**An Unequaled Dining Car Service**

Have you had dinner or supper on one  
of the Dining Cars running on the Grand  
Trunk Railway through trains between  
Chicago and Eastern points? If not, it  
would be worth your while to make a note  
of this service, and take the first oppor-  
tunity you can avail yourself of a treat.  
Mr. J. Lee, who for years has been with  
the Windsor Hotel, Montreal, is now con-  
nected with this service and travelers can  
rely on a refined cuisine, excellent service  
and a liberal table.

## Soldier Boys Home

LOWELL WELCOMES HER RETURN-  
ING HEROES.

Many Hundreds of People Join in  
the Reception.

Monday was a day of rejoicing in  
Lowell, and one of excitement ex-  
ceeding that occasion some months  
ago when our Johnnies marched away  
to war. This time the Johnnies came  
marching home and as so far no  
deaths have occurred among the  
Lowell volunteers, there was joy ac-  
cordingly. Business places were de-  
corated with the Nation's colors, the  
band, the veterans and the sons and  
the people from the white haired men  
and matrons to the babes in the cabs  
turned out by the hundreds to greet  
our returning heroes and as the Low-  
ell & Hastings train pulled in amid  
music by the band, firing of guns and  
shouts of the multitude, the boys must  
have felt some return for the suffer-  
ing and privations they have under-  
gone.

Four came in on the train: Clar-  
ence Long, Hayes Roth, Bert Fen-  
ning and Sherman Reynolds. Ulman  
Hawk, who arrived a few days before,  
sick and thin in flesh, rose from his  
couch to meet and greet the boys and  
to share in the reception. The band  
lead the crowd to the Island where  
an impromptu program was carried out,  
including patriotic music, speeches by  
S. P. Hicks and Reverends Anderson  
and Patterson, after which  
the young veterans were com-  
pelled to shake hands with  
the assembled populace, which must  
have been a severe ordeal in their  
tired and weakened state.

Morris Lang, who was reported  
dead is said to be in the hospital at  
Montauk as is Charles Dickerson, and  
it is expected will soon be home.

Robert Jones who enlisted in the  
32d regiment is reported very ill in  
a hospital at Detroit.

It is the fervent hope of the com-  
munity that these will soon able to  
join their friends here and that all  
may be nursed back to health and  
strength.

## FAINTED ON THE TRAIN.

One of the Lowell Boys Very Ill in  
Detroit.

Detroit, Sept. 6.—Robert L. C.  
Jones of Co. G, Thirty-second Mich.  
Vol., was taken to the D., G. R. & W.  
depot by Boyd's ambulance last night  
for the purpose of leaving for his home  
in Lowell. Jones, who is seriously ill  
with kidney trouble, insisted on going  
home against the advice of those best  
competent to judge of his condition.  
Shortly after the ambulance left the  
depot Jones fainted through weakness  
and the ambulance was summoned to  
take him to St. Mary's hospital. One  
of the priests of the Sacred Heart  
church worked assiduously over Jones  
in vain attempt to call him back to  
consciousness before the arrival of the  
ambulance.

## Card of Thanks.

The undersigned wish to express  
their heartfelt gratitude to the many  
kind friends and neighbors who as-  
sisted them during the long and  
painful illness of their Lizzie also for  
the aid rendered and sympathy ex-  
pressed after death.

MR. and MRS. GEO. HARDY.

## Notice to Correspondents.

will leave Lowell on Tuesday, Sept.  
13, at 6:40, a. m. Don't get left. All

street car fare and meals. It has been  
thought best not to bother with bas-  
kets.

## Grand Trunk Dining Cars.

Everybody who has had the good for-  
tune to enjoy a meal on the Grand Trunk  
Dining Cars are profuse in their praises  
of the good service, excellent cuisine and  
liberal table supplied. Mr. J. Lee, late  
of the Windsor Hotel, Montreal, has been  
appointed to this part of the service and  
the public are appreciating the endeavors  
of the company to have an unequalled  
service in this department of a great  
system.

## FIRE AT SARANAC.

Six Buildings Were Destroyed With Only  
One Partially Insured.

Saranac, Sept. 5.—Sunday morning  
at about 2 o'clock fire was discovered  
in the blacksmith shop of Rufus Olm-  
stead, in the frame row on the south  
side of Main street. An alarm was  
given, but before the fire was under  
control six buildings were destroyed.  
The parties suffering the losses are as  
follows:

W. H. Renwick, store building,  
\$1,000, no insurance; Stein Bros.,  
saloon fixtures, stock of liquors and  
household furniture, 1,800, insurance  
1,300; Rufus Olmstead, blacksmith  
shop and tools, \$500, no insurance;  
Charles Wheeler, hotel building,  
\$1,000, covered by insurance; Ameri-  
cus Perham, dwelling house, no insur-  
ance.

## Bad Accident.

Merton Reynolds, son of Charles  
Reynolds, of southwest Lowell, ac-  
cidentally shot himself last Friday af-  
ternoon while hunting. He was alone  
and standing on a log resting the butt  
of his gun on the log, when his gun  
slipped and the gun went off, send-  
ing the full charge of shot through  
his left hand and a portion of the  
shot up through his left cheek, eye  
and fracturing the bone above the  
eye. Drs. McDannell and Eaton  
were called, amputated the hand at  
the wrist joint and removed what  
shot could be found in his cheek, eye  
and forehead. He walked home alone  
after the accident, a half mile or  
more, and is expected to recover, but  
will sustain the loss of left hand, left  
eye and bear powder marks in his  
face.

## Death of Irving Young.

Irving Young, who has been en-  
gaged in the harness business here  
since 1873, died Saturday of rheumat-  
ism of the heart at the age of 66  
years, after an illness of but a day.  
Mr. Young was born in New York  
state, but lived in Lowell 26 years  
and was much respected for his quiet,  
unpretending manner and his good  
citizenship. Funeral services were  
held at the house Monday at 2 p. m.,  
conducted by Rev. H. Marshall.

## The Union-Silver County Ticket Convention and Ticket.

The rural delegations were honored  
at the Democratic convention by the  
selection of James Lyon, of  
Vergennes for chairman. Mr. Lyon  
in his speech of acceptance gave Law-  
yer Clapperton a blow in the teeth for  
having claimed the victory over  
Spain as a "Republican victory." "It  
was not the Republican party, nor  
the Democrat party, nor any other  
party," said he, "but it was the Amer-  
ican army, the American navy, direct-  
ed by an American president and  
backed by 70,000,000 of Ameri-  
can people that won the victory and  
no man had any right to make politi-  
cal capital out of it."

The ward heelers of the city were  
very much in evidence and the con-  
vention was a disorderly crowd.

The following excellent ticket was  
placed in nomination:

Sheriff—Joseph E. Kennedy, of  
Caledonia.

Clerk—Denton O. Sproat, of Grand  
Rapids.

Treasurer—James Ward, of Spen-  
cer.

Prosecuting Attorney—Lant K.  
Salsbury, of Grand Rapids.

Circuit Court Commissioners—  
Roger Olbinski and Major E. C.  
Watkins.

Coroners—William Fuller and  
Stephen A. Whinnery.

Surveyor—Edward H. Christ.

## The New Evaporator.

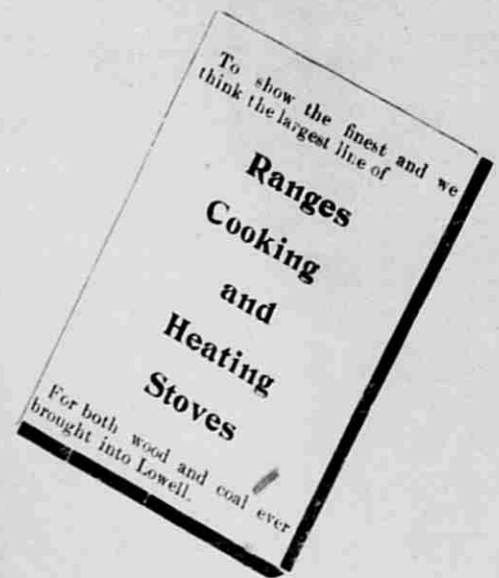

The new evaporator started by  
Enos & Bradfield in their large ware-  
house on the south side has begun  
operations, employing a dozen hands  
on the fruit, while as many more are  
engaged in fitting the building for its  
present use.

We hope the proprietors will find  
the venture a profitable one. It is  
surely a good one for the community.

Lizzie Hardy, Deceased.

Lizzie Hardy was born in Brant  
county, Canada on the 27th day of  
September 1864. Her childhood was  
a bright, healthy, happy one. When  
she was eleven or twelve years of age  
she became afflicted and suffered from  
an acute nervous attack which was  
greatly aggravated by other ailments.

In the 13th year of her age she made  
a profession of the religion of Jesus  
Christ, as taught by the Rev. Bell,  
who was at that time pastor of the  
M. E. church at Saranac. Lizzie was  
for many years a faithful member of  
the church and always seemed to take  
great interest in the cause of Christ.

Some twelve years ago in company  
with her father she went for treatment  
to the Alma sanitarium. The relief  
was only temporary and in a few  
years she went with her father to the  
hospital at Ann Arbor, where she  
endured a painful surgical operation.

This did not bring any permanent re-  
lief, and all these years she has suf-  
fered more or less because of failing  
health.

Last summer her father, who was  
then residing in Lowell, was taken to  
his bed with what proved his last ill-  
ness. His death was a great shock to  
all who knew him, but most of all  
to Lizzie, for she had a peculiar at-  
tachment for her father, this left Liz-  
zie and her mother alone; the son and  
other daughter having their own to  
care for.

Last December, the brother, George  
Hardy and wife wanted to make a  
visit to Canada, and invited Lizzie  
and her mother to come to his home

W. B. Rickrt, on the  
Bridge.

It is good as a circus to step in to  
our store and ware rooms and see the  
business we are doing. To see the people  
coming and going and the carloads of  
freight and farmers produce we are ship-  
ping. You can see folks going from our  
store twenty miles around with their arms  
and wagons full of our Groceries, Fine  
Teas, Coffees, Spices and Canned goods.  
Why? Because the people know that  
McCarty is the man to use, whether they  
buy or sell. They know they will yet be  
used right everytime, that's why. If you  
are not buying of McCartney, perhaps this  
will set you to thinking.

the gander."
