CORNER STONE LAID

By Masonic Grand Lodge in Howling Snow Storm.

Braving a fierce wind and snow storm Tuesday afternoon the Masonic grand lodge of Michigan with impressive ceremonies laid the corner stone of the new city hall, while members of the local lodge, of other fraternities, citizens and a large body of pupils of the Lowell schools, shivered in the first howling blasts of a Michigan fall.

Grand Master Arthur E. Hume of Owosso.

Lead by the Lowell band a delegation of Lowell Masons met the Grand officers at the hotel and escorted them to the city hall corner, showing the same courtesy at the close of the ceremonies.

Addresses were expected by Senator W. A. Smith and Rev. Russell H. Bready of Grand Rapids but owing to the inclement weather were dispensed with.

The grand lodge officers present were Grand Master Arthur E. Hume of Owosso, Deputy Grand Master J. R. Swift of Adrian, Senior Grand Warden Jas. E. Dillon of East Tawas, Junior Grand Deacon William M. Perrott of Detroit, Grand Marshal George E. Lusk of Bay City, Grand Secretary Lou B. Winsor of Reed City, Grand Chaplain Rev. William Gallagher of Saginaw, Grand Tyler James F. McGregor of Detroit and Grand Lecturer Frank O. Gilbert of Bay City.

Following is a list of articles deposited in the corner stone, sealed in a copper box: History of the village of Lowell, Mich., and list of officers since organization, and items of local history and conditions at this date.

The local lodge and village officers and committees are entitled to much credit for the successful carrying out of plans under adverse circumstances.

Twenty-five of the schoolmates and young friends of Morrison Brighton gathered at the home of Mr. and Mrs. B. C. Smith, Tuesday evening, to help him with his algebra, "so help him with his algebra," as one of the party remarked. He was not expecting "help," and was taken by surprise. Games were played by the young people and the party broke up at an early hour.

The following Lowell "sports" attended the championship games between the Pittsburg and Detroit teams at the latter place Monday and Tuesday: E. D. McQueen, R. VanDyke, J. E. Tinkler, Geo. Lally, W. Dollaway, Will Doyle, Frank Byrne, Will Hartman and another who says "keep mum."

Farmers' institutes will be held in this vicinity in January as follows: Caledonia Jan. 7, Alto Jan. 9, Paris Jan. 11, Grattan Jan. 12, Lowell Jan. 14, Casende at a date not yet set. Round-up in Grand Rapids Jan. 25-26.

Mrs. A. M. Andrews is attending the State Foreign missionary convention at Bay City this week as delegate from the South Boston church.

Miss Anna Lally is clerking at E. R. Collar's.

Ed. Flynn of Grand Rapids spent Sunday with his family.

KILLED BY THE CARS

Arthur Zavitz of Rothbury Run Over at Alto Saturday Night.

Identified by means of a postal card bearing his name, the body of Arthur Zavitz—who was killed by a Pere Marquette train at Alto Saturday night—after lying since Sunday in the undertaking rooms of Yeiter & Wadsworth in Lowell, was claimed Tuesday by his father George Zavitz of Rothbury, Oceana county and a brother from Muskegon, and yesterday morning was taken to the father's home, north of Montague.

The dead man was 28 years old. His body was found beside the Pere Marquette tracks at Alto Sunday morning, with his head and shoulders terribly crushed. Everything about the body indicated that Zavitz had been run over by a train. Several post cards were found in his pocket, one of which bore his name and it was the report of this in the daily papers, seen by a young relative of deceased, that led to the identification of the body.

Money to the amount of \$23.70 was found in Zavitz' pockets; and it is supposed that he met his death while on his way to Lansing to meet his sweetheart, but the exact cause of the accident will never be known.

We gather from remarks dropped by father and brother, that Zavitz was a wanderer, and but for the post card in his pocket, his fate would have been unknown.

Congregational Brotherhood Enjoyed Another Banquet and Social Night.

The Congregational Brotherhood last Thursday evening held one of the most enjoyable meetings thus far as an organization. The tables were well laden with choice foods, and the speaker of the occasion was one of those men that it is not only a delight to meet but to hear as well. Rev. S. E. Lassette of Conklin will have a welcome any time in the future.

After the social and banquet, a snappy business meeting was held showing that the Congregational Brotherhood is alive and its influence is going to be felt as a moral power for good. The next meeting of this organization will be on Friday evening, Nov. 5.

Fall Weather Sets in at Last.

Our warm climate readers will be interested in knowing that Michigan has enjoyed an ideal fall. We have gone on till mid-October without a killing frost in most localities, and farmers have had the finest weather imaginable for the reaping and harvesting of fall crops. On the tenth inst. sunshine began to give way to clouds, and rain and cold winds. On this morning of the 12th the still green trees and ground were white with a clinging, cottony snow and the rattling fall has set in.

Nora Francisco Very Well.

Nora, daughter of Chas. Francisco who lives opposite F. N. White's farm house, lies very low after three weeks illness with appendicitis; and little hope is entertained for her recovery. She is a winsome girl of 14 years and a member of the eight grade in the Lowell schools.

Woodmen Feasted and Jollied.

The Woodmen spent a happy time last Monday night. There was an initiation followed by a hearty supper that made all the members present, even the candidate, look satisfied. The resignation as Adviser of J. Guy Fletcher, who has served the camp faithfully for two terms, was accepted and J. Howard Payne was elected to succeed him. Neighbor Fletcher was given the Woodman honors as a slight expression of appreciation of the Camp for his efficient service, and in his removal from us he is wished success in his new home.

Weldon Smith of Grand Rapids was in town Friday. He says Lowell looks better than ever to him and that the activities here almost make him wish he was still with us. What's to hinder, Weldon?

Mrs. Ora Gibson of Grand Rapids spent the latter part of last week at the home of her father, and brother Will Burdick.

Miss Freda Malcom and daughter Abbie attended the play "Buster Brown," in Grand Rapids Friday.

Forrest Machan has resigned his position at M. N. Henry's drug store and returned to Grand Rapids.

Miss Freda Ecker recently was appointed by the school board as librarian and Miss Fern Loomis assistant.

Dr. G. G. Fowlesy of Toledo was in town a few days last week looking up the potato market.

Miss Kathryn Lally is putting in her spare time clerking at Payne's dry goods store.

Miss Roxey Denny leaves soon for Big Rapids where she will attend the Ferris institute.

Mr. and Mrs. John Crawford spent Sunday with friends at McCorls.

Special sale on sweater coats at H. J. Taylor's Saturday, Oct. 6. \$1.50 coats for 98c.

WELL ATTENDED

Was the Double-Header Reception to Incoming and Outgoing Pastors.

The inaugural-bilingual reception to Rev. Russell H. Bready and Rev. N. F. Jenkins last Friday evening was well attended and the exercises passed off pleasantly.

Mrs. Harold Weekes played a voluntary on the pipe organ and after a hymn by the congregation and a prayer by the retiring pastor, Miss Gertrude Kemp rendered a vocal solo.

Addresses of welcome were then delivered by Rev. W. D. Ogg in behalf of the Congregational church, President D. G. Look in behalf of the village and H. J. Coons in behalf of the Congregation.

Rev. Russell H. Bready then delivered his exhortational address and presented the keys to the church parsonage and hearts of the people to his successor, Rev. N. F. Jenkins, who responded in a happy manner.

The latter would heartily applaud from the congregation when he said that when prayer meeting and an important caucus fell on the same night, his—the preacher's—place as a good citizen was NOT in the prayer meeting.

The art window was then dedicated to the retiring pastor, W. A. Watts delivering an appropriate and loving address.

It was now nearly eleven o'clock, but the receiving line was formed on the platform by Rev. and Mrs. Bready, Mr. and Mrs. W. A. Watts, H. J. Coons, Harold Weekes, F. N. White, J. B. Yeiter, E. R. Collar, A. M. Andrews, W. S. Winger and Rev. Jenkins and family. Then everybody shook hands and exchanged kindly greetings; and the old was out and the new was in.

AGED MAN CRIPPLED.

Elder Hudson—Nonagenarian—Fell and Broke His Hip.

The venerable Elder Hudson aged 94 years fell from a door step on John Hawk's last evening and broke one of his hips. Dr. McDannell attended him; but on account of his great age it is unlikely that he will ever walk again.

Mr. Hudson has been a hale old man and frequently walked to the village.

His infirmity will be regretted by a host of friends.

CATHOLIC CHURCH.

CONGREGATIONAL

Sunday morning: "The ministry of good will." Isa 32:2 "And a man shall be as a hiding place from the wind, and a covert from the tempest, as rivers of waters in a dry place, as the shadow of a great rock in a weary land."

Brotherhood class at noon—Discussion, Peace plans and religious fanaticism.

For the next four or five Sunday evenings we will have a series of sermons on "Paul the Prisoner" wherein some of the mightiest defenses ever given laymen in his own behalf are to be studied. Begin next Sunday evening and do not miss any of them.

Special for Monday evenings. The church invites all who are at all interested to spend the evening with us. Occasion, a jubilee celebration, with refreshments. The principal feature will be the paying of every debt of the church. All receipts will be signed by the treasurer at this meeting. Full explanation and program given at the Sunday services.

Miss Marie Perry entertained a club of eight couples at her home Friday evening.

Local Option Petitions.

Owing to the fact that many citizens of Kent county do not understand the law relating to the signing and posting of petitions for a local option election, we quote a part of the requirement which is as follows: "31b. Sec. 4. To enable each and every elector to determine for himself if his name has been fraudulently attached to said petition, it is hereby required that the signatures of all the petitioners residing in any one and the same township, ward or election district shall be attached to one petition or list separate from those of any other township, ward or election district, and that an exact copy of said petition and of all the signatures thereto shall be posted in three of the most conspicuous places in said township, ward or election district for at least ten days immediately prior to its presentation to the county clerk. Every such petition shall be accompanied by a transcript of the poll list, if it can be procured, of the last preceding general election, held in such township, ward or election district, for at least ten days immediately prior to its presentation to the county clerk, and that be or they are personally acquainted with said petitioners and know that they reside within such township, ward or election district, and that the signatures are the genuine signatures of the persons signing the petition."

From which it will appear to all citizens that the petitions must be signed by the qualified electors of the township, ward or election district, and not by any other person for them, in other words, the signatures to such petition must be the genuine signature of the person signing.

ANOTHER SURPRISE

Arthur J. Avery Sprung One by Getting Married Last Saturday.

A very quiet wedding was solemnized at the home of Mrs. Helen Avery of this village when her son, Arthur J. was united in marriage to Miss Luella Gould of Los Angeles, Cal. Rev. Russell H. Bready officiated, the ring service being used. Only the immediate relatives of the groom were present. The house was decorated in Autumn leaves and carnations.

Immediately following the ceremony a wedding breakfast was served.

The bride formerly lived in Grand Rapids, removing with her parents to Los Angeles in 1907. She had been the guest of Grand Rapids and Lowell friends for the past two weeks.

Mr. and Mrs. Avery will be at home to friends after October 24 at 108 W. Division St., Dowagiac, Mich., where Mr. Avery is principal of the Central school.

THE BEST THING OUT

That's What Rev. Magdanz says of Local Option in Allegan.

Hopkins, Mich., Oct. 6, Lowell Ledger.

Dear Editor: I enjoy reading The Ledger and am glad for the stand you take in regard to local option. Just bang away at it. The saloon must go and I hope it will go in Kent county next spring. We fought a hard battle in Allegan county last spring and won by a large majority. Everybody is glad except a few old soaks who can't get it now. They still claim it does not prohibit.

If you want to know what local option has done for Allegan county in these few months ask our prosecuting attorney, Charles E. Hoffman or the business firms in Allegan or Hopkins or any other place in this county and they will tell you it's the best thing out.

With regards,
F. W. MAGDANZ.

Victory For Lowell.

Lowell easily defeated Lake Odessa in a slow game of football Saturday, by the score of 20 to 0. The four touch-downs were all made during the first half, then Lake Odessa strengthened and Lowell only succeeded in making a few long runs, and these proved to be of no value, as the ball was repeatedly lost to the opponents by fumbles.

Captain Belier was on the sick list and his absence naturally weakened the back field. Rhodes who took his place played a fine game however, but was slightly under weight. Collar and Langworthy as quarter and half-back, respectively played great ball, while Roberts more than regained his lost reputation as a full-back. The line too proved to be without a flaw, each player being in fine shape. Ruben in particular, a former substitute was given a trial in the game and proved to be a whirlwind, making himself a fixture as guard.

The Lake Odessa boys played a fine and square game, but some of them were new players, thus making it hard for their team-mates. They expect to make a better showing when Lowell plays in their town.—Com.

Mrs. M. N. Henry and daughter Alice and son Gerald attended the play "Buster Brown" in Grand Rapids Saturday afternoon.

I wish to sincerely thank all those who so kindly remembered me for the substantial birthday gift, the cards and flowers.

The Favorite Base Burner.

The stove that gives the greatest heat from the least coal is the one that saves money, and the one that saves money in coal bills is the one to buy.

The Favorite Three Plus Base Burner takes the place of a furnace in a moderate size house. There is no variation in the heat from the Favorite. Variable winds have no effect upon it, while increase in heat, required in cold weather, hardly affects the coal bill. So scientific is its construction, that every atom of heat energy is controlled and distributed with such uniformity as to vary but a degree or two in an entire day.

The average furnace consumes from twelve to eighteen tons of coal in a season. The Favorite Base Burner needs but from two and one half to four tons, with better results in heating the house.
