J. CLARK SELLS OUT

Successful Lowell Grocery Sold F. D. Vos of Grand Rapids.

John O. Clark sold his grocery stock and business Monday to F. D. Vos, a well-known resident of Grand Rapids, taking desirable city property in exchange. Mr. Vos, who took immediate possession, will move to Lowell with their two sisters and make their home here, as he is well pleased with the town and business outlook. He is said to be a "live wire."

Mr. Clark—now here is where you have guessed wrong—is going to stay right here in Lowell until he is planted at Oakwood, unless he is sooner driven out of town. He is going to vary the program by NOT moving to Grand Rapids; and says: "Lowell is good enough for me." Collecting his accounts will keep him busy for a time. After that he says he will find something to do, if he has to get Mr. Rogers' street job away from him.

Mr. Vos will make no change in the help employed; but will retain the clerks employed by Mr. Clark; and will continue the courteous treatment extended by Mr. Clark in the past.

SHIVEL AND AVERY

Guests of Honor at Masonic Meeting Tuesday Evening.

After working the Fellowcraft degree Tuesday evening, Lowell Lodge No. 90, F. & A. M., gave a luncheon and table talk in honor of two of its members, R. M. Shivel and N. L. Avery, who are soon to leave for military duty.

W. S. Winegar presided and the following brethren responded to call: A. H. Lash, S. C. Mitchell, F. M. Johnson, S. P. Hicks, Melville McPherson, E. A. Anderson and R. M. Shivel.

The latter feelingly expressed for himself and Mr. Avery their appreciation of the occasion and of the sentiments expressed and their determination to do their whole duty and to bring back with them as the most suitable souvenir the consciousness of having been found worthy and well qualified.

Mr. Hicks in the course of his eloquent address, brought out interesting fact that fifty members of Lowell Lodge were engaged in the Civil war, joining the order before or after the war, a splendid showing for Masonic patriotism.

A GOOD MAN GONE

Orlando Kinyon Spent Most of His Life Here.

Orlando J. Kinyon, son of Joseph and Margery Kinyon, was born in Cannonsburg, Michigan, Feb. 12, 1857, and, after an illness of only two days, died at his home in Lowell Sept. 28, 1917, aged 60 years, 7 months and 16 days.

When about two years old, he came with his parents to a farm south of Lowell, where they lived until after the close of the Civil war, when they came to the new home which he helped his father clear and where he so recently passed away.

August 31, 1879, he was united in marriage to Eliza Jane Taylor of Middleville. To this union were born two children, Bessie M. Kinyon of Lowell and Mrs. Elmer Davis of Detroit.

At the age of fifteen he united with the Baptist church of Lowell until he was granted a letter to unite with the Alto church.

After nine years he moved to Lake Odessa where he engaged in the livery business. During his residence there he was active in organizing and building a Baptist church. He held several important offices in the village.

He was made a Mason by the Lake Odessa Lodge No. 395, F. & A. M., in 1893 and enjoyed the association of his fraternal brethren.

On returning to Lowell he again united with the Baptist church Feb. 1896. In 1906 he returned to the old homestead.

He was a man of good judgment, thorough in business and an advocate of everything that was elevating and right.

He leaves to mourn his loss a bereaved wife, two daughters, one grandson, an aged father, two sisters and other relatives and friends.

Mrs. James Scott's Mother Is Buried Here.

Mrs. Mary Minor was born in Ireland September 12, 1838. She came to this country at the age of twelve years, making her home in New York city until she married, at which time she moved with her husband to Illinois, where her home has been for many years.

She died in Chicago October 4, 1917, at the home of her daughter, Mrs. E. C. Lewis, who has so tenderly cared for her in her last illness.

Mrs. Miner became a member of the Methodist Episcopal church in her childhood. She was a true, devoted Christian. Truth, honor, purity and love dominated her whole life.

She leaves to mourn their loss three children, Mrs. E. C. Lewis of Chicago, Mrs. J. A. Scott of Grand Rapids, and J. H. Minor of Lewistown, Montana, also by one brother, T. C. Garrity of Galesburg, Illinois, and five grandchildren.

The remains were brought from Chicago to Lowell by Mr. and Mrs. E. C. Lewis for burial in Oakwood cemetery. Funeral services were held in Yeiter's chapel on Monday, October 8, Rev. J. E. Bodine officiating. [Com.]

OLD TIMER WRITES

Ledger Gets Boost from Former Lowell Business Man.

The Ledger is glad to hear from a former old-time Lowell business man, Norman B. Blain, who, at the age of 82, is recorder for the city of Lompoc, Cal. His letter speaks for itself:

Lompoc, Cal., Sep. 28, '17. F. M. Johnson, Lowell, Mich.,

Dear Sir:—I want to be counted as one of the friends of The Ledger and will gladly respond to any call for the improvement of the best paper in Michigan or any other state, so far as my acquaintance goes, excepting only The Michigan Tradesman; and I know you will take no offense at my placing that at the head. Being one of the first subscribers to your valued paper, I know whereof I speak; and watching the rapid improvement made in same am glad to aid in any way possible for its further advance. We are having very warm weather for this climate. Mrs. Peck is in very poor health, but I am quite well for a boy most 82. Our crops are big and beans are coming in with six, eight and ten horse teams. If Charlie McCarty could see them, he might smile audibly. We admired your work for prohibition and hope you may continue it until our nation is dry. Enclosed find New York draft to help along your good work. Very truly yours, N. B. Blain.

Los Angeles, 9-3-1917. F. M. Johnson, Lowell,

Dear Sir: All right, Frank, here is the five; but I don't believe you can improve the paper, it's a dandy.

Both of our boys have gone to war. Harry is at Camp Lewis in Washington and Roy is a surgeon, 1st lieutenant, now at Camp Jackson in South Carolina and very busy examining new soldiers as they arrive.

Mrs. Fallas and I expect to see the home folks in a day. Respectfully, Fred L. Fallas.

Notice to Dairymen. Durand Creamery will be open only four days a week. Monday, Wednesday, Friday and Saturday, from Oct. 9 to Oct. 24, 1917. The cream station those two weeks will be run by a man from the Durand creamery. Mrs. F. W. Braisted, Agent.

The LIGHT OF LIBERTY WILL SHINE FROM YOUR SCHOOL HOUSE MONDAY EVENING OCTOBER 15

From Governor Sleeper's Proclamation of October 4, 1917.

"Michigan's sons are going forth to defend the nation. Michigan must stand as a man behind them and provide a full share of whatever financial support may be required. Nothing must be left undone, no matter what the cost, to win this war and win it speedily. Let us not do halfheartedly the part that may be ours in the conflict, but let ourselves and whatever we may have to the cause of humanity that the clenched hand of an outraged civilization may strike not only heavily but quickly."

"I further designate the fifteenth day of October as Patriotic Day. On this day, or the evening thereof, let a meeting be held in every school house in Michigan, with a program suitable to the occasion, the children participating, and let careful consideration be given to the progress of the work and its further promotion."

ABOUT INSECTS. Why They Are Strong Out of All Proportion to Size. Recent experiments with insects have demonstrated their remarkable muscular power. A wood beetle weighing 1.80 grams and less than two inches long can pull a lute swan loaded with fifty-six grams, or thirty times its own weight. When a load of eighty-four grams was piled on the wagon, the beetle pulled it an inch. This was forty-five times its own weight. When its legs were attached to a small dynamometer the insect exerted a force of fifteen grams, which is as if a man weighing 200 pounds were able to raise a ton.

How to Cleanse Curtains So They Look Like New. After shaking out the loose dirt cover curtains with cold water. Cut up half a bar of good white soap, and add a large tablespoonful of borax and melt to a jelly with hot water. Take this from the stove and add half a cupful of kerosene. Make a thick hot sud with part of this mixture and boiling water. Squeeze curtains from cold water and dip one at a time into the hot sud. The dirt will simply run out. Put through a second lighter sud. Rinse in hot water, starch, adding a little bluing, and put on stretchers. The result is curtains which look almost like new and are not worn out in washing. With two large pans this can be done in bathroom or kitchen. This mixture is sufficient for four pairs of curtains.
