LIVED IN KEENE 47 YEARS

Mrs. Wm. Hawley Died Last Friday, Aged 76 Years.

Elizabeth Petrie was born Feb. 4, 1827, in Brant Co., Ontario, and married William Hawley, Dec. 11, 1849. They moved to Michigan Feb. 15, 1856, and settled in the township of Keene, where they have since resided. To them were given six children, of whom three preceded her to the other world. Mrs. Hawley united with the M. E. church many years ago and remained a member until she was called away at 2 o'clock, Friday morning, March 27, 1903.

She leaves a loving husband, one daughter, Mrs. Maria Coffman, of Marinette, Wis., two sons, Hiram E. of Lowell, and William A., of Keene, and many other relatives and friends to mourn her loss.

The funeral was held from her home in Keene, Sunday, March 29, 1903, at one o'clock, P. M., conducted by Rev. J. H. Westbrook, interment in the Pinkney cemetery. There was a very large attendance of friends and neighbors at the funeral, showing the esteem in which the departed was held. Another of the early settlers has gone. —(COM.)

THE X-RAY HAS COME

WONDERFUL MACHINE AT DR. MCDANNELL'S OFFICE

Which Enables a Person to See His Own Bones.

The wonderful X-Ray machine has come to Lowell and any of our readers who have a desire to see how they would look when divested of clothes and flesh can be accommodated at the office of Dr. McDannell.

By the aid of this scientific, electrical device the bones of the human body are plainly seen through the flesh and foreign mineral substances are easily located. In this way those who are so unfortunate as to receive bullets in a forcible manner can have them located without probing. A silver dollar held in the closed hand or behind a board, thick book or man's body is easily identified.

If you can catch the doctor when he is at leisure, he will doubtless exhibit his pet machine, and give you a view of your inner man.

The rapid progress made by the use of the X-Ray in medicine in the last three years has induced Dr. McDannell to install in his office an up-to-date electrical equipment, including the above machine and a standard galvanic and a fradic outfit. These are used in the diagnosis of diseases and injuries and in treatment of cancers, rheumatism facial blemishes, etc.

Let us think this a patent medicine advertisement we will close by advising you to see the new machine.

DANIEL W. NEWCOMB

Lived in Lowell Twenty Years, in Saranac Thirteen Years.

Daniel W. Newcomb was born in Duart, Ont., Dec. 22, 1834, and died of Consumption at his home in Lowell, March 26, 1903; aged 68 years, 3 months and 4 days. He came to Michigan in 1864, and was married to Miss Esther A. Bradish, in Ionia, Dec. 17, 1866. To this union four children were born, three daughters and one son. With the wife two daughters survive him: Mrs. Urie Howe of Grand Rapids and Mrs. Geo. Brown of Marion. Bertha died Oct. 4, 1873, and Willie Feb. 17, 1888. He also leaves three brothers in Ontario.

Mr. and Mrs. Newcomb moved to Saranac in 1870 where they resided about thirteen years, moving to Lowell in 1883, where they have since resided. Mr. Newcomb was foreman in the R. Marshall cooper shops for years, having been in the employ of Mr. Marshall for thirteen years. At the time of his death he was foreman of the King Milling company shop. His motto in life was "Honesty is the best policy," always preferring to be wronged rather than to wrong a fellow man. His quiet unassuming manner won for him many friends, who with the immediate family mourn their loss.

The funeral services were held in the home by Rev. Charles Neuse, who selected for his text, "We spend our years as a tale that is told."

The body was taken to Saranac and laid to rest in the cemetery there.
