GOOD ROADS MASS MEETING IN LOWELL, WEDNESDAY, SEPTEMBER 10.

EXPERT SWETLAND WILL SUPERINTEND THE ROASTING AND SERVING OF MR. OX.

SPEECHES, MUSIC, BARBECUE, BASKET PICNIC AND BASE BALL TOURNAMENT.

Pursuant to call in last week's LEDGER an enthusiastic meeting of Lowell citizens met Friday evening at the office of the King Milling company and organized with C. W. Wisner as chairman and H. J. Coons as secretary.

It was voted to hold a good roads meeting and farmers' picnic in Lowell September 10.

The following committees were appointed:

Arrangements: Dr. O. C. McDannell, F. M. Johnson, Chas. McCarty, F. T. King;

Invitations: Hon. A. W. Weekes, F. N. White, D. B. Davidson, Dr. M. C. Greene, H. J. Coons;

Advertising: S. P. Hicks, C. W. Wisner, E. R. Collar;

Finance: W. S. Winegar, R. VanDyke, D. G. Look.

The program as thus far worked out will open at 9 a. m., with a ball game for a purse of \$25 between the Grattan and Alto teams. The winner receives \$15, the loser \$10.

At noon comes the basket picnic and barbecue at Island park. The

barbecue is F. T. King's pet scheme and that gentleman is bound that it shall be a complete success. A handsome fat steer has been killed by Klump & Andrews and is now in cold storage awaiting the pleasure of Caterer Swetland of Grand Rapids, an experienced chef, who has promised to superintend the

roasting process. The meat will be served with bread and gravy, and it is needless that people who wish to partake bring plates, knives and forks. Do not forget this.

At 2 p. m., occurs the good roads meeting at the opera house where Senator H. S. Earle of Detroit and Civil Engineer Frank F. Rogers of Port Huron will speak.

At 4 o'clock the Lowell and Saranac base ball teams will struggle

for the best part of a \$25 purse. Both games will be hot ones and the outcome will be awaited with much interest.

The committee of arrangements is endeavoring to secure the justly celebrated concert band of nineteen pieces from Owosso, and expect to succeed, though it will mean a large expense to the business men of Lowell. In any event, good band music will be provided throughout the day. In addition to this the indefatigable Saranac Martial band will render the stirring war-time airs with fife and drum for the benefit of the old vets and those who remember when the music of the fife and drum moved a nation.

Everything on the program free. No tiresome standing around. Seats and tables at Island park, 600 chairs at the opera house and the grand stand at the ball ground. The boarding stables have made a rate of 25 cents per horse for the day.

The advertising committee has placed ads. in the Belding, Saranac, Clarksville, Caledonia and Freepport papers, in addition to the dodgers circulated in Lowell Saturday and the large bills which have now been posted throughout the village, township and vicinity. Flyers giving more complete details will doubtless be forthcoming soon.

From present indications it is safe to say that all roads will lead to Lowell on Wednesday, Sept. 10.

At a committee meeting last evening it was decided to ask the business places to close from 12 to 3. H. Nash and E. R. Collar were appointed to interview the business men accordingly, and this morning report that such an agreement has been reached.

KEREKES ARRESTED

CHARGED WITH ATTEMPT TO POISON

George Merritt, a Farmer Living Near Saranac.

Bailey Kerekes, who lives with his family just east of this village, was arrested this morning by Deputy Sheriff Smith, of Ionia, on a warrant issued by J. Clyde Watt, circuit court commissioner, charged with attempting last February to poison George Merritt, a farmer living near Saranac.

The officer could not or would not give any information as to the evidence leading to the arrest; but stated that he would take Kerekes to Ionia on the 3.28 train.

Mr. Kerekes claims entire innocence of the charge against him, and says he knows nothing whatever of the case. His father charges that the arrest is due to spite work.

By the public it will be regarded a "feeler" for developments in the Klumpp case; and the outcome will be anxiously awaited with the hope that the whole truth will come out, the innocent cleared and the guilty convicted.

Bad Accident.

While grinding bean knives at the big power grindstone in the machine shop of Squires and Speaker, last Saturday, E. A. Speaker was struck across the nose and eyebrow by the knife and badly gashed. Dr. Greene took two pieces of bone from the nose and stitched up the cuts. Ed. is doing nicely, and will not be disfigured.

It seemed that the hooks which held the knife in the bearing frame worked loose and the rapid motion of the stone did the business for Ed., who after all congratulates himself that it might have been worse.

BIG DAY IN PEACHES.

Fifteen Carloads Shipped From Lowell Monday.

Fifteen carloads, or about 4500 bushels, of yellow peaches were shipped from Lowell Monday, prices paid ranging from 30c to \$1.25 per bushel, the average price being from 60c to \$1.00.

Several buyers are here from abroad, two gentlemen shipping carload lots to Boston.

Tuesday, Wednesday and to-day the rush continues unabated. One of our prominent buyers assures us that better prices are paid here than in Grand Rapids. In proof of this, one Lowell man is buying in the Grand Rapids market all the time; and the head of one Lowell firm has been buying there this week, giving the reason that he can buy cheaper there than in Lowell.

This morning a buyer for Providence, Rhode Island, is in the peach market making up a two carload lot.

MATRIMONIAL.

Grace Stuart of Clarksville-Fredrick Godfrey of Lowell.

On Monday, Sept. 1, at 6 p. m., at the residence of the bride's mother, Mrs. Elizabeth Stuart, of Clarksville, occurred the wedding of Grace Mabel to Frederick Godfrey of Lowell, Rev. Mr. Flint officiating.

The happy couple left for Chicago on a brief wedding trip, and are expected to come this evening to Lowell, which is to be their home.

GOOD ROADS MEETING GOES
An old story in this paper the
good roads meeting which has been
breeding for some time, will be
held in Lowell next week Wednesday,

WORKING STATE CONVICTS IN GANGS
On the roads, where tried, has not
proved satisfactory owing to fre-
quent escapes of the prisoners. In
New York state, however, county
prisoners have been employed on
the highways with good results as
to work and its economy.

A PARSON'S NOBLE ACT.
'I want all the world to know,'
writes Rev. C. J. Budloff, of Ash-
away, R. I., 'what a thoroughly good

Electric Bitters. They cured me of
jaundice and liver troubles that had
become great suffering for many
years. For a genuine all-around cure
they excel anything I ever saw.'

Do not permit the use of clay-

a waste of energy and money.
Let our business plans be suit-
ably decorated on Wednesday next;
and then from noon until three or
four o'clock let them be closed,
while everybody goes to the picnic
and join with our guests in a genu-
ine good time. Remember these
points.

THE PARALYSIS AND IMMINENT DEATH
OF JUDGE DURAND, candidate for
governor, is a sad blow to the hope
of thousands of people, and a great
loss to the State. The statement
of his physicians that but for his
nomination and consequent care and
worry "he might have lived com-
fortably for years," reminds us that
contrary to his own oft-expressed
wishes for the peace and quiet of his
home, he was prevailed upon to
obey the public mandate. Thus he
has, in all probability, sacrificed
years of his life in deference to the
election of the people on the most
important question of good roads.

HER SUFFERINGS ARE OVER

Mrs. Story's Brave Fight for Life Ended at Last.

The many friends of Mrs. Etta Story will be pained to hear of her death; which occurred Monday evening, Sept. 1. She had been a sufferer with typhoid fever for several long weeks, having contracted the disease while caring for her brother's family. From the first, all that loving hearts and kind hands could do was done for her, but their efforts were unavailing. About three weeks ago it was thought she could not live but she rallied and made a brave fight for life and until last Sunday her friends supposed that she was on the way to recovery but she gradually grew worse from then until the end came.

Mrs. Story, whose maiden name was Etta Mathews, was born in New York state, March 12, 1853. She came to Lowell township when about three years of age. At the age of sixteen she united with the Baptist church and has ever since been a constant and faithful member.

July 3, 1878 she married Frank Story and they resided in South Boston until his death, June 10, 1896. About four years ago, Mrs. Story, with her two daughters, moved to this village, which has since been their home. Besides the two daughters, Mrs. Ruby Godfrey and Miss Alice Story, she leaves two sisters, Mrs. Frank Hodges of Grand Rapids and Mrs. Albert Kent of Boston township and one brother, John Mathews, who is now seriously ill of the same disease at U. B. A. hospital in Grand Rapids.

Mrs. Story was a kind and loving mother and a friend to everyone and was highly respected by all who knew her and the now doubly orphaned sisters have the sympathy of the whole community.

Funeral services were held in the Baptist church yesterday afternoon, conducted by Rev. D. B. Davidson and the remains were interred in South Boston cemetery by the side of those of her husband.

Not Doomed For Life.

"I was treated for three years by good doctors," writes W. A. Greer, McConnellsville, O., "for piles and fistula, but when all failed, Bucklen's Arnica Salve cured me in two weeks." Cures burns, bruises, cuts, corns, sores eruptions, salt rheum, piles, or no pay. 25c at D. G. Look's drug store.

Orris Randall and nephew of Grand Rapids visited the former's parents here Sunday and Monday.

Take Care of the Stomach.
The man or woman whose digestion is perfect and whose stomach performs its every function is never sick. Kodol always cleanses, purifies and sweetens the stomach and cures positively and permanently all stomach troubles, indigestion and dyspepsia. It is the wonderful reconstructive tonic that is making so many sick people well and weak people strong by conveying to their bodies all of the nourishment in the food they eat. Rev. J. H. Holladay of Holladay, Miss., writes: "Kodol has cured me. I consider it the best remedy I ever used for dyspepsia and stomach troubles. I was given up by physicians. Kodol saved my life. Take after meals."
