

### WHO BANKS HIS MONEY - THE SUCCESSFUL MAN OR THE FAILURE?

## Any Man

can be successful in his particular field. The difference between the successful man and the failure is usually the fact that the one is systematically thrifty of his energy, his time and his money; the other is not.

## A LUCKY ACCIDENT

### Automobile Party Shaking Hands Over Being Alive.

A most fortunate escape from serious injury was "enjoyed" by five ladies when J. A. Mattern's Auburn car turned turtle in a ditch in the Sweet district early Saturday afternoon. The bank on either side kept the overturned car from crushing the occupants, whose fall was broken by water and mud, which saved their bodies, if not their feelings. All were able to crawl out or to get out with the assistance of the others, and repaired to a nearby house to summon help from the village, and from whence they were taken home, glad to escape with minor injuries and soiled clothing, from what might easily have been the death of one or more. The car was somewhat damaged; but can be fixed; and Mr. Mattern, considering the escape of his daughter and her friends, is not saying much. Details of this happy accident may be had of Meadames Ruth Conklin, M. B. Conklin, A. M. Andrews, R. E. Springett and H. P. Gottfredsen.

## A SUDDEN SUMMONS

### Chas. A. Perry Fell Dead in the Road.

Charles A. Perry, a well-known employe of the Lowell Granite & Marble company, met with a sudden death at 3:30 Tuesday afternoon, about three miles east of Lowell. He was 65 years old, seemingly in his usual health and on the forenoon of the day of his death had set a monument at Oakwood cemetery.

He was driving cattle, an unaccustomed employment for him; and Mrs. Perry was riding near by in the buggy. He had complained of being tired; but his wife and William Pullen who was assisting in the cattle drive, had no other warning until Mr. Perry fell in the road. Going to his assistance they found that life had departed.

Dr. McDannell and Justice Andrews were summoned. Death had resulted from heart failure and no inquest was deemed necessary.

Charles Albert Perry, son of James and Mary Perry, was born in New Jersey, May 28, 1852. He came with his parents to Ionia county, Mich., when an infant and to Lowell 17 years ago and this has since been his home.

He has been employed by the Lowell Granite and Marble company for twenty years and was a member of the Maccabees order.

He is survived by the widow, three sons, Clifton of Arizona, Burton of Lowell and Glen of Saranac and a daughter, Miss Esther, who lives at home; but was attending a Baptist association meeting at Portland at the time of her father's death. Two boys died in infancy.

Funeral services will be held at the home Sunday afternoon at 1:30, Rev. J. E. Bodine officiating; clergyman; burial at Clarksville.

Red Cross Auxiliary.

The ladies having charge of the surgical dressings are now ready to form classes in that branch of the work. Anyone desiring to take up the work can meet with them Tuesday afternoons in the band room at the City hall, on Tuesday evenings, at 7 o'clock, in the sewing room at the Central school.

We have plenty of yarn now, so if you are interested in knitting, just come to the Red Cross rooms and get enough to make either a sweater, muffler or pair of wristlets. Twenty-one sweaters have been knit and sent in during the month of September.

School Notes.

The Juniors are flashing around their class rings which have just arrived.

Four auto loads attended the foot ball game at Nashville Friday night. At the end of the first half the game scored twelve to nothing in favor of Nashville; but the game ended in a tie of 19-19.

Two units of the Red Cross have been organized, one for the San for girls, which is to meet on Mondays, and one for the teachers to meet on Tuesdays.

Another foot ball game is to be played at Greenville Friday.

A new sink is being put into the Domestic Art room.
