A NARROW SQUEAK

Lowell Light & Power Plant Damaged by Fire.

The Lowell Light & Power building narrowly escaped destruction by fire last Saturday evening; but thanks to the prompt response and heroic efforts of residents of that vicinity was damaged only about \$300.

At seven o'clock, Joe Shear, who was alone at the plant—Tom Morris being sick—abandoned his post and discovered a fire in the basement wall running up toward the switchboard.

He notified Mrs. Morris, whose home is close by, and she gave the alarm to Smyrna Central telephone office, who sounded the alarm, and called for help on all ten of the party lines in the vicinity of the plant; and the farmers thereabouts drove their teams to a lather to get to the spot.

Mrs. Morris got into the cold river up to her knees and stood there passing up water to the workers, and when Superintendent McMahon arrived at the plant 50 minutes after the lights went out, he found twenty-five people on the job. He says the work those folks did would have been a credit to an organized fire department.

Belding sent linemen to assist in rewiring and two hours after the fire started, with several inches of water on the floor, the current was turned on and Lowell people, with their good lights were rejoicing that a threatened calamity had been averted.

The fire was due probably to some fault in the wiring. The building and electrical machinery are insured.

Catarrh Sufferers

Good Thing to Know How to Get Instant Relief

If you now own a Hyomei hard rubber inhaler M. N. Henry wants you to know that he will sell you a bottle of HYOMEI for only 50 cents. Remember this, all who suffer with catarrh (a bottle of HYOMEI) is put up in a separate package and sold for 50 cents to accommodate the vast army of people who already own a Hyomei inhaler.
M. N. Henry will sell it to you at that price and give you the opportunity to begin at once to rid yourself of vile catarrh and the snuffling, hawking and spitting that go with it.
Many people through years of neglect have let catarrh get a strong hold upon them. Some of these people unreasonably think that one bottle of HYOMEI ought to cure them.
They do not stop to think that a diseased condition is the result of negligence cannot be overcome in a week.
No matter how chronic your catarrh troubles, HYOMEI is guaranteed by M. N. Henry to cure them if you give it half a chance. Just breathe it, that's all, and its healing, soothing, antiseptic properties will make you feel better in a day.
If you own an inhaler get a 50 cent bottle of HYOMEI at M. N. Henry's today. If you do not own an inhaler, ask for a complete outfit, which consists of an inhaler, a bottle of HYOMEI and simple instructions for use. This complete outfit costs \$1.00, but you then have an inhaler that will last a lifetime.
