Lowell's Lowrys hit LOTTO for \$2.5 million

By Matt Berry

Margie Lowry woke up last Thursday morning with a "lucky feeling."

It turned out to be her lucky day when the Lowell woman discovered she was a winner in Wednesday's \$5 million Lotto jackpot. Lowry split the honors with Pamela VanDyke of Grant.

"I woke up with a strange, lucky feeling, and I knew it had to have something to do with the Lotto," Lowry said.

Obedying her early morning intuition, she turned on the radio and asked her husband, Ed, to write down the six winning numbers when they were broadcast.

While she was packing lunches and getting ready for work at the break of dawn, she awaited nervously the six numbers that would bring her a six-digit income each year for the next 20 years.

Her anxiety grew higher when she and Ed caught only five of the numbers, 1, 16, 25, 32 and 39. Searching for the missing number, the couple of 23 years hurried to the Third Base convenient store in downtown Lowell to see if the Detroit Free Press had posted the winning numbers.

"I was praying, 'let it be 21, let it be 21,' then Ed ran out of the store and, waving the paper, said, 'Honey, you're a millionaire,'" Lowry said.

"My first reaction was I thought I was the luckiest person in the world," she recalled. "God blessed me with beautiful kids and a wonderful family, and now he just gave me a bonus."

A \$2.5 million bonus! One that promises \$125,000 a year for the next 20 years, but not before the IRS can get its hands on it. The IRS withholds 20%, a requirement on any prize over

\$5,000, leaving the Lowrys with \$100,000 take-home.

Lowry immediately retired from her job at Root-Lowell Manufacturing Co., where she worked with Ed, but not before buying coffee for everyone there.

She said she has been pestered by friends and neighbors to "press her luck," and go to Las Vegas, but she has made no plans for a vacation yet, though she would like to take one.

The Lowrys, with six children and eight grandchildren in the family, purchased a new T.V., paid for a car they recently bought and are planning to have some work done on their house. Anything besides those, she said, is still just an idea.

Although Lowry was originally hoping she might be the lone winner of the Lotto, she was quite happy to split the jackpot with VanDyke.

"I don't want to be greedy, but sure I would've liked to be the only winner," she said. "But after I realized how badly the other woman needed it, I was glad she won too."

Lowry said the VanDyke's husband has been temporarily out of work since being released from the hospital. The couple needed money to pay the hospital bills and pay off their house.

Lowry's winnings, with odds of one in 3.8 million, came barely over a year after another Lowell resident won a share in the Lotto. Fred Shortle, of Lowell, split \$5.5 million with three others, \$1,378,430 each, on August 10, last year. Both purchased their lucky tickets at Crystal Flash.

"Two people from a small town like Lowell to win similar large amounts of money in the Lotto within a year of each other is extremely fascinating," stated Laurie Klecha, PR Director at the Michigan State Lottery Bureau in Lansing. "Especially considering they bought their tickets from the same store."

Everyone's dreams can't come true for everyone, but it did come true for Margie Lowry last week. The Lowell resident woke up Thursday morning with a "lucky feeling" and soon found out she was a winner in Wednesday's \$5 million Lotto.

Margie, holding the receipt of the first of 20 yearly installments of \$100,000 with her husband Ed, split the jackpot with a Grant woman. The rewards of her luck include an immediate retirement from Root Lowell Manufacturing Co., where she worked with Ed.

YOUTH FOOTBALL SIGN UP STILL AVAILABLE

Lowell youths who want to play youth football this fall still have a chance to sign up. Sign ups will be August 27, 28, 29 and September 2 and 3. All sign ups start at 5:00 p.m. at the Lowell High School Cafeteria, 750 Foreman. Cost for the Lowell league is \$8.

Lowell Youth Football is open for all youths between the ages of eight and 14, and 7th and 8th graders may sign up for the 78ers league. Coaches are still needed and they may sign up at the same time the youths do.

Equipment for sale or return will be available during sign ups and youths are required to have a proof of age and a parental signature.

OFF THE BLOTTER

On August 4, William Kietzman, of Saranac, struck a van owned by Riverview Residential Facility of Lowell in the Amoco Gas Station on Main and Hudson. He then backed into a van owned by Timothy Couture, 33, of Lowell, and then struck a gas pump. Last week's Off the Blotter stated that Couture had struck the gas pump.

Reported to Lowell officers this past week was a hit and run accident which happened in the parking lot at Eberhards on West Main St earlier this month. The car was the property of Wayne and Barbara Porter.

Cited in 63rd District Court this past week for disturbing the peace was Kimberly Murrury, 20, of Lowell.

Randy Kelly, 18, of Lowell was given an appearance ticket to 63rd District Court to answer to charges of possession of stolen property when he was caught in possession of a county street sign.

Ada woman drowns in pool

A 47-year-old Ada woman was pronounced dead at the scene Saturday night when she was found drowned in her swimming pool.

Ruth Ann Udell, of 1676 Parnell Road, was found by her husband around 8 p.m. Saturday. Udell had been in the water for a couple of hours and was found at the deep end of the pool.

Funeral services were held yesterday at the Dykstra Northwood Chapel in Holland for Udell, formerly of Holland.

Bicycle race starts here Saturday

Dr. David Durkee (foreground) competing in a similar race series in Milwaukee earlier this summer.

The Grand Rapids area 7-Eleven stores will be sponsoring a weekend series of bicycle races Saturday, August 23, and Sunday, August 24. Over 300 riders from all over the midwest will be competing for \$4,000.00 in prize money over the entire weekend.

The race consists of three stages which are timed. The winner is selected by virtue of the lowest time for the total weekend. The variety of races insures that the best all around riders will win.

Stage 1 is an individual time trial starting in Lowell at 8 a.m.

on Saturday. The riders will ride solo against the clock to Ada Centennial Park along Grand River Drive. Riders should finish around noon.

Stage 2 is a short, fast race in downtown Rockford on Saturday afternoon. This mass-start race may have as many as 100 riders riding together on a 3/4 mile course. The result is some fast action and close calls as riders jockey for position in the many sprints this race offers. Races start at 2 p.m. and finish at about 7 p.m.

Stage 3 is an endurance and hill climbing race. Set against

the rolling Honey Creek Road north of Amway this race offers many challenges to the cyclist on Sunday morning. The turns, hills, and longer miles will take their toll on the pack of riders. The start-finish area is at the old Honey Creek school on Honey Creek Road. Races start at 8 a.m. and finish at 1 p.m.

There will be 5 classes of riders each competing for their own prizes. Men age 35 and over, men age 18-35, boys 14-18, and women. The men age 18-35 are further divided into two classes

Lowell Postmaster attends convention

Postmaster Charlie Doyle of Lowell was one of the more than 1,500 delegates who attended the 83rd Annual National Convention of the National League of Postmasters held in Boston, Mass.

Founded in 1904, the League of Postmasters is the oldest organization representing Postmasters in the nation. The theme of the 83rd convention was the dedication of the "New Postal Service," which is realigned to better serve America with continued efforts toward improving a postal service that is deserved and paid for by all citizens.

Postmaster R. Fain Hambricht, President of the National League of Postmasters, reminded delegates to the convention that, "because of your commitment, Americans enjoy the most reliable postal system at the lowest cost of any industrialized nation on earth. And, service is still the most important product we have to sell."

"It's Postmasters like Doyle who make our nation's Postal Service both personal and responsive to the needs of citizens in the largest city to the smallest hamlet," Hambricht said. "Postmasters are often the only evidence of federal government in thousands of small communities. The Post Office is more than just a place to send and receive mail,

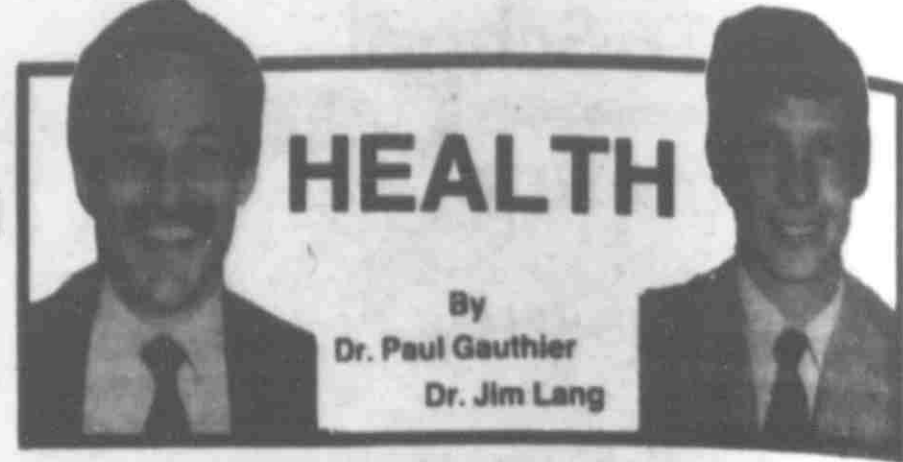

it's the center of life in the community."

Deputy Postmaster General Jackie Strange, Associate PMG Fletcher Acord, as well as many other noted speakers, addressed the conference, including Representatives Mervyn M. Dymally, D-CA, Frank McCloskey, D-IN, and James Hansen, R-UT.

The League, as a professional management organization, has led the fight to preserve cost-efficient postal service in rural areas of the country and the mandate to provide reliable service. The organization and its more than 25,000 members continues to be in the forefront of the fight against service curtailments and for the preservation of a Universal Postal Service.

SWIMMERS EAR

Warm weather brings with it an increase in the number of patients we see with external ear infections. In fact, this year seems to be the worst year ever for swimmers ear. Today we are going to review the causes of this common problem and discuss precautions.

Swimmers Ear (external otitis) is an infection of the ear canal, itself, usually caused by a bacteria. It can also be caused by a fungus or chronic irritation from medications, physical trauma, scratching or scrubbing with cotton swabs. The outer section of the ear canal is lined with hair cells and shallow glands which produce cerumen (ear wax). Cerumen acts as a protective barrier to infection. Physical factors such as excessive exposure to water, high temperature, humidity, excessive sweating and removal of the wax by use of cotton swabs can predispose the ear canal to infection.

Common symptoms associated with otitis externa are pain, discharge, itching and occasionally hearing loss. Any movement or touching of the external ear may cause pain. The ear canal may swell and occasionally the outer ear becomes red and swollen.

Management of otitis externa begins with good basic aural hygiene. Don't manipulate the ear-at all! You shouldn't touch, dry, scratch, rub or try to clean the ear. Especially avoid the use of cotton swabs inside the ear canal. How does the old saying go? Put nothing in your ear smaller than your elbow. Ear plugs should not be used because they irritate the lining of the ear canal, however, a tight fitting swim cap is a reasonable alternative.

Once the diagnosis of otitis externa is made your doctor will usually prescribe an antibiotic drop for you to place in the ear. Swimming will be prohibited for a short time. Sometimes pain medication will also be prescribed depending on the severity of the case.

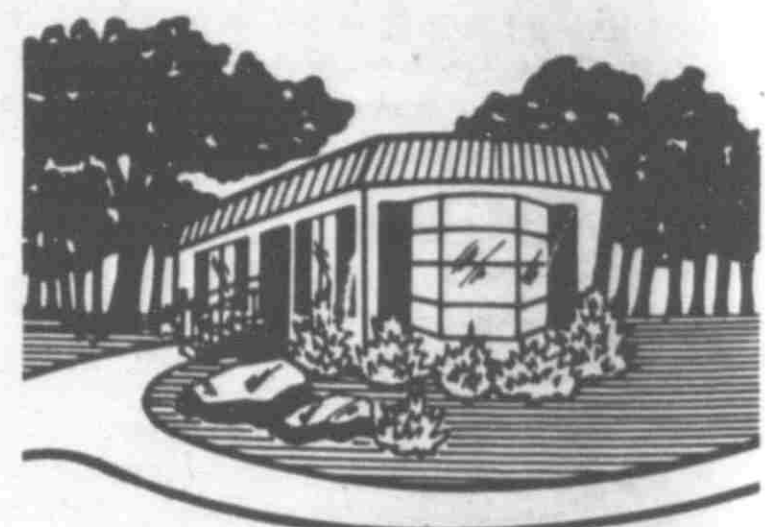

Those involved in competitive or frequent swimming often experience frequent outer ear infections. Prevention is possible by instilling 2% acetic acid in aluminum acetate (Domeboro® otic solution) into each ear canal for 5 minutes after swimming. A less expensive alternative is to fill each ear with a 50/50 mixture of vinegar and rubbing alcohol for 30 seconds after swimming.

Can you believe it? The kids go back to school in less than a week! What's even more unbelievable is that both of mine are saying they can't wait to go back. I'd love to have a recording of that to play back in a couple of months when they're whining about having to get up early, walk to school, do homework, etc.

Some of the conversation around the house has been pretty interesting lately. Angie went to the Middle School last year and Casey starts there this year. Consequently, Angie is oh! so sophisticated and knowledgeable about the workings at the Middle School. Everything she says to her younger brother is a lecture on dress, behavior, rules, etc.

She lives in constant fear that her little brother is going to be an embarrassment to her. He has been told he can't keep on wearing his tennis shoes with the laces always untied. He has been told which articles of clothing he can and can not wear. He has been told that he must shower regularly and brush his teeth every day. He has been told he must keep his hair combed and cut. He has been told he can't act like a jerk. The lectures go on and on, but I don't think much is settling in to Casey's gray matter. He's got too many of his dad's "indomitable slob" genes in him.

The males in my family tree include pioneers, Civil War infantrymen, lumberjacks, blacksmiths, farmers, steam thrashers and printers from the hot metal era. There's not a dandy in the bunch. Angie's chances of transforming her little brother into a modern day Little Lord Fauntleroy are slim and none.

She is persistent though, and Casey has to endure her lectures because he is still physically smaller than her. He only has two choices, listen up, or get beat up. The day is coming, and it's not too far away, when the tables will be turned. Casey will be able to tell her to buzz off, and get away with it. I just hope a few things about dress, personal hygiene and behavior sink in before that day comes.

It will be easy for you to spot my kids on their way to school next Tuesday. Casey will be the only eleven year old boy with his shoes tied, hair combed, teeth brushed, coordinated clothes and a big sister right in his face shouting last minute instructions about his behavior.

Mr. & Mrs. Louise E. King of Lowell are proud to announce the marriage of their daughter, Donna Lee King, to Mr. David Wayne Warren of Saranac. They will be married in a private ceremony, on August 21, 1986. The reception will be immediately following the ceremony, at her parents house.

The couple will reside in Saranac.

Homespun Devotions

By Pauline Spray

Ye are the light of the world... (Matthew 5:14)

"Say, you have a place in your room for things like that," I reminded our young daughter. She had shoved aside the crocheted doily and centerpiece and was loading down the dining room table with coloring paper, crayons, and "what-have-you."

"But I wanted to come out where people are," she pleaded. Needless to say, a compromise was reached. She was allowed

to pursue her play at the black-topped table in the kitchen.

There are times when we like to be alone, to assemble our thoughts, to meditate on spiritual things, and to cast aside the responsibilities of social contacts. However, few people care to remain aloof for long periods of time. It is characteristic of human nature to seek the companionship of family and friends.

A hermit could live a saintly life on a secluded island, spending hours in prayer and meditation, but he could never fulfill the positive commission of Jesus. It would be impossible for him to let his light shine before men—unless he went "where people are."

Prayer: Dear God, give me the courage to go "where people are"—to take others the gospel story, to point them to Jesus, Thy Son. Let me not be content to keep Thy love to myself. Amen.

Whose soul have I helped today? Whose heart have I tried to cheer?

In the lonely hour, with its flagging power,

Have I dried one falling tear? AUTHOR UNKNOWN

IN THE SERVICE

Air Force Staff Sgt. Norman L. Dawson, son of Lester C. and Agnes M. Dawson of 9521 Portland Road, Clarksville, has arrived for duty with the 485th Tactical Missile Maintenance Squadron, Belgium.

Dawson is a ground radio communications technician. His wife, Donna, is the daughter of Lester and Beulah E. Blough of 13280 76th St., Alto.

Airman James G. English, son of Joan A. Anderson of 1267 Valley Vista Drive, Lowell, has graduated from the aircraft armament systems specialist course at Lowry Air Force Base, CO.

The course provides instruction for students to load nuclear and non-nuclear munitions, explosives and propellant devices on aircraft.

During the 13-week course, students were also instructed to maintain, install, modify and repair aircraft bombs and rockets.

IN THE SERVICE

Mr. Michael Hewitt has entered the United States Air Force's Delayed Enlistment Program (DEP). According to SSgt. Tory Klamka, the Air Force recruiter here, his entry into the DEP allows the Air Force to schedule an opening for him to attend basic training and be assigned to a job or skill area.

Mr. Hewitt will be a 1987 graduate of Lowell High School and will enter the United States Air Force on June 4, 1987. Following graduation from the six-week basic training course at Lackland Air Force Base, Texas, he will receive technical training in the Mechanical Area and be assigned to a duty station.

Lowell teen wins prestigious National art award

By Matt Berry

Lowell senior, Jami Andrews used to draw her own birthday cards instead of buying them when she was younger. The originality and creativity she used then to save money may very well make her money in the future.

Andrews, 17, is the recent recipient of a National Award in Art, sponsored by the United States Achievement Academy. The prestigious honor places her in the top 10% of all American high school art students, and makes possible a number of scholarships and grants to come her way.

Jami, daughter of Al and Marva Andrews, 4336 Causeway, was nominated for the award last April by her high school art teacher, Robin White. Of the 12 Lowell students nominated Jami was the only one selected.

"She's an excellent student," White said. "Highly motivated, hard-working and tremendously creative."

The criteria for selection included academic performance, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, dependability and recommendation from a teacher.

Jami was quite surprised last month when she received notice of her winning the award.

"I didn't even know I was nominated. Then it (the award) arrived in the mail," she said. "I'm real happy. It's a great honor."

Beside a number of various academic awards she has received, Jami was recently bestowed with a "gold key" award for a pencil drawing she entered in the North Kent Mall Art Show. She also made a print at a church camp which was chosen for stationery to sell as a fundraiser for the campgrounds.

Among her academic highlights are taking the college entrance test, S.A.T., in 7th and 9th grades as part of a program for the gifted and talented.

From August 2-9 she was in Iowa for the Sports Spectacular, designed to give high school seniors the chance to receive scholarships. Judging on sportsmanship, personality, communication and grade point average, she was awarded a \$750 per year academic scholarship to Graceland College in Lamoni,

Jami Andrews

Iowa, where she plans to major in visual arts and minor in graphic arts. She was also chosen for the Sports Spectacular's All-Star volleyball team.

White, an art teacher at Lowell for 10 years, expressed a lot of confidence in her star student's future.

"She's got all the right tools

for advertising," White explained. "She's very creative. She's able to come up with new ideas constantly, because they just flow out of her. A natural artist."

Jami, whose brother Cory is a free-lance artist, is not positive about which area of art she wants to pursue a career in, but she definitely plans to stick with art.

"I like to draw all the time, and I have a lot of fun doing it," she said. "If I keep working at it I can make it into a good career."

Antique Fire Engines at Charlton Park Sun.

Relive the thrills of your youth when excitement was at a high as the fire engines roared down the streets. Plenty of antique fire engines will create plenty of excitement during the 5th Annual Antique Fire Fighting Show & Muster, Sunday, August 24, at Historic Charlton Park in Hastings.

The event is sponsored by the Greenfield Village-International Antique Fire Apparatus Association. Charlton Park is located 3 miles east of Hastings just off M-79. For more information call 945-3775.

At 11:30 a.m. the opening ceremonies will be held featuring the parade of antique fire engines around the green. Organized competitions will begin following the parade. Competitions for fire departments include: First Water, First Response, Bucket Brigade and Water Ball.

Awards will be given to the winners of these events along with awards to Best Appearing, Original Antique, Restored Antique and Modern Apparatus.

Admission is \$3.00 for adults (16 and over) children are free. The event runs from 10-5. A highlight this year is a museum exhibit featuring antique fire fighting equipment. A mini-market will feature regular flea market as well as firematic items. Food and beverage is available.

Every year, foreign visitors spend about \$14 billion in the U.S.

Letters to the Editor . . .

Dear Editor,
As a member of the Concerned Citizens to Re-instate JoAnn Frey, I would like to take this opportunity to say "thank you" to Terry Smith for chairing our committee. I'm sorry you weren't thanked by the board members for expressing our views for us. You did a terrific job. Your own children wouldn't be affected no matter what the outcome but you saw an injustice and acted upon it. Thanks so much, Terry.

One last reflection on my part. We lost, Lowell. A person like JoAnn doesn't come along every day. We had the opportunity of a lifetime for our kids. JoAnn, I should've knocked on more doors, taken out more ads, I'm sorry. There will be kids that will suffer. I don't think you were welcomed with open arms. At the first P.T.O. meeting I left appalled at the lack of disrespect

toward you and your opinions. My friend and I left the meeting shocked at how your ideas went unheard. We came from St. Mary's and when our principal, Sr. Adele, attended parent meeting, we listened to her with respect and especially when she made educational suggestions we thought her to know better and was more qualified to make these suggestions than we parents were.

Also, JoAnn, it is not true as implied by a letter published in the Ledger and signed by the President of Bushnell Parents Club that all or even many or even a few feel or agree with the contents of that letter. I am a member of P.T.O. and I'm offended that that parent would speak as president, as a parent, yes, but not for the group.

It's a quest, JoAnn,....the impossible dream.

Maureen Pawloski

Dear Concerned Citizens of Lowell District,

I feel I must write this letter in order to let this community know how they fared with their Board of Education. As Chairman of the committee to reinstate JoAnn Frey as principal to this district, I would first like to thank my committee members for working very hard on what they believe was a great injustice. I also would like to thank those teachers who worked with us for as long as they felt they could.

We as a community speaking out for what we believe in have been shown a great deal of disrespect. Over 800 people in this district took the time to hear the facts, investigate for themselves and decide to sign a petition for the reinstatement of JoAnn Frey to principal in this district and you were totally ignored. Not only were you ignored, but you were treated as though you did not address the Board of Education at all. I spoke for over 10 minutes and handed the Superintendent more than 800 signatures on petitions and said "Thank You" to them for hearing us and we received nothing. We did not hear a "Thank You" for being interested in our community nor did we get any consideration from the Superintendent or the Board of Education. I have been reading the Ledger for a long time. There was an article in the September 1984 issue about the Board adopting a policy on "Education Excellence." Here is what the Board said it believes: ["The Board believes that attaining excellence in all phases of the school system and its operations requires "public commitment" and that total community effort is essential if excellence is to be achieved.

The Board therefore, is committed to the involvement of "Citizens," staff, and students in examining the various recommendations and in helping to determine the extent to which they should be implemented in the school system. To this end, the Board is further committed to establishing a process through which this community effort may be realized."]

I ask you, did your community effort get realized? Did your involvement and recommendations get considered? You the people of Lowell were not addressed at all. The Board left the meeting to go into an executive session and returned to adjourn the meeting without saying one word to this community.

In March of 1985, this was before Mrs. Frey was employed as principal, she was Chairman of the "Lowell Citizens' Advisory Committee for Education Excellence" and she wrote a letter that was printed in the Ledger addressing the citizens of Lowell. I quote Mrs. Frey's letter: ["We (the committee) are a group of 18 individuals interested in the future of our children and our school system. In addition to these 18 serving on

the committee, I am sure that there are many citizens and parents equally committed to the same goals. And yet, I have only received one phone call from the citizens of Lowell School District.

This leaves me "puzzled" as to why there has been so little response. I'm wondering if you, the citizens, feel "apathetic" concerning school issues. I wonder if you feel your "input" will "not be listened" to or "taken seriously." I would like to assure any citizens that might feel this way, that their input is vital. Local school districts should reflect the needs of the local community, and any valid comments will be taken seriously.

The only other possibility that I can think of is that you are pleased with education as it is in the Lowell system. To you, I would like to say that our committee is becoming increasingly aware that there is much more to be done to provide an education that is preparing students for the world they will live in—a changing world of work—and a changing society in general. Will Lowell keep up with the times, or be left behind, only to find later that graduates needed more in order to be prepared for the work-world of the future?

There may be other reasons why there has been little citizen response so far. I would like to hear those reasons. When I go to the grocery store, shops in town, or local restaurants, I hear discussions of education. Why not direct those comments where they can be heard—and do some good! Do it for the kids!"]

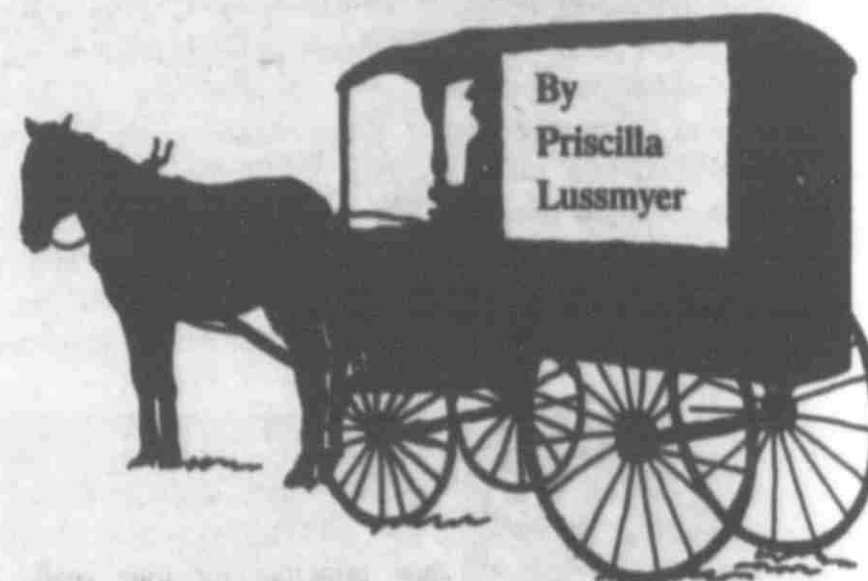

I ask this community to think about what their elected officials are doing with our educational system? How can these people, who we elect to speak for us, not listen to us and support a man they know is doing a grave injustice to a woman who has dedicated her life to giving our children a superior education. How do you think Mrs. Frey feels about this administration's way of hearing our comments and suggestions?

Mrs. Frey, I apologize for a school system that has failed you. I apologize for a community that got involved too late to prevent this injustice from happening to you. This Board of Education and our Superintendent, if they have a conscience will have trouble sleeping at night knowing what they have done to Mrs. Frey.

Through investigating deeply and talking to a lot of people, I now know what has gone on during all of this. Some of the real damning facts I have, and if I get enough, I will go public. You people on the Board and Dr. Esch, know we are out there and know that we have had our eyes opened. You will never again get out of the "fish bowl" that we can see through. I can only say "Walk gently people, you are very delicate and can easily be broken."

Board hires new principal for Runciman/Riverside

In a special meeting Monday night the Lowell Board of Education unanimously hired Louis Dudeck to assume the responsibilities of Runciman/Riverside Elementary Principal.

Dudeck is taking over the duties of Bill Kirby, Runciman's principal for the past 13 years who was re-located to principal of Bushnell Elementary. Bushnell's principal, JoAnn Frey, has been re-assigned to a teaching position at Alto Elementary.

Dudeck, a nine year administrator at Climax schools in Climax was employed on a one year probationary contract. Terms of the contract include a beginning annual salary of \$35,000 plus \$1,000 annuity, and other benefits as defined in the current administrative contract for principals and supervisors. His term officially began yesterday.

Dudeck, who appeared confident and was well-spoken throughout the public interview, was quite pleased to become an administrator in the Lowell School District.

"This is terrific," he said. "I left Climax Scotts because I wanted to improve, and I feel Lowell is quite a step up."

The School Board did selective interviewing of five candidates whose names were obtained through placement offices at various universities. Lowell Superintendent Fritz Esch said

Council approves YMCA contract

At Monday night's City Council meeting councilmembers approved a contract which will reduce by one-third the rate a Lowell resident has to pay for participation in Lowell YMCA activities.

The fees all city residents participating in YMCA programs in parks or other land areas owned by the City of Lowell will be two-thirds of the base user fees.

The contract also stated that the Lowell YMCA is responsible for the scheduling of activities upon the park lands and municipally-owned property within the City of Lowell. Other terms in the contract designate the YMCA as responsible for the general clean-up of the land, and the

Attwood cafeteria is open

By Matt Berry
As part of Attwood Corporation's \$1.3 million expansion project a new cafeteria has been built to benefit the Lowell corporation's employees.

The 2,000 sq. ft. kitchen and cafeteria opened July 14 for Attwood employees and their guests. The cafeteria added six workers to the plant, a grill person, two cooks, two cashiers and a salad bar girl.

The cafeteria, run by Steelcase Food Services, has had a good reception according to Lew Haack, Vice President of Operations at Attwood.

Dudeck came through with "high colors," and was highly recommended by Western Michigan University, where he received his master's degree in school administration and his bachelor's degree in elementary education.

Dudeck was a Middle School teacher in Plainwell Public Schools for two years before he began his administrative career. While at Decatur he managed two buildings with 375 students, 22 staff members, 21 bus drivers and related staff. He also supervised various special education and career education programs.

During his six years at Climax Elementary he removed a support teacher from his position for incompetence and unethical behavior, lead the study and adoption of numerous textbooks, coordinated mothers' club activities and developed a number of programs designed to recognize student achievement.

Highlighting his accomplishments as three year principal of Climax-Scotts Middle School was the complete re-organization of the school district to form a middle school. He also brought into application an assertive discipline program, witnessed the highest M.E.A.P. scores in the school's history and wrote a grant for and organized a gifted and talented program.

Kent County Sheriff's Department reported that alcohol was involved and the cycle, which belonged to Anthony Williams of Williamston, was burned in the accident. The accident occurred at 2:14 a.m. on Saturday.

Brian Doyle, representative of King Milling, stated the company intends to replace the buildings with a pole type structure with a cement foundation. One side of the building will be a dock side and the other a grade.

Councilman Thompson asked for comments from the Council and audience. Councilman Collins inquired as to whether or not they would clean up the area. Mr. Doyle replied affirmatively. Councilman Fonger inquired as to the side footage on the building. The hearing was closed at 8:15 p.m.

The first order of business was the Public Hearing from King Milling for a side yard variance conducted by the Zoning Board of Appeals. Councilman Thompson opened the hearing at 8:10 p.m. Mr. Quada at that time explained the parcel in question is at the south end of Monroe Street south of Kent Street. He continued by saying it was submitted to the Planning Commission at their last meeting, members present being favorable, but because of lack of a quorum they were unable to act officially. Three (3) older buildings are to be torn down and replaced with a 63' x 120' structure. Paul LeBlanc, City Planner, has reviewed the parcel noting two points: 1. the existing building now in the right-of-way may stay. 2. Would be an improvement to the city. He has recommended approval.

Councilman Thompson noted the school is starting the park playground.

COUNCIL COMMENTS: Councilman Thompson noted the school is starting the park playground. Councilman Collins inquired if the costs for the connector road were available. Manager Quada indicated it was not. Councilman Fonger stated the county had done a good job of resurfacing N. Washington Street. Also on the north Street right-of-way is a large dead tree (elm) which should be removed. Councilman Doyle mentioned the Chatham - Main street area and the traffic problems that have arisen. He suggested a one-way street and redesign the parking. Discussion continued on Riverside, Chatham and Larkin's areas.

MANAGERS REPORT: Manager Quada requested the Council meet in executive session to discuss land acquisition.

IT WAS MOVED by Councilman Collins to adjourn at 9:15 p.m., supported by Councilman Thompson.

Dudeck claimed his emphasis on communication resulted in Climax's lowest staff absentee rate during his nine years there. Although he had pioneered, supervised, and co-ordinated many programs throughout his administrative career, he said he has to learn about a school's district before he initiates change.

"I'm not going to jump in and start changing things right off the bat," he explained. "I'm going to observe and learn as much as I can about Lowell before I do anything. Further down the road I would initiate change, if needed, but now I'm just concerned about learning about this district."

Next item on the agenda was the update with the DNR by Manager Quada. He stated the City had received a letter from DNR on July 22, 1986. The attorney representing them from Frank Kelley's office set a meeting for August 4, 1984. The E.P.A. cancelled, and in turn the meeting was cancelled. A list of possible future meeting dates has been given and determination will be made in the near future.

Manager Quada opened the discussion of sidewalk snow removal ordinance and sidewalk replacement project. The City submitted for approval from H.U.D. the concept of developing a sidewalk project for barrier-free design. This would include removal of grade obstruction and ramping at key intersections. A list of specific streets for construction or reconstruction will be presented at the next meeting. The program will begin with the commercial area, next the public facilities area, followed by the residential district. The concept should meet the requirements of the Federal Block Grant Funds.

Through a survey it has been found that 99% of the central commercial district is accessible for the handicapped. A safety walk path along M21 should also be considered. Key corridors within the city need to be identified for primary snow clearance. The Federal Government has accepted our program.

Next item was the original proposed Snow and Ice Removal ordinance which incurred a \$50 fine and costs for snow removal from residential areas.

According to the ordinance, it is the responsibility of the occupant to clear the sidewalks, prohibits discarding snow on other persons' property and prohibits discarding snow on public right-of-way. Individual violators will be dealt with on the basis of complaints and visual observation directed to the city manager.

Discussion continued including identifying problem areas, split of cost, new properties and contractual snow removal. Manager Quada indicated to the Council with approval of the proposed ordinance, it would be taken to the city attorney for proper wording and format.

CITIZEN SUGGESTION: Comments included discrimination of homeowners with or without sidewalks for snow removal, homeowners not allowed to put in their own sidewalk placement on private property and street plowing.

COUNCIL COMMENTS: Councilman Thompson noted the school is starting the park playground. Councilman Collins inquired if the costs for the connector road were available. Manager Quada indicated it was not. Councilman Fonger stated the county had done a good job of resurfacing N. Washington Street. Also on the north Street right-of-way is a large dead tree (elm) which should be removed. Councilman Doyle mentioned the Chatham - Main street area and the traffic problems that have arisen. He suggested a one-way street and redesign the parking. Discussion continued on Riverside, Chatham and Larkin's areas.

Kent Co 4-H Youth Fair wrap-up

From the Opening Ceremonies to the last rodeo ride, the Kent County Youth Fair, August 4-9, had great crowds, fun, and food. Attendance was estimated at 13-15,000, nearly a 40% increase over past years.

The nightly pig races and the Youth Talent Show were two new crowd pleasers. Attendance at the Pig Races totaled 2,200. Ron Wenger, a Fair Board Member from the Lowell area, stated, "I knew the races would be popular, but I never expected this many fans."

Kathy Burch, 4-H Youth Summer Program Assistant, guessed the audience at the Youth Talent Show at 600-700 people. "It was a new event and the crowd overwhelmed us. Next year we plan to have a better sound system and stage/seating arrangement. Then you'll really see a show." Nearly 80 4-H'ers participated in the Talent Show, including a dozen Costa Ricans here on a 4-H exchange program. The program was so successful that 4-H is trying to arrange performances another time of the year. Thursday's events were sponsored by Schaffers' Hillbilly Band.

Wednesday's 4-H Livestock Sale brought over \$113,000.00 into the pockets of local 4-H and FFA participants. Nearly 200 beef, sheep, and swine were auctioned off in addition to prize-winning rabbits and poultry. The total dollar amount is a new record by \$21,000.00.

U.S. Representative, Paul Henry; State Senator, Richard Posthumus; and Kent County

Commission Chairperson, Margaret Byington, introduced the 1986 Youth Fair Royal Court and opened the Fair. Their presentations were followed by a wonderful ventriloquist act performed by Joey, Buggy, and Granny with the help of Barbara Jean Crandall, Miss Michigan of 1984. Monday was partially sponsored by Cheese Kurz, Inc.

The Pepsi 4-H Youth Rodeo ran both Friday evening and Saturday afternoon. The full grandstands watched 105 teens in a show of skills and determination.

The Youth Fair featured a new carnival this year, which delighted everyone. The carnival also drew nearly 40% more customers than their scary rides, elephant ears, games, and cotton candy booths.

Local youth who placed or received Outstanding Awards in the fair include the following: Arts and Crafts, Creative Writing, Rebecca Dine, Alto; Drawing, Heidi Bliss, Lowell; Horse Science, Jan Sanford, Lowell; Passport, Heidi Kaeb, Lowell, Melanie Kaeb, Lowell; Painting, Jennifer Cosgrove, Lowell; Tube Painting/Watercolor, Jennifer Cosgrove, Lowell; Collections, Heidi Bliss, Lowell; Birds, Malane Kaeb, Lowell, Heidi Bliss, Lowell; Wildflowers, Heidi Kaeb, Lowell; Entomology, Loren Kaeb, Lowell; Candy Making, Heidi Kaeb, Lowell; Future Exhibitors, Aaron Kaeb, Lowell, Ben Kaeb, Lowell, Julie Scheid, Alto; Machine-Made Garment, Holly Huizenga, Alto; Tammy Walma, Alto; Vegetable

McDonalds is tops

The Lowell McDonalds Restaurant was one of only ten Michigan McDonalds to receive the company's "Outstanding Store Award". Al Symons, owner of the Lowell restaurant and five other in the area said, "I'm very proud to receive the award, but it really belongs to the manager and crew". Symon's Cuterville McDonalds also received the award.

Symons said the award is issued annually to the top ten McDonalds in Michigan based on quality, service and cleanliness. The judging is done by upper management personnel. Symon received the award while at McDonalds state convention in Traverse City last week. The award will be displayed in the restaurant.

OBITUARY. Mrs. J. C. English died August 19th, at her home in Vancouver, Wash., after a long illness, and was buried Sunday, August 23, in that city. Her maiden name was Periss A. Stannard. She was born Mar. 5, 1821, at Harby, Mich., and in her youth with her parents to Michigan. She lived at her father's home in South Boston until 1847, when she was married to J. C. English. Until a few years ago Mr. and Mrs. English made their home on a farm in South Boston. They moved to this village, and afterward went to Colorado Springs, Col., where they spent six months. When they returned from the West Mr. English built a home west of Flat river, and they lived there until the Fall of 1902. At that time they moved to Portland, Ore., hoping that the change of climate would benefit the health of both, thinking with them the wife and children of their son, Carl, who followed them the next spring. After a few months the two families moved to Vancouver, where they lived until the present time. Mrs. English, who had been in poor health for some time previous to their going west, grew weaker instead of better, and was quite ill for a long time before her death. Besides her husband, and her son, Carl, and his family, one brother, A. S. Stannard of this village survives her.

AUTOMOBILE'S WORK. ADA PICNIC A SUCCESS.

Mrs. Eliza B. Bancroft was thrown from a wagon just south of the lower Grand river bridge yesterday morning at about ten-thirty and was quite seriously injured. Perrin McCue was driving the Gilles delivery wagon, in which she was riding home from the village, and he also was thrown out, but was not hurt seriously. Just as they left the bridge the horse became frightened by a gazely decorated automobile, which was coming around the corner from the east and started up, throwing Mrs. Bancroft out and down the bank. Perrin, who was trying to quiet the horse, became tangled in the lines and was dragged out. Earl Thomas stopped the horse and went after Dr. Eaton and Mrs. Bancroft was taken home and cared for. She had no broken bones, and though her back and head were somewhat injured she will probably recover soon unless there are internal injuries. Perrin McCue is suffering from a great many bruises and lacerations, but is not seriously injured.

Vinol THE TOWN TALK. Never was there a remedy sold in Lowell that gave as universal satisfaction or was "talked about" more than Vinol. After having sold drugs, and all kinds and makes of medicines for so many years, the public must give us credit for knowing something about them, their value and power to cure. We have never sold in our store a more valuable remedy for run-down, tired, debilitated people; weak, puny, ailing children; flesh for thin people; nervousness, irritability, sleeplessness and a general tonic reconstructor. Try It On Our Guarantee. Every bottle is sold on our guarantee and out of over 500 bottles sold from this store only 6 bottles have failed to give satisfaction. Doesn't this speak well for Vinol. Only at LOOK'S Drug and Book Store. You Knew Where.

Postponed! The giving away of my Sewing Machine has been postponed until the evening of Saturday, September 2nd at 8 o'clock, when it will positively take place. R. D. STOCKING.

Bus Rider Rules & Regulations

To the parents of children riding school buses:

The rules & regulations listed below are the result of careful study based upon the experiences we have had in the operation of a school bus system. Cooperation & courtesy in following these suggestions will permit us to better serve your child. Please go over the rules with your children so they will know what is expected of them when they ride the bus.

The Uniform Code of Discipline & Students Rights & Responsibilities for the Lowell Area Schools will be followed in all discipline reports.

1. Be on time at designated bus stops. BUSES CAN NOT WAIT FOR TARDY PUPILS.
2. Obey the driver's suggestions cheerfully. Help the driver to assure safety at all times.
3. Expect to walk some distance to a bus stop as required by State Regulations.
4. Stay off roadway while waiting for bus. Form a line to get on the bus.
5. Cross in FRONT of bus when crossing road or highway...NOT IN BACK OF BUS.
6. Remain seated while bus is in motion. Wait until bus has come to a complete stop before attempting to enter or leave the bus. Enter or leave the bus only at the front door, except in case of emergency.
7. Do not leave the bus without the driver's consent, except at home or school. No unauthorized stops will be made.
8. Occupy any seat assigned by the driver. Keep feet out of aisles, off of seats & back of seats.
9. Sit three in a seat by filling back seats first when conditions require it.

10. Musical instruments must be held by the owner. Do not leave them in aisles or at front or rear emergency door.
11. Sit erect with your feet on the floor. Keep head, arms & hands inside bus.
12. Observe classroom conduct. Avoid unnecessary disturbing noises. The driver should not be distracted while bus is in motion. Do not shout at passing persons or vehicles.
13. Be courteous. Use no profane or vulgar language.
14. Help keep bus clean. No gum chewing, no eating, no pop. NO SMOKING ON BUS!
15. Be considerate of small children.
16. Inform driver when absence is expected from school.
17. FIGHTING, PUSHING, SHOVING or other rowdiness WILL NOT BE TOLERATED.
18. Report any damage you observe to the driver. Damage to the interior or exterior of the bus will result in payment for damages and in suspended bus riding privileges.
19. There will be no extra riders on buses unless there is an emergency. If there is an emergency, a bus pass must be approved by the principal's office BEFORE boarding the bus.
20. Remember, school bus transportation is a privilege, not a right.

The principal may suspend pupils from riding when such action is advisable. Supervisor of Trans. DODE COLLINS.

PLEASE NOTE:

Most bus numbers have not been changed; those that have will note last year's bus number next to the number for this year. We have tried to give you approximate times in the listed route information. Some adjustments have been made in our regular routes. Please look for these changes.

MOTORISTS: The flashing red lights of a stopped school bus means STOP. Any school bus, moving or stopped, should trigger extra caution on your part. School bus stops can get hectic. Be alert, especially for children standing too close to curb edges.

School buses & school bus safety have come a long way since the first Model-T was adapted to carry students. The basic rules, however, of caution & courtesy, haven't changed. Keeping these safety tips in mind now and throughout the school year can help to keep school buses the safe mode of transportation they have become.

KENT SKILLS CENTER

This bus leaves the High School at the following times: 6:50, 9:25, 12:10 and 3:00 p.m. The bus goes to College and Beltline Skill Centers four sessions.

KINDERGARTEN:

Kindergarten students who have not registered, should do so immediately. Our noon take-home and pick-up routes cannot be completed until our bus student registration is complete. Kindergarteners attending the morning session will ride regular buses and will be picked up at the regular stops. They will be brought home on a KINDERGARTEN run to a location as near to their home as possible. Afternoon K's will then be picked up near their home and delivered to the regular stops after school. Please see that your KINDERGARTENER has his/her name, address and bus number on him/her before leaving home. This helps us identify what bus they ride on in case they forget.

A.M. SESSION

Students will ride regular buses and will be picked up at regular stops. They will return on K-Buses as close to home as possible.

P.M. SESSION

Students in Eastgate, Valley Vista Village, Valley Vista Housing, Bowes Road will ride the Bunny Bus. All other P.M. students will come to school on an A.M. take home route as it passes your home. Bunny Bus route times are found under Elementary Routes. All other P.M. K's should call the transportation office for pick-up times.

A.M. DEVELOPMENTAL ROOM

(Runciman) Developmental Room students will be picked up for morning classes by the regular bus and will return on a Kindergarten bus. Please contact garage if you need more information.

P.M. DEVELOPMENTAL ROOM

(Runciman) Developmental Room students will be picked up at home and return on a regular bus with other students.

SPECIAL EDUCATION

We are asking parents to contact the Transportation Office, 897-9363, after Aug. 29 for Route Schedules.

ALTO SPECIAL EDUCATION

Students will come in on regular buses to Bushnell and take Bus 81C to Alto School. In the P.M., students will return to Lowell on Bus 90A to board regular buses for home.

FOSTER CHILDREN - In certain cases foster children are eligible for free or reduced price meals regardless of your household income. These children are considered to be a household of one. If your child is a foster child as described in category A or B below, place a check in the proper box.
 () A. The welfare agency or court is legally responsible for the child and the foster home is, in fact, an extension of the welfare agency or court.
 () B. The child is a resident of a licensed "Group Foster" home or a residential institution.
 Only the foster child's spending money is counted as income on this application. Spending money is: money received in hand for the personal use of the child from a welfare agency, the child's family, a trust account, earnings from regular employment, and so on. Do not include money from occasional or part-time jobs like paper routes and babysitting.
 List of his/her spending money per month \$ _____
 If you have any questions or if you have a foster child who does not fit under category A or B, as described above, please contact the school.

OPTIONAL

RACE: Please check your child's racial or ethnic group. You are not required to answer this question. We need this information to be sure everyone receives benefits on a fair basis.
 White, not of Hispanic Origin
 Black, not of Hispanic Origin
 Hispanic
 Asian or Pacific Islander
 American Indian or Alaskan Native
 No child will be discriminated against because of race, color, handicap, national origin, sex or age.

PRIVACY ACT INFORMATION - SOCIAL SECURITY NUMBERS

Federal Law (PL.97.35) requires you to list social security numbers of all adult household members before your child may receive free or reduced price meals. You do not have to give social security numbers, but if you refuse your child cannot receive free or reduced price meals. The social security numbers may be used to identify you for verifying the information you report on this application. Verification may include audits, investigations, contacting the State employment security office, food stamp office, and employers and checking the written information provided by the household to confirm the information received. If incorrect information is discovered, a loss of benefits or legal action may occur. These facts must be told to all household members whose social security numbers are reported on this form.

School Opens Soon Drive Safely

Lowell Area Schools Food Service Program

Another summer is almost gone and it will soon be time for the school bells to start ringing again. We will serve lunches the first day of school on Tuesday, August 26, 1986. We will not raise the price of lunches at this time. We hope this 'holds true' for the entire school year. It depends on federal reimbursement, food and labor costs. The prices again this year will be 85¢ in the Alto, Bushnell and Runciman Schools and 90¢ in the Middle and Sr. High Schools. These prices include milk. Adult lunches will be \$1.45 in all schools. Milk alone, for both students and adults, will be 25¢.

We again invite the students from St. Mary's School to join us for lunch in the Bushnell School Cafeteria. Students may purchase lunch tickets every morning in their rooms at the Alto, Bushnell and Runciman/Riverside buildings, and in the Middle School cafeteria, before school starts. St. Mary's and Sr. High students may pay when they go through the lunch lines. Students may, if they wish, bring their money for the whole week on Monday morning in all the schools. This is not mandatory but will provide this service for the parents if they wish to take advantage of it.

Free and reduced price lunches are available upon proper application to families who qualify for the program. Free milk is not available as there is no federal reimbursement for milk. A letter to the parents and an application is included in this publication. Because of strict federal regulations the application is more detailed and must be made out in full before students may receive free or reduced priced lunches. Applications will also be available in all school offices. Parents who think they may be eligible must have their application in by Friday, August 15, 1986, in order to know if their children are eligible for the first day of school.

The cooks of the Lowell Area Schools will still offer good, nutritious meals with many choices every day. The students may choose all five components of the meal (protein, bread, vegetables, fruit and milk) or as few as three of the items and we will still be able to count it for federal reimbursement. We have found this eliminates plate waste. If cost allows, we will continue to bake our own bread, dinner rolls, cookies, casseroles, etc. "from scratch." We offer fresh fruits every day and fresh vegetables at least three times a week. We will offer a minimum of two entrees and a chef's salad, with a choice of cheese or meat, every day in the Middle and Sr. High Schools. In the Sr. High School, students may, if they wish, pick out individually priced items from our a la carte line. This, of course, costs more than the unit priced school lunch which includes milk. We sell ice cream, milk, orange drink and fresh fruits at our snack bar which will be open in the morning and after school. In addition, at noon we sell hot sandwiches, pizzas and chef's salads.

We do not sell carbonated drinks, candy, gum or potato chips in our schools. It is because of the sincere dedication of our 24 cooks and van driver that we are able to serve good nutritious food, at the low prices, to our Lowell Area Schools students.

Parents having any questions about School Food Service should call Mrs. Marilyn Bovee at 897-8415.

HOT LUNCH MENU AUGUST 26-29, 1986

Free and Reduced Rate Lunch Information:

Dear Parent or Guardian:

August 1986

The Lowell Area Schools serves nutritious meals every school day. Students may buy lunch for 85¢ in the Alto, Bushnell and Runciman/Riverside Schools and 90¢ in the Middle and High Schools. Milk is included in the price of lunch. For those who wish to buy just milk, it will cost 25¢.

Children from families whose income falls within the levels shown on the scale below are eligible for either free meals or reduced-price meals at 40¢.

FAMILY SIZE	YEARLY	MONTHLY	WEEKLY
1	9,916	827	191
2	13,394	1,117	258
3	16,872	1,406	325
4	20,350	1,696	392
5	23,828	1,986	459
6	27,306	2,276	526
7	30,784	2,566	592
8	34,262	2,856	659
Each Additional Family Member	+3,478	+290	+67

To apply for free or reduced-price meals, please fill out the attached application as soon as possible, sign it and return it to the school. Please answer all questions on the form. An application which does not contain the following information cannot be processed by the school.

- (1) the total household income AND the amount of income received by each household member (such as wages, child support, etc.) Multiply weekly income by 4.33 to get monthly income.
- (2) your food stamp case number if your household is on food stamps; names of all household members;
- (3) social security numbers of all household members 21 years of age or older or the word "NONE" for any adult household member who does not have a social security number; and
- (4) the signature of an adult household member.

VERIFICATION: The information on the applications may be verified by the school or other officials at any time during the school year.
REPORTING CHANGES: If your child is approved for meal benefits, you must tell the school when your household income increases by more than \$50 per month (\$600 per year) or when your household size decreases.

REAPPLICATION: You may apply for benefits at any time during the school year. If you are not now eligible but have a decrease in household income, become unemployed or have an increase in household size, fill out an application at that time.

FOSTER CHILDREN: If you have foster children living with you, they may be eligible for these benefits regardless of your household's income. If you wish to apply for these benefits for them, please contact the school and they will help you complete the application.

NONDISCRIMINATION: Children who receive free or reduced-price meal benefits are treated the same as children who pay for their meals. In the operation of child feeding programs, no child will be discriminated against because of race, color, national origin, age, sex or handicap. If you believe you have been discriminated against, write immediately to the Secretary of Agriculture, Washington, D.C. 20250.

FAIR HEARING: If you do not agree with the school's decision on your application or the result of verification, you may wish to discuss it with the school. You also have the right to a fair hearing. This can be done by calling or writing the following official:

Fritz Esch, Superintendent of Lowell Area Schools, 12685 Foreman Road, Lowell, Michigan 49331. Phone: 897-8415.
CONFIDENTIALITY: The information you provide will be treated confidentially and will be used only for eligibility determinations and verification of data.

HELP WITH APPLICATION: If you have any questions or need help in filling out the application form, please contact Marilyn Bovee at 897-8415. You will be notified when the application is approved or denied. If you wish to be eligible the first day of school lunches, August 26, 1986, the application must be in my office by Friday, August 15, 1986.

Sincerely,
Marilyn Bovee, School Food Service Supervisor
12685 Foreman Road, Lowell, MI 49331

So when you see me smiling
 Please don't think that I don't care;
 There are a thousand things each day
 I wish that I could share.

This grief that I am feeling
 Is for myself, I know,
 He's in a place much better
 With no sorrow, pain or woe.

So this empty place within my heart
 The Lord will help me bear
 And someday when it is God's will
 I'll go and meet him there!

In Memorium

ELEY - In Loving memory of Craig who passed away two years ago August 18, 1984.
 I thought the lump within my breast
 Would never go away;
 I thought I'd never smile again
 Or be happy, bright and gay.
 I thought I'd never want to talk
 About any other things
 Or think of lonely days ahead
 Or of what the future brings.
 I thought the memories of the past
 Would surely break my heart,
 And I could not bring myself to think
 Of that day we'd had to part.
 I thought the day would never come
 When I'd want to laugh again
 But I hadn't counted on the Lord
 Or the comfort He could send.
 When I gave up my burden
 And left it there with Him
 The ache was lifted from my heart
 And my sorrows seemed to dim.
 For I know that He is with me,
 His presence is so real;
 His strength helps me through each day,
 And my hurts will someday heal.

So when you see me smiling
 Please don't think that I don't care;
 There are a thousand things each day
 I wish that I could share.

This grief that I am feeling
 Is for myself, I know,
 He's in a place much better
 With no sorrow, pain or woe.

So this empty place within my heart
 The Lord will help me bear
 And someday when it is God's will
 I'll go and meet him there!

Exchange students gather here for picnic and fellowship

By Matt Berry

After tasting American life for one month, the 14 Pacific Intercultural Exchange (PIE) students staying in Lowell and Grand Haven all said the same thing about America.

They love it. "There's much more freedom here and the people are very nice," stated Phillippe Audard, of France. "I love it."

"There's a lot to do here and less restrictions," said Phillippe Jeandet, also of France. "I love it."

"I like the way Americans think. Everybody lives their life," commented Micelle Equisquiza, from Spain. "I love it here."

Last Wednesday the exchange students gathered at the home of Ivan and Jane Blough, 623 N. Jefferson, for a picnic held for the students and the families with whom they are staying. The students arrived July 12, and will return to their native countries September 17.

Patricia Fairbanks, the Michigan co-ordinator of PIE, has

hosted students for nine years and enjoys it more and more every year.

"Both the students and the families grow a lot learning from each other," said Fairbanks, who is hosting Audard, Jeandet and Equisquiza this year. "You become aware of things you never knew before. It's just great having a new kid each year."

While Audard and Jeandet were talking about the fun and freedom in America, Equisquiza tried to explain some differences between Spain and the United States.

"It's much slower paced in Spain and the rest of Europe than it is here. There's a lot of competition here, and people are always racing back and forth," said Equisquiza, 19.

"Americans have more money than Spanish do, also," Equisquiza added. "Middle class in America would be high class in Spain."

Equisquiza also expressed Spain's opposition to President

The 14 local Pacific Intercultural Exchange students and the families with whom they are staying met at the house of Ivan and Jane Blough, 623 N. Jefferson, last Wednesday for an international picnic. The students, mostly from France and Spain, arrived July 12 and will be leaving September 17.

Bicycle race, cont'd

depending on their race experience. All the riders hold licenses with the United States Cycling Federation, the governing body of American amateur cyclists.

Spectators are more than welcome at all the events and there is no admission fee.

The event is being promoted by Dr. David Durkee of Lowell,

Ken Mange of Rockford, and the Rapid Wheelmen Bicycle Club of Grand Rapids. Other co-sponsors include The Speed Merchants Bike Shop of Rockford, Lowell Vision Center, Vennen Chrysler-Dodge of Lowell, Harold Ziegler Ford of Lowell, and the Independent Bank of Rockford.

Reagan's weapons policies.

"We don't like the fact that he keeps making more weapons," Equisquiza said. "There are a lot of peace groups in Spain and throughout Europe that are opposed to Reagan's policies."

Audard, 19, and Jeandet, 20, who have been friends in their small home town near Vichy for 12 years, were PIE students in America last year, and they both plan to return in the future.

"Everything seems to be big-

ger and better here," Audard said. "I'm having a lot of fun here."

"The freedom I feel when I come to America is tremendous," Jeandet said. "It's something you just can't explain, but you feel."

"I know at last what distinguishes men from animals: financial worries."

Rotary Blood Drive

By Matt Berry

The Lowell Rotaary will be conducting the 4th annual Lowell Community Blood Drive August 27, from 3-8 p.m., at the Lowell Middle School Cafeteria.

The Blood Drive, sponsored by the Grand Valley Blood Program, is open to people between the ages of 17 and 76 who weigh at least 100 pounds and haven't donated within the past eight weeks.

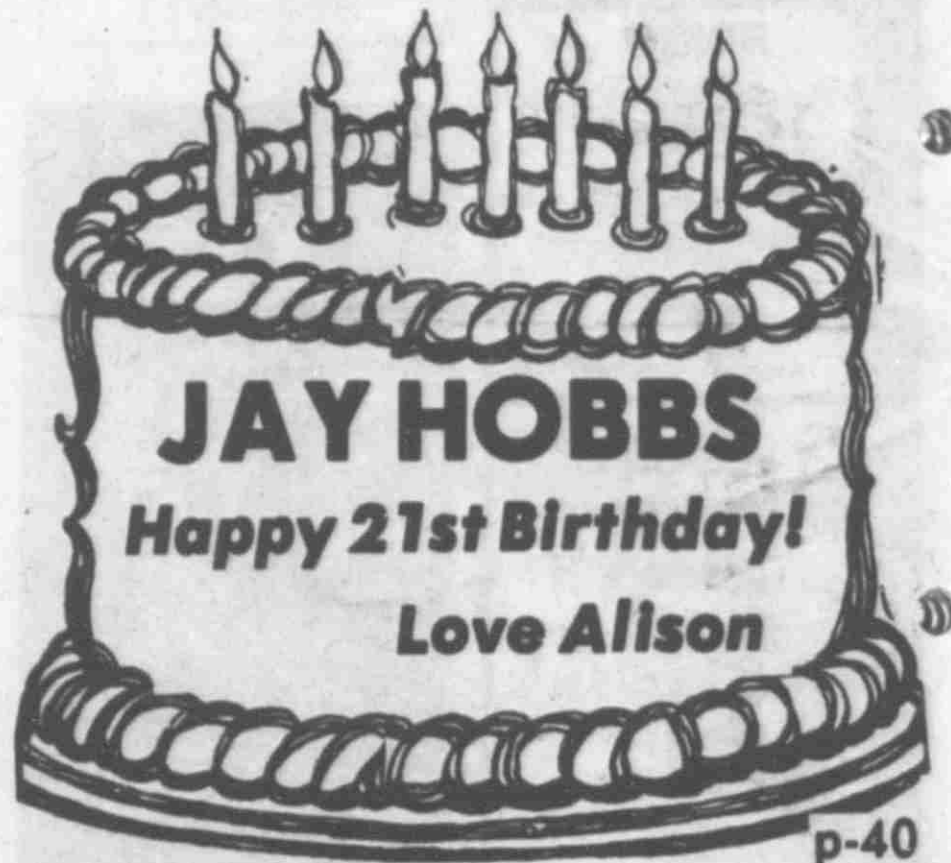

Persons who have hepatitis, blood diseases, or have had heart surgery, have chronic lung disease, cancers or diabetes requiring insulin are not eligible to donate blood. Blood Drive Chairman, Dr. Jim Lang, said that even those who take medications may give blood.

Lang also said that about 100 people signed up for each of the previous drives, but he is hoping for 150 to sign up this year.

"It's a worthwhile thing for the community," Lang said. "A good cause for people to get involved in."

Lang said that it takes only 12-15 minutes to extract the pint of blood, but the entire process of signing in, being tested and examined before the donation, giving blood and the recovery period takes about 45 minutes. He added that a pint of blood is replaced in the body within two to three hours, and donors should eat a hearty meal four hours before giving blood.

Those wishing to donate blood may call 897-9209.
