KENT CHAMPIONSHIP POTATO SHOW HERE

Won by Lowell High Foot Ball Team.

In a game featured by all kinds of trick plays, forward passes, and odd formations, Lowell High school won the foot ball championship of the Kent County Interscholastic Athletic association from Rockford at Ramona Park in Grand Rapids Saturday.

The Rockford aggregation presented a big husky appearance, outweighing Lowell at least ten pounds to the man.

Lowell scored in the first two minutes of play, the ball being carried over by Leonard. Brezina added the point that won the game by kicking goal from the most difficult possible angle. Rockford came back strong and two successful forward passes were responsible for their touchdown. Elkins, touted as a star, failed to kick an easy goal.

No score was made after this and the ball sec-sawed back and forth across the field. Rockford showed especial strength in line plunges and old style foot ball while Lowell played a fast open style which kept their opponents guessing all through the game.

The last quarter was marked by a long run by Jones through a broken field from his own five yard line. The game ended with the ball on Rockford's thirty yard line.

Clean, hard, superior playing coupled with grim determination won for Lowell over Rockford's heavy weights.

The last game of the season will be played at Aldrich Field in Lowell on Thanksgiving day. Those people who have not had a chance to see the home team in action have no excuse now. The team will be opposed by a team of former Lowell high school players. They won last year. Can they do it this year? Everybody turn out.

The high school team wish to express their thanks for the use of cars, kindly placed at their disposal during the season by good hearted local citizens.—Com.

A PARNELL WEDDING HELP UNCLE SAM

Cannon Girl United With Ada Soldier Boy.

By our Cannonsburg Scribe.

The marriage ceremony of Miss Mary Byrnes, daughter of Mr. and Mrs. Michael Byrnes, of Cannon township, and Harry Ada, was solemnized at St. Patrick's church, Parnell, Wednesday morning, Nov. 21, attended by the bride's brother, Lawrence Byrnes, and Miss Tounie of Alpine, the Rev. Father Behan officiating. After the ceremony a wedding breakfast was served at the home of the bride's parents.

The bride was prettily gowned in white silk net, trimmed with white satin ribbon and wore a veil with a wreath of orange blossoms, while the groom, being a soldier, wore his uniform. At high noon the tables were laid for 175 guests and a sumptuous dinner was served.

Many beautiful presents were received, besides a large sum of money. The happy couple with many congratulations and best wishes for the future took their departure for Battle Creek.

Death Takes Mrs. Cole and Her Child.

The remains of Mrs. Earle Cole were brought here for burial in the Cole lot in River Ridge cemetery Sunday afternoon.

Mr. and Mrs. Cole resided in Lowell, moving there after selling his business in Ionia. Recently Mrs. Cole went to Greenville for careful nursing at the hospital, but gave her life for her unborn babe, which also passed away, and mother and child were laid to rest in the one grave.

In speaking of her death the Greenville Call says: "A beautiful woman has gone from us. Mrs. Jennie Cole was born in Grand Lodge, September 19, 1887, the daughter of Mr. and Mrs. John Kelly. It was while living in Belding that she married Mr. Cole, the ceremony being performed on December 5, 1907, by Rev. W. A. Biss. Mrs. Cole was a member of the L. O. T. M. M. in Ionia, where they resided for a short time. Mr. and Mrs. Cole resided in Greenville for a number of years, where Mr. Cole was engaged in business. Mrs. Cole died at the United Memorial hospital, Nov. 16.—Belding Banner.

SOUTH BOSTON

Methodist Notes by One Who was There.
Dr. Deal of the Detroit Area Conference, gave as fine address at the M. E. church Sunday, on "The Uplifting of the Rural Church," as was ever listened to. Only a small congregation was present but they were surely listened to a rare treat, which, if it could be carried into the homes of others and impressed on their mind, would mean endless good in the upbuilding of our churches. We have a hustling new pastor who wants to see things move in the church and thro' his efforts the Social club will most likely be revived. The regular meeting would be Dec. 12, and it is hoped some kind of an entertainment and supper may be planned for that night.—Com.

His Faith Vindicated.

Maramatsu San, a converted convict and manager of a home for discharged prisoners at Kobe, recently needed to make a trip to Tokyo, but had only 35 cents toward his fare. With faith in God, he nevertheless started for the station. One train departed without him, but when time for the next arrived, it brought a missionary who, greeting Mr. Maramatsu, said to him: "By the way, I have been intending for some time to hand you this \$5 for your work." Mr. Maramatsu's faith was vindicated.

Tunnels of the Ancients.

Although tunneling is among the most ancient of enterprises, more progress has been made in it the last century than in the twenty centuries which preceded it. It is now known that back in the semi-mythical days of the Theban kings the long tunnel into the mountain roof, extending at a distance of 400 feet or so, into one lofty chamber, was a common work. The rock temples of Nubia and India, too, show that in many matters at any rate moderns may still learn from the ancients.

BOSTON PIONEER DAY

Afforded Feasts for Both Body and Mind. South Boston celebrated its first Pioneer day Friday, Nov. 23, at the Grange hall, with a fairly good crowd present. A dinner consisting of boiled vegetables in meat, dark cakes, pumpkin and mince pies, at least ten relishes of older type such as apple butter and Dutch cheese, etc., was served the people, after which a fine program under the direction of Mrs. N. M. O'Brien was given. Song by the people. Invocation, Rev. F. Wright, M. E. pastor of South Boston. Norm Stuart gave a fine welcome address, which was followed by the response by Albert Aldrich, who spoke of the lives of Boston's pioneers. Mr. Aldrich's second wife was the first white child born in this community. Dr. Emery, M. E. pastor at Saranac, gave a fine pioneer oration, and several recitations were given. Mrs. Stockman, state lecturer, of the Grange, delighted her audience with a talk, also Com. H. H. Lowrey of Saranac was called on for a talk. The afternoon was altogether too short for such a meeting and everyone voted it the best meeting of the year.—Com.

For Tired Women With Aching Heads

Convinced. "I don't know," muttered Rivers, picking himself up from the pavement and moving on with a perceptible limp, "whether there is any such thing as a bicycle face or not, but I am thoroughly convinced of the existence of the phenomenon known as the banana skin." Meaning of Biblical Phrase. "The lodge in a garden of cucumbers," mentioned in Isaiah 1:8, is a rude temporary shelter erected in the open grounds in which a boy or man is set to watch to scare away robbers or the foxes and jacksals from the vines.

Famous Family of Preachers. Rev. Lyman Beecher, sometimes referred to as "founder of the Beecher family," had seven sons who were preachers. Beginning with the oldest, they were: William Henry Beecher, born in 1802; Edward Beecher, born in 1803; George Beecher, born in 1808; Henry Ward Beecher, born in 1813; Charles Beecher, born in 1815; Thomas K. Beecher, born in 1824, and James C. Beecher, born in 1828.

Just a Suggestion. Little Mary was called in to see the new baby, who was the sixth in the family. All the previous children had been very small babies. Mary looked at the baby a short time, then said: "Mamma; don't you think it would be better to have them a little bigger and not so many of them?"

Another Thing to Remember.

Willie and his mother had been visiting their aunt in the country. After returning, his mother was telling one of her friends over the phone how homelike her aunt's house was. Willie was taking in the conversation and, speaking up, said: "Mamma, don't forget to tell her how homely auntie was, too."

Code of Beauty.

Our code and schedule of beauty is. I often feel, a very formal affair. Either we are afraid or ashamed to differ from received opinions, or we have never thought of revising the code we adopted in our youth, or we do not really look at things, or we do not care about beauty at all.—A. C. Benson.

Arabs Eat Cucumber Blind.

The cucumber is grown in great quantities in Palestine. A traveler visiting an Arab school in Jerusalem writes that the dinner the children brought with them to school "consisted of a piece of barley cake and a raw cucumber, which they ate, blind and all."
