George B. Frost of Smyrna Suffers Crushed Foot

George B. Frost made a business trip to Grand Rapids Thursday with the intention of returning home that night. On his way to the office of Reed & Cheney he had to cross the railroad track. A freight train stood in the way and being in a hurry he undertook to climb over between two cars. Half way across his hand slipped from its hold and his foot went down between the couplings of the cars just as they came together with cruel force, catching and crushing his foot with their iron grip. How he escaped from there he does not know. His foot was split open from toes to instep and bones protruded through the flesh. An ambulance was called and Mr. Frost was taken to Butterworth hospital, where his foot received prompt and skillful treatment. He will be conveyed home for he wishes to come, but will be obliged to stay there for a while. The physician hopes to save the foot.—Smyrna Cor. Ionia Sentinel.

ADA PIONEER GONE

One of First Whites Born in Grand Rapids.

Charles Cramton, son of Alanson and Susan Cramton, was one of the first white children born in the city of Grand Rapids.

He was born May 1, 1838, and died at the home of his daughter in Howard City, Mich., aged 76 yr., 4 mo. and 14 days.

At an early date he came with his parents and sister and settled in Ada township near Grand river.

His playmates during his boyhood days were the Indian lads on the reservation near his home so it was only natural that he was well versed in wood lore and loved all nature.

The remainder of his life was spent in this vicinity.

At the age of 19 he was united in marriage to Adeline Church and to them three children were born, Jerome, Jennie and Fred, all of whom survive him.

In 1861 he enlisted in the 10th Mich. Calvary and went South to serve his country. He was honorably discharged in 1865 and returned to his home.

In the character of our beloved father and grandfather direct honesty and kindness were marked. He was instinctively honest and kind.

He thought and spoke honestly and nothing was too small or insignificant to bring a kind word or "bought from him and no prejudice or thought of personal gain influenced his dealings with his fellow men.

The last 23 years of his life were spent in his home at Ada and from thence he would drive daily to his farm north of the village and superintend operations there.

Besides his three children, one sister, eight grandchildren and three great grandchildren a host of friends remain to mourn the loss of a good man and a loving parent and grandparent.—(Con)

From Our Point of View

The Michigan conference of the Methodist Episcopal church took a sensible view of the good citizen's attitude toward the moving picture show.

The European war will displace the immigration program in this country for some years to come.

Those who will not be honest because it is right, may sometime, after sufficient experience, become dishonest and rascally to do not pay.

It is for Christian people to show the theater managers by their counsel and patronage that the public desires, good clean entertainment and educational pictures, and will pay for them.

The city papers are everlastingly poking fun at their country cousins for their little and big news items, but sometimes it is different.

Notwithstanding the appeal of Mrs. Hooker in closing her article in the ledger, she has not yet learned to start a subscription to mark this and other historic spots in this vicinity.

The revenue returns from distilled spirits for the year ending June 30, 1914, shows a decrease of \$4,500,000 from the previous year.

The revenue returns from fermented liquors increased only \$860,000. With the flood of foreign immigration stopped, the use of alcoholic drinks in this country should show a continued decrease from this time on.

"Big words and little deeds" is the performance of some people, has never been more aptly described than by Aesop, the ancient writer of fables, who used this illustration.

"The mountain was in labor and uttering mighty groans and the people gathered from far and near to see what would come and finally after the most frightful shudderings and moanings, out came a mouse."

Now that twenty-six nations, including Great Britain, France, Spain and China, have signed Bryan's peace treaties, it is quite so funny as some of the fun-makers would like, Mr. Bryan may yet be "Prince of Peace."

Old Virginia has voted to outlaw the liquor traffic. Wonder if the daily papers in that state have been publishing half-page ads, quoting Abraham Lincoln in favor of the sale of liquor damnation?

Miss Kittie Lester entertained Mrs. F. L. Mather and family, Mrs. J. J. Wood and family, Mrs. J. J. Wood and family, Mrs. J. J. Wood and family.

FALL OPENING

Fall fashions are in. During the next few weeks this store will be a busy place, fitting out the early shoppers "men who have learned the wisdom of getting the "first pick."

Remember This--Each season the style changes enough to rob an old garment of its former charm. New body lines, new patterns and new colorings make it hard going for the left over suit or overcoat. It does not cost any more to buy early, and you are well-dressed from the crack of the starting gun.

Come in. Come in anyway, even if you only "browse" around. Start in on Suits, Overcoats and Balmacaans and finish up on collars. We have something decidedly new to show you in every line.

SUITS in the new Tartan plaid and pin stripes, English and Semi-English Models, to the more conservative shapes. We can show the best blue serge suit in Kent or Ionia county for \$10.00. OVERCOATS in all models from long to short coats; black or fancy; plain, military or shawl collars. \$7.50 to \$25.00.

BALMACAANS in many patterns, all sizes and several styles. \$10.00 to \$20.00. MACKINAWs in fancy patterns. Some with plaits, some without. Good wide shawl collars. \$5.00 to \$12.00.

HATS in all the new shapes, high crown, pencil curl brims. Blues, browns and greens. Some with light contrast bands and hand-tied bows. \$1.50 to \$3.00. UNDERWEAR, both union suits and two-piece garments, from 50c to \$4.00.

SWEATER COATS in all prices, sizes and colors, from the 5c cotton ones to the big, heavy, rope stitch and shaker knit. Have you seen the new brushed coats? FLANNEL SHIRTS \$1.00 to \$3.75. Blues, browns, greys and tans, in both military and flat collars.

Splendid Medicine Stomach Trouble

I Suffered for Several Years Peruna Restored My Health

Mrs. Elizabeth Reuther, No. 508 Twelfth St., N. W., Washington, D. C., writes: "I am pleased to endorse Peruna as a splendid medicine for catarrh and stomach trouble, from which I suffered for several years. I took it for several months and at the end of that time my health was restored and have felt splendidly ever since. I now take it when I contract a cold and it soon rids the system of any catarrhal tendencies."

Over Ten Years Ago.

"I would not be without Peruna. Although it was over ten years ago that I first gave you my testimonial, I still write the same opinion as when I wrote it, and give you the privilege to use it as you see fit. I still use Peruna when I think it necessary. I am recommending it to my neighbors whenever a chance occurs."
