AUTO TOPPLES, YOUTH KILLED

Holiday Trip of East Lansing Party Ends in Tragedy.

One youth is dead, another seriously injured and five are suffering from bruises as the result of an automobile accident on the Turkey trail road between Saranac and Lowell soon after 11 o'clock Thursday night.

Haymond Mizner, 18, East Lansing timekeeper in the Olds Motor works, Lansing, and formerly a resident of this city, is dead. Dewey Schaver, 21, Lansing, is in St. Mary's hospital suffering from a fracture of the leg and possible internal injuries.

Machine Hits Knoll.
The less seriously injured are: Clarence Mahar, 22; Elmer Schaver, 23; Earl Blockinger, 20; W. Short, 21 and Ernest Stoppel, 20.

The Chandler automobile in which the party was coming from Lansing to this city struck a knoll at a turn in the Turkey trail, toppling the big machine and throwing the seven passengers into a patch of wood bordering the road. All except Dewey Schaver were rendered unconscious.

Two Were Asleep.
Mizner and Elmer Schaver were asleep in the tonneau when the car struck the hump and rolled over. It is believed they were hurled against a tree.

Mizner died of injuries received about the chest and probable internal injuries. First aid was rendered by physicians from Lowell.

Mizner's relatives in East Lansing were notified by members of the party early Friday morning.

Asked to Go Along.
Mizner, members of the party, asked to come to Grand Rapids with the Schaver brothers and their friends when they took Thursday morning of their plans on spending the Fourth in this city. He carried a suitcase and a tennis racket.

An examination of his personal effects at the hospital by the coroner showed that Mizner was born in this city Sept. 14, 1901, a birth record from St. Adalbert's church being found in his pocketbook. Other effects showed that he formerly was a member of the Y. M. C. A. here.

Mizner, according to his companions, lately was employed in Detroit. His father located in East Lansing and only recently asked his son to come to that city. He accepted a position as timekeeper in the Olds plant.

Driver Tells Story.
Clarence Mahar, driver of the automobile which was owned by the Schaver brothers, said that the party left Lansing for Grand Rapids about 7 o'clock Thursday night. They planned on reaching here at midnight and spending the day here, returning Friday night. "We came along slowly, just loafing along and taking our time," Mahar said. "When we left Saranac we were told to take the north road as they were rebuilding the main road. This is called the turkey trail. We had gone about two miles when we came upon the curve and the knoll where the accident occurred. We climbed the hill with the car. I was driving along slowly, in second gear. We were not going fast, more than 18 miles an hour. We went down the hill slowly and carefully and at the bottom was a turn and to the outside of this turn there appeared to be a knoll. We could not see it as we driving along. We suddenly hit the knoll, throwing the car to the side of the road. The car tipped to one side against some trees and threw us all out into this patch of woods. The car rebounded after hitting the trees and came to rest on its four wheels. I struck a tree or something for a second or so about 15 minutes I was told."

Hurled from Seat.
Elmer Schaver, one of the occupants of the front seat with Mahar, said that he was hurled through an opening between two trees when the car went over. "I was dazed for a minute, but when I came too I got up. All of the boys were quiet. They were unconscious. Mizner was breathing hard and my brother seemed badly hurt. When I saw some of them coming to I ran to a farm house and called for a doctor from Lowell, telling him to bring along another physician as there were five or six badly hurt. The doctors made good time. When I got back to the scene most of the fellows were up. Mizner was breathing hard and I was fearful he was badly injured. I was all worked up anyway. My brother seemed to be in pain. Mizner said he was cold when he came too and we were waiting for the doctors to come.

Back to "Home Town."
"Mizner came with us when I told him in the shop Thursday night that we were coming to Grand Rapids. He said, 'Why that's my home town—I'm going there for the Fourth too. What are the chances for going along with you fellows?' One of the original party failed to come and we consented to take him along. Both Mizner and my brother were asleep in the rear seat when the crash came.

Mizner and Dewey Schaver were brought to this city just before 1 o'clock. Dr. Lee, of Lowell, one of the physicians whom Schaver called, made arrangements via long distance phone to receive the patients. Dewey Schaver's condition was aggravated because of the nervous shock. When told Friday morning that Mizner was seriously hurt, he broke down completely.

After leaving the hospital the other five members of the party spent the night at the Meritens hotel. Elmer Schaver recently was discharged from the army. He served overseas. I have seen dead and dying men all around me for a long time," Schaver said, "but nothing unnerved my like this."—Grand Rapids Press.

Coroner J. B. Hilliker, of Grand Rapids, investigated the accident Friday and decided that no inquest was necessary. The wrecked car was hauled through Lowell on two of its own wheels and trucks. It was a new and expensive car and the wreck looked as if hardly worth salvaging.

Berry Swamp Burns; Scouts Fight Fire.
Belding, July 8.—Fire which was started when someone threw a lighted match into the grass at the side of the road west and south of Gratlan destroyed a huckleberry swamp, together with its crop of berries, which was worth more than \$500. The fire also quickly spread to several nearby wheat fields and it was only by the hard work of a large force of volunteer fighters that the fire was confined to the swamp, where it finally burned itself out. A group of Belding Boy Scouts camping at Bostwick lake fought a fire which started south of the lake. The boys, after fighting for more than a day, put the fire out.—Grand Rapids Press.

BUSINESS MEN'S PICNIC JULY 24.

All Creation Coming to Lowell for A Picnic.

The Business Men's Association will hold a basket picnic at Lowell, Thursday afternoon, July 24, beginning at noon. This is the district association, which held its last meeting at Lake Odessa.

Lowell was selected for the next meeting, but the many demands of the war time made picnic gatherings inopportune. Now it is proposed to make up for lost time; and the Lowell meeting will be a hummer.

This association is composed of the business and professional men of Caledonia, Sunfield, Freepport, Alto, Clarksville, Lake Odessa, Lowell and other towns; and they are accompanied by the members of their families. The association meetings have grown from a small beginning to an affair of large proportions and Lowell will look to it to maintain the high record of attendance and entertainment made by other towns in the association.

J. J. Lalley, the hustling president of the Lowell Board of Trade has the matter in charge and further announcements may be expected in our next issue.

In the meantime put "Business Men's Picnic at Lowell" on your calendar for July 24, for its bound to be a red letter day in Lowell.

Notice to Water Customers.
Sprinkling hours are from 6 to 8 a. m. and 6 to 8 p. m.
This change has been made necessary on account of the scarcity of water.

Many customers do not seem to realize the gravity of the situation, violating the rules, some through negligence, others with intent. A great amount of water is wasted through defective fixtures and faucets which are left running. This condition must be remedied or offenders will be cut off.

Use of water for sprinkling purposes must be discontinued during a fire.
By Order of Water Committee.

Funeral of W. A. McWilliams.
Funeral services of W. A. McWilliams, who died Saturday, July 5, at his home, 25 Ryerson street, S. W., will be held at 2 p. m. Saturday from the residence. Interment in Lowell.

Besides his widow, he leaves one son, George W. McWilliams, of Cleveland; two brothers, George and Herbert McWilliams, of Grand Rapids, and one sister, Mrs. John May, of Lowell.

He was a traveling representative for the Vindemulder company here for nearly 20 years.—Grand Rapids News.

"Fool Your Neighbors"

Put your Edison on your porch some evening and give the neighbors a real concert.

No other make of machine ever fools any one for you know what it is when you hear it, but there are many instances where the New Edison has really been mistaken for the real thing, they thought they heard someone sing, or perhaps an orchestra playing.

This is not mere advertising talk, it is simply the undisputed facts, and only requires demonstrations to prove it.

If you want real music in the home "buy an Edison."

Care and Responsibility.

THE responsibility attached to the preparing of a remedy for infants and children is undoubtedly greater than that imposed upon the manufacturer of remedies for adults whose system is sufficiently strong to counteract, for a time at least, any injurious drug.

What have makers of imitations and substitutes at stake? That are their responsibilities? To whom are they answerable? They spring up today, as scatter their nefarious wares broadcast, and disappear tomorrow.

Could each mother see the painstaking care with which the prescription for Fletcher's Castoria is prepared; could they read the innumerable testimonials of grateful mothers, they would never listen to the subtle pleadings and false arguments of those who would offer an imitation of, or substitute for, the tried and true Fletcher's Castoria.

Children Cry For Fletcher's CASTORIA. A Word About Truth. "Great is Truth, and mighty above all things." So says the Old Testament, yet it is equally true today. Truth shows no favors, for it is the conqueror of all.

Sealing Wagon Pays Little. The Newfoundling sealing wagon has been ordered by the U.S. Fish Commission. It crystallizes quickly and is available very suitable for export, and is especially adapted for use in the tropics.

Why So Moody? A woman doctor tells you one thing today and another thing ten years later. It is impossible to allow to go on. There is no such thing as a free lunch.

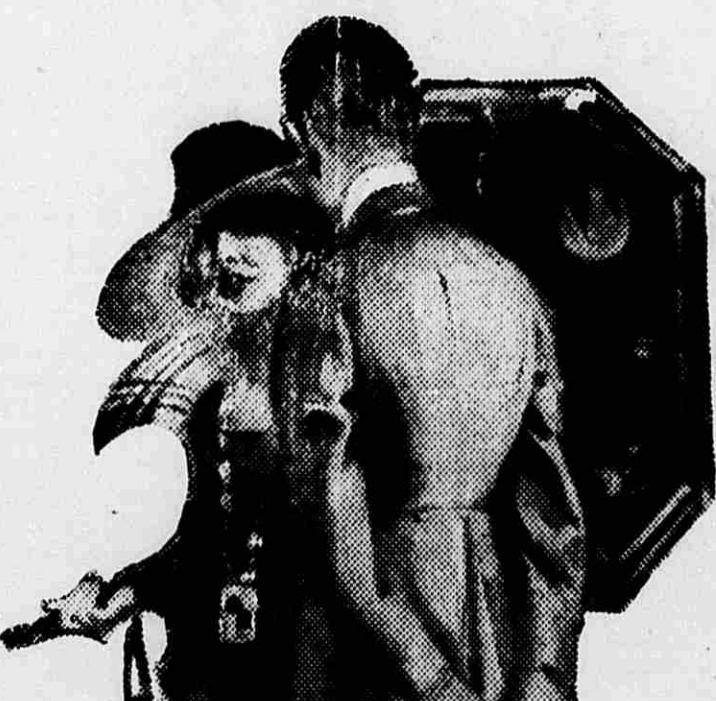

Freckles. There is no such thing as a free lunch. There is no such thing as a free lunch. There is no such thing as a free lunch.

Indigestion. Millions of people—fact about it is that it is the most common of all ailments. It is caused by indigestion. It is caused by indigestion.

Doan's Kidney Pills. Doan's Kidney Pills. Doan's Kidney Pills. Doan's Kidney Pills.
