NOT HOW CHEAP BUT HOW GOOD

That is the criterion that governs the purchases of the careful and provident house owners and home makers in these days. The home is the center of all that's worth while in this life. If that is right, the home provider and the home keeper will go far and do well. So, in your buying, buy right, not just for today and tomorrow, but buy for life, service, durability, sterling worth and beauty, whether it is

GOOD ROADS MEET

Splendid Addresses Given at City Hall Last Evening.

A small but representative number of Lowell and vicinity people attended the good roads meeting at the Lowell City hall last evening and they were well repaid.

M. N. Henry presided and excellent addresses were given by P. T. Colgrove, president of the Michigan State Good Roads association, and State Highway Commissioner Frank F. Rogers.

Mr. Colgrove stated that there is much misunderstanding of the proposition to be voted upon April 7, that many think the question is "Shall we bond the state for \$50,000,000?" Whereas the proposition is to amend the constitution so that the state may bond for internal improvements and the \$50,000,000 is the limitation provided beyond which the state shall not go. He explained that back in the early days of statehood, Michigan became involved in the Michigan Central railroad and canal construction and then made future bonding for internal improvements prohibitive and now while villages, townships, cities and counties can issue bonds,

State Highway Commissioner, Frank F. Rogers.

the great state of Michigan can not do so until the constitution is amended. As Uncle Sam—now, after long solicitation, is about to aid the states to improve the nation's highways, dollar for dollar with what the individual states do, it is necessary to get in line by voting for this amendment. He explained too that the fear of tax burden is needless. Even if the entire \$50,000,000 were raised at once by bonding, it would mean less than a dollar tax per \$1,000 valuation. But it is proposed to issue but \$5,000,000 at a time to match Uncle Sam's proffer and that would mean a tax of but 20 cents per \$1,000 valuation and a man could sell a hog and pay for the entire neighborhood. He explained further that Wayne county, whose roads are already built, paid for a most of the state tax and the cities 65 per cent of the other two-thirds, only the remainder falling upon the farmers.

Mr. Rogers followed with an interesting discussion of the old river and harbors "park" bill, into which Congress has poured untold millions for generations. He said that while Michigan with her great lakes water ways had not much to complain of in this respect the time had come to do something for the highways of the nation which carry 92 per cent of the produce while the water ways carry but 8 per cent.

Mr. Rogers also announced that Michigan will receive some 4 per cent of the vast quantities of war equipment and supplies that could be converted to highway building. This will be distributed in the same ratio as the Federal aid and he already has assurance of a large number of trucks, automobiles, stone-crushers, road rollers, surveyor's instruments, tractors, locomotives, cars, narrow-gauge tracks, steam shovels, concrete mixers, etc. And this is but a small portion of what Uncle Sam will send into Michigan to help the state spend its own and the government money in a most economical, efficient manner in the construction of a comprehensive system of main market roads leading into every community.

DAMAGED BY FIRE OLD RESIDENT GONE VICTORY LOAN DRIVE

Holcomb Sanitarium Narrowly Escaped Destruction. Occupants Safely Removed.

The Holcomb sanitarium was badly damaged by fire and water last Friday morning and was saved from total destruction only by the prompt action of the fire department, as the fire had such a start that the case seemed almost hopeless.

Volunteers removed the four patients in safety from the building and most of the furnishings were carried out in good shape.

The damage by fire was confined to the roof and upper portion of the house; but the deluge of water will necessitate some replastering and repapering throughout the house.

The loss was covered by insurance; and when adjustment is completed, repairs will be made at once in order that the business which has come to be a necessity in the community, may be resumed as soon as possible.

Three of the least damaged rooms were re-occupied, Monday evening by Mrs. Holcomb and her patient Mrs. Rufus Gregory. Otherwise, the sanitarium will be closed until further notice.

CARD OF THANKS.

We wish to thank those who so carefully assisted in removing the patients to safety and our furniture from the house, also those who risked their lives with the flames.

William Gable Passed Away Yesterday After Long Illness.

William Charles Gable died at his home two miles south of Lowell village Wednesday at 3 o'clock, a. m., aged 68 years. He had been in ill health for four months, suffering greatly during the last few weeks; and death came as a blessed relief. Funeral services will be held at the home Friday at 2 p. m., Rev. W. M. P. Jerrett officiating; burial at Dupee cemetery.

Mr. Gable, son of Henry and Catherine Priscilla Gable, was born near Waterford, Canada, July 4, 1850. He spent his younger days in the lumber woods of Northern Michigan and came to Lowell about thirty years ago.

July 1, 1878, he was united in marriage at Big Rapids to Ellen J. Perry, who with a son Ray of Detroit and daughter Ella of Lowell survive him.

Obituary—Mrs. Mary Needham.

Mrs. Mary Needham passed away suddenly Wednesday morning, Mar. 26, in Grand Rapids at the home of Mr. and Mrs. Dick Castle, where she was visiting at the time. She had been sick a few days; but was better and planning to come home this week to her son, W. H. Wisner's, where she had been since last July.

When a resident of Lowell, she was a member of the Baptist church and an ardent worker in the W. C. T. U.

The funeral was held Friday afternoon at the Baptist church, burial at Oakwood.

The deceased was 70 years of age and very active until death came.

She leaves one son, two grandsons, four sisters and one brother with a host of friends to mourn her loss.

CHAIRMEN GAIN INSPIRATION FOR VICTORY LOAN AT SATURDAY NOON MEETING.

Make it Thanks Offering, Urges Chairman Hollister.

"Every district over the top" was the slogan of Kent county township chairmen for the coming Victory loan who met in Hotel Pantlind Saturday noon.

"The government is not anxious that subscribers pay for their bonds with the money they have in their trousers' pockets or in the bank," said Clay H. Hollister, Kent county chairman, "but rather that they purchase them with future savings."

In reviewing the uses to which the loan would be put Hollister added:

"The entire American casualties were only about 75,000, while those of the other allies amount to about 7,500,000. This, if not for any other, is sufficient reason for putting this loan over. We ought to offer it as a thanksgiving offering that we were spared."

Mr. Hollister called attention to the fact that although the government cancelled several billions of dollars' worth of contracts there was still an immense amount of supplies which had been delivered and consequently must be paid for.

"And don't forget," he concluded, "we still have 1,500,000 soldiers on foreign soil, who must be brought home. This loan will help bear the expense."

Capt. James Victor Stuart of the gas and flame division, lately returned from France, gave an interesting talk on his work overseas. He demonstrated the use and showed the defects of German, French English and American gas masks.

He told how anxiously the boys in the front line trenches awaited the word of the third Liberty loan going over the top.

Miss Dorothy Gross, a Red Cross nurse who returned to Grand Rapids a short time ago with hospital unit G, gave a short sketch of her work on the other side.

Lee H. Bierce of the Association of Commerce, told why the next loan must be fully subscribed.

"We have learned to save," he stated, "because it was necessary to win the war. If the light hadn't ended when it did the present loan instead of being for possibly 86,000,000 would be \$10,000,000, and the expense of the government would have cost 850,000,000 and the lives of 1,000,000 men. That means that every fourth service star in Grand Rapids would be a gold one."

Mrs. G. A. Hendricks, township chairman of the Victory loan campaign, presided. She said that a medal made from captured German cannon was to be presented to every worker in the campaign.

Claude H. Corrigan and Russell Boyle gave short talks and suggested methods which are very successful in the volunteer system campaign. Mrs. J. A. Michelson rendered several vocal selections.

Mrs. G. A. Hendricks is compiling a list of township Victory workers which will be put into permanent war record. Every township chairman is requested to send a list of his workers to Mr. Hendricks as soon as possible.

Formerly only the manufacturers of Grand Rapids have subscribed collectively to the Liberty loans. During the Victory loan, however, Grand Rapids wholesalers will follow this plan and Chairman F. S. Piowaty will appoint a committee to take charge of the subscriptions and all wholesalers have been requested to withhold the pledges until the committee is ready to take them.—Grand Rapids Herald.

SOLONS OF STATE PLEDGE STAY TO LIMIT ROAD BONDS

Lansing, March 27—By pledging themselves to authorize the issue of Highway bonds in a sum of more than Five Million Dollars a year, the House of Representatives and the state Senate have given irrefutable evidence that a vote for the Good Roads amendment by the people at the election April 7 would saddle a Fifty million dollar bonded debt upon Michigan's taxpayers.

MAJOR ALBERT SEARCHING FOR CERTAIN STRONG BEARER OF SOUTH INFANTRY.

STORY OF DESPERATE EXPLOIT

By EDWARD B. CLARK. Washington—Somewhere in the United States, in France, in a soldier's name unknown, who has been found will learn that he has been a soldier to be recommended for a high grade in the service.

It was in the summer of 1914 that the unknown soldier in late September was acting as a stretcher bearer in Company K of the Third Hundred and Eighth United States Infantry, which was a part of the twenty-seventh United States division.

In Washington today a major of the army, William H. French, is in the field and fine service, is doing what he can to find out who this hero was in order that his name can be put into the proper place on the record book for a medal.

Major French went to France with the great hero. The major had been in the line for a long time. He had been ordered to proceed to the front in the summer of 1914. He had been ordered to proceed to the front in the summer of 1914.

SOMETHING TO EAT.

The attractiveness of food largely depends upon its appearance. When it satisfies the eye it must also satisfy the palate.

Chicken Consommé—Boil a fowl in salt water until the meat is tender. Strain the stock and add the following ingredients.

Seasonable Dishes—A nice way to use left-over chicken is to serve it on your table as a cold chicken salad.

Greener Out of Flour—In a large bowl mix one cup of flour with one cup of water and one cup of sugar.

To Wash White China Silk—White china silk, so much used for waists and underclothing, is apt to become soiled with dirt.

Helpful Suggestions—To dry systems like they should be drained and dried on a towel, then ironed with a hot iron.

WORTH KNOWING—Chickadee lays over near a stream for an afternoon. The edge of the nest is lined with moss and lined with a cap.

WORTH KNOWING—A judge, whose personal appearance was not so desirable as that of a female witness, was interrupted by a woman who said: "You are a judge, aren't you?"

THE LOWELL LEDGER AND ALTO WEEKLY SOLO.

How to Teach Reverence By FELIX ADLER. One of the defects of American life, which is becoming more and more noticeable, is the want of reverence for children and young people.

Kindergarten Helps for Parents—An article issued by the Department of the Interior, Bureau of Education, National Kindergarten Association.

THE STORY OF THE LOAF By CARRIE E. NEWMAN. Mary was standing by the kitchen table watching her mother do her work. "I wish I could be like you."

Spring Suits that Appeal—The fast fashions of fashion are appearing for the business skirt which is increasing in numbers as the spring season advances.

Points on Housing Poultry in Winter—The back and sides of the poultry house should be absolutely tight in order to keep the birds warm.

How a Baby Brought Woman Suffrage to Wyoming—A baby was born to William H. Bright in a rough shack in South Pass, Wyoming, on December 10, 1840.

The Cutting Sisters and a Small Standing Army—A permit to present Edie and Mary Cutting, the battling housewife and the first woman to be elected to the Wyoming legislature.
