A UNIQUE PROGRAM A VICTORY MEETING

The Cheerful Doers Spent Cheerful Evening. Splendid Speakers and Musicians Come to Lowell April 16.

The Victory Loan committee of Lowell thru Messrs. Hicks, VanDyke and Look announces a splendid Victory Meeting at the City hall in this village on Thursday evening, April 17, at 8 o'clock, at which time will be presented to the patriotic citizens of Lowell and vicinity a fine program of speeches and music, both vocal and instrumental.

Lee H. Bierce of the Grand Rapids Chamber of Commerce, well known to the business people of Kent county, as an entertaining, inspiring and instructive speaker, and Captain Stewart, late of the Overseas Gas and Flame division, will address the meeting.

Mrs. Nicholson's Ladies quartette, and the famous Elks' band of Grand Rapids will furnish musical inspiration. The committee announces that this will be the only Lowell meeting in charge and deserve great credit for its success.

Quite a large company had gathered in the pleasant parlors, when a well known young lady in the character of a small child, appeared before closed sliding doors from behind which had issued mysterious and suspicious sounds of merriment, and announced that her mother was not at home, but perhaps they would like to look at their photograph album. She then proceeded to turn the leaves, and introduce the characters with the frankness of childhood, rattling the family skeletons mercilessly. As the doors opened, displaying each fresh page, and the company sought to detect beneath the quaint costume of "ye olden time," and caustic characterization of the child, their familiar friends, the interest and amusements became unbounded. Great not only the highest type of ladies, but some of them at least, can on occasion be perfect gentlemen. The unspoken wish of each was: "When next they meet again may I be there to see."--Com.

Attention, Liberty Loan Workers. Chairmen, Captains, Lieutenants and Solicitors of Lowell: You are expected to continue your work heretofore nobly done through the Victory Loan campaign.

Methods of the campaign will be discussed and formulated. Advertising and a full line of supplies will be given each district chairman. Bring with you the will and vim you used in our former victorious campaigns and we will go over the top flying.

Yours for the Victory Loan, Victory Loan Committee.

Kent Schools Open Drive to Rid County of Barbary

Kent county's fight against the black stem rust of grains will be commenced this morning, when the city and rural school children, organized under capable teacher and pupil leaders, will begin the study and campaign of how best to combat the plague.

County School Commissioner Allen M. Freeland has addressed communications to all districts asking that the work be begun today and that full reports be sent in not later than April 16.

Instructions have been issued as to how best to light the green and blue barbary bushes and each worker will operate in some one particular territory, not necessarily far from his or her home.

Working on the commissioner's request that schools work to make their district free from barbary, it is expected that good results will be obtained in Kent county this year.--Grand Rapids Herald, April 7.

OLD MAN BOOZE KILLED AGAIN

BURIED BEYOND RESURRECTION THIS TIME AND THE WOMEN HELPED DO IT.

Good Roads Amendment Overwhelmingly Adopted and Salary Grab Amendment Defeated, Republican Day All Over Michigan.

Monday was Republican day in Michigan, the entire ticket of minor state officers being elected by large majorities.

The good roads amendment authorizing highway construction with a limitation of \$50,000,000 was adopted by an overwhelming majority, city and rural voters agreeing in the matter.

The state has voted dry again, dryer than ever and by twice the majority given the dry measure of 1916.

At the same time the amendment proposing to increase the salaries of justices of courts of records was defeated.

Kent county gave the good roads amendment a majority of 15,210, defeated the beer and wine amendment by the splendid majority of 14,901 and knocked out the salary amendment by a majority vote of 7,292.

What's the matter with Kent County? Although, everybody--SHE'S ALL RIGHT! The new woman voter was very much in evidence Monday at the Lowell township election, at which 1000 ballots were cast.

The unexpected election of Mrs. Maude McNaughton for township treasurer was at once a deserved tribute to the candidate and a compliment to the new voters.

Lewis Veiter was elected supervisor by a vote of 616 to 413. Christopher Bergin and Charles McIntyre captured the office of highway commissioner by 651 to 370 for Martin Schneider.

These were the only local contests, Bergin and Schneider being the only nominees on the local Democratic ticket; so every office in Lowell township is held by a Republican. That this is a purely partisan result is shown by the vote on the state ticket, in which the Republican vote ranged from 649 to 663 and the Democratic from 146 to 151. The Socialist ticket got 5 votes and the Prohibition 33.

Following are the Lowell township officers elected: Supervisor, Lewis M. Veiter; clerk, Frank N. White; treasurer, Maude McNaughton; justice of the peace (full term), Charles Freyer; highway commissioner, Chas. McIntyre; highway overseer, Frank Graham; member board of review, Edgar O. Wadsworth; constables, Harvey Haysner, Edward C. Walker, Whitman Kiel, Frank Fairchild. Our former townsman, George Wingard of Morrice, candidate on the Democratic ticket for member of the state board of agriculture, received 160 votes.

Lowell's vote on the amendments follows: Good roads--Yes 686, No 242. Salary--Yes 268, No 563. Beer and wine--Yes 184, No 817. The election inspectors report very few spoiled ballots, as compared with former years, a good showing for the large numbers of new voters.

Vergennes township elected the entire Republican ticket with the exception of Mrs. Charles Collar who went over Mrs. Clyde Gordon by a majority of 17. Melville McPherson for supervisor had 19 majority over D. D. Krum.

Following are the newly elected officers of Vergennes township: Supervisor, M. B. McPherson; clerk, Percy J. Bead; treasurer, Bertha Collar; justice, J. E. Tower; highway commissioner, Bert Ford; member board review, Fred Roth; constables--Frank White, Charles Forman, Bryce Gordon, Hoye Ford.

"I called on the little girl last night--can't tell you the nice little things she said--that's a secret--but I decided right there I couldn't have invested that \$60 any better."

Spooning in Autos Along Kent Roads Under Ban of Law

Automobile spoooners beware! Stop, look and listen for Sheriff Vieregger and his newly appointed motorcycle deputies have their eyes on you.

Those little "joy rides," which reckless young men and some too elusive young women have been taking through Kent county highways, are a thing of the past. Machines stopped by the roadside with all lights out will no longer be tolerated.

"That sort of thing will no longer be tolerated," declared Sheriff Vieregger Saturday. "We intend to put a stop to these parties."

The motorcycle deputies have been instructed to make arrests in such cases where machines are found containing "spooning parties," and to bring charges against them. Several arrests have already been made, stated the sheriff.--Herald.
