAFFLOWER OIL

Kugels, which are similar in texture to puddings, are traditional at Passover as a side dish or dessert. This one combines matzoh meal with fresh carrots and spices for its light and mellow taste. But there is something different about this recipe. It contains no cholesterol and is lower in saturated fat because the fat-rich whole eggs and butter or solid shortening, typically used, have been replaced with egg whites and safflower oil. Safflower oil is healthier on another level as well—it has the highest amount of polyunsaturated fats which help reduce our blood cholesterol.

#### CARROT KUGEL

- 1 pound fresh carrots
- 1/2 cup matzoh meal
- 1 tablespoon sugar
- 2 teaspoons ground cinnamon
- 3/4 teaspoon salt
- 1/4 cup safflower oil
- 6 egg whites
- 1 teaspoon grated lemon peel

Preheat oven to 350 F. Oil a 9-inch square pan; coat lightly with matzoh meal and set aside. Coarsely grate carrots (makes about 4 cups). Place in a large bowl along with matzoh meal, sugar, cinnamon, lemon peel and salt; mix well. Stir in safflower oil. Beat egg whites until stiff but not dry. Stir in one-quarter of the egg whites. Gradually fold in remaining egg whites. Pour into prepared pan. Bake until a cake tester inserted into center comes out clean, about 50 minutes. Cut into 1-1/2-inch squares. Serve warm with applesauce, if desired.

## Kindergarten Information

If your child has not been registered (through our kindergarten roundup last spring) please do so as soon as possible by calling the school in your attendance area (or the superintendent's office if you are unsure of which school your child will attend), and the bus garage for specific kindergarten information.

You will need:

1. Birth Certificate
2. A Record of Immunization
3. Proof of Vision and Hearing Test
4. Medical & Dental
5. Completed Registration Form

To comply with state regulations, we cannot officially enroll your child in kindergarten without the above listed items.

### SCHOOL BUS SCHEDULES ROUTES AND OTHER INFORMATION

**PLEASE NOTE:**  
Most bus numbers have not been changed; those that have will note last year's bus number next to the number for this year. We have tried to give you approximate times in the listed route information. Some adjustments have been made in our regular routes. Please look for these changes.

**MOTORISTS:** The flashing red lights of a stopped school bus means STOP. Any school bus, moving or stopped, should trigger extra caution on your part. School bus stops can get hectic. Be alert, especially for children standing too close to curb edges. School buses & school bus safety have come a long way since the first Model-T was adapted to carry students. The basic rules, however, of caution & courtesy, haven't changed. Keeping these safety tips in mind now and throughout the school year can help to keep school buses the safe mode of transportation they have become.

**KENT SKILLS CENTER**  
This bus leaves the High School at the following times: 6:50, 9:25, 12:10 and 3:00 p.m. The bus goes to College and Beltline Skill Centers four sessions.

**KINDERGARTEN:**  
Kindergarten students who have not registered, should do so immediately. Our noon take-home and pick-up routes cannot be completed until our bus student registration is complete. Kindergarten students attending the morning session will ride regular buses and will be picked up at the regular stops. They will be brought home on a KINDERGARTEN run to a location as near to their home as possible. Afternoon K's will then be picked up near their home and delivered to the regular stops after school. Please see that your KINDERGARTENER has his/hor name, address and bus number on him/her before leaving home. This helps us identify what bus they ride on in case they forget.

**A.M. SESSION**  
Students will ride regular buses and will be picked up at regular stops. They will return on K-Buses as close to home as possible.

**P.M. SESSION**  
Students in Eastgate, Valley Vista Village, Valley Vista Housing, Bowes Road will ride the Bunny Bus. All other P.M. students will come to school on an A.M. take home route as it passes your home. Bunny Bus route times are found under Elementary Routes. All other P.M. K's should call the transportation office for pick-up times.

**A.M. DEVELOPMENTAL ROOM**  
(Runciman) Developmental Room students will be picked up for morning classes by the regular bus and will return on a Kindergarten bus. Please contact garage if you need more information.

**P.M. DEVELOPMENTAL ROOM**  
(Runciman) Developmental Room students will be picked up at home and return on a regular bus with other students.

**SPECIAL EDUCATION**  
We are asking parents to contact the Transportation Office, 897-9353, after Aug. 29 for Route Schedules.

**ALTO SPECIAL EDUCATION**  
Students will come in on regular buses to Bushnell and take Bus 81C to Alto School. In the P.M., students will return to Lowell on Bus 80A to board regular buses for home.

## Bus Rider Rules & Regulations

To the parents of children riding school buses:

The rules & regulations listed below are the result of careful study based upon the experiences we have had in the operation of a school bus system. Cooperation & courtesy in following these suggestions will permit us to better serve your child. Please go over the rules with your children so they will know what is expected of them when they ride the bus. The Uniform Code of Discipline & Students Rights & Responsibilities for the Lowell Area Schools will be followed in all discipline reports.

1. Be on time at designated bus stops. BUSES CAN NOT WAIT FOR TARDY PUPILS.
2. Obey the driver's suggestions cheerfully. Help the driver to assure safety at all times.
3. Expect to walk some distance to a bus stop as required by State Regulations.
4. Stay off roadway while waiting for bus. Form a line to get on the bus.
5. Cross in FRONT of bus when crossing road or highway...NOT IN BACK OF BUS.
6. Remain seated while bus is in motion. Wait until bus has come to a complete stop before attempting to enter or leave the bus. Enter or leave the bus only at the front door, except in case of emergency.
7. Do not leave the bus without the driver's consent, except at home or school. No unauthorized stops will be made.
8. Occupy any seat assigned by the driver. Keep feet out of aisles, off of seats & back of seats.
9. Sit three in a seat by filling back seats first when conditions require it.

10. Musical instruments must be held by the owner. Do not leave them in aisles or at front or rear emergency door.
11. Sit erect with your feet on the floor. Keep head, arms & hands inside bus.
12. Observe classroom conduct. Avoid unnecessary disturbing noises. The driver should not be distracted while bus is in motion. Do not shout at passing persons or vehicles.
13. Be courteous. Use no profane or vulgar language.
14. Help keep bus clean. No gum chewing, no eating, no pop. NO SMOKING ON BUS!
15. Be considerate of small children.
16. Inform driver when absence is expected from school.
17. FIGHTING, PUSHING, SHOVING or other rwdism WILL NOT BE TOLERATED.
18. Report any damage you observe to the driver. Damage to the interior or exterior of the bus will result in payment for damages and in suspended bus riding privileges.
19. There will be no extra riders on buses unless there is an emergency. If there is an emergency, a bus pass must be approved by the principal's office BEFORE boarding the bus.
20. Remember, school bus transportation is a privilege, not a right.

The principal may suspend pupils from riding when such action is advisable. Supervisor of Trans. DODE COLLINS.

FOSTER CHILDREN -- In certain cases foster children are eligible for free or reduced price meals regardless of your household income. These children are considered to be a household of one. If your child is a foster child as described in category A or B below, place a check in the proper box.
A. The welfare agency or court is legally responsible for the child and the foster home is, in fact, an extension of the welfare agency or court.
B. The child is a resident of a licensed "Group Foster" home or a residential institution.
Only the foster child's spending money is counted as income on this application. Spending money is: money received in hand for the personal use of the child from a welfare agency, the child's family, a trust account, earnings from regular employment, and so on. Do not include money from occasional or part-time jobs like paper routes and babysitting.
List of his/her spending money per month \$
If you have any questions or if you have a foster child who does not fit under category A or B, as described above, please contact the school.

## Lowell Area Schools Food Service Program

Another summer is almost gone and it will soon be time for the school bells to start ringing again. We will serve lunches the first day of school on Tuesday, August 26, 1986. We will not raise the price of lunches at this time. We hope this 'holds true' for the entire school year. It depends on federal reimbursement, food and labor costs. The prices again this year will be 85¢ in the Alto, Bushnell and Runciman Schools and 90¢ in the Middle and Sr. High Schools. These prices include milk. Adult lunches will be \$1.45 in all schools. Milk alone, for both students and adults, will be 25¢.

We again invite the students from St. Mary's School to join us for lunch in the Bushnell School Cafeteria. Students may purchase lunch tickets every morning in their rooms at the Alto, Bushnell and Runciman/Riverside buildings, and in the Middle School cafeteria, before school starts. St. Mary's and Sr. High students may pay when they go through the lunch lines. Students may, if they wish, bring their money for the whole week on Monday morning in all the schools. This is not mandatory but will provide this service for the parents if they wish to take advantage of it.

Free and reduced price lunches are available upon proper application to families who qualify for the program. Free milk is not available as there is no federal reimbursement for milk. A letter to the parents and an application is included in this publication. Because of strict federal regulations the application is more detailed and must be made out in full before students may receive free or reduced priced lunches. Applications will also be available in all school offices. Parents who think they may be eligible must have their application in by Friday, August 15, 1986, in order to know if their children are eligible for the first day of school.

The cooks of the Lowell Area Schools will still offer good, nutritious meals with many choices every day. The students may choose all five components of the meal (protein, bread, vegetables, fruit and milk) or as few as three of the items and we will still be able to count it for federal reimbursement. We have found this eliminates plate waste. If cost allows, we will continue to bake our own bread, dinner rolls, cookies, casseroles, etc. "from scratch." We offer fresh fruits every day and fresh vegetables at least three times a week. We will offer a minimum of two entrees and a chef's salad, with a choice of cheese or meat, every day in the Middle and Sr. High Schools. In the Sr. High School, students may, if they wish, pick out individually priced items from our a la carte line. This, of course, costs more than the unit priced school lunch which includes milk. We sell ice cream, milk, orange drink and fresh fruits at our snack bar which will be open in the morning and after school. In addition, at noon we sell hot sandwiches, pizzas and chef's salads.

We do not sell carbonated drinks, candy, gum or potato chips in our schools. It is because of the sincere dedication of our 24 cooks and van driver that we are able to serve good nutritious food, at the low prices, to our Lowell Area Schools students. Parents having any questions about School Food Service should call Mrs. Marilyn Bovee at 897-8415.

## Free and Reduced Rate Lunch Information:

Dear Parent or Guardian:

August 1986

The Lowell Area Schools serves nutritious meals every school day. Students may buy lunch for 85¢ in the Alto, Bushnell and Runciman/Riverside Schools and 90¢ in the Middle and High Schools. Milk is included in the price of lunch. For those who wish to buy just milk, it will cost 25¢.

Children from families whose income falls within the levels shown on the scale below are eligible for either free meals or reduced-price meals at 40¢.

FAMILY SIZE	YEARLY	INCOME MONTHLY	WEEKLY
1	9,916	827	191
2	13,394	1,117	258
3	16,872	1,406	325
4	20,350	1,696	392
5	23,828	1,986	459
6	27,306	2,276	526
7	30,784	2,566	592
8	34,262	2,856	659
Each Additional Family Member		+3,478	+290

To apply for free or reduced-price meals, please fill out the attached application as soon as possible, sign it and return it to the school. Please answer all questions on the form. An application which does not contain the following information cannot be processed by the school.

- (1) the total household income AND the amount of income received by each household member (such as wages, child support, etc.) Multiply weekly income by 4.33 to get monthly income.
- (2) your food stamp case number if your household is on food stamps; names of all household members;
- (3) social security numbers of all household members 21 years of age or older or the word "NONE" for any adult household member who does not have a social security number; and
- (4) the signature of an adult household member.

VERIFICATION: The information on the applications may be verified by the school or other officials at any time during the school year. REPORTING CHANGES: If your child is approved for meal benefits, you must tell the school when your household income increases by more than \$50 per month (\$600 per year) or when your household size decreases.

REAPPLICATION: You may apply for benefits at any time during the school year. If you are not now eligible but have a decrease in household income, become unemployed or have an increase in household size, fill out an application at that time.

FOSTER CHILDREN: If you have foster children living with you, they may be eligible for these benefits regardless of your household's income. If you wish to apply for these benefits for them, please contact the school and they will help you complete the application.

NONDISCRIMINATION: Children who receive free or reduced-price meal benefits are treated the same as children who pay for their meals. In the operation of child feeding programs, no child will be discriminated against because of race, color, national origin, age, sex or handicap. If you believe you have been discriminated against, write immediately to the Secretary of Agriculture, Washington, D.C. 20250.

FAIR HEARING: If you do not agree with the school's decision on your application or the result of verification, you may wish to discuss it with the school. You also have the right to a fair hearing. This can be done by calling or writing the following official:

Fritz Esch, Superintendent of Lowell Area Schools, 12685 Foreman Road, Lowell, Michigan 49331. Phone: 897-8415.

CONFIDENTIALITY: The information you provide will be treated confidentially and will be used only for eligibility determinations and verification of data.

HELP WITH APPLICATION: If you have any questions or need help in filling out the application form, please contact Marilyn Bovee at 897-8415. You will be notified when the application is approved or denied. If you wish to be eligible the first day of school lunches, August 26, 1986, the application must be in my office by Friday, August 15, 1986.

Sincerely,  
Marilyn Bovee, School Food Service Supervisor

## Tough Shoes

for MISSES AND YOUTHS.  
Let's be honest—I'm stuck on a lot of shoes—Bought too many of them. These shoes are in Goat and Grain, are Easy, Strong and All Right. Yours for \$1.00. I lose 25 cents a pair. It's my fault, I should not have bought so many. Have also a lot of odds and ends in Ladie's Kid shoes. I give you your choice for \$1.50 and still another lot at \$2. They cost me more money than this but I am going to get them out. Come and see me.

THEY WANT ANDY JOHNSON FOR MAYOR

A Prohibitionist Believes his  
Fest Up Feelings.

EDITOR SELLERS IS MAD.

The rose has its thorn and even success has its sting, as our Republican friends are finding out. Listen to this from that rock-ribbed Republican paper, the Cedar Springs Clipper:

The Clipper was in hopes to see that portion of the daily press of the state who have been laboring so hard with misrepresentation of the short term senatorial question, to now take their medicine administered by the people, and keep quiet. But of all the political demagogues and dire rot and falsehood yet seen, appeared in that pretended state organ, the Detroit Tribune on Saturday morning last in its assault upon Representative A. W. Weekes of Kent.

Mr. Weekes on Dec. 19, in public print, stated the sentiment of his district and that he should vote for Mr. Burrows. He so voted. And by so voting represented a very large majority of his constituency, and we defy the Tribune or any other "organ" to prove to the contrary. This uncalculated gross assault upon Mr. Weekes is a "puppy insult" to the rank and file of the loyal Republicanism of the second district of Kent county. Mr. Patton is a gentleman, but what claim had he for the United States senatorship? By trying to manufacture and bulldoze a sentiment, the Tribune, like some other papers, made a grand fizzle of it and a public exposure of their ignorance. It was a well-known fact that Mr. Weekes would vote for Mr. Burrows, and arising from his seat to second the nomination the chairman recognized a gentleman on the west side of the hall, at which time the self-constituted statesman with the type-written nominating speech in his pocket, the Man-Stuck-On-Himself-Barnard, walked in front of the chairman on around to Mr. Weekes, telling him (Weekes) that he had just spoken to the chair to recognize him (Weekes) and at the same time the chairman put the question: "On motion of Senator Barnard the caucus do now proceed to ballot." The chair did put such motion and Barnard did so tell Weekes. Who heard Barnard make such motion? Prominent Republicans from Lowell, Mr. Weekes' home, sat there and were eye-witnesses to this scene of political trickery and will vouchsafe for these statements. At the same time it was prearranged to his Rep. Weekes if he supported the nomination of Mr. Burrows. And if the unreliable Tribune makes another attempt at dam-tom-foolery the Clipper will expose the whole gang. You went out on wind; you went out on wind; now keep quiet, WILL you keep quiet.

DOWN AT SANTA FE.

Our friend 'A. B. Johnson, now sojourning at Santa Fe, New Mexico, has received a petition from certain denizens of that neck of the desert, whether native or imported sinners we cannot say, praying that the said "Honorable Judge Andrew B. Johnson, accept the position of mayor of the ancient city of Santa Fe. In their petition they say among other things: "We are sure you represent the easy element of politics of your great namesake, Andy of blessed memory, who called hard names but loved the sinner all the more." Again, they say: "There are others who have no political or other convictions who think the B. in your name is suggestive of 'Bully Good Fellow.'" The petition closes with the

proposition that the mayor to-be "give us all a land grant and any other perquisites you may find lying around loose. We all promise to keep mum, lie low and divy up."

There are six signatures "and many others affixed to the document. Take it, Andy, take it."

A PROHIBITION "TRAMP".  
A good Prohibitionist friend has contributed the following, intended for our last issue but received too late for that purpose:

On December 26, 1894, a man came to my house and introduced himself as F. B. Knowlton, a prohibition orator and singer, and wanted to get the M. E. church for three nights, Friday, Saturday and Sunday, for three performances. I asked him if the state or county committees sent him here, or was he invited by any one from Lowell? He said he was here on his own hook. I told him as our minister would not be at home till Saturday night, I thought, as one of the trustees of the church, it would not be best to have the meetings in the church; I asked him what he charged for his lectures. "Oh," he said, "you furnish the church, and board me and my wife and daughter, and give me all the collections." I said, the proper place to hold such meetings was at the public halls of our town. He said I was not in sympathy with prohibition. I said I was a prohibitionist from principle and I was inclined to think he was one for the dollars and cents. He got mad and went to Mr. Chandler Johnson and arranged for the hall, roping in one of our prohibitionists for \$4.

Saturday night came and he went to see Messrs. Moors and Shanks to arrange for a big meeting, or rather, a big collection. The ministers had their Sunday night services laid out and as he had no recommendation to give them they said "no" and they did right.

He went away with revenge in his heart and arranged with Mr. Johnson for a Sunday night performance, or rather, Chandler went in "khoats" with the fellow. But when the curtain was raised and he saw such a small audience he was mad and took up the collection then. Chandler looked at the collection and then at the wood pile, and made up his mind he was sold. Then the fellow went on with his abuse against our ministers most shamefully. He told Mr. Johnson he would not give a performance for such a collection, but Chandler urged him to go on with his program. He tried to sing but was mad, and gave the M. E. official board a turn of abuse and closed.

Next day about noon it occurred to Mr. Johnson that the fellow owed him \$1. He looked down from his hall to the post office and "the buss was ready to start. As this was his last chance Chandler started on a run and got where he called, "hello, I want to see who you have got in your buss." There the fellow sat with Chandler's big, shiny dollar in his pocket. "See here, young man, I want that dollar you owe me." The dollar came out in a hurry. I believe such fellows are frauds, and just swindlers. He showed a bad, wicked spirit.

ANOTHER PIONEER CALLED HOME.  
The community has been saddened by the intelligence that on Sunday morning, Jan. 6, Fidius D. Stocking, one of the oldest and most widely known of the pioneers of the Grand river valley, had, after an illness of several weeks, passed peacefully through the portals of death, into the unknown future. Funeral services were conducted at the late residence of the deceased, on Tuesday afternoon, with a large attendance of friends and acquaintances of the bereaved family.

FIDIUS D. STOCKING.

Fidius D. Stocking was born at Pontiac in 1824, being the oldest of eleven children. The family lived near Birmingham for a short time; moved to Ionia in 1836 and thence to Saranac in 1838.

Mr. Stocking was known to all the pioneers of the fifth district as leader of the famous Stocking & Claffin's string band, and the lads and lassies of a half century gone by, danced many a merry set to their cheery music.

In 1846, when the first bridge across Grand river at the Grand Rapids point was built, Mr. Stocking helped in the construction of the same. This was on the site of the present Bridge street bridge. About this time he helped to blaze and chop out the south side road from Saranac via Lowell to Ada. In 1854 Mr. Stocking went to Elk Rapids and built the "Elk Rapids house," the first hotel in that town, and operated the same for two years. (This building remained standing until about two years since, when it was burned.)

Mr. Stocking came to Lowell in 1857 and married Miss Clarinda Robinson, who now survives him, and together they returned to Elk Rapids and conducted the hotel until 1865, when they removed to Lowell and settled on the place which has since been their home; their present pleasant residence being built in 1867. Two children; Rodney D. Stocking and Mrs. N. G. King of Ionia, were born, and now live to mourn the loss of the kind husband and indulgent father.

Mr. Stocking had been in failing health since about the first of last October, but went down rapidly during the last three or four weeks of his life. He was a man of more than ordinary integrity and his cheerful face and pleasant greeting will be missed by Lowell people for many a long day to come.

## CREATIVE COOKING

Muffins make a good breakfast, or lunchbox dessert, or after school snack.

MUNCHIN' CRUNCHIN' MUFFINS

2 ripe, medium Dole Bananas, peeled  
2 eggs, slightly beaten  
1/4 cup plain yogurt  
1/4 cup vegetable oil  
1 cup all-purpose flour  
1 cup whole wheat flour  
1/3 cup sugar  
2 teaspoons baking powder  
1/4 teaspoon ground cinnamon  
1/4 teaspoon salt  
3/4 cup chopped dates  
1/2 cup chopped walnuts

Put bananas in blender (1 cup). Combine with eggs, yogurt and oil until well blended. Combine flours, sugar, baking powder, cinnamon and salt. Make well in center of dry ingredients. Pour in banana mixture. Stir until all ingredients are just moistened. Stir in dates and walnuts. Spoon into 12 well greased 3-inch muffin tins. Bake in a 400° F oven 20 to 25 minutes. Makes 1 dozen muffins.

such artists as Chick Corea and Maynard Ferguson will also be showcased.

"The Pacesetters" should put on quite a show, since they have toured the Mid-west with such jazz greats as Dizzie Gillespie and Roger Pimberton. They have also related their styles of bebop, swing, big band, blues and cool to a number of college audiences and at various jazz festivals and community concerts.

Concert co-ordinator Linda Zaczek said that she sent a letter last year to the band, stationed at Chanute Air Force Base, IL,

in an effort to culture Lowell citizens.

"The amphitheatre is a good place for it, so we're making an effort to bring more music to the folks of Lowell," she said. "We've had some problems scheduling concerts in the past, but we're going to try to bring more music to Lowell."

Complimentary tickets for the concert, sponsored by the Lowell Area Chamber of Commerce, Lowell Community Education and the Lowell Showboat Corporation, can be picked up at the Ledger or most other merchants

in downtown Lowell. Or you can call the Board of Education at 897-8415. In case of rain the show will be moved to the high school gymnasium.

The Great Gospel Gathering will feature performances by Christian Gospel acts Sheryl Baar, John Bolt, Greater Works and Dave Gage and many others. Although admission is free, a free offering will be taken to benefit Honey Creek's ministry to troubled children and families. Lowell Boosters Club will also have booths set up to sell food and drinks.

## School Board Briefs:

The Lowell Board of Education held its regular meeting on Monday, August 11, 1986.

During the recognition of the audience, the Board heard comments from Mrs. Terri Smith representing a group supporting JoAnn Frey's reinstatement as an elementary principal. Mrs. Smith presented the Board with petitions signed by approximately 800 residents.

Following the payment of bills, the Board took action on

several personnel items. Ms. Mary Malone was approved for employment as the high school Spanish teacher, along with Ms. Glenna Blanding and Mrs. Dorann Truax as elementary teachers.

In other matters, candidates were chosen for the Board of Directors for the Michigan Association of School Boards, and Trustee Linda Beers was appointed the Board's liaison to the MASB legislation committee. Wernet

Distributors was awarded the bid as the 1986-87 milk supplier, and a new Board Policy entitled "Statement of Comparability" was approved on its first reading.

In the last items of business, the Board accepted a document entitled "Superintendent/Board Relations" which is annually reviewed by the Board and the Superintendent, and the High School Student Handbook was adopted for the 1986-87 school year.
