GEN. RUTHERFORD NAMED FOR CONGRESS

A Disappointment to Lowell Citizens Generally.

GRAND RIVER MISSIONARY MEETING.

Death of Ephraim M. Roof--His Service to His Country.

APPREHENDED.

The people of Lowell will be relieved to know that the gang that has been engaged in firing and robbing buildings in this and adjacent towns has been apprehended, or at least a portion of it.

It seems that after the firing of Train's hotel, detectives were employed who succeeded in finding the gang and "getting in" with them. Their plans were learned, and among other things was a scheme for repeating the attempt to fire Train's hotel.

This job was to have been done last Sunday night, but the detectives planned to take the rascals in the act. The knowledge leaked out, however, and it became necessary to nab the leader of the gang at once. This was done and since that time no information can be gleaned from any source, as the detectives propose to keep their knowledge to themselves hereafter until their game is corralled.

The following account was sent to the city papers under date of Sept. 30:

"The sheriff's office to-day resembles in some respects a dime museum. For some time past burglars have been at work in the small towns in the county. Last night Sheriff Montgomery arrested Bert Chapman, of Lowell, on suspicion. When searched he was armed with a 38-caliber revolver and a dirk, and but for prompt action of the officers, would have proved a troublesome customer. After lodging his prisoner safely in jail, sheriff Montgomery went to Lowell and searched the house of A. B. Waterman, the young man's grandfather, and under the building he found a Winchester rifle and shotgun and a trunk containing the chains, rings and other jewelry stolen from the store of Houck & Cotter, Pawama, August 25, four revolvers, nine razors, together with the guns which were stolen from Benson & Crawford's hardware store at Saranac last week, a partial kit of burglar's tools, consisting of a dark lantern, drills, dynamite caps, fuse, small keg of giant powder, etc., a pocketbook containing a number of rare coins, a lady's handbag, seven 1,000-mile books stolen from the Detroit, Lansing & Northern ticket office at Lyons and about one hundred other articles.

Chapman is a young man about 20 years old, was reared in this city, is of respectable parentage, but owing to family troubles has been allowed to run wild."

On Monday Chapman was bound over to the circuit court.

TWO ELEGANT RESIDENCES.

Our popular townsmen, Charles McCarty and R. J. Flanagan have their elegant new residences nearly ready for occupancy. Mr. Flanagan moves in next week; and McCarty soon after the fair. We congratulate both gentlemen and their families upon their beautiful homes and wish for them long lives in which to enjoy them.

GEN. RUTHERFORD NOMINATED.

The fifth district Democrats held their congressional convention at Grand Rapids Tuesday and nominated Gen. L. B. Rutherford for representative. There were present from Lowell, C. Bergin, Geo. Parker, F. M. Johnson, Dr. O. C. McDannell J. E. Lee.

The Kent county delegates caucused and decided to support John M. Mathewson. The following from the Democrat shows the result:

The presentation of candidates for congressman was next in order. Speaking for Kent county, Col. M. A. Aldrich presented the name of John M. Mathewson of Lowell, and it was received with applause. Neither Ottawa nor Ionia had a candidate. Mr. Harper of Wyoming warmly endorsed Mr. Mathewson as one who would knock Wm. Alden Smith's tariff breezes with a hickory club.

F. M. Johnson of Lowell, ably supported Mr. Mathewson, for fifty years a noble democrat, a pioneer settler of Kent, widely known and thoroughly in sympathy with the people.

Andrew Fyfe moved that the nomination be made by acclamation, but before the motion could be put, Frank Doremus of Portland, in behalf of Ionia, presented the name of Albert K. Roof, a native born Ionian, a representative citizen and always a Democrat.

On the ballot Kent cast its solid fifty-three votes for Mathewson, Ionia, seventeen for Roof and Ottawa county fourteen for Gen. L. G. Rutherford.

The call for the convention stated that the nomination should be made under the two thirds rule. Mr. Mathewson had a majority but not two-thirds of the vote. It was claimed by Kent that the call was not binding, but that the convention itself made the rules under which it should operate. A motion was made that the call be adhered to and W. F. McKnight offered a substitute that the majority nominate. The convention became entangled in parliamentary practice but business finally came down to a vote whether or not a majority or a two-thirds vote should nominate. D. O. Watson said that it had been the custom ever since he could remember to nominate by a two-thirds vote. Mr. Doremus declared the two-thirds vote prevailed in the national convention and in all other Democratic bodies. The two-thirds rule was adopted.

A second vote was ordered taken by written ballots, but before it could be put, L. K. Salsbury withdrew the name of John M. Mathewson, and in doing so denied that anything like gag rule had been used as had been charged. Mr. Harper earnestly declared that any charges of unfairness were unjust and uncalled for, and with spirit insisted on the unit rule. Col. Aldrich said he had been instructed to vote for Mathewson and would continue to do so. D. O. Watson protested against a small majority of Kent county being allowed to swing the entire convention. At S. White put an end to the debate by reminding the convention that Mr. Mathewson's name had been withdrawn, and that this action relieved the delegation from the caucus instructions.

E. R. Spencer of Ionia and M. A. Aldrich were appointed tellers for another ballot. Ionia county withdrew the name of Mr. Roof of Ionia. The ballot resulted: Mathewson, 14;

scattering two; and Rutherford, 53.

Gen. Rutherford was sent for and made a speech of acceptance, and then Mr. Mathewson was called to the platform. He said that he was not as tall as Mr. Rutherford, but that he was bigger when he was down than when he was up, and now he was defeated he was more of a Democrat than ever. He heartily endorsed Gen. Rutherford and pledged his most loyal support. After an able enunciation of Democratic principles, Mr. Mathewson was loudly cheered, and left the hall by far the most popular man in it.

ANOTHER COUPLE MADE HAPPY.

Married, at the home of the bride's parents, Mr. and Mrs. Thomas B. Hastings, Tuesday evening, Oct. 2, at 7:30 o'clock, Frank W. Tarleton and Bertha Mae Hastings. To the strains of Lohengrin's wedding march, "Faithful and True," the bridal party entered the parlor and in a few words Pastor Shanks pronounced them husband and wife and introduced them to the guests present. An elegant repast was spread, which all enjoyed to the fullest extent. Many very beautiful presents were brought by the guests and friends.

Mr. and Mrs. Tarleton will make their home in Lowell. Their many friends wish for them a long and happy life.

MISSIONARY MEETING.

The annual union meeting of the Congregational Home and Foreign missionary societies of the Grand River Association was held at the Congregational church last Thursday.

The reports from the different churches in the association were of much interest to the friends of the work. Interesting papers were also read by some of the delegates. At the afternoon session the annual elections were held. The Home Missionary Society elected Mrs. M. M. Perry of Lowell President; Mrs. M. S. Chapman of Grand Rapids Vice President; Mrs. J. T. Husted of Grand Rapids Sec'y and Treas. The Foreign Society re-elected Mrs. Rev. G. A. Pollard of Grand Rapids President and the Vice President and Sec'y and Treas. were re-elected and are residents of Grand Rapids and unknown to your scribe. In the evening an interesting and instructive lecture was given by Miss Alice Little, who has been a missionary for six years in the islands of Micronesia. She illustrated her lecture by many articles of clothing, jewelry, trinkets and tools that were made by hand by the natives.

AS OTHERS SEE HIM.

The Grand Rapids Baptist association has been holding its fifty-first annual meeting at Grand Rapids this week and Rev. E. H. Shanks our local pastor, has been in attendance, and was chosen to deliver the next annual sermon. Mr. Shanks was also appointed associational Sunday school superintendent.

THE LOWELL FAIR.

Work is progressing favorably on the Lowell fair ground. The buildings and track are being put in first class condition in readiness for the Lowell fair. It is expected that the famous pacing horse, Albatross will give an exhibition here. This wonderful horse was raised here and has a record of a half mile in 1 minute and half a second. Secretary Hooker is also corresponding with the manager of the celebrated trotting moose, with a view of having the animal race with

DEATH OF EPHRIAM M. ROLF.

Another of Lowell's old soldiers has joined the great army on the other side of Jordan, and Ephriam M. Rolf will no longer be seen by the comrades when they gather year by year to do honor to the faithful who have passed on before.

Mr. Rolf was born in Plymouth Wayne county, Mich., February 6, 1834, where he continued to reside until he was about 14 years of age, at which time he moved with his father to this vicinity where he grew to manhood. He was married to his now bereaved wife at Greenville, August 22, 1858. After his marriage he lived in Georgetown, Ottawa county, until the breaking out of the war when he enlisted in Co. B., Fifth Michigan Cavalry and served until he was honorably discharged, June 3, 1865.

In September after the close of the war, he came to this village where he continued to reside until his death, Sept. 30, '94.

Mr. Rolf leaves to mourn his loss besides his devoted wife, three daughters, an own brother, one half-brother, four half-sisters and 3 sons.

Funeral services were conducted on Tuesday by Rev. A. P. Moors and were largely attended, the local orders of the Grand Army and Sons of Veteran being present in a body.
