VERGENE'S WEDDING

DeVries-Abel Nuptials Celebrated March 21.

Mr. Peter J. DeVries and Miss Lena Abel were united in marriage last Wednesday evening March 21st, at 5:30 in Grand Rapids at the Calvary Reformed parsonage by Rev. C. P. Dame.

The bride was beautifully gowned in white silk messeline and carried a bouquet of brides roses. The groom wore conventional blue. Miss Clara Abel, sister of the bride, acted as bridesmaid and wore a gown of white silk net and a corsage bouquet of sweet peas. Mr. Hubert Concanon of Grand Rapids acted as best man. After the ceremony the bridal party returned to the home of the bride's parents. Mr. and Mrs. Charles Abel, where an elaborate dinner was served. Mrs. Sam DeVries and the Misses Susa and Rena DeVries presided over the dining room. The decorations were green and white. The young couple were the recipients of many beautiful and useful gifts.

The immediate relatives and a few friends were present. May happiness and success go with them through life.—Wes. Vergennes Scribe.

To The Voters of Lowell Township.

(Political Advertising.)
A year ago I was nominated for Township Treasurer on the Republican ticket without any opposition and as it has been the custom to give an office holder a second term, who gives satisfaction his first year, and as no candidate appeared openly in the field until caucus day, I made no advance campaign for renomination.

The night before the caucus my opponent's cards appeared in circulation and I had no knowledge of any opposition until the next day and a few hours before the caucus and consequently but a few hours to make any campaign and was defeated at the caucus.

Having been solicited by many of my friends to enter the race, although not a candidate on any ticket, and believing that according to custom I was entitled to renomination, or at least a race with an even start with my opponent, I shall be a candidate for Township Treasurer at the election April 2nd. As my name is not on the printed ticket it will be necessary for me to use slips.

This past year I have collected every cent of personal property taxes assessed, not losing a cent to the tax-payers. My books and accounts were entirely satisfactory to the Township board as every fund exactly balanced with no refiguring. I have endeavored to assist the taxpayers by explaining anything not clear to them regarding the descriptions of their land or any other matters appertaining to their taxes.

The Treasurer of Lowell is a responsible office as over fifty thousand dollars of Township, State, County and School money passed through my hands during the past year. It involves a great amount of careful and accurate book-keeping and figuring to handle this sum of money in items of from a few cents to hundreds of dollars. I have been employed in the past to assist in correcting errors between the supervisors and treasurers books for two other townships in this county and was also Treasurer of Lowell Township several years ago. If you believe my experience and training make me capable of giving the town and taxpayers the best of service I shall appreciate your vote.

All Township funds have been divided equally between the two Lowell banks for the past year and will be so divided during the next year if you choose me to handle this business.

Both caucuses were illegal and could be set aside by a simple legal procedure and the old office holders would hold over, but I do not care for the office that way. I prefer to take the handicap of going into the campaign as I am now doing and leaving it up to the voters as to whether you believe I am entitled to reelection and whether I can give the township and taxpayer better service than my opponent.

R. E. Springett.

Frank G. Taylor for Township Treasurer.

(Political Advertising.)
Mr. Frank G. Taylor, the regular nominee for Township Treasurer, is one of the best known men in Lowell. Being employed by the late Charles McCarty in the Wholesale Produce, Grocery and Meat business fifteen years. Was a member of the firm of McCarty & Co. five years and was in the meat business five years, and is now employed in the Clark grocery. No one in Lowell has had a more general business experience than Mr. Taylor. That he is reliable and competent can be proven by all his business associates. Mr. Taylor has not been a persistent office seeker, this being the first time he has ever allowed his friends to present his name as a candidate for any office. He has always lived in Lowell and now that his name is on the ticket, everyone turn out and give a good fellow and loyal citizen the support he is entitled to.

Don't be Scared About Prices on Wall Paper This Spring

We contracted for our spring stock last September and by buying early and for both stores, we made a big saving over present prices. As is always the custom of this store—our customers are going to get the benefit of this, and our prices are scarcely any higher than one year ago.

We are showing a beautiful line of new creations in Parlor, Living room, Dining room and Bed room patterns, and it will surprise you how little it costs to fix up your rooms in an "up-to-date" manner.

Wall paper will do more to make the home attractive, for less money, than any other article used in the furnishing of it.

We want an opportunity to figure on your spring wall paper needs before you buy and will give you the benefit of our early purchases.

Instructions for Using Printed Slips at Elections.

First, do not fail to make a cross in the large circle at the head of your ticket. If the contest is in your political party, place the slip over the printed name of the candidate for the contested office.

If you have no candidate on your party ticket for the contested office, place the slip in your party column opposite the name of the office voted for. If you have no printed slip, you may write in the name of your candidate in your party column opposite the office voted for and cross out the printed name on the ticket if there be one.

Be sure and have the printed slip in your party column and directly opposite the office voted for and do not fail to make a cross at the head of your ticket.—adv.

LYCEUM COURSE

Fine Attractions Offered Lowell Public Season 1917-18.

The Lowell Lyceum Association has engaged of the Redpath bureau the following fine attractions for the season of 1917-8:

ANNUAL PRESS MEET

West Michigan Editors Entertained in Grand Rapids.

The West Michigan Press association's annual meeting was held in Grand Rapids Thursday evening and Friday and Messrs. Johnson and Hutchinson were in attendance.

The evening session was addressed by A. P. Johnson of the Grand Rapids News and our old friend, A. S. White of the White Printing Co., and the oldest reporter in Grand Rapids. These were followed by shop talk involving the membership. President Blett, Vice President Leake and Secretary Asprey were re-elected.

Friday morning the Clipper Belt Lacer plant was inspected, conveyance by automobile being provided.

At one o'clock the members were guests of the Grand Rapids Alabastine company at a luncheon in the Association of Commerce building, followed by addresses of interest, including one by the president of the Alabastine company.

A visit to the gypsum mine and manufacturing plant of the Alabastine company followed. The exploration of the dimly lighted passages ninety feet underground was full of interest. Two blasts were fired while the party was in the mine, the last one detaching a mass of gypsum as large as a good sized room.

The finished product of the Alabastine company is shipped throughout the world in ever increasing quantities. Recently large orders have been received from China.

The Ledger is under special obligations to Mr. Patterson of the Grand Rapids Electrotype company for courtesies shown.

The Grand Rapids Press has very properly closed the war discussion in its Public Pulse column. Some of its tory contributors have had more brass than brains or shame. The city papers have exceeded the limit of patience and propriety in giving space to the senseless drivel of these ungrateful adopted citizens, who can be likened only to the miserable cur that bites the hand that feeds it.

A Thorough Test

One To Convince The Most Skeptical Lowell Reader.
The test of time is the test that counts.
Doan's Kidney Pills have made their reputation by effective action. The following case is typical.
Lowell residents should be convinced.
The testimony is confirmed—the proof complete.
Testimony like this cannot be ignored.
Geo. W. Layman, Lowell, says: "Kidney trouble came on me in the form of a severe backache. I couldn't get up or down and I often woke up at night with such sharp pains in my back that I couldn't turn in bed and I always felt worse in the morning. Two boxes of Doan's Kidney Pills removed the trouble."
After a lapse of over six years Mr. Layman said: "I have had great benefit from Doan's Kidney Pills and it is a pleasure to again recommend them."

No Eggs, Milk or Butter

The following recipe shows how an appetizing, wholesome cake can be made without expensive ingredients. In many other recipes the number of eggs may be reduced one-half or more by using an additional quantity of ROYAL Baking Powder, about a teaspoon, in place of each egg omitted.

EGGLESS, MILKLESS, BUTTERLESS CAKE

- 1 cup brown sugar
1/4 cup water
1 cup seeded raisins
2 ounces citron
1/2 cup shortening
1 teaspoon nutmeg
1/2 teaspoon cinnamon
1/2 teaspoon salt
2 cups flour
1 1/2 teaspoons Royal Baking Powder

The old method (fruit cake) called for 2 eggs

DIRECTIONS—Put the first eight ingredients into a saucepan and boil three minutes. When cool, add the flour and baking powder which have been sifted together, mix well. Bake in moderate oven in loaf pan (greased tin with hole in center is best) for 35 or 40 minutes. Ice with white icing.
