ALL SORTS AND COMBINATIONS OF PEOPLE have come here to be photographed, and we have yet to hear from a single dissatisfied visitor.

To Florida some people go To escape the cold and the snow. 'Tis no comfort to roam. A Round Oak Furnace at home. And winter you never will know.

There is great comfort and satisfaction in owning a warm air furnace that gives you a perfectly heated home. That's the way that you feel and stay by you a life-time, sound and good.

We know it is best for our customers and best for us to sell a furnace of highest quality and advocate first class correct furnace work.

A furnace is not a permanent investment. Just like good plumbing. Cheap plumbing is a very bad thing with a cheap furnace. The difference in the cost of a cheap and a good furnace is very little, after all, and when you take into consideration the fuel saved by the ROUND OAK and its durability, it is not long before you are ahead and you keep getting ahead instead of continually getting worse off.

The question really is, which is best and cheapest for you in the long run. We say the ROUND OAK and will help you to decide.

We make plans and estimates free and give all inquiries prompt attention.

Now is the time to have your furnace installed and get the matter of your hands before cold weather begins.

## J. H. WITHEY DEAD

Prominent Cascade Pioneer Passed Away Saturday.

The funeral of John H. Withey, who died Saturday night at his home in Cascade township, was held at 2 o'clock Tuesday afternoon at the house. The services were in charge of Ada lodge No. 80 F. & A. M., of which he was a member, and interment made in Cascade cemetery.

Mr. Withey was for over 70 years a resident of Kent county, coming to Grand Rapids when but 5 years of age from St. Albans, Vermont, the place of his birth. During his long life he was active in politics, being affiliated with the Democratic party. He was the party's nominee for sheriff on one occasion and was later candidate for judge of probate. His personal popularity failed to make him a successful candidate for a county office, but in his township he was more successful and served a number of terms as supervisor of Kent County Farmers' Mutual Insurance company and was for a year master of the Ada lodge, F. & A. M.

Mr. Withey was intimately connected with the affairs of the county in pioneer days. Before the days of the railway and when the Grand river was a navigable stream, he conducted the Ada hotel in Ada township. A year later, in 1853, he was owner of a grain elevator in Ada, where grain was stored for shipment to Lake Michigan.

Mr. Withey is survived by his second wife, Mrs. Mary Dumeau Withey, and by two sons and three daughters, Frank Withey of Grand Rapids, Roy Withey of Portland, Oregon, Mrs. Belle Sexton and Mrs. Charity Mallory of Cascade and Mrs. Genevieve Hains of Los Angeles. (Grand Rapids Herald.)

J. S. Hooker, who went to school with Mr. Withey, and who has known him ever since, speaks of him as a kind and indulgent husband and father and a true friend, who even in his early life came to the front in business, social and political lines and was for many years identified with most of the improvements in Kent County.

## CIGARETTE LAW

Criminal Offense to Sell or Give Cigarettes to Minors.

It may not be generally known that the last legislature enacted an anti-cigarette law which makes it a crime for "Any person to sell, give or in any way furnish cigarettes in any form to any person under twenty-one years of age." Violations of this law are punishable by a fine not to exceed fifty dollars, or imprisonment in the county jail not to exceed thirty days for each offense.

Persons under twenty-one are not permitted to smoke cigarettes "in any public highway, street, alley, park or other lands used for public purposes or in any public place of business." Violators of this law may be arrested and fined ten dollars or imprisoned five days for each offense.

Minors arrested for smoking may have sentence suspended by giving information as to where they obtained the cigarettes.

All persons are forbidden to harbor minors engaged in breaking this law, but the rights of parents and guardians over their children within the bounds of their premises are not affected by this law. (Belding Banner.)

## The Girls Entertained.

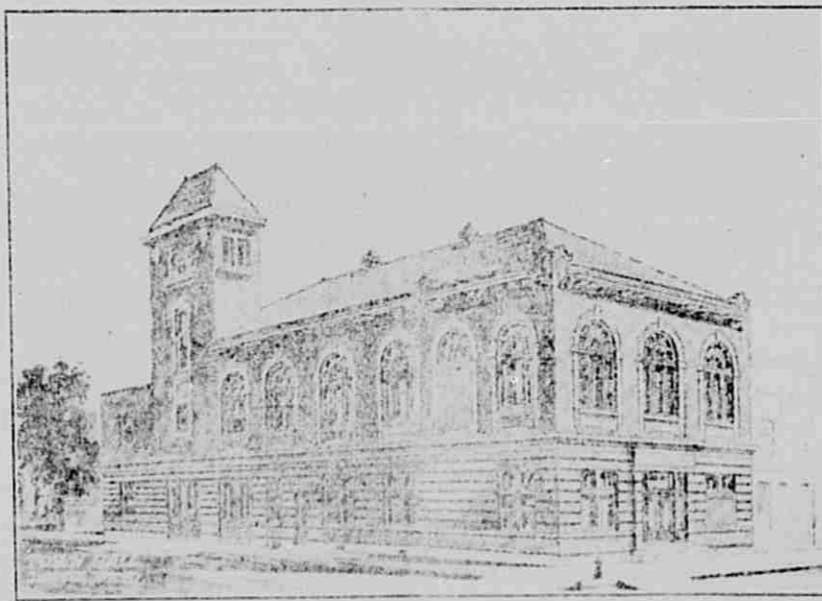

Twenty-four girls entertained with a dancing party to the gentlemen in the Train block last Thursday evening. The hall was prettily decorated with hundreds of pennants and black-eyed-susans, and the chandeliers were trimmed with yellow crepe paper.

Promptly at 9:30 to music furnished by Mrs. R. W. Stone and Bruce Crawford the party opened with a grand march led by Mr. and Mrs. John S. Hooker.

After twelve o'clock a luncheon was served at Eglow's bakery. Those present from out of town were Messrs. Jim Cayamanga, Flint F. Yoder, Chicago; Leo Walsh, Grand Rapids and Miss Aileen Carey of Grand Rapids.

## Methodist Quarterly Conference.

The fourth quarterly conference of the M. E. church will be held Thursday of this week at Mercantile hall. The official members of the Lowell and Bailey churches will meet at noon for dinner, and at the close of the dinner, district Supt. Dr. Chase will call the conference to order, to receive the report of this year's work, and to elect officers for both churches for the coming year.

## WORK ON CITY HALL BEGINS AT ONCE.

Wright & Prall of Ionia secure the contract at \$63,000. Highest Bid was \$103,317. Result of Hard Work by Council.

Wright & Prall of Ionia building contractors will erect Lowell's handsome new city hall, a cut of which is shown herewith. The figure at which the job is taken is \$13,000, which is \$3,314 less than the highest bid.

The decision was reached at an informal meeting of the Council last night with all present but one. The agreement will have to be ratified at a regular formal meeting, but the contractors will proceed with the work, beginning the last of this week or the first of next.

Wright & Prall's first bid was \$14,164.57. Other bids were: George Hooker, Grand Rapids, \$14,724; Ellison Construction Co., Muskegon, \$15,350; A. W. Morgan, Grand Rapids, \$16,347.

The above simple statement represents weeks of hard work by our Village President and Council. Since the election July 16, meetings have been held almost daily and nightly and on Sundays as well. The trouble was that the architect gave us too good a plan for our money. However, the job has been let a big saving from higher bids without sacrificing a single essential and the thanks of the public are due our faithful officers.

It should be added that the Council has decided to use Saginaw red paving brick, while the specifications called for a lime and sand brick. The paving brick cost \$300 more than the other but will last forever, while the cheaper brick is perishable.

## HAD A GOOD TIME

Oddfellows, Rebekahs and Friends Did at Lake Odessa.

About 130 Lowell Oddfellows, Rebekahs and friends took in the annual picnic at Lake Odessa Monday. While the attendance was not equal to that at Lowell last year the members of the orders report an excellent time.

The Rebekahs carried off the honors in the sports, three prizes coming to Lowell, while our local Oddfellows didn't get a "smell."

"No, not one. No, not one." "Hooray for the women!" Mrs. Walter Maynard scored first in the nail-driving contest and captured a nickel coffee-pot. Miss Lavanch Wright proved herself a sprinter and won first in the ladies' foot race. Her prize was "just too sweet for anything." 5 pounds of candy.

Mrs. E. S. White couldn't be blamed for giving a little "slippy" now, for she got second prize in the needle-threading contest—a pair of scissors.

Lonia put in a bid for the picnic next year, but the matter was not settled at Lake Odessa.

## BEAT CRESCENTS

Lowell Wins from Another Grand Rapids Team 5 to 4.

In the last of the seventh Lowell tied it up on a hit by McQueen and a couple of errors. In the ninth McQueen got on with the help of the third baseman went to second when Speaker got hit and scored on Collar's third hit of the game.

## LADY MACCABEE DOINGS

Had One Good Time and Have Another Coming.

The L. O. T. M. M. held a very pleasant reception Saturday afternoon in honor of Mrs. Sheer and Mrs. A. Alberts both of whom are about to remove from Lowell. The lodge room was beautifully decorated with cut flowers. A fine program was given, after which refreshments were served. Both ladies received pretty gifts from the live to take with them to their new homes to remind them of the love and esteem in which they are held. Those who were not there missed a very enjoyable time. Every lady Maccabee in town is cordially invited to spend the day at the country home of Mrs. Jay Friday, September 10. Meet at the lodge room in the morning at 9:30, where conveyances will be provided to carry all who come. Be sure and bring your basket with something good to eat in it. ### NOW ON STRIKE

Millions of Stomachs Refuse to do Their work properly

All over this broad land millions of stomach owners are being held in humiliating subjection just because they are so stubborn that they will not accept a fair, square and broad minded offer.

M. X. Henry has a famous prescription called M-O-N-a and he believes so thoroughly in its remarkable curative power that he says to every owner of a distressed stomach that he will guarantee M-O-N-a tablets to cure acute or chronic indigestion and all stomach ailments or money back, and the price is only 50 cents a box.

And still there are stubborn people right in Lowell who won't accept this offer, but continue to suffer from gas on stomach, belching of sour food, stomach pains, foul breath, dizziness, biliousness and headaches, just because—just because—that's all, there is no other reason.

M-O-N-a tablets stop dyspeptic agony in five minutes; they cure obstinate cases of indigestion, and turn the old stomach into a new one in a few weeks, or money back.

We can do that job of printing for you now at The Ledger office.
