NOT AFRAID OF GETTING WET

METHODIST BROTHERHOOD HAD GOOD TIME AT SUPPER.

W. S. Winegar Presided. Rev. S. T. Morris of Grand Rapids Principal Speaker.

In spite of a driving rain-storm last Friday evening about sixty men sat about the tables at the supper of the Methodist Brotherhood and enjoyed a good "feed."

After the wants of the inner man had been satisfied President H. J. Coons called the assemblage to order and introduced the toastmaster W. S. Winegar...

Elmer S. White sang "My Wild Irish Rose" and Clarence Collar responded to the toast "The Young Man and the Church."

A. A. Dickerson was introduced as one who had seen much of the rough side of life in an experience of many years in the pines of Northern Michigan and who had "come out of it clean."

Harley Maynard was at his best in the fine song "Sweet Thoughts of Home."

A. D. Oliver followed with a talk on "The Appeal to the Masculine in Christianity" and Messrs. Hicks and Maynard sang "Larboard Watch."

Much disappointment was felt by the committee the afternoon before on receipt of a telegram from Rev. G. W. Jennings of Owosso saying that death and a funeral made it impossible for him to fill his engagement for this occasion...

TEMPERANCE TALKS

Capt. VanEtten of South Dakota Stirs the People Up.

Capt. O. R. VanEtten of Highmore, South Dakota, a veteran of the Civil war and a life-long temperance worker, delivered some telling slogans against the liquor traffic in Lowell Sunday and Monday.

He held forth to a full house at the Methodist church Sunday morning, Pastor Bready giving over his regular preaching service to make way for the hale old stump speaker from the West who in spite of his 75 years declares that he feels more like 25.

Instead of taking a text from the Bible he sang the touching song, "Save, Oh Save My Boy," and announced that as his theme. Then followed an hour's rapid fire talk abounding in sharp sayings, unique expressions and in scathing arraignment of the liquor traffic, referring enthusiastically to the temperance work that has been sweeping over the country during the past two or three years and prophesying if it continues for five years more that the rum demon will be driven from our land.

Sunday evening before a union congregation, another temperance address was given at the Congregational church; and the work in this line closed with a rousing lecture at the Baptist church Monday evening.

Monday morning at nine o'clock, before the assembled pupils of the Central school a number of the local veterans and some other citizens, Capt. Van Etten gave a half hour's description of the battle of Gettysburg, graphically illustrated by a blackboard sketch of the battlefield. It was a great opportunity for the pupils and for the older people as well, and the Captain merited the hearty encore he received at the close of his address.

Business men all over the country are organizing against fake advertising schemes of all kinds. Newspaper advertising covers the ground completely, nothing so good, nothing cheaper. and patronage, but simply states that it has always been his desire to have his stock in his home town where he has been in business for the past 42 years.

He also states that rather than move his entire stock, he will throw it open to the public and sell any shoe, oxford or rubber at actual wholesale prices, because as he says

It is easier to move money than goods. Many of his spring goods, such as light fine shoes, oxfords and work shoes are already in, but all go into this sale.

Now is your time to shoe up yourself and family at actual factory prices. He will give no more credit to anyone and all accounts must be paid to him by March 15, 1909, or be placed in the hands of S. P. Hicks for collection.—[Com.]

SCHOOL NOTES.

Furnished by E. J. Martin, Superintendent of Schools.

Last Monday morning Mr. S. P. Hicks presented to the high school an illuminated copy of Lincoln's famous address at Gettysburg. This address, printed in gold letters on the nicely illuminated background, makes a picture about 16 by 20 inches and comes as a very acceptable gift at this season of the year.

The high school and grammar grades were given a great treat last Monday morning when Capt. Van Etten addressed them for three quarters of an hour on the great battle of Gettysburg. A number of citizens, among them members of the G. A. R. and W. R. C. came to hear the address.

The captain gave a graphic description of the greatest battle ever fought on American soil; after which the school was presented by Mr. Hicks with a neatly framed copy of the immortal address delivered by Lincoln at the dedication of the national cemetery at that place.

Miss Oliver, teacher of grades one and two at the west ward, has procured a fine picture of Lincoln for her school room.

Last Wednesday at the opening of the afternoon session, Mr. Hicks gave a talk before the high school on the manner of proceeding at law in civil cases. This address was especially opportune as members of the civics class are preparing a mock trial. It is taking some work to prepare for this, but the lessons will be better learned while going through with the preparation and trial.

Lincoln program will be given this week Friday afternoon in the high school, grammar grades and ward schools.

The program in the high school will begin at 2:00 o'clock in the afternoon, those in the grades at 2:30.

We shall be pleased to have company attend these exercises.

Those who ranked first in the different grades during the month of January are as follows—eighth grade, Gladys Raymond; seventh grade, Florence Yelter; sixth grade, Edna Knight; fifth grade, Marion Oliver and Carl Bank; west ward, fourth grade, Oswald Berry; third grade, Goldie Collins; second grade, Erhart Bank and Christopher Leonard; first grade, Imbert Kallinger; east ward, fourth grade, Lucretia Nicholson; third grade, Thelma Peckham; second grade, Gladys Walker; first grade, Donald Cameron; south ward, fourth grade, Orison Wildfong; third grade, Beatrice

From Our Point of View

IN VIEW of the fact that the Standard Oil company has been indicted and convicted several times for illegal practices and the further fact that the general government under direction of President Roosevelt is still after the company, Van Hook's attempts to belittle the evils of the oil octopus do not add force to his attacks upon the greater evil—the liquor traffic—but on the contrary detract from them. Few people need convincing that the sale of alcoholic drinks is the greatest evil and it is entirely unnecessary to minimize lesser evils in order to magnify a greater one. The LEGISLATOR has been a temperance worker himself for many years—if fewer than those of Capt. Van Hook's—so that he has lived long enough to know that the liquor traffic is not the lesser evil because we recognize that the earnest oil reformer is a power for good, and we can see that the point named in his address is a source of weakness rather than strength.

There are millions of good men and true who believe that Rockefeller's Standard Oil crowd, the best trust, the paper trust and the whole rascally, thieving set, are a bad lot from a to z and there is no adequate excuse for Capt. Van Hook or any other who are guilty of the same. It is entirely unnecessary to minimize lesser evils in order to magnify a greater one. One of the divisions for self-culture is to talk every day with some one who knows more than yourself. Most of us will have no difficulty in finding people of that caliber; and if we are not so fortunate ourselves as to make the exchange of ideas to our owned, we can find the same kind of help in the form of books. It is not necessary to minimize lesser evils in order to magnify a greater one. The LEGISLATOR has been a temperance worker himself for many years—if fewer than those of Capt. THE increase of drunkenness and death at the Soldiers Home since 1915 has been a matter of concern to many of our citizens, and it is not surprising that a committee of the board of trustees of the home has been organized to investigate the cause of the trouble. It is not surprising that a committee of the board of trustees of the home has been organized to investigate the cause of the trouble. It is not surprising that a committee of the board of trustees of the home has been organized to investigate the cause of the trouble.

JUST notice that J. B. Nicholson says that 5-day study tour in Oregon was "real wet." You may not know it but some of those Western wet-footers claim that with 14 days rain a little more is not too much. It is not surprising that a committee of the board of trustees of the home has been organized to investigate the cause of the trouble.

PERHAPS of the Central school board at Van Etten Monday morning and who are living 55 years from now—and some of them will remember with a shudder the time when they were in that battle that in their youth back in Lowell they heard a description of the great conflict at Gettysburg from the lips of a participant in it.

THE demand for sobriety will soon be universal. Corporations and business concerns want none but sober men; and now Uncle Sam is bounding high and ranting about officers and drunks. Let every young man read the handwriting on the wall. Tinkle at your peril.

Dr. Kroe's Favorite Prescription is a positive cure for weakness and disease of the feminine organism.

IT MAKES WERE WOMEN STRONG, SICK WOMEN WELL.

It alleviates inflammation, heals ulceration and soothes pain, restores the system, cures nervous prostration, restores the motherhood. Menstrual disorders and all the ailments that attend upon the female system are cured by this medicine.

It is non-narcotic. They probably know of some of its "just good" results. It is the only medicine that has been used for over 50 years. It is a positive cure for weakness and disease of the feminine organism.

Van Hook's—so that he has lived long enough to know that the liquor traffic is not the lesser evil because we recognize that the earnest oil reformer is a power for good, and we can see that the point named in his address is a source of weakness rather than strength.

As Miss Hood daughter of Albert Hood of South Boston was starting to drive home early Sunday evening on the depot road she met a young couple in another buggy who were evidently paying more attention to each other than to their driving. Where there's a will there's a way. Sick headaches are caused by indigestion and general disturbed condition of the stomach.

Cure the indigestion, and the headache, nausea, heartburn, sour stomach, and that "all in" feeling will vanish.

MI-O-NA tablets will cure indigestion or any other stomach ailment, by putting new life and energy into them that he will give you your money back if they don't.

MI-O-NA cures by making the stomach strong enough to digest its own food, by putting new life and energy into the overworked and played out walls of the stomach.

Use MI-O-NA for a week, and you can eat what you want any time you want it and take pleasure in doing it.

Your blood will be richer, redder, purer after taking MI-O-NA, 50 cents a large box.

Hard, dull headaches, a large amount of gas on my stomach, and heavy pressure after eating had given me no little annoyance and suffering. Using MI-O-NA, I soon obtained relief from my sufferings, to such an extent, that I am pleased to endorse the MI-O-NA, 50 cents a large box.

PARISIAN SAGE CURES DANDRUFF

If It Don't M. N. Henry Will Give You Your Money Back

Yes, Parisian Sage, the most invigorating hair restorer, cures dandruff and grows hair. The women of America, who have luxuriant hair, know it does, and that is why thousands of attractive women throughout the land are regularly using it.

For years this almost marvelous grower of lustrous and beautiful hair was confined to the elite of European New York City, but about two years ago it was given to a select list of druggists, and today can be obtained in any city or town where society women of refinement dwell.

Parisian Sage is the most delightful hair tonic in the world. It makes the hair soft, lustrous and luxuriant in a few days. It is perfumed most delicately and is not sticky or greasy. It stops falling hair, cures dandruff and itching scalp in two weeks or money back.

M. N. Henry sells it for 50 cents a large bottle, and guarantees it, or direct, all charges prepaid, by American makers, Groux Mig. Co., Buffalo, N. Y.

THEY INJURE CHILDREN

Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowels medicine should ever be given. Ordinary pills, cathartics and purgatives are too apt to do more harm than good. They cause griping, nausea, and other distressing after-effects that are frequently health destroying and a life lasting annoyance.

We personally recommend and guarantee Rexall's Orders as the safest and most dependable remedy for constipation and associate bowel disorders. We have such absolute faith in the supreme virtues of this remedy that we sell it on our guarantee of money in instances where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall's Orders contain an entirely new ingredient which is odorless, tasteless and colorless. It embraces all the best qualities of the soothing, laxative, strengthening and healing remedial active principles of the best known intestinal regulator tonics.

Rexall's Orders are extremely prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very natural action upon the glands and organs upon which they come in contact, act as a positive and regulative tonic upon the relax, dry muscular coat of the bowel, remove irritation dryness and soreness, overcome weakness, and restore strength to the nerves and muscles, and restore the bowels and associate organs to more vigorous and healthy activity.

Rexall's Orders not only cure constipation, but they remove the cause of this ailment. They also overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no similar medicine so good as Rexall's Orders, especially for children, aged and delicate persons. They are prepared in tablet form and in two sizes of packages; 12 tablets, 10c., and 36 tablets, 25c. D. G. Look, Lowell.

EAT SAUSAGE AND NEW BREAD.

OR ANY FAVORITE FOOD WITHOUT FEEL OF INDIGESTION.

Distress From Dyspepsia or a Disordered Stomach Vanishes Five minutes later.

You can eat anything your stomach craves without fear of a case of indigestion or dyspepsia, or that your food will ferment or sour on your stomach if you will occasionally take a little Diapepsin after eating.

Your meals will taste good, and anything you eat will be digested; a thing can ferment or turn into acid or poison or stomach gas, which causes Belching, Dizziness, a feeling of fullness after eating, Nausea, Indigestion (like a lump of lead in stomach), Illnesses, Heartburn, Water-brash, Pain in stomach and intestines or other symptoms.

Headaches from the stomach are absolutely unknown where Diapepsin really does all the work of a healthy stomach. It digests your meals when your stomach can't. Each triangle will digest all the food you can eat and leave nothing to ferment or sour.

Get a large 50-cent case of Pape's Diapepsin from your druggist and start taking today and by tomorrow you will brag about your healthy, strong stomach, for you then can eat anything and everything you want without the slightest discomfort or misery, and every particle of impurity and gas that is in your stomach and intestines is going to be carried away without the use of laxatives or any other assistance.
