**LOWELL BOY HERO**

Perrin McQueen Student at Ann Arbor So Honored.

The following appearing in the Sunday Herald will be of interest to our readers.

ANN ARBOR, Mich., May 6.—Perrin McQueen, freshman engineer from Lowell, while somewhat bruised and sore, has the satisfaction of knowing that he is considered a hero, following his stopping of a runaway team today.

Two ponies belonging to Dr. L. P. Hall became frightened and started to run down to State street to Ferry field. They were drawing a carriage containing Misses Flora Knight and Lillian Worrell and a two-year-old baby. At Monroe and State streets McQueen rushed in front of the team seized a horse and succeeded in throwing one of the horses to the pavement. The pony fell partly on McQueen, so that he and the animal were dragged for some distance. Except for a few bruises and a bad sore the occupants of the carriages were not injured.

**OWEN'S BAD BREAK**

**Leg Fractured in Automobile Accident Last Night**

Delos H. Owen resident manager of the Citizens Telephone company, had one leg broken near the ankle joint, while returning from an automobile trip last evening. Both bones were broken, the fracture extending into the joint. When a short distance east of Oliver Simpson's place on the Ada road, running at slow speed, something went wrong with the machine. The driver, Fred Soules attempted to adjust it and the machine took the bits in its teeth and ran away at a forty-mile pace.

Grant Warner who was standing on the platform, jumped and escaped with slight bruises. Mr. Owen followed suit with the disastrous consequences stated. The machine finally ran up a steep embankment and turned on its side. Mr. Soules escaping unhurt.

Mr. Owen's break is a bad one and it means a long confinement in a busy time. He will be fortunate if he escapes with a limber ankle joint.

**A GOOD MEETING**

**Enjoyed by Congregational Brotherhood Friday Evening**

The Congregational Brotherhood had a very profitable time last Friday evening at the Mac-cabee hall the occasion being our regular annual meeting and banquet.

There was much interest manifested in the very fine address given by Rev. John F. Thomas of the Westminster Presbyterian church of Grand Rapids. He gave us much encouragement as well as a speech from which many a valuable lesson may be learned, his subject being "Man a Learner." Whatever a man does will he learn to do. Rev. Thomas gave us a promise that he would come again and give us an evening of entertainment. He has a large fund of recitations that reach the heart. One given the other evening was "The House by the Side of the Road." James Boden gave a very helpful address on "Why Should I and How Can I help the Pastor." Carl H. Kohlman gave us two well rendered cornet solos.

After the program the following officers were chosen for the coming year: President, D. G. Look; vice president, Will Worrell; secretary, Harvey J. Tyler; treasurer, Harold Hiler; solicitor, Harvey Godfrey.

Pastor W. D. Ogg was elected as delegate to the State Meeting of the Congregational Brotherhood to be held at Port Huron from May 14 to 16.

**PLEASE PLAY FAIR.**

By making Thursday the base ball day, all benefits of news-paper advertising are lost. One thousand LEDGERS go out into this and surrounding territory Thursday afternoons and Friday mornings, just in time for a Johnny-on-the-spot notice of a Friday afternoon game. This consideration alone out-weighs all others. Aside from that, 'tis hardly fair to assess the printers and then choose the one day that bars them from the sport. The LEDGER can not change its publication day and it will not neglect its work for sport, though our people need a change much as any.

Looks to us as if it's time to play fair.

**Lowell Beats Grand Rapids on Building Material**

H. H. Reed of Lowell is repairing a house in Grand Rapids. He looked all around in the city for shingles and finally bought of the Lowell Lumber company, finding upon investigation that he could ship them to the city, pay cartage and save money on the deal. Mr. Peckham leaves his wife, one daughter, Mrs. Charles Johnson, and four sons, Walter of Kahlottus, Wash., Harry, William and Herbert of this village, one sister and one brother.

**WON THE FIRST ONE**

**Base Ball Season Opens Auspiciously in Lowell.**

The Lowell team won the first game of season from the Manufacturers of Grand Rapids last Thursday by the score of 6 to 7. The home team fielded very well for the first game only three errors being chalked up against them. In the hitting department however there is a chance for improvement. Oliver surprised himself and the crowd by getting three hits out of four times at bat. Gazzela came through with a clean two base hit scoring three runs. Crampton got a clean single out of two trips to the plate but the rest of the team could not get them in the right place. A better showing will probably be made in today's game as there does not seem to be a weak spot on the team in batting when they get going right. McMahon pitched his usual good game and although more hits were credited to the opponents than are usually allowed visiting teams they were well scattered and some of them owing to misjudged fly balls by the outfielders. All in all the team looks the fastest of any that ever represented Lowell.

With the addition of O'Donnell who will be with Gazzela in the cigar factory after this week and McQueen as soon as he returns from Ann Arbor we should have a team that will uphold Lowell's reputation of a clean fast bunch of ball players who never know when they are beaten.

Score by innings: 1 2 3 4 5 6 7 8 9  
Manufacturers 0 0 2 0 3 0 0 0 5 9  
Lowell 1 0 3 0 1 0 0 1 6 5 3

**PARNELL WEDDING**

**Mr. and Mrs. Joseph Nugent Will Live in Grattan.**

From our Parnell Correspondent.

A very pleasant spring wedding took place last Wednesday morning in St. Patrick's church. Parnell, when Miss Evelyn Byrne, youngest daughter of Mrs. Catherine Byrne, and Joseph Nugent of North Grattan were united in marriage. Rev. Fr. Troy officiating.

The bride was gown in white embroidery with wreath and veil and carried white roses. She was attended by Miss Marie Byrne who wore white net over pink and hat to match and carried pink roses. Edward Byrne, brother of the bride, was best man.

After the ceremony a reception was given at the home of the bride's mother to the immediate friends and relatives. A fine dinner was served at high noon and the following young ladies assisted in the serving: Bertha Doyle, Marie Loughlin, Edna and Lena Byrne, Mae McCormick, Laura Gehan and Eval McGennes. The tables were tastefully decorated with roses and myrtle. Miss Marie Byrne had charge of the presents which were both costly and numerous, consisting of money, linens, china and silver.

At six o'clock lunch was served and then the bridal party left for Big Rapids where they were the guests of Chas. Nugent and family for a few days.

**IONIA CHAUTAUQUA**

**HIGHEST FOURTH OF JULY IONIA COUNTY HAS EVER PLANNED.**

Ex-Congressman J. Adam Bede Will Speak in the Afternoon—\$1,000 Display of Pain's Fireworks in the Evening.

The Chautauqua Association that has recently been organized by the business men of Ionia will bring to Ionia this summer some of the ablest speakers in the United States. The plans already formulated assure the city of the biggest, liveliest week it has ever known and the program calls for seven whole days of highest grade entertainment, beginning June 28 and closing July 4.

On June 29, Ex-Governor Joseph W. Folk of Missouri, is to speak; on July 2, Hon. Thomas P. Gore, the blind senator from Oklahoma, will be there, and on July 4, J. Adam Bede, Ex-Congressman from Minnesota, will deliver his famous oration, "Our Nation's Its Problems and Progress." Congressman Bede is recognized as one of the greatest orators on the American platform today, and Ionia is certainly fortunate in securing such a speaker for her Fourth of July celebration.

In the evening of the fourth, there will be a magnificent \$1,000 display of Pain's Fireworks. All who attended the "Home Coming" at Ionia two years ago and saw the display of Pain's Fireworks at that time, will know what a magnificent spectacle this display of fireworks will be. This feature alone will be worth going miles to see. No other city in Central Michigan will have as splendid a Fourth of July celebration.

Plan now to spend the Fourth in Ionia. Special trains will be run the entire week.

**NEW PROCESS ARSENATE OF LEAD**

is a general insecticide for all leaf-eating insects. It is superior to many other brands on the market, because it contains the arsenic in exactly the right proportion and the proper chemical combination, thus insuring a material that will not injure or scorch the foliage but is sure death to insects feeding on the leaves. It is extremely miscible in water and will combine readily with Lime-Sulfur and Bordeaux Mixture. Light in gravity, it remains well in suspension so that a uniformly poisonous spray can be thrown from the finest nozzle. For prices and further information on this product, come in and see us.

A kiss is a peculiar proposition. Of no use to one, yet absolute bliss to two. The small boy gets it for nothing, the young man has to steal it and the old man has to buy it. The baby's right, the lover's privilege, the hypocrite's mask. To a young girl, faith, to a married woman, hope, to an old maid charity. No matter what the case may be you will always be on the safe side if you eat Connor's world's best ice cream. It's pure cream.

Ionia business men can now speak with authority on the subject of sending away to buy goods. A few days ago a smooth looking stranger appeared in the city and visited a number of business men on Main street. He represented that he was traveling for a vinegar house. He placed a special accent on the "vinegar" and accompanied his statement with a quiet wink that went direct to the heart of his listener. His "vinegar" sold for \$2.75 a gallon and would be sent right away. He took a number of orders and his patrons sat down, smacking their lips and waiting for their "vinegar." It was guaranteed to be the best. In a few days the "vinegar" came. It was pure acid vinegar of the best variety. Those who bought it are not saying anything, but are thinking that \$2.75 a gallon is pretty high for vinegar. — [Detroit News

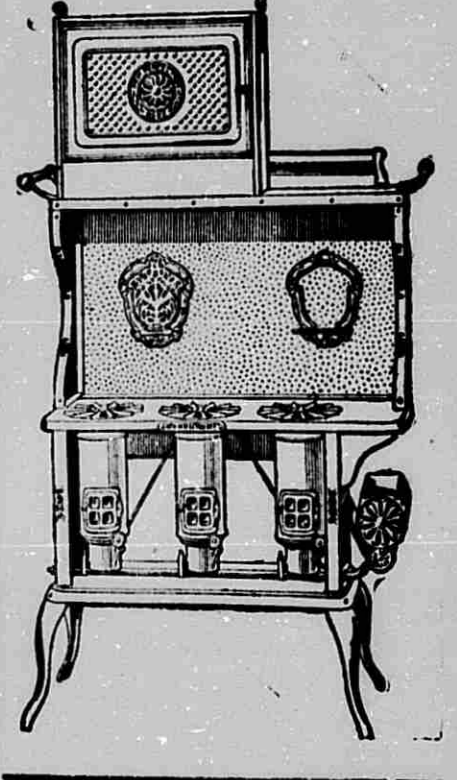

**REMEMBER** the time when we had to smoke the mosquitoes away of an evening? And to brush the flies or simply endure them? How times have changed! Now we know that these insects were the means of spreading dangerous disease, and protect our homes and families by screening them out. It pays both from the standpoint of comfort and convenience or health. Our stock of screens and screening permits you to fit any door or window. We handle the best quality which will last for years. This means that you can put them up in a few minutes next season, thus saving you the time and trouble of fitting new ones as well as the cost of buying them.
